Our Grand Knight John Ryan, wishes to extend his appreciation to the officers who exemplified these two degrees: Brother John Hesse, Grand Knight of Marquette Council, J. Hempler, Grand Knight of Nazareth Council, P.G.K. Foley of Nazareth, P.G.K. Joseph Halm of Nazareth, and Grand Knight Phoenix of Chicago Council. We also had the pleasure of entertaining District Deputy Joe O'Neill.

FOURTH DEGREE

Last Sunday, Feb. 23rd, Brothers D. Sanservino, Victor Zanoni, B. Nunziato, J. Rauzi and Ed Murphy, had the honor of receiving the Fourth Degree at the Palmer House. In addition to these Brothers, several of our Fourth and Third Degree Knights attended the banquet which followed the initiation. All reports received indicate that this was one of the best attended degree and banquet that has ever been held, and those who attended enjoyed themselves to the utmost degree.

ATTENDANCE PRIZE

For some unknown reason, your Scribe has been negligent in announcing this attendance prize for the past few weeks. Rev. Father Muzik, our Chaplain, has announced that he will lead a delegation to Mayslake the week of April 20th, for a retreat. A record is being kept of all brothers who are attending the meetings regularly, and at the meeting of April 15th a name will be drawn from the hat, and the brother whose name is drawn, will have the opportunity of attending this retreat, all expenses paid by the Council.

We regret to announce that P.G.K. James Carey is again seriously ill at his home. While Brother Carey is not allowed visitors at this time, we urge all brothers of Washington Council to offer a few prayers for his speedy recovery.

Our next regular meeting will be held Tuesday, March 4th.

St. Francis Spends Council Efforts on Member Drive

2-4 Thurs. . . . . 4711 W. Madison

Members of St. Francis Xavier Council are concentrating on a big membership drive. The goal is 25 new applications by March 23 and the Century Club by the time that the month of June rolls by. The task of securing new applicants has been lessened to a certain extent by the reduction of the initiation fee to $5. Surely you must know some Catholic gentleman who is not a Knight. Go to him promptly. Point out to him the many advantages of joining our order.

All applications should be turned in to Deputy Grand Knight Salvatore Cirrintano as soon as possible. The next exemplification of the third degree will take place Sunday, March 23, at the St. Philip High School gym. Each application must be accompanied by the initiation fee of $5. Don't forget that you will be paid $3 for each insurance application of $1,000 and $3 for each additional thousand dollars.

BARBECUE

The date for the annual barbecue given by the Knights of Columbus for the benefit of Bishop Sheil's Fund for Underprivileged Youth has been set for June 18 at Riverview Park. St. Francis Xavier is expected, as in the past, to be one of the leading councils in this charitable drive. A committee has been formed to lead this drive for our Council. Sir Knight Angelo "Scotty" Frusolone has volunteered to serve as chairman of the committee. Bro. Salvatore Defily will act as co-chairman, and Recording Secretary Vincent T. Candice, treasurer. Others on the committee are Bros. Joseph Gironda, Joseph Scelso, Jr., and Anthony Arra.

Plan to give them your whole-hearted support. You will be helping yourself, the council, and a lot of deserving, underprivileged youngsters.

FOURTH DEGREE

Our apologies are extended to Father Silvio Zanoni, P.S.S.C., pastor of San Callistus Church, for omitting his name last week in enumerating the names of the members who participated in the exemplification last Sunday. A total of ten members are now eligible for the Fran-Fours Club. The exemplification was judged a huge success with 1,500 people attending the testimonial banquet.

SCRIBLETS

The returns for the ads and tickets are coming in very slowly. Thus the final report will be unnecessarily delayed. Try to make all your returns next Tuesday night at Bro. "Babe" Criola's home, 3024 W. Flournoy Street, or at the very latest, the next council meeting, March 13. . . . Orchids to Sir Knight Larry Gregoria, who submitted a blood transfusion to James Madigan at the Illinois Research Hospital recently. The attending physician was Dr. Lobraico, son of our former medical examiner. James Madigan is a nephew of Coach "Slip" Madigan of St. Mary's University.

Sir Knights "Leggy" Marcantonio and "Scotty" Frusolone, accompanied by Mrs. Marcantonio, are spending a month's vacation in Hot Springs, Ark. . . . Friends and relatives of Mr. and Mrs. Vincent Vitullo gathered at Guardian Angel Church last Sunday to help them celebrate their golden wedding anniversary. A party was given later in the day in their honor. Mr. and Mrs. Vitullo are represented in the council by two sons, Anthony, our Warden, and Peter, and a son-in-law, Pat Guerrieri.

MAPLE SPLITTERS

The bowling results still continue to come in in a topsy-turvy fashion. The leaders continue to take "a licking" at the hands of the underdogs. The Guigliano Florists completely over-powered the Izzo Undertakers. Ald. Pacelli's moved into a second place tie with Dot Pies by virtue of a triple victory over them. The last place Bacigalupo Morticians came to life to make the Marks Motors their unhappy and surprised victims in three games. The Senate Electricians proved to have more voltage than the Mele Plumbers, and Paternos Pizza defeated the Coletta Undertakers.

Best splitters were: G. Lucca 505, P. Bruno 500, Doc Vincenti 530, "Sheik" 620, J. Consoli 540, L. Merisso 554, L. Belpedio 548, F. Pasquale 519, P. Merisso 525, A. Vitallo 544, S. Randazzo 529, A. Frusolone 530, M. Puccini 516, A. Arra 531, C. Principe 549, and F. Arito 529.

Are you planning to go to Indianapolis for the National K. of C. bowling tournament, April 5 and 6? If you are, be sure to make arrangements with Sal Cirrintano.

Fr. O'Connor Asks Support of All on Charity Ball

1-3 Thurs. . . 4660 N. Kedzie Ave.

As the date of the annual charity ball approaches, it's appropriate that we again remind you that here is the biggest social function held by Father O'Connor Council during the year, and one deserving of unanimous support from all members of the organization. The committee on arrangements is doing yeoman work in an attempt to make the St. Patrick's party the best in history, and deserves nothing less than 100 per cent co-operation from the members.

Since the charity ball serves the double purpose of a social affair and a means of raising funds for the council's charitable works, it's not expecting too much to ask each member to dispose of five tickets. If this figure is reached, and we're hoping for much better than that, the party is bound to be a success both socially and financially. Chairman Joe O'Brien, Walter Fulle or Bill Cunningham have additional tickets for anyone seeking more than the individual quota being mailed to all members.

Remember the date, Saturday, Mar. 15! The location is the spacious Lions' Hall, 4306 W. North avenue, and the program includes dancing, refreshments and entertainment.

BOWLERS' SMOKER

Another item of interest is the bowlers' smoker to be held in the council antechambers following the next meeting. Aim of this affair is to help defray expenses for the keglers on the trek to the national tournament. One buck entitles you to all the food and beverages you wish, plus a wide variety of card games and an entertaining movie, the Chicago Tribune's film, "The All-American Way."

AMONG THE "400"

Walter Fulle is apparently setting a fashion note in automobiles. . . . Clare Raymond has followed suit with a new Buick with which to open a few eyes at Lauderdale. . . . Neither Buick was won in a raffle. . . . Report has it that Walter Kelly's flaming red bowling shirt is a gift of the Lake Geneva police and fire department, of which he is an honorary member. . . . Dick Navin is an emotional little man. . . . While attending a tear-jerker movie recently his loud sobs disturbed the audience freatly.

Along the sports line: Tony Newbauer is preparing his gang for spring baseball training. . . . Yes, he has nine children. . . . If Michael Didier tells you he had golf balls for breakfast he won't be kidding. . . . His next door neighbor is Tam o' Shanter Country Club. . . . Charlie Rank and Jim Clancy are in a heated controversy over the respective merits of bowling alleys 19 and 20 at Monte Cristo. . . . Feature of next week's meeting will be the National League baseball movie.

Is Jack Kennedy's terpsichorean art causing a rift between himself and lifelong pal, Joe Navin? . . . Maybe a good dancing instructor could patch things up for the boys. . . . John Golden, the outstanding swain of the council, is adopting a new technique in his conquests. . . . His long black hair gives him that virile, masculine appearance so popular these days. . . . Jealously enough, Matt Needham and Chuck Dineen are taking up a collection so that John's locks may be shorn. . . . We've missed those dancing feet of Ray Bodkin . . . and that million-dollar smile of new-Knight Joe Sheehan.

BOWLING NOTES

Highlight of the weekly bowling session was the sparkling 267 score rolled by Bob Nierman. In helping the Nolan quintet go into a fourth-place tie, the big boy splattered the pins for eleven out of twelve strikes, his only blow coming in the fourth frame on a perfect 1-3 hit that left the 7 pin standing. It was the second high individual game of the season.

In the team standings the Widtman keglers retained their grasp on first place by taking two games from Gannon's Inn, which team sorely misses the inspiring leadership of its sponsor. Furman Funerals kept pace with the leaders with a double victory over Navin's Inn, while the Shamrocks came back into the title picture by copping three from the King Coals.

Team standings:

Widtman Meats	36	27
Furman Funerals	34	29
Cristo Printers	33	30
Shamrocks	32	31
Nolan Insurance	32	31
O. K. Exterminators	31	32
Ross Boosters	31	32
King Coals	30	33
Navin's Inn	28	35
Gannon's Inn	28	35

The big ten: Cunningham, 608; M. O'Brien, 588; Nierman, 564; Droske, 561; King, 561; Fialkowski, 548; Metzen, 547; Kotnaur, 540; Wilson, 540, Smith, 537.

Hughes Sir Knights at Banquet

1-3 Tues. . . . 4715 W. Madison St.

Brother knights, your Grand Knight, Dr. L. Postilion, and Lecturer Joseph Ryan have collaborated to the extent that our meetings since last October have been and will be of the streamline variety. Called to order at 8:30 p. m. sharp, the business at hand is transacted with proper dispatch. You are assured a peppy meeting, one you will enjoy—one lengthy enough to enable all committees to report fully, but precisely shortened so that only the essential facts are stated.

Adjournment is generally about 10:15 p. m., so that you may fraternize with your brothers after the meeting and still be home at a reasonable hour. You who have not been in attendance should make it a point to become a regular. Your officers have made every endeavor to make the meetings pleasant, and if they do not meet with your approval please voice your wishes.

FOURTH DEGREE

For some unknown reason, Bros. Erv. Lauterback, Sr., and Art Carroll did not apepar for installation to the fourth degree Sunday. However, the following pictured seated above are now Sir Knights: Lecturer Joe Ryan, Frank Heule, Thomas Dailey, James Kenison and Advocate Arthur Kreutzer. Shown standing are G. K. Postilion (far right), D. D. John McKeown, P. G. K. Elmer O'Brien, Ath. Dir. Elmo Ward, Chan. Jim Ryan, Fin. Sec. Dan Harper, D. G. K. George Daly, Sr., Joe Postilion and Bros. Rec. Ray O'Brien and George Daly, Jr., who all attended the banquet and party that followed the degree ceremony.

During the course of the afternoon and evening, many dignitaries and guests visited with our members. Among these were Monsignor Abraham, accompanied by John Pane-Gasser. G. K. Postilion and Advocate Art Kreutzer received a special blessing from Most Rev. Bishop Griffin. A word of thanks to the Sir Knights of St. Patrick's Council, particularly P. G. K.'s Al Thompson, Roy Bennish, Johnny Burke and Roger Latelle for the hospitality they displayed.

DID YOU NOTICE

At our dance that Nick Mulroe relinquished his task of servitude on the stroke of twelve to begin the celebration of his birthday? The nice party at our friends' table from St. Patrick's Council, and the same at D. G. K. John Caulfield and his wife's table. G. K. Kissane and wife, he of Fr. Setters Council, had a party along.

We know there must have been many others from our neighboring councils and as soon as grapevine divulges the facts they will be listed. Again to all who were with us, thanks a lot.

The address of "Shadow" McDonald was recently incorrectly given. Johnny is stationed at Fort Casey, Washington. Although he is not of an excitable nature, we do, however, understand that he is much up in the air and when he comes down to earth he is glad to read a cheerful word from the gang.

APOLOGY

A special expression of regret is made that your general and program chairmen were not advised of the fact that a new captain has been selected this year to lead our Majors, hence the perennial choice, Tony Slanina, was listed. Brother knights, so that you might not make the same mistake and at the same time, extending the apologies of your committee, we announce that the new captain is Al Kowalski. Al had his team out 100 per cent and not only did he have them listed as patrons, but took space for the team as a whole.

Our Majors dropped two games to St. Paul of the Cross, although our Frank Kaminski made yeomanry effort to stave off the ultimate outcome when he contributed a 633 series with 220 high. Captain Al Kowalski extends a special invitation to the officers and the members to be on hand and lend moral support Friday, Mar. 7, when our boys meet Brownson Council in a crucial series. Remember the date, Mar. 7, at 8:30 p. m., at Arcade Recreation, Madison and Hamlin.

Oddities for the news: On last Friday the Elmo Ward Builders Golds rolled the high single scratch game. They had 1,005, the same numerical designation given our council. Al Gilbert had 242 in 610 series, team also rolled scratch series of 2,766, but despite this heavy scoring could not overcome the large handicap and dropped two to Flaherty Taverns. Lauterbach won three to retain the lead, while Malone and Clancy took two to stay in second place.

We understand that twelve teams have signed up to go to Indianapolis for the national tournament. If you have not already made serervations, contact P. G. K. Elmer O'Brien at Yards 4000, Local 201, so that railroad and hotel accommodations may be arranged for you.

Auburn Park Member Drive Keeps Up Fast Pace in Quota Race

2-4 Thurs. . . . . 7740 S. Emerald

Our Deputy Grand Knight, Brother John Coughlin, since assuming the duties as Chairman of the Membership Committee, has been making splendid progress. He has the members of his Committee well organized and has secured a prospective list of approximately two hundred Catholic young men in the community. Several applications are already signed, with eight or ten more promised.

Brother John H. Clausen, our energetic Financial Secretary, has been very succesful in obtaining renewals from old time members who have let their membership lapse, securing a number of reinstatements as well as a number of transfer applications. One of the latter was accepted at the last council meeting. It was the transfer of William T. O'Toole from Hennepin-Shields Council, and we extend Bro. O'Toole a most cordial welcome.

One of our outstanding softball players, Brother Paul Byrne, has offered to serve on the membership committee and is doing a noble job in contacting prospective candidates. With the effort that is being put forth by this committee, they should be rewarded with an increased membership.

I want to again remind all the Brothers that on the 27th of March (the second council meeting in March) we will put on a First and Second Degree in our clubhouse. It is expected that there will be a large number of candidates for this occasion. Won't you please lend a helping hand to the Committee on Membership by turning in signed applications?

BENEFIT PARTY

Brothers, here's an opportunity to do a real act of charity and at the same time have a very enjoyable evening. A benefit party for the Mayslake Building Fund will be held on March 7th at the home of Richard J. Knight, 7636 S. Emerald Ave., at eight o'clock. Everyone is most welcome.

COUNCIL NOTES

Bro. George E. Muellner and Miss Virgina Cobet were united in holy matrimony last Saturday, Feb. 22, at Little Flower Church. They are now on an extended honeymoon trip through the south, including a trip through old Mexico. Our best wishes to the newly married couple.

Bro. Jos. P. Hayes, of the Hayes-Healy Travel Bureau, is now in Florida. He is conducting his second tour of the season, and his office is prepared to take care of another group for a personally conducted all expense tour.

Our next regular meeting will be the first Lenten meeting, and will inaugurate our new feature, "The Question Box." Bro. John J. Tierney, chairman, asks that you send your religious questions to Rev. Terrence Fitzgerald, chaplain, Mt. Carmel High School, 64th street and Dante avenue.

Bro. Carl W. Fischer, our newest sir knight, was highly pleased with the exemplification of the fourth degree. He stated that never in his life was he more impressed, with any degree that he had ever taken, and he is a member of many organizations.

Bro. Jim Little, the mayor of Little Chicago, and Bro. Jim Casey are both confined at Hines Hospital. We suggest that any member who can find the time to make this trip should go out and see the two Jims.

Our meeting of last Monday was well attended, and the entertainment feature in charge of Bro. J. Joseph Sullivan was well received. Many of the members were rewarded with merchandise, among the winners being Bros. Ed Dillon, Walter McDermott and Tom Mulcahy, who were recipients of very handsome ties. Mike Murphy, Roy Gaspari, Joe Land, Harry LaMasney, Michael Shinners, Jim O'Malley, George Gawell, Maurice T. Smith, Pat Healy, Terrence Scully, John Rickard, Dr. John Gilroy, Mike Cleary, John Lawler, Gene Stuart, G. K. Bill Birmingham, John Bergman, John Lynch being winners of coffee. Bro. William Maher was extra lucky, drawing a fine slab of bacon. The big winner, and he drew his own number from the hat, was Bro. Jim McKenzie, pulling for himself a 12-pound ham.

St. Anthony's Famous Chef Pleases Members and Guests at Meeting

1-3 Thurs. . . Schiller and Gustave

Well, Brothers, we certainly had the right dope two weeks ago when we predicted how good the spaghetti would be at our last meeting, and the very good attendance only proves that others had the same idea about Pete Caputo's ability.

Many members of other councils, having read our build-up, came to visit us on that night to sample this delicacy. They went back to their homes singing the praises of this fine Italian.

Among our guests were District Deputy Marco De Stefano and a delegation from St. Cyr Council, also Grand Knight Himpler and several officers of Nazareth Council. Come more often, Brother, you are always welcome.

Grand Knight John Deignan sends an urgent call to all members of St. Anthony de Padua Council in behalf of the State Blood Donors Group. This is a wonderful cause and is worthy of 100 per cent cooperation of our membership. See our Grand Knight at once and he will make arrangements for you to be typed.

We are a little tardy in announcing the appointment of a new Lecturer. He is none other than our newly initiated Richard Moley to whom we give much credit for the success of our last meeting. We wish him good luck in this new undertaking.

Thought for the week: See Ed Scheitler before he sees you.

Garcia Moreno Gives Several Reasons Why Co-operation Is 'Must'

2-4 Tues. . 155th St. & Lexington Ave.

Dependability is one of the successful attributes of any council. If we will place ourselves in the position of our council officers, we can easily see why they want men of this quality. Naturally our council can be classed as an organization. Our many insurance members require a large amount of work and the bulk of that work and worry falls upon the shoulders of our Fin. Sec'y Louis Beaupre.

When a council has a group of interested and reliable officers, its growth is assured. Then with a little horse sense from the members we can be reasonably sure of smooth running. The most important contribution the members can make is cooperation; an effort to meet their obligations when due. In doing these two things, at the end of the year our council's books would be written in black ink.

We are still a long way off from filling our membership quota, and neither the members or officers should relax. If we fail to reach our goal, the cause can be laid to lack of interest, because we have a large field to work in. Council officers, along with the members, should exert effort to gain new members. Garcia Moreno Council, in the last 28 years, has stood the test as one of the best units in the Order. Don't lose your enthusiasm. Your membership is valuable to you and your family. Be active and stay young.

BOWLING NEWS

Shea's Korner won all three games from Wonder Bar and are tied for first place with Eagle Coal Co. Jack's 591, Kammert's 505 and Knoll's 497 were the Shea's top men, while Pop White's 511 and son, Clyde, with 492 were tops for Wonder Bar. Bill O'Hara Boosters won two games. Frank Ring Boosters were the victims. Hick Wisell's 576, Bruce's 526, De Mayo's 488 were the O'Hara gang's best bowlers. Matt Walenga's 550 was the only good bowling for Ring Boosters.

Walter Goletz Boosters won two games from Joe Drolet's Eagle Coal Co. Joe Reardon's 532 and Seibelt Sr.'s 489 were tops for Goletz gang, while Seibelt Jr.'s 527 and John Mech's 515 topped the Coal team. Home Liquor also put over two wins. Anton Sterker Tailors and Home Liquor are in the cellar—a good place for liquor—but they are on the way out. Dick Walenga's 503, John Kerkhoven's 503 and Vic Walenga's 501 were the Liquor team's best pin collectors. For the Sterker Tailors, Rev. Fr. Renklewski's 516 and Bennie Walenga's 472 shared the honors of top men.

BIT-O'-NEWS

The dancing party last Saturday night was a wonderful success. Our sincere thanks to all who helped towards that end. Our thanks to our patrons and patronesses and to Anton Sterker, Wm. Powers and Wm. D. O'Hara. Also Joe Drolet of Eagle Co. for the dance programs. The workers at the dance deserve a vote of thanks for they really did a splendid job. Al St. Abin and Louis Beaupre at the door, Jackie Lotz and Erwin Lunn, the waiters, and Andy Curzydel, Anton Sterker and the scribe who did their part. Lecturer Clyde White extends his sincere thanks to all for their splendid cooperation.

To John Klein our sincere sympathy on the recent loss of his brother. May his soul rest in peace. Walter Latowski is reported on the injured list. Charles Melkent and Al Binette who were on the sick and injured list, are both doing fine. They were at the dance and it was good to see them again. Cigars were passed to the bowlers, and the proud papa was Francis De Mayor. A new arrival on St. Valentine's Day was the reason. Walter Goletz and wife are on a month's vacation in California. Paul Malito also is in California. Dr. Dan Altier leaves the sick list and is looking great. We hope the sick youngster at P.G.K. Al St. Aubin's home is on the well list by now. Cheerio.

St. Cyr Hands Council Bowling Crown to New Champ, 'Dom' Donile

1-3 Mon. . . . . 1609 N. Halsted St.

Brother members, may I take the privilege of presenting to you, that undisputed champion of champions, Brother Domonick Donile, who a week ago Wednesday, astounded all those who witnessed that super-colossal feat of his at the Monte Carlo Alleys. For the envy of all you who are participants and followers of the sport which has swept the country I present the following figures:

Rolling a series of 736, Domonick hit games of 212, followed by a 227, and a heart- breaking game of 297, in which Donile blew in the last frame. A five-year high, and surpassing Joe Romano's memorable feat of 1940, when he rolled a 729. Domonick Donile is today the champ, until some other of our warriors take it upon themselves to surpass that mark. Impossible it seems. And you're almost right when you say so. But Joe Romano's series seemed to be one that was going to last for a long time, but here it is, decisively shattered.

PREVIOUS HIGH WAS 287

The previous high game record for this season was held by Sam Greco when he rolled that 287. The previous high three-game series record was held by the Cancilla Construction boys, who held the top with a 2712, but through the help of Donile, the Morreale Oilers passed the Cancillas up and now hold reign with a 2732.

This is the way it was accomplished: Donile rolled games of 212, 227 and 297; Phil Morreale 147, 145 and 142; Joe Murglin 201, 209, 215; Joe Madonia rolled three games of 139, and Anthony Scully 204, 135, 181. Thus we see that there were seven games well over the 200 mark, to give them games of 903, 855 and 974.

Anthony Ortolano came in second in the individual high single game series with a 231, followed by Joe Geraci with a 230. Joe Murglin came in second in the high individual high three- game series with a 625, followed by Vince Lucania with a 586. The Lucanias rolled a series of 2595, and DeCola Maruca 2508. Lucania's rolled an 896 and DeColas an 892.

The League standings at this time are as follows:

	W.	L.		W.	L.
Cheer Up ...	39	24	Archer Glass.	30	33
Maniscalco ..	39	24	Bond Clothes.	29	34
Cancilla	38	25	DeCola Maruca ...	28	35
Strano	38	25	Granata	27	36
Lucania	37	26	Rubinelli	22	41
Morreale	34	29	Mohawk Cartage ...	19	44

Rago Bros. ..	31	32			

BOWLERS' PARTY SOON

The bowling season is now almost over. As usual the season will terminate with a party, at which event the various trophies will be awarded. The tentative dates for this party are May 3rd or 10th. So hold on Brother Knights and look forward to the biggest and best party that St. Cyr has ever run.

Last Sunday nine men from St. Cyr were initiated into the 4th degree. Your scribe has been out of circulation for about a week due to illness and as a result he does not have the names of the men who took the degrees, nor other choice bits of news which he ordinarily presents. But we're back in harness now, and any day now I'll expose one of the finest bits of news item ever to hit St. Cyr readers. So hold on.

NORTH DIVISION BOWLING LEAGUE

E. Baumhart, Secy.

Joe Meier sets new high series mark.

Believe it or not, St. Paul of the Cross can be beaten, and Ouilmette made them bite the dust to the tune of two games. St. Paul won thirty-one in a row, lost one to Lafayette then started on another winning streak of fourteen games, only to be stopped this time by Ouilmette. The Bleser brothers again took the spotlight, Paul getting 638 and Ed 611, Chubby Leis 591, Ed Shanahan 564 and Carl Schwall 560. Ouilmette bowled the highest game to date, 1047, and second high series of 2962. St. Paul's total was 2943. Stan Cerbin was high for St. Paul with 659, Ray Gleason 631, Vic Porazinski 576.

Brownson won two from Newman, with a nice 2922 total, Marsh Matz 665, Charley Lannon 627, Joe Dvoratchek 567. Joe Zera led Newman with 668, George Hebson 611, Hank Pollette 588.

De Soto won two from Daniel O'Connell, Tony Printen 576, Art Booz 575. Joe Meier set the league on fire by blazing out the best individual series of the season to date, a tall 683 count, with games of 184, 235 and 264. Gorge Erkenswick 561.

Father O'Connor bowled scores, for Lafayette to shoot against.

De Soto Will Hear Noted Missionary at Next Meeting

2-4 Fri. . . . . Clark and Belmont

At your next meeting, Friday evening, Mar. 14, we will have as a visiting guest, the very eminent and illustrious Rev. Father Mulally, one of the Paulist Fathers of famous old St. Mary's Church of Chicago. Father Mulally is a most able and gifted speaker and is possessed of that rare quality of being able to relate story after story without end, many of which have particular relation to his years of experience making the circuit throughout the United States and distant and foreign lands in Missionary work to which the Paulist Order is dedicated.

Many of our brothers including your scribe have heard him lecture and know of his unusual ability and persuasive and entertaining personality. We are indeed very fortunate to have secured his services for the evening. In addition, Bro. Joe Cella, our Lecturer, has scheduled other features for the occasion, one of which is a movie sketch of the recent coronation of His Holiness Pope Pius XII. This film has many unusual and particularly interesting movie shots that will serve as a real source of entertainment.

TONIGHT'S MEETING

The subject of tonight's meeting has received a rather thorough and detailed discussion in a previous issue of this column, but for those who may have relegated last week's issue to the ash heap before reading it, permit me to repeat that the program prepared for presentation this evening is one that will not only capture your immediate interest but will effect permanent and lasting impressions of an insrtuctive and educational aspect.

Particularly attractive and entertaining will be the presentation of Miss Mila Baker, celebrated blind lecturer, and her Seeing-Eye dog, a highly trained, adept and exceptionally versatile canine of the German-Shepherd species. This feature alone is sufficient to warrant your attendance, but in addition your Lecturer Joe Cella has arranged for the showing of the Passion Play which has been adapted to a movie film. This double-barreled attraction is certain to make this meeting immeasurably satisfying to all attending.

FOURTH DEGREE CLASS

In an imposing and impressive ceremony dedicated as a testimonial to His Excellency Archbishop Stritch, three members of DeSoto Council, viz.: John Fisher, Carl Stoegbauer and Maurice Zeller, were inducted into the Fourth Degree, the highest and Patriotic Degree of the Order, when the same was exemplified to a record class on last Sunday, Feb. 32, at the main banquet hall of the Palmer House.

Participating in the degree work was P. G. K. Jerome Crowley, Faithful Navigator of the Fourth Degree, and P. G. K. Ed Sullivan as Expositor; and that reliable and devoted Knight, Bro. Charlie Pritzlaff, acted as Aide to His Excellency Archbishop Stritch.

Attending the banquet with our Grand Knight Gene Scanlan were Bros. Jules Altenhofen, Al Birren, Frank Wohlleber, Capt. Marty Mullins, Sarg. Jim Fanning, Frank McDermott, Clift Moran, Harry Wehrheim, George Hansen, George Schuler, Joe Kramer, Hank Nierman and Joe Sittler. Also attending the festivities were Jim Hausman, Tom Mulcahy, Emil Voss, Ed. Connell and George Schuster.

PERSONAL PATTER

Like a thundering crash fall the unwilling victims of Eros, famous Greek God, smitten by his mighty and powerful sword of Love, but for many-a-year his power and might scratched not a hair of our old friend Eddie Kent; but being tempted to the point of anger and despair Eros must have unloosed the works to blast the confirmed bachelor from his life of single-blessedness (so-called), for we just learned that early in February Eddie donned the halter of marital bliss (also so-called).

We are not informed as to the first name of the fortunate young lady, but we do know its Miss Coyne. After an extensive sojourn in Florida, they are back in Chicago and we all join in extending to both of them our hearty and sincere congratulations.

Many of the old gang were pleasantly surprised to see that sage of the past and master of wit, Pat Doyle, at our last meeting.

We hear that our old friend and devoted DeSotoan Bro. John Brost, Sr., and Mrs. Brost pulled a sneak on Old Man Winter by skipping off to Fort Lauderdale, Fla. Lucky fellow.

We just learned that Ann Bushold, wife of Tom and sister of Matty Faëtz, is very seriously ill and confined to the hospital. She is allowed no visitors and reports are none to encouraging, so we ask her many friends, as well as those of Tom, to offer a prayer for her recovery.

I knew that guy Joe Merki couldn't take it. After giving him a nice big build-up on that mammoth 89 he had last week, he comes back with four or five gutter balls last evening. Imagine folding up on his public like that.

Welcome New Sir Knight

Eight of his fellow workers turned out to welcome initiate, Fran Grady, standing center above, who was advanced to the Fourth Degre in Sunday's exemplification at the Palmer House. The other veteran, S Knights were, from left: Walter Elliott, Tom Nolan, Frank Grady, Bi Loftus and Ed. Murphy. Seated are John Quinn, Wally O'Keefe, Emor Fonte and Joe Beckerjeck. All nine men are from the Bond organizatio in Chicago.

Gen. Sherman's New Sir Knights Pride of Council

1-3 Tues. . . . . 4300 W. North Ave.

Your scribe and brand new Sir Knight, Frank Grady, having a tough week-end, asked to be excused this week, so his bat boy, B. J., is taking over.

It is with pride that we hail eight new Sir Knights into our midst. They are, respectfully: Jack Brock, Frank Grady, Bill Heitz, Frank Jensen, George Kopacz, Joe Krautsider, Jes LeRoy and Max Thiel.

Now, Sir Knights, your next step will be to join our Sher 4 Club. We will hold a meeting very shortly at which an election of officers will be held. We'll be expecting every one of you.

The Exemplification last Sunday at the Palmer House—well, I just don't know how to describe it. It was something big, beautiful and grand. It was one of the few big moments you have just once in a lifetime.

A man can well boast that he had the extreme pleasure of seeing and hearing His Excellency, the Most Rev. Samuel A. Stritch. Then Bishop, Most Rev. James A. Griffin, D.D., of Springfield, Most Rev. Edward F. Hoban, S.T.D. Bishop of Rockford, Most Rev. Wm. D. O'Brien, D.D., Auxiliary Bishop of Chicago. Monsignori, Reverend Fathers, big men in all walks of life and scores of fine Catholic gentlemen.

The most popular rooms at the hotel were 740 and 741, General Sherman's nook for the day. There were 32 Sir Knghts present besides our candidates, and they all had fun.

DANCE

From now until April 18, the date of our frolic and dance, let's get busy and help the committee all we can. In order to make it worth while, a lot of time, energy and good will must be given. Let us all make this dance a personal affair and pitch in for good old General Sherman, then notice what fun a hard job can be. Will we see you at our grand knight's office, 4207 W. North Ave., Friday night at 8 o'clock?

Brownson Warms Up for Finals in the Membership Race

2-4 Fri. . . . . 4754 N. Western Ave.

"Seven in and thirty-three to go" is the present standing in our drive to secure our quota of forty new members by June 30. Seven new members in two months sounds like a very good start, and it is, but it also means that we will have to increase our average of applications per meeting during the next four months.

With our present membership divided into seventeen groups it means that each group need but bring in three new members for Brownson to be listed on the honor roll of our Order. If we are all proud of our membership in our Council we should be equally proud of the standing and the esteem that our Council holds among the other councils. One has but to look in the Columbian each week to see the success that other councils are having in securing new members. If they can do it, so can we.

We have one of the finest council chambers in Chicago and our meetings are always both entertaining and educational. We feel sure that if the following reasons why all Catholic men should be a Knight of Columbus were made known to your friends, their answer would be, "All right, fellow, I'm sold. Hand me that application."

1. As a practical Catholic you know the need of Catholic Action for God and Country. 2. Membership in the Knights of Columbus is an asset to your religion, family and yourself. 3. It is good to associate in fraternal fellowship in an organization that has a proved and tested program of Catholic Activity. 4. The Lay Apostolate of organized Catholic manhood is the crying need of today and the necessity of tomorrow.

5. Membership is an aid in spiritual, mental and physical growth. 6. It is a protection guard and guarantee for yourself and if married your wife and children. 7. It gives you contact, association and companionship with leaders and successful men in all professions and walks of life. 8. Your membership is an example of Service, Aid and Encouragement for your own boys and for other boys. 9. To know and love your neighbor you must meet with him in the sincere cooperation of Friendship, Fraternity and Faith.

10. Membership in the Knights of Columbus is a sound investment that will bring you real dividends in personality, character and success. 11. Membership in the Knights of Columbus gives the urge to think, will and work for the cause so dear to our Holy Father; to restore all things in Christ. 12. You cannot live by bread alone.

At our next meeting, Friday, March 14, the honors of the First and Second Degrees will be given not only to our own candidates, but to a large number of others from five of the north side councils. The degree team will be made up of our own present and past officers, and as a number of visiting knights from other councils are expected to be present on that evening we urge our members to also be present.

FOURTH DEGREE

The 38th annual exemplification of the Fourth Degree last Sunday is now a thing of the past but the memory of it and the lesson taught will be long remembered by G.K. T. V. Casey, P.G.K.'s F. A. Kohler and J. J. Brennan, and Bros. Al. Long and Wm. Herdegan, who were among the 285 candidates. The degree and banquet, dedicated as a testimonial to His Excellency, Archbishop Samuel A. Stritch, was one of the finest held in years.

Our chaplain Father Ries, who was also present, invited the Fourth Degree members to be a guard of honor at his silver jubilee Mass on Sunday, June 1. This should be one occasion when Brownson's members will turn out in large numbers, but more about this later.

BOWLING

We used to think that the bowlers used to make the team but now we are beginning to think that the sponsor of a team has more to do with it than the bowlers themselves. So is the case with the Gartner Tailors, who in past years have won more championships than any other team. It's beginning to look like they will repeat again this year.

They won two games last Tuesday from Norman McShee's Undertakers and are now three games out in front. To show how lucky the Tailors were "Up the Hill" Bill Erwin was high with 507. John Laulers of the McShee's tried hard with 582 but to no avail. The Cullam Club sure has its ups and downs, winning three the week before and losing three last week to Northbrook C. C. Gene Virnick 552, Joe Dvor 531 for the C. C., and Stanley Karas 520, T. Casey 523 for the club.

When any team meets the Best Furniture Store they bowl the Best. Yes, Sir, look at this—Norman Nieman 545, Al Lang 571—both being their high series and high enough to help the Doose Studio win three and push the Best team further in the cellar. The Ald. John J. Grealis team still missing their spark plug and sponsor, the Alderman himself, lost two games to the Sunnyside Inn.

University to Honor P.G.K. Quigley at St. Patrick's Nite Party

2-4 Tues. . . . . St. Ignatius Auditorium

Chairman James A. Brown, of the St. Patrick's party honoring Past Grand Knight Bart Quigley, reports that response to his second announcement to the members is most encouraging. This is not surprising when you note what he is offering for our delectation: the Grand Ballroom of the Lake Shore Club; a seven course dinner; favors and fun makers appropriate to the occasion; a select dance orchestra; and no speakers. Anyone at the party who insists on a speech will have to take one of our inveterate spouters into a corner and start him off—and if he's still listening at 5 a. m., he will richly deserve his fate.

The Council Directory and Souvenir Program which is being prepared for this occasion will be an added attraction. It will contain a complete roster of members with their occupations, addresses and phone numbers, thus making it a permanent check-list for the council members. This feature alone will serve to make the Directory most attractive to advertisers, who might justifiably refuse to take space in a program that would be thrown away right after the party. Send in your advertising contracts to G.K. Tim Murtaugh, who has accepted the post of "Ad Chairman."

NOTES

As we go to press, the First and Second Degrees are being put on. Reports of this successful exemplification will be given next week.

The Holy Name Officers School at Joliet last Sunday prevented Emmett McHugh and the Scribe from getting in on the 4th Degree Exemplification and Banquet. We understand, however, that the affair was most successful, due to the noble efforts of our brother, John B. McGuire, Marshal. The list of the new members awaits official certification but will be published next week.

The bowlers are still bowling, we believe, but the Secretary must have broken his typewriter. We'll know all next week.

Weber Appoints Heads Barbecue Committee for 3rd Annual Drive

1-3 Mon. . . . . 4758 S. Pulaski Rd.

We wish to announce that Weber's Barbecue Drive will be led by Brother John Tryos, chairman, and P.G.K. Stanley Jaworski, co-chairman. The Grand Knight has appointed these two able and competent leaders, and as soon as the committee will be appointed and the books received, each member will be provided with the necessary material. The date of the Barbecue is June 18—the place, Riverview Park. We ask all of you at this early date, to plan now on cooperating to make it a success.

Last Sunday at the Fourth Degree ceremonies, Archbishop Weber was well represented by the following Sir Knights: Joseph Nowakowski, president since the Fourth Club was organized; Ed Zytka, secretary and treasurer; Stanley Fortuna, past treasurer; Joseph Zapotocny, Steve Jas, Julius Martynowicz, Frank A. Kubiak, Frank Szykowny and Michael Sobyro. The new initiates are: Sir Knights Frank Dalka, Jr., James Swientek, Frank Kedzior and Dr. Joseph Patka, our medical examiner.

The same evening an election of officers was held and the results are: Joseph Zapotocny, president; Frank Kubiak, secretary and treasurer. The vote for both these officers was unanimous. The other officers will be announced in the future. The newly elected officers express their sincere thanks to the past president and treasurer for their splendid record, and their cooperation in the future will be appreciated.

BIRTHDAYS AND ANNIVERSARIES

On Feb. 26, Mr. and Mrs. Boles Martynowicz celebrate their third anniversary, as do the Jerome Pierczynskis on Feb. 28th. March 1, Mr. and Mrs. Eugene Nawrocki celebrate their 11th. Birthdays: Feb. 24, Bro. Ben Mical. Feb. 25, Bro. Joseph Nowakowski, our Fin. Sec. Feb. 27, Bro. Joseph Jackowiak, and tomorrow also Bro. Cas. Weglarz, N. G. March 2, Bro. Anton Baranowski and Bro. Walter Cichon. Congratulations to you all.

MAPLE MASHERS

"No competition," shouted a voice from the gallery, as Dr. Dziubski's bagged three games last Wednesday. They are now two ahead of first place. Dr. Dziubski's team score 582-560-611, total 1753 pins, against Wegzyn 548-544-527, total 1619 pins. Kraft's Boosters pep talk was overheard. Lay low, boys, we must cut down our high average, it is a too big handicap to give away 87 pins.

Krafts team has been winning games in total pins, but loses by handicap. Their one victory brought 600 series. 558-552 or 1736 pins, against K. of C. Boosters 545-566-563, total pins 1674. Bro. Steve Jas' score of 517, plus 81 pins given away, brings them the victories. The standings are:

	W.	L.
Dr. Dziubski Dentist	28	17
K. of C. Boosters	26	19
Krafts	22	23
Frank Wegzyn Realtors	14	31

Honor Roll: Frank Wieruszewski, 182; Steve Jas, 193.

A happy journey to Mr. and Mrs. Frank Smolarek who are spending their vacation in New Orleans. It's the Madri Gras that they like.

Don't forget your Easter Duty and Third Anniversary, Sunday, Mar. 9. 10:00 o'clock Mass at St. Turebius.

La Rabida Sympathies to the Family of Brother Member, R. J. Langan

2-4 Tues. . . . . 6236 Princeton Ave.

Bro. Robert J. Langan, an active member of La Rabida, passed away after a short illness on Feb. 11. A large turnout of members assembled at McInerney's Funeral Home where prayers were offered for the repose of his soul by our chaplain, Father Thomas Dennehy. Bro. Langan is survived by his widow, Johanna, two daughters and a son. The officers and members of La Rabida Council take this opportunity to extend to the bereaved family, their sincere sympathy, and pray that God will have mercy on his soul.

FOURTH DEGREE

In true La Rabida style, fourteen members of the council gathered at the Palmer House last Sunday for the annual exemplification of the Fourth Degree. Three members of the council, Bros. Bernard Hartnady, Lawrence Kraus and Frank J. Follis, took their degree and thus became Sir Knights.

Bro. Basil Giaretta, president of La Rabida's Fourth Club, provided a room in the hotel for the convenience of those present, and a good time was had by all. The work of the degree team was most edifying and the banquet and speaking program that followed was one of the best that I have ever witnessed.

The following members were present: Grand Knight Cornelius Driscoll, Judge D. J. Normoyle, P. G. K. Phillip A. Sabatino, P. G. K. Frank Healey, Harry Dion, John F. Farrell, Basil Giaretta, William J. Lyman, Lawrence Krause, Bernard W. Hartnady and Frank J. Follis. Bros. Effie Byrnes and Joe Wahling looked after the wants of a gathered gentry and guests. Bro. William Mullalley, of La Rabida Council, honored Fort Dearborn Council with his presence. All in all, a good time was had by all.

BOWLING

The bowling results of February 24 are as follows: La Rabidians took 3 games from the Dion Quints. Wahling Wales took 2 out of 3 from the Evans Pullets and Sunnyside Inn won 2 out of 3 from the Rock Island Rockets. The standings:

	W	L
Evans Pullets	47	22
La Rabians	41	28
Dion Quints	33	36
Wahling Wales	30	39
Rock Island Rockets	28	41
Sunnyside Inn	28	41

Ketteler Degrees Add Sixteen to Council's Roster

2-4 Mon. . . . . 3437 Ogden Ave.

Last meeting was one of intense interest and impressive ceremony. Following a short and snappy business session, the First and Second Degrees were exemplified before a large group of assembled brothers. The degree offices were very capably discharged by our own Grand Knight Thos. Bogan, Past Grand Knight Frank Weichbrod, Deputy Grand Knight Ed. Oakes and Bro. Nilles as the Worthy Inquisitor. Sixteen practical and typical Catholic aspirants to Knighthood were successful in their quest and elevated to membership.

The names of our new brothers are as follows: The Rev. John J. Mackin, who incidentally is the fortieth priest to join our ranks; Albert J. Lippe, Edward E. Erasmus, Arthur F. Collins, John A. Schuman, Thad Lozanski, Joseph Pogorzelski, Charles Sechen, John Lozanski, Joseph Wayer, Floyd F. Smith, William G. Weiher, Chas. J. Vodicka, Frank P. Koporc, Louis C. Kral, John F. Gorski, and Raymond T. Nowicki.

A very fitting climax to the evening's work was the presentation by our worthy Chaplain, Father Derwinski, to Father William Saunders, a farewell gift as a parting token of our esteem and warm friendship for him. Knowing full well the dangers that beset young men when for the first time they are separated from parential influence and parochial guidance, Father Saunders offered to the government his priestly functions in their behalf. Duly appointed a chaplain with the rank of captain, he was assigned to the 108th Engineers soon to entrain with the 33rd Division to Camp Forrest, Tennessee.

In accepting this gift, he spoke feelingly of his gratitude, of his pride in being a Knight of Columbus. In closing he begged to be remembered by us in our prayers, for the successful fulfillment of his calling. To you, Captain Saunders, we say, God bless you and give you strength to always be the priestly man of God that you are today.

MEMBERSHIP

The first phase of our membership drive has been brought to a conclusion —the initiation of the first section of the Father Derwinski class into the First and Second Degree. Our efforts must not cease now, because the hardest part of the campaign is ahead of us. A meeting of the membership committee is called for next Monday night, March 3. The sponsors of candidates who did not appear for their degrees in this last class are particularly asked to be present so that arrangements may be made to include them in the next class.

Bro. Joseph Milas, our worthy Warden, has been appointed chairman of the barbecue committee, and Father Derwinski has been designated as honorary chairman. With the same energetic and effervescent zeal that dominates his every undertaking, you can rest assured that Bro. Milas will make this council's efforts the most successful in uor history.

SIXTY GOLDEN HOURS

Thus is designated the time spent as a retreatant at Mayslake. It is such a short time in which to make a complete inventory of your soul, to reconcile your life with that of Almighty God; and yet if undertaken in the right spirit it can bring you a refreshment of spirit, ideal companionship and union with God. Bro. Frank Boehler, chairman of the Retreat movement, wishes it to be known that any brother wishing to go to Mayslake can depend upon him for all arrangements, even to the transportation. The time is getting short, the date being March 21, just three weeks hence.

CONDOLENCES

Mr. George Guibord, the father of Rev. Bernard Guibord, C.M., passed to his eternal reward early this week. Father Guibord is a member of many years' standing, having entered this council when it was still in its infancy. From the hearts of all the older members, particularly, sincere and heartfelt sympathies are extended to Bernie, his mother and sister, Lorraine.

The writer, who grew up in the shadow of the Guibord home, wishes to convey personally to Mrs. Guibord, whom he regarded as an especial friend, his most prayerful supplications to the throne of Almighty God for an eternity of joy and happiness for her beloved husband. As he lived his life, naught else but that could be his reward

BOWLING NOTES.

The race in our house league has now reached an almost stalemate. For first place there are three ties, undisputed possession of second place and another three-way tie for third place. With only seven weeks to go, anything can happen.

One of the nicest exhibitions of shooting this season occurred in the series between Stanek Press and Jezierny Boosters. Ray Suchocki was in top form, rolling 692, leading his team to two wins over their opponents. His games were 214, 234, and 244. Nice shooting, Ray. For Jezierny, Ted Gomolski was the high man with 547, and Harold Nowakowski was second with 499. Ray Suchocki won the dollar.

Phil Nilles Boosters won the odd game from Bil-Mar Tavern. Vic Kremesec and A. Serosky tied for top honors with 540 while Geo. Cummings got 510. For Bil-Mar, Stanley Korbas rolled 552 and Myles Dolan rolled 533. A. Serosky won the dollar with a 203 game.

Fidelity Electric won two games from the Luczak Lawyers. Eddie Plewa for the Electricians rolled a nice series of 616 while his teammate, E. Wotjanowski, got 542. For the Lawyers, Vic Wegrzyn was the high man with 519 and Laddie Bilek was second with 485. Eddie Plewa's 254 game won the dollar.

Judge Drucker's team finally found the groove and won three games from the Art-Bilt Furniture team. For the winners Dick Martin was the high man with 582, while Jim Carroll was second with 531. For the losers, Walter Slaski was first with 511 and Jack Hargarten was second with 462. Dick Martin won the dollar with a 224 game.

Bukowinski Boosters still are going strong, and in spite of the immense handicaps they have to give to their opponents, won two games from Cobbsie's Open Door. Stanley Kasperski was the high man for the Boosters with a 569 series and Wally Wisniewski was second with 565. For Cobbsie's John Schucknecht was high with 539 and Adolph Sliva was second with 522. John won the dollar with a 224 game.

Ald. Sain took the measure of the St. Paul Federals and beat them for two games. Ray Schaber was the high man for the Aldermen with a nice 612 series while Dr. Kvasnicka was second with a 521 series. For the Saints Joe Foltyn was high with 532 and Joe Sargent was second with 517. Ray Schaber won the dollar with a 216 game.

Tomera Range Oil won all three games from the Marshall Square Ballroom. Matt Foltyn rolled 575 for the Oilers, while Stanley Mixa backed him up with a 538 series. For the Ballroom Boys, "Mooney" Wenckowski was the high man with 520 and Joe Prevender was second with 501. Matt Foltyn won the dollar with a 212 game.

Fruzyna Boosters, tired of being pushed around, took it out on the strong Bona Drug team by winning two games. Louie Sife was tops with a 567 and Doc Majcher was second with 507. For the losers, Leo Bona was high with 587 and Joe Bonk was second with 497. Louie Sife won the dollar with 216.

My apologies to Ray Pawlisz. Last week he rolled a beautiful 254 game for which he won the dollar and we unwittingly omitted his name from the column.

Fred P. Hansen Brings Year's Largest Class to Mayslake Retreat

Sponsored by Fred P. Hansen, well-known church goods man and one of the most prominent Knights of Columbus in the Chicago area, one hundred and one (101) men made the closed retreat at St. Francis Laymen's Retreat House, ending Monday morning, February 24.

With the cooperation of Rt. Rev. Msgr. William A. Cummings, pastor of Ascension Parish, Oak Park, and Rev. George E. Shea, assistant at the parish, this class was one of the largest in many years. There were seventy-four Knights of Columbus in the class. The Mayslake retreat house was too small to accommodate all the men and many of them had to be given sleeping accommodations at the nearby Franciscan Preparatory Seminary.

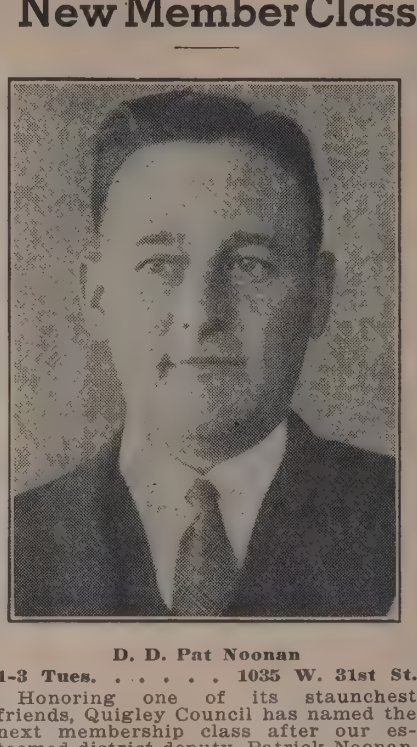
Among those present at the retreat were Dennis J. Crowley, president of the Archdiocesan Holy Name Union of Chicago; Daniel A. Gilbert, captain of police connected with the State's Attorney's office, and Augusta Giambattista Borselli, professor of international law at DePaul University, and former ambassador of Italy to Poland.

The class was featured by fathers and sons; one father having four sons at the retreat, two fathers having three sons at the retreat, and two fathers having two sons at the retreat.

Rt. Rev. Msgr. Cummings and Father Shea addressed the class at the Sunday evening round table. The retreat was given by the Rev. Leonard Paskert, O. F. M., assisted by the Rev. Joseph Forst, O. F. M., and the Rev. Oliver Kimmich, O. F. M.

It has been noticed in regions where the temperature becomes dangerously low, frozen fingers are most frequently on the left hand.

Quigley to Honor D. D. Noonan with New Member Class



D. D. Pat Noonan

1-3 Tues. . . . . 1035 W. 31st St.

Honoring one of its staunchest friends, Quigley Council has named the next membership class after our esteemed district deputy, Patrick Noonan. The first and second degree class of April 15 will be officially known as the Patrick Noonan Century class, our goal being the realization of one hundred members during this fiscal year. It is Grand Knight Leo J. Gawrych's ardent wish that Quigley Council achieve this goal, a distinction that few councils are able to realize during the course of the year.

While our district deputy comes not of Quigley Council, we, nevertheless, consider him as great an asset as this council could possibly possess. During the past year Pat Noonan has tirelessly given his time to every call or imposition our council has made. He has not only morally supported our activities but has actively taken a hand in them and assisted us in every way possible.

How best can we really show our appreciation? To go to work right now and line your prospective member or members up, and if you can't do the actual contact work, turn the name over to a committee member or officer, and they will be only too glad to follow your lead. Less than two months remain, so therefore we can't waste a day. Start right now.

PARISHES

The following parishes will be contacted, and if you are a member of any of these, your services are doubly needed: ST. MARY'S OF PERPETUAL HELP . . . ST. GEORGE'S . . . ST. DAVID'S . . . FIVE HOLY MARTYRS . . . SS. PETER AND PAUL . . . ST. BRIDGET'S . . . ST. JOSEPH . . . ST. BARBARAS . . . NATIVITY . . . IMMACULATE CONCEPTION . . . HOLY CROSS . . . ST. CECELIA. The committee desires to procure a list of the Holy Name members of each parish or any organizations within the parish. We also would like to have articles published in the parish bulletins as to the scope and nature of this drive. If you have any information or can make more speedier contacts in this matter please call John Golden at Sunnyside 6518.

KEEP THESE DATES OPEN

On March 18, an agent from the Home Office will be present at the clubhouse and thoroughly explain the five insurance policies that the order now offers. This is very important. The information you will derive from his statements will help you considerably in explaining this feature to prospective candidates.

On March 21, Quigley will entertain all prospective members at a smoker in the clubhouse. This smoker will be patterned after last year's affair with a few more trimmings thrown in. Plans are already under way to contact the C. Y. O. and have a great array of amateur fighters on hand that night as well as refreshments, entertainment etc.

EVERYONE PROFITS

Everyone profits by the new system recently adopted by the organization. The candidate now pays an initiation that is lower than ever before, while council benefits thousand-fold. Members will be compensated for securing insurance members on the basis of 50c per $1,000 of insurance for new ordinary rate plans and $2.00 per $1,000 of insurance for the new step-rate plans. Fin. Sec'y John J. Janskowski has literature that will more fully explain the new insurance features.

Aquinas Sponsors Re John O'Brien in Foru at Mercy High Sund

1-3 Tues. . . . . 5441 S. As

Next Sunday, March 2, Thomas Aquinas Council will tackle one of its largest undertakings in its history. That is the giant Forum to be held at the Mercy High School Auditorium, 8100 South Indiana Ave. The time of the affair is 3 p. m. and the speaker is the Reverend Father John O'Brien, professor at the University of Notre Dame.

Father O'Brien is well known for his diligent work to keep America out of World War Number 2 and has received a multitude of letters against the present Lend-Lease Bill before the Congress of the United States this very moment. He is an advocate of keeping America out of the European conflict and the text of his speech Sunday is "National Peace for America." Therefore this Forum next Sunday is one that none of us can afford to miss.

I came in contact with Father O'Brien when he was the director of the Newman Foundation at the University of Illinois, a post he held for twenty-three years, and I readily recommend him to everybody in the council and their friends. He is one of the men in the nation who can point out the facts of the war being waged over in Europe today. So then let me remind you to attend the Thomas Aquinas Forum at 3 p. m. at Mercy High School, 8100 South Indiana Ave.

Also on the program will be the Maurice Choir, under the able direction of Emmet R. Gaterer, M.A. It is an affair that you simply cannot afford to miss, and the admission is free. See you all there next Sunday.

BOWLING

I haven't been able to contact a reporter for the bowling league but I understand that the men are really fighting a very tough fight for the honor place in the league. All are tightening up for the final stretch for the championship of the league, but it is still anybody's battle. Hope to have more information as to standings, averages, and so on, in the next issue of The Columbian.

Oak Park Displaying Plenty of Action for Its Anniversary Party

2-4 Mon. . . . 641 S. Scoville Ave.

Oak Park Council meeting on the 24th was a real pep meeting for the 30th anniversary party on March 15. Frank Holub announced that the reservations were going fast and that the members had better get theirs in if they wished to be assured of tables. The arrangements provide for tables of 6-8-10 or 12. So if you can make up a party, make your reservations right away without fail. The program chairman announced that the ads for the program were coming in in great style and that he was holding off the deadline in order to accommodate those who might wish to take advantage of this excellent advertising medium.

A talk by Insurance Agent Murray enlightened the members on the advantages of the new forms of insurance new being written by the Order and exhorted those present to expend additional efforts toward building up the membership of the council, especially looking toward the insurance feature.

All members present were furnished with applications by Brother Joe Kamin, along with rate cards for the new insurance and were asked to have them filled out and returned next meeting so that we can have a large class for the next initiation which will be held at St. Paul of the Cross Council on March 18th.

News comes to us of the death of Mrs. Anderson, sister of the wife of Brother Frank Ertel of the council. Burial was at Mt. Carmel on the 15th. To the bereaved family we offer our heartfelt sympathy in their loss.

Watch the current issue of the Oak Leaves for the Oak Park council item. This is an anniversary number of the paper and we have furnished a small item which will be of interest to all of our members.

Last week provided a number of marriages among the K. of C. members and families. Katherine Burns, daughter of trustee, John Burns, became the bride of Frank Wall, at Ascension Church on Saturday, February 22nd. After breakfast at the Carleton the young couple left for a honeymoon trip, but they didn't give their destination.

Another wedding that united two Oak Park Council families occurred the same day, when Kenneth Fitzgerald, son of the late Charlie, and brother of Mark and Charles G., both members of the council, married Beverly Schoen, daughter of Alex H. Schoen, also a member of the council. The couple also breakfasted at the Carleton and left for parts unknown. We extend to these young couples our sincere best wishes for a lifetime of happiness.

News also comes to us of the sudden illness of Billy McEnroe, son of Brother John T. McEnroe. Billy was operated on last Monday at St. Anne's Hospital. The latest news is that he is getting along fine.

ST. RITA ADDS SEVERAL SIR KNIGHTS TO ROSTER

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Seven members of St. Rita Council were inducted into the Fourth Degree at exemplification ceremonies held last Sunday in the Palmer House. Over two hundred and sixty members in all, from councils in the Chicago area, took part in the rites which were dedicated this year to Archbishop Samuel A. Stritch.

St. Rita's applicants secured by Chairman Frank Small and his committee were Bill Balswick, Joseph Obirek, Joseph Philbin, Ray Bernoski, Joseph Shanahan, Pete Salvatori and Francis Peppard. We have only talked to two of the new Sir Knights since the exemplification—Joe Philbin and Pete Salvatori—but we think they speak for the entire class when they termed their experience "the greatest thrill of their life."

Among Fourth Degree members of our council who attended were Brendan O'Connell, first Grand Knight of St. Rita Council; G. K. Charlie Nash, P. G. K. Frank Small, Financial Secretary Frank Zavrel, Rec. Sec. John McGowan, Fathers Fennessey and McCahey, Richard Gallagher, John Egan and John Barnoski.

Following the exemplification and banquet, our members gathered in two rooms on the second floor to do a little celebrating. The party was under the direction of George Osborne and take it from us he did a swell job.

Barry's G.K. to Be Honored at Party Tomorrow Evening

1-3 Tues. . . . . 2856 Washington

Friends and associates of Grand Knight Jim Curran will on Saturday night, March 1, at Barry's Clubhouse, tender to Jim, a "Going Away Party." This party to which all of you are invited, is a manifestation of good will to "Sunny" Jim and occurs just previous to his departure for Tullahoma, Tenn., as a member of the Illinois National Guard. Come one, come all, it's Saturday, Mirch 1, from 8 p. m. 'til? Dancing and refreshments and a swell time assured.

BERNIE TAKES OVER

With the departure of Grand Knight Curran into active service with the armed forces of these United States, the deputy grand knight, genial, gray haired veteran in Barry's service, Bernard J. Cunningham, takes over as acting grand knight. Bernie is a customer broker with S. B. Chapin & Co. in the Bookery Bldg. He lives at 932 S. Wesley Ave., Oak Park, with Mrs. Cunningham and their four children. Bernie has been active in Mayslake Retreat work and headed the Good of the Order Committee of this council during the past two years.

He really went to work in 1934 as chairman of the Athletic Committee of Barry, being deeply interested as an active player for several years as a member of Barry softball clubs, and in addition has filled the various offices from sergeant at arms to and including the presidency of the Knights of Columbus Softball League in 1939. He has had the experience that qualifies him to handle the duties of acting grand knight, but above all he likewise possesses the ability that will carry on the Barry traditions. He solicits your cooperation, as he knows it is with that cooperation that Barry progresses. He will handle the meeting of March 4th, so get up and give him a royal start.

DEFINITIONS

Membership of thirty years or more qualifies as "Oldetymer," from thirty to fifteen years, makes you a veteran; fifteen to five years makes you a regular; five years to one day, makes you a youngster. What's your rating?

Our Reverend Chaplain Father Gorman gave us a good progress report on the matter of the pictures of our beloved first and second Grand Knights, Charles L. Chambers and John L. Barrett. Suitable ceremonies in connection with our thirty-fifth anniversary are being worked up and it is hoped to present a schedule at the next meeting.

APPOINTMENTS

Jim Curran as grand knight also acted as scribe on general items in this column. Frank T. Owens Oldetymer—May, 1906, will continue to handle all sports items.

Paul A. Branks (Veteran, Feb., 1917) who heads the Barry Home Guard Defense Unit, takes over and handles the general items heretofore under the direction of Jim Curran. Paul will give you the news, but to do that he must also be supplied with the happenings; address him at the secretary's office, or phone the office (Nevada 0304) and he'll do the rest. We have an idea that you'll like his stuff.

It's rumored, but not confirmed, that there is a likelihood several of the old scribes will get out of the mothballs and cut loose. If they really do, you'll see things!

Outside guard, pleasant and smiling Joe Dunn will handle the very important barbecue committee for the 1941 affair. He'll have a good committee to be announced at the next meeting.

BARRY BOWLING LEAGUE

Hear ye, hear ye! The time is Saturday evening, Mar. 1, and the place is Barry clubhouse and the occasion is a farewell party in honor of our Grand Knight, James C. Curran, who will leave shortly for training camp. It is no more than right that all the bowlers of the Barry Bowling League should show up for this farewell party as the writer knows that through his wonderful co-operation it has been possible to give you all this bowling news. Why not show up Saturday and give Jim a good sendoff?

Next meeting of the council Mar. 4 has been designated as bowlers' night and all former bowling stars are invited to be present. At this meeting the cash awards will be given out on all those who have bought tickets in the drive we are making to send a large crowd to Indianapolis on the Hughes-Barry bowling special. It will leave New York Central depot, 12th street and Michigan avenue, on Saturday, Apr. 26, at 8 a. m. and return Sunday afteraoon. The round trip fare for this trip is $4.65. You do not have to be a bowler to make this trip, so why not get busy and sell those books and enjoy two nice days?

Mr. S. M. Peters, the manager of W. L. Douglas shoe store at 4002 W Madison street, has graciously donated another pair of shoes for the highest score for the month of March. This contest will start on Thursday, Mar. 6, and continue for four weeks.

Last week was position night and the top teams locked horns that resulted in several upsets. Cunningham Insurance won three from Mid-West Auto Service and went back into first place. Southpaw Mique himself had high game of team with a 202 score and John Foley had high for Mid-West with 200 score.

United Air Lines won two from Faucher Brothers and moved into third place. Ed Kurtz had high game with 215 and Tom Purcell had high for Fauchers with a 187 score. Kedzie Coals and Ahern Morticians had a pitched battle for cellar champs and Ahern came through with flying colors by winning all three games and pushing Kedzie Coals into the cellar. Don Fornero had high for Aherns with 199 and Tom Ferrarini had high for Kedzie Coals with 181.

Prize winners last week were Foley 209, Geo. Rose 205, Jim O'Brien 203, Don Masciola 184, Jim Russell 193, Milt Horan 200, and Harry Kaskey 190.

Barney Fornero and his charming wife left last week for Hot Springs for a little vacation, and while Barney is away Brother Don is going to carry on to get that high series for that $1 in trade offered by Barney every week.

A mystery at the clubhouse is that Past Grand Knight is getting letters from the Bund! Please turn in any information to Phil Cullen at the clubhouse.

LENTEN MEETINGS

Have you made your arrangements for the council meetings during the Lenten season? Watch this column for activities conducted by the council from now until Easter.

We hear from a reliable source that our mortician friend, Joe Alten, went through the fourth degree at the Palmer House on Feb. 23. What happened to all the boys that vowed to take this degree? Are you registered in the fourth degree club for next year? If not, see Bro. Larry Schaefer.

All members of the bowling league and the council wishing to go to Indianapolis on Mar. 29 should notify the league officers. Full co-operation is needed to make this trip and tournament a successful one.

Dearborn Fourths Are Pleased with Sunday's Program

1-3 Thurs. . . . . 820 Garfield Blvd.

Dearborn enjoyed a very productive and delightful day participating in the Archbishop Stritch Testimonial Fourth Degree. The ceremonies were performed by the degree team in a most capable and commendable manner. The occasion brought an extremely large class, among them the following Dearbornites: Sir Knights Rev. Joseph Woods, Frank Geary, Hank Langbauer and Eugene P. Doeherty. We congratulate these men and welcome them to their new rank.

After the degree proper which was witnessed by a fine turnout, one of the largest assemblages in the history of this affair attended the testimonial banquet. We were treated to a splendid meal and a varied program of oratorical display interspersed with solos by the inimitable Sir Knight John Pane-Gasser. Participating in this after dinner feature were his Excellency, Archbishop Stritch, who delivered a timely and appropriate address. In addition the assembled banqueteers heard from Supreme Director Howlett, Supreme Master Galvin, State Deputy Bolton, Sir Knight Edward J. Hughes, Sec'y of State, and Bishop James Griffin. It was a splendid feast and an enjoyable occasion made possible by the above men. We congratulate Joseph McMahon, Master of Fourth Degree, and his staff for arranging so grand an affair.

MEMBERS AND MEMBERSHIP

APPLICATIONS: Last week Dearborn joined in the first and second degrees sponsored by St. Augustine. These degrees were supervised by D. D. Judge Hermes. Assisting him were Frank McGlinn, Ridge; John Feilen, Dearborn, and Ray Gerber, Dowling. The team did a marvelous job and deserve the plaudits of the members. A large class was initiated and again Dearborn showed their co-operation by producing the following new men: Bros. Frank Feilen, Chas. Riordan, James Johnson and Frank Anzeloni.

After the degree work the attending assemblage was treated to a menu of delectable refreshments. We thank G. K. Kushenback and his staff for their warm hospitality and commend them as desirable hosts.

Let us add that there is no let down in applications anticipated. In fact they are still rolling in. They should be inasmuch as Dearborn is sponsoring a first and second on March 20th. The new members also continue valuable to so worthy a cause and are setting the pace for the oldsters. If the older members will take inspiration from this example and merely turn in one application each, then Dearborn will reach the absolute zenith insofar as Councils are concerned. Remember brothers your pledge of unity and remember, also the "We Can and We Will."

BLOOD DONORS: Bro. Barney Feilen submitted a transfusion last week thus increasing the great work of our group.

BARBECUE: Dearborn is starting an early campaign in the barbecue drive to aid so worthy a cause. In order to exhibit the good faith of the council to General Chairman, Ludwig Streck, the G. K. John Devereaux has announced his committee as follows: Chancellor Steve Ruff, Chairman and D. G. K. Tony Pidone, Bros. Chas. Lyons, John Lux and Dave Kerwin as Co-Chairman. Now, brothers, the drive belongs to each one of us to succeed for the fund and for our council.

CATHOLIC ACTION: At our first meeting in March Viz: March 6th, we will have the pleasure of a visit from John Hesse, G. K., Marquette, past president of the Mayslake Retreat League and Chairman of the Retreat Committee, Chicago Chapter. Bro. Hesse will discuss the retreat movement in the Order.

G. K. Devereaux has appointed Bro. Pat McCarthy as Chairman of a committee to arrange details for our annual communion Sunday.

SILK HAT AUXILIARY: From reports of a reliable source, we are informed that the Silk Hat Ladies had an enjoyable meeting last week. The occasion was an honor night for past presidents, testimonials being granted to Mrs. Mike Mullee, Mrs. Fred. Beyer and Mrs. James Ivers. The hostess was Mrs. Frank Bicek who performed admirably.

TRAPPERS: $20.00 was left in the treasury by reason of the absence of Bros. Frank Burgert, Geo. Hellmam, Chas. Bros. Frank Burgert, Geo. Hellman, Chas. Quinn, Frank DiGregario and John Murray. The ante will be raised next meeting to $25.00. Special awards were taken by Fred Beyer, Bill Quinlan, Frank Werr, John Downes and Ed Graffy.

Chicago Councils Building Strong Donor Organization

Twelve Hundred Local Knights Already Enrolled as Volunteers in Humanitarian Project

At least one branch of Knights of Columbus activity in the Chicago area that admits of no season in its steady development is that of the Blood Donor Groups organized in the separate councils under the direction of State Donor Chairman Robert DuMais.

Since its introduction as a general order project here some two years ago, the donor activity has constantly drawn the active support of council after council until today nearly 70 per cent of all the Chicago units can boast of an efficiently organized donor list.

This means that throughout the city some twelve hundred Knights stand ready, day and night, to go at a moment's notice to the assistance of any fellow member who may be in physical distress.

Movement Is Well Received

According to information recently furnished Chairman DuMais by the Supreme Office, where the movement had its inception, Council Donor Groups are doubling in size and service all over the country.

The average group, the report reveals, now lists more than thirty members, twice as many as were recorded a year ago. An average of ten transfusions have been donated by each of these groups, an increase of 100 per cent over last year's figures.

Averages for the Chicago and Illinois jurisdiction show that interest in the movement here is on a par with that evidenced throughout the nation.

Chicago Units Very Active

After a recent survey of his master-file which lists the name, address, type and council affiliation of every Chicago donor, Chairman DuMais announced that his records show "forty-six of our local councils have really organized their memberships for the promotion of this work, and are able to provide almost any type donor at a moment's notice."

"The necessity of an early and complete organization," DuMais explained, "cannot be stressed too strongly for no man can know when he might be in need of the assistance provided by this order activity."

Co-operation Is Needed

"To have a group of council volunteers who are willing and able to act as donors inefficiently organized is an act of dis-service to both the council and the Order as a whole," DuMais said.

"When a call is made for a donor, valuable time, often the difference between saving or losing the life of the patient, may be lost because someone has failed to properly organize his own men, or to see that his records are properly maintained. Fortunately we have had no such serious situation here, and if each council will see to the proper enrollment of its own membership, we can confidently expect to lead all jurisdictions in this humanitarian project."

An important phase in the organization work for the councils is that of forwarding to Chairman DuMais a complete report on the individual donors listed in each council group. A central master-file is thus established that will provide a ready check on the number and location of all donor types for use in emergency. The information is also necessary for proper council credit in the report to be submitted at the annual meeting of the State Council next May.

Chairman Robert Du Mais' address is 2567 Emerald Ave., Chicago.

Stricken Daughter of Weber Member in Need of Type Two Donor Aid

As we go to press word is received that the six-year old daughter of a member of Archbishop Weber Council lies seriously ill in one of the south side hospitals. She is desperately in need of a transfusion, from a donor with blood type number two who has recovered from lukemia.

Any type two donor who has recovered from this illness and who will act to save the life of the little girl is asked to contact Chairman Du Mais at Victory 8780 at once.

Two Major Degree Classes Will Mark Founder Week Here

Councils of West and Southern Sections to Sponsor 3rd Exemplification

Two large major degree classes are scheduled for exemplification here this month in observance of Founders' Week, March 23 to 30, the Order's natoinal celebration of its 59th anniversary.

All councils of the three west sections are expected to be represented with one or more candidates at the ceremonials to be conducted on Sunday, March 23, at St. Phillip's Gym, 3141 W. Jackson Blvd.

Councils in South Divisions two and three will assemble their candidates on the following Sunday, March 30, for induction at Perez Clubhouse, 6710 S. May street. Primary degree exemplifications are also scheduled for each section during the entire week.

Besides the degree exemplifications intended as a major part of the Founders' Week observances, several other activities to conform to the Five Point Program of the Supreme Office will also be observed. Corporate Communions and breakfacts are scheduled by several of the Chicago councils, while in other instances special meeting programs have been set aside in commemoration of the first founders of the Order. Insurance promotion and publicity projects complete the full five-point program ideal.

The Order was actually instituted on March 29, 1882, the date on which the General Assembly of the State of Connecticut approved the original petition for a charter and articles of incorporation.

Add Sixty-Five to Donor Lists

One of Chicago's most active donor units is that organized at Americus Council, where, at a recent meeting, sixty-five new volunteer donors were typed.

Miss Helen Kush, technician, is shown above as she takes a type sample from Alderman Joseph S. Gillespie (seated), while Hon. Albert J. Horan (third from right), evidences interest in the procedure. Shown standing at the left are State Donor Chairman Bob Du Mais, Grand Knight Ned Kelly and George Howlett. Americus Donor Chairman Leo Joyce, stands directly in back of Deputy G. K. Tom Gannon.

Seven Specials to Take K. C. Bowlers to Nat'l Tourney

Indianapolis Tournament to Attract 1,500 Chicago Entries for New High

Some 1,500 Knights of Columbus bowlers and their followers are expected to leave Chicago on seven special trains over the Big Four and the Pennsylvania Railroad systems during the next few weekends to participate in the 19th annual Knights of Columbus National Bowling Tournament at Indianapolis. First sessions of the giant tournament will get underway Saturday, March 8.

Chicago Knights, always among the staunchest supporters of this annual event, have this year indicated an even greater interest. In adidtion to establishing a new high in entries, the National Tournament has likewise set something in the way of a record by launching division tournaments. For years the American Bowling Congress has toyed with the idea of creating divisional tournaments, but it remained for the Knights of Columbus to take the lead, a step decided upon at the meeting of the Board of Directors last May.

900 Teams Entered

From the standpoint of entries received the venture has proved entirely satisfactory, no less than 900 five-mean teams have already entered one or the other of the two division meets scheduled for the Central West or the Eastern sections of the nation. Entries in the doubles and singles are proportionately large.

The Eastern meet is scheduled to get under way at Utica, N. Y., on Saturday, March 22, and will accommodate over 600 teams drawn from the three states of New York, Pennsylvania and New Jersey.

Both tournaments will be opened with a banquet in the evening. Director James F. Collins, Past President

CALUMET WILL PRESENT CHARITY DANCE GUESTS WITH REAL SHAMROCKS

Shamrocks direct from Ireland will be presented to all those attending Calumet Council's Charity Dance on March 17, according to G. K. Wm. T. Birmingham and Lecturer Frank J. Walsh, who completed arrangements some time ago for the shamrocks to be sent to Calumet Council by a member of the council now residing in County Wexford. Due to the war they will arrive in this country by the Atlantic Clipper.

All funds derived from the Charity Dance on St. Patrick's night will be used for the council's Charity Fund. The affair will be held at the beautiful Casino Moderne, 63rd street and Ingleside avenue. Tweet Hogan's Orchestra will furnish the music. Tickets are priced at fifty cents.

A number of celebrities of stage, screen and the sports world will be in attendance. Among them will be the new football coach at Notre Dame, Charles Leahey.

(Continued from page 1)

Raymond F. Gleason and former Director Elmer O'Brien from Chicago are expected to be in attendance at the Indianapolis opening tomorrow evening in addition to President William P. King. President King, Past Grand Knight of Father O'Connor Council here, will also attend the Utica opening.

A schedule of the local council teams that will participate in the tournament each week-end will be found on page twelve of this issue.

Aquinas Has Capacity Crowd at Lecture of Reverend J. A. O'Brien

1-3 Tuesday.....5441 S. Ashland Av.

Last Sunday Thomas Aquinas Council had one of the largest affairs of its kind when the Rev. John A. O'Brien of the Philosophy Department of Notre Dame University presented his views on "War or Peace for America" to a capacity crowd in the Mercy High School Auditorium. This was the largest undertaking of Aquinas Council's Forum Activity, and it certainly went over well. Father O'Brien talked for about two hours and those present seemed to hold on to his every word. I'll wager that none thought that he was speaking that long because of the interesting things he had to say.

For a more complete understanding of the world's affairs of today, I recommend that you read Father O'Brien's latest book, "Thunder From the Left." It will give you a thorough understanding of just what is going on in the world today. To the members and friends of Aquinas Council we wish to thank you for your cooperation, and to our G. K. Dr. K. J. Hebenstreit we give a rousing vote of thanks for presenting such a well known, well versed, and fine orator as Father O'Brien.

ST. PATRICK'S PARTY

At our next meeting of March 18 we will have a St. Patrick's party for the members of the Council. Quite a gala affair has been planned, which includes a corn beef and cabbage dinner, entertainment and refreshments. You can't afford to miss this affair and our committee of Lecturer Dr. E. P. O'Bialecke and co-chairman John R. O'Cook and John O'Sheehey are planning great things for the night of March 18. More about this later.

BOWLING

Well, the maple busters of the Council have certainly been slamming the old ball down the alley here of late as the following results will show: The McNamara's took a trimming from the Grinnings, two for three, by scores of 784-834, 696-847, and won the last by 825-749. The league leading McGrath's got the better of the Bialecke's by beating them two for three with scores of 903-843; 803-806 (Bialecke's won) and 866-802, and the Barsley's got the best out of three from Konrath's by scores of 929-723, 788-938 and 870-816. High game went to Emmitt Keane, high series was taken by "Doc" Bialecke and high over average was taken by Tom Fegan. Standings are:

	W	L
McGrath's	32	22
Barsley's	30	24
McNamara's	30	24
Grinning's	26	28
Konrath's	25	29
Bialecke's	22	32

O'Connell Expresses Appreciation to All Who Aided at Party

2-4 Tues. . . . . Hill and Franklin

Orchids to: Bros. John Stubing, Joseph Marino, Timothy Clifford, Vic Banano and Joseph C. Meier, who spent all Saturday morning of the dance at the hall preparing for our enjoyment, Bro. Stubing at the Bar; Bro. Marino, with the loud speaker system; Bro. Clifford, Vic Bonano, and Jos. Meier arranged the hall and the card room. Thanks again, boys.

Thanks to Mr. Umberto Marchesi for his very fine singing at the dance. (Mr. Marchesi will soon become Bro. Marchesi.)

The officers and members of Daniel O'Connell Council herewith extend a deep expression of sympathy to the bereaved family of, Bro. Mario Azzono, who suffered the loss of his mother a very short time ago. The council attended the wake in a body and in goodly numbers, after last meeting.

Our old pal of basketball fame back in 1925, then Bro. Anthony Masar, who has since made his home in California, recently returned for a visit to Chicago and his old friends. Welcome and hello.

March 11th is to be a very important meeting. At this time Bro. Tushans, District Agent for the Knights of Columbus, will explain the fine points of the new insurance features offered by the K. of C. You may be interested in making a change in your own policies and it will be to your advantage to have it explained by a man trained in this work.

There will also be a special attraction at the meeting. Need I say more? After the last meeting the members were served smoked fish as a diversion, with the usual refreshments. The boys had a wonderful time. Don't forget the big meeting, March 11th. Incidentally the smoked fish treat we had was one of the many surprises the Lecturer has up his sleeve. Don't miss a meeting and you won't miss a surprise.

At the last meeting Bro. Frank McAuliff, as chairman of our Fourth Degree Club, swung into action. Thus far he has three potential (paying) candidates for next year's Fourth Degree Class. Here's how the club works. The Fourth Degree members each contribute the small sum of 25 cents per meeting, for which a receipt is issued, all this money is set aside in a special fund for the banquet next year, and will be used to defray the expense of the party, for themselves and the new candidates.

Each potential candidate is asked to contribute a like amount or more which will be credited to his account and at the time the degree is taken, he will only have to make up the difference between what he has thus contributed, and the necessary $25.00 fee. Hence making it an easy matter to save the amount necessary, without laying the entire amount out at one time. For more details see Bro. Frank McAuliff.

Mrs. Joseph Marino, wife of our new Second Degree member, was taken to the hospital last week-end. She is reported doing nicely.

La Rabida Has Many Candidates in Degree Ceremony at Council

2-4 Tues. . . . . 6236 Princeton Ave.

With our council chambers filled to overflowing and in the presence of many dignitaries of the Order, fifteen candidates received the honors of the First and Second Degrees in a joint installation with Perez, Auburn Park, Englewood, McHale, Ridge, St. Rita and La Rabida Councils held at our meeting hall on Feb. 25. The degree work, which was in charge of D.D. Pat Woods, was most edifying and inspiring, and I think I may say here without fear of contradiction that the manner in which the degree work was put on, was the best in my long experience in the Order.

After a short business session presided over by Grand Knight Con Driscoll, the gavel was turned over to P.G.K. Frank McGillen, of Genoa Council, who acted as Grand Knight during the degree work; Bro. John Feilen, Fin. Secy. of Fort Dearborn; our own Bro. John Farrell, Bro. George Weide of St. James, and Bro. John "Speedy" McGlynn, D.G.K. of Ridge Council, did the honors.

In addition to our own D.D. Pat Woods, we were honored by the presence of D.D. Patrick Noon, and G.K. George Noonan of Madonna Council; G.K. Tom Mulroy of McHale Council; G.K. Harry Cox of Auburn Park Council; G.K. Ray Hallstein of Ridge Council and Bro. Guy Maccina of Cook County Membership Committee. The music for the occasion was rendered by the organist and choir of St. Rita Council.

SICK AND CONVALESCENT

Mrs. Martha Hoffman, wife of Bro. Paul Hoffman, is confined to Lying-In-Hospital. Bro. James J. Cleary, who suffered a skull fracture at Camp Livingston in Louisiana, is reported out of danger and well on the road to recovery. Bro. Felix Coater is reported confined to his home ill. Bro. John Farrell, who became ill while working with the degree team at our last meeting, is again back on the job.

The next meeting of La Rabida Council will be held on Tuesday evening, Mar. 11. Inasmuch as we are in the holy season of Lent, the meeting will be limited to a business session.

BOWLING

The bowling results of March 3 are as follows: Evans Pullets took two out of three from the La Rabidians, while the Dion Quints won two out of three from the Rock Island Rockets. The Wahling Wales likewise won two out of three from the Sunnyside Inn. The high individual scores are as follows: Don Blakemore, 582; Don Ahearn, 574; and John Gera, 542. The standings are:

	W.	L.
Evans Pullets	49	23
La Rabidians	42	30
Dion Quints	35	37
Wahling Wales	32	40
Rock Island Rockets	29	43
Sunnyside Inn	29	43

NEW CATECHISM

New York.—The Rev. Bernard F. Meyer, pioneer Maryknoll missioner in South China, has just completed a new type of catechism in Chinese with half of each page printed and the other half devoted to sketches by a Chinese artist illustrating the text. The new catechism follows the general outline of "A Course in Religion," prepared in this country by Father Schorsch, C.M., and his sister, Sister M. Dolores of Chicago.

DE SOTO MEMBER DRIVE GETS PEPPY SUPPORT

2-4 Fri. . . . . Clark and Belmont

Just about the time our current membership drive was bogging down from inactivity and reaching the saturation point insofar as member's interest and enthusiasm was concerned, Brother Mel Langenbach, Chairman of the Membership Campaign, announced at our last meeting that he had succeeded in conscripting the services of the boys who served as members of his Lecturer's Committee, who, incidentally, have retained their group identity since the termination of Mel's tenure of office as Lecturer by meeting once a month.

The members of this unit which is one of the most active and energetic in the Council, willingly offered their services to personally contact each and every prospect on Mel's list. The Chairman has had at least forty or fifty excellent leads, but because his former appeals for volunteers failed to arouse the membership and because of the further fact that the job was far in excess of what he could do alone, he appealed to his old committee. As a consequence, it is felt that the efforts of this group will succeed in obtaining applications from the major portion of the present prospects; and before I forget, if you know of any eligible gent whom you are not in a position to solicit personally, forward his name to Brother Mel Langenbach and his committee will do the rest.

NEXT MEETING

Our next meeting, Friday evening, March 14, will bring to De Soto Council the Rev. Father Mulally, veteran missionary of the Paulist Fathers who is now assigned to old St. Mary's Church. With a wealth of experience acquired from his forty years of spreading Christianity and civilization to the most distant parts of the globe and with a knowledge and education born of deep and intensive study, his ability and reputation as a lecturer and speaker are of no mean consequence. Truly, it will be well worth your time to hear him.

In addition to the presence of this illustrious speaker, there will be presented a movie sketch of the recent coronation of His Holiness, Pope Pius XII.

LAST MEETING

Without fear of serious dispute, gents, I believe I can honestly say that the members present at our meeting last Friday evening witnessed one of the most interesting programs ever provided. The plaudits of the members conclusively indicated the overwhelming satisfaction and enjoyment derived from the interesting and educational lecture and demonstration enacted by Miss Mila Baker, blind lecturer, and Bertha, her Seeing-Eye Dog.

Contrary to most Lecturers, who some times become quite boring and excessively verbose, Miss Baker, with her winsome smile and pleasant and engaging personality, absorbed the attention of the members during her entire discourse which was replete with information about her dog, its training, peculiarities and personality.

She also related many interesting and entertaining stories and incidents of her life under the ever-watchful and unerring guidance of her beloved Bertha, whose every movement and act is of the greatest significance to her master.

BALDRIC AND SWORD

Something new in the way of entertainment will be presented to the members of the Baldric & Sword Club at its next regular meeting, Monday evening, March 17 (which happens to be St. Patrick's Day or Night, whichever you wish) at Gross Park Hall, Roscoe and Melrose Streets. Ladies' Night, to which all the ladies of the members of the Fourth Degree are invited, is the special event to be celebrated, and President, Jim Kennedy, informs me that preparations for a splendid affair are moving along at as fast and feverish a pace as our defense program.

Many of the members are actively aiding and assisting the Officers to make this Ladies' Night a success, among whom are Brothers Fred Gebhardt and Hank Nierman, Sr. So, all you gals be sure and plunk this date down in your calendar immediately to assure your presence at the affair.

LADIES OF ISABELLA

From Elizabeth Kaufmann, Publicity Chairman, and one of the very active young ladies of De Soto Council No. 11, Ladies of Isabella, comes the following note directed to the membership of De Soto:

"De Soto Council, Ladies of Isabella, invite your ladies to the original Aunt Jemima Log Cabin party on Tuesday afternoon, March 11. This will be a 1:00 o'clock luncheon, followed by cards and Bunco. Aunt Jemima will thrill you with her songs while the cakes are being flopped. So bring your friends, fill your own table for cards, and have a very enjoyable afternoon. Call Buckingham 2694 for your reservation. The party will take place at the Paul Revere Field House, 2509 Irving Park Blvd.

Brother Vinc. Gerrity informs me that Brother Tom Hogan, a member of long standing, although youthful in age, was suddenly called for active duty in the United States Air Corps. For several years Tom was a reserve officer in the Air Corps and since his induction into active service, he has been assigned to the U. S. Flying Field at Tampa, Fla. I wonder if it might be that he got fed up with this snow, slush and sleet away up here in the North. Tampa isn't such a bad spot.

We note that Brother Fred Disch has been full of pep and ginger lately, and who wouldn't—for only a couple of weeks back Fred, Jr. appeared in the family picture. Mama and the new heir are home and doing splendidly. Congratulations.

Charlie Mathieu has been rather scarce around the bowling alleys and elsewhere for the past few weeks due to the fact that his wife, Cele, who is Otz Sutter's sister, recently suffered a serious operation. After considerable confinement at the hospital, she is now home convalescing. Our sincere wishes for her speedy recovery.

Santa Maria Members to Bring Prospective Knights to Next Mee

2-4 Thurs. . . . . 9120 Commercial

With just several more weeks remaining before the big exemplification of the First and Second degrees of the now being organized "Father Terlecke Class," the membership committee is bringing its drive to a close.

As the climax of the drive, the membership committee headed by G.K. Albert Scott, P.G.K. James Brown and D.G.K. Joe Komar, is staging a Prospective Member's Night on the night of our coming regular meeting, Thursday, March 1. All members are urged to bring along a friend or acquaintance. Bring along even the most least likely prospect. You never can tell how visitors will react. They might become all enthused about joining. The committee in charge is planning a gala entertainment and there will be competent speakers to explain the various insurance plans and the benefits of being a K. of C.

Every effort is being made to make the membership drive the biggest in recent years. We need new members and have much to offer them. Remember our quota up until June is thirty-four new members and the officers are hoping to make the greater part of the quota at the coming exemplification. Come on, members. It's not too late. Get behind the drive and bring in at least one application.

BOWLING

Bill Rosenbach, chairman of the Bowling League being run by our council every Tuesday at Cheltenham Alleys, tells us that there is a vacancy on one of the regular bowling teams, due to the unavoidable dropping out of one of our regular members. Anyone can qualify for the position and there are still thirty-four more league games to be played so there is still the greater part of the season left. Come up Tuesday to the alleys and see Bro. Rosenbach.

The report of last week's games is: Brown Morticians upset Horan Markets three games. The Brown's total for the three games was 2843, made up as follows: 899, 996, 948. The Higgin's Boosters came to life and took three games from the Conner's News. Blasel Coals are still going places. They took two games from the Motz Sports. Standing of the teams:

	W.	
Horan's Markets	41	
Conner's News	38	
Brown Morticians	36	
Higgin's Boosters	34	
Motz Sports	31	
Blasel Coals	27	

The following Sir Knights attended the Fourth Degree exemplification and banquet at the Palmer House. Gordon Nash, Albert Schott, James Brown, Martin Haloran, Judge George A. Rooney, Ernie Klawitter, Frank Paulik, James Mallon, Frank Quillan, William Cullen, Joe Gelich, Joe Komar, and your scribe, D.P.

A certificate from the Supreme Council acknowledging our formation of a Blood Donors' Group was received at the last regular meeting.

NEGLECT OF FAMILY WILL BRING RUIN TO NATIO

Chapel Hill, N. C.—"If we are to survive as a nation, our defense program must include a defense of the rights of the individual, the rights of the family and the rights of religion," declared Bishop Gerald P. O'Hara of Savannah-Atlanta in an address at the Institute of Better Understanding held here.

"Because there are things worth fighting for, the Church demands that we defend them even to the laying down of our lives," asserted the Bishop. "That is what Our Lord meant when He said: 'He who loses his life shall find it . . .' A proper defense must be established even at the cost of great sacrifice, because the things we are defending are worth life itself.

"We must build up not only physical and material defenses but also our spiritual bulwarks by making people conscious of the value of the truths that they hold in their hands. . . . Our hearts must be on fire with love, love for our neighbor, love for our country's welfare.

NAZARETH SCRIBE HOT BECAUSE OF SOME ICE

2-4 Tues. . . . . 17 W. Harris
La Grange, Illinois

Ordinarily we moan at the lack of material with which to fill this column. This is one time your Scribe is not so keen about it. We can think of other things we'd rather be doing. The reason? Remember the other night when we had some sleet? Well, Ye Scribe stepped out on the back porch to go down the steps. He went down them all right. Yeah man! Never touched a single one all the way down. As pretty a take-off as you would want to see, reached the bottom in nothing flat and landed on the right shoulder. Fortunately no bones broken, just a few twisted muscles and bruises. The old right arm won't come up much above the waist without a protest, so here we sit at the old Underwood, pecking away undauntedly. The show must go on.

What are you doing next Tuesday evening? Better plan to attend our meeting. This is one you should really attend. It is the one night in the year which we devote to the remembrance of our departed Brothers. Our commemorative exercises are simple yet beautiful, and after all it is but a very small thing to do for those who have gone before us. A special invitation is extended to the clergy of our jurisdiction to attend.

Are you going to the retreat with others from our council? March 21 is the date. Better plan on it now.

ANOTHER SCOPE

At the bowling match last Sunday between the east and the west it was noticed that Bill Murrin had a rooting section all his own in the stands. A feminine one. We know that these things don't just happen. There is always a cause for the effect. In true detective style we decided to "Cherchez la femme" (how do you like that?). We prowled around and what do you think? Miss Pat. McCarran (Faith and pwhat a gem of a name! Must have been picked from right among the shamrocks) of St. Bernard Parish, Chicago, will be united in Holy Matrimony with Brother Bill Murrin of Brookfield on June 21st. Congratulations and good luck to both of you.

PIN POINTS

In the west division bowling league the leading Watkins team maintained their winning ways taking two from the Triangles. Their nearest rivals the Mahrs dropped three to the Motor Sales. The Tivolis took two from the Brittans while the Dieters took three from the Western Tire. Standings to date: Watkins won 42, lost 22; Mahr Roofers win 39, lost 27; Triangles won 38, lost 28; Motor Sales won 35, lost 28; Dieters won 32, lost 34; Tivoli won 28, lost 38; Brittans won 21, lost 39; Western Tire won 21, lost 45. The contest between the east and the west was played last Sunday as advertised. An unconfirmed rumor has it that the east won by 38 pins.

Sorry to have to break off so soon but must get back to that heating pad. Be seeing you at the meeting next Tuesday night.

As we finish this article we get word from Chancellor Poff that Brother Walter Krawulski of Westmont was taken to the Elmhurst Hospital for an operation which was performed last Sunday. He is reported to be recovering in fine style.

Loyola-Hyde Park Has Plans Completed for Charles Lawler Night

2-4 Thurs. . . . . 7425 Cottage Grove

We hope you will file the above notice, keep it handy, so that you will be among those present next Thursday when we pay tribute to that fine fellow, P.G.K. Charles Lawler. Charlie, as he is more familiarly known to his host of friends throughout the councils of the Chicago area, has long been deserving of the honor we are about to pay him.

For three terms he served as the leader of our Council, and in that tenure our progress was noted by all. Our membership grew and our financial record was proof of his ability as an executive. We have completed plans for a gala evening, and arrangements have been made to make all our guests comfortable. We have lined up an all-star entertainment bill, and refreshments for all. We urge all of you to be with us.

Charlie has made plans to get time off for the evening and we assure you, we will have a lot of fun talking over the old times, and speaking of the old-timers. We especially want you to be there, as Charlie always did evince such a keen interest in your welfare. As for the younger fellows, most of us joined during Charlie's regime, and are awaiting this opportunity to show the esteem we hold him in. Be sure to get there early as from the looks of things we will have a great crowd. See you Thursday.

Our last meeting marked the return of our worthy chaplain, Reverend Father Scanlan. It was too bad all of you couldn't have heard his inspiring talk in regard to the conduct of a true Knight of Columbus during the Holy Season of Lent. All we know is that those who did, left the meeting with a firm determination to do their utmost to carry out to the best of their ability the sacrifices they feel it their Christian duty to make.

It was nice to see the familiar face of Tom Strasser, and to welcome our new Brother, Bill Geary. The meeting was presided over by D.G.K. John McGuire in the absence of G.K. Arch. Hermanns, who was bedded by the flu bug. Glad to report however that he has now fully recovered.

Some faces we would like to see at our meetings: Captain Patty McHugh, who has us wondering if the fire department is taking up all his time; Brother Hannigan, who seems to be in seclusion, and Ray Drennan, who must find Uncle Sam a hard taskmaster these days; Bill Donahue and Jim Ahern, our police bodyguard, the criminals must be terribly busy these days; smiling Jim Cowhey and beaming Bill Cardwell are conspicuous by their absence; Bill Dillon, the big pork man, should take a rest from his sales campaign; Brothers Dan Cavanaugh, George Porter, Pat Moran, and Steve Berger, how's about coming to Charley Lawler nite?

We hope Brother Fitzgerald is recovering rapidly. We would like to see you at the big affair.

Follow the crowd—this Thursday to 7435 Cottage Grove Avenue! It will be a grand night for a grand fellow, so don't anyone miss it.

Notice to other councils: We extend a cordial invitation to all of you who wish to join in this tribute to our Past Grand Knight Charles Lawler. We assure everyone a very entertaining evening.

Fourth Degree Knights of Newman Council

To Newman Council of Evanston, Illinois, goes the honor for the largest number of candidates at the exemplification of the Fourth Degree held recently honoring His Excellency Archbishop Samuel A. Stritch.

Dr. Edward Hynes, M.D., Past Grand Knight of Newman Council, the individual to whom most of the credit goes for making this class possible, is seated at the side of Grand Knight Kenneth Lawson, the knight appearing to the left of the clergy in the above photo.

Gen. Sherman's Dance Committee in Special Meetings Each Friday

1-3 Tuesday.....4300 W. North Ave.

The most important news on the docket is our Carbaret dance, April 18. An organized minority is supposed to contain much power, but many more members must attend the committee meetings in order to obtain real progress. Our G. K. Joe Schmitz has donated his Printery at 4207 North Ave. to the use of the committee every Friday night. The bowlers have always been active in all other affairs so why don't more of you show up next meeting?

Bro. John Durkin is seriously ill at Hines Hospital, Ward C 402. Drop him a line and say a prayer for his speedy recovery.

Our F. S. Joe Deisenroth asks all members who have sent him dues in the last seven weeks and have not received a recept to contact him immediately. This is very important.

Orchids to Bernie Janco on his beautiful composition of last week. Thanks a lot—O. Henry!

First meeting in April, April Fool's night, will be Italian Night. A pinochle club, starting tournament play, will be brought up at next meeting. Be on hand to sign up.

We did it again! Aurora paying us a return visit hoped to even up the defeat they suffered at our hands back home, but our boys were just too good, beating them by 1042 pins.

The first six in line for iron croses are Joe (lucky) Marine 607; Chas. (pompadour) Koscal 572; Ede (astier) Geary 584; Edie (butcherboy) Holltenhoff 562; Jim (what a man) Groh 557; Bert (I'm hungry) Welker 546. High man for the day, Koscal with 248. Geary with 245 a very close second.

We pay our respects to the sportsmanship shown by Aurora Council. They lost both ends of the match but took it in fun like it should be taken. The officers of your league also want to thank the bowlers, their wives and friends for the fine cooperation extended, especially to the ladies who were so kind in preparing the food.

Just six more weeks to go and the curtain will come down for another season. Orchids or something should go to Gene Trott for his four strikes in a row and that 178 game. Geo. Kopacz is a brand new papa of a future Sherman Knight. Congratulations, George. Happy to hear that Mrs. Kopacz and the little bit from heaven are feeling fine. Henry Romano, a brother of our Sam, has met with an accident and is now in the Walter Memorial Hospital, Kedzie and Thomas. Hope you have a speedy recovery.

MEMORIAL PLAQUE UNVEILED

Chicago.—A bronze plaque in memory of the late Cardinal Mundelein was unveiled at Santa Maria del Popolo church, Mundelein. The church was erected by the Cardinal on his silver jubilee and named for his titular church in Rome.

Blue Island Is Busy Securing Members for Palm Sunday Degrees

1-3 Tuesday.....Gregory and New

With our prospective members' night past history every member is looking forward to Palm Sunday. On this day about 75 per cent of our membership turn out for Holy Communion and the degrees that follow.

Just think of the size our class might be if each brother had one candidate! G. K. Dan Boyd already has received several applications and all indications point to another gala day on Palm Sunday. But don't forget that only Councils from South Section No. 4 will have candidates at Blue Island this year. This includes about five or six Councils on the far south side.

We are going to have to go to work if Blue Island is to secure its quota which will run somewhere around forty men. This should be a breeze for us, so let us get going. If you need an application call Financial Sec'y Paul Paetch, he will be glad to mail it.

BOWLING

Sixty-five men have already signed up to make the trip on the Blue Island Special to the National Bowling Tourney at Indianapolis on March 15 and 16. Don't delay your reservation if you plan to go. Call or see Bros. Bill Creighton or Tom Parsons.

The price is only $12.00 which includes your train fare, two meals on the train, your hotel bill and all the beer you can drink.

Teams from McHale, Dowling and Calumet will also travel on our special which leaves over the Big Four at 10:15 from Kensington on Saturday morning and returns Sunday evening at 9:00 p. m.

Another dark horse has loomed up on the horizon to dispute the Ryan's claim on first place in our league. The team is the Komadas and after knocking on the door for weeks they finally rolled their way into a tie for first place last Wednesday night. This means that four teams are now separated by only three games with a month to go. Who ever wings that title is really going to earn it.

YEAR-IN-ADVANCE CLUB

Bro. Syl. Collver saved the Year-In-Advance Club from stinted growth this week by remitting a year's dues. Syl. becomes member number 55 of this select group.

During the week we heard from such brothers as retiring Alderman Mike Guglielmucci, Paul Ulrich, Roy Cain, John Bridgeman, Charlie Cognac of Pontiac, Michigan, George Earner of Washington Heights, Theron Simkins of Roseland, Carmen Luisi and Bill Ehlers.

Bro. Stanley Myszkowski underwent an operation at Roseland Hospital last Saturday. We don't know the nature of his illness at this writing but hope it isn't serious.

Bro. Rich. Bentson and his wife were pleasantly surprised last Sunday night by many of their friends, the occasion being a housewarming party. The feature attraction of the evening was the preview of a picture taken by Rich over thirty years ago. Quite an argument took place as to whether Father Dalton or his shadow Creighton are balder now than Rich was then.

Bro. Lawrence Jostes has joined the ranks of the benedicts. Congratulations to you and the missus, Lawrence, we hope to see a lot of your now.

Knights of Columbus and the Missions

By Rev. Joseph A. Wagner, Assistant Director of The Society for the Propagation of the Faith

Among the many projects in the field of Catholic Action recommended to the Knights of Columbus, one of the most important is the cause of the Missions. As Catholics, the command of Christ to His followers applies to every Knight today: "Going therefore, teach ye all nations . . . preach my Gospel to every creature."

The purpose which animated the heart of Columbus as he set sail to seek an unknown world was to spread the Faith and to bring the Gospel to those who had never heard the good tidings of the coming of their Savior.

Cynical historians will tell you that he wished to find gold—the fabulous wealth of the Indies. They fail to say why he wanted the gold. Columbus knew well his course—he wished the world's gold in order to convert the New World to Christ. The flagship of his little fleet was significantly named after Mary, the Queen of the Missions, Santa Maria.

Even when clouds had settled over his career, after his return as a prisoner from the lands he had discovered, he was ready to devote all his possessions and the remaining years of his life to the task of rescuing Christ's sepulchre from the hands of the infidels.

With such a patron the Knights of Columbus cannot fail to have an interest in the cause of the Missions. Here in Chicago the Knights have always been loyal supporters of this cause. This coming Sunday they will have an opportunity to demonstrate this loyalty anew. Our leader, Archbishop Stritch, has issued the call to the Catholics of Chicago to support the Missions. In his letter, read in all the churches of the Archdiocese last Sunday, he states:

"Now we are going to ask for an alms for the Savior. Today He stands before us poor, naked and hungry. To us He utters the challenge: "Greater love than this no man hath, that he give up his life for his friend." Look at Him on the Cross, walk with Him from Gethsemane to Calvary, and then ask yourself whether He loved you in your distress and withheld His bounty from you. Today He asks from you an alms. Over in the foreign missions and indeed in our home missions He is hungry for souls and He needs your alms. Missionaries must be supported and institutions maintained. To give you a part in the conversion of the infidel world and in bringing to the church souls darkened with error, marvelously He made His work dependent on you. At other times He has appealed to you but then Catholics in other lands could do their part and even supply your neglect. If today the Catholics of the United States do not hear His voice, the missionaries must come home, their schools must be closed, their charities stopped, and their churches darkened. It is Christ in His church Who today asks us for alms for His Missions."

Just a week ago the Knights of Columbus here in Chicago pledged their wholehearted loyalty to our Archbishop in his task of administering the Archdiocese. Today he points out an important phase of Catholic Action for which he asks our support. Let us prove our words by our deeds—let us demonstrate our zeal as Knights of Columbus by supporting the cause of the Missions.

NEW ENCYCLICAL ON COMMUNISM LIKELY

London.—The "Catholic Times" repeats the report that Pius XII will soon issue a world-wide encyclical warning all Catholics against the constantly increasing peril of Communistic influences. It is pointed out that both Great Britain and the United States would welcome Russia as an ally. On the other hand, the German-Russian pact has brought Italy and Japan into the sphere of Russian influence. The Pontiff has grave fears that Catholic Spain may also fall a prey to the same course of developments. The Russian geographical dominion has spread widely in the past year.

The "Catholic Times" also reports that, contrary to the belief of some, the Vatican is not the prisoner of Italy nor is it cut off from the rest of the world. It maintains contact with its Nuncios and delegates abroad and only in one or two cases, where the territories lie in the field of hostilities, has communication been interrupted. Anyone in England may get in touch with the Vatican by letter or telegram, but British authorities may insist that only English or French be used. Italian is forbidden. All letters should be sent by air mail to Lisbon. A continual exchange of messages between the Vatican and Papal envoys is occasioned by the Holy See's service in locating prisoners of war and other persons whose whereabouts are unknown to relatives and friends because of the conflict.

ST. FRANCIS MEMBER DRIVE GAINS DAILY

2-4 Thurs. . . . . 4711 W. Madison

The membership drive of St. Francis Xavier Council is gaining momentum every day, according to the membership chairman, Deputy Grand Knight Salvatore Cirrintano. We are lacking only twenty applications to reach our goal for the Third degree exemplification on Sunday, March 23, at St. Philip High School. These applications must be turned in at the next meeting, Thursday, March 13, with the initiation fee for the first reading. A special meeting will be called so the applications can be read for the second time in time for the exemplification. Sponsors should see to it that insurance candidates visit Dr. Vincenti for their medical examinations.

A resolution was read at the last meeting which will reduce the initiation fee to five dollars. It will be read again at the next meeting and voted upon at the special meeting.

COMING ACTIVITY

The barbecue committee, headed by Chairman "Scotty" Frusolone and Co-chairman Salvatore Defily, will soon swing into action and will seek the wholehearted support of all the members. The date of the barbecue is June 18 at Riverview Park.

Financial Secretary Alexander Coletta has submitted a list of names of year in advance members. The following brothers have paid their year's dues in advance and have been placed on the honor roll: Rev. F. X. Breen, S. J., Rev. P. M. Breen, S. J., Frank Cortese, Joseph Fenolia, Guy Iarussi, James B. Leonardo, Dr. Carl Madda, P.G.K. John Blase Meccia, Michael Mele, Robert Orlando,

Why not add your name to this honor roll and at the same time make life easier for the financial secretary?

OFF THE CUFF

Lecturer John Caruso has promised that the meeting next Thursday night will be Cash night. Plan to attend, especially if you feel lucky...Speaking of attending meetings, you should endeavor to attend them more regularly as many interesting events are being planned for your pleasure...Slow! That one word describes how the returns on the dance tickets and ads are coming in. All returns should be made no later than the next council meeting so that a final report can be compiled...Sir Knight Anthony Scarpelli surprised everyone by appearing at the exemplification of the Fourth degree after he had been reported dead. It was soon discovered that another man bearing the same name had passed away and not Bro. Scarpelli, "the walking ghost."

Bro. Patsy Scala will be sixty-two years young on St. Patrick's day...Congratulations to Bro. Paul Broccolo on his reinstatement to the council...A surprise birthday party was given last Sunday for "Sheik" Pintozzi by his sisters for his twenty-ninth birthday. "Sheik" has been twenty-nine years old for the past five years. We wonder if he has forgotten about the Selective Service Act.

STRIKES AND SPARES

Looking at the standings of the bowling league after last Friday night's session, one can safely say that the second round will end in a "photograph finish" with at least a half dozen teams in the picture. As Angelo Vitallo would say, it's going to be a dog-fight.

The Marks Motors moved into first place by handing the Izzo Undertakers, the previous leaders, a triple setback. Twin victories were scored by the Senate Electricians, Coletta Undertakers, Giugliano Florists and Bacigalupo Morticians. Their not-so-fortunate victims were the Dot Pies, Mele Plumbers, Ald. Pacellis and Paternos.

High bowlers were: J. Pauletto, 532; B. Mele, 513; G. Lucca, 512; J. Durante, 554; P. Bruno, 520; J. Caruso, 600; Curbes, 538; T. Salvo, 559; F. Arito, 525; C. Criola, 503; P. Merisso, 538; J. Capparelli, 562; S. Randazzo. 587; S. Cirrintano, 529; L. Merisso, 511; L. Belpedio, 505; J. Consoli, "Sheik." 511.

Don't forget to make your arrangements early with Sal Cirrintano for the National Bowling tournament in Indianapolis April 5.

Western Ave. The First and Second Degrees will be exemplified and our new initiates should report not later than 8:15 p. m. at the above address. NEWS

A recent New World issue shows a picture of the Rev. F. M. Flaherty with his parents, Mr. and Mrs. Morgan Flaherty, upon the occasion of their Golden Wedding Anniversary which was observed February 12th. The commemorative Mass of Thanksgiving was celebrated by their son, who is pastor of St. Peter's Church, Antioch, Ill. Father Flaherty has been a member of Marquette for many years.

Last week, G. K. John E. Hesse officiated as Grand Knight in a first and second degree at Washington Council. No news of the last meeting can be reported in this issue due to the Columbian deadline on Tuesday. However, a standing motion is pending regarding the changing of our meeting night. The spirit behind this motion is the welfare of our council. Some of our members attend school on this night and others are prevented from coming to our meetings because of Holy Name meetings, business reasons and etc. The motion will not be pressed for a vote for some time, and until all members are informed and given an opportunity to speak on same should they wish to be heard.

The fourth annual campaign of the Bishop Sheil Underprivileged Youth Fund will soon be in full swing. The date will be Wednesday, June 18. More about this later.

BOWLING

The McGuire Wildcats are in the lead by just two games and all three other teams, namely Delana Demons, Griffin Tigers and Donoghue Tricks are tied for second place. Isn't that something? Last engagement between the McGuires and Delanas showed the former winning one, and the latter winning two games. High for the McGuires was Bro. Walter Bergen with 520, while Bro. Carl Cronin had 611, thereby doing the most for the Delanas in winning two of the three.

On the other alley between Donoghue Tricks and the Griffin Tigers, the genial dentist, Doc Meyer, led his Donoghues with 542 and helped a lot in the winning of all three games from their opponents. For the Griffins, their hard-working Captain, Phil Wetter, had high score of 488 for his team.

P. G. K. Thomas M. Kennedy of Americus Council played the lead in a comedy drama entitled "The Traveling Salesman" sponsored by the council way back in 1929. The play was presented to a capacity house at the old K. of C. Clubhouse at 4721 W. Madison St.

Other players in the comedy were from the St. Sabina Players, an aggregation of talented actors who had even then presented many hits in their outstanding history. Supreme Director Michael J. Howlett, then Lecturer of Americus council, was in charge of the affair. (R. Joyce, Americus.)

The first outing of the Chicago Chapter was held in Riverview Park, September 1, 1906. At this time the Order was ten years old in the West, and the outing took on to an extent the features of a Tenth Anniversary Celebration.

Headquarters were established in the Casino Building, and the morning and afternoon were spent by the assembled guests in viewing the attractions of Riverview Park, and in picnicking parties.

The formal exercises took place at eight o'clock in the evening, and were opened by the President of the Chapter, John J. McArdle, in a forceful address. National Advocate, Patrick L. McArdle, was next introduced, to speak in place of the State Deputy, Lewis E. Sauter. Mr. McArdle made an eloquent address and paid a glowing tribute to the great bandmaster, Patrick Conway, who led the music at this big amusement Park for so many years. This outing was well attended and was an auspicious beginning for the many annual gatherings under the auspices of the Chicago Chapter.

Over 170 children attended Newman Council's Christmas party of December, 1916. A Punch and Judy show under the direction of Bros. Frank Moran, George Weiland and John McEnery was the highlight of the party entertainment. Each child was also given a box of candy.

Carroll Observes Founders' Week in Membership Drive

Next Meet Mar. 18 . . 6 No. Hamlin Ave.

The 59th anniversary of the origin of our Order will be observed in Founders Week, March 23-30, with all efforts focused on an intense membership drive.

The story starts January 17, 1882, in the parish house of Saint Mary's Church, New Haven, Connecticut. A priest of the parish, Rev. Michael Joseph McGivney, had been observing and thinking about the popularity of secret, oath-bound organizations. Father McGivney realized that there was a demand for and a place waiting to be filled by a Catholic organization that combines solid fraternal benefits with the attractiveness of selected membership and secret initiation—not oath-bound, but secret only on the promise of man to man, which promise must always yield to the authority of Church and of State.

Wasting little time in dreamy contemplation of the good things such a society could accomplish if it existed, Father McGivney set about the job of bringing it into existence. He invited nine men of the parish to talk it over with him. They met at the parish house January 17, 1882.

Suggestions were made, plans of action were projected, discussed, altered, rejected, adopted. In a little more than two months after that first informal meeting, on March 29, 1882, the Knights of Columbus was granted its charter. Thus was born the Order which has grown, in the fifty-nine years that have passed, to a membership of almost three-quarters of a million Catholic men, with councils in all of the States, all the Provinces of Canada, in Newfoundland, Mexico, Cuba, Alaska, Panama, Puerto Rico and the Philippine Islands.

With all the apparent changes that have taken place in the Knights of Columbus, the increase in its prestige and the expansion of its interests and activities, Father McGivney, long gone to his reward, would have no slightest difficulty in recognizing today the society he founded more than half a century ago. He would instantly perceive the four familiar principles that he gave to it still guiding and motivating all its works — CHARITY, UNITY, FRATERNITY and PATRIOTISM.

In observation of Founders Week, the membership committee, headed by Chancellor Edward J. Whelan, is taking an active part in promoting its success, by stimulating the members to fulfill the 10 per cent membership intake quota of our council. Our council is still in the history making drive so let's make a real effort toward this goal. LET'S ACT! AND ACT AT ONCE!

SIXTY GOLDEN HOURS

The idea of a retreat for the men and young men of Carroll Council has been uppermost in the minds of a great many of the members for quite some time. They have rightfully that of a retreat as a strategic withdrawal from life's battle front to prepare for a more successful campaign; a time for inventory of the soul; sixty golden hours of rest, refreshment of spirit, ideal companionship and union with God.

Every man, old and young (16 years or over) should make a retreat, because God wills it, the Church wants it and you need it. The Pope, bishops, priests and nuns make an annual retreat—why not you? You spend fifty-one week-ends on the body; can't you afford one for the soul?

What does a retreat cost? The spiritual exercise costs nothing. To defray the expenses of the meals and lodging an offering is made according to one's means. Retreats are made every week-end from Friday 7 p. m. (supper) until Monday 7 a. m. (breakfast). Thousands of men go through the gateway each year to St. Francis retreat at the Mayslake estate to enjoy peace of body and soul. Catholic Action Chairman Harold A. Neibergall should be glad to hear the consensus of opinion among the membership as to their desire for a retreat for the men of Carroll Council during the latter part of April.

MARCH 18 MEETING

"All-American Way," the currently popular sport motion picture sponsored by The Chicago Tribune, will be the featured attraction at the open meeting of Charles Carroll Council members and their friends, to be held in the Midwest Athletic Club on Tuesday evening, March 18.

The film, recently released, brings its audience high-lights of famous events in the world of sport—baseball, football, boxing, skating. It has been most enthusiastically received wherever shown, and the members and their friends are certain to enjoy it. Several other surprises are in the line-up on that evening by our Lecturers, Gordon J. Kickels and John J. Fleming, which will precede and supercede the showing of the picture.

Auburn Park to Hold Election for Trustee Post at Next Meeting

2-4 Thures. . . . . 7740 S. Emerald Ave.

Due to the resignation of Brother John P. Doherty as Trustee of the Council, important business of the next regular meeting to be held on Thursday evening, March 13, will be the selection of a new Trustee to fill Brother Doherty's unexpired term.

This choice is of great importance, and requires the consideration of all our members. The man who is selected for this office will also be called upon to give important service to the council and will have to attend at least one meeting a month of the Finance Committee to check the records of the Financial Secretary and Treasurer as well as to be in attendance at all Officers meetings.

Please make it a point to be in attendance at this meeting and make a selection of one who will be ever faithful to his duties and function at all times in this capacity.

MAYSLAKE RETREAT PARTY TONIGHT

As announced in the last issue of the Columbian, Brother Dick Knight has offered the facilities of his newly decorated basement to stage a party for the membership at 8:30 tonight, Friday, March 7, at 7636 Emerald Ave. to benefit the Mayslake Building Fund.

Proceeds from this affair will be presented to the Franciscan Fathers at Mayslake, Illinois, for the new additions to their buildings which is contemplated to be started this spring. The assessment is only $1.00 per person, and inasmuch as this donation will be made in the name of Auburn Park Council it is the duty of every member to try and be present. Let's fill Dick's recreation room to it's capacity. You will be well entertained for the small sum of $1.00 and the cause is a most worthy one.

SICK AND WAKE REPORT

At the last Council meeting it was reported that Brother John Tighe is laid up in the Hines Hospital at Maywood for some time. We realize this is some distance from our community but if at all possible try and get out during visiting hours and pay Brother Tighe a visit. He will be more than pleased to see any of the members.

Our Financial Secretary Brother John H. Clausen was missing from the last meeting, being laid up with a cold and our Treasurer Brother George Wrocklage served in his place. We hope it is nothing serious and that John will be up and around in a few days.

Our Past Treasurer Brother Edmund D. O'Connell is rapidly on the road to recovery after his sojourn in the Englewood Hospital and is able to be back at work in the Mutual Bank. We hope he continues to make progress in his recovery and again enjoys his usual good health.

Brothers if any of you hear of any of our Council members who are sick or in distress, please contact the Chairman of the Sick Committee, Brother John Coughlin, your Grand Knight or Council Scribe. By giving this publicity the member will realize they are not completely forgotten and it will give the Committee an opportunity to pay them a visit during their illness.

BOWLING ACTIVITIES

Brother John Coughlin, Chairman of Athletics in the Council, reported at the last meeting that our Bowling team in the Club House League is not setting the league on fire, but going along at about a five hundred clip. The competition in this league is very keen, there being many of it's bowlers who are up in the higher bracket and it's very difficult to set a pace for leadership. However the boys in the Council team are in there trying each and every week and are most deserving in their accomplishments in representing our Council. Good Luck Brothers, you will be right up there at the pay off.

The United States Bureau of Fisheries is authority for the statement that fish have been frozen in solid ice and then later resuscitated.

DOWLING TO ORGANIZE DONOR GROUP TUESDAY

2-4 Tues. . . . . 3625 S. Hoyne Ave.

At our next regular meeting Tuesday, March 11, we will hold a "Blood Donor Night," our chairman, P.G.K. Ray Gerber will have as our guest on this occasion, State Donor Chairman, Robert DuMais who will explain in detail the purpose of this group.

Those brothers who have already volunteered to be typed will be present and we intend to have a photo taken of the procedure.

Joining this Blood Donor group is purely voluntary and is a real way of showing your Christian Charity. I am sure Bro. Gerber will have more volunteers than the doctor can take care of, but if you wish to join this group, come up to the meeting and contact P.G.K. Gerber.

FATHER KILBRIDE NIGHT A SUCCESS

At our February 25, meeting we honored our Past Chaplain, Rev. M. J. Kilbride in one of the most enjoyable evenings yet this year.

Our Chairman for the month, Geo. Connelly, Sr., was unable to be present due to the death of his brother, Frank, but he left the affair in capable hands, of P.G.K. Earl S. Dunne, who acted as chairman.

We had plenty of celebrities who came from long distances to pay homage to our past chaplain and when called upon showered many praises and well wishes on Father Kilbride. Those that I have record of were:

State Secretary, Leo M. Flynn; Richard Knight, P.G.K. Auburn Park; Al. Thompson and Roy Bennish, P.G.K.'s of St. Patrick's; Guy Macina, P.G.K. San Salvador; District Deputy, Pan Noonan; Geo. Noonan, G.K. Modonna; Emmet (Red) Ormsby, American League umpire, and P.G.K. Wm. Furlong; P.G.K. Tim Cronin; P.G.K. Ray Gerber; P.K.G. Ed Denehy, all of our Council.

We also had many clergy friends of Father Kilbride including: Rev. Frank Corley, Rev. Devitt, Rev. Fisher, Rev. Dedier, Rev. Smith and our present Chaplain Rev. Wunder.

A presentation was made to our honored guest by our G.K. Frank Barker and was accompanied by a wonderful talk to fit the occasion. The president of our Patriotic Club also made a presentation of a beautiful radio from the club.

Father Kilbride replied to all the talks and presentations and remarked that he did not deserve all the nice things said about him. He thanked everyone and said that our council will be in his heart as long as he lives.

Brothers Laibe, Connelly and P.G.K. Dunne are to be complimented on this grand affair.

The attendance prize was awarded as follows: First, Tom Gallagher; second, Frank Cauley; third, Chester Kush. The honorary degree was also conferred upon Bro. Frank Bruen, Jas. Flynn, J. Frey and Henry Boyd.

CUFF NOTES

Bro. Pat Hogan attends the affairs of other councils why not pay us a visit Pat. Some of us old-timers will be glad to see you.

Martin Kenny Jr., is in St. Bernard's Hospital for an operation. We are praying for your early recovery, Mart.

Our Chaplain Father Wunder took the step to the Fourth Degree last Sunday. He decided on Saturday and was on the job Sunday.

P.G.K. Ed. Dennehy was up to our last meeting after a long absence. It reminded us of the old days and sure was good to see him.

Brother John O'Dourke acted as a proxy for the Honorary degrees. He tried to fool us but we knew you were not old enough John.

Chairman Tom Gallagher of the Retreat movement is working very hard for his next class April 25th, and is depending on you to help him keep the record. Kindly send him your signed application.

CONDOLENCES

Mr. Emil Sauve the loving father of Edgar of our Council passed to his eternal reward last week and was buried Friday. Mr. Sauve was one of the old-timers of Brighton Park and was an ex-fireman. We pray for the repose of his soul.

Brother Stephen Dowling passed away on Wednesday, Feb. 26, and was buried from a chapel at 4050 West Harrison St. on last Saturday morning. Steve was a school engineer and was very active in our Council during 1937 and 1938. The Council turned out in a body at the wake and many attended the funeral. We pray for the repose of his soul.

On last Wednesday night at the wake of Bro. Frank Connelly we witnessed one of our largest turnouts. Our Grand Knight appreciates this cooperation and thanks the brothers.

Our Patriotic Club is to be complimented for the splendid manner in which they performed at the F. Connelly death. They had a continuous guard of honor in full regalia and many complimentary remarks were passed. This is one of the benefits derived from this club.

Brother Jos. Novak has been confined to his home with illness but I am informed that he is coming along nice. We pray for your speedy recovery Joe.

PIN TUMBLERS

Through the hard work and efforts of the bowling league our council will be represented by three teams in the National Bowling Tournament in Indianapolis, Ind. The expense for this trip are being borne by the league. They leave Chicago, March 15. I will have more dope later.

President Lorden is talking things over with Marzano and trying to influence him to install a whaling rail for cry babies. Dunne Tires have first call for its use. Jack Sheehy of the Dunne's tripped while bowling and wrenched his wrist and brused his leg. We hope it is now o. k.

The Dr. Laibes are a three man team always two missing, but we can take it, but do hope our team makes a date for all to meet some Thursday night!

We had plenty of fair sex rooters last Thursday. Mrs. Green, her daughter, Mrs. Conway, Mrs. Gene Connelly and Christin's heart throb. Also a girl friend of Mrs. Conway.

St. James Prepares a Stellar Program for Ladies' Night Monday

2-4 Mon. . . . . 64th and University

Next Monday evening, March 10th, has been set aside by Lecturer Mayer as Ladies' Night. Bro. Clarence Strobel, who has been selected as Chairman of the evening, will present a fine program of entertainment.

St. James Council cordially invites all the ladies to be our guests on Monday evening, March 10th, in our new club quarters at the Hayes Hotel.

Brother Knights are requested to bring their ladies to the ballroom lobby where they will be entertained, with cards and games for which there will be prizes, while the members attend the business meeting of the council. Your arrival before 8:30 p. m. would be appreciated. After the meeting members will join the ladies to enjoy the program of entertainment which will include piano selections by Miss Elaine Phillips, vocal selections by Bro. Chris J. Davis, and technicolor and sound movies of a Colorado vacation. Through the courtesy of the Rock Island Railroad and Brothers John McBride—ticket seller and Hugh Duffin—Asst. Passenger Car Distributor of the R. I. R. R., these movies have been procured and will show scenes from Denver, Rocky Mt. National Park, Colorado Springs, Pikes Peak, Royal Gorge and Garden of the Gods. Other entertainment is also scheduled to be followed by refreshments.

With several more applications turned in last meeting only a few more are needed to have St. James stage a First and Second Degree. We plan on this next month so get behind our membership chairmen, Bros. Ambrose Burke and Joe MacGillivray to put this over with a bang. If you need application blanks see Ed Bryar at the meeting.

AROUND THE CHAMBER

Due to our inability to book the Hayes Hotel during April, our dance will be postponed to May with May 10th as the probable date. Our Communion Sunday will also be announced soon. Details will be given on Monday night.

Some of the bowlers will be in action next Sunday at Legion's Alleys in a special match; a team from Kankakee will be the opponents.

Soft-ball material will be needed to aid Mgr. Mike Connelly in getting a real team in shape so now's the time to start preparing.

Dr. Clarence Strobel paid us a visit last Monday evening with the program outlined for next Monday's Ladies' Night and it sure will be one of the finest you have ever attended. We want to have all the members attend with their wives and sweethearts. We'll be there. How about you?

Englewood Hears Agent Cushing on Insurance Forms

2-4 Mon. . . . . 150 W. 69th St.

Once again at our last meeting we were honored by the presence of Field Agent Cushing, who has been a frequent visitor at our meetings. And again, as usual, he had a very interesting message to deliver.

He reminded us that the Supreme Council has designated the week of March 23 to 30 as "Founders Week" and urged the Lecturer to arrange and prepare a special program for this occasion. In-as-much as our second meeting of March falls on the opening date of this celebration, we feel sure that Lecturer Smith will have a very interesting program for us.

Bro. Cushing also explained how the Order was founded. He remarked that when we go out to secure new members we should be sure we are getting real Catholic men, and above all try to get insurance members, for the records of the Order show that less than 1 per cent of all insurance members are on the lapsation lists, while 62 per cent of the associate members become lapsed.

As has been stated very frequently in recent columns, "those who do not attend the meetings are apt to miss out on many an educational and instructive feature. This was again proved by the inspiring message given by our Chaplain, Rev. Geheb, S. J.

We were also graced with the presence of another visitor in the person of Charles Lyons of Fort Dearborn Council, brother of our own John "Lucky" Lyons. Always glad to have you with us, Charley.

The Sick and Relief Committee reports that Bro. Hurley is still in Room 230 of the Mercy Hospital, and Bros. Twomey and Minster are convalescing at their respective homes. We also heard at the Fourth Degree that PGK P. J. O'Connor was home again. We hope it is not for long and that he will be with us again, real soon. When in the neighborhood of any of these members, drop in and pay them a visit.

In the report of those in attendance at the banquet last Sunday, we forgot to mention that the Hon. Walter T. Stanton was also present. How come you forgot to visit Room 782, Judge?

E-YIAC

The second edition of the 1941 "Honor Roll," made up of members who pay their dues and assessments a "Year In Advance," inscribes the name of the following: Charles P. Megan, Norbert P. Lyons (Charter Member), Dr. John P. Mullen, Joseph B. Jann, Wm. J. Sullivan, Trustee Leo C. Jann, M. J. Bransfield, Jr., PGK John S. Ryan, PGK Wm. J. Cleary, PGK Edw. J. Hennessy, Albert C. Jann, Rev. Jos. D. Connerton of Glenview, Illinois, C. W. Cumming of San Francisco, California, and the Hon. Daniel B. Ryan, County Commissioner.

E-VENTS

St. Patrick's dinner sponsored by the Silk Hat Club of Fort Dearborn Council, Saturday evening, March 15th, at the Hayes hotel. Chairman Oscar Heilmann states that for $1.50 per plate you will receive a very delectable meal (Irish turkey I suppose) and dancing.

May Party and Dance given by the "324 Club" of Englewood Council, Saturday evening, May 17th, 1941. Tickets $1.00 per person covers everything for the entire evening. Site has not been definitely selected but it looks like the Crystal Room of the Del Prado hotel.

E-NGLE WOOD-CHIPS

Bro. Joseph E. LePenske, a member of Englewood Council since, 1904, was tendered a surprise birthday party on Sunday, February 23, 1941, in commemoration of his 67th birthday. . . . Among the guests in attendance were PGK Chas. E. Huguelet, PGK Raymond J. Budinger, Henry J. Miller, Richard LePenske, and Nicholas Hoever, the latter a former member of the Council. . . . Congratulations and Best Wishes, Joe, and here's hoping you'll be around for many more of these pleasant surprises. . . . Eddie Higgins has made himself conspicuous by his attendance at many of the meetings in recent months. . . . He comments that he noticed "324 President" Charles J. O'Brien has been absent on occasions and states he finally found the reason why he and Lecturer Joe Smith had been alternating on being absent. . . . It seems that the one who gets to the "long underwear" first is the one who comes to the meeting. . . . Incidentally, Lecturer Smith says that "Lucky Buck" is going to give away $7.50 at the next meeting. . . . And all because the following were not present for the five dollar bill at the last meeting. . . . J. D. Reardon, 2450 Marquette Road. . . . Dr. J. P. Mullen, 6323 Wentworth Avenue, and F. W. Hasse, 7831 S. Wood St.

ILLINOIS GLANCES BACK TO REVIEW OF HISTORY

1-3 Mon. . . . . 64 E. Lake Street.

In these historic times we cannot overlook the historic period of 1914 to 1918. Our good friend, John E. Bradley, recently turned some old files over to us and we observed a penciled notation of John T. Lillis; under the heading of "Roll of Honor, Illinois Council K. of C., 301, Banquet, City Club, October 11, 1919."

That, in itself is not history making, except in a limited sense, but we further noted on the left hand side of this paper, a number of names which have made history for Illinois Council, for Chicago, yes, and for the U. S. A. We read the following names:

Lieutenant Edward J. Veasey, killed in action; under the Blue Stars Chaplain Captain E. J. Rice, U. S. A., Captain John Ashworth, Anthony Bacchi, R. J. Bender, Joseph J. Broadhead, A. V. Capara, Clarence A. Cashin, Joseph P. Coleman, Leonard F. Fairfield, Major Thomas P. Foley, Frank A. Ford, Joseph J. Fox, Nicholas P. Fuchs, John L. Gamba, John P. Gleason, Edward R. Goggin, Vincent A. Gualana, John J. Heintz, Harry C. Hincher, David F. Hyde.

Frank L. Hyde, Corporal Michael Joyce, Edward C. Kelly, D. J. Kelly, Captain H. G. Lampe, Thomas J. Mahoney, Alfred Klieforth, Raymond Nuche, Frank E. Moran, Theodore J. McGanahan, Daniel J. McKern, Otto J. Nagel, William R. O'Hara, George Pecchia, John E. Powers, Frank A. Roach, Edward C. Shannahan, T. Smith, John E. Stanton, E. J. Tierney, Norbert J. Tierney.

Lieutenant R. Tenerowicz. Stuart E. Ward, Roy R. Ward, Captain Henry J. Way, and Fred J. Weiss. National Overseas Secretaries, Frank J. Nalon, P.G.K., George Conner, John C. Hendricks (former manager of Cincinnati Reds), and Edward McCaffrey. In the President's Cabinet we had Brother Edward N. Hurley, chairman of the U. S. Shipping Board and Edward J. Quinn, U. S. Diplomatic Service. These brothers served their country well during the last World War.

Many of them have passed to their eternal reward and for them we say "Rest in Peace." To the others, some of whom are not now members of the Council, accept a salute from Illinois Council, individually and collectively. Gentlemen, we stand at attention while you march by in review.

CHEERY MEETING

The meeting Monday night was a cheery one in spite of the heavy laden and cloudy atmosphere. Business of the evening was discussed, reports from various committees were received and the coming St. Patrick's Night dinner at the "Ivanhoe" gives every evidence of being a great success. Reservations are coming in nicely. Why not join the happy gathering. Yes, tips are included in the charge of $2.25.

The chairmen of the different committees made their reports. Dr. McGregor is still confined to his home. Chairman, Elmer D. Martin suggested that some of the brothers call on the Doctor for a brief visit. Yes, indeed we have three new applications for membership and the good ship "Illinois" has gotten up steam, weighed anchors and is on its way to stop at each and every home (theoretically at least) to ask if you have any new passengers that she might take aboard.

You are reminded by the Captain that there is plenty of comfortable staterooms for new passengers. Why not book some for this great trip to which there is no end? The longer it travels the better the accommodations aboard, the more we are assured that the purposes of this great trip will be accomplished. The fare is most reasonable.

Weber Will Celebrate 3rd Anniversary with Communion Sunday

1-3 Mon. . . . . 4758 S. Pulaski Road

Let me urge you, Brother Knights, to fulfill your Easter Duties with the Council on Sunday, March 9 at the 10 o'clock mass at St. Turebius Church, 56th and Karlov with breakfast at the school hall. Let us arouse in our hearts that necessary spark for complete cooperation and let us have 100 per cent attendance at this annual display of Catholicity and Knighthood.

Besides this being your Easter Duty it will also mark our Third Anniversary. It seems as though it was only yesterday that this Council was organized, but it really was way back on Thursday, March 6th, 1938.

This Sunday we shall receive in a body with the thoughts in mind that for this young and youthful council, another year is fading away, and a new year is in blooming. Let the burden of yesterday be a smile of tomorrow, and let us not say that we have failed in the last three years, but that we have tried, and if we did not succeed we will try again!

Last meeting our G.K. Julius Martynowicz and the other officers gave a few of our members leaving for army service a real send-off and presented them with a beautiful gift as remembrance. The brothers called to serve in the National Defense Program, are: Bro. Casey Chromik, Bro. John (Goon) Zoziarski, Bro. Cas. Weglarz, Bro. John Radwan, and Bro. Jos. Mikos. We wish you all a lot of success and luck. Drop the Scribe a card when you have time. Address, Frank Kubiak, 4950 S. Avers Ave.

BIRTHDAYS

Last Monday, March 3rd, Bro. Joseph J. Kordas and Joseph Majka celebrated their birthdays. Congratulations.

MAPLE MASHERS

The first place team, Dr. Dziubski-Dentists are still leading by two games. The first game of the "Dentists" was saved in the last frame by A. Mlynek, who rolled a mean 216. The third fray was won by anchor man, S. Pustelniak, who pounded the pins for 183, the highest this season to his credit. The opponents were Kraft's Boosters, who fought bitterly, despite the 93 pin handicap given the Dr. Dziubski-Dentists. The Boosters retain second place, and with Steve Jas', 535 total, brought two games to their credit.

The standings are:

	W.	L.	H.G.	H.S.
Dr. Dziubski-Dentists...	30	18	654	1819
K. of C. Boosters	28	20	639	1827
Kraft's Boosters	23	25	670	1885
Wegzyn Realtors	15	33	634	1761

Honor Roll—Frank Wieruzewski, 171; Stanley Pustelniak, 183; Steven Jas, 189; Anton Mlynek, 216. High games for the season thus far are—A. Mlynek, 232; J. Zapotocny, 223, and S. Jas, 214.

WEBER FOUR

Attention all Sir Knights, Tuesday, March 11, at 8:30 p. m., at 4758 S. Pulaski Road the Fourth Degree will sponor a card social. Don't fail to bring or send your wife, mother, sister, or fiancee and likewise make it your business to cooperate by being present yourself.

Last winners of Door Prizes were: Miss Jacqueline Kraft. Antoinette Martynowicz, S. Kalinski, and Sir Knight John Zolna.

Bro. Richard Szymanski's daughter, Ellaine, who has been taken to Holy Cross Hospital due to sickness had a blood transfusion through the aid of Bro. Frank Martynowski who volunteered his services.

Ravenswood Planning 'Irish Party' for Council Meeting of March 19th

1-3 Wed. . . . . 1521 Wilson Ave.

Lecturer Art Collins announced at the last meeting that there is to be an Irish Party after the March 19th meeting. This is in keeping with the policy of having a special party after the second business meeting of each month. Art didn't divulge any plans for entertainment for the 19th, but I suppose to an Irishman just the word that there will be "an Irish Party" should be enough. From past experience the writer knows that when a bunch of Irishmen get together the entertainment generally is impromptu and spontaneous. One little thing should be taken care of though, before plans go much farther; someone should bribe the "weatherman" so he will cooperate. Come to think of it, if only the Irishers of Rovenswood Council showed up for this party there would be quite a crowd.

Your Scribe hasn't heard from Dick Kenney in the past few weeks, but from other sources it has been learned that Dick is busy as ever with his duties as chairman of the Membership Committee. Dick is a very busy business man, but despite the care and energy needed to maintain his business connections, he has been able to devote considerable time to planning and promoting a drive for new members.

It is only right that those of us who have to spend no more time winning our livelihood than does Dick, should help him in every way that we possibly can. The first thing we can all do is to make every effort we can to sign new applicants for our council and those you are unable to sign yourself call upon Dick for help. It stands to reason that the membership committee workers will not be able to locate all the possible applicants without the help of the rest of us.

The drive is not going forward as fast without your whole-hearted help, as it would with it. Give Dick and his boys a helping hand.

The Ravenswooders who were able to attend the Fourth Degree exemplification at the Palmer House about two weeks ago may have had a swell time, but it can't be vouched for without confirmation. Ye Scribe has expected a phone call from at least one of the fellows who could give all the details, but was disappointed. This column must depend upon its friends, if there are any who get around.

As the above paragraph was being finished the phone rang, and when answered was found to be carrying a message from G.K. Charlie Morgan. Charlie, Trustee Pete Farrow, Recorder Barr and our new Fourth Degree member, George Schaeffer, had a very nice time at the banquet. G.K. Morgan also said that he had five applications ready for reading at the next meeting. The statement made previously that the membership committee chairman was doing all the work should be amended to state that "G.K. Morgan, the membership committee chairman, and one or two aids are doing all the work." Ravenswood is lucky that it has a truly conscientious and hard working leader like Charles Morgan.

THE OTHER NEWS

Charles Sutton, a recent transferee to our council, but long a friend of many of our members, is in the Ravenswood hospital for a much needed rest. He hopes to be able to see many of his friends from the council soon. I'll bet the Ravenswood-Lourdes Bowling League will miss him and will be hopefully awaiting his return to the many duties he must perform as secretary.

Bros. Peter Kranz and Ben Sullivan are still on the inactive list and will be very pleased with visits from members. Mrs. Earl Stewart, wife of Advocate Earl Stewart, is still confined to the hospital. She is reported to be improving. Let's all hope she soon may be able to return to her home.

There is some more information on the Irish Party, but we'll save it until next week. It's been quite some time since Chancellor Clem Mawicke has been at a meeting, so perhaps he'll be to the next one, since he is Irish by absorption if not be adoption. You can't live with an Irisher for ten years without getting a little "soddy" yourself, can you, Clem?

I wonder how many of we Ravenswooders (those under thirty-five) can hear the marching feet of Bill Collins and the sound of Al Courvoiser's feet running up and down hospital halls? We can boast of our two boys who volunteered for service.

Ravenswood's old friend and chaplain, Father Pat Malloy, is off to the southland for a short vacation and rest. It is said that Father Pat had a very fine minstrel show at his parish recently. When you get back from your little trip, drop over to the clubrooms. All of us would like to see you, Father Pat.

Washington Bowlers Are Always in Action Each Friday Evening

1-3 Tues. . . . . 503 Main St.

Although we haven't mentioned our bowlers for some time, Ye Scribe has been following their activities right along. We note that the boys up at Boscos are starting to hit their stride, and we are yet liable to hear from them. Friday night is the night, and about one more month to go before the end of the season. How about a little moral support.

Don't forget the Retreat to Mayslake, sponsored by Father Muzik, our Chaplain. All Brother Knights of Washington Council attending meetings regularly will have a chance to draw to see who the lucky brother will be, to attend this retreat as the guest of Washington Council.

QUARTERLY COMMUNION

Chancellor Sanservino is now making arrangements at St. James Church, Maywood, for our Quarterly Communion reception, on Sunday, March 30th. These quarterly meetings have been well attended, and we urge you now to mark the date, and be sure to be with us.

CONGRATULATIONS

Extended to Warden John Hoff, who is boasting of the fact that he is a proud grandfather. A bouncing daughter made her appearance at the Lewis Memorial Hospital, to his youngest daughter. Better get a new hat, John.

It is with regret that we are to lose sight of Brother John Lynch's smiling face for two years. John departed for Alaska on a government project, and has promised to keep in close touch with us. Good luck, Jack.

Barry Accords G.K. a Splendid Tribute in Farewell Party

1-3 Tuesday.....2856 Washington Blvd.

Last Saturday evening your brothers of Barry Council, together with visitors from many surrounding councils, gathered at Barry Clubhouse with their respective wives, mothers, sweethearts and friends and accorded a rousing send-off to the most popular man of Barry Council, our own Grand Knight Jim Curran.

We of Barry Council are mighty proud of Jim. We are proud of any man who can and will join the military service of our country to protect our American institutions, and our deepest devotion is extended to Mother and Dad Curran, as well as to Jim's sister, for the courage shown.

Among the distinguished guests were Leo M. Flynn, State Secretary; J. J. Crosby, G. K. of Carroll; Father John McKeown, D.D., and Elmer O'Brien, P. G. K. of Hughes; Joe Nolan, P. G. K. of Father O'Connor; Roy Bedore of Father Setters; H. Edler of Feehan; R. J. Benish and A. J. Thompson, P. G. K.'s of St. Patrick's; Ray Gerber, P. G. K., Bowling; Wm. O'Connell, D. G. K. of St. Patrick's, and of course good old Dan Hernan; Bill Radke; Terry Boland; Geo. Bamber; Barney Cunningham (who will be at our helm in Jim's absence); as well as many other brothers whose names I just didn't get.

Thanks to you, brothers, and especially the visitors from other councils who faithfully assisted us in making this affair one long to be remembered in Barry annals.

COMMUNION SUNDAY

Sunday, March 30, Passion Sunday, is our Communion Sunday. You have always turned out so splendidly on this occasion so let us all do our part to make this occasion as impressive as it always has been. We will meet at 8:00 a. m. Sunday, March 30, at the Clubhouse from hence we will go to St. Matthews, as usual.

COMMODORE BARRY GUARDS

The Commodore Barry Unit of the Home Defense meets regularly every Monday and Friday at the clubhouse. To those of you who are getting a little too large around the waistline, better come down and get in on these drills and notice the improvement in your general health. We will take any man who has no chronic disabilities into this training, which, of course, is purely voluntary. It is easy to sit in a comfortable chair by your radio, with your newspaper and pipe of a winter's evening, but if you are an inside worker a little peppy drill will do you a world of good. Of course, there are no fees or remuneration of any kind for attending these sessions.

CONDOLENCES

It is with sorrow that we announce the passing of Bro. Dr. J. F. Sweeney, charter member of Barry, who was buried last week from his home in Pana, Ill. May his soul rest in peace.

Also, our deepest sympathy to Bro. Irby Fisher and family in the loss of his dear mother, Mrs. Margaret Fisher.

BARRY ITEMS

I think we would all like to be with Brother and Mrs. Fornero, who write of the grand trip and good time at Hot Springs, Arkansas. I would not trade Chicago for any place in the world, but it kind of gets under your hide at this time of the winter.

I would like to whisper a word to the good ladies. When it is meeting night, and friend hubby his hat and tell him to come down and meet the finest group of Catholic gentlemen in the world. Our meetings are interesting and you can always expect a pleasant evening. Most of our members know of good eligible candidates, so let's just each of us bring at least one before Easter.

BARRY BOWLING LEAGUE

Quite a few of the bowlers were at the farewell party tendered Grand Knight James T. Curran at the clubhouse last Saturday night. The wonderful words of praise spoken by Jim's many friends along with the inspiring words of Jim's father and father, was something that can will always remember. The officers and members of the Barry Bowling League all join in wishing Jim the best of luck, and we all want to thank him for the fine moral support he gave the league.

Some of the boys attending the party were Ed. Faucher, Jim Conley, John Amburrini, Jim Landrigan, Harry Kloth, Lou Racine, Peter Orfino, J. Quantali, Jim Chase and that widely advertised steel salesman of Portage Park, "Jiggs Donahue," and Dan Roach.

Mid-West Auto Service won three games last week from Faucher Brothers and moved back into first place. Bones Kyle shooting for John Foley had high game with a 212 score. A. Naples had high for Fauchers with 196. Jimmy Conti kept the two teams on edge during the three games by practicing on new nursery songs to sing to his young daughter.

United Air Lines won three from Smith General Home and moved into tie for second place with Ed. Kurtz shooting a 570 series with scores of 209, 204 and 157. Leo Capuanni had high for Smiths with 211. Senator Keanes won two from Cunningham Insurance with Frank Kucera getting high game with a 246 score. Charley Svoma had high for Cunninghams with 196.

T. W. A. Air Lines made a clean sweep of their series with American Air Lines with Tom (Butch) Geegan shooting a 529 series and Mort Flynn getting high game with a 195 score. Harry Kloth had high game for American Air Lines with 182. Recorder Kaindls made a clean sweep of their series with Ahern Morticians who had to shoot with four men. Al. Nowatarski had a busy evening with scores of 211, 233 and 170 for a 614 series. R. Payne shooting for George Bamber had high for Aherns with a 204 score.

Littly Jack's Restaurant won two from Sheehan Chili's with R. Miller shooting for Larry Westphal who is down in New York, getting high game with a 193 score. Lou Rosenmayer had high for Little Jack's with a 213 score.

DeMares Coals won two from Kedzie Coals. B. DeMares starting out with a string of strikes that looked like a sure 300 game, but ran into some tough luck on good hits and finished up with 226. Tom Ferrarini had high game for Kedzie Coals with a 203 score. Somebody posted a newspaper sheet showing Bill Fisherkeller had shot a 300 game but this was only a joke as Bill had a friend who was a printer fix this up to fool the boys.

Prize winners last week were, DeVito 228, Cunningham 203, Flynn 213, J. Kurtz 205, Ed. Kurtz 215, M. Horan 228, and Tom Purcell 187.

Mr. S. M. Peters, the manager of W. L. Douglas Shoe Store at 4002 West Madison St., has graciously donated another pair of those famous Douglas shoes as a prize for high score for March. This contest will start the week of March 6 and will continue for the four weeks. The prize will be given to the bowler shooting the highest series during the four weeks of the contest. Scratch will be 200 and each bowler will get three-fourths of the difference between his average and 200 for each game, and this added to his three game score will give him the total for his night's work. This way the last man on the list has as good a chance to win this prize as the first. So get busy and see who will be the next one sporting that new pair of Douglas shoes.

How about making that reservation for Indianapolis on that Barry-Hughes Bowling Special on Saturday, April 26?

St. Joseph's Dance Planned for Mar. 17 Promises Grand Time

1-3 Thurs. . . . . 57th & Archer

Our past meeting saw a better than average attendance, with some members present whom we have not seen for a long time. Bro. H. Spadoni made a report on the Blood Donors Group, now an accepted part of council activity. Plans will be announced in the near future for the induction of those Brothers who are not yet members, and it is hoped that we will get a much larger percentage than we now have although the present enrollment is quite good for a Council of our size.

That "Irish" Chairman of the St. Patrick's Ball announced further details and if his efforts mean anything the Dance will be a success. The honor of being the first to make returns on tickets goes jointly to Bros. Doc Allison and Mark Hennessey. Due to business pressure we don't see much of these two, but their interest is always there and the Council does not have to call upon them twice for cooperation at any time.

You have all received a letter and tickets regarding the Dance, and we hope you will make returns to the writer as soon as possible. Checks may be mailed to J. W. Ramsden, at 7415 W. 57th St., Summit, or personally and at the Dance. The orchestra secured is a well-known and well-liked one, and its popularity is attested to by the fact that they played recently for St. Joseph's Holy Name Valentine Dance, which was such a huge success.

The Dance will be at St. Blase hall on Monday evening, March 17th, and Charie Hess's orchestra is a guarantee of a good time. Bro. Dom Spadoni had the interest of his Council at heart by volunteering as Chairman. The rest of the Committee are also ready and willing to do their share. Will you?

The first of the Communion Sundays, which are now quarterly, was Sunday, Feb. 23, at St. Joseph's Church and a satisfactory group of members were present. The First and Second Degrees are scheduled in our council chambers for March 20th and you have still time to get candidates in, if you act at once.

A new departure was made by Bro. Stanley Sierzega, our good brother whose marriage we announced recently. Stanley turned tables on the usual procedure by bringing cigars for all the members present and we know everyone will wish Stanley and his bride "clouds" of happiness. Another proof of being a good K. C. was evidenced by the fact that Stanley was present to entertain us with his music following the meeting. Lecturer Kalkowski and his able assistants served a delightful buffet supper to the members and ladies during the intervals of dancing.

Bro. Geo. Tomich went home slightly richer by being present when the monthly drawing was made. Bro. Dick Lloyd claims he got his "eye" at work. We wonder? Incidentally, Dick is Chairman of the Ritual Committee and is determined to have the Degree Team in good shape by calling them together for a few special meetings. Bro. Paul Zurn, the first volunteer from this area, is getting along fine and if we know anything of Paul, he won't come home as a Private. The Council sends its greetings, Paul.

The following notes were written for last week, but due to a mailing error, they were delayed:

A good crowd of about thirty were present at Times Square Alleys for the bowling and it looked like everyone had a good time. The next bowling afternoon is Sunday, March 16th, and the location will be announced later. We hope Father Pipenhoffer is now completely recovered from his illness. Parishioners of St. Joseph's are especially invited to attend the mission starting March 10th at St. Joseph's Church. The Church is open to all, whether members of the Church or not.

1941 Barbecue Committee will be: Ed. Kirk, Jr., Chairman; John Butler, F. Foren, Everett Cain and N. Mexa, Treasurer.

Chicago Hts. Members View Early Founders as Real Inspiration

2-4 Mon. . . . . 1527 Otto Blvd.

Grand Knight Joe Dionne wishes to set forth some facts concerning the Order of the Knights of Columbus—facts which may be known to some, but which are most important to all of us. Charity, Catholic Action and Patriotism are the teachings of the Knights of Columbus, a benevolent organization now in existence for more than a half century. It is the greatest Catholic organization, now embodying over 2500 Councils, these listing over a half a million members.

Membership being its foundation, it was important to acquire men upon whom the burden of building and expanding could be well given. Many laudable deeds have been performed in the past, with much good resulting from them today. This, then, is the heritage handed down to us by the founders of our Order. Indeed we may take pride in being a Knight of Columbus.

In view of these facts, we members of Chicago Heights Council, should not be content to rest upon the laurels of other days. Rather we should heed their example and gather all of our energy and ambition to continue on to greater heights in the future. Since its inception, Chicago Heights Council has always been inspired by the glorious work of our founders, and we have accomplished admirable deeds. But we cannot stop with these. Because of the future, now more than ever, we must continue to build. Our Grand Knight fervently urges us to work on our membership drive. We need young Catholic men. And we will have them if our members will only help us to acquire them.

ST. PATRICK'S DANCE

This is the final notice to all "wearers of the green." We hope there will be a lot of them. Only twelve more days to give to our Annual St. Patrick's Dance. Sponsored by our Council, it will be given Saturday, March 15th, at our clubrooms, 1527 Otto Blvd. The chairman announces that up to date no effort or expense has been spared to make this an outstanding success. Music will be furnished by Joe Collins and his famous Melodians. For tickets, contact Lecturer Oscar Fox at once. They are going fast, and the cost is only $1.50 per couple. A cordial invitation is extended to all other councils.

NEWS ABOUT MEMBERS

Still convalescing, but full of courage is our good friend and brother, Robert Higgins, who had been confined to St. James Hosiptal for several weeks. He is now at home in Glenwood. We hope we see you soon, Bob.

The officers and members of our Council offer their deepest sympathy to Bro. George Currier in the loss of his brother, Fred, who passed away recently in the East. May his soul rest in peace.

We are happy to inform you that our chaplain, Fr. Celestine, is now back home after several weeks stay in the hospital. Bro. Robert Bergin has been discharged from the hospital, and is now resting at home. He is practicing up on his dancing so he will not be left in the shade at our coming dance. Good luck, Bob.

SETTERS DONOR GROUP AIDS STRICKEN YOUTH

2-4 Thurs. . . . 4711 W. Madison St.

Responding heroically to the call of Christian charity, and enthusiastically embracing the opportunity of being instrumental in the saving of a human life, Brother Frank E. Prior of 5507 W. Roscoe St., a member of Father Setters Council, was the donor of a substantial quantity of his blood to the sixteen-year-old son of Brother Thomas Gallagher, at Saint Anthony's Hospital on Tuesday morning, February 18.

The youth who, up until recently had been a student at Quigley Seminary, has been the victim of a strange malady which has caused the continuous depletion of his blood supply. Finally reaching the point where an immediate transfusion became a matter of urgent necessity, the call for donors went forth to Grand Knight Maurice J. Kissane. After a nearly all-night round-up of prospective donors, the Grand Knight and Committee Chairman Benson E. Harrington obtained eight volunteers who generously and courageously offered to donate their blood in the forthcoming transfusion.

In addition to Brother Prior, this band of heroes included: Edward M. Fitzgerald, Austin E. Ryan and J. Edmund Dwyer of Father Setters Council; Ed Aubin and Vincent Ryan of Carroll Council; Robert O'Day of Damen Council and William O'Connell of Saint Patrick Council.

Words are inadequate to express to these brother knights, the sentiments of admiration and gratitude with which their humanitarian action is universally regarded. All that can be said is that their splendid and self-sacrificing exemplification of the principle of charity is simply one of those magnificent actions which we are sure will not go unrewarded by Him who prescribed this virtue as the greatest of them all.

It is significant that this is the third occasion in recent years in which members of Father Setters Council participated in such great humanitarian work, both Grand Knight Maurice J. Kissane and Lecturer J. Edmund Dwyer having been blood donors in emergency transfusions on previous occasions.

DEGREES LAST MEETING

Father Setters Council sponsored a joint exemplification of the First and Second Degrees on Thursday, February 27, in which the seven affiliated councils in West Division No. 1 participated.

The newly initiated Settersites are: Brothers Thomas Webb Sexton, sponsored by James P. Kissane; John Monaghan, sponsored by Grand Knight Maurice J. Kissane; John Barry, sponsored by James Macken.

The degrees were impressively exemplified by the capable staff of LaFayette Council, which included: Grand Knight John P. Hopkins, Deputy Grand Knight Lou Nobert, Chancellor Stan Walsh, Warden Ben Paskiecz, Assistant Warden Bruno Gogelski, Financial Secretary J. A. Ronan. Past Grand Knight Henry Phoenix of Chicago Council also took a leading part in the ceremonies.

Music for the occasion was furnished by the following members of the Glee Club of LaFayette Council: President Basil Siminolski, Director George Mulvaney, Ray Tadelski, Pianist; Mike Lux and Curley Neff.

At the conclusion of the ceremonies, the assembled candidates were welcomed by District Deputy Phil C. Nilles, who, in appropriate and inspiring words, cordially invited all to actively participate in the work of their respective councils.

MISCELLANY

After spending a brief vacation in Chicago, Brother Edward S. Rye has returned to California. During his all too short visit in the old home town, Ed found time to attend our Fathers' and Sons' Night, where he was welcomed by his multitude of friends, and also to visit Past Grand Knight Al L. Fik, who is still confined to his home, convalescing from his recent illness.

The Lost and Found Department of Father Setters Council asks that if any member happened to find a white silk muffler at the recent Fourth Degree party, he turn it over to President John F. Hickey of the Fourth Degree Club for delivery to the owner.

UNIVERSITY PREPARES FINE DANCE PROGRAM

2-4 Tues. . . . . St. Ignatius Auditorium

Arrangements for the "party of the year," honoring Past Grand Knight Bart Quigley at the Lake Shore Club Saturday, March 15, are going on apace under the active direction of Chairman Jimmie Brown. Committee chairmen are: G. K. Murtaugh, advertising; Ed Jeffers, reception (assisted by all the other past grand knights); John B. McGuire, floor; Joseph J. Newhouse and Jack Donahoe, tickets; F. J. Rooney, publicity; F. S. Ed Dillon and Tom Dasse, directory, and Jim Dolan, arrangements.

First to apply for advertising space were Ray Hayes, of real estate and insurance fame; "Liberty Mutual" Jim Dolan, and the McGarry Letter Service.

Invitations are going out this week and Chairman Brown requests an early response so that arrangements can be made to handle the crowd in comfort.

FOURTH DEGREE

University Council congratulates the following members who were advanced to the fourth degree at the Archbishop Stritch exemplification on Feb. 23: Father Joseph A. Wagner of the Propagation of the Faith and Father Edwrad Doherty of St. Gertrude's, James J. Dolan, James C. Hollahan, Philip P. Ryan and Lecturer John J. Curtin.

Our meeting on Feb. 25 was given over to a successful exemplification of the primary degrees. University's own degree team consisting of GK Murtaugh, PGK's Quigley, Ed Jeffers and Ray Hayes and Bros. Jim McKenna, Martin Jeffers and Guy Stanwood made the evening a memorable one not only for the initiates but also for the members who were present.

The degrees were conferred upon Nicholas Patrick Kacich, Maurice Joseph O'Connell, James J. Malone, Robert L. Sullivan and Henry C. Brummell of our council, Charles O. Zach of Marquette and Stephen P. Weiland of Columbus. We were pleased to have with us GK John Hesse of Marquette and a number of the officers of Columbus. Bro. Brummell, who received his first degree in Natick, Mass., Council, transferred to University in time to take his second last week.

Welcomed also to the meeting was Marcellus J. Futter, transferred from Commodore Barry. Frank Weitacamp, who recently transferred from Morrisonville, Ill., Council, was also present. It was good to see some of the older members who haven't been very regular of late—John J. Morrissey, John LeClair, Matt. Harrer, Sr., and Frank J. Carney. Treasurer Francis Walsh was skipping around the hall in great glee, having at last abandoned the cast which has been his constant encumbrance for many weeks.

MINIATURE BASKETBALL

Bro. Robert B. Eiden is busily engaged in putting on an intercollegiate basketball tournament which will take place next Thursday, Friday, Saturday and Sunday, March 13 to 16, at the St. Ignatius gymnasium. Teams representing sixteen of our Catholic colleges and universities will compete for the mythical national championship and awards will be made to the successful teams and players on Sunday night by our brother and good friend, former chaplain, Father F. G. Dineen, S. J. The teams are chosen from the fifth, sixth, seventh and eighth grade boys of St. Ignatius school, the sixteen captains being members of the school's varsity squad. As Bro. Bob makes a personal selection of the teams with an eye to providing evenly matched players, the games are exciting and the show is well worth the price of admission.

BOWLING

Secretary Matt. Harrer's typewriter wasn't broken, but sickness in the family prevented him from getting in his excellent bowling notes lately. Everyone is well now, as the appended report shows.

St. Cyr's New Sir Knights

1-3 Mon. . . . . 1609 N. Halsted St.

Herewith we present the nine brothers who a week ago Sunday were initiated into the Fourth Degree at the Palmer House. Led by our chaplain, Reverend Thomas Locashio, we see in the picture above Sir Knights Joseph Arcuri, Al Apicella, Tom Apicella, Anthony Cancilla, Frank Lopes, Anthony Soluri, Frank Collura, James Wing and G.K. Maggiore. Truly a splendid occasion, as expressed by the new Sir Knights, the degree was an event which shall long be remembered. Sir Knight James Giambrone, president of Fourth Degree, was very elated over this huge class, and is looking forward to another successful year.

Each class of initiates, produces a number of men who are determined to go ahead in Knights of Columbus circles. This is none the less true of St. Cyr classes. Oftentimes, looking hither and yon, we spot a man who has just a little extra "go" in him. Such a man, brother knights, is our new member, Joseph La Mandella. Called upon for a few words at our last regular meeting, Joe spoke in the true manner of a champion, and one who will prove an asset to our council.

Corporal John Lema, dropped in for a visit at our last meeting. A corporal in the Army Air Corps, brother Lema has already earned two medals for special achievements.

This lecturer of ours, Tony Scarpinato, is certainly a whiz bang, when it comes to entertaining ideas. Last Monday night, Tony had as the bill of fare, a barrel of imported Louisiana oysters. On March 17, St. Patrick's day, we will honor such Irishmen as Tom Hickey and Tom Doyle by having corn beef and cabbage. Stand by for that big meeting.

BOWLING

At the last bowling session, Joe Zeno's famous, or rather infamous, Mohawk Cartagers, did something unprecedented. They won three games, and the victims were Anthony DeSimone's ninth place Continental Clothiers. Cheer Up and Maniscalco's still hold the lead, but for how long, nobody knows.

Joe Barsano was recently presented with a bowling ball by the Italo American National Union, for his diligent work in organizing a bowling tournament for the aforesaid organization. It brought him a lot of luck too, for at the last session the "Little Napoleon" rolled a 576 with a high game of 254. Sam Rannochio rolled a 550, and Patsy Gutilla a 547. Vincent Lucania rolled a 210 and Frank LaPuzza and Tom Doyle tied with a 205.

Saturday, May 10, the bowlers will hold their annual party. More about this later.

St. Cyr's five leading bowlers are Joe Geraci, Frank Costa, Dominick Donile, Anthony Ortolano and Sam Costa. Thus they have been automatically picked to bowl at the Illinois State Bowling tournament, the date as yet not known. Again more of this later.

CYRIOUSLY SPEAKING

Vincent LaRocco is now connected with the firm of Hayes-Johnston Floral Company. Weddings, wedding parties and funeral decorations are their specialties. For quick service artistic work at a reasonable price, call Haymarket 6882 or Monroe 6499. Their suburb telephone number is Euclid 54.

Frank Gebbia is now at home at 701 North Lawndale avenue . . . Drop in and pay the brother a visit . . . John Manisco's mother is ill . . . Here's to a speedy recovery.

We are sorry to report the death of the mother of Assistant Warden Mike Salvati . . . Mrs. Salvati has just been laid to rest . . . May her soul rest in peace.

Some members at our last meeting . . . Tony Magno, and Mike Lo Surdo, Brother Palminteri, and Roy Liberti, . . . Peter Terrara was right there on the job last Monday night, heartily enjoying those oysters, and so was Andrew Vallone.

Oak Park Advises All Party Reservations Be Sent In Immediately

2-4 Mon. . . . . 641 S. Scoville

Just one more week for you to get your reservations in for the greatest event in the history of the council, our 30th anniversary. If you have any ads for the program get them over to Joe Cagney at once so that he may release the program to the printer.

This Anniversary Party which will take place at the Carleton Hotel on the 15th of March, will be a great event, but we ask all members who possibly can to attend the Anniversary Mass that morning at eight o'clock at Ascension Church. There can be no better way to celebrate the good fortune that has been ours than to assist at Holy Mass. It is our hope that the Church will be crowded to capacity on that morning.

CONDOLENCES

During the last week the homes of two of our good members have been visited by death. The Donovan home was saddened by the death of Mrs. John Donovan, wife of the most reliable member of the council, and mother of Dennis, also a member of Oak Park Council. A large number of the members attended the wake at Pete Smith's undertaking parlors on Sunday. Mrs. Donovan was buried from Ascension Church on Monday. Interment at Mt. Carmel.

The home of Brother Steve Elkins was also saddened by the death of the mother when Mrs. Elkins was taken from her loved ones. A large number of the members attended the wake and some attended the funeral on Monday. Burial was at St. Joseph's cemetery following a Requiem Mass at St. Francis of Rome Church.

To the bereaved the members of the council express a heartfelt sorrow, and offer their prayers with those of the bereaved for the repose of souls of the deceased.

We learned of the serious illness of Oak Park's popular postmaster, Brother Joe Lynch, who has been in the hospital for some time. We understand that he is getting along nicely and is at home resting.

John Murtaugh, who a few short months ago was very ill, is back in full trim.

COUNCIL ITEMS

Doc Carey is back from his Mexican jaunt and he tells us that he was not the fellow riding the donkeys in the recent picture we had at the clubhouse. He thinks that perhaps one of the round table wanted to get him upset and so hinted at the possibility. Perhaps we can get Doc to tell us about Mexican chili.

The building association held its regular meeting at the clubhouse on Sunday March 2, but there were only routine matters handled, and so very little news from that source.

Within next few weeks Chairman Devlin appoint a committee to assist him securing applicants for the exemplifi- ion of the First and Second De- ; which will be held in our cham- June 19. The exemplification will dedicated to our chaplain, Father nessey.

o not leave all the work to Jack and committee. Go out among your nds and talk up the Knights of Co- bus and especially St. Rita. Point the fine qualities of our council; the life insurance which may be obtained such small premiums; our softball n that has been up among the lead- ers year after year; our meeting nights where all may take an active part in the workings of the council and relax with some really fine fellows:

Tell them of our 2034 Club that has always been a mainspring in the affairs of the council; the picnic which over 700 persons attended last summer; the Fourth Degree's cabin inn party; our bowling league; the annual Winter cabaret party; Bishop Sheil's barbecue and numerous other social affairs that go towards providing a full and entertaining year.

Take the above advice seriously—really—don't just read it and forget it. If you do this we are sure that when June 19 rolls around the class for the First and Second Degree will be so large we will be forced to hire a hall.

THINGUMBOBS

New members of the Fourth Degree and of course all old members are urged by President John McGowan to attend the next meeting of the 2034 Club, Thursday, Mar. 27 . . . Nick Martin has departed on a six weeks' cruise . . . Bros. Ed. Gronko and Joe Zavrel are now at their homes recuperating from their injuries and would appreciate a visit from any brothers who happen to be passing their abodes . . . Dr. Joseph Jun has been appointed chairman of our annual communion Sunday will be held May 4 at Nativity church.

Hughes Will Dedicate Communion Sunday to Late Beloved Leader

1-3 Tues. . . . 4711 W. Madison St.

Catholic Action Committee Chairman, James Ryan, reportes that Sunday, May 11, will be the first anniversary of the death of our beloved honorary Grand Knight, John Raleigh. It has been decided that on that day we will hold our semi-annual Communion Sunday and designate it "John Raleigh Memorial Sunday." At the same time prayers will be offered up for the repose of the souls of all our departed brothers. Be in attendance and in so doing fulfill your duty as a Catholic gentleman and a true Knight of Columbus. Full details later.

LENTEN PRACTICE

Now, during the holy season of Lent, is a good time to purchase from your parish church one of the small missals which enables you to properly follow the Mass and brings an understandingly service to you. Get a copy at once. You will not regret your action in doing so.

March 9 is Mission Sunday. You will be called upon to do your bit. May your response be generous, and may you show good Catholic Action.

Sick Committee reports that Bro. Bill Marek is still confined at Edward Hines hospital. If you are in that vicinity, please call on him or at least drop him a card. Bro. Fred Jennings is back on the job. Visit him at his office at 3309 N. Cicero avenue or phone Palisades 4850. He would like to hear from you. Bro. Dr. Ganey has been laid up with illness, but we understand that he is much better and will no doubt be with us again shortly.

Wedding bells will soon ring out for The Big Boy, Roy Murphy, who will take the lovely Miss Margaret O'Connell as his better-half. Jerry Shay, a good friend of Hughes Council will serve as best man, while John Shay and George Daly, Jr., will act as ushers. Congratulations!

Welcome to Miss Marion O'Malley of Walkerton, Ontario, Canada. She is the sister of our congenial brother, "Chick" O'Malley. Miss O'Malley plans an extended stay in Chicago.

Help! Help! Help! Many comment that but few make the "line." Brothers, that is the true fact but only because your scribe, although all ears, cannot cover all territory. He must have help. Send in your little notes of interest, be they of the present, past or future. Telephone Merrimac 6954 or drop a line to Bill Brown at 1425 N. Le Claire avenue before Monday evening of each week. Bill is non-partisan and craves your help. Do your bit.

Jimmy Kenison will leave Saturday morning to begin a year's training with Uncle Sam's Army. Lots of luck, Jimmy, and drop us a line on life in the Army. We'll be waiting to hear from you.

Paced by Steve Sefcik and Don Holloway, the Mack Brothers won the odd game from Bonthron Service. Mittler and Young were best for Bonthron.

The Heinen Morticians lost two games to the league leading Florists despite the good series by Heinen, Jr., and Tony Kloeckner. Al Feil and boss Ted himself were too lucky.

Jim Burke, F. Putz and Joe Putz spilled the maples all over Bishop street to sweep three games from the Dutchman Tavern. Sutterlin and Leitzen threw in good games for the losers.

Handzik and Subr led the Schaefer Barbers to three wins over the strong Puetz Market. Rodden and Labuhn took the honor for the losers.

NEXT MEETING

The long arm of "Selective Service" reached into our midst and called our very efficient and popular young lecturer to the colors. Joe Ossowski, who only recently has taken over the duties of lecturer, has shown much promise as his recent activities will substantiate. We are truly sorry to have Joe leave us and this council thanks him for his very honest effort to make good in the toughest job in the council. Good luck to you, Joe, and don't forget to leave your address so we can forward the Columbian to you every week.

On Monday, March 17th, the official American League motion pictures will be shown after our regular meeting. This should draw quite a good attendance and we suggest that you reserve this date. More about this next week.

OUR SYMPATHY

Not so many weeks back we informed you of the first blood transfusion accomplished through our own "blood donor group." The recipient of blood was the mother of Bro. Frank Drews. It is our unpleasant duty to inform you of the death of Mrs. Drews and to extend our deepest sympathy to the bereaved family. May God in his mercy have compassion on her soul.

HOME TALENT

Due to the necessary "deadline" it is impossible to give a full report of our magnificent local talent. A complete and accurate resume will be run in the next issue. The show was swell as anyone present will tell you.

CHICAGO HOPES FOR A LARGE RETREAT CLASS

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council No. 182 meets next Tuesday evening (March 11) at the De Paul University Building, 64 E. Lake St. This will be the regular monthly business meeting, at which all matters of importance will be taken care of. There will be the business of dipping into the "pot of gold" to draw out the name of one of the members present as another of the group who will have "paid-up sittings" at the golden jubilee banquet in 1946. Don't let the opportunity pass. You must be present to be eligible for the drawing.

OLD STUFF

Details of our meeting of Feb. 25 are a trifle past-history for those who were in attendance, but the absentees might like to know that the recently initiated fourth degree members were present in force and highly pleased with their experience. Lecturer Bill Pelicore, Dick Murphy, Ted Jablonski, were among the one-minute speakers who arose to sell the idea to all who are eligible for next year's class, and Chairman Frank Casey again offered the easy-payment plan which has been successful this last couple of years—that is, paying a dollar or two to our financial secretary from time to time during the year so that when it is time to sign the application, the initiation fee of $25 is all paid up and waiting.

MAYSLAKE RETREAT

Lecturer Bill Pelicore, as one of the co-chairmen under Chairman Joseph N. Schmitz for the Mayslake retreat, presented Father Leonard of the Franciscan Fathers, who appealed to the members to be with the class this year. A few questions that have been bothering a number who are planning to make this first retreat were answered for them convincingly. The matter of transportation was one thing. Well, members without cars can be taken care of very nicely by other members who do have cars. And that worry about a suitable donation—talk to Joe Schmitz (Mohawk 2897).

Let us plan this week to be counted in on the Chicago Council class which leaves town on the evening of Friday, March 21, and returns bright and early the following Monday morning.

NEWS FLASH

We learn from reliable sources that Bob Spadafore, the well-known bowler, was married the Saturday before our last meeting but details are lacking at this time. As soon as we have the facts we will tell you all about it. In the meantime let us send our best wishes to the happy couple.

BOWLING

Our major bowlers were back in stride again last week and won two out of three from Phil Sheridan. The one game was lost by just three pins. Gus Caponi, who "covers" all bowling news, modestly acknowledges a 244 game and a 648 series. Joe Aurvek chalked up a 624 and Leo Franz tallied 598. St. Paul of the Cross is on the list for this week and Carroll comes up on Friday the 14th.

At our Wednesday night classic, the absence of some of the regulars provided opportunity for the rookies, and some of the ladies stepped up to show their prowess, and our reporter says they were good indeed. One of the fair participants was Miss Madeline Foerster, daughter of our late PGK John P. Foerster.

The Vallee Boosters smacked down the leading Franz Guards for a complete series, Gus going to town again with big numbers summing up a 655 series.

Vallee Boosters	742	791	773	2306

In the other match the Cole Recorders smothered the Ryan Coals completely.

MEMORIAL

Our meeting of March 25 will be a memorial for deceased members. The ritual of our order provides a beautiful and fitting ceremonial for the occasion. Chicago Council will present it in full solemnity and with a fitting musical setting.

FR. O'CONNOR READIES FINE PARTY PROGRAM

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

The heat's on, boys. We don't believe in the ancient Chinese methods of torture, but we don't think we'd have to use whips and thumb-screws anyway to get you members of Father O'Connor Council to push the forthcoming Charity Ball. You know the underlying purpose of the dance—to increase the funds with which to proprogate the first aim of our Order—charity.

Besides this ideal there's the promise of an entertaining social affair, with dancing, music, professional talent, and all you desire in the line of food and drinks. The Lion's Hall, at 4306 W. North avenue, is large enough to accommodate all the members and friends of the council. Because St. Patrick's day is being generally celebrated throughout the city on that Saturday, Lenten obligations may be abrogated, so that no excuses are acceptable. We want every member of the council there. Remember that if each one brings five friends the Charity Ball is an assured financial and social success.

Probably the only legitimate excuse for missing the party is the one held by your scribe. The man with the whiskers has tapped him on the shoulder, and while you're dancing around the Lions Hall we'll be quaffing a short one in toast at an Army canteen somewhere. Seriously, every one of the few short months that we've been in the council has been very enjoyable. It's been a lot of fun conducting this column, and whatever's been said was all in the spirit of fun. No offenses intended, and we'll see you in a year. (We hope.)

BITS ABOUT 'EM

Johnny Coulon, Owen McDonnell, and Melvin Schneider were around greeting the boys last week. . . . It appears we started something when we first mentioned Walter Fulle's new Buick. . . . Additions to the list of Buick owners include August Smyth and Capt. Joe Lacey. . . . Who's the clever automobile salesman in the neighborhood? . . . Walter Matz tells us: "A lot of work for clowns these days." . . . He's busy every night. . . . Frank Graf, chairman of membership, is doing overtime work these days on the Holy Name Society.

What happened to the two Bernies, Fenger and Kamins? . . . These boys, along with Joseph Whitelaw and Telesphore Malo, were regulars at the meetings. . . . Frank Schweizer is taking off weight by watching the baseball teams train in Florida. . . . Nice work if you can get it. . . . For the members' information . . . Lloyd Bennett's address is 6159 Charlotte Ave., Kansas City, Mo. . . . What's this about Jack Kennedy's wife getting a notice to move? . . . John Metzen's and Dan Smith's daughters were recent photographic luminaries in the New World.

If a man on crutches approaches you with the dime-for-coffee gag, look twice . . . it may be Dick Navin. . . . The little round man broke his ankle recently. . . . Claims he got it while skiing. . . . Besides being a good golfer and bowler, Carl Knippel plays a saxophone with "The Three Notes." . . . Grand Knight Bill Cunningham served turkey for the boys at the Palmer House. . . . Ed Droske and Ed Zaleski certainly enjoyed it.

BOWLING

Widtman Meats are continuing their blistering pace on the Monte Cristo alleys. By sweeping three games from Ald. Ross Boosters they've increased their lead to four full games over the challenging Shamrocks. After dropping ten straight, the Shamrocks have come to life recently and are much in the picture.

Individual O'Connor news of the week is the word that Phil Doyle has crashed the Big Ten. After trying since the first of the season he honestly made it with a 517 series. Bill King hit 620 for top pin honors. In recognition of Bob Nierman's 267 game of two weeks

ago we're running the above picture of the smiling kegler. Here's an incentive, boys.

Team and individual standings:

Widtman Meats	39	27
Shamrocks	35	31
Furman Funerals	34	32
Cristo Printers	34	32
O. K. Exterminators	33	33
Nolan's Insurance	33	33
King Coals	32	34

Ouilmette Bowlers to Greet Friendly Foes at Alleys Next Sun.

2-4 Mon. . . . . 1217 Wilmette

Ouilmette's bowling league will again match 5 5-man teams against five teams from Newman Council on Sunday, March 9, at 6:30 p. m. at Bro. Phil Bleser's Bowling Academy, Ridge and Schiller Aves. in Wilmette.

The last time these councils met, Ouilmette trounced the neighboring council and expects to do much better with Ed Bauer and John Reding in the line-up this time.

Your attention is called to the ladies night at Henry Zeutschel's "River Inn" on Wagner Road, one block north of Lake Ave. This Ladies Night is being conducted on March 17 by Newman Council Bowling League in conjunction with Ouilmette Counil.

The meeting Monday night is of special interest to all bowlers. If you are interested in the welfare of your council and the league you should make a special effort to attend. If Bro. Ed Hanke from Orchard St., Chicago, plans to go to Indianapolis, he had better show up at the meeting.

Results of last week's games in the council league were:

Wilmette Theater 3, Meiers Tavern 0; Wilmette Battery, 2, Larry's Haberdashery 1; Braun Bros. Oil Co. 2, Bungalow Tavern 1; Wilmette Ice Co. 2, River Inn 1; Alten Morticians 2, Ace Motors 1.

Bowlers who hit the 200 mark: Ed Bleser 204, Jack Miller 219, "Punkin" Braun 211, Leopold J. Gallowitz 218, Mike Loutsch 215, Pete Tholman 200, Frank Biederer 203 and Paul Bleser 233-217.

Standings to date:

River Inn	29	43	.403

High scores to date:
1st High Series—Wil. Battery, 2652.
2nd High Series—Meier's Tavern, 2633.
Individual High Series—Paul Bleser, 655.
Team High Game—Altens, 951.
Individual High Game—Ed Bleser, 259.

You can go to any store in town to buy eggs at a cheap price and always get eggs of varying quality and size, but try some of Bro. Art Meier's eggs and you can be sure of a reasonable price and a standard size egg of always excellent quality.

We understand Bro. Paul Bleser and family went to see Bro. Ed Hanke and family one Sunday afternoon and after crossing Halsted St. seven times finally located Bro. Hanke's house and then fell asleep on the davenport the rest of the afternoon.

Bro. Joe Kneip, the "mason contractor" on Washington Ave., is still laid up with the gout. Visitors are welcome and some day we know that Joe will be able to explain to us how concrete looks and feels, the same as "high quality marble."

Newman Has Huge Turnout in Honor of Bishop Magner

1-3 Thurs. . . . St. Mary's Hall, Evanston

On Thursday evening His Excellency the Most Rev. Francis J. Magner was the guest of honor at a testimonial meeting in behalf of our beloved chaplain from the members of the council. Fathers Mockenhaupt, Witmanski, Hartke and other members of the clergy were present, as well as one of the largest turnouts of members in the council's history. Bro. George Schmidt, the president of St. Mary's Ushers' Club, whose members are practically all brother knights, also presented a gift in behalf of the Bishop's former ushers. Credit for this evening's success is due in no small way to PGK James Corcoran, Daniel McCann, Kenneth Lawson and Patrick Craig.

Bro. John Corcoran gave a congratulatory talk at the reception for the Bishop held last Sunday at the Country Club. Bros. Charles J. Connor, William Connor, Joseph Tyrrell and Tyrell James were heard singing in the choir on the occasion of His Excellency's first solemn pontifical high Mass. Among the brothers wearing "red carnations" thereat were Charles Byrnes, James McNair, Patrick Craig, Kenneth Lawson, Thomas Connor, George Schmidt, James Kelly, John Kelly, Morris Steiner, Joseph Schaefer, Joseph Giannini, Hank Miller, Francis O'Reilly, Bill Hojnacki, Ray Baldner, Anthony Schultz, George Klinge, Reid Ratcliffe, Frank McGowan, Daniel Harrigan, Alois Waterloo and Henry Mersch.

A special train leaves Chicago on March 19 for Marquette at 6:30 p. m. and will stop in Evanston for passengers. If any of the knights or Bishop Magner's friends are intending to go to the installation ceremonies they should notify St. Mary's rectory immediately.

Bishop Magner, in the name of the members of Newman Council, we again congratulate you on your elevation to the Episcopacy. We are grateful for what you have done for us in the past. That God may spare you for many happy years in your new field will be the constant prayer of the devoted members of Newman Council.

MAPLE SPLITTERS

On Sunday, March 9, Newman's bowling league will send a squad of five teams to Wilmette to bowl against Ouilmette Council at 6:30 p. m. at the Blesers bowling alleys, Ridge Ave. just south of Lake St. At our last tournament Ouilmette had a wonderful rooting section to accompany their bowlers and we would like a still larger squad of rooters for this occasion.

The tournaments were originally arranged to create a feeling of friendship between the councils. With that in mind the officers of both leagues thought that a bowlers' ladies' night would be a good thing to help the cause along, and have decided to hold a ladies' night on St. Patrick's night.

This affair is not being staged to make money but to get all the ladies acquainted and to have a fine time. A fine orchestra for dancing has been engaged; the place will be at River Inn, located on Wagner Road, just north of Lake St., in Wilmette. The bowling league would appreciate it very much if everyone would be present.

BOWLING RESULTS

Bell Insurers won three from Menke Westmore; Ridge Cleaners, two from Smith Excavators; Alten Mortuary, three from Frank & Harry; Zicco Clippers, two from Evanston Beverage; Fitzgerald Boosters, two from Art Weiland Florists; Davis Candies, two from Hebson Boosters, and Schaefer Undertakers, two from Corcoran Lawyers.

Fitzgerald Boosters had a high series of 2,854; Zicco Clippers were second with 2,734, and Davis Candies, third with 2,726. M. Steiner had high individual series with games of 195, 223 and 211 for a total of 629. Dr. E. Hynes was second with 600 and A. Zera, third with 592. Other 200-or-better bowlers were Dr. E. Good morning, Mr. and Mrs. Americus:

Well, here it is—the picture of the week, and the one you have been waiting for—"The Blood Donors," right up on page one, turn back and look them over! Our congratulations to Chairman Leo Joyce, P.G.K., who has done a most marvelous job in organizing the donors' group. Americus is proud to announce that we have a list of over 65 members who have been typed and registered. Brother DuMais, state chairman of the blood donors, handed out the honor emblems at our last meeting. We can still use more donors; if you wish to be typed see Leo Joyce.

IRISH NIGHT

Don't forget to jot down on your calendar, March 25th. Our Worthy Lecturer, P. G. K. Jim Mooney, has great plans for that date—IRISH NIGHT—and while on the subject of parties, especially Irish ones, I wish to remind you that the Norman J. Cornwall Post No. 275—American Legion, will hold a "ST. PATRICK'S DAY PARTY" at the club house on Saturday evening, March 15.

Our own handsome, genial, smiling trustee, plus Senior Vice Commander John O'Brien, is the chairman, and anything that Johnny has a hand in should be good; so anyone wishing to enjoy a real party should get in touch with him at Kedzie 1617 and place your reservation because a large crowd is anticipated. Music, dancing, entertainment, lunch and legion milk—all for a buck and a half.

HOLY NAME SOCIETY

Are you a member of the Holy Name Society? If not, why not join up in the parish where you reside. His Excellency, Archbishop Stritch, is desirous of adding 250,000 men to the Holy Name membership by April 13, Easter Sunday. If you live in Our Lady of Sorrows parish, see our worthy chaplain, Rev. Vincent Scheltinga, O.S.M., pastor.

While on the subject of the Holy Name Society, the officers and members of Americus Council send congratulations and best wishes to Ray Whelan, past president, who was recently appointed organization district chairman of district No. 12.

A few days ago the Angel of Death paused in his flight heavenward to reverently cull another flower from our midst. It was the soul of Eileen Coffey, beloved daughter of Brother Walter G. Coffey. The angel paused to please Our Blessed Mother during this holy season of Lelt and present to her that flower which bloomed for her alone. She is now garbed in her stainless white gown in company with the other little angels looking down on her dear father and mother, and praying for them. On Monday, March 3, at Our Lady of Sorrows Church, the Mass of the Angels was celebrated, and burial was at Mount Carmel. We mourn the loss of this little angel and sympathize with her bereaved father and mother.

I regret that I have no news regarding the bowling. I called Professor Scott sevearl times today, but could not reach him.

That's all for today and I'll be back next week with a flash—NED KELLY, G. K.

CALUMET WILL IMPORT CHARITY DANCE FAVORS

2-4 Monday.....6646 Stony Island Ave.

Shamrocks direct from Ireland will be presented to all those attending our Charity Dance on March 17. G. K. Birmingham and Lecturer Frank J. Walsh completed arrangements some time ago for the shamrocks to be sent to Calumet Council by a member of the Council now residing in Wexford. Due to the unsettled conditions of shipping, they will arrive in this country via the Atlantc Clipper.

All funds derived from the charity dance will be used to obtain scholarships for poor Catholic boys so that they may attend a south side Catholic high school next year, and to assist Advocate Walter McDermott in his plans to reopen Camp Calumet in Palos Park and operate this place as a summer camp for children who are afflicted with heart trouble. The members of his committee are: Bros. John Dillon, Thomas Gilroy, Dr. William Latchford, Thomas J. Rowan, Andrew O'Brien and Jack Stewart.

Tickets for the dance which sell for fifty cents, will be distributed at the various south side parishes on Sunday, March 9. That ticket and the admission charge will admit all guests to the beautiful Casino Moderne, 63rd St. and Ingleside Ave., which is the locale for the ball. Tweet Hogan and his Irish minstrels will furnish the music.

Chairman Michael I. Cleary announced the appointment of the following members of Calumet Council to the various parish committees, and they will assist the parish chairmen: Timothy Brophy, Wallace L. Fromhart, Bernard Faden, Jack Metzger, John Rozos, John E. Bermingham, Edward P. Coffey and Timothy Hennessy. A number of celebrities of stage, screen and the sports world will be in attendance. Among them will be the new football coach at Notre Dame, Charles Leahy.

NEXT MEETING TO BE SING NIGHT

Calumet members have always liked to get together for a good old songfest. Lecturer Frank J. Walsh and his committee have decided that this is about the proper time for such an event, so accordingly they have arranged to roll out the barrel and bring in a couple of squeeze box artists for your entertainment next Monday. With the proper refreshments on hand and the proper spirit prevailing we are sure that you will all enjoy this evening. So arrange to be present and bring along another member.

Another important feature of the meeting is the inauguration of the new "Question Box" for the lenten season. Bro. John J. Tierney, chairman of the committee on Catholic Activities, and our good Chaplain Father Terrence are prepared to answer all questions pertaining to items of our religion that may be not quite clear to some of you. Remember it is not necesary to sign your name to the question. Just write it down and mail it in or bring it to the meeting.

COUNCIL NOTES

Last Sunday night saw the regular meeting of the Sunday Evening Club, but it being the First Sunday of Lent, the crowd was somewhat small. However, there were enough on hand to make an interesting meeting. Among the many fine door prize winners were: Miss Beckel who won a carry-all case, Lecturer Frank J. Walsh won a novelty lamp and Mrs. Davis won a kitchen utility set. The next meeting will be on St. Patrick's night at the Casino Moderne, where we join the Council in their celebration.

D. G. K. Rafferty reports the death of Bro. Joseph A. Kenny, an old time member of Calumet. In later years inactive, due to illness, Bro. Kenny has always maintained an active interest in doings of his Council. We deeply regret his passing. The Council met at the wake to offer prayers for the repose of his Soul.

Patrick H. Roche, father of Bro. Frank Roche, one of our newly initiated members, father-in-law of Bro. Jos. P. O'Connor, chairman of the bowling league, and Bro. Frank J. Murphy, now in Washington, D. C., also died last week. A large delegation of officers and members visited the home of the deceased on last Monday night, where prayers were offered and the sympathy of the Council extended to the bereaved family. These departed will be remembered in the prayers of the Council at the next meeting, and Mass will be offered by our Chaplain Fr. Terrence for the happy repose of their souls.

Our blood donor group is still functioning under the direction of Chairman Cedric Hilbron. Last week an urgent call was made to our Council for donors, and Bros. Ty Hyland, Jim Shinners and Walter Popjoy, being of the type needed, responded. This call was answered at once, and Bro. Ty Hyland was selected as the donor. This was a service performed for the mother of two former members of Calumet.

BOWLING REPORT

Our bowlers are sure warming up for the National Tournament. Last week the Murphy & Sons Furniture turned on the heat and won three games from the league leaders, McNichols Standard Service team. The O'Hanley Morticians swept their series from the Cummings Morticians. They are now only one game out of first place. Ray's Boosters remained in a tie for third by winning three from Crocombe's Corkers. The Wilson & Rafferty Florals won their odd game from the James M. Whalen boosters.

It looks like a big time at Indianapolis. Better arrange to go down. See Joe O'Connor for details. The entire cost will not be over $8.00 per man, and non-bowlers will be welcome. Join the crowd. Train leaves 63rd St. at Woodlawn on Saturday morning, March 15, at 9:50 a. m. Return from Indianapolis Sunday, arriving home at 9:00 p. m.

Bros. James B. Little and James Casey are still confined at Hines Hospital. At the last report Mrs. Little advises that Jim is coming along fine, as is Jim Casey, and both are expected to be up and out in good time.

Columbus Will Design Special Programs for Holy Season of Lent

2-4 Tues. . . . . 6932 No. Clark St.

At our meeting next Tuesday evening, March 11th, our Lecturer, Doc Schuler, will outline his plans for the meetings between now and Easter. We expect a good crowd up next Tuesday evening as many other things of importance are to be discussed. During the Holy Season of Lent you should find it very easy to attend meetings as there should be no other attractions such as entertainments and dances to take up your time.

Eddie Kelly would like to hear from some of the members about those new applicants that they were going to get, and Frank Coffey would like to see some of the members show a little interest in the payment of their quarterly dues before the quarter ends March 31st. You can take care of both of these items by attending the meeting next Tuesday evening. Some of you who have not been to a meeting for quite a while should come up and visit your brother knights and take note of the extra enthusiasm shown by your council.

HEARD ABOUT TOWN

It seems that the Edgewater Beach affair was too much for Roche and Schuler—have not heard from them since—could it be that the old dogs just can't take it any more. The Pride of Belfast was too busy with his beauty contest to be present at the Edgewater affair, but I could inform him that Charley Owens would be a good one to have on his staff when it comes to judging women.

We are looking forward to having our Chaplain, Father John Hayes, at one of our Lenten meetings—he has been doing some good work around St. Jerome's recruiting members for our council. Would like to call the members' attention to the editorial in last week's Columbian, "Are You Just An Ordinary Catholic?" Read it, brother knights, and see if the shoe fits. Keep an eye on the editor's page always. Have not as yet received a report from the boys who went down to the Fourth degree last Sunday—will give it to you when I get it.

We congratulate Newman Council on their meeting, arranged in honor of their Chaplain, Bishop Magner. This progressive council to our north really does things up in a big way—remember those greeat ball games we used to play against them in the days of Miller, the Jans Boys, Bill Dugdale and Allen. However, we would always like our Geimer, McGraw, O'Connors and Hamiltons. Dan Conway has been missing from our meetings lately, would like to see him more often. Well as I will have to wait until the meeting next Tuesday evening to get some news, will have to ring off this time. Hope to see you then. Goodbye.

they will be crowned undisputed champions.

Led by that smiling, handsome, debonair Frank Garvey who went berserk with games of 187, 212 and 266 (663), the Black Rocks had to pick on those poor victory-starved "puppies"—the once famous Damato Taps. Net result, they dropped all three to their jinx team.

The Freda Meats managed to win the rubber game of the series from the Moriarity Indians, largely through the heroic work of Geo. Burns and C. Basile. Led by Schmidt and D. Miller the Weiland Florals, whitewashed the Barry Boosters three times. The last game was rolled off because of a tie and C. Galena's boys fell a few pins short when the count was announced. Ugh! The Deir Morticians won another series this time, the A. B. C.s being the victims in 2-3.

The Rex Paints kept "pace" with the Damato Taps by losing all three games to the Allegretti Grills. The latter rolled 951 in the third game. Bring on the aspirin's Chappell. The Emergency Radio quintet almost won three games. They dropped a one pin decision in the finale that had the boys talking to themselves. They actually won this one but the 17 pin handicap proved very profitable to the Cahill Printers. Tough luck, boys.

McHale's Special to Indianapolis Tourney Will Leave March 15

1-3 Tues. . . . . 150 W. 69th St.

Pete Holm, Tournament Trip Director, is handling all details of our "Sail with McHale Special" to Indianapolis, March 15th, and what a Master of Details he is! "Pete Holm, M.D."

During his many years in the Order, Pete has always had a warm spot for McHale, and since his transfer some years ago has been one of our most active and valuable members. He sponsored the application of his nephew, Dick Weyer, who took the First and Second Degrees last month. Dick is a versatile athlete and gives promise of becoming as good a member as his uncle, and of course, he is making the trip to Indianapolis with us.

Pete has conducted many specials to the annual bowling tournaments and we have enjoyed all of them. He announces this one will have a de luxe coach for the comfort of the ladies, dining car going and returning, and he is arranging room reservations and refreshments at our headquarters suite in the Hotel Severin, so that everyone may be assured of a good time from the start at Central Station, Roosevelt and Michigan, ten a. m., March 15th until we return at nine o'clock Sunday night.

Stops will be made at 63rd and Dorchester, and at Kensington, where Blue Island Council will join us. Calumet and Dowling, and most of the McHale members will get on at 63rd Street, 10:10 a. m.

Remember, whether you bowl or not, you are all invited to join the "Sail with McHale Special," and don't forget, it's only a week from now.

While we're at it, we forgot to mention before that among the teams from McHale to finish in the money in the State Bowling Tourney was that of Jack and Jim O'Connell.

NEW McHALE MEMBERS

Congratulations to the following newly initiated candidates, who were part of the class that took the first and second degree at La Rabida Clubhouse last Tuesday evening: John Anton and Paul Andrews proposed by Bro. Jim Duffy; Richard Weyer, proposed by Pete Holm his uncle; Leo Wemple, proposed by Bro. Jack O'Connell.

We urge that these members attend our meetings regularly, assist in the work of the Order in general and thereby really profit by their membership.

A class of ten candidates from McHale Council will also advance to the first and second degrees on March 27th at Auburn Park Council, 78th and Emerald Ave.; and then on Sunday, March 30th, about 20 of our candidates will take the third degree at Perez Clubhouse. Get your candidates into this representative McHale class.

BRO. STEVE OWENS

As this week's news is being written our very good friend and loyal member, Steve Owens, lays in a very critical condition in the Berwyn Hospital due to an automobile accident that happened Monday, February 24, as he was on his way home after bowling in the Windy City League. He suffered a fractured skull, broken collar bone and at the present time is still unconscious. We ask the prayers of all members for a very speedy recovery for Bro. Owens. Steve is on the executive committee of A.B.C. and is general passenger agent of the Burlington Railroad.

FEEHAN TURNS ENERGY TO MEMBERSHIP DRIVE

2-4 Tues. . . . . Hamlin & Madison

With Feehan's Big Party a matter of past history, the council turns its attention to the forthcoming membership drive. Co-chairman Bill Fitzsimmons and Ed Julius of the Membership Committee are expected to cook up some kind of action to be discussed at next regular meeting, Tuesday, March 11. Lecturer Joe Collins is also expected to come up with something unusual in the way of an added attraction. A notice will be mailed, of course, and will probably contain more detailed information.

BOWLING

As time slips by the standing in the council league tightens up. Just a few short weeks ago, the Illinois Laundry Club commanded what seemed a very long lead, but today's standings show them in front by the narrow margin of two games. Their record now reads 18 wins and 6 losses. Harmon Electrics, who managed to apply the brakes to Illinois Laundry's spurt last week, also succeeded in pulling themselves up to within two games of the lead, and now stand at 16-8.

Baer Bros. & Prodie continue to roll without any hindrance from their captain, who is in Florida, sweeping another series to rate 15-9. Malee's Fighting Irish also swept their series, getting high team game and series in the process, to tie the Lemon Kings with 14-10. J. J. Collins' Sons has 13-11 and N. Preib Cleaners, 11-13. Quinn's Inn have 10 wins and 14 defeats. Judge Hackett's Pioneers, Harold Crotty Boosters and Edw. F. Moore Boosters are bunched with 9-15, while the cellar is still occupied by Ed Kaindl Boosters with 8-16.

Ed Riley still commands the individual race with a 178 average. Frank McQuillan second 176, Jimmy and Joe Collins tied for third 174, and Pop Edler 170.

A few of the "highs" which have been standing too long, finally toppled as the boys collected some substantial wood. Jimmy Collins took over individual high series with 619. Bill Barrett dropped to second with 614 and Bud Schoemer moved to third with an even 600. Team high series went to Malee's Fighting Irish with 2648. Harmon Electrics have 2583 and Judge Hacketts 2555.

Team high game is still held by Judge Hackett's Pioneers with 958. Baer Bros. & Prodie second 911, and Quinn's Inn third 908. Honor rollers of the week: Jimmy Collins 234-202, John Schoemer 201-297, John Nolan 212, and J. Durkin 210.

APPEASEMENT

The Columbian is a nice little sheet, and is intended to convey to the Knights of the various councils the news and information relative to the activities of said councils. It is not intended, according to the authorities whom we have been able to contact, to serve as a medium for the transfer of personal information. Nevertheless, when we were requested a short time back, by a certain Bro. Fogarty, to mention, for the express benefit of his doubles partner, Bro. Paul Becker (poor fellow) that this year's National K. of C. Bowling Tournament was to be held at Indianapolis, we did just that. Obliging, charming and gracious, that's us. Anything to satisfy the customers. Even go so far as to make a personal note of it.

Did that satisfy the customers? Not these customers. Comes now a beef from the strong end of the Axis, operating somewhere in Iowa or Ohio or wherever, to the effect that he must also have the date. At least, so his stooge (Fogarty) reports. So, we'll give just one more inch. The date for Feehan is April 5. Any additional information will have to be wrung from the weak end of the Axis, or more safely, from someone who knows the score. From here on in—we fight.

APPLE POLISHING DEPARTMENT

Among the gracious sponsors to whom the Feehan Council League owes a debt of gratitude is the good old Harmon Electric Co. This worthy institution is presided over by Arthur Harmon, P.G.K. Feehan Council, and is ready and willing to take on any electrical contract from an ordinary building to a power plant.

Art Harmon is one of Feehan's old standbys and always comes to the fore when the distress signal is hoisted. We only mention this lest Bro. Harmon may think his kindness is being taken for granted. We want him to know that it is appreciated.

ITEMS

The sun-burned Morrisseys and Reynolds have returned to our midst—and back to the daily grind.

Congratulations to Bro. J. J. Malahy who birthdays this week.

Pinta's Next Meeting on Thursday, March 6th, to Be a Lively Session

1-3 Thurs. . . . . St. Mary's Church

Pinta Council expects a good attendance at the March 6 meeting, which will be headed by DGK Anthony Stepenski. It will be a very interesting meet. I know you are all interested in learning who won the radio recently given away. The winner was E. R. McMahon of Peotone, Ill., a fellow worker of Bro. Joseph Berchinski. The last meeting of Feb. 20 was a fast, short and snappy one and it was made possible by our grand knight, who likes to get over everything he starts.

Due to the lack of members to be initiated in the first and second degrees, it was called off, but the degree team, which came from Blue Island Council consisted of DD Ed Martens, Grand Knight Dan Boyd, etc., still enjoyed the evening. Refreshments which were pleasing to all were supplied by our lecturer. The $5 attendance award called for Bro. J. Leib, Jr., who wasn't there, so it automatically reverts back to the council fund.

This week certainly is a busy one for some of the boys in the council. Monday night the officers held a meeting to discuss the by-laws regulated by the Supreme Council. Tuesday night about ten members attended a farewell party for Bros. Emo Valkarvair and Ray Michalak, who were drafted for army service and will leave Wednesday morning. Also leaving Wednesday, for two weeks in the South, are Grand Knight Stanley Prymas and his wife. Bro. Gallegos returned home from the hospital. What do you say, we hurry over and cheer him up?

Hildebrand Hails Two Donor Volunteers for Their Unselfish Aid

1-3 Thurs. . . . . 5711 W. Chicago Ave.

Our hats are off to Bros. Clarence Reuter and John Kerins for their generous contributions in the cause of the blood donor activity. . . . Such a fine demonstration on their part will not soon be forgotten, and we are proud to hail them as our brother knights. . . . Manifesting a spirit to make us sit up and notice was the act of Bro. Jim Martin, who flew in from St. Paul to be on hand for his bowling match last Tuesday evening. . . . And the bowlers are going to town with their weekly spirited contests, which promise to be the closest race in the history of the council league. . . . The O'Hare Undertakers nabbed the full quota for the evening from the Modern Cafes, and the J. P. Ryans, roused to action, nailed the Dean Steels for the extra game. . . . John Smyth grabbed the honors for the evening with a neat 602. . . . The grand knight is in secret practice on a new back-up he is developing, so watch for the surprise. . . . Have you noticed the added enthusiasm among the membership? . . . Such morale is due entirely to the splendid leadership of our hard-working grand knight . . . and his one request now is that we meet the quota of new members assigned us by the state deputy. . . . Never having known a failure in the council record, we stoutly maintain that we shall more than subscribe to the figure, with plenty to spare. . . . Some inquiries on the new forms of insurance have been received. . . . We invite others to do likewise, as such insurance is the best offered anywhere. . . . Meetings on the first and third Thursdays, and you are missing a real treat if you fail to attend. . . .

St. Paul Tells Why K. of C. Members Enjoy Belonging

1-3 Tues. . . . . 6713 Olmsted

The other day, while seated at a round table of council members, a remark was made by one of the group, whose business has taken him away from the city, that he had wondered why he had continued to send in his dues. He didn't state his reason—he didn't have to; his beaming countenance told us that, in so doing, he experienced a deep feeling of satisfaction, within, because he was helping to support, both morally and financially, the largest organization of lay men dedicated in the cause to live and exemplify the teachings of Christ and Holy Mother Church.

Then too, there was that other angle where one feels fully compensated when he has the experience of a hearty welcome on returning, from the boys who stayed behind to keep the home fires burning and make it possible for him to renew old acquaintances and make new friendships. Yes sir! Those back slaps and hand shakes sure tip the scales in favor of continued membership and are the source of many pleasant memories.

MISSION TALK

Plans are being laid to have Rev. Fr. Bruno Hagspiel, Procurator of Foreign Missions of the Society of the Divine Word, give a talk on his experience in foreign mission work. His talk will be visualized with movies taken at the missions in many parts of the world. We know that this will be interesting and entertaining and hope for an exceptionally large turnout on the night of March 18.

BOWLING

The council keglers are still at it and we have some dope from Secretary Bill Brunkhorst on "how are they doing."

Neuman-Ziegler's went into a first place tie with Verunac Motors by beating Fetter's three games. Ziegler was high for his team with 515, Porazinski 510. Sass led Fetter's with 526.

McVeigh's took two from George's, Hoffman leading the victors with a new high series for the year of 614. Pufund led with 569 (including a 243 game). Simon was high for George's with 544.

Lambert's took two from Verunac's. Wolff was high for Lambert's with 506, Westemeier 484. Rodney led Verunac's with 498.

Stinson's took the odd game from Luczak's. Kremer was tops for Stinson's with 523, Guenther 515. Phil Luczak led his brothers with 538. High games: Pufund, 243; Hoffman, 235; Porazinski, 214; Phil Luczak, 213; Steve Luczak, 212; Stan Luczak, 210; and Kremer, 206.

NEWS

We hear that: Mrs. Helen Brandl, daughter of P.G.K. Dick Stretch gave birth to a fine 9 lb. 2 oz. baby boy, March 2. Mother and baby are doing fine. This baby is Dick's first grandson and there's no holding him now. . . . "Emmy Lou" O'Donahue, wife of the council's great lecturer, presented him with a 7 lb. 2 oz. baby boy on March 1st.—It's just like Jerry to keep it a secret. . . . Stanley Czapalski has had one of those "tonsillectomies" recently—we saw him at the alleys last Thursday so we know he is out and about, but he didn't bowl which means that he is still recuperating. . . . St. Paul Suerth's north division leaders won 45 out of 46 games until they were stopped by Ouilmette last week. . . . Gleason rolled 699 for St. Paul McVeigh's in the west side division.

Damen Plans Unusual Program in Tribute to Founders' Anniversary

March 20 . . . . . 6 N. Hamlin Ave.

When a man of the caliber of P.G.K. Thomas Hoy presents a program for Damen Council, no member can afford to miss it. Only weighty reasons should keep Damenites close to the hearth on Thursday, March 20. Only ordinary Damenites would refuse to come to the Founders' Meeting Program on Thursday, March 20.

Under the capable hand of Brother Hoy, an unusual session is planned to memorialize the men whose ideas gave birth to our Order, to honor the charter members who instituted a council in Holy Family Parish and gave to it the illustrious name of Damen, of Father Arnold Damen, S.J. priest and business man, missioner and pastor, educator and builder, pioneer and man of vision, to pay tribute to the past officers, and to remind members of their value and worth as the bone and sinew of the great right hand of the Church.

We appeal to all members of the council to be present. We appeal to the Damen members of the Fourth Degree who were charged by Archbishop Stritch in his stirring address at the testimonial exemplification. We appeal to the ordinary members to take this opportunity to drop their lethargy and to become extraordinary members. We appeal to the members who have been bearing the burden and striving to make Damen a strong factor in the lives of Knights and their families. Let's pack the council chamber like it has not been packed in fifteen years on Thursday, March 20.

MERRY MEN

From our pal and buddy, the genial red head, Martin McGinnis, comes the news of Damen Council Bowling League, "Where Good Fellowship Is Essential and Good Bowling Is Incidental."

A roll call of the 500 Club found the following present: P. Brown, 582; T. Cullen, 539; J. Lee, 520; J. Speyer, 513; E. O'Toole, 507; J. Bowler, 504. The 200 Club has Brown, 205; W. Sloan, 204; Cullen, 201; J. Doherty, 200. Next week, if dreams come true, we hope to report a 600 Club.

Next week's feature attraction—Brownson vs. Cassidys—a battle royal.

Brown Plumbers increased their lead by trimming Kelly Couplers all three games and are now two games in front.

Cassidy Tires won two from Stack Typewriters in a tune-up for next week's major battle with the league leaders whom they hope to conquer and to vanquish from first place.

Inspired by those kindly sentiments and words of encouragement, McEnery Indians tomahawked McMahon Undertakers three times to relinquish their post of gate-tender, a position they held almost all season. Nice going boys, here's hoping you add more scalps. How about it, Matt and William George?

Gormans won three from Reliable Credit. This is the first time the Gormans have won all three since they swept the series with the last season's champs on opening night. Perhaps the G-men have their second wind and may still come out on top. What's a six or seven game lead among friends?

Ridge Quotes Article in Praise of the Church by Non-Catholic Man

1-3 Tues. . . . . 8219 S. Halsted St.

Brothers, I read a very interesting article in the Knights of Columbus News, and I think it should be passed on to the rest of the members. It was written by Thomas Lomax Hunter, non-Catholic columnist of the Richmond Times Dispatch.

"If I had to pick out any institution certain to survive the present world madness," he says, "I should unhesitatingly put my hand on the Roman Catholic Church. This assertion occurs in his column as it appears to the Cavalier, and is part of a commentary on an article by David Gordon in the Catholic Virginian, organ of the Diocese of Richmond:

"Against 'uncompromising dogmatic supernaturalism,' the arrows of materialistic rationalism are as impotent as if they were fired against the Milky Way," Mr. Hunter writes, "'In this, I see the strongest proof and promise of endurance in the Catholic Church. Behind those bulwarks it is invincible. It has outlived many schisms and will outlive many more. The schisms change and perish but the Catholic Church remains.

"Wars and revolutions cannot share it. Man's most frantic atheisms, standing atiptoe cannot touch it. It is coeval with Christianity, and its history is the history of the Christian Church. To its sons and daughters its dogmas are 'eternally and indefectibly true.' While those dogmas are 'indefectibly true' the Church will remain impregnable.

"It lived through the overthrow of the Roman Empire; the rise of Mohammedanism, and turned its back from the conquest of Europe at Tours and Lepanto. It endured the terrors of the Tartar invasions. When I hear politicians talking about the overthrow of Christian civilization, I look at the Roman Catholic Church and am comforted. You can persecute it, but you can't kill it. Stalin and Stalinism are but a passing incident. The Church bell will ring for the Kremlin again.

"It has seen the likes of Hitler and Hitlerism a hundred times. It is one institution which is not afraid of Hitler. It defied Nero, Commodus, Caracalla, Caligula and other bloody-minded despots. If I had to pick out any institution certain to survive the present world madness, I should unhesitatingly put my hand on the Roman Catholic Church. Armored in its 'uncompromising supernaturalism' there it stands, eternal and indefectible."

Brothers, if a non-Catholic gentleman can believe this of the Catholic Church, it behooves us to study the principles and history of our church and stand up and fight for it.

Any of the boys bowling in the National Tournament, who have failed to see Mike Feyerer in regards to that long green, had better do so at once, or else "ride the bumpers."

HEN.-SHIELDS PARTY PLANS NOW COMPLETE

Mar. 12, 26 . . . . 446 N. Parkside Ave.

Lecturer Frank Cash and Grand Knight Charles Costello ask that members who are planning on attending the St. Patrick's Dinner-Dance and Party at the Oak Park Arms Hotel on Saturday, March 15, advise them or the committee as far in advance as possible as to the number of persons they will have in their party. Waiting until the last minute places too great an uncertainty on the facilities of the hotel and results in unnecessary confusion.

Plans for this outstanding annual party are complete. Festivities will begin at 8:15 p. m. and from then on the enjoyment of good food, good music by Jimmy Green's Orchestra, dancing, entertainment and good fellowship is all yours.

For reservations, call on any of the following: Jim Oakey, chairman; Mike Hussey, William Orth, Mike Gibbons, Ray Foley, Tom Butler, Peter Murphy, Jack Shealey, Ed Mulholland, Ed Riley, Gene Daudelin, or phone Lecturer Cash at Central 3575, or Mansfield 10483, G. K. Costello, Jr., Columbus 6300, or Euclid 8571 evenings, if you live in Oak Park. Tickets, $3.00 per person per plate.

BOWLING

Ed Riley's Insurance Writers found the Frank M. Hayes Barbeques in a low pressure area and took two games from the Sandwich Kings. Costello & Son Boosters, although outnumbered in total pins, won two games from M. C. Fogarty Men's Wear. Gallagher Plumbers, with the help of a liberal handicap won two from the John J. Hayes Stores for Men and the Harwood Florals came through with two winning games from the Ray Foley Grill. High scores were Ford with 221, 208; F. Gould, 205 and 209; Murphy, 200; King, 200; R. Gould, 234; Shealey, 201 and Granger, 243; his handicap making it 272. In their last game, the John J. Hayes Hatters shot 930, rolling into second high team game for the season.

Major-Domo Tim Fleming in command of the H. S. Expeditionary Force to Indianapolis for the National K. C. Bowling Tournament announces he has three teams entered from the council, together with 6 doubles and 12 singles. This crack division (you make the cracks) will entrain for their objective on April 5th. Any member who wishes to join the party for the ride and sight-seeing privileges will be welcome.

THE SOUNDING BOARD

Special Agent Frank L. Murray was present at the last meeting to explain the workings of the new insurance plans of the Order and those present should have no difficulty in explaining these benefits to prospective members.

Father Kelly, executive secretary of the Holy Name Society and also superintendent of the Working Boys Home, is working toward the goal of enrolling 200,000 members for the Holy Name Society. We believe every knight should also be a member of the Holy Name, as membership in this society is a very highly commendable form of active Catholic Action.

Jim Gibbons reports the arrival of eight pounds and eleven ounces at St. Anne's Hospital, Feb. 15th, whose individuality will be christened and henceforth known as Robert. Mother and new baby are home and happiness reigns in the Gibbons' domicile. Congratulations and best wishes to all concerned.

Bro. William J. Sheridan is no doubt brimming with pride these days, as his daughter, Mary Florence Sheridan, a student at Barat College, Lake Forest, has made two broadcast appearances as soloist on "An Hour with the Queen of Heaven" program at 8 o'clock, Friday evenings over station WCFL during the services dedicated to Our Sorrowful Mother. We understand she is scheduled for further appearances on the program so tune in Friday evenings for Miss Sheridan's solo. It won't hurt you to hear the rest of the program, either.

Brownson Will Confer Degrees Next Friday for North Division Two

2-4 Fri. . . . . 4754 N. Western Ave.

At our next meeting, Friday, March 14, the first and second degrees will be conferred upon a large class of future knights. Brownson will be host on that evening to the councils in the north side second division, and as a large number of brother knights from other councils are expected to be present our own members are urged to be in attendance in large numbers. The degrees, held under the supervision of our own DD, John R. O'Reilly, will start promptly at 9 o'clock, so you will still be able to go to church and make the meeting too.

LAST MEETING

As we have said before, all our meetings are entertaining as well as educational, and our last meeting was no exception. The motion picture, "From Trees to Tribunes," was far more educational than going through the Tribune plant itself, and their new picture, "The All-American Way," was excellent. Some of the members brought their sons with them and they surely enjoyed the pictures. At our meeting on March 28 pictures of the meat packing industry will be shown. Don't miss it.

RESERVE MILITIA

Our grand knight is now known as Captain T. V. Casey. Tom was sworn in last Friday evening at the 131st Armory when the new Illinois Reserve Militia was sworn in to replace the former National Guard. The new militia is looking for recruits from 18 to 50 years. Any members interested should see GK Casey for further particulars.

FR. O'CONNOR'S PARTY

At our last meeting GK Cunningham and PGK O'Brien of Father O'Connor Council were present to extend a special invitation to Brownson's members to attend their annual charity ball, which this year will be held on Saturday evening, March 15, at the Lions Ballroom, 4300 W. North Ave. Tickets are 50 cents. Father O'Connor's members have always been more than generous in attending our affairs and it is no more than right that we should reciprocate. Lecturer O'Neill has a large number of tickets that will be given away at our next meeting.

BOWLING

The Best Furniture Store team really was the "best" last week, rolling 2,725 for second high series and taking two games from the Cullom Club. Frank ("Ned Day") Papke rolled 594 with a 256 game. John Gaffke helped with 521, John Adams 504, Wm. Steinbach 164-165-166 for 495, and Dr. F. Tabaka had 437. Stanley Karas was high for the Cullom Club with 547.

Gartner's Tailors, with Ben Bancaro's 607, won two from the Sunnyside Inn and increased their league lead to four games. The McPhee Undertakers won the odd game from the Ald. John J. Grealis team, even though John himself was back in the lineup. The Doose Studio boys made it six in a row by taking all three games from Northbrook C. C. Loks like the country club team has their minds on golf instead of bowling. Standings:

	Won	Lost
Gartner Tailors	36	24
Ald. J. J. Grealis	32	28
Cullom Club	32	28
Doose Studio	31	29
Sunnyside Inn	31	29

CATHOLIC CENTER LOCATES MANY PRISONERS OF WAR

Geneva.—The Catholic center for the aid of prisoners of war, re-established in Fribourg, Switzerland, immediately after the outbreak of fighting, has succeeded in locating more than 2,000 missing prisoners of war thus far. It also supplies 23 internment camps in Switzerland with all the necessary implements so that the 93 priests can celebrate Mass, and it sends out parcels of food and clothing to prisoners of war in various countries, particularly in Germany and France.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and regaineth with Thee in the Unity of the Holy Ghost. Amen.

SCHOLARSHIPS TO AID GOOD NEIGHBOR POLICY

Washington.—Eighteen Catholic universities and colleges in this country have made scholarships available as their contribution toward a program for better inter-American solidarity that is being sponsored by the Catholic Bureau of Inter-American Collaboration of Pax Romana, it has been revealed. Many of the scholarships could not be awarded for the current scholastic year because they were tuition scholarships only, and the bureau did not have time to build up resources to supply the candidates with board and lodging. Fourteen Latin-American students are now benefiting from the program, however, and it is said indications point to a larger number next year. In addition, a number of other Catholic institutions of learning are offering scholarships to Latin-American students, but administer them independently of the Catholic Bureau of Inter-American Collaboration.

Madonna Polishes Shillalahs for St. Patrick's Dance

Mar. 13 . . . . . 4522 Wallace St.

Shure, with th' same ould shillelagh from th' ould sod, we'll be swingin' to Madonna's St. Patrick's Dance at th' Hyde Park Hotel, which is at 51st and Lake Park Ave. First yez come to th' dance, and then yez mail in your income thax to th' Collector av Infernal Revenue, for th' affair is afther bein' on Saturday, March 15th.

Marty Morrison, av th' Emerald Ave. Morrisons, do be tellin' us that th' cost is wan sivinty foive fer two paple an' do yez be sure t'come fer th' ginger ale oice an' sit ups are only fifty cents—an' all the free beer y'can drink for a dime a glass. Harry Wicks an' his Floridans will reel out th' yigs while we reel outta this dialect.

NEXT SUNDAY

Nite, March 9th, our monthly Sunday nite party will again hold forth at the clubhouse, 4624 Emerald Ave. These clubby affairs have been gaining popularity steadily ever since the Sunday nite parties had the moth balls shaken out of 'em. And now that the bowling league holds the mixed doubles the same day we don't know where we'll put everyone. Never fear though Deadeye Dick allus gets his man an' there's still room in the coal bin.

DR. FRANK FIORE

Was our lone candidate for the Fourth Degree this year, which fact should call to mind that savings plan we were going to start last year. What became of it? We're getting like the old maid who started a hope chest, we're still waiting. However, congratulations, Frank, you've attained the highest degree of knighthood and should be proud of your achievement.

Madonna's eminent clergyman, Bishop James Griffin, of Springfield, attended the Degree and later visited with his brother knights as is his custom.

A visit was also paid (?) by Editor Harold F. (Small Town Boy in the Big City) Du Chateau. Funny isn't it how he found his way up to Madonna's room and couldn't find our clubhouse? The poor lad was distraught when G. K. George Noonan "mooed" and handed him a bottle of milk. (Well, he did hint that George and us looked like cows.) Too bad we weren't there.

(Funny? Heck, it was easy finding Madonna's room since no blamed "Fifth Columnist" was around to "steer" me to the port when it was to the bourbo-, the side-boar-, starboard that was right. If you think it was funny finding my way in there, you should have been around on my way "out." And furthermore, if what Noonan handed me was milk, I've been mis-spelling Mickey Finn for an awful long time! ED.).

THE BOYLES

Bounced backed into first place by putting the damper on the Miller Bankers, and taking all three games. The Coals, who for the last month, have been the hottest team in the league thought the Boyles were armed with fire hose and as the last spark was extinguished found themselves once more in the cellar.

The Duffys led by Dr. Fiore took two games from the Hermes to aid the Boyles in getting to the top. Jim McGrenera with 203 and Dr. Devitt with 201 in the last game prevented the Duffys from taking all three. Minus Capt. Ed Lee for the first time, the Doodys angled two games from the O'Connells as Jim Parrish had 210, 551, high series for the night.

Marty Hoare finally passed Raleigh Kean in their private fued and "Never Say Die" Morrisey had his high game and series for the year. Page Ripley, Flanigan's 213 was high game for the night; others who bettered 200 were Parrish 210, Barry 205, McGrenera and Devitt.

SOMEONE

Evidently doesn't want us to get one of those Siberian Razmataz-skin card cases, for only two more members joined the Amalgamated Year in Advance Kickers-In, Local No. 1135.

Yep, Father James Farrell and Bro. Bill Donahue were the two staunch hearts to come through sleet and snow, cold and Englewood to lay the clink on the line to make a total of 88. Now, who are the other eleven? We wanna be No. 100 just to see how it feels.

MADONNA'S MUMBLING

Mort Luby, publisher of a bowling journal, took his First and Second Degrees last week. Congrats are in order along with his first assignment—teach some of the boys how to bowl.

Ed Lee is shaking Chicago's dust from his feet and moved to Evergreen Park where he's just built a new home. (We allus wanted to go out West, too.) P. G. K. Bill Slavin has hied himself to Detroit for a while. Any dough he comes back driving a new chariot.

Frank Daluga is Madonna's first draftee that we've heard of. The whole thing is a plot to grab all the good ball players in the country.

ARE YOU

The guy who did not call to tell us that P. G. K. Jim Doody has been selected by Gov. Green to assume the office of Warden of Stateville and Joliet penitentiaries? Jim, who did a marvelous job as Superintendent of Industries, will be Acting Warden until further notice. Since he is famous for his interest in and work with young people, it was our private guess that Jim would head the proposed Youth Corrective Authority, but now we guess that Dwight knows best.

NO WORDS

Can express our feelings when we heard of the sudden death of Marty and Catherine Gentleman's infant daughter, Donna Jean, and we hesitate to intrude on their grief to offer stiff, formal condolence. We just can't say them. There's another star in the heavens tonight.

Garcia Moreno Asks Member Co-operation for Strong Council

2-4 Tues. . . . 155th St. & Lexington Ave.

A Knight of Columbus Council, like a bridge or other material structure, can sustain a certain amount of strain without being destroyed. Over-straining it reduces its effectiveness, and strain beyond a certain point will destroy it.

The members of our council should acquire some sort of a notion as to how much strain our council can sustain without damage. Many of us fail to meet our council obligations when due. Yet our council must meet its obligations on time. At our last meeting Fin. Sec. Louis Beaupre asked the members to relieve some of the strain on the council's treasurer by paying their dues each month, instead of paying by the quarter. In this way each and every member can in a very short time have his obligations paid up. Now this means more work for Louis Beaupre, but he is very glad to cooperate with the members toward that end. We ask the members to give this idea some thought. Once we start paying our obligations monthly, we will find it a very pleasant habit, and if we may add, a profitable one. Let's be fair with ourselves and our council, and give this plan a fair chance. What say, Knights?

BOWLING DOPE

Eagle Coal Co. won two games from Wonder Bar and hold the league lead by one game. Gorski 522, Rossman 522 and Serbelt, Jr., 506 were the three pin collectors for the coal bin boys. Al. Binette out of the hospital, and yet still not feeling so good, did have much pity on the pins, his 549 was the star bowling for the losers. Walter Goletz Boosters also won two games, second place Shea's Korner took it on the chin. The bowler who put the Shea's team in their place was Joseph Reardon. His games of 175-191-257 and a grand total of 623 gave him high single game of the season and his 623 gave him third place in high three games. Ed Shea's 566 was tops for his team.

Home Liquor, cellar champs, won three games from Bill O'Hara Boosters, and leave the cellar position. John Kerkhoven 565, Rich Walenga 562 and Delanty 540 were the stars for the Liquor team, while Bruce 527 and Chas. Wisell 513 topped the O'Hara gang. Frank Ring Boosters gave the Anton Sterker's Tailors a coat of whitewash by winning all three games and sending the Sterker Tailors to the cellar position in the league. Matt Walenga 557, Mikenas 499 and Lunn 480 were the main pin collectors for the Ring Gang. John Obernesser 510 and Iron Rib Grady 456 were the Tailors' top bowlers. So better luck next time, let's break some more of the records.

THIS AND THAT

Michael Ryan was reported still at Mercy Hospital, Chicago. Reports on our recent dance by Lecturer Clyde White and Al. St. Aubin. The latter asks for holders of dance tickets to make their returns at once, so a final report can be made. P.G.K. James Munro spoke on the forming of a Fourth degree club and a Past Grand Knights' club. A meeting will be held at Brother Munro's home to organize these clubs. Members who are interested and who plan to take the Fourth degree kindly contact Bro. Munro. The council gave Lecturer Clyde White and dance committee a vote of thanks for their successful dancing party.

To Mrs. Thomas Condon our sincere sympathy in the recent loss of her beloved brother. May his soul rest in peace. Harrison Duck and wife home after spending a week in New Orelans attending the Mardi Gras. Thanks for the card, Harrison. D.G.K. John Mech celebrated another birthday last Sunday. Congratulations.

The C.Y.O. Barbecue tickets will soon be in circulation. Marty McGee is the chairman. More about the barbecue in coming issues. The membership campaign seems to have folded up in our council, or at least very little effort is being made by council officers to put our council over the top. Time is getting short. Let's wake up and get going. A little effort will do the job. Cheerio.

Dearborn Fourths Will Hold Annual Party March 15th

As most of the readers know, this is an Annual Party and one which is always anticipated long in advance of its announcement. Thus, we highly recommend that you contact Chairman, Oscar Heilmann, Abe. 9468 or Secretary John Walsh, Cal. 7340 to purchase your tickets at once.

TEN PINS

We are taking the opportunity in a week of scant news and information to catch up on the reports of progress of the Bowling league. At the session before last, the Indians regained first place by taking three games and nosing the Brady's out of first place by one game. The R-K's continued their grip on third place by winning two. The Bevs. Feilens and Premier followed in that order.

At the last session the Maney's held there slim one game lead, though losing two games, because the Morticians also dropped two. As you can readily note the race is getting tighter and hotter and this is where the so-called lowly teams come into play and may easily change the whole complexion of the standings. The R-K's won two again and increased their lead on third place as well as gaining on the leaders. Bro. Jim Reilly was off form. Wonder if the Fourth Degree could have affected Jim. Standings now are:

	W.	L.	Avg.
Maney Indians	43	23	792
Brady Morticians	42	24	770
Ruff-Kerwins	36	30	764
Manhattan Bevs.	29	37	744

State Councils to Observe Communion Sunday, May 4

Expect Near Perfect Attendance Record for Annual Demonstration of Catholic Action

In an announcement addressed to all the Grand Knights in the Illinois jurisdiction, State Deputy Judge John F. Bolton, this week made known that His Excellency, Bishop James A. Griffin, State Chaplain of the Knights of Columbus, has selected Sunday, May 4, as the official Communion Sunday for all councils of this area.

With the State Deputy's announcement went Bishop Griffin's personal letter of counsel to the Illinois Knights in which he pointed out the real need for a strong body of militant Catholics to stand firmly against today's threats on the "freedom we [now] enjoy under God."

Asks for Militant Catholics

"We must stand fast for the things that pertain to Christ," Bishop Griffin's message stated, "we must be militant Catholics, possessing a lively faith and exemplifying with constant courage that Faith in our daily lives—and—which is most important—sharing that Faith with our fellow citizens whose lives are blighted with pagan ideology.

"We must be mindful that the Catholic Church in this world is the Church Militant. Every member, like Saint Paul, must fight the good fight with Christ to preserve the divine principles of the Christian way of living. It is sadly true that here in America there are seventy million citizens who know nothing whatsoever of Christ and His teachings. What can the Knights of Columbus do for this group of citizens? One thing they can do—they can help to convert them by their exemplary lives of militant faith and ardent charity.

Combat Atheists

"In our land today," the Bishop continues, "there exists a branch of the Militant Atheist League. Its members are truly militant atheists. Let me call upon all Knights of Columbus to be militant Catholics and wherever the militant atheists sow hate, godlessness, despair, darkness, and nihilism, the Knights of Columbus as militant Catholics, will sow abundantly and courageously love and faith, charity and the light of the Gospel of Christ, the Redeemer of mankind.

"This year I am designating Sunday, May 4, the first Sunday of May, as the Annual Communion Sunday for all the Councils of the Knights of Columbus in the State of Illinois. You will kindly notify every member of every Council in the State to receive Holy Communion on that date and to pledge themselves at the communion railing to be militant Catholics and at the same time I urge every Knight of Columbus to pray for that Peace which only God can give the world and for which our Holy Father, Pope Pius, XII, has earnestly worked and prayed.

"To you and all the members of the Knights of Columbus," Bishop Griffin's letter concludes, "I extend my blessing for the coming year and I earnestly pray that you shall always remain loyal soldiers of Christ and militant members of Holy Mother Church."

Demonstrates Catholic Action

The observation of a corporate Communion Sunday by the individual units of the Order in Illinois has long been looked upon as one of the most outstanding pieces of Catholic Action undertaken in any jurisdiction. An increased attendance is annually reported for the separate council functions so that this year a near perfect turnout is expected throughout the state.

ALUMNAE ASSOCIATION OF ST. LOUIS ACADEMY HOLD 'DAY OF PRAYER'

The Alumnae Association of St. Louis Academy, 11715 South State Street, is holding a "Day of Recollection" on Sunday, March 16, for its members. Miss Helen Housler, chairman, and a special committee on arrangements have completed plans for the day.

Father Walter E. Croarkin, who is connected with St. Joseph's Home for the Friendless, will be in charge of the Mass and lectures, which will feature the program.

The day begins with Mass in the chapel at the Academy at 8:30. All members and friends are invited to participate in this annual event.

Dr. J. Emmett Monahan, Charter Member, Barry Council, Dies Suddenly

Dr. J. Emmett Monahan, a practicing dentist on Chicago's west side for the last forty years and a member of Commodore Barry Council for the last thirty-five years, died at his home suddenly last Saturday, March 8.

Doctor Monahan was closely identified with all Knights of Columbus activities in this city, and was one of the original founders of Commodore Barry Council when it was organized in April, 1906. He was also one of the principal figures in the establishment of both Commodore Barry clubhouses and its summer resort at Twin Lakes, Wis.

Although Dr. Monahan had repeatedly refused leading council offices, he devoted much of his time to committee work and to other organization detail. He served as Columbian scribe for Barry for many years, where he was a charter member of the St. Columbkille's Old Timers Club.

Funeral services were held Tuesday, March 11, from St. Matthews Church, with burial at Mt. Carmel.

Six Past Grand Knights of Commodore Barry Council: John J. Boland, Joseph A. Farmar, Maurice J. Flynn, Andrew T. Greeley, Daniel P. Hernon and William H. Radke, Sr., were the active pallbearers.

Local Units Keep Busy in Effort to Gain Member Goals

Two Major Exemplifications and Nine Primary Degree Classes Scheduled for March

Membership efforts of all Chicago councils continue at an accelerated pace as the time for obtaining their full quota moves on toward the last quarter. Local units have evidenced a stronger determination this year than in any season past to fulfill their respective quotas in time to meet the deadline on next June 30.

Two major degrees are scheduled for this month: the first on Sunday, March 23, at St. Philip's Gym, 3141 West Jackson boulevard, for all councils of the three west sections and the second on Sunday, March 30, for councils of South Sections two and three. The latter exemplification will be conducted at Fr. Perez clubhouse, 6710 South May street.

Degrees to Start Promptly

Both the major degree ceremonials are scheduled to start promptly at 2:30 p. m. According to Cook County Membership Chairman Guy Maccina, all candidates and their sponsors should be on hand in advance of this time in order to allow for proper preparations.

"If a real interest in the degree work of our Order is to be maintained among the membership," Maccina said, "we must see that nothing interferes with getting the ceremonials started on time.

"If candidates and attending members are inconvenienced because of delays, their interest in attendance at future classes may be decreased. The candidates themselves, having been subject to the distractions of a long wait, before the ceremonials, may often miss the points of the extraordinary lessons conveyed in our degree rituals."

Nine Other March Classes

In addition to the major degree exemplifications, no less than nine First and Second degree classes are scheduled for the balance of this month. These will include councils in every section of the city so that by month's end every Chicago council will have

MAYSLAKE ATTENDANCE REACHES 30,000 MARK WITH MONDAY'S CLASS

Including the group of fifty-two men who attended the closed retreat at the St. Francis Laymen's Retreat House last week-end, a grand total of 30,000 individuals have now visited the spiritual center since its opening a few years ago. The Franciscan retreat movement was begun here in 1925 with the approbation of the late Archbishop, His Eminence, George Cardinal Mundelein.

There were fifty-two retreatants in the class ending Monday morning, March 10. These young men belong to the Orioles Athletic Club, an organization formed by Catholic young men from various parishes on the northwest side of Chicago.

State Chairman Stresses Need for Donor Volunteers

Complete Organization of Every Chicago Council Is Aim of Group Leader

Death came swiftly to little Ellaine Szymanski, five and one-half year old daughter of Bro. and Mrs. Richard Szymanski, of Archbishop Weber Council here last week-end in spite of all that the entire organization of Chicago's Knights of Columbus Blood Donor groups could do.

Ellaine's blood stream had been infected with the rare bacilli of leukemia, an infection that disturbs the delicate corpuscular balance of the blood system and that, too often, results only in death. Because of the scarcity of type two donors who had recovered from the disease, no effective aid was available although several members of the various units here offered their help.

Is Rare Type

According to State Donor Chairman, Robert Du Mais, there are but a few hundred such special donor types in the entire country. Pointing to the importance of having all these specially typed donors listed at a central bureau, Du Mais said that, "there are so few donors in various blood groups who have recovered from such infections as leukemia or streptococcic that these should be listed separately and called upon only when their aid can help persons then infected with the particular disease."

Several councils here have still failed to forward a complete list of their donor club's membership to his office, the State Chairman said. In addition to establishing a central master file, that will provide a ready check upon the number and type of donors in any part of the city, the extra cooperation from each council is also necessary in order that Du Mais can properly credit each council for its full organization in his report to be submitted at the annual meeting of the State Council next May 5 and 6.

Ask All Councils to Organize

All councils in the jurisdiction are also expected to organize their memberships for the promotion of the donor work, Du Mais pointed out. Services of the groups are provided free of charge to all members of the Order and their relatives, as well as in cases of emergency or where a patient may be too poor to provide for the services of a professional donor.

Many councils report that their donor units have been greatly reduced in membership as members leave for military training. This makes it imperative that those men who have not yet been typed do so at once in order that a complete file may be maintained for each blood classification.

Council Certificates Available

In addition to the individual donor emblems now being distributed to each member who has been typed with his council unit, special recognition certificates are being awarded to Councils sponsoring Blood Donor

Groups according to the recent action of the Supreme Board of Directors.

The certificates are presented in appreciation of the services of the Council members in this outstanding charitable and fraternal activity, as well as an acknowledgement of the Council's cooperation in the project.

Each eligible Council may have one of these attractive, colorful documents to frame and to hang in the Council chamber as a record of its part in the work and as a stimulation to other members to engage in the program.

The only requirement for receiving a certificate is providing the Supreme Office with a limited amount of necessary information concerning the Council's progress in the program. Order-report cards have been provided all Grand Knights for this purpose, and additional copies may be had by writing to the Service Department, Knights of Columbus, New Haven, Conn.

had the opportunity to participate in at least one exemplification.

Acting Grand Knight Bernard J. Cunningham, of Commodore Barry Council, will have his first opportunity to act as host for his council in a degree class on next Tuesday evening when candidates from West Division two meet at the council clubhouse, 2856 West Washington boulevard, to receive the honors of the First and Second degrees.

Bro. Cunningham advanced to the leadership of his council last week following the departure of Grand Knight James Curran who left with the Illinois National Guard for active service at Camp Forrest, Tenn. Barry's membership committee has worked diligently to provide an extra large group of candidates as a vote of confidence to their new and popular leader.

Padraic Column Will Be Guest Speaker at Carroll Forum Sunday

Under the sponsorship of the Charles Carroll Forum of Chicago, Padraic Column, Irish poet, critic, and essayist, will present his views of how "An Irishman Looks at Life," Sunday, Mar. 16, at 3:30 o'clock, at the Palmer House. Mr. Column is president of the American Poetry Society.

Born in Ireland, in 1881, Padraic Column absorbed the history of his native country; his plays were among the first to be produced by the Irish theatre. His knowledge of folk-lore and his mastery of the art of storytelling induced the Hawaiian Legislature to invite him to collect and retell the native traditions, which he has done in two volumes. This work is published by Yale University Press.

Among the works of this well known author are: "A Half-Day's Ride," "The Road Round Ireland," "Cross Roads in Ireland," "The Legend of St. Columba," and "Wild Earth and Other Poems." A contributor to many literary periodicals, Padraic Column has resided in the United States since 1914.

Father James A. Magner, Procurator of the Catholic University of America, Washington, D. C., will preside at this meeting. There will be an open forum after the lecture.

PHILADELPHIA DEAF ARE TAUGHT TO SING HYMNS

Philadelphia.- Methods of teaching the deaf to "sing" hymns and to pray in the sign language were described to the members of the Catholic Women's Union by the Rev. Stephen J. Landherr, C.SS.R. Father Landherr told how 250 persons who cannot hear have been participating in bi-weekly religious services at St. Boniface's church.

"The deaf are the forgotten men," Father Landherr said. "Few have bothered about their religious training."

Father Landherr stressed the urgent need for zealous workers to study the sign language in order to help instruct deaf-mutes.

Cath. Action Is Theme of Guests at Ketteler Meet

2-4 Mon. . . . . 3437 Ogden Ave.

In spite of the extreme inclemency of the weather, last Monday's meeting was very well attended. The attendance was very gratifying because of the presence of two distinguished guests.

From far off Japan, where he labored in the mission fields, came the Rev. Samuel Rosenbaiger, O.M.C. As a protege of Father Derwinski, our Worthy Chaplain, he was introduced to the members of the council and as one of the speakers of the evening. Father Rosenbaiger told of the habits and traits of the Japanese people. As he spoke, the assembled brothers sat so enthalled that the falling of a pin would have sounded like the booming of cannon.

Another visitor of note was the Rev. Richard Felix, O.S.B., director of DEFENDERS OF THE FAITH. This organization has become the front line combat division of Catholic Action. To acquaint Catholics with the purpose of the association, Father Felix spoke at great length and with great feeling on the urgent need of prompt Catholic Action. His message too held the undivided attention of all the audience.

MEMBERSHIP

At the next council meeting, the second section of the Father Derwinski class will be initiated into the First degree. The smooth and co-operative functioning of the membership committee is beginning to show results. The following list of candidates and their sponsors is evidence of hard work.

Candidates Ray R. Miller, Alphonsus L. Ryan, Bruno G. Phillip, Lawrence N. Cleary, Stanley C. Brick, Chester E. Olcon, Michael T. Passeleno and Walter M. Sobczak, all sponsored by Jos. Milas.

Others are: Jos. F. Wisniewski, sponsored by Max Wojciechowski, Eugene R. Apida by Eddie Oakes, Edward J. Nitch by Thaddeus Lozanski, Rev. Joseph Macharas by Samuel P. White.

S. M. Isbaner and Edward J. Creedan by Jerry Creedan, Frank E. Grazwich by John Szostek, Alexander Nowicki by Frank J. Karolczak, and Ralph E. McLelland by Arthur F. Collins.

ANNOUNCEMENTS

The Ladies' Auxiliary has everything in readiness for their gigantic Penny Social which will be held on Monday evening, March 24, at the Lawndale Hall, 3437 Ogden Avenue. Admission to this event is free to all so by all means plan to attend. Beautiful prizes, refreshments, fun galore and everything else that goes to make a good time is promised.

An officers' meeting originally called for this Friday night has at the direction of the Grand Knight been postponed until Wednesday, March 19, at 8:30 p. m. All officers are asked to take particular note of this change.

The LGA Club and the Membership Committee will hold a joint meeting next Monday at 8:30 p. m. in hall No. 5 of the Lawndale Bldg. Everybody is invited and more than welcome. Refreshments will be served.

The LGA Club Committee in charge of the last Cabaret Party earnestly requests all brothers who have not as yet remitted for the tickets that they used to do so at once. They wish very much to compensate the bowlers for their part in the staging of this affair. Bro. John Daniels will take any returns which you have to make.

Bro. John Majcher, our Worthy Organist, was very painfully hurt in an automobile accident. He is now confined to the Evangelical Hospital at 5421 Morgan St., Room 117. Any brother wishing to pay John a visit may do so between 2 and 4 in the afternoon and between 7 and 8 in the evening.

CONDOLENCES

It is with sadness that we report the death of Mrs. Frank M. Neckar, beloved wife of one of our Fourth degree members. She died of a heart ailment on March 8.

Also called to his eternal reward by an untimely death, William McCarthy, Jr., son of Bro. William McCarthy, was buried from St. Finbar's Church on March 11th.

These brothers have been visited by death. To them the council wishes to pay their profound respects and deepest sympathy during this dark hour of sadness and bereavement.

MAYSLAKE RETREAT

By Chairman F. P. Boehler

As Chairman of the Retreat Movement of our council, I urgently appeal and invite each and every member to join with us on our Retreat next Friday, March 21, so that Bishop Ketteler Council can be classed as ardent and stalwart supporters of real Catholic action, of which the Laymens Retreat Movement is so potent a factor.

At our Council meetings during the past year, I have endeavored to enumerate the many advantages and spiritual benefits derived during the 60 Golden Hours of the week-end Retreats. Are we fair with ourselves and on the level with God, if we fail to properly appreciate the many blessings and kindnesses shown us and our families? This is our opportunity to thank Him by openly manifesting a sincere appreciation for these many blessings.

This Retreat is for all of us. Will YOU be there, or are you one of those who think a Retreat is for the other fellow? Can YOU conscientiously afford to pass up this God-given opportunity? Can YOU treat this important matter lightly, by saying I haven't the time, I've got to work, I'll go the next time? The next time —may be too late, as so many have found out the past few years.

YOUR opportunity to make this Retreat is Friday, March 21, the first day of Spring, a most appropriate time for a little house cleaning. We will leave from Lawndale Hall, 3437 Ogden Avenue, at 6:00 p. m. Bring your auto to help those who have none. Supper will be served at Mayslake at 7:00 p. m.

So that proper arrangements for adequate food can be made, will you be good enough to mail a postcard as soon as possible to Frank P. Boehler, 311 N. Brainard Avenue, La Grange, Ill., or 'phone La Grange 4164 (and reverse the charge) for last minute reservations. If it is impossible to join the Friday night group, you are welcome to come direct to the Retreat House on Saturday.

Santa Maria's Class in Honor of Chaplain Is Growing Steadily

2-4 Thurs. . . . . 9120 Commercial

Spring is coming and so is Santa Maria's one big effort to increase its membership roll. What are you doing to help? As you no doubt are already aware, on Thursday, March 27, the Council will exemplify the First and Second Degrees of our Order to the now being organized Father Terlecke class of candidates.

So far a number of applications have been turned in, but the number is not nearly as impressive as it should be. There is still time, however, and the membership committee headed by P.G.K. James Brown, G.K. Albert Schott, D.G.K. Joseph Komar and Chancellor Michael McParland are asking "All Out" aid in winding up the drive. P.G.K. James Brown has been training a new degree team for the occasion and has several features to add to the impressiveness of the ceremony.

Our quota of new members to be taken into the council up until June is 34. This isn't a very large number, yet it is a number that may as well be a million if we don't get cooperation. Let's get behind this drive and make every effort to get at least one application per member. Think hard—there must be at least one eligible candidate among your lits of friends and relatives. If you can't get a new member see those former Brothers, who for one reason or another, have dropped their membership. They count in the quota.

All members are urged to be present on the night of the 27th. We would like to have the biggest turnout possible, both to honor our new members and to pay homage to the priest whose name the class bears, our chaplain, the Rev. Father Terlecke. The entertainment committee has planned a big time for all. Neighboring councils have been asked to attend and several K. of C. officers will be on hand. Do your share. Remember it's your council.

The officers have been looking for a new home and would like suggestions from the membership. Someone suggested the 10th Ward Democratic Club, which we think is a good place as it is spacious and well kept. Dr. Bill Neville, one of the best managers the K. of C. basketball league ever had, is still active in the field. Currently he is guiding the St. Patrick's church team and the daily papers have been writing glowing accounts of his team's activities.

Stop in and see Bro. Jim Conners at 7530 Essex Ave. Bro. Conners is well enough to receive visitors and feels he will get better so much quicker if he has some one to cheer him on.

So far Santa Maria hasn't had a draftee. Wonder who will be the first to be called? Don't forget your dues. Bro. John Crowe, our financial secretary, would like to get his books in shape for the half yearly audit.

HEN.-SHIELDS DONS BIB AND TUCKER TOMORROW

Mar. 26-Apr. 9 . . . 446 No. Parkside Ave.

Hold your whist now a moment and listen. Come Saturday evening this week end and the banquet room of the Oak Park Arms Hotel will be filled to overflowing with gay lads and lassies gathered to celebrate and do honor to St. Patrick, immortal patron Saint of Ireland.

Some people go to California, some to Florida and others just stay home and play pinochle for their variety and spice, but for a perfect, flawless evening of pure wholesome good fun, coupled with good food, music by Jimmy Green's orchestra, entertainment, and the effervescent good fellowship that characterizes Hennepin-Shields parties, we unhesitatingly give you our St. Patrick's Dinner Dance and Party at the Oak Park Arms Hotel, Saturday evening, March 15th.

Assembly and roll call time is set for 8:15 p. m. First course of the dinner and opening chorus will take place shortly afterward.

Success of the party rests with you. If you have not made your reservation, call Frank Cash at Central 3575 or Mansfield 10483, or G.K. Charles Costello, Jr., at Columbus 6300, or Euclid 8571, or if more convenient get in touch with Chairman Jim Oakey, Mike Hussey, William Orth, Mike Gibbons, Tom Butler, Peter Murphy, Jack Shealey, Ed Mulholland, Ed Riley, or Gene Daudelin. The cost of the tickets for the dinner is $3.00 per person. Act quickly. It's your last chance.

BOWLING

In the battles of last Tuesday evening, the games were fairly close, no team being able to make a clean sweep of their series. Ed Riley's Insurance Writers nosed out the M. C. Fogarty's Men's Wear team in two games, with Tim Fleming hitting 212 and Marty Moylan 207 for the Riley's, while Bob Comyn with 200 and Harold King with 202 tried to catch up for the Fogarty's.

John J. Hayes' Hatters won two from the Harwood Florals, Frank Daley's 198 leading the Florals and Bill Hussfield with 203 headed the Hatters.

Gallagher Plumbers won their first two from the Ray Foley Grill, but apparently ran out of something in the final. McNamara's 205 was high for both teams. Costello and Son Boosters were in good form in the first and third taking these from the Frank M. Hayes Barbeques. Pete Murphy with 211 and Tom Butler with 215, 189 and 219 for total of 623, added to the margin of difference while Fontaine's 212 was the best the Barbeques could muster.

Not much time left until the bowlers entrain for Indianapolis and the National K. C. Bowling Tournament. Major Tim Fleming in charge of the battalions that will assault tournament records has his squads worked up to performing double distilled dynamic heroic efforts. Any one who wishes to go along for the ride and pinochle games get in touch with Major Fleming. Round trip railroad fare $4.65.

THE SOUNDING BOARD

Those mournful wails you have been hearing lately were not coming from an Irish wake. They are from people paying their income tax.

We notice in last week's Columbian a good sized list of applications for membership in the Order. It usually takes an upheaval of some sort to revive interest in things so maybe our war scare will accomplish some good.

Annual Communion Sunday for the Knights of Columbus in Illinois is set for May 4th. Full details as to time and place will appear later, but in the meantime, don't wait until then to receive Communion.

Following Communion Sunday, our annual retreat at Mayslake is scheduled for the week-end of May 16th. The benefits received from a retreat can not be computed in dollars and cents, yet the peace, solace and contentment accruing to the mind and soul are priceless.

We again ask that members leaving for a year's military service notify the Financial Secretary. We want to keep track of our new selected service men and add them to the honor roll of the council.

Ron and Katie McGillivray went to see Gene Autry's horse opera last Sunday. Any day now, we will not be surprised if he comes riding around the mountain singing "Hi yi yippee I ay" or some such.

BARRY MOURNS DEATH OF DR. J. E. MONAHAN

1-3 Tues. . . 2856 Washington Blvd.

It is with profound regret that we record the sudden death of one of Barry's most illustrious sons, Dr. J. Emmett Monahan.

Dewey as he was known to his close associates, typified all that can be truly great in man. He represented the ultimate in loyalty and service to Barry. This is evidenced by the facts, that for many, many years, he was considered the executive assistant to all officers and all committees, and that he merited that distinction with dignity is exemplified further by the love, respect and admiration in which he was held by the entire membership when several years ago they named him as Barry's first honorary member.

He held many offices and headed many committees in the council, but one of his great assets was his insistance on self effacement; it was his preference to do those things that he felt meant service without feeling it would be construed as obligatory.

He represented Good of the Order to the nth degree; he visited the sick and handled the majority of the funeral details of the council and always had a consoling word for all bereaved. He saw to it always that the charter was draped on the occasions so required and tended to the many other little things that so easily escaped us. He was the historian, the weather prophet, the source book and the fountain of knowledge for Barry.

He was a charter member of Barry with a record of thirty-five years' service of the highest type. To his family we offer our deep condolences in their bereavement; our grief is likewise great for truly can it be said, our loss too is irreparable. May his soul rest in peace.

COMMUNION SUNDAY

Passion Sunday, March 30, is our Annual Communion Sunday, so let's all turn out full strength and make this an eventful occasion. This is traditional with Barry.

Bro. Barney Cunningham, who served so faithfully as Deputy Grand Knight, is now Acting Grand Knight in the place of Jim Curran who left for army service last week, and if the brothers want to see a real knockdown and drag out come up and see Barney perform. Brother Jim O'Neil is now acting chairman of the Good of the Order. Let's get back of Jim and give him our fullest cooperation also.

Acting G.K. Cunningham will make it a practice to be here at the clubhouse every Friday evening between eight and nine o'clock. Those of you who can't come to meetings should come down and see Barney and let him know you will plug for him. During the daytime you can always reach Barney at S. B. Chapin & Co., 209 South La Salle St., telephone State 0001.

We are putting on the First and Second Degrees of our Order on Tuesday evening, March 18, at the Clubhouse. You'll enjoy seeing this.

Past Grand Knight George Bamber reports that 36 of our brothers have volunteered as Barry Council Blood Donors. This is a very worthy service which we offer to each other and it is comforting to know that a brother Knight of Barry is already typed and standing right beside us with his own blood in an emergency.

CONDOLENCES

It is with regret that we announce the death of the father of Bro. Walter Somers; Barry Council expresses its sincere sympathy to Brother Somers and his family.

Brother Luke T. Mullin's wife is seriously ill. Also, the sister of our Worthy Lecturer, Brother Don Keating, is under the doctor's care. Our prayers are for the loved ones of Brother Mullins and Brother Keating. May they have a speedy recovery.

BARRY BOWLING LEAGUE

Last week's bowling was the first in the new contest for another pair of shoes donated by Mr. S. M. Peters, manager of W. L. Douglas shoe store at 4002 West Madison St. As you know the new contest will be on a different arrangement; 200 is scratch and the bowler will get three-fourths of the difference between his average and 200 for each game and this added to his score will give him the score for the evening.

Mid-West Auto Service won two from American Air Lines and are leading the league by one game. John Foley had high game with a 212. Recorder Kaindls made a clean sweep of their series with Little Jack's Restaurant and moved up on the leaders. Frank Lahey had one of those nights and shot a 558 series with 207 for high game. F. Izzo and Lou Rosenmayer were tied with 195 score for high for Little Jacks.

Ahern Morticians won two from Senator Keanes with Charles Intrieri getting high score with 192. Charley DeVito had high for Keanes with a 212. Kedzie Coals made a clean sweep of series with Cunninghams Insurance and all games being won by 30 pins. The three game win by the Kedzie Coals moved them up out of the cellar and they jumped two places in the standing.

Tom Murphy's United Air Lines won two games from Sheehan Chili's and moved into second place. Ollie Klineman had high score for United with 256 and is now tied with Tom Ferrarini, Frank Kucera, and Charley Svoma for second high individual game.

Faucher Brothers won two from Smith Morticians with John Tamburrini getting a 594 series with scores of 191, 212 and 191. Leo Capuanni had high for Smiths with 211. A match game between step and half Jimmy Conley and Pete Rizzo is in the making and all games are to be bowled left handed. Rocco Tarsitano is taking all bets on Rizzo and Ed. Faucher is taking care of the bets on Conley. The game will be bowled some night when Jimmy Conley does not have to stay home and take care of his young daughter.

TWA Airlines won three games from De Mares Coals. Big Vince Johnston, the captain of the sky riders, kind of showed his teammates up by getting high score of 182; Joe Crowley had high for DeMares with 170.

Last week's prize winners were Kucera 246, Naples 196, Lahey 205, Nowatarski 233, Grisim 198, DeMares 226, and Kuczak 180. Last but not least how about that reservation on the Barry-Hughes special for Indianapolis on April 26-27. Drop in at the clubhouse and they will see that you are well taken care of.

BARRY QUIZZ

This quiz will appear at irregular intervals with answers two weeks later. There are no special requirements other than a good memory but if you think you have the answers drop a penny post card to Barryquiz, 2856 Washington. We lead off with: Who, when, what and why on the following: Chi-Feds . . . Worms . . . Premiums . . . Reds . . . Maplewoods?

St. James Entertains Ladies with Variety of Splendid Numbers

2-4 Mon. . . . 64th St. & University Ave.

In one of the finest programs of the year, the ladies of St. James Council were entertained in grand style last Monday evening.

Under the able leadership of Chairman Clarence Strobel and his committee, games and prizes started the program. Musical numbers were rendered by Miss Elaine Phillips and Chris Davis, our brother knight. This was followed by accordian and mandolin selections by Tony and Nate. Moving pictures followed and refreshments were served, after which general singing and more music brought the grand party to a happy ending.

IN MEMORIAM

It is with sad regrets that we announce the death of one of our old-time members, Bro. John F. Kolar, who was very active in council affairs. Bro. Kolar was delegate to the Chicago Chapter and past chancellor. He was a charter member.

Only 59 years of age, a siege of pneumonia proved fatal to Bro. John. He was indeed a faithful and true knight and well liked by all members of the council. Our deepest sympathy is extended to his family.

DONOR GROUP

Bro. John Greene made a fine report on activities in the donor group and stated that Bro. Ed Muellner was the first on the list in this group. Ed was called by Msgr. Murray of St. Francis Church to the Woodlawn Hospital. There he gave his fifth transfusion.

May 4 will be our annual Communion Sunday. Time and place will be given at a later date.

Bro. Joe MacGillivray just met with a bad accident and had his foot broken. He will be laid up for some time. Among the many visitors at our recent party were: Mr. and Mrs. Paul Sink, Bro. Ray Earhart, Mr. and Mrs. Doc Adams, Mr. and Mrs. Frank Du Marais and daughter, all of Calumet; Bro. Jack Beemster of San Salvador. Our members wives included the following: Mrs. Ed McBride and daughter, Mrs. Joe Blum, Mrs. Peter O'Connell, Mrs. Loretta Sweeney, Mrs. Clarence Phillips and daughter, Mrs. Robert E. Lee, Mrs. Clarence J. Strobel, Mrs. Thomas Butler, Mrs. Viola Enright, Mrs. F. J. Strobel, Mrs. Henry Steffens, Mrs. Thomas Groark, Mrs. Dan McKenna, Mrs. Chris Davis, Mrs. Ambrose Burke, Mrs. O'Connell, Mrs. J. Walsh, Mrs. F. X. Strobel, Mrs. Ray Rocha and various other single members who brought their girl friends.

The committee who aided Chairman Clarence Strobel in presenting the fine program consisted of Peter Wehle, Frank Mayer, John McKean, Henry Steffens, Ray Steffens, Martin Quinn, Mike McGuire and Frank Steffens. We believe all of these had their wives and girl friends present also. They were too busy to check with. All in all, it was the finest ladies' program ever presented. Our next meeting is March 24 at 8 p. m.

Ouilmette Gives Complete Details of Donor Group

2-4 Mon. . . . . 1215 Wilmette Ave.

The attention of all members is called to the Blood Donors Group that was formed last fall among our council members. Many members and friends have inquired about the group and have asked how it operates and for whose benefit.

The chairman of the group is Dr. Frederick J. Genster, DDS., 821 Ridge road, Wilmette, and 1806 Walnut avenue, Wilmette. He can be reached by phone at Wilmette 2404 or Wilmette 4168. Brother Joseph Alten is second on the committee and can be reached at 1555 Maple Ave., Evanston, or by calling Wilmette 269 or University 4643. Mr. Alten will have 24-hour service on these phones at all times. Next on the committee is Past Grand Knight Peter J. Thalmann of 2020 Schiller Ave., Wilmette, and 313 Park Ave., Glencoe. He can be reached by calling either Wilmette 3751 or Glencoe 30.

Many of our members have been typed and classified. If you have not yet registered, you can do so by applying to the chairman or any member of the committee. A file of all cards is kept by the Council for immediate reference in case of call. Copies have been sent to the Chapter Office, the State Deputy's office and the Supreme Secretary. If the Council does not have the needed type a call to any of the other offices will produce an immediate donor.

This blood donors group was formed to help any Brother Knight, his family, or anyone in real distress. To be a member of the donor group is an honor that every Knight of Columbus should appreciate as it is a simple method to practice one of the great acts of charity taught by the Order and the Church.

After the first game Ouilmette had a slim lead of six pins. After the second game they forged ahead to a lead of 114 pins. In the third game, the boys from Newman put all their strength and power behind the ball and for a while had Ouilmette up a tree. Four of Newman's bowling teams scored enough to put Newman ahead by thirty pins. After Ouilmette's and Newman's number four teams finished their games, Ouilmette pulled ahead to win the match by 107 pins. We hope that the two councils will meet soon again.

"WE'LL-MENTIONS"

Any brother knight knowing any news of a brother knight should write or call Bro. Harry Peters. To date we know that Bro. Harry Sieren has a new car, and what a snozzy looking buggy! Shouldn't have had any trouble during the cold spell to get a heater or two. Bro. Joe Kneip at last reports that is up and around again, and if business is not rushing he will be along to Indianapolis.

Did you know that if you build, buy or rent; get hungry, sick or die; stay at home or travel, you can do all these things without going outside of the council for service or help? We have builders, carpenters, bricklayers, painters and all tradesmen in the council as well as travel agents, home visitors, grocers, butchers, egg and butter dealers, doctors, dentists and morticians. A little business given to your brother knights will mean more in their pockets and better grades of work and material to you.

Tonti Arranges Details for an Unusual Party to Be Presented on April 3

1-3 Thurs. . 4221 W. Irving Park Rd.

P. G. K. John Olsta, chairman of the welfare committee, is busy making the final arrangements for a super "game" party to be held in our hall on the first meeting night in April. John has promised to have prizes of such fine quality and beauty the likes of which have not been seen at any party held by anyone. Be sure to put a circle around Apr. 3 and bring along some friends to share in the prizes and fun.

LITTLE WHITE LIES

On his way to the hospital last week to visit the wife and new born son of D. G. K. Louis Buettner, P. G. K. John Smith parked his car in front of a fire hydrant while he bought some candy. When he came out of the store Officer John Law was waiting for him with his book already in his hand and pencil poised.

Says P.G.K. Smith: "I'm sorry, officer, I just stopped for a minute to get some candy for my wife. I'm on my way to the hospital now to see my wife and baby. Honest, officer, if you don't believe me you can come along, it's only a couple of blocks from here." It must have been supersalesmanship, or the luck of the Irish, for all the officer said was "Okay, papa, be careful the next time." I wonder if the officer still felt so kindly after he smoked that El Ropo special John is wont to pass out.

Last week the three-way tie for second place was broken. Lambrecht Jewelers took the leaders for three games. Spencer Coals won two games from Roy's Tap Room team. Mayfair Liquors lost three games to Doc Groskie, which helped boost them out of the cellar.

CHICAGO, MARCH 14, 1941 100

Why We Celebrate St. Patrick's Day

By Daniel F. Murphy, Grand Knight, Illinois Council

The 17th of March is recognized the world over as being the great feast day of the patron saint of Ireland, St. Patrick. The Roman Catholic Church has many feast days, in fact, the church every day celebrates, through the offering up of the sacrifice of the mass, the feast of some particular saint.

But St. Patrick's Day is for most people the occasion to express their loving recognition to the former shepherd boy who came to Ireland in 432, a boy in years destined to wear the cloth of the church and to bring to the then pagan peoples of Ireland a faith that was to make them famous. He established schools in Ireland to which the learned of all Europe thronged, and while on the continent, he and his students helpd to spread the gospel of Christ as well as to advance secular learning.

As he rose to the high rank of a bishopric, his name and fame spread to all lands in the then civilized world. The result of all of his work is indeed one reason why we have never forgotten March 17th.

The Irish are known today for many things, but none, perhaps, so outstanding as their unshakable faith. There is no other nation so steadfast in their allegiance to Catholicism than these Irish who were governed for many centuries by an unfriendly people who were violently bigoted against the Catholic faith and who lost no opportunity in their endeavor to exterminate it from the Emerald Isle.

However, persecution, threats or the hope of reward for unfaithfulness never once endangered the faith of the Irish. It would appear that the more they were persecuted, the stronger their faith became; nor was this true of only the Irish in Ireland. Those who emigrated to other countries carried their faith with them as a treasured heritage for their children.

Let us quote Dr. Hutchins of the University of Chicago in his talk before the Irish Fellowship Club of Chicago, March 17, 1931, when he said:

"Still, though you and your parents and grandparents were and are important people, it is not of you or them that I wish to speak tonight. Tonight I wish to discuss a period of hundreds of years ago, a period that began with one of the most celebrated and influential emigrations in history, the coming of St. Patrick into Ireland, in the year 432. That date marks the beginning of Ireland's greatness in mediaeval civilization, a greatness that with the passage of time enhances, rather than obscures, a greatness now little understood, which will some day dawn upon the consciousness of modern world. And when it dawns the world will realize at last that Ireland saved, not only literature, but Christianity itself."

People have come to love the Irish, to love them for their flare for governmental liberty, for their genuine broadmindedness in their relationship with other peoples, for their leanings toward the underdog, and for their universally sunny disposition.

We could go on to say that the world's famous battlefields have known the Irish sword, and these fields would include Galipoli; Mons, where they made possible an orderly retreat for the British; Fontenoy, where fighting with the French they defeated the British and drew from the British king the historic comment, "Accursed be the laws which have deprived me of such subjects." And need one also mention their various endeavors along that particular line from Bunker Hill to Valley Forge?

So to you, fellow Americans, let's join today in a toast and a reverence to St. Patrick, patron saint of the Emerald Isle, and of free courageous people the world over!

Do not flatter thyself that thou wilt ever be able to acquire humility unless thou dost practice those particular exercises which are conducive to it.

Acts of meekness, for instance, of patience, of obedience, of mortification, of self-hatred, of the renunciation of thine own feelings and opinions, of sorrow for thy sins, and the like.

Because these are the only weapons which will destroy in thee the earth of self-love, that abominable soil which germinates all thy vices, and wherein thy pride and presumption take root and spread out in luxuriant growth.—Leo XIII.

St. Francis Has Important Meeting Thursday Night

2-4 Thurs. . . . 4711 W. Madison St.

St. Francis Xavier Council will hold a special meeting next Thursday, Mar. 20, for a three-fold purpose. The first reason is to pass on a resolution, brought up and read at the two previous meetings, which will reduce the initiation fee from $10 to $5. Applications which were brought in at the last meeting will be read for the second time in order that the applicants will not have to wait too long to take their third degrees.

Immediately after the meeting, which is expected to be a short one, the exemplifications of the first and second degrees will take place. The third degree will be exemplified Sunday afternoon, Mar. 23, at the St. Philip High School Gym, under the sponsorship of the West Division councils.

Sponsors of insurance applicants should see to it that their candidates go to Dr. A. L. Vincenti for their medical examination as soon as possible. All sponsors are urged to have their candidates on hand in plenty of time for these exemplifications.

HERE AND THERE

We'd like to remind those of you who haven't as yet made your returns on the dance tickets and ads to do so at the latest, the next meeting. The final report cannot be made until all returns are made. So how about it? . . . A bouquet of "swelegant" orchids is in order for Grand Knight Baptiste Mele and Bro. Jimmy Durante, who submitted to blood transfusions last Friday and Saturday for Mrs. Lorraine Comerford at the Norwegian-American Hospital. This brings the total to eleven transfusions submitted by members of our council in the past six months. . . . The council's sincerest sympathies are extended to Sir Knight William Iacullo on the death of his mother-in-law, Mrs. Arcangela Parrilli, who passed away last week.

Torry Muro, our orchestra leading brother, is leaving this week for Camp Forrest in Tennessee as a regular member of the Illinois National Guard. He did not want to wait too long to answer the call of the army, so he enlisted voluntarily with the guard. Torry will continue with his orchestra leading profession in camp as he has been assigned to lead an orchestra composed of musician guardsmen. Goodbye, Torry, and lots of luck! . . . By the way, what's happened to Bro. "Butch" Rutili? Does anyone know if he has been drafted yet?

BOWLING NEWS

And plenty of it!

Coletta Undertakers and Paterno's Pizzeria shared the bowling spotlight last Friday night by sweeping their series with the Ald. Pacellis and Senate Electricians. In doing so, they now share second place in the standings. Marks Motors kept their one game lead by defeating the Dot Pies twice. Bacigalupo Undertakers showed a little more life than their brother morticians, the Izzos, and the Mele Plumbers shaded "Madman" Pintozzi and the rest of the Giugliano Florists.

Best maple-splitters were Dr. A. L. Vincenti, 516; A. Caruso, 515; J. Crist, 572; T. Salvo, 534; F. Arito, 580; P. Merisso, 574; J. Capparelli, 555; F. Pasquale, 521; S. Cirrintano, 501; V. Belmonte, 527 (yes, that's right); J. Pauletto, 550; B. Mele, 552; C. Criola, 500; M. Mele, Jr., 504.

Official results and prize lists of the recent state K. C. bowling tourney reveal that St. Francis Xavier bowlers did all right for themselves with four teams finishing in the money. The winning teams, with their total pins, prizes and the names of the players were:

Izzo Undertakers—3,012; $25; S. Cirrintano, S. Randazza, J. Capparelli, C. Principe, A. Vitallo.

Senate Electrics—3,000; $20; F. Ferrara, J. Scelso, J. Schiavone, L. Belpedio, J. Crist.

Mele Plumbers—2,959; $11; W. Iacullo, V. Belmonte, P. Mazza, J. Mauro, N. Pintozzi.

Coletta Undertakers—2,870; $6; J. Pauletto, J. Defily, J. Caruso, P. Merisso, P. Bruno.

Sam Randazzo won the big sum of one dollar by rolling a 604 series in the singles event.

If you're intending to go to Indianapolis for the national tournament, make your railroad and hotel reservations as soon as possible with Salvatore Cirrintano or Angelo Vitallo. Don't keep putting it off, or you'll be left out in the cold.

The outing of the Knights of Columbus in 1908, was held at Riverview Park on July 18, 1908. During the day the festivities took the form of a basket picnic gathering. In the evening a meeting was held in the big auditorium, presided over by James Donahoe, President of the Chapter, at which the Hon. J. B. Sullivan of Des Moines, Iowa, delivered a stirring oration.

The music was of an exceptional nature, the big concert band led by the great bandmaster, Patrick Conway. Mr. J. Parnell Egan was soloist and the DeSoto Council Glee Club entertained with numerous popular selections.

Sunday, January 7, 1917, marked the official opening of the Knights of Columbus Basketball League. In its subsequent history the sports activity was to rise to one of the most outstanding tournaments in the country, and one, that for Chicago, drew thousands of spectators at each appearance and commanded eight column headlines in all of the city's newspapers.

There were two divisions of the league at its inception, one representing seven southside council teams and another representing four north side units.

Three games were played in the season's opener held at Normal Arts School. Admission price for the entire card was fifteen cents. Contending teams were: St. Phillip Neri vs. McHale; Englewood (8) vs. Perez (33), and Leo XIII (7) vs. Aquinas (29). (L. O'Malley.)

A committee, consisting of Father McGivney, James T. Mullen, John T. Kerrigan and J. T. McMahon was appointed in January, 1882, to represent a group of Catholic men of St. Mary's Parish, New Haven, Conn., who were interested in forming a fraternal society. Out of their deliberations was born the order of the Knights of Columbus. Acts of incorporation were presented to the state legislature and a charter was issued on March 29, 1882.

A very notable event in the history of the Knights of Columbus was the erection of a statue of Columbus in Washington, D. C., on June 8, 1912.

Through the efforts of Congressman James T. McCleary of Minnesota, supported and seconded by the Knights of Columbus throughout the nation, Congress made an appropriation of $100,000 for a statue to commemorate Christopher Columbus, the Discoverer of America.

The great memorial was designed by Lorado Taft and is one of the finest pieces of sculpture in the world. It stands on the Union Station Plaza and is the most conspicuous object in Washington.

Six hundred members of the Order in Illinois attended the unveiling ceremonies which begun at mid-afternoon on June 8th. The ceremonies were preceded by one of the largest parades ever witnessed in the nation's capitol; more than 50,000 men marched in the giant demonstration in honor of the Order's patron. Knights from every corner of the continent and from the peninsular possessions were represented, and were led by Supreme Knight James A. Flaherty, assisted by the supreme officers and directors. Brigadier General G. K. Evans of the U. S. Army was Grand Marshal of the entire parade.

The solemn unveiling of the Columbus memorial was presided over by the Secretary of State, Philander C. Knox, and the principal addresses were made by President William Howard Taft, Justice Victor J. Dowling of the New York Supreme Court and James T. McCleary, father of the memorial bill before Congress.

John J. Fox of Americus Council here carried the national colors for the Illinois contingent and received the thanks of the whole delegation for the brilliant manner in which he performed his duty and "dipped the colors" to the President.

Although, as THE COLUMBIAN & WESTERN CATHOLIC, THE COLUMBIAN *can trace its existence as far back as* 1867, *its first edition as the local newspaper of the Knights of Columbus was issued on August* 25, 1906. *This edition contained, among other interesting items, the complete report of the proceedings of the convention of the State Council held May* 8, 1906, *and is the only remaining source of information regarding that convention since no separate report was printed.*

Carroll Features Sports Movie for Open Meeting Tues.

Next meet. Mar. 18 . . 6 N. Hamlin Ave.

Planned as one of the top-notch features of the past eight months of our official year, Charles Carroll Council will entertain its members and their friends at an "open house" meeting next Tuesday evening, March 18, at the Midwest Athletic Club, No. 6 North Hamlin Ave.

The attraction of the evening will be the showing of a double-feature motion picture program, presenting the "All-American Way," that popular recently released film of famous events in the world of sport, and the "Progress of Industry," equally attracted by large audiences and receiving an abundance of praise. You and your friends should not miss the opportunity of seeing both these excellent films.

This "open house" meeting is especially designed to provide opportunity for new members and prospective candidates to become acquainted with the "workings" of the council. Perhaps many of your friends have thought of the idea of joining the Order and their attendance at this meeting as your guests will make up their minds without a doubt. Bring them up to the council, we'll do the rest. After the showing of the films, refreshments will be served and a social conclave will be held throughout the hall.

Be sure to encircle the date—TUESDAY, MARCH 18—on your favorite calendar. Bring your friends and prospective members, but do not neglect to come yourself.

CARROLLITES

John B. Clark, residing at 821 South Elm Ave., Oak Park, would be glad to see some of the members visit him during his convalesence at home . . . Tom O'Brien is reported checked in at St. Ann's hospital . . . Past Grand Knight Tom O'Connell is improving steadily at his retreat in Miami, Florida . . . Past Grand Knight John F. McNamara is still confined to Edward Hines Memorial Hospital, where he has been under observation for quite some time, and no definite date for his discharge has been set. We hope it won't be long now, Jack . . . Dr. and Mrs. H. F. Andree are the happy parents of a fine baby boy, Donald Robert, born recently. Dr. Andree has already submitted his son's name for admission in the Knights of Columbus. Congratulations!

April 1st has been set aside as the date for our Ladies' Night affair. Full particulars will be found in the next issue of The Columbian . . . It is with saddened heart that we report the death of Frank Stann . . . Frank E. Flangan received his appointment to the FBI and is assigned to duties at Washington, D. C. Best of luck, Frank . . . John O'Leary, the fourth member of Carroll Council to answer the call of his country under the selective service act, left for the induction center last week and from there will be assigned to a post in California, Texas or Tennessee. John paid the council a fond farewell at the last meeting, and as a token of their high regard for Private-elect John O'Leary, the boys of the intra-council bowling league "chipped in" and bought him a very thoughtful remembrance—a lifetime Shaeffer fountain pen. We hope to hear a lot from John through words written by this pen.

James J. Harrold and Joe Powers are two more Carrollites who were fortunate to be able to answer the call and will serve a year of compulsory military training . . . Joseph G. Griffiths is in the service of the U. S. Navy. His communicating address is 2-F8 F-M-F M-C-B, San Diego, California . . . Emmet Byrne is reported anticipating a bundle from heaven some time in June . . . Tom Carroll, a former rookie of the Athletics and Chicago White Sox, is expected to sign an application for admission to the Knights of Columbus soon. Tom is not accepting an offer to renew his contract with the White Sox, and it might be a good suggestion to take advantage of his ability and line up a baseball team in the council.

Blue Island Bowlers Off to Indianapolis Tomorrow for Tourney

1-3 Tues. . . . . Gregory and New

ALL ABOARD! The BLUE ISLAND BOWLERS' special leaves for Indianapolis tomorrow morning, Saturday, Mar. 15. Some sixty to seventy members and their friends will make the annual trek to the racing city in what should prove to be one of our most successful trips.

For the benefit of those who decide at the last minute to go along we are taking the I. C. train which leaves Blue Island, Vermont street, at 9:57 a. m. for Kensington, 115th street. At that point we board our special train which leaves at 10:20 a. m. over the Big Four line. We return home Sunday evening at 8:45 p. m. If anyone seeks further information, please call Bros. Lowell Frasor, Bill Creighton or Tom Parsons or be at Landgraf's inn tonight (Friday) as the bowlers are having a final meeting here before leaving.

YEAR-IN-ADVANCE CLUB

Jim Roach did the honors this week in bringing the year-in-advance membership to a new high total of 56. But three weeks remain in which to join this select group. Palm Sunday is the deadline, after which the roster will be put on the bulletin board in the council chamber. Remember way back in December when Joe Farrell started the ball a-rollin'?

Nice to hear this week from Joe Nowak, Fred Klemmer, Joe Krizik, Professor Al Filewicz, Milt Raybould and Russ Dwyer of Chicago, Mickey Stanton and Joe Potoski.

Stanley Myszkowski will be home to convalesce after his appendectomy at Roseland Hospital.

Our profound sympathy is extended to Bro. Adolph Wozny and Mrs. George Krizik, Sr., on the death of their wife and mother. May she rest in peace.

Our congratulations to Bro. and Mrs. John L. Synakiewicz after 25 years of married life.

Sponsors of insurance applicants for membership are urged to see that their candidates are examined as quickly as possible and prepared to receive the first and second degrees, along with associate applicants, on Mar. 20 at St. Joseph's Council, Summit, Ill. Transportation will be furnished for everyone from Lentz's cigar store.

The honorary membership feature of our order will be conferred on the following at our next meeting, Mar. 18: James F. Cannon, Thos. J. O'Neill, M. J. O'Donnell, Trustee Herman Jauchzer, William Hennig, Chaplain Father Gross, Nicholas Lorang and Otto Parsons. A packed council chamber on that evening will be the only proper setting in which to pay our tribute to these veterans of the order.

Just received word from G. K. Dan Boyd that our council will serve breakfast to all members and candidates on Palm Sunday after communion. This was a huge success last year with the members of our order and promises to be a yearly event.

Don't forget our next meeting at which time we will honor our old timers. There will be refreshments and entertainment and a good time for young and old.

What! You wish you were going to Indianapolis with us? Well, it's not too late. Just hop the train in the morning and we will take good care of you. We still have room for a few.

Englewood Urges Stronger Support for Donor Group

2-4 Mon. . . . . .150 W. 69th Street

For the past few months we have been asking the members to participate in one great activity of the Council, but to date we have heard no great response, so once more we are making an appeal to you.

When are you going to become a member of Englewood Council's Blood Donor Group?

State Chairman Bob DuMais has visited the council on several occasions and presented fact and figures regarding this most humanitarian project. These same facts were published in this column, but still there have been no additions to the roster of the group at St. Bernard's Hospital.

Don't wait until it is too late to join. Do it now. Who knows but that you might be the next one who will need the help of this organization, and where will the help come from if we don't build up the membership?

Remember it costs nothing to join, only a few minutes to have your blood typed. Drop in at St. Bernard's Hospital, ask for Sister Loughlin, and tell her you want to be typed to become a member of Englewood Council Knights of Columbus Blood Donors. Five minutes after you enter you will be on your way home a happier man, for you will have the feeling that you have done something worth while.

E-FOURS

The "Three-to-Four Club" of Englewood Council is all ready for their next big affair. It will be held on Saturday evening, May 17, in the Crystal Ballroom (some class, eh, what?) of the Del Prado Hotel (formerly the Cooper-Carlton) at 53rd St. and Hyde Park Blvd. And there will be no raise in the price of the tickets. ...It will remain at $1.00 per person, including tax.

To make more complete and elaborate arrangements, the club will hold a meeting on Thursday evening, March 20, at the home of President O'Brien. All fourth degree members are urged to attend.

E-NGLE WOOD-CHIPS

Putting together one little thought after another...and whatever became of P.G.K. Walter A. Schaefer...it seems odd not to hear any of those famous Cub-Sox arguments, with "W. A." leading the parade for the North Siders...The only one in the council who dares praise the doings of those on the other side of Madison Street...and now it can be told...for it has just been told to us...the bride of Sir Knight Richard Prendergast was the lovely Catherine Collins...the ceremony took place November 30 at St. Barnabas Church...Again "Good Luck and Best Wishes"...the happy couple now reside at 7540 S. Wolcott Avenue.

Warden Roy J. Murphy and P.G.K. Stephen A. O'Connor attended the recent "Day of Recollection" at St. Ignatius College..."Tis an annual event for them...Seems just about the right time for Retreat Chairman James A. Clark and Catholic Action Chairman Harry L. Delaplane to start things arolling for a Fall Retreat...Don't like to tell them what to do, but perhaps they could devise some insallment plan for those wishing to make a retreat later in the year.

When we mentioned last week that Charley O'Brien "324 President" has been absent from meetings, we did not mean it literally...it just seemed that way to Ed Higgins...For, "Believe It or Not," it appears that just those meetings that Ed shows up, Charley happens to be away, and that my friends is very seldom... however, it made a good story...And did you notice who was amongst the notables invited by WGN to participate in the High School Broadcast of De La Salle High School last Monday...none other than our own Martin H. Kennelly...just as I have always said...show me an affair of prominence and importance and you will always find an Englewood Council member participating.

Our congratulations to Bro. Jas. J. Doody, P.G.K. of Madonna Council, upon his appointment as superintendent of the two state prisons at Joliet...Jim has always been a friend of Englewood Council and appeared as guest speaker on several occasions...And another thing... whatever became of Jack Quealy...let's hope all those Irish Clubs haven't taken too much of a monopoly on he and Mrs. Quealy...And before it's too late, Jack, tell them not to schedule any affair for Saturday, May 17, for we want to see you and the Mrs. at the 324 May Party in the Crystal Room of the Del Prado.

E-VENTS

May Party and Dance given by the "Three-to-Four Club" of Englewood Council, Saturday, May 17, in the Crystal Ballroom of the Del Prado Hotel, 53rd Street and Hyde Park Blvd....Admission only $1.00 per person includes refreshments, entertainment, and dancing. Tickets now available. Get them while they last.

For those wishing to celebrate St. Patrick's day in grand style we have a variety of affairs for you to attend!

Saturday, March 15, the Dinner Dance sponsored by the Silk Hat Club of Fort Dearborn Council at the Hayes Hotel, 64th St. and Woodlawn Avenue. Dinner will be served at 7:30 p. m., after which there will be dancing and entertainment. Admission is $1.50 per plate.

On the same night, Madonna Council is holding a St. Patrick's Dance at the Hyde Park Hotel, 51st and Lake Park Avenue. Admission fee $1.75 per couple, with Harry Wicks furnishing the music.

On Monday night, March 17, Calumet Council will hold its charity dance at the beautiful Casino Moderne, 63rd St. and Ingleside Ave. Admission 50c a person. Tweet Hogan and his Irish minstrels in charge of the music.

University Will Hold Annual Communion Services, Sun., Mar. 30

2-4 Tues. . . . St. Ignatius Auditorium

Our spring communion Sunday comes on March 30 and Chairman Bart Quigley, PGK, is making plans to have a turnout of at least 200 members. He will be looking for volunteers to help get the brothers out, so any of you who feels he can do a little missionary work for Lent should get in touch with Bart immediately.

It should be noted that this mass will be University's chief observance of our society's Founders' Week, March 23-30, and you can help Grand Knight Murtaugh to make a fine report to the Supreme Office by making your Easter duty with the council on Sunday, March 30.

The next regular meeting will also celebrate Founders' Week. It is listed on our calendar as an open meeting with a lecture and forum discussion. Lecturer Curtin is cooking up something special for the occasion.

ST. IGNATIUS TOURNAMENT

As you read this, Bob Eiden's St. Ignatius School boys will be in the midst of their annual tournament. Last week's story unfortunately had to be cut and the following names of University Council fathers of boys participating as players, coaches and officials were omitted: Conroy, O'Brien, McCarthy, Quigley, Rooney, Troman, Michaels, Mackey and Lupton. Not many, when you consider that well over a hundred boys in our neighborhood are taking part. The scribe hopes to rush from the typewriter to this week's meeting of the council in order to get to Chairman Ed Dwyer of the membership committee so he can have his best squad at the games to pick off some fifteen or twenty good candidates or transferees. Of course, we can't expect to pull Bro. Ted Cornell away from Illinois or Bro. De Caluwe from De Soto. but there are a lot of others who are just waiting to be asked.

LAWYERS

Bro. Emmett Cleary was admitted to practice before the Supreme Court of the United States in Washington on Tuesday of this week.

Speaking of lawyers, brings to mind one of our charter members who is still faithful to University Council—Ray A. Cavanagh, who will be remembered by the old-timers as that energetic young fellow who was so active in the foundation of the council. Ray deserted the North Side for Beverly Hills when he was married, and while he doesn't get a chance to make the meetings his heart is still with the old council.

While in this legal frame of mind, it should be mentioned that the recent North District Holy Name meeting was presided over by President Ed Jeffers (who isn't a lawyer but should be), with another PGK, Fred Rondeau, acting as secretary. Any organization in need of a good presiding officer should apply to University Council for one of its past grand knights—as active, able and public-spirited group of men as you can find anywhere. Some day we hope to get out a special edition of these notes devoted to the public achievements of our former leaders.

ST. PATRICK'S PARTY

St. Cyr's 'Irish' to Have Corned Beef Dinner Next Mon.

1-3 Mon. . . . . 1609 N. Halsted St.

The lull of the lenten season will somewhat be relieved at St. Cyr Council chambers on Monday, March 17, when as all you good "Irishmen" of St. Cyr know, we will celebrate St. Patrick's Day in the true Irish fashion, by having a corned beef and cabbage dinner after our regular meeting.

Such Irishmen as Tom Doyle, Tom Hickey and Bill Chaves will taste corn beef and cabbage like they have never had before. Some of you who haven't been to a meeting in some time, or who come only once or twice a year, should try attending with more regularity. You'll find that in addition to the treats in store there is always plenty of good fellowship that all St. Cyr men display.

Sometimes in listening to St. Cyr old timers, one hears of the events of bygone days, when St. Cyr was the most feared opponent on the basketball floor, and baseball diamond. In such discussions one invariably hears the names of men who today, although climbing in years, are still better athletes than most young men of twenty. The eagle eye of Past Grand Knight Wittenmeier, a few weeks ago, spotted an article in one of our local newspapers, which lauded one of St. Cyr's greats of some seven or eight years back. The man mentioned was the famous Bob Gruenig who starred on St. Cyr's basketball team along with Joe Cannizzo, Joe Desiderate, Johnnie Mancuso, "Bo" Angelo, Saro La Russo and others.

The statement was made by none other than that great athlete Chuck Hyatt, that he considers Bob Gruenig "the greatest center in the game, anywhere." This is the caliber of men that made St. Cyr an opponent both feared and respected.

MOVING DAY

As you are reading this article, Russo Manno's family is probably in the midst of some of the greatest confusion they have ever encountered. To some people moving from one home to another, is merely a yearly routine, but to your scribe and his dad it is an event, for when you have lived in one home for some twenty-five years, then you can understand why I say it is an event. The near north side is coming down. Room will be made for new homes. In looking back and taking a panoramic view of life and events in my years there, both my dad and I, look fondly upon a neighborhood which soon shall be no more. Henceforth your scribe can be reached at 821 North Karlov Ave. You're all invited to drop in and drink a toast to our new home. (If you have any of that vino left that you served me a few weeks ago you better take that invite back, Tony!—Ed.)

CYR-IOUSLY SPEAKING

The casualty list is high this week . . . Joe LaRocco is at St. Elizabeth's hospital where he recently underwent an appendectomy . . . The doctors say that this litle thirty-four year old dynamo and father of four children, will live to see ninety . . . Joe Romano's wife was ill, but is now well on her road to recovery . . . The name is Anthony Gebbia, and not Frank as your scribe well knows . . . Typographical error, brother, typographical . . . He's in good condition . . . and raring to go . . . Joe Zeno is laid up but coming along fine, and if you noticed, the very efficient bowling secretary, Cosmo Coniglio, was not present Wednesday . . . I'm informed that his little boy got into an accident . . . Fell on a broken bottle and sustained a big cut . . . There are others who are ill too, I am sure, but not to the knowledge of your scribe . . . And just another word, brother knights . . . In Father Tom Lacascio, we have one of the finest Chaplains I know of . . . Young, intelligent, vigorous, of late he has been doing a grand piece of work in giving enlightening lectures at our regular Council meetings . . . Interesting, the members have expressed satisfaction and want him to continue his fine work.

Honor New Bishop

A huge throng of Ouilmette and Newman members attended Newman Council's testimonial meeting last week in honor of their former chaplain, and newly consecrated bishop, the Most Rev. Bishop Francis J. Magner.

The program was under the direction of Grand Knight Kenneth Lawson, and Daniel McCann, left above, of Newman Council. District Deputy, Judge J. J. Corcoran, also of Newman, is shown congratulating His Excellency.

Bishop Magner will leave for his new diocese at Marquette, Mich., on March 19. Many members of the north side councils will accompany him on a special train.

NERI TO SPONSOR GAY IRISH BALL TOMORROW

1-3 Tues. . . . . 7515 Yates Ave.

Tomorrow night (Saturday) the Caravel Club swings wide its doors in open invitation to you and your friends to join in the annual St. Patrick's dancing party being sponsored by St. Philip Neri Council. These St. Patrick's dancing parties at Neri have long since become traditional affairs for they stir up a spirit of revelry and gayety seldom found at parties on less auspicious occasions.

Chairman Jim O'Connor is all smiles the way tickets have been going. A capacity crowd is anticipated but that includes you and your friends. Come early and stay late. Music by an orchestra that really knows how to play those Irish tunes just the way you like to hear them.

Refreshments including sandwiches will be served at your table at bargain day prices. Tickets are but fifty cents per person. Music from 9 until 2.

As an extra-special feature Chairman O'Connor has arranged a first-class program of entertainment. The exact nature of the program has not been divulged but you are promised to be more than pleased. So, for a gay time among friends you better plan to be on hand tomorrow night. You can reach Chairman O'Connor at home at Saginaw 4521. You might also call G. K. Wm. T. O'Neill at South Shore 3324.

IRISH NIGHT

Pat Woods came in under the wire to announce that the St. Patrick's program for next Tuesday's meeting has been completed. It looks like a Seven Star Special. Here it is in part:

Father William J. Gorman, Chaplain of the Chicago Fire Department, Chaplain of the Fourth Degree Knights of Columbus, and pastor of St. Columbanus parish, will headline a program of entertainment to be given by St. Philip Neri Council next Tuesday evening, March 18. He will address a mixed audience, men and women, on a timely subject: "The Irish American's Contribution to Worth While Living."

The Arlington Club troupe, directed by Maurice T. Smith and Wilfred Byrne, will bring "The Same Ould Shillalah," "McNamara's Band," and many other favorites from their large repertoire of Irish dramatizations.

John R. McGuire will regale the meeting with stories of Irish wit and humor. Mary O'Gallagher McGrath will tell of "Takin Tay at O'Reilly's."

Thomas J. McGuire will waft you back to the town of Aathlone where August Green and staff will serve potato cakes and cups of Irish tay. Come out and bring the ladies with you. Whether you're Irish or not this is a program you can't afford to miss. Activity starts promptly at nine, following a brief business session.

MISCELLANY

Herman Sumner, Jr., who is a chemist in a west coast airplane factory, plans to be married soon. . . . Father Casey, younger brother of Roy, will soon leave for China where he will become a part of the Church's foreign mission. . . . Francis Duffy left last Tuesday morning, six bells, for a period of army life which we all hope he finds to his liking.

AN OVERSIGHT

It has been pointed out that the name of Harold J. Dalton was not listed among those Sir Knights in attendance at the banquet following the exemplification of the Fourth Degree a couple of Sundays ago. 'Twas simply an oversight for which we are sorry. Bro. Dalton has been a member of the Fourth for 15 years.

Financial Secretary Henry Doolin asks those of you who may be in arrears to please communicate at once. Very important.

R. I. P.

Bro. Leonadis J. Barcus, a charter member of Neri, passed away last week. Bro. Barcus has not been active in recent years but was well known to older members of the council. Pallbearers were made up of Neri members. Interment was in Mt. Olivet.

Mrs. Catherine Briody Henry, mother of Mrs. John P. Quigley, passed away last Monday morning. She had passed her eightieth birthday. She had been ill for some time. Funeral services were held Wednesday to St. Bride's Church and interment was at Mt. Olivet.

To P.G.K. Bill Collins, pres.; Chas. Cotuno, vice-pres.; Tom Garvin, treas., Leo Karevia and Pete Holm go our congratulations for a grand job; also to the members of the bowling teams, who, Monday nite of each week, give their time and efforts to our council's league. NEXT MEETING MAR. 18

Our next regular meeting, will be Tuesday, March 18. There are several very important items that will come up for discussion so plan on being present to take an active part in the workings of your council.

Our Worthy Chancellor, Eldon McGuire has been selected by our Grand Knight to be chairman of the annual K. C. barbecue. Co-chairman will be Bro. Leo Karevia. Leo should be an example to the new and younger members of our council, because he is one of the most sincere and hardest working members that we have.

The latest report on Bro. Steve Owens was forwarded by P.G.K. Bill Collins who is in touch with the hospital at all times. Bill states that Steve is getting along as well as can be expected plans where being made to move him to the Wesley Memorial hospital which in itself indicates he is making some progress, Steve is however in need of your prayers for a speedy recovery. The bowlers of McHale are going to miss Bro. Jim Diament on their trip to Indianapolis for Jim has had a cold and the Doc advised him to lay off bowling for the present.

Bro. Tom Hackett is down in Florida getting an advanced look at the ball players. Tommy was an outstanding player for McHale and still likes to get the feel of a baseball and plans on visiting all the base ball camps in Florida. We will be glad to get Tommy's slant on things.

Bro. John Degnan, is going around whistling "Some One Is Coming to Our House" and he hopes that it is a boy.

MARCH 27, 10 new members of McHale will take their First and Second Degrees at Auburn Park Council Club House. Our G.K. Tom Mulroy asks that we have a large group of our members present.

MARCH 30, we will have about 5 candidates take the Third Degree at Perez. Bro. Russell Ryan and Bro. Le Wemple attended our last meeting for their first visit to our council members, we trust that they will be regular attendants at every meeting in the future. That's all for now, Englewood 5151. . . . If you have any news.

The area of greater New York is 197,670 acres or 308.86 square miles.

AMERICUS F. S. TELLS OF NEW INSURANCE

2-4 Tues.' . . 3350 W. Jackson Blvd.

The information contained in Americus notes of February 28 on the insurance plans was not entirely in accord with the present set-up of the Supreme office. The various plans of insurance offered permit of applicants being accepted at ages ranging from eighteen to sixty years . . . maximum, $10,000; eighteen to twenty-five . . . minimum, $500.

Double indemnity and disability waiver clauses may be incorporated into the policies at a surprisingly small additional contribution, with protective equity in event of discontinuance of contributions, provision for cash loan equity, and an equitable distribution of annual surplus earnings to all policy holders.

Applicants for social membership shall be at least twenty-six years of age. The cost of readmission is $5.50 . . . which includes current quarterly dues.

A.A.L. members who so desire may be placed on the active list by merely the payment of three monthly assessments, plus $2.50 for current quarterly dues. There is no extra charge of any kind. Though through misfortune or misunderstanding a member may at present be on the A.A.L. he is entitled to all the advantages and privileges of a paid up member, so long as there is any equity remaining in his policy.

Every member of Americus A.A.L. has been repeatedly advised and very definitely informed by the writer of his standing in the Order. He is sent a notice of all meetings, and has been urged to participate in all of our social affairs. No one other than the F. S. knows who is or is not on the A.A.L. Incidentally, two A.A.L. members during the past month have seen the light. An invitation is extended to al lthe others. The F.S. will gladly furnish full and complete information upon request.

We have been woefully lacking this year to date in our membership campaign. This is no reflection on our chairman, George T. Howlett, who has personally secured several new members. We feel quite sure that the next month or so will show a decided increase.

DUES

About ninety-five percent of the members of Americus Council pay their insurance assessments and associate dues either annually, quarterly, or come up to the meetings regularly (much to the delight of all in attendance) and pay by the month. Our Council is quite fortunate in being able to boast of the wonderful cooperation of this great percentage of its members.

On the other hand, there are a few recalcitrants and ingrates who defiantly "Will pay when they get ready." We don't wait for this type. They are either automatically expelled or placed on the A.A.L., thus conforming with the well-established Laws of our Order. Incidentally, these latter often attempt to assume an air of extreme importance and prominence at our free affairs, though quite reluctant to lend a helping hand where their cooperation would be most beneficial.

Many epithets have been cast in the direction of the F. S. (always arriving second-hand) and there are some very nice people on the west side who don't speak to him when they see him on the street. These lines are not written in any spirit of self-pity. He has not been hurt! Such despicable smallness goes over his shoulders, which still are broad.

In assuming the office of F. S., the writer recognized fully his responsibility to the Council and its large list of insured and associate members. He has found it the most practical and businesslike course to pursue.

Those who are opposed to such procedure are kindly requested to make their complaints either in writing or at the meetings to G.K. Edward J. Kelly, or direct to the writer F.S. John J. Crawford, 5061 W. Congress St., Columbus 4860.

PERTINENT PICKUPS

St. Patrick's Party at Cornwall Post clubhouse on Saturday eve., March 15, chairmaned by Trustee John O'Brien, vice-commander of the Post. Bring your friends and prospective candidates to Americus Irish Night on Tuesday evening, March 25.

Ten yeasr ago the writer of these notes was editing them regularly for Americus Council. The assignment was much to our liking then, as it is now.

The departure of the 33rd Division must bring fond memories to those who remain of the thirty or more members of Americus Council who saw service with this sameoutfit in the A.E.F. in the first World War. Congratulations to Brother Mat Klasen, the first of our Council to avail himself of the many features of the present plans of insurance. Incidentally, Mat has paid for the entire year 1941. Our star bowlers of other days—Joe O'Hayer, Frank Cella, Jim Nolan, Ray Dunphy and Roman Goltz must have found other fields to conquer. P.G.K. Vic De St. Aubin and Vic Jr. have been A. W. O. L. for quite a spell, as has been the Frank Young father and son combination.

Tom Donahue is busy making little pills out of large ones. Martin Joyce is still directing traffic at Craw-Mad. The inseparable Liston brothers are seen promenading Madison street evenings and Sundays. John Monahan has been a "shut-in" for a number of years. For the reason that Mrs. M. keeps the key. Art Neville and son Henry stick pretty close to Cicero. John Norton has the largest monthly insurance assessment and is almost always a member of the year-in-advance club.

Weber Has Hundred Members Present for Communion Services

1-3 Mon. . . . . 4758 S. Pulaski Rd.

Last Sunday a representative of 100 Catholic men from Weber received Holy Communion at the 10 o'clock Mass at St. Turebius Church, under the escort of the Weber Fourth Degree Club and a fine impression was left with those witnessing the ceremony.

K.; Steve Jas, Chancellor; Frank Kubiak, Scribe; James Swientek, Catholic Action Chairman; new candidate, Frank Dalka, Jr., and visiting Sir Knight, Frank Dalka, Sr., of Quigley Council; John Zolna, membership chairman, and Albert Martynowicz.

The Lecturer and the Arrangement Committee wish to express their hearty thanks to the Sir Knights for their efforts and to the choir and organist of St. Turebius Parish for the wonderful singing, as well as to the ladies for all their help.

MEMBERSHIP AND DUES

Play ball this summer with your council, stay in the game and see how much fun it is in the "good old summer time." Get on the ball team, turn out for the golfing, take in the picnic, and more seriously make a Retreat. Become active members and attend all meetings.

Did you know that our Lecturer still is continuing the "Gold Pot"? Many winners were called but were not present and so did not receive their award.

FAREWELL TO D. G. K.

Last Tuesday, March 11, our Deputy Grand Knight, Edward Zytka, left for one year's service with the National Defense Program. The D. G. K. became a charter member of Weber Council in 1938, and was assigned Catholic Literature Chairman in 1939. He took our first class of seven members to Mayslake for a Retreat and the following year he brought a total of twelve. In June, 1939, he was elected Chancellor and became a Fourth Degree member and Sir Knight of La Salle Assembly, holding the position as secretary and treasurer for Weber's Fourth Degree Club. In 1940, Bro. Ed became D.G.K., which office he is holding at present.

COUNCIL BRIEFS

We offer our condolences to Bro. Richard Szymanski, wife and family, upon the loss of their daughter, Ellaine, who was five and one-half years' old. We regret that the K. of C. Blood Donors' Group could not do more for the daughter of Bro. Richard.

We have just received word that Private Joseph A. Mikos has been assigned to the Camp Dispensary at Fort Sheridan for one year. Drop Bro. Joseph a line in your spare moments. Private Jos. Mikos, Medical Detachment, Camp Disp. 323, Fort Sheridan, is the complete address.

BIRTHDAYS

March 10, Sir Knight Joseph Zapotocny; March 11, Bro. Frank Smolarek, and tomorrow, March 15, Bro. Joseph Mikos, and Sunday, March 16, Bro. Jos, Kiedrowski. Happy birthday to all.

MAPLE MASHERS

Last week the K. of C. Boosters gave the first place team a bit of competition by taking two out of three. Dr. Dziubski, although having 1744 total pins, was beaten by the Boosters 1729. Krafts broke the ice by taking 2 out of 3 on Wegzyn Realtors, last place team. Kraft foursome rolled over 400 each, which brought 1839 pins against 1671.

According to Fact Digest, there exists in India a fifty-mile highway which is surfaced with molasses.

NEWMAN KNIGHTS VISIT LOCAL MASONIC LODGE

1-3 Thurs. . . . . St. Mary's Hall Evanston, Ill.

Several hundred members of the Knights of Columbus and of the Masons held a joint meeting in the Masonic Temple in Evanston last week and heard Ray Stephens, master of Evans Masonic lodge, and Kenneth Lawson, grand knight of Newman Council stress the value of good will and friendliness between neighboring organizations.

William Connors sang "The Star Spangled Banner," and Gregory Konold led the company in other patriotic songs. Dennis O'Mahoney recited "Your Flag and My Flag." The attendance was about evenly divided between members of the Masonic groups and the Knights of Columbus.

HONOR BISHOP MAGNER

More than 500 Knights of Columbus feted Bishop Magner last meeting in a reception in his honor sponsored jointly by Newman and Ouilmette Council. In a procession of past grand knights bearing lighted candles and headed by Daniel McCann, Bishop Magner was ushered to the seat of honor in the council chamber.

Norman Muldoon presented the council with a framed portrait of the bishop donated by the members of the Corcoran family: Jim, John, Martin, senior and junior. Grand Knight Ken Lawson presented the bishop with a purse and president George Schmidt of the Ushers' club presented the bishop with a fountain pen desk set on the base of which was engraved the names of all the members. The success of the the occasion is due in no small measure to James Corcoran, Kenneth Lawson, Gregory Konold, Ray Watson, Patrick Craig, George Amidon, and Joseph Majkowski.

Brother Jim McNair headed a large group of men to the Communion railing Sunday as a spiritual bouquet to the bishop.

"SEEING EYE"

Through the efforts of Past Grand Knight Frank Wollelber of De Soto Council we have obtained the services of Miss Myla Baker and her seeing-eye dog for our next meeting program. According to reports from De Soto Council Miss Baker gives an entertaining and instructive talk. This will be a meeting that shouldn't be missed.

Our second meeting in March (20th) will be a most opportune time to present the Council's organization for the annual barbecue campaign. Our Council's entire membership in the past four years has steadily developed a greater interest in this work and we fully intend to see that this year's record will outdo that of previous years.

It is possible, at this time, to announce the names of the staff officers who will serve under the colors of their divisional units. Under Colonel Lawson are two divisions headed by Major Walter D. Gehant, and Major Dennis J. O'Mahoney. Under Major Gehant is Captain Louis Principali of the blue section and his lieutenants are Peter Ledenback, Daniel Harrigan, Frank Mickeletti, and Gussie Zenner.

Under Captain Cliff W. Dalton of the red section are Matt Jans, Ray Schmitz, Edward Coursey, and Joseph P. Barrett. Under Major O'Mahoney are the green and orange sections. Captain Joe Jans of the green section has as lieutenants Joe Mahony, Martin Corcoran, John M. Vose, and Thomas C. McIlwee.

Under Captain Louis L. McNally of the orange section are these lieutenants Joseph Flinn, Thomas Sullivan, Joseph Reichman, and James McNulty. The members of this committee are invited to appear at the meeting hall promptly at 7:45 p. m. on Thursday, Mar. 20.

VERY SPECIAL NOTICE

March 17, St. Patrick's night, is the big night for the dance and party for the wives and sweethearts of the bowlers of Newman and Ouilmette councils. This party and dance is to be held at the River Inn on Wagner road just north of Lake street in Wilmette. There will be a small charge of 25c to help defray the expenses.

This party and dance is not being held for the purpose of making money, but just to bring the women folks together for a good time. Our bowling matches with Ouilmette council have been a great success and have helped bring the two councils closer together. Let's show Ouilmette council that Newman is behind their league and willing to do its share. Can we count on you? Everybody is welcome.

The date of our trip to Indianapolis is March 29. Is your reservation in? "No more reservations will be accepted after Tuesday, March 11. So get yours in," says John P. Wiltjer, the secretary of the bowling league.

Garcia Moreno Starts Organization of Its Fourth Degree Club

2-4 Tues. . . . . 155th & Lexington Ave.

A meeting was held on March 5 in the home of P.G.K. James Munro to lay the ground work for a "Fourth Degree Club" in our Council. The object of the club is to stimulate interest among all Third Degree members who are interested in the Order and their Council. This committee plans to meet again on April 2, at Bro. Munro's home, and at this time permanent officers will be elected.

Present plans are that the club meet once a month at the various homes of the members. All Sir Knights are invited to join, and all Third degree members who are interested in taking the Fourth degree at some later date, are urged also to join. Bro. Munro will explain all the details at our next meeting.

The committee, including G.K. James Mann, D.G.K. John Mech, Fin. Secy. Louis Beaupre, Trustee Romeo Begnoche, D.D. Henry Hilgendorf, P.G.K. John Obernesser and the scribe, thank Bro. Munro and his wife for the hospitality shown them at the first meeting. The founders of this club hope to bring to all members a better understanding of the Order and to give an opportunity to all members to take the Fourth degree. We also hope to weld together the links of a fraternal friendship in our unit, which will never be destroyed.

Shea's Korner won all three games and are tied for first with Eagle Coal Co. Bill O'Hara's Boosters were the boys who lost. Jack's 539, Shea's 511 and Knoll's 498 were tops for the Shea gang, while Wisell's 528 and Bruce's 482 topped the O'Hara boys. Eagle Coal Co., by winning two games from Sterker Tailors now hold their favorite position, a tie for first place. Si Ryan's 540 and Gorski's 490 were the main pin collectors for the coal bin boys. Rev. Fr. Renklewski's 514 was the only outstanding bowling for the Sterker's Tailors.

Frank Ring Boosters won two games from Walter Goletz Boosters. Matt Walenga's 514 and Erwin Lunn's 478 were Ring Boostsers' top bowlwers. Ray Seibelt's 463 was high for the Goletz Kids who are holders of third place in the league. Home Liquor won two games from Wonder Bar and dropped the Wonder Bar team to fifth place. Rich Walenga's 520 and John Karkhoven's 541 were the liquor team's top pin collectors. Hilgendorf's 495 was high score for Wonder Bar. No new records to report. Let's hope we have some next week.

THIS AND THAT

Arthur Mathieu and wife, on tour of the southern states, plan to be away a month. Pat Nilon reported to the scribe that Louis Wasso was injured at work, suffering the loss of a finger. Sorry to hear this bad news. Our sincere wishes for a speedy recovery go to Bro. Wasso. A card from Los Angeles reports Walter Woletz and wife are enjoying their month's vacation, and Walter sends his regards to the boys.

The entire membership received a letter from G.K. James Mann this week. We hope each member will get in the spirit of the letter and its contents. Tuesday, April 8, is Application for Membership Night. This will be a very important meeting and we should show vital interest in the membership camapign. The leaders need to be helped by the followers. Both those who push and those who pull are essential to any job that is of importance. Pulling and pushing together gets things done, so let's make the effort. Meetings during Lent will start at 9:00 p. m. Last meeting of March is Irish Night. Lecturer, take note. Until next week—cheerio.

McINTYRE DEATH

For the tenth time during the past four months, we have to report the death of one of our members, John McIntyre, who joined the council in 1907 at the invitation of Brother S. E. Masterson, and who died at the age of 87, an honorary life member. Brother McIntyre was born in Lake Forest and was a bachelor. He seldom missed our annual golf tournaments. May his soul rest in peace.

We are indebted to the following brothers who attended the wake of Brother McIntyre. Those we saw were: Brothers Ed Butler, W. A. Coty, Phil Sharkey, Sr., James I. Upington, Frank J. Kelly, Patrick Sullivan, John W. Reeve and Daniel F. Murphy. We believe there were others who called in the afternoon, but whose names we do not have.

Now, 87 years is comparatively a long life; for most of us it is quite a long distance ahead and yet if we look back, say 30 years, most of us will recall that our thoughts were that 60 years of age was a terrific age to reach. The point we wish to make is that many of us seem to forget that our time in this more or less beautiful old world is definitely limited. We give little evidence of that.

Too often our contacts with our fellowmen are far from being as considerate as they might be. The corporal works of mercy are not much used. Helping to maintain representative government and maintaining a fair living wage seems to be too often forgotten. A terrific drive for personal preference goes on a pace.

We are reminded of that a great deal in the reaction to universal military service. We are slightly amazed at the attitude of the men of draft age. To them it is terrible to be called to prepare to defend this country by giving one year to Uncle Sam. Oh, yes, they will tell you it is alright for boys just graduated from high school or college; in other words, it is the old case of "let George do it." Here too, it would appear that we need a different perspective.

The writer is satisfied that we become better acquainted with universal military training and while we are past the draft age, we see in it a great opportunity for maintenance of our American form of government by getting our young people to appreciate that the country cannot endure except insofar as the citizens thereof want to carry on.

Cities, towns and villages must be policed, otherwise our homes would be in danger of marauders and our national government must have the backing of citizens who have been trained for emergency purposes. We are not then doing any favor to Uncle Sam. It is a duty as old as creation; it is for the protection of life, liberty and the pursuit of happiness—maintaining the Christian way of life.

On request we have sent applications to Brothers Frank J. Kelly and Ben. G. Brucki for membership. That, gentleman, is like the ring of a cash register to a businessman. It represents new life, new blood.

We will see you Monday evening with your families at the Ivanhoe, 3000 N. Clark St. This affair will not be broadcast, you will have to be there to appreciate it.

Loyola-H. P. Reminds That Payment of Dues Is Entirely Essential

2-4 Thurs. . . . 7435 Cottage Grove Ave.

We are taking time out from our usual procedure of giving you all the social news in the council, to call your attention to the very important matter of membership dues. Financial Secretary John Joyce has called attention to the fact that many of our brothers are dangerously close to being placed on the lapsation list. We feel sure that with the majority this is an oversight.

All of us must appreciate the great work which is carried on by this Order. We could not hope to continue if we did not have your cooperation and now that Lent is here, we would like to make a suggestion. Most of us resolve to give up some pleasure during this holy period, and as a rule it is a pleasure which involves the outlay of some fairly large sums when computed over the weeks of the Lenten period. What we would like to see those in arrears do is put aside the money usually spent for this pleasure and in that way they would soon have enough saved to make a substantial payment on their dues.

None of us like to keep reminding you that we are dependent on the small sum charged each year for membership dues in order to bring the teachings and high ideals of the Knights of Columbus to the attention of other Catholic men. If you are sincere in your belief in our Order, and want it to continue spreading the doctrine of Christian charity in a war-torn world, give us the tangible proof by sending your dues to F. S. John Joyce at 7953 Vernon Ave.

This is our last chance to bid farewell to our worthy Recorder, Ed Joyce. Ed leaves within the next few days to serve with the 33rd Division at Camp Forrest, Tullahoma, Tenn. It will seem funny around the hall on meeting nights not to hear the baritone voice singing the songs of the old sod. We will try to relay to all of you the latest news of Ed throughout the coming year, a year incidentally which we hope Ed finds enjoyable and educational. We will think of him every time we turn over on nice Sunday mornings to catch that 10 o'clock breeze. So long for now, Ed, and we all wish you lots of luck in the coming year.

We are beginning to wonder if some of our other members have been drafted, it's been so long since we've seen them. Now, there's P. G. K. Marty Whalen; he might be slightly over the draft age, but if the army doesn't want to see him, we sure would like to. Ted Vanderwall, you had better report to headquarters soon, and that order goes for Max Steinhauser, the recently married Kiernan Rice, Pat and Mike Reynolds, Dick MacVeay, Jack Farley, P. J. Moran, D. Grogan, W. J. Mackin and A. J. Dougherty.

We would also like to see the new hat Bill Murray won as a prize at our Fiesta. Mike Cortillet should experience no trouble getting a note from the little woman after the swell Nesco electric oven he brought home to her. Company, attention! Report to headquarters, 7435 Cottage Grove Ave., on Thursday night, March 27, at 8:30 p. m.

Here's a greeting to our faithful brothers: First, Thomas Shaughnessy in Lostant, Ill. How about coming in one of these nights, Tom? It sure would be a treat and we would make your visit well worth while. Then Bro. J. J. Stanley, way out in sunny California. We know you can't very well get in for a meeting, but how about dropping us a line and letting us know how you're faring in the state of eternal sunshine and unusual rain? We promise you an answer.

All for now, only remember the next meeting Thursday, March 27th, and whatever became of Raphael Ryan.

La Rabida in Annual Dinner Dance; Chooses Southmoor for Scene

2-4 Tues. . . . . 6236 Princeton Ave.

Grand Knight Cornelius Driscoll has perfected plans for La Rabida's annual dinner dance, which this year will be held on Saturday evening, April 26, at the Southmoor Hotel, 69th St. and Stony Island Ave.

This hotel, which has been the scene of our last four dinner dances, has promised to leave nothing undone to insure all those present a most enjoyable evening. Let's make plans now to be present at this annual affair, and I can assure you if you do that a pleasant time is in store for you.

IT'S A BOY

Mrs. Martha Hoffman, wife of Bro. Paul Hoffman, presented daddy with a baby boy at Lying-In Hospital last Saturday, March 8. Mrs. Hoffman and the baby are reported getting along nicely. Papa Hoffman is expected to be himself soon. Yes, cigars for the next meeting!

The regular monthly meeting of La Rabida's Fourth Degree Club was held on Thursday evening at Hofmann's Grill, 845 W. 69th St. A large attendance was on hand to partake of a splendid steak dinner after which the regular meeting was held and presided over by President Basil Giaretta. All present had a most enjoyable evening.

"Favorite Daughter"

Miss Margaret Wolter, daughter of Jack Wolter of St. Augustine Council, here recently placed as one of the thirteen finalists who will compete for musical honors in the recital sponsored by the South Side Four Arts League on Sunday, March 16. Miss Wolter appeared on the council's "Home Talent" program last week and stopped the show with her renditions of "Indian Love Call" and "Sweetheart."

St. Augustine's Home Talent Furnishes Rare Entertainment Treat

1-3 Mon . . . . . 5209 S. Justine Ave.

Despite the exceedingly inclement weather on our meeting night of March 3 our council chamber was packed with members, their wives and guests who listened to the home talent program, the brain-child of Fin. Sec. Al Labuhn. It was the last official act of Lecturer Joe Ossowski, who served as master of ceremonies for the occasion, for Joe was called to army service last week. It was a suitable climax to his short but meritorious term as an officer of the council.

Papas and mamas registered mixed feelings of pride, happiness and apprehension in watching their talented charges perform.

One of the top-notchers on the program was charming Miss Margaret Wolter, daughter of Bro. Jack Wolter, whose admirable singing of "Indian Love Call" and "Sweetheart" drew prolonged applause from her listeners. Our council basks in reflected glory for Miss Wolter brings to herself and to her parents honors and laurels. She is one of the thirteen finalists who were selected from a group of one hundred contestants in a recital given by the South Side Four Arts League recently. The council wishes Miss Wolter success in the finals which will be held next Sunday, March 16, at Kimball Hall or the Chicago Women's Theater.

The program began with a tiny mite of dynamite in the person of four-year-old Patricia Sefcik. Utterly unafraid of the crowd, she rendered, with two other songs, "Oh, Johnny" and "Ferry Boat Serenade." Confident and imperturbable John Kushenbach, son of our grand knight, followed with an adroit demonstration of how a clarinet should be played when "The Barcarolle" and Brahms' "Lullaby" floated through the chamber. Then, with Mrs. Henry Rieger as piano accompanist, eight-year-old Theresa Rieger, with the educated toes and dancing brown eyes, regaled with an ingenious song and dance number, "It Seems Like a Month of Sundays." Not to be outdone by her mother and sister, Miss Marian Rieger gave them plenty of competition on the accordian with an expert rendition of "Pedro's Return" and "Creeking Old Mill by the Creek."

Trustee Joe Handzik sprung a surprise in presenting a clever family orchestra with his two sons and a daughter—George with his cornet, Tommy with his drums and Catherine at the piano—in a harmonious arrangement of "Star Dust" and a "Medley of Polkas." After the program they played as a dance orchestra for the entertainment of the guests. Warren Urbanik gave an excellent exhibition of digital dexterity on his beautiful accordion. His fingers just rippled over the keys as he manipulated "Blueberry Hill" and a "Polish Polka."

As an anti-climax, Richard Leitzen, also a skillful accordionist, bestowed a treat in playing "The Prune Song." His sister, Miss Dolores Leitzen, in a pleasing low contralto voice reminded one of Helen Morgan as she sang "If I Didn't Care." Then Miss Joan Subr completed the program with a piano arrangement of "Star of the Sea" with a technique that promises a bright future for this talented little lady.

GK Phil Kushenbach, Lecturer Joe Ossowski and Fin. Sec. Al Labuhn are to be congratulated for effecting this evening of clean, wholesome entertainment.

NEXT MEETING

After our next regular meeting on Monday, March 17, the official American League baseball picture will be shown in our council chambers. This attraction comes at just the proper time when everyone is talking baseball and reading of our favorite teams at their spring training camps. This feature will undoubtedly attract quite a large attendance, so may we suggest you come early to avoid the crowd.

Ridge's Participation in Major Degree Class to Mark Founder Week

1-3 Tues. . . . 8219 S. Halsted St.

At our last regular meeting Tuesday, Mar. 4 a motion was made and passed to celebrate Founder's Week on Mar. 30 by collaborating with Father Perez Council in their third degree class. Ridge will have several members take their third degree and invites all members to participate in the celebration.

Auburn Park Council will sponsor a first and second degree class for South Division No. 2 on Mar. 27. All applications must be in so the applicant can take his degrees on this date and be eligible for the third degree on the 30th. One new member took his degrees at La Rabida recently. (Don't think we will be invited back there as it seems some of the brothers had to be invited to go home so that the caretaker could lock up. Is that where you got the red nose, Mac?)

COMMUNION SUNDAY

Sunday, May 4, will be annual communion Sunday for Ridge Council, in accordance with the wishes of Bishop Griffin, our state chaplain. We will receive in a body at the "Little Shrine," 117th and Church streets, where we were so cordially received some time ago. Breakfast will be served afterwards, so be sure to make your plans accordingly.

CABARET PARTY

Saturday evening, May 24, is the date of our cabaret party. Music, dancing entertainment and refreshments, all for $1.10 a head. We furnish all the ambrosial fluid you can drink or if you bring your own liquor, we furnish the set-ups. The place, Perez clubhouse, 6710 S. Main street. (Here's hoping to see the editor.) How about it? (Sounds good to me, Russ! Just keep Mike Feyere locked up until after we get there.—Ed.)

Any brother in the neighborhood of 1504 W. 104th street will be welcomed by Bro. Casey, who is laid up with his injuries suffered in an automobile accident. Also call on Bro. Pfordresher who has been ill for some time at 1005 S. Wood street.

It looks like "Lucky" Burke lost his luck, everyone picking on him in that little session after our last meeting. Speedy McGlinn was the worst offender, followed closely by Mike Thometz, whose pockets tingled with that metallic sound as he was leaving. Better luck next time, Bud.

AIR SHELTER BABY

London. — Mrs. Douglas Woodruff, wife of the editor of the "Tablet" and daughter of the second Lord Acton, assisted at the birth of a baby in one of the biggest public air raid shelters here. Mrs. Woodruff, who has accompanied many Lourdes pilgrimages as a voluntary helper of the sick, is spending several nights a week in the shelter.

In addition to assisting at the birth Mrs. Woodruff agreed to act as godmother to the child, a boy, on condition that she might be allowed to keep in touch with him and that he would be raised a Catholic.

The baby's father is not a Catholic but the mother, who now has ten children, was baptized in the church.

A hospice for the blind was established by St. Basil at Caesarea as far back as the Fourth Century.

TUESDAY KNIGHTERS

Old Lefty Doyle, custodian of owling records, sends in the fol- g dope on the Tuesday Knight- Widtmann Meats won two games Nolan's Insurance to maintain hold on first place. The Sham- s copped three from Ald. Ross' ters. By doing so they gained a on the leading Widtmanns and trail by three games with four nights of bowling left. The o Printers retain third place as sult of their three wins over Na- Inn. The Furman's took two of three with the King Coals while O.K. Exterminators were kicking the Gannons down the cellar stars, whipping them three times.

George Loohs, who replaced Frank Cronin on the Shamrocks, didn't waste any time getting started. The big speed ball artist spilled the maples for a 602 series and was top man for the night. Bill King who started the season with a bad thumb has finally started to knock them down. Bill now leads the league as well as having bowled the highest game so far this year. Old Reliable Joe O'Brien remains up in the 180 group, which is one of the good reasons for Widtmann's whirlwind finish.

Two weeks from today, Saturday, March 29, approximately 50 members of Fr. O'Connor Council will board the K. of C. Special which leaves the Illinois Central Station at 8:30 a. m. bound for Indianapolis and the National K. of C. bowling tournament. Riding in Father O'Connor's car will be our own Past Grand Knight and the tournament prexy, Bill King. Bill informs us that this tournament surpasses all previous tournaments in the matter of entries. Our congratulations to Bill, and loads of luck to all the boys in the tournament.

KNIGHT LIFE

Jack Touhey, chairman of the sick committee, was unable to attend the last Council meeting because he wasn't feeling well. Now the question is, who visits the chairman of the sick committee when the chairman of the sick committee is sick?

Eddie Zaleski, the Park Street playboy, still insists that all he chases is bugs . . . Which one of Dick Navin's employes hates war? . . . No word from Ex-scribe Jack Reilly as yet. As you know, Jack joined our armed forces last week. His first stop was Camp Grant . . . Earl Gannon is back slinging ink. In his absence the Gannon establishment is being watched over by Brother Harold Simon of General Sherman Council.

Bros. Al Long, Charlie Lannon and Bill O'Neill, all neighboring Brownsonites, invite all Fr. O'Connor members to participate in Chicago's first annual Over-Your-Average, All-Catholic Bowling Tournament. Entrees close Sunday, March 30, and the tournament starts April 12th. This tournament is sanctioned by the A.B.C. and all games will be bowled at Brother Long's Monte Carlo Recreation, 2263 Lincoln Ave.

We urge everyone to get behind Al, Bill and Charlie in putting this tournament over. They have always been supporters of Fr. O'Connor's affairs. For further information pertaining to the tournament call Lincoln 9151.

Feehan Prepares Its Candidates for Third Degree on March 23

2-4 Tues. . . . . Hamlin and Madison

Don't say you weren't advised of it, because we're telling you right now—that a big third degree exemplification in which said degree will be conferred upon several candidates from Feehan Council will take place at St. Philip's Gymnasium on Sunday afternoon, March 23. Let's have a good representation from the membership at this degree.

BAR-BE-QUE

What's that worthy project we spy lurking behind the front sheet of the calendar? Why, it's the Bishop's Barbecue, and it will be with us very shortly.

BOWLING

In the council league Illinois Laundry continues to lead the parade with 20 wins and 7 losses. Harmon Electrics are second with 18-9. Tied for third are Malee's Fighting Irish and Baer Bros. & Prodie, 16-11. Lemon King Senators have 15-12, J. J. Collins Sons 14-13 and N. Preib Cleaners 13-14. Quinn's Inn and Harold Crotty Boosters are knotted at 12-15, as are Judge Hackett's Pioneers and Edw. F. Moore Boosters, 10-17. Ed Kaindl Boosters have strengthened their grip on the cellar with 6-21.

Pat Riley still commands the struggle for individual honors with a 178 average, but is being pressed strongly by Frank McQuillan 176 and Jimmy and Joe Collins 175.

Last week's honor rollers were led by Pete Cantalupe, whose 237 contributed much to Illinois Laundry's victorious series. Other good games: Joe Malloy 215, Joe Collins 214, 210, Frank McQuillan 212, 204, Bill Ward 204 and John Schoemer 201.

SPARES

The lads from Feehan Council fared very well in the K. of C. State Tournament just closed. A total of $189 was distributed among the members as follows: Teams—Malee's Fighting Irish, $40; J. J. Collins Sons, $40; Judge Hackett's Pioneers, $20; Illinois Laundry, $15; Harmon Electrics, $11; Feehan Majors, $6, and Harold Crotty Boosters, $5.

Doubles—Edler-Schoemer, $15; Bill Barrett and Malone, $6; Wheeler-Condon, $5; Reynolds-Morrissey, $2; Fogarty-McQuillan, $2; E. Riley-Butler, $2; G. Becker-Jim Collins, $2; Waindle-E. Ryan, $1.

Singles—$2: Shea, A. Tamburrino, Condon, McSteen, Crotty; $1: Barrett, F. Tamburrino, Kelly, Gorman, G. Becker, Waindle, McQuillan.

April 5, in case you may have forgotten, is the date of the big trek to Indianapolis. GK Jim Collins and DGK Len McSteen went down last weekend for the opening festivities and report a very pleasant time albeit a somewhat hectic one. Their train crashed an auto on the return trip and annihilated it, but, fortunately, there were no fatalities, the occupants having deserted ship beforehand.

Then Len's car refused to start when they prepared to drive home from the station. Len discovered a little pool of water around the first plug and decided to raise it out by flowing gas in. Then he stepped on the starter. It worked. After the flames had been extinguished, Bro. McSteen concluded that he should have wiped up the excess gas instead of allowing it to evaporate, which it did—by means of spontaneous combustion.

Easter is scheduled for an early date this year, but Senator Wingfield beat even the bunny to the draw and showed up Thursday night with an Easter egg which he attempted to pass off as a bowling ball. It sparkled with vari-colored circles and, all in all, is a thing of beauty. It didn't prove a joy to the Senator for very long, however, as it failed to knock over any more pins than his old apple.

Birthday congratulations to Bro. Geo. W. Lyon, who celebrates this week.

Damen Arranges an Unusual Program to Mark Founder Week

1-3 Thurs. . . . . 6 N. Hamlin Ave.

P. G. K. Thomas Hoy has arranged a significant and unusual program to honor Founders' Week and past officers and members on Thursday, March 20, in the council chamber at 6 N. Hamlin Ave.

No mere puny effort nor mediocre meeting would be agreeable to Tom Hoy. Rather we can expect a program that is in keeping with his accomplishments, with his ability as an orator of international fame, and his record of addressing thousands of men at civic, political and religious gatherings.

We expect our Founders' Week Program to be of outstanding merit. So we do not hesitate to say, "Let's pack the council chamber on Thursday, March 20, like it has never been packed before."

MERRY MEN

Well known to all sons of Erin is the legend of "The Night of the Big Wind." Well, history repeated itself last Tuesday evening and what promised to be a battle royal turned into nothing more than a sham battle with the Brown Plumbers rising to bowling heights in making up a new high series, 2660, and high game, 958, for the current season, increasing their league leadership to five games by winning all three games and brushing aside the Big Wind, "Cassidy Tires," whose chances for a championship this season are now "Gone with the Wind."

The Reliable Credit team that was used for a doormat only last week, showed remarkable comeback ability by trimming the McMahon Undertakers all three games.

The Kelly Couplers, another knock-out victim of the previous week, returned to winning ways by taking all three games from the Stack Typewriters.

The John Gormans continued their winning spurt by adding the McEnery Realtors to their fast-growing list of victims. Using brains instead of brawn they managed to win two games to their opponents' one, although beaten in total by some fifty maples.

Names deserving the head-line were: That Brown Plumbers' team—F. Marnell, J. Caulfield, W. Sloan, T. Brown, P. Brown; J. Bowler of the Cassidys; K. Phelan of the Reliable Credit; H. O'Connell of the McMahons; J. Kulisky of the Kellys; S. Berg of the Stacks; F. Cooney of the Gormans; T. Reithal of the McInery's.

"Three down and one to go." The above bowling lingo means three complete rounds of the schedule have been played. The final or home-stretch round opens next Tuesday evening at the Cascade Alleys, 3825 West Madison St. Drop around some Tuesday about 9 p. m. and join the merry men of Damen at work.

Hughes Meeting Reports Keep All Members 'Posted'

1-3 Tues. . . . . 4711 W. Madison St.

At our last meeting, on March 4, Sir Knights Tom Dailey, Art Kreutzer, Joe Ryan and Jim Kenison told of their reaction after being inducted into the fourth degree at the last exemplification. Sir Knight Frank Van Heule was out of town, but word was sent that he would be present at the next meeting.

Catholic Action Chairman Jim Ryan reported that some of the neighboring theaters were again showing pictures classed as B and C by the Legion of Decency, and asked members to refrain from attending such performances. He also suggests that if you are not already a member of the Holy Name Society you join at once.

The John Raleigh Memorial Sunday was also brought to attention. Arrangements are being completed for the ceremony, and you will have full particulars very soon. However, keep the date in mind—it is May 11. Jim Ryan also told of the recent publicity given us in the columns of the Novena Notes and New World.

The dance committee reported in detail on February's affair. It was called to attention that just a small amount is still outstanding, and an appeal was made to correct this so that a final report can be made at our next meeting on March 18.

In the auditorium of Morton High School, and under the sponsorship of the Holy Name Society of St. Francis of Rome Church, a St. Patrick's Day variety show will be held. Our own Dinny Harper is in charge of program production. Our brothers are invited to attend.

Last Friday night, aided and abetted by a good feminine delegation, our grand knight led a loyal rooting section that just some months ago came through with their all to bring home the softball championship for good old Hughes. After our boys dropped the first, our rooters really went into action. Before our "victory talk," however, may we properly credit our friendly rivals from Brownson. In the first, Joe Sinke hit 210, Bill Gardner 232, Kass 182, Lieck 185 and Matz 230 for a total of 1,039 as against 955 for our boys; we lost that decision! Then the moral support came in. Results: two victories for Hughes. Tony Slanina opened with a weak hit good for 8 but got his spare and then dropped ten strikes with an 8 pin count on the final ball for a tally of 288. Jack Pender added 186, Frank Kaminski 198, Elmer O'Brien 194, so the team ended up with a big 1,121! Brownson then was subdued. Frank Kaminski and Tony Slanina continued their streak with the former handing in a 224 and the latter a 225 count. Here follows a tabulation of the games:

Slanina	199	288	225	712
Pender	163	186	178	527
Kaminski	207	198	224	629
O'Brien	184	255	195	634
Kowalski	202	194	150	546
	955	1121	972	3048

COUNCIL LEAGUE

Although much has been said of our Majors, still those who missed the fireworks at Cascade were treated to some very high class bowling in our council league. Dinny Harper, with 201, 258, 217, totaled 676, enabling his Tim Toomey Tavern to take three from Alderman Walsh Kids. Erv Lauterbach, Jr., had a 222 while for the Kids, Wall rolled 204 and Hamilton 210. Erv Lauterbach, Sr., had a 202, 218 and 233 for a 653 series, while Tom Dailey contributed 203 to total 560 and took three games for Lauterbach Coals from Votava Auto Fixers. Benes' 503 and Votava Jrs.' 179 tried to stave off defeat unsuccessfully.

When Thad Dietz rolled 180, McGivney 224 and Joe Ryan 183 their Elmo Ward Blues took the odd one from Flaherty Tavern which had Bolen with 183 and Flaherty 178. Malone & Clancy lost two to Peter M. Kellys when Art Kreutzer rolled a 535 series. Jim Shanahan was high for losers with 188. Howell's Restaurant dropped two to Douglas Coals although Rollie had 184. John Korbel had twin 198's and Nick Mulroe 193 for Howells. The match between Elmo Ward Golds, with Elmo Ward dropping 257, Joe Delaney 599, 211, 212, took two from John McKeown Cartage, although Harold Enright had a nice 207, Bieszart 188 and Jawn McKeown 181.

Next meeting will be Tuesday, March 18. A splendid program has been arranged by Lecturer Joe Ryan and his committee to celebrate founders' night. Come early to get the benefit of a good performance.

DE LA SALLE SALUTES ITS NEW SIR KNIGHTS

1-3 Tues. . . . . 1105 E. 47th St.

Although the Fourth Degree has passed, the memory lives on, especially in the minds of our distinguished new Sir Knights. De La Salle had the honor of having three priests and one layman added to the roll of the Fourth Degrees Sir Knights in 1941, these being: Father Lawrence Lynch, Father John Desmond, Father Thomas Riordan and Brother Daniel Loughlin. Our congatulations and best wishes to these members in attaining the highest realm of Knighthood.

Among our Sir Knights attending the banquet and ceremonies were: James W. Crowe, T. H. Brennan, Thomas O'Connor, John Wideman, Richard O'Brien, Joseph Gallagher, Frank Murphy, Robert Marshall, Thomas L. Riordan, William Riordan, John Looby, Matthew Power, John A. MacDonald and Chairman Alex MacDonald.

IN MEMORIAM

The parishioners of St. Ambrose church were visited with grief last week, when their beloved pastor, Rt. Rev. Msgr. William M. Foley was taken from them in the divine call to his eternal regard. De La Salle council likewise laments the passing of this fatherly nobleman of God, for he was known personally to most of its members.

Msgr. Foley was born in Chicago Nov. 11, 1863; ordained June 4, 1887 and died March 3, 1941. During the world war while serving as chaplain, Cardinal Hayes of New York, commissioned him with the rank of Captain, as his vicar general in charge of Army and Navy Chaplains in the western states. In recognition of meritorious service, Pope Pius XI conferred on him the honor of domestic prelate with the title of right reverend monsignor.

In his priestly service, he founded five parishes—Ascension in Harvey, St. John's in Glenwood, St. Agnes in Chicago Heights, St. Catharine of Genoa in West Pullman, and St. Ambrose at 47th and Ellis Aves., which he began in 1904.

Father Foley had been suffering with heart attacks for the past few years which curtailed his pastoral activities in which he was so vitally interested. Funeral services were held last Thursday, March 6th, 10 a. m., from St. Ambrose church. Interment in Mount Olivet. The body lay in state at the church and honor guards from the armed service and civil organizations stood watch while thousands of mourners paid tribute in passing the bier.

Scores of nuns and priests came to pay respects as well as the humble and the high of rank. Our chaplain, Father Tom Riordan, who attended grade school served as altar boy with Msgr. Foley, acted as master of ceremonies for the funeral services. De La Salle members will fondly remember Father Foley and prayers will be said for his eternal life.

PLEASE REMEMBER

South Group No. 3, of which De La Salle is a member will have the First and Second Degrees exemplified March 27, at the Santa Maria Council Club House, 9120 Commercial Ave., and on April 24th, Loyola Hyde Park will sponsor a First and Second Degree at their club house, 7435 Cottage Grove. Our candidates should be ready for one or the other of these degrees, so the proposers are asked to see the financial secretary and establish the eligibility of their candidates.

AFTER LENT PARTY

With the appointment by the grand knight of a special committee to seek ways and means for presenting a party after Lent, it looks again as if we are going to be treated to a bit of social life. The personnel of the committee consists of Richard Zellar, chairman, William Bardon, Dan Loughlin, Henry Miller, Phil Rotundo, Fred Henning, Jack Engel, James McGrath, Howard Brennan, Alex MacDonald and Edward Hagen. Chairman Zellar will call a meeting of this committee very soon and assign a certain portion of the work involved to each man. He will likewise deem it a courtesy to have written notes from any and all concerned making suggestions as to what will please and attract every member.

Winner of attendance reward at last meeting, Ed. Hagen and in turn Ed said he would have a few of the boys in the choir come in and sing for us. That is good spirit and we concur in it.

St. Anthony's Members to Receive Communion on Sunday, March 30

1-3 Thurs. . . . . Schiller and Gustave

The week of March 23 to March 30 has been set aside by the Supreme Council as "founders' week." and will be celebrated by every council of the order. St. Anthony de Padua Council is making plans for various activities during that week.

They will be climaxed by a corporate communion of all the members of the council accompanied by their immediate families on Sunday, March 30, in St. Gertrude's Church. A special mass has been arranged at 7:30 a. m. and space will be reserved for all the knights and their families. Breakfast will be served in the hall after the mass. Please do not fail to be present.

St. Paul of the Cross Council will be host to West Division No. 3 and sponsor a first and second degree Tuesday, March 18, at 6712 Olmstead. We will have some candidates in the class. Come over and assist.

The third degree will be exemplified at St. Philip's Hall, Jackson Blvd. and Kedzie Ave., Sunday, March 23, at 2:30 p. m. Several of our boys will receive their degree at that time, so don't miss it.

During the past week you have received a letter from Grand Knight John Deignan referring to the blood donors' group. Please fill out the card that was inclosed and return it to him at once so that he may complete his records.

The "oldtimers" are coming back one by one. We were very happy to see Bro. J. H. McGrath at our last meeting. Come more regularly, Mac, and bring some more with you.

We regret to report that Bro. Wm. J. Foley has been seriously ill for some time. We sincerely trust that he is now on the road to recovery.

The children of Bro. Ed Osweiler are recovering from a case of measles.

San Salvador Active in Membership Drive for Coming Initiation

2-4 Mon. . . . . 24 E. 114th Pl.

In between the reporting of special events, we indulge from time to time on other matters of interest to the council as a whole. Foremost at the present is the matter of membership. The time remaining before the Palm Sunday Degrees is growing shorter by leaps and bounds.

Consequently, if you have a prospective candidate in mind for the Palm Sunday Degree, you had better get busy at once and bring in that application. Any organization, to be effective, must keep humming with activity and right now the hummingest thing we could do would be to sign up a large group of new members. Let that be our task for the moment.

DONORS' GROUP

The Blood Donors' Group recently acquired several more volunteers for its splendid work, but there is still plenty of room for more volunteers. Get in touch with our Recording Secretary, Bro. Tim Griffin, who will arrange for the typing and the transportation to and from the hospital.

Incidentally, we are pleased to report that the mother of Bro. Stacey Rimkus, who was given a transfusion by Bro. Griffin, is making a rapid recovery and should return home from the hospital soon. No question but that the speedy response for blood donors saved this fine woman's life. In view of the fine work already performed and the potential good that may yet come, we again urge you to join this excellent endeavor.

BOWLING

The Council Bowling League is still very much of a tight race, although at the present writing St. Anthony's Richards hold the top spot. However, the two teams tied for second place are only two games behind the leader, so first place is far from cinched. The council's entry in the State Tournament finished about fiftieth out of some 400 entries, which gives them a share of the prize money.

COUNCIL NOTES

Irish night last Monday was enjoyed by all present. P. G. K. Frank McMahon, our globe trotter, gave some interesting stories of his several visits to the ould sod. He was followed by Bro. James O'Ducci, who gave a fine performnace in the singing of several Irish songs. The piece-de-resistance, of course, was the delicious corned beef and cabbage prepared as only Bro. Cliff Heffron can prepare it. Bro. Matt Smith was out seven dollars by not being present at our meeting. It goes up to eight next meeting night. Bro. Bill Cassidy was richer by one dollar when his name was drawn for the dollar award.

Past Chaplain Father Taillon, pastor of St. Louis parish, is quite ill. Our prayers are for a speedy recovery. Just to give you plenty of advance notice, the council's annual Communion is set for May 4th at St. Anthony's Church at the 8 o'clock Mass. The books for the big new Buick to be given away at our picnic are now on hand, and already distributed. Get yours early from Bro. Marty Cooney, Fin. Sec. James Burke, or Bro George Mason.

St. Rita Bowlers Hit Finals with Manors Over Par

1-3 Thursday.....6048 S. Fairfield Ave.

St. Rita Council's bowling league rounds the last eighth pole tonight with the Manor Radio quintet the "odds-on" favorite to have its nose in front at the finish. Paced by anchor man Gus Hilbert the dialers have rolled up the enviable total of 43 games won against 29 lost.

From where we sit, Gus' team, although it has slipped to the extent of dropping four of its last six games, should be able to stem off any stretch drive of close contenders and finish on top. With only six games left on the schedule, including tonight's series, the Manors have two more wins and two less losses than the second place Doctors. The medicos have 41 won and 31 lost.

By winning four of their next six games the leaders will be assured of at least a tie for the spoils even if the Doctors should make a clean sweep of their remaining games. The third place Fleming Realtors have a slim chance should they repeat their Garrison finish of two years ago while the Manors blow wide-open, but the dope from the betting circle says not to lay any money on it. The Flemings as of today have 39 won and 33 lost.

The next four teams are bunched together and still have a mathematical chance to cop but should be excluded from the race. Summing it all up it looks like Hilbert, Scalise, Leverenz, Jun, and Rasz will be the recipients of the annual "Oscars." (But watch for a miracle from the Sullivans—Remember God loves the Irish, especially when they have an Italian rolling with them.)

The team and individual standings to date:

Setters' Membership Drive Goes Into Top Speed for Final Lap

2-4 Thurs. . . . . 4711 W. Madison

The Spring Membership Campaign of Father Setters Council is now moving into full swing under the energetic and aggressive leadership of Grand Knight Maurice J. Kissane. Extensive plans have been prepared by the G.K. and his board of strategy for carrying out the objective of the movement, i. e., a substantial increase of members of Father Setters Council by the end of the organization's official year, June 30.

Not only have the plans been laid but definite arrangements have already put them into practice so that maximum results can be achieved as a result of the campaign.

The effectiveness of the drive is being felt even at this early date, for, on Thursday evening, February 27, several new Settersites took their First and Second degrees in a joint initiation ceremony in which seven affiliated councils participated.

In cordially extending to all members of Father Setters Council an invitation to join in this work of building up the manpower of the organization, Grand Knight Kissane has set the example by being the sponsor of a candidate in the recent exemplification. Rallying around such a leader, the members of Father Setters are certain to respond with full co-operation, in that splendid spirit of loyalty which characterizes all their activities.

In connection with the drive, it is again suggested that all Settersites familiarize themselves with the features of the new insurance plans of the Order, since this is a subject in which candidates are certain to be interested. There are, briefly, five new forms of policy which are available to new members: (1) Life, paid up at age 70; (2) 30 year payment Life; (3) 20 year payment Life; (4) Endowment at age 65; (5) Modified five-year step rate. For further information on these policies members should consult Grand Knight Maurice J. Kissane or Financial Secretary Thomas A. Lavin.

Brownson Expects Record Crowd to Trek Indiana Way

2-4 Frl. . . . 4754 N. Western Ave.

For the past eight or ten years Brownson has always been well represented at the K. of C. National bowling tournament but this year more so than ever. On Saturday, March 29, together with other North side councils, forty of our bowlers will leave for Indianapolis, there to try and bring fame to Brownson and fortune to themselves. We know we speak the sentiments of all our members when we say "Best of Luck."

Last Tuesday in our council league Sam Ciesinski was high man with 581 and helped the leading Gartner Tailors win two games from their arch rivals, the Alderman John J. Grealis team. More good news: The Best Furniture team won 3 games from Northbrook C. C. and are now only 15 games out of first place, with 21 games to go. They shot their second 2700 series in a row. The boys are sure hot.

Ed O'Connell rolled his first 400 series, getting 421, but his team the Norman McShee's Undertakers lost two to the Sunnyside Inn. The Cullom Club won three from Doose Studio and are now only 3 games behind the leaders. Wm. Fergus showed them how with 502, while George Gaffke got 525 on the left side of the alleys for Doose.

MEMBERSHIP

During the past few weeks we have tried, through the medium of this column, to bring to our members' attention, reasons why all Catholic men should be asked to join, and should belong to the Knights of Columbus.

We claim no credit for the success that our membership chairman, Frank C. O'Connor has attained thus far, but we will endeavor to try and make his task of securing forty new or old members by June 30, with the help and cooperation of our other members, of course, a little easier by continuing to keep this all important subject before our brothers.

One of the things that our members should always keep in mind and try to carry out is the securing of young men to fill our ranks. Young men between the ages of 18 and 25. We are reminded of an article we read not long ago about the late Most Rev. James E. Quigley, D.D. who as Archbishop of Chicago in 1902, addressed the State Convention of the Illinois State Council and said, in part:

"Now you have assumed in the country, and in the church in this country, an unusual importance, and you are very close to the church, and being very close to the church, you are very dear to the church also. There is one thing particularly which is beginning to give me more than ordinary consolation and courage, and that is that the Knights of Columbus are becoming the society best adapted to our young men in our present social, religious and public life.

"Only a week ago last Sunday I attended a public demonstration on the part of the K. of C. and as I passed through their files, nearly a mile long, I noticed that their ranks were made up of young Catholic men between the ages of 18 and 25; that is the class of young men which the church has always found it difficult to care for, most difficult to guide and most difficult to control; and nevertheless, the future of the church and the future of society in this country, depends upon young men of that age."

His Grace went on further to say, "we have many excellent organizations of men and women in the church that are national, whose membership runs into hundreds of thousands, but they have their special work and they are doing that most excellently and to the great gratification of the church now.

"I believe if there is one thing in particular which the Knights of Columbus is adapted to, it is this work amongst the young men, and therefore, in your councils and in your conventions give some attention to it. We bishops and priests have tried to do it for years, and I must say we have not proved in the work a very great success."

In 1941 as well as in 1902 the church still needs our help. A true knight always heeds the call of Holy Mother church, so keep in mind the words of Archbishop Quigley and speak to your young men acquaintances about our Order.

Hildebrand Gives You Excellent Reason for Attending Next Meet

1-3 Thurs. . . . 5711 W. Chicago

Next meeting Thursday, March 20th . . . And another surprise is in store for all in attendance . . . The Grand Knight is arranging for special gifts to be given to each member in the hall that evening, and you should be there to claim yours . . . Report of last week's bowling contests shows the Dean Steel in rare form taking two from the O'Hara Undertakers and the J. P. Ryan quintet putting on the steam to eke out the odd game from the Moderns . . . We have until June 30 to make our ten percent quota . . . And indications are that we will be on the list of Councils meeting the requirements of the present program . . . Father Dougherty, our beloved chaplain, is somewhere in the South with the Mission Band . . . We were glad to see Al Pierce at one of our recent meetings . . . Bill Byrne vows to put in an appearance soon . . . And what has become of our handsome Officer Gene O'Donahue . . . Our far south side representative is George Meldrum who makes it about once per year . . . That time is close at hand . . . Pat Flanagan is a real asset to the Council and we look forward to long associations with him . . . The work of Uncle Sam seems to detain Mike Boylan . . . A few applications for the meeting of the 20th will be just the thing to make it a perfect evening . . . Just a little help from all and the job will be easy.

Gen. Sherman Urges Member Support for April Dance Program

1-3 Tues. . . . 4300 W. North Ave.

Is everyone dance conscious? Of course! At least you should be with our April affair nearly here. Your grand knight would like to see more members at his office Friday evenings after 9 o'clock. The general outline is coming along nicely.

We will have an ad program and Matt Ellgass is chairman. Let's not stop there and let Matt hold the bag. To you brothers who are in busienss, this is one of the finest and cheapest mediums of letting the rest of the council know about your business. Or, if you know of someone who would benefit by putting an ad in our program, contact him. The rates are reasonable. For further information telephone Matt at Belmont 6019. Dance tickets are in the mail. Watch for them and please sell them.

CONDOLENCE

It is with sorrow that we announce the passing of Mrs. Katherine O'Shea, mother of brother Frank O'Shea. The funeral was held Wednesday from Our Lady of Angel's church to Calvary. May her soul rest in peace.

NEWS FLASH

It's Bert Welker again, folks As most of you know Bert is an employee of the International Harvester Co. which has been out on strike for about five weeks. Having a family to look after, he wanted a job. He found several such as delivering telephone books, peddling fish, and helping out the Fuller Brush man.

Then he landed a job in Cleveland. What he is doing I don't know, but it is honest work that I am sure. That strike will have to end now for sure, we can't be without a Counsellor, the bowlers must have a secretary and he also is chairman of our dance.

BOWLING BY BERNIE

To the Buckleys, McLaughlins, Hanrahans, Tierneys, Gradys, Ryans, Halls, Veyseys, Eddie Gearey and all other sons and daughters of Eire, whom I might have missed, 'tis a very happy St. Patrick's day I am wishing you.

While looking through the prize list of the State K. C. bowling tourney, lo and behold what do I see: Glen Realty wins ten, Judge Tremko eight, Boots Johnstown seven. Put them together, that means just twenty-five dollars. It could have been more but thanks for little favors.

The two Edward captains, Geary and Hoelterhoff figured it was time for some serious bowling. After giving their men a little pep talk, they went to town and each team won three games. Joe Krautsider bowling the best game of his life. This fellow Shawfrank just has to look at pins and they fall. The Governile boys Sam and Frank really clicked. Frank Mootz was hotter than a stove. Dock Hensen is a natural, I mean bowler. Geo. Lindenschemidt is getting some timely brakes. This Welker guy—well, he's just a fine bowler. Veysey was that scoreboard hard?

Collins Undertakers put skids under Boyda Dairy for three games and pushed them out of first place. They also took over high game and high individual game. O yes, they also shoved Tremko Judges from third to fourth place. Glen Realty winning three games from Boots Johnston's tootsie rools. The standings are:

	Won	Lost
Glen Realty	40	26
Boyda Dairy	37	29
Collins Undertakers	37	29
Tremko Judges	37	29

Sol Crossanti and Joe Foy, two of our old timers, will be back next year. Glad to have you boys.

OUR LEAGUE—It is true that everyone wants to win—it is only natural, just like wanting to get ahead in this world. Our league is composed of a body of men that are good sports and above all good fellows. So win, draw or lose, it must not make any difference.

At our Aurora party I overheard a remark which made me feel very glad. This bowler not bowling with General Sherman, but in a different league said: "Next year I am going to bowl with you boys because you bowl to have fun, not for blood." That really is the spirit. After all we are all brothers in this grand organization.

Calumet Prepares Royal Welcome for Party Guests Mon.

2-4 Mon. . . . . 6646 Stony Island

Lecturer Frank J. Walsh has everything in readiness for our grand St. Patrick's Nite (Mar. 17) Charity Ball at the Casino Moderne, located at 63rd St. and Ingleside Ave. This is truly a beautiful ballroom and a delightful surprise awaits you if you have never been there. It is the last word in ballrooms in the city. The furnishings and decorations are artistic and special appointments will be made for the evening. The dance floor is the finest and most resilient in the Middle West and will easily accommodate two thousand dancers.

This affair has been carefully planned with the thought of gathering the young Catholic boys and girls in an appropriate setting under the supervision and care of your council officers for an evening of good clean fun. We ask that you invite the families of your friends, bring them along with your own folks, make this a night for the whole family, your wife, mother, daughters, sons, sisters and brothers. Don't forget that the old folks will be specially entertained and we want to see them with you.

Everyone is well acquainted with the charities of Calumet Council in the past, our funds for this purpose need bolstering up a bit and you should do your part by not only attending yourself, but invite your friends. The expense for a large affair of this nature is necessarily heavy, therefore we need a capacity house to make a real showing for our charity fund.

The night is next Monday, March 17—dancing starts at 8:30 o'clock—we will be looking for you.

FOUNDERS' WEEK

The national observance of Founders' Week by the Knights of Columbus throughout America will be held during the week of March 23 to 30. Calumet Council has entered into the spirit of this observance and Chairman John B. Roach, Past Grand Knight, has arranged the following program:

Monday, March 24, Council meeting at which your guests both ladies and men will be welcome. There will be a speaker of note and Lecturer Frank Walsh has arranged some entertainment that will be appropriate of the season and the occasion.

Thursday, March 27, the First and Second degrees will be exemplified—you are requested to get an application in for that class. Applications received up to the next meeting will be included in the degrees. However, we ask that you send in the application by mail at once.

Sunday, March 30, the Council will receive their Annual Communion at the 9 o'clock Mass at St. Clara's Church, 64th Street and Woodlawn Ave. Members will assemble in the school hall at 8:45 as that is the hour we will proceed to the Church. Immediately after Mass breakfast will be served in the Hotel Hayes, 64th Street and University Avenue and according to Lecturer Walsh it will be complete in every detail. Chairman Roach will have a noted speaker of great renown address the assemblage after breakfast—at the time of going to press definite arrangements have not been made, but his name will appear in next week's issue.

On Sunday afternoon, March 30, at 1:30 o'clock the Third degree will be conferred on our Second degree members at Perez Clubhouse, 6710 S. May Street. This will be a real active week in the interest of Calumet Council and the Knights of Columbus and we hope that all will enter into the spirit of the program by attending these affairs and obtaining at least one new candidate.

SICK

Deputy Grand Knight Rafferty announced at our last meeting that Brother Bernard J. Condon is confined to the Mercy hospital with pneumonia, but is making fine progress. Brother William Grady is at the Mercy hospital, details of his illness are not at hand. Dr. Marcus L. Manley, former Medical Examiner of Calumet Council, is in the Little Company of Mary Hospital as the result of an automobile accident. His injuries while not serious are very painful and will require him remaining at the hospital for five or six weeks.

Brothers Jim Little and Jim Casey are still at the Hines hospital. These brothers will all appreciate a visit so drop in as soon and as often as possible. We are glad to report that Brother John E. Sheridan is back home from the hospital, also Mike Murphy, bowling secretary, has returned from the Passavant hospital after treatment for a finger infection. Brother Thomas Iwinski is fully recovered from his recent illness and back on the job.

BOWLING

Everyone is set for the National Bowling Tournament which takes place in Indianapolis. Calumet's teams will leave over the Big Four Saturday morning and bowl the five man events Saturday evening and the single and doubles Sunday afternoon.

George Gilmore, Steve McCarthy, Tudor McMahon, J. Fitzgerald, J. Gilroy and Ed Quinn have signed up to accompany the teams and any others who desire to make the trip should contact Joe O'Connor now.

Just received a card from Brother Ed Connor of New York Central fame who is basking in the sunny clime of Florida. Sure makes us jealous when we look out the window at the snow that has been falling all day.

Winding up with a plea from Tom Walsh, Membership Chairman, not to overlook the most important work in Calumet Council, that of obtaining new members. Do your part and we will have a 100 per cent response.

O'Connell Plans Early Barbecue Activity to Mark Achievements

2-4 Tues. . . . Hill and Franklin

Very soon now you will be presented with your 1941 Edition of the annual barbecue. By this I mean that the plans are already under way, and this year we must double our efforts to put the name of Daniel O'Connell Council on top.

Grand Knight Tim Clifford seems to have been the early bird this year, as the envelopes have already been procured from the committee in charge, and O'Connell's roster has been submitted to this committee, and further, we expect to be among the first on the street with the books.

As to the exact details, we are not aware, but assuming it will be patterned after previous ones, you all know that by the sale of these tickets, you benefit the underprivileged youth of our community. Secondly, the Council will receive a substantial benefit, and finally, depending upon the effort you put behind the movement, you will be handsomely rewarded.

As soon as you receive your book, read the small instruction note attached, and you will be advised of the number and amount of the prizes, as well as the reward to your council and yourself. Other than to add that "the early bird gets the worm." Last year Bros. Clifford and DiMaggio tied for first place, with 7 books apiece. When you get 'em give yourselves a hot-foot and get goin'.

Our membership committee headed by Bros. McAuliff and Marino have loaded their double barrelled shotguns with applications and are setting a good example. Let's back up the committee chairmen and get a few apps ourselves.

The Fourth Degree Club, at last a reality, is now gloriously sailing along. Join the good old vessel yourselves so we'll have a big class of candidates next Feb. 22nd.

BOWLING

Here's a "tops" in sports. Young Bro. Joseph Meier modestly reported that the team is doing fairly well for the first year and that they were in sixth place. This ended his report. I learned however, that the splendid showing of our team was in part due to the following: His first game a measley 184, the second a mediocre 235, and the third a bare 264, for a total of only 683 pins. Capitol W.O.W.

Major league here we come—look out. Other notable scores throughout the year are: Bro. Erkenswick 584, Bro. Hughes 597, Bro. Burke 580, Bro. Snyder 575, Bro. Van Deman 594, Bro. Maloney 603, and so on. Not at all bad for the first year.

At last your scribe got stuck for a Jit. Bro. Marino helped me along with a notice of an illness. Come on boys, even if its only a penny post card, it will help the Christmas cheer along. Next week a report on Bro. Tushaus lecture.

St. Joseph's Dance to Be Given Monday Nite; Friends Are Invited

1-3 Thurs. . . . . 57th and Archer

The attendance showed a slight decrease at our meeting of last week, but interest was sufficient to keep it going until quite late. Emblems were distributed by Blood Donor Chairman H. Spadoni and those members of this group who were not present, may receive theirs by attending the next meeting.

Next Sunday's bowling will be at Lambert's Alleys at 2:00 o'clock. Why not join this growing group and enjoy an afternoon of friendly sport.

AND OF COURSE

Monday, March 17th, is the Dance. Needless to say this Annual St. Patrick's Ball, the oldest local social event, is now being sponsored for the 29th year. To our members we believe no urging is necessary to be present, and to our friends we extend a hearty invitation.

We expect all of you on Monday night at St. Blase Hall. Won't you be there to help make it a big success?

Our next meeting is Thursday, March 25, at which will be exemplified the First and Second degrees. As there will probably be visitors from other councils, it is hoped that we will have a huge attendance of our own members, not only to impress our visitors, but more especially that our own candidates may be properly impressed.

Chicago Prepares for Retreat at Mayslake Starting Next Friday

2-4 Tues. . . . . 64 E. Lake St.

Suggesting that the annual retreat at Mayslake should be considered by Chicago Council members as a "must" appointment like the annual Communion Sunday, Co-chairman Bill Pellicore of the Retreat Committee spoke at length last Tuesday evening on his project of organizing the council's largest Retreat group.

The Retreat, which begins on Friday night, March 21st, is a convenient weekend soul-searching pilgrimage which every one of us should engage in at one time or other during the year. If an annual audit of our material affairs is of benefit to our financial well-being, why should not the Retreat be of similar benefit to our immortal souls? It being our life's work to care for our soul so that we might merit heaven as our eternal reward, it behooves us to find out from time to time whether we are doing the job properly—and how are we to find out if we do not undertake such spiritual audits as are made possible by missions and retreats.

This annual Retreat at Mayslake sets up an annual opportunity at a time of the year when there is no great distraction such as Sunday golf or baseball. You retire Friday night to Mayslake and emerge bright and happy on Monday morning in plenty of time to return to your routine duties. Transportation? Expense? Baggage? That's easy. Call Brother Pellicore or Chairman Joe Schmitz.

MEMORIAL

Our last Memorial service was held in November of 1938. Since that time Chicago Council has lost a considerable number of members whose memory will be honored at our meeting of March 25th. To our newer members who have never witnessed this beautiful service we extend the word to be sure to attend. Chicago Council, like all good Catholic organizations, provides for Requiem Masses for the repose of the souls of deceased members; this Council Memorial ceremony is our own private remembrance and is very beautiful.

SICK

Our major bowlers, winning two of the three games last week, opine that they might have made it three-all if Brother Frank Parenti, the demon pin-crusher, had been in the line-up; but at that very time, Brother Parenti was thinking of things other than bowling activities. He was just coming out of the ether after the removal of his appendix. And now he is coming along in fine shape. Temporary address? American hospital, 850 Irving Park Road.

P.G.K. Edward O'Connor is still at Alexian Brothers hospital, coming along o. k. but not permitted visitors.

THE BOWLERS

Here's more good news about our Major League team: Last Friday our boys took two of the three games with St. Paul of the Cross and started training for the big series with Carroll this week.

The Wednesday night league produced two high class battles. In one, Ryan Coals emerged a triple winner over the league-leading Franz Guards with Mike Bonahoom pacing the victors with a 212 game and 514 series.

AT OUR NEXT MEETING

Time will be taken at our meeting of March 25th to look into the Pot of Gold for the name of an attending member, so that he may be provided with a ticket to the Golden Jubilee banquet. Also, the Athletic Fund books are to be turned in complete and final and the award made.

If you have an open date for St. Patrick's day, you might consider Illinois Council's invite to their dinner party at the Ivanhoe at Clark and Oakdale on that night. The $2.25 covers all expenses including tips. You will have a right good time.

According to the Chicago Tribune, the World War cost us 126,000 in dead, 234,000 in wounded, and sixty-two billion dollars.

St. Paul Meetings Are Pepped Up by Famous Speakers

1-3 Tues. . . . . 6713 Olmsted Ave.

We didn't ballyhoo the speaker for our last meeting because we didn't know the topic of his talk, nor did we know how effectively he would bring home those homespun truths which most of us recognize, from early childhood training and parochial schooling, to be basic, fundamental and outstanding facts underlying this thing we call society. Nor did we ever dream that he would tell us, straight from the shoulder, in plain, understandable and unmistakable language, that unless our nation retraced its steps and assumed its responsibilities and duties; unless our citizens returned to the family unit as the pivot and basis of a forward and strong society, we would keep on tobogganing at an ever accelerating pace into a nation of softies, panty-waists and sissies.

We didn't know that he was to remind us of the dozen and one other things which, in our efforts to make a living or to get to work on that second million, we've forgotten. But why go on and on?

Paraphrasing the remarks of the boys present, it was the best talk we've heard in many a year. Every member of the council should have been in the hall. We say, without fear of successful contradiction, it would have been the best evening you've spent in a long time. The good news is that we have a promise from the speaker, Chief of Detectives John L. Sullivan, that he will come back to the council chambers again soon and bring with him pictures which will emphasize the points that he drives home with the accuracy of a marksman.

REV. HAGSPIEL NEXT MEETING

Last week we mentioned that the GK has arranged to have Rev. Fr. Bruno Hagspiel, Procurator of Foreign Missions of the Society of the Divine Word, talk at the next meeting, March 18. Here is another opportunity to hear a speaker of prominence in his own field, who has traveled the world over—not once but several times, and whose words carry the weight of one of experience on a large scale.

Permit me to digress for a moment to say to those of you who complain of the lack of interest in our meetings that your officers are calling your bluff with speakers such as we have just described. Now it is up to you to do your part and to make it possible to secure other prominent speakers by assuring your officers that they will have a real audience for the speakers to talk to.

NATIONAL TOURNAMENT

We suppose that most of you who are planning to make the trip to Indianapolis for the K. of C. national tournament have already indicated your plans to PGK Geo. Harbert. If you haven't, then you had better do so quickly as the time is getting short, real short—in fact there remains but two weeks to the time when the boys will be boarding that choo-choo for another of the council's long-to-be-remembered week-end excursions into the realm of happy days where there is nothing but fun and merriment from the moment of departure until, as George said: "You are tucked away in your own bed on Sunday night" and after that the pleasant memories of a short vacation that bordered on the utopia. Yes, we said UTOPIA.

We hear that: Dr. Eddie Meyer will keep office at 4:00 p. m. next Sunday, March 16th, so that the members of the St. Dismas Club (the name given to the blood donor group in the council) can have the necessary tests made and be properly classified. The good doctor is giving this time gratis, so please report on time. The doctor's office is above the old Norwood Bank on the corner of Raven St. and the N. W. Highway. . . Steve Wren has been on the sick list; they tell us he is "off his feed" since Fetter's put him in a white collar job. . . The bowling season is in the "home stretch" and some of the boys are getting "hot" under the collar; the race may end in white heat for some of the teams, while Fetter's will be basking in the noon-day sun.

Genoa Giving Entire Attention to Gains in New Member Drive

1-3 Mon. . . . . 7439 Cottage Grove Ave.

With activity in the council running at full speed ahead, the membership committee under the leadership of Bro. Gerry Getty, with the full cooperation and support of GK James F. Riley, Jr., and officers of the council, an unprecedented drive for members is about to begin.

Every member of the council is urged to look over his social contacts and see whether or not there is one or more gentleman friend that he would like to bring into the Knights of Columbus. In the very near future the council will again exemplify the degrees and it would be most pleasing if we could have an outstanding class ready to join at that time.

Although there will be a business meeting this coming Monday, it is expected that the following meeting will make up for the social program and encourage every member toward accomplishing the purpose of increased membership.

UNKNOWN SOLDIER

The program originally planned for Monday has been postponed until the first meeting in April. Bro. James Large has arranged this program through the co-operation of the American Legion and the Standard Oil Choral Society. Make your plans now to attend. Let nothing deter you or let you make other arrangements for that night—Monday, April 7.

DUES AND ASSESSMENTS

GK James F. Riley, Jr., and Collector Walter Kramer are urging every member of Genoa to keep his dues and assessments paid up to date so that there will be no possibility of their being dropped or suspended by the council. If you are not certain of your standing along this line contact GK Riley or Wally Kramer.

Marquette's Guest of Honor in Interesting Discourse at Meeting

1-3 Thurs. . . . . 1928 Devon Ave.

At our last meeting Mr. William Ward of De Paul University was our guest speaker. His subject, "Americanism as Totalitarianism," kept the members in attention and was greatly appreciated. The council thanks Mr. Ward generously for giving us his time. GK Hesse was absent due to an important appointment, and DGK Chas. Schmal was our presiding officer. Charley conducted the meeting with dispatch and our lecturer, Tom Loftus, supplied all present with refreshments. Our thanks to Joseph H. Meyer for preparing the repast.

Last Friday ye scribe visited with PGK Walter Simon, whose address is 646 Roscoe St. We both enjoyed talking of our council and events of the day. Divine Providence has not yet seen fit to lift the cloak of suffering from this brother, so may I ask all of you to remember him in your prayers? His long siege of suffering has not broken his spirit nor taken the edge from his hearty laugh. May God speed him back to us soon. He would appreciate a visit from any of our members.

NEWS

Our good friend and brother, Earl Gallagher, is now at Camp Forest, Tenn. Earl enlisted in the 108th Engineers and left Chicago this past week. We wish him Godspeed and a safe return home.

PGKs Tom Griffin and Ed Delana have returned from Florida, where they spent several weeks basking in the sunshine with their families. Bro. John Hanley has been commissioned a notary public. Bro. Winan C. Buettgen is in charge of the ushers at St. Henry's.

BOWLING

The McGuires remain in the lead in our council league. Last week they won all three from the Griffins. PGK Loderbauer was high for the McGuires with 575, while the captain of the Griffins, Bro. Phil Wetter, for the fourth consecutive week led his team, this week with 545.

On the other alley the Donoghues won two out of three from the Delanas. Bro. Tom Murray led the Donoghues with 550, while DGK and captain of the Delanas had 540. Official standings are:

	Won	Lost
McGuire Wildcats	36	30
Donoghue Tricks	33	33
Delana Demons	32	34
Griffin Tigers	31	35

Next meeting is Thursday night. Please be present and try to bring in a signed application. A happy St. Patrick's Day to you all.

BLIND BROTHER LEADS IN CARE OF SIGHTLESS

Melbourne.—Several years ago a Christian Brother, prominent in the fields of education, lost his sight. Today the cause of Catholic Action in Australia has been materially promoted because of that brother's blindness.

Brother J. K. O'Neill, who had a notable career as an educator and administrator, suffered the loss of sight in middle life. Since that time he has become an apostle among the sightless and has caused auxiliaries of workers to be formed to provide books, especially spiritual reading, in the Braille script, to act as guides for the blind, and to instruct them in Catholic doctrine.

In Adelaide and Melbourne hostels have been founded for the Catholic sightless, from which visits to a church may be undertaken daily without the necessity of crossing traffic. Brother O'Neill is now leading a campaign for the education of blind children to counteract the system under which they were given the same training as deaf or dumb children.

Bro. Joe Eichten postcarded a line from Havana, Cuba, where he's down enjoying the comforts of the tropics. . . . It's a girl at the P. G. K. Ed Nugents . . . Congratulations to the proud parents of the little miss.

Sponsors of last meeting applicants were Ed Gaul, 2 . . . Joe Winiarski, 2 . . . Jack Fanning, 2, and one from Joe Palka, James Hennessy, John McCool, Tony Palka and John Clinton. . . . FLASH: Three of our most popular bachelors were invited to a house warming on S. Paulina street last Saturday night, but on arrival met up with a blackout. . . . What's the answer, Quiz Kids Tom, Doc and Roy? . . . Our young member (Ed (Duke) Rice, is finding renown . . . having his picture sketched around the town.

Chicago Heights Will 'Bow to the Green' at Dance Tomorrow Eve.

2-4 Mon. . . . . 1527 Otto Blvd.

All the "wearers of the green" are called to attention for Saturday, March 15, the date of our annual St. Patrick's Ball. This will be held in the Democratic Club on Otto Blvd. Lecturer Oscar Fox and his committee have completed elaborate plans for one of the finest dances to be yet sponsored by any organization in Chicago Heights.

Novel and appropriate decorations will adorn the main ballroom, and tables will be arranged around the floor in true cabaret style. Art Collins and his ten-piece band will provide excellent music.

Remember, brothers, this is our one and only sponsored party of the year, so gather your friends and come along to help give our guests the time of their lives. Invitations are $1.50 per couple and may be obtained from Lecturer Fox, C. H. 2286 or 2500; Matt Walwer, C. H. 3100, or Ralph Einhorn, C. H. 714W. Other officers of the council will also be able to care for you.

This affair is a big undertaking, therefore we ask the wholehearted cooperation of every member to help make it a grand success. So be there with your friends. Members of other councils are cordially invited to be present.

LAST MEET

The members present at our last meeting were well entertained, but not long detained. D. G. K. George Pallo, after counting only four noses, promptly called for dismissal. However, at our next meeting on March 24, we are looking forward to a very large attendance. G. K. Joe Dionne particularly requests you to attend and bring along those new applications so that they may be acted upon in time for the Palm Sunday initiation.

During the Lenten season we have the opportunity of thinking back over 1900 years to the greatest drama of the ages, the crucifiion of Christ. We can compare that day to the present, and although the characters of the mob scene have changed, the drama still is being enacted in many parts of the world.

The Catholic Church still is persecuted. We need just listen to the verbal attacks, perhaps not loud, but being made just the same. To some this is fantastic, but a glance at any paper will reveal stories of the trials of the Church today. This can and must be overcome. Catholics must be alert at all times. We should know our religion and be aware of the dangers lurking near by. Catholic Action is ineed needed.

There are many eligible young men who could be associated with our Order, and each one of us should try to "sell" these young men the idea of joining. There are only a few months left in which to meet our quota. Let's go over the top this year.

ABOUT OUR MEMBERS

We know that Uncle Sam is more important than this column, but he certainly complicates things when he calls our members so soon. We just discovered that Bro. Lawrence Monaldi is in camp in San Francisco, Calif. We're sorry to have you so far from us, Larry. Reports reveal that Chancellor Walter MacMurry is next on the list. Cheer up, Wallie. Congratulations to Bro. George Hardin. He was one of the prize winners in the singles of the K. C. Bowling Tournament. On Sunday, March 9, a large number of Holy Name members attended Mass and received Communion. Among this impressive gathering were several of our members.

It is with deep regret that we announce the death of John Jurman, grandfather of P. G. K. Larry Jurman, who passed away March 5. A large number of brother knights assembled at the wake to pay final respects. Burial will be at Pittsburgh, Pa., March 8. May his soul rest in peace.

Brothers, you can help this column greatly by notifying the chairman of the Sick Committee of any brother you know in distress. It will give us and opportunity of paying them a visti during their illness.

Madonna Loses Valued Friend in Passing of P. G. K. Austin O'Malley

Cold, pale fingers of light groped through the window, crept across the floor and, climbing the hospital cot, softly touched the pain-wracked form that lay there. The Angel of Death, tip-toeing into the room, bent over and gently broke the gossamer thread of life, and the vibrant being that had been Austin O'Malley free, at last from suffering, started on the Last Adventure.

THE STORMY PETREL

Of Madonna Council, after a year of illness, despite medical science, succumbed Monday morning at Little Company of Mary Hospital.

Austie died fighting bravely for life, fighting, as he had fought in life for everything that was right and just, good and clean. From his entry into the council, through his various offices of scribe, outside guard, D. G. K. to Grand Knight, he fought and lived for Madonna Council.

Possessed of boundless energy, he was engaged in every activity, every affair that occurred, up to the time he was stricken just a year ago last Christmas. Through his activity and more especially through the basketball league, Austie became known and admired by hundreds of knights in other Chicago Councils. His name was synonymous with Madonna.

HE'S GONE

But he'll never be forgotten by those of us who worked for him and with him. He'll be remembered as a real Madonnaite and a real Knight of Columbus. Austie would like it that way.

To his parents, brothers and sister, we offer the sincere sympathy of the entire council, and we hope that when our number is up, Aust will be somewhere handy to help us along that long, long road.

TO MARY

"He added to the sum of human joy,
and were everyone to whom he did
some kindness to bring a blossom to
his grave, he would sleep tonight beneath a wilderness of flowers."

Plans Are Completed for Madonna's Irish Ball Tomorrow Night

2 Thurs, 4 Fri. . . 4522 Wallace St.

Madonna's St. Patrick's dance will hold forth at the Hyde Park Hotel tomorrow evening. It's almost too late to warn you to get your reservations in 'cause Lecturer Marty Morrison says that this time the late comers are going to be out of luck.

Since its inception two years ago, the St. Pat's dance has been our largest affair and according to the eminent Morrison, this one looks like a hooperdoo. The bids are one buck seventy-five per couple.

THE SUNDAY NITE

Party last week was another smash hit. Believe it or not the gang nearly spent the whole evening playing those games we used to play when we were kids: "Scissors, spin the bottle, little Sally Saucer"—silly isn't it? Mr. and Mrs. Eddie Griffin, Gert Horan and Harold Kane, Duke McGrath and (who was that "girl"?) did a fancy string job. And we're not stringing you either. Quite a few of the bunch attending the mixed bowling party retired to the club for lunch, swelling the crowd considerably.

De Soto Fourths to Stage St. Pat's Party on Monday

2-4 Friday.....Clark and Belmont

At its next regular meeting, Monday evening, March 17, the Baldric and Sword Club of DeSoto Council will present Ladies' Night to all the wives, sweethearts, and daughters of the members. The event will be conducted in conjunction with St. Patrick's Day party.

Tempting the gals from the security of the fireside will be an imposing array of entertainment, not to mention the fact that there will be tables for bridge, pinochle, five hundred and other games. Dancing, for those who still retain a flare for a twirl will also be provided. Refreshments will be served and to climax the many attractive features there will be the awarding of a lovely door prize.

Needly to say, you do not have to be encumbered with a Gaelic ancestry or moniker to avail yourself of this alluring and enticing offer as the invitation is extended to all Fourth Degree members, their upstarts, off-springs, or mainsprings. Bro. Jim Kennedy, president of the organization, and his co-officers, Bob Netzel, George Schuster, Ed. Gobat, Ed. Connel, Sr., and Clare Bredemann, are blowing the works for this night and offer their personal stamp of guaranty and assurance that all attending will enjoy a pleasant and hilarious evening.

See you at the affair, Gross Park Hall, 2125 Roscoe St., Monday, March 17, when things start popping about 8:30 p. m.

TONIGHT'S MEETING

I cannot too pointedly impess upon you the importance of attending the meeting this evening, when our guest, the Rev. Father Mulally of the Paulist Fathers, will entertain you with many interesting reminiscences and experiences gained through forty years of missionary work.

He has an ability and reputation for oratory unsurpassed by any sectarian lecturer in the Midwest. Many benefits will be yours from hearing him. I heard him myself as a youngster when in the Paulist choir and his powerful voice, persuasive personality and convincing logic made an impression on me that has never been forgotten.

BLOOD DONORS NIGHT

Just a few words to remind you that your Lecturer Joe Cella and Bro. Frank Wohlleber, chairman of the Blood Donors Group of DeSoto Council, are quite busily involved in preparing an attractive program for Friday evening, March 28, Blood Donors Night at DeSoto.

Among the many features will be the attendance of Mr. E. W. Erikson, Technical Adviser of the American Hospital Supply Company, and one of the foremost authorities and technicians on blood transfusions. His subject is reputed to be replete and overflowing with interest.

In addition blood donor emblems significant of membership in the group will be awarded to some three hundred odd DeSotoans who have been typed. We might add that technicians will be available on this night to complete the typing of any members who have not heretofore had their blood classified. More later.

RETREAT LEAGUE

Bro. Joe Merki, chairman of the Mayslake Retreat League of DeSoto, sends the following note which will be of interest to all members.

"All members of the St. Francis Retreat League Building Fund Committee are urged to get busy on the subscriptions for the building fund. The Franciscan Fathers desire to start the building in the next few months and we would like to have all present and past retreatants make some sort of a donation for this worthy cause."

In the event any member desires to donate, he can do so by getting in touch with Bro. Merki, 175 W. Jackson Blvd.

IN MEMORIAM

It is with deep regret that we learn of the death of one of our old members, Bro. Peter Rausa, an active member of DeSoto for more than twenty years.

At the time of his death he was connected with Marshall Field & Company with whom he had been associated for almost a half century. He was buried on Saturday from his home at 4436 No. Sawyer Ave., where on the previous evening a large body of DeSotoans paid him their final respects. To his bereaved family we extend our sincere condolences.

We just learned of some very sorrowful and distressing news in the death of Ann Bushold, wife of Bro. Tommy Bushold. As mentioned in this column previously, Ann, who was a sister of Matty Faetz, was quite ill during the last year and spent the last few weeks in the hospital. Through all her difficulty until the end she maintained that pleasant, buoyant and happy disposition for which she was noted and which made her extremely popular among DeSotoans.

She was buried on Thursday, March 13, from Ed. Sullivan's Funeral Home, 6311 N. Clark St., to St. Gregory's Church and thence to All Saints Cemetery. To Tom and the two lovely children to whom she was deeply devoted, we extend our deep sympathy and join them in their grief at such a great loss.

MEMBER ITEMS

Our G. K. Gene Scanlan is bunking in the park these days since a mild case of scarlet fever invaded his home attacking one of the twins and the youngest girl. His address will be general delivery for the next twenty-eight days. Well, Gene, this will give you a good chance to spend the usual seven nights per week on DeSoto matters without the spouse tearing your hair out—what hair. Hope the youngsters come along in good shape, Gene.

We understand that two more of our brothers joined or expect to join the gold star blood donor group. Bro. Lou Lechler and Al Bredemann volunteered when a request was made of our Grand Knight on behalf of a member of Englewood Council who was confined to Alexian Brothers Hospital with a serious illness.

At an early date your Lecturer proposes to include in one of his programs the Passion Play picture which was scheduled to be presented at our last meeting, but because of the length of Miss Mila Baker's lecture was postponed. Bro. Doc. Casolary indicates his willingness to show it at any time for which we are deeply grateful.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and regaineth with Thee in the Unity of the Holy Ghost. Amen.

Nation Needs Religious Revival, Says President

Washington.—Leaders here were impressed with statements made by President Roosevelt in a recent letter to the chairman of the arrangements committee of the National Christian Mission, meeting here. "I am glad," the President wrote, "to reiterate the statement which I have made many times before, that a real revival of religion is what this country most needs—that in such a revival we would find the solution to all of our problems, whether political, economic, or social." Never before, it is believed here, has Mr. Roosevelt been so positive in giving his views as to the need for a spiritual renascence.

DEARBORN'S 'SILK HAT' PARTY TOMORROW EVE

1-3 Thurs. . . . . 820 Garfield Blvd.

The usual last minute reminder of a Dearborn social event is submitted below. The warning this time is issued for the annual St. Patrick's dinner dance sponsored by the Silk Hat Club. The affair will be conducted tomorrow night, Saturday, at the Hayes Hotel, 64th street and Woodlawn avenue. A very delectable meal is in the offing priced for $1.50 per plate. The dinner will be served promptly at 8 p. m. A special honor program has been arranged and, of course, there will be dancing to the harmonious melodies of the Field Rhythm Boys.

Our earnest advice to laggards is that they immediately contact Sec. John Walsh, Cal. 7340; Chairman Oscar Heilmann, Abe. 9468, or the following members of his committee: John Logan, Tom Linklater, Jim Reilly or Dick Kerwin. A call to any one of the above Sir Knights will guarantee reservations for the affair.

MEMBERS AND MEMBERSHIP

APPLICATIONS: Remember Thursday, Mar. 20. It will be on this evening that Dearborn will conduct its first and second degree exemplifications as part of a Founders' Week program. It will be our humble way in paying tribute to a great man, Father McGivney, the founder of this great order. Each one of us would certainly be remiss in our duties if we failed to garner one new prospect or at least make an effort. This would be small accomplishment in face of the trials and tribulations encountered by the reverend father in inaugurating, fostering and building our great order. Fitting tribute for this superhuman and seemingly insurmountable task would be one of the largest classes ever assembled in Dearborn Council. We know that this is easily possible, otherwise we could not have set forth this suggestion. Complete co-operation will assure this result as well as a perfect satisfaction in the knowledge that we honor a great man and offer our meager efforts as recompense for his marvelous achievement. "We Can and We Will."

Thus gather together all eligible prospects and procure their signatures on the dotted line. Submit these applications to the financial secretary, John Feilen. In this way you are uniting behind G. K. Devereaux and Membership Chairman Joe Nix. By your united efforts Dearborn will not only survive, but grow greater in a great order.

It is needless to say that immediately after the exemplifications of the degrees, Dearborn will entertain its guests and the new men of the order with refreshments, hospitality and joviality. Thus all Dearbornites are urged to attend this meeting with their candidates.

CATHOLIC ACTION: Dearborn was privileged with a visit from Bro. John Hesse, G. K. Marquette and past president of the Laymen's Retreat League as well as retreat chairman of the Chicago Chapter. Bro. Hesse delivered a sparkling talk on the superior qualities of the Mayslake retreat and urged a greater attendance at our annual retreat this year, the week-end of Apr. 18. He also requested a unified action on the part of the brothers of Dearborn to aid the building program now being conducted by the league to enlarge the present quarters.

This is a branch of Catholic Action as advocated by the order, brothers, and can easily be joined with the "Founders' Program." Contact Chairman Tony Wilhelm at once and make the necessary arrangements for Apr. 18. Also advise him as to whether or not you drive a car, so that he may plan transportation facilities.

IN MEMORIAM: It is with deep regret that we report the death of the father of Bro. Chas. Jacobs. May he rest in peace. . . . On the recent sick list was Pat Murnane. We are informed that he has recovered from his accident, and are certain that all his friends will be pleased at these glad tidings.

TRAPPERS: Absence makes the heart grow fonder is a trite statement. In this case the following brothers will become fonder of attending meetings after this because their failure to do so cost any one of them $25: Bros. Robt. Clare, Nick Simon, M. E. Green, T. Donovan and James McKee. As heart balm "$0" will be added Mar. 20. Special awards were taken by John Downes, Cyril Lynch, Hank Langbauer, John Engeln and Charley Read.

CURRENT EVENTS: Mar. 15, Silk Hat dinner dance. Mar. 20, Dearborn first and second degrees. Mar. 22, Leo Fourths' party. May 4, Dearborn annual communion.

TENPINS

The Indians, after regaining first place, hit another hot stretch at last session and knocked over the Feilen Insurance team for three games to increase their lead over the Bradys to three full games. The Bradys seemingly aided in this by dropping two contests. The poor R-K's took three on the chin, administered by the Manhattans. Thus are Bevs zoomed up to within four games of third place.

The Premiers took two from the Bradys and increased their lead over the Feilens in the battle for last place. Incidentally, the last session was notable in that one of the bowlers, A. DeNunzio, attained one of the highest series ever seen in this league's competition in a good many years. He rolled consecutive games of 234, 225 and 209 for the remarkable series score of 668. This is great work and fancy bowling, Tony, and good luck to you.

Oak Park Issues Last Call for Dinner Dance at Carleton Saturday

2-4 Mon. . . . 641 S. Scoville, Oak Park

This is the last call to the members of the council for the dance Saturday, March 15, when we will all celebrate the 30th anniversary of our council.

Turning back on this thirty years we might well be proud of the record that has been written into the history of time. But a more significant point in this celebration is that it will be a beginning, a start on the road to better things, to a more active and progressive council dedicated as in the past to service and accomplishment, but fired with a new resolve, that of greater accomplishment.

Those who have passed before us have led the way and pointed out the course; it is up to us as loyal members of a great order to heed their admonitions and with wisdom and courage charge forward to real success.

Your attendance at this celebration, which will take the form of a dinner dance will be an outward evidence that you are interested and willing to do your part. To those who do not dance there is still fine entertainment in the form of six or more excellent floor acts, alone worth a good part of the cost of your ticket, $1.50. The dinner, which will be served at 7, will be one that is regularly served by the hotel at that price. Dancing to the music of a good orchestra will serve to complete the excellent evening's entertainment. There will be a few very short speeches of the one-minute variety. No orations.

This dinner dance at the Carleton will be the high spot in the social activities for the year. It will be staged with the care of a major production. Much effort has been spent to make it a success and we ask that you be present to assure us of your interest.

MEMORIAL MASS

To really take part in the celebration and to receive the fullest measure of the benefits you should also attend with us the mass that will be said for the deceased of the council on the morning of Saturday, March 15. Every member who can possibly do so should make the effort to be there at Ascension Church at the 8 o'clock mass. Then he can take his wife or sweetheart to the dinner dance in the evening with an even greater glow of satisfaction at a day of happiness complete.

Last meeting brought the news of the illness of Bro. Frank Veron, who was injured in the "L" accident a few days ago. Bro. Veron has been in the Lorretto Hospital but we understand that he is now at home and that he can have and will welcome visitors.

If your mail to the financial secretary has been delayed, do not worry; he is trying to get all answers cleared up, and all are being taken care of in order. Illness has put a crimp in things.

COUNCIL BRIEFS

Communion Cunday, March 30. Picnic the Sunday following Labor Day (and there is snow outside!). Joe Kamin, membership chairman, reports interest among younger fellows. Chas. Lex, one of our able newcomers and one of Joe's assistants, thinks many of the young fellows are missing the opportunity of membership because of their ignorance of its unlimited values.

Where are many of the regular faces that used to grace the council meetings? Get them up, call them on the phone if necessary and bring them with you to the next meeting. And where is the Roll of Honor that long held a respected place in the chambers of the council? On that roll was inscribed the names of those members who entered the armed forces of the country. Why should it not still be on our walls?

It is claimed that "Antidisestablishmentarianism" is the longest single word in the English language.

Dowling Meeting to Feature Cath. Action Program

2-4 Tues. . . . 3625 S. Hoyne Ave.

At our next regular meeting, Tuesday evening, Mar. 26, we will devote our program to Catholic Action activities. The program committee is under the chairmanship of Bro. Geo. W. Connelly, Sr. I have been delegated by your lecturer to act as chairman for the month of March and have asked our worthy chaplain, Father Wunder, to assist us by explaining the principal parts of the holy sacrifice of the mass. This is a very interesting topic and, under Father Wunder's presentation I know you will find it most instructive.

As chairman for the month and as a mark of respect to our chaplain I appeal to you to co-operate and make this meeting successful by your attendance.

MEMBERSHIP

Our membership chairman, D. G. K. John Deschner, is not satisfied with our results to date and he informs me that we are lagging in our percentage and need many applications to meet our quota.

We must get 97 members by June 30. I am sure that if we will get that old Dowling spirit aroused we will meet that mark. Try and turn in at least one application and we will have a degree in a short time.

RETREAT

The time is drawing close when we will again attend Mayslake in our annual retreat. Plenty of help is needed as we want to make a new record to shoot at.

Tom Gallagher is working very hard to make this retreat his best class. Won't you be on hand? Apr. 25 is the date.

NOTES

Our past chaplain, Rev. Pat Maloney, is now located in his Chinese C. Y. O. at 2311 S. Wentworth avenue. The present chapel is located at 2310, but after June 1 it will be in the central building at 2311-13 Wentworth avenue. Two masses (9 and 12 o'clock) are said each Sunday with Father Pat generally officiating at the noon mass. When in the vicinity drop in and say hello to Father Pat; he needs your co-operation for this great mission and will appreciate your visit.

We received a letter from Bro. Tom Haven, secretary to Congressman Harry Beam, both of our council, who are very busy in Washington.

We have three members in the army at present, Wm. Pransky, Chester Nepyjwoda and Stanley Wojcik. When they are set permanently we will list their addresses.

Bro. Jim Maher of the Veterans of Foreign Wars and his pal, Officer John Conway, are vacationing at Miami, Fla., where they saw the New York Giants in training.

Our recorder, Tom Gallagher, sent out a letter asking your contributions to the fund for the construction of a new wing for the retreat house at Mayslake. No matter how small, he will appreciate any help you can give.

Our P. G. K. Ray Gerber's committee on the blood donor group was started at our last meeting. We will become very active from now on.

Our entry for the National Bowling Tournament at Indianapolis, Ind., leaves Saturday, Mar. 15. The league financed its own entry and expenses and did not solicit help from the council.

SICK

Inside Guard Clement Fralley has been confined to his home for the past week at 3609 S. Damen avenue, but at this writing is much improved.

Martin Kenny, Jr., is recuperating in St. Bernard's Hospital after an appendix operation. He is expected to return home soon.

Mrs. Fredericka Hennes, the loving mother of Bro. Charles Hennes, passed to eternal reward last week and was buried Tuesday morning.

Mrs. Martin Trapp of 1851 Garfield boulevard, the loving wife of Bro. Frank and mother of Louis, John and August of our council, and Frank, Jr., of St. Augustine Council, also passed to her eternal reward last week and was buried Thursday morning from Sacred Heart Church to Resurrection Cemetery.

We pray for the repose of the souls of these good friends and extend our sincere sympathy to families of the bereaved.

Membership Gains Highlight Program for Founders' Week

Major Degree Classes Will Open and Close Celebration of Order's Anniversary

The celebration of Founders' Week as the 59th anniversary of the organization of the Knights of Columbus will be officially opened by the Chicago Councils on Sunday, March 23, and close on the following Sunday, March 30, with exemplifications of the major degree of Order membership.

Councils for all three west sections of Chicago will present their candidates at the St. Philip's Gym, 3141 W. Jackson Blvd., this Sunday afternoon. Details of the ceremonials will be under the supervision of Dr. Louis Posillion, Grand Knight of Hughes Council and are scheduled to begin promptly at 2:30 P. M.

The exemplification of March 30 will be conducted at Father Perez Council clubhouse, 6710 S. May Street for all councils of South Division Two and Three.

Registrations Are Asked

Grand Knights or Financial Secretaries of those councils that plan on taking part in either exemplifications are asked to provide a duplicate list of their candidates so that a copy may be presented to the Financial Secretary in charge of the degree work just before the exemplification. Such procedure will lessen the amount of time usually expended in registering the separate candidates and will allow the degree ceremonials to get underway without undue delay.

Besides the major degree exemplifications planned as part of the Founders' Week observances here, nine First and Second Degree classes are also scheduled for induction during the seven day period. Councils from every section of the city will therefore have the opportunity to present their candidates during the special period of the anniversary celebrations.

Councils Near Quota Goals

Reports received at the office of State Deputy Judge John F. Bolton, as well as at the Supreme Office in New Haven, indicate that a large number of local Councils are now close to the realization of their 10 per cent membership intake quota, and that several will, through their participation in the degree work scheduled for next week, attain their full quotas ninety days before the official deadline on June 30.

Four Chicago Councils, Phil Sheridan, Newman, St. Francis Xavier and St. Anthony de Padua, are among the 192 units throughout the nation that have already completed their 10 per cent intake quotas and have thus earned national rating as Honor Roll Councils.

Other activities, in addition to the membership efforts being expended by the councils here in observance of the Founders' Week Anniversary, will include all other phases of the Five Point program as endorsed by the Supreme Office. Several corporate communion services and breakfasts are being sponsored by the different councils in addition to publicity programs, Founder Night meetings and other extra features.

Chicago Bowlers Earn Positions with Top 10 at Nat'l K. C. Meet

McHale Council's, Kelly Morticians led the way for the Chicago delegation attending the opening bowling sessions of the National K. of C. Bowling Tournament at Indianapolis, Ind., last week-end. The Kelly squad's score of 2,822 in the five man event was good for twelfth place, well behind the leading Skang gang's top honors of 2,950.

Blue Island's pair of star bowlers, Charley Komada and Tom Chavonec, landed in sixth place in the doubles event with 1,207 just ahead of Calumet, who placed seventh with a total of 1,194.

In the singles, Jim Shinners, also of Calumet, earned a hold on fifth place with his score of 652. Jack O'Connell of McHale placed eighth with 645 in this event and tenth in the all events match with 1,795.

More Squads Leave Tonight

Represented in the Chicago delegation last week-end were teams from Archbishop McHale, Blue Island, Calumet and Dowling Councils.

A very large entry will entrain for the second week of tournament events this evening at 8:15, from the 12th Street and Michigan Avenue Station. The bowlers will represent Cardinal Council at Cicero and the St. Joseph's Council squads from Argo.

A complete report on the standings of the tournament to date will be found on the regular sports page (page 12) of this issue.

Alumni of Jesuit Schools to Mark Order's 400th Anniversary This Sunday

Chicago alumni of Jesuit colleges and universities throughout the country will attend Mass Sunday, March 23, at 9:30 A. M. in the Madonna Della Strada chapel at Loyola University, 6525 Sheridan road, in observance of the 400th anniversary of the founding of the Society of Jesus.

Following the Mass, at which alumni will receive Holy Communion in a body, a breakfast will be served at St. Ignatius gymnasium, 1300 Loyola avenue. Guests will then hear a special nation-wide radio program to be broadcast over the Mutual Broadcasting System, WGN, Chicago, from 11 a. m. to 12 noon, central standard time.

Taking part in the radio program will be the Honorable Pierre Crabites, Baton Rouge, La., special lecturer at Louisiana State University law school, author and lecturer; Dr. Attilio H. Giannini, Los Angeles, president of United Artists corporation; Governor Herbert R. O'Conor of Maryland, and William F. O'Neil, Akron, Ohio, president of the General Tire and Rubber company. All are graduates of Jesuit colleges.

Chicago alumni of Jesuit colleges in charge of the local observance include John C. Fitzgerald, dean of the Loyola University law school; Stephen A. Mitchell, Andrew Sexton, J. Dunlap McDevitt, Dr. Francis L. Foran, Dr. Vincent C. Steele, and James W. O'Hara.

Committee Heads Urged to Forward Donor Unit Lists

Need for Master File in Emergency Cases Stressed by State Chairman Du Mais

One of the most important phases of the Blood Donor activity now facing the local group chairman is the filing of a complete report of their activity with State Donor Chairman, Robert Du Mais, 2567 Emerald Ave.

All such reports, Chairman Du Mais explained, should list the name, address, blood type and number of transfusions given for each individual donor. Although many councils have already filed their reports for their groups several have not and these, although fully organized, will fail to receive their proper credit at the time the annual report is delivered at the State Convention, next May 5 and 6.

April 15 Is Deadline

According to the State Chairman, a considerable amount of detail work is involved after he receives these council reports so that he must "set April 15 as the deadline for the receipt of all council lists that are to be acknowledged at the State Council next May."

"The compilation of a master-file of all our council donors," he said, "has the very important advantage of equalizing each council's unit. In the case where no donor of a particular type is listed among the members of one group, a neighboring council might have several of that classification, and be eager to offer a "trade" for future service of a different type not listed on its own roster.

"No council group has been asked to provide a donor for service outside its own territory either," he explained, "for there are usually enough donors in each section of the city to take care of all normal needs."

Mrs. Du Mais Helps in Work

One of the most active and certainly one of the most interested persons concerned with the organization of the K. of C. Donor groups is Chairman Du Mais' wife, Ellen, the lady who attends to a great deal of the detail work involved in the classification of the separate council reports. She answers the phone, types, files, and sorts the council lists and acts as an all-around, top-ranking secretary to her busy husband.

On the infrequent occasions that Chairman Du Mais cannot be reached and an emergency call for a donor is placed, Mrs. Du Mais has capably acted in the place of her husband and has located the proper type donor, and seen to it that he was at the proper place according to schedule.

Since the donor activity is actually a twenty-four hour a day job, Mrs. Du Mais' assistance has proven invaluable.

She has further evidenced her genuine interest in the movement by initiating a similar program in her own council of the Ladies of Isabella, the Fort Dearborn circle. Other L. of I. circles, prompted by the results of these initial efforts have also begun the organization work in their own groups.

La Salle Assembly to Greet New Sir Knights Wednesday

Musical and Novelty Program Is Planned for Entertainment of Old and New Members

La Salle General Assembly of the Fourth Degree will welcome its new members, initiates of the recent February exemplification, at its next regular meeting, Wednesday, March 26. The program will be held in the Red Lacquer Room of the Palmer House and a majority of the three-hundred odd candidates inducted in the Archbishop Samuel A. Stritch Testimonial Exemplification last month is expected to attend this initial function of their Assembly membership.

An especially attractive musical and novelty program has been arranged for the evening. All Sir Knights, new and old, are urged to attend. To top off a fine evening, green apple pie and coffee will be served in real Palmer House style.

The evening program is scheduled to get underway at 8:30 o'clock. There is no admission charge for this or any of the other regular Assembly features; admission being by presentation of La Salle Assembly membership card only.

With the coming of Spring, the Assembly's program of social activity moves into high gear. In the not-too-far distant future are three popular annual events—the "Ladies Night" program in April—the annual "Theatre Party" in May and the "Lads and Dads" night in June. The newly initiated Sir Knights will do well to acquaint themselves with these features of the Assembly schedule and arrange to participate in each one of them.

Catholic Casino Chorus to Be Heard in Program at Civic Theatre Sunday

The Catholic Casino Male Chorus, the organization that so splendidly enriched the Columbus Day Program offered by the Knights of Columbus at the Civic Opera House here on last October 12, will again be heard this Sunday evening, March 23, in an excellent program of choral numbers to be presented at the Civic Theatre, Civic Opera Building, 20 North Wacker Drive.

Those who were fortunate enough to hear the Catholic Casino Male Chorus at their concert on Columbus Day will appreciate the opportunity to again hear this splendid organization.

In addition to the choral numbers, Miss Margery Mayer, a contralto of the Chicago Civic Opera Company, will be the assisting artist.

The Catholic Casino is under the direction of Brother Adelbert Huguelet, a member of De Soto Council. Approximately half of the members of the chorus are also members of various councils of the Knights of Columbus.

The price of admission for the concert Sunday evening ranges from 75c to $1.25. All Knights of Columbus, their families and friends, are especially invited to attend the musical presentation.

Leo to Honor D.D. McDermott with New Member Class

1-3 Tues. . . . . 820 W. Garfield Blvd.

In a stirring appeal for "all out" assistance and cooperation on the part of every member of the council to make the class of initiates to the third degree on Sunday, April 20, the largest in many years, Grand Knight Clarence Wagner stated at the meeting last Tuesday night: "No member of the order has been more devoted to Columbianism over a long period of years than our past grand knight and district deputy, James J. McDermott. His fine work has never been memorialized in any manner by our council, primarily because Bro. McDermott has discouraged any such activity.

"Now, however, we have the medium through which we can make known to him our gratitude. We can contribute, each and every one of us, a new member to the class named in his honor—the District Deputy James J. McDermott class of Leo Council. I feel the committee should expand its program to insure this result."

Following his talk relative to the membership drive GK Wagner read the "honor roll" of members who have presented one or more applications. It was as follows:

Candidate	Proposer
Wm. G. Farrell	Jos. O'Dea
Earl G. Peterson	Ed Peterson
Wm. J. Petersen	Ed Peterson
Leo F. Radzienda	Jos. Palka
James W. Farrell	James Hennessy
Thos. E. Corcoran	John Fanning
Walter A. Smolucka	Jos. Winiarski
Herman D. Bishop	John McCool
John T. Madigan	John Fanning
Francis Howard	John Fanning
John A. Klees	Dr. M. Gallagher
Raymond Gallagher	Walter J. O'Connor
James J. White	Walter J. O'Connor
Harold J. Watson	Frank Watson
Frank P. Lynch	Frank Watson
Charles R. Peterson	Ed Peterson
Matthew P. Dugan	Ed Peterson
Jos. B. Detloff	Anthony Palka
Thos. J. Hedderman	John Clinton
George M. Burdette	Edward J. Gaul
Thos. J. Doyle	Edward J. Gaul
Charles Wabich	Jos. Winiarski
John T. Dwyer	Edward Gaul
Wm. Costello	Clarence P. Wagner
Edward L. Weber	Don O'Brien
Patrick J. Griffin	Francis Powers

There is still ample time to get your name on this honor roll. The GK was very profuse in his thanks for the fine work being done by Bro. John Ruberry and his committee. Bro. Ruberry announced that a meeting of his committee would be held every Tuesday night in the parlor of the clubhouse, and invited all members to attend.

ANNUAL COMMUNION SUNDAY

Leo XIII Council will attend Holy Communion in a body at Visitation Church on Sunday, April 20, at the 8 o'clock mass.

Since this is the same day as the DD McDermott class, Bro. Maurice Gleason and his committee in charge of arrangements suggested that a breakfast be served by a caterer and all candidates for the third degree be required to attend the communion and breakfast with the council.

MEMBERS IN SERVICE

At the last meeting a resolution calling upon the council to pay the assessments of members called under the selective service act was read for the first time. The resolution calls attention to the fact that Leo Council during the last war gained wide renoun for its patriotic disposition and that, true to the real Leo spirit, we should again assist the member whose income will be reduced because of military service.

The resolution requires the council to issue a paid-up traveling card to every member entering the service for the duration of his service. It will be voted upon again at the next regular meeting.

PGK WM. HANRAHAN

It is with extreme sorrow we announce the death of Past Grand Knight Wm. Hanrahan, who was called to his eternal reward on last Monday, March 17. Bro. Hanrahan was a charter member of Leo Council and the first member of the council to become a Sir Knight.

Bro. Hanrahan was an active member of the council during his long years of membership. The high regard in which he was held by his brother knights was evidenced by the great assemblage that met to attend his wake on last Tuesday night.

Bro. Hanrahan was most active in all branches of sports in the order. He was on championship bowling teams and managed baseball and softball teams to many successes. His place will never be filled.

The officers and members of Leo XIII Council extend to the bereaved family of Bro. Hanrahan their heartfelt sympathy in its great sadness.

Leo Fourths: It has always been a question of doubt as to the birthday of St. Patrick. In the days past it was celebrated both on the 8th and 9th, but through the diplomacy of the immortal Father Mulcahy these dates were totaled to arrive at 17. So with poetic license the Leo Fourths have taken it upon themselves to put 2 and 2 together and celebrate on Saturday, March 22. Dining and dancing to the music of Tom Lennon. Gladness and glamor, a real Irish background, buffet lunch, refreshments of all kinds will be the order of the evening. The affair will be held at the Leo Clubhouse. Donation, $2.50 per couple. Entree, 8:30 p. m.

Hildebrand Skimmers Come Off in Tribute to Donor's Activity

1-3 Thur. . . . . 5711 W. Chicago Ave.

Our hero of this week is Walter Kampa, and our skimmers are doffed to this sterling knight and gentleman for his generous contribution to mankind last week. . . . He takes his place along with Donors John Kerins and Clarence Reuter as Christian gentlemen par excellence. . . . And our profuse thanks to all of them. . . . Paul Wojcik is the only one of our bowlers to get in the dough in the State Bowling Tournament. . . . Congrats to Paul, and his check has been forwarded to him. . . . Earl Nerius is strutting around in pompous fashion because of his 265 game last Tuesday evening. . . . With eight in a row his nerves cracked somewhat and his father-in-law and brother-in-law, our Grand Knight and Fin. Secretary, respectively, tenderly assisted him to the lanes after that. . . . Like a punch drunk fighter he didn't know the final result until sometime later when he came to and then he fainted again. . . . He's the king of the bowlers to date, and he has given the lads something to shoot at. . . . And the other bowling results show that the Dean Steels captured two from the Moderns and the O'Hara Undertakers came back to life with two from the J. P. Ryans. . . . Those maple spillers are real gents and we compliment them on their fine fellowship. . . . For your books on Catholic literature, or for that Easter Gift of a fine Catholic book, the Catholic Book Store is the place, where charming Mrs. Lambert K. Hayes will be glad to greet and help you. . . . Majestic Building is the location. . . . Remember our meetings are on the first and third Thursdays. . . . And getting better and bigger all the time. . . . Some applications are expected at the next few meetings in line with the present membership program. . . . We need several for the month of April to retain our pace of last year.

NEWMANITES ATTEND BISHOP'S INSTALLATION

1-3 Thurs. . . . St. Mary's Hall, Evanston

Many Newman members were among the friends and associates of Bishop Magner, the former chaplain of Newman council and the pastor of St. Mary's church of Evanston, that attended the special trip to Marquette with the new Bishop on March 19. The most Rev. Samuel A. Stritch, D.D., Archbishop of Chicago, headed the delegation of priests and laymen for the installation of the Most Rev. Francis J. Magner, D.D., as Bishop of Marquette, on March 20.

The installation of the Most Rev. Francis J. Magner, D.D., as seventh Bishop of Marquette, took place on Thursday morning, in St. Peter's Cathedral, Marquette, with the Most Rev. Edward Mooney, D.D., Archbishop of Detroit and Metropolitan of the Province of Detroit, presiding. Solemn Pontifical Mass was offered by the Most Rev. William F. Murphy, D.D., Bishop of Saginaw, Michigan.

It is the hope of your scribe that Bishop Magner may be the "Pastor et Nauta" mentioned in the prophecy of St. Malachy, written in 1139. What the Bishop accomplished in his services to the church will long be remembered. His departure from our midst leaves behind him many pleasant memories.

LAST MEETING

Miss Myla Baker and her "seeing eye" dog provided entertainment at our last meeting. Miss Baker came unescorted from her home, excepting for her dog, and was met at the Dempster street station by Frank Wollelber of De Soto council, through whom the splendid program was arranged. It was very educational and most entertaining according to all who attended.

Brothers you asked for it! Newman council will entertain the ladies on Saturday night, April 19. Through the efforts of Bro. Charles Byrnes we have secured the use of the American Legion Hut for the occasion. A committee will be selected in the near future to plan the program.

LECTURER'S CALENDAR

April 3: first and second degrees.

April 17: Hal Totton, radio announcer and sports commentator; courtesy of Matt Jans, the Tribune movie "All American Way," will be shown.

BOWLING NEWS

Everything is all set for our trip to Indianapolis. We will travel over the Big Four railroad on March 29th. Sixty-nine men have signed up to make the trip. The train leaves Saturday morning at 8:30 from the I. C. station at 12th street and Michigan avenue. We will leave Indianapolis at 7:00 p. m., Sunday, March 30. We still have plenty of room, so anyone wishing to make the trip with us should get in touch with Jack Wiltjer at Davis 8479. The fare for anyone not a bowler is $4.65 a round trip.

Our very friendly neighboring council to the north took our league for the series on Sunday, March 9. After a few corrections were made in addition, it showed that Ouilmette beat us by 77 pins. It did not hurt us to be beat by them because when you are beaten by a bunch of good sports the licking does not hurt near so much. Bowlers of Ouilmette, Newman council takes its hat off to you for the wonderful way you received us up there. Many thanks for the swell time you gave us.

The results of last Tuesday's bowling are:

Schaefers Undertakers won 3 from Art Weilands florists; Corcoran Lawyers won 2 from Fitzgerald Boosters; Bells Insurers won 2 from Smiths Excavators; Davis Candies won 2 from Frank and Harry; Ziccos Clippers won 2 from Ridge Cleaners; Evanston Beverage won 2 from Altens Mortuary and Hebsons Boosters won 2 from Meke's Westmore.

HOLY NAME DRIVE

Don't be startled if someone taps your shoulder and asks "Would you like to join the Holy Name Society?" your doorbell rings loud and long and upon inquiring "Who's there?" you receive the answer, "Captain O'Reilly of your parish Holy Name Society. I'm out recruiting new members!"

According to Jim McNair, final plans are being promulgated and the campaign for 250,000 new members in the archdiocese will get under way on Sunday, Mar. 23. So Brothers, do your part! Cooperate with His Excellency YOUR Archbishop, in seeking to make every Catholic layman of the Archdiocese of Chicago a Holy Name man by Easter Sunday, April 13.

Hitler's Best Weapon Is 'Collective Neurosis'

Notre Dame, Ind.—Adolf Hitler is the most gifted of the twentieth century "directors of the unconscious" and the greatest master of rousing "national hysterical passion," declares Denis de Rougemont, young Swiss author of "Love in the Western World," writing in the "Review of Politics," published by Notre Dame University. The German technique of harnessing individual passion and converting it into "collective neurosis" constitutes a real danger to democracies in the Western hemisphere, according to de Rougemont. The technique of mass control is so thoroughly administered in Germany, he says, that the most minor details are taken care of, such as determining the hour of the day the individual will offer the least resistance at mass meetings.

University Has Guest Speaker, Fr. Boyle, on Tuesday's Program

2-4 Tues. . . . St. Ignatius Auditoriu

For the special benefit of those who were unable to attend our great St. Patrick's Party at the Lake Shore Club last week, Lecturer John J. Curtin has for the meeting next Tuesday night another Irish Night, an entertainment of a different nature but every bit enjoyable. He has been fortunate enough to secure for the evening Father Edward Oliver Boyle who will show his movies portraying Irish life in all its phases. Father Boyle is not only an accomplished photographer but also a raconteur par excellence and will put on an evening's entertainment better than any you could buy—the scribe speaks from personal knowledge.

Father Boyle, while assistant pastor at St. Gertrude's, was known to many of our members as the director of some very successful plays. He is now at St. Bartholomew's, and in addition to his parish duties, is active in the direction of the Irish Fireside Players and also in the work of uniting the many Irish organizations of the city. The date is next Tuesday, March 25th. Give yourself a good time by coming out.

ST. PATRICK'S PARTY

Chairman Jimmy Brown's efforts to put on a wonderful party were certainly effective, and he and G.K. Murtaugh and the committee are to be congratulated. Everything went off as scheduled in the preview announcement of the 11th, but it is impossible to put into words the spirit of Irish joy that pervaded the evening. Parnell Egan was in superb voice for his solos. Stan Olin's band was so well received that the crowd insisted on another hour of his youth-giving music. Jim McKenna was brief but felicitious in his presentation speech to our guest of honor Bart Quigley and Mrs. Quigley.

Pat Roche, his junior flute band and his dancers, gave us a wonderful interlude of jig, reel and hornpipe music and dancing. An unusual exhibition of hornpipe dancing accompanied by baton twirling was displayed by the Murphy sisters who have won distinguished honors in baton twirling competitions. The dance music was provided by accordionist Patrick Ferguson of Officer McGarry Fergus. The flute band, under the direction of Bob Flatley rendered the well known old Irish favorites in a heart stirring manner.

It is hard to detail the names of those present, or to describe the beauteous and charming ladies who accompanied our members and guests. Jimmy Brown, however, did have as his guest Barney Ross, former lightweight champion, who has always been a great K.C. booster. At Bart Quigley's table was John Cronin, General Counsel of the Liberty Mutual Insurance Company of Boston. Others in the crowd were Judges Padden and McCormick, Alderman Keenan and Attorney Frank Gillespie who not only guides the destinies of the Milk Wagon Drivers' Union, but also finds time to lecture at the St. Ignatius Labor School and at Loyola University downtown school.

COMMUNITY THEATER

Brother William F. Madden is putting on the most important play of the year at Loyola Community Theater next Monday and Tuesday. The play, "Who Rides on White Horses" depicts the life of St. Edmund Campion, the English Jesuit who led such an exciting life during the time of Queen Elizabeth. Brother Madden is being ably assisted by Brother John Connor, who not only helped with the scenes but is also taking at least five parts in the show itself. If you want to know how interesting and exciting the real life of a saint can be, see "Who Ride on White Horses" next Monday night.

Thirteen buttons are used across the tops of the trousers of United States senators. These buttons represent the thirteen original states.

Aquinas Program Was Sparkling With Action at Recent Irish Party

1-3 Tues. . . . . 5441 S. Ashland

At our St. Patrick's Day party that followed our regular meeting last Tuesday night, we presented everything in the deck by way of entertainment. First was the quiz program with the brain twisters being Ulick McVady, Thomas Fegan, J. J. Toomey and P. Hanrahan. The boys missed very few questions on the history of Ireland. Then the prizes were awarded and following that we presented the "Sports Parade," a movie on various sports in Chicagoland.

This was followed by corned beef sandwiches and refreshments and various games that sprung up all over the council hall. All in all, a very fine program and a vote of thanks to the men who arranged it, namely, "Doc" Bialecke, John R. Cook and Jack Sheehey. They did a very fine job of entertaining the members and visitors. Also congratulations to Bro. Joe Janski, the oldest member in attendance last Tuesday.

DANCE

Tentative plans are under way for our annual dance to be held on or about April 26th. I missed getting the names of the members of the various committees but will have all the information for the next issue of The Columbian. The place is the Stock Yards Inn, and all other arrangements will be announced at a later date.

BOWLING

The positions of the bowling teams remain the same after a hectic night of pin busting last Friday. Positions are: McGraths, first; McNamaras, second; Beardsleys, third; Grinnings, fourth; Blaleckes, fifth, and Konraths, sixth. Results were:

Konraths—767-742-746. McNamaras—777-809-789.

Barsleys—729-772-740. Bialeckes—769-826-787.

McGrath—714-876-762. Grinning—714-729-765.

High games went to Jack Sheehey with a 205 game and Tim McNamara with a 196 game.

High series were taken by Sheehey 509, McGrath 526, and Hanley 501.

Tonight finds the Grinnings vs. Barsleys, McNamaras vs. McGraths, and Blaleckes vs. Konraths. Keep pitching, boys, the end is not far off and when the smoke clears away we will know the champions of the Thomas Aquinas Bowling League.

The Night Watch

By C. F. HORNE, Vice-President Nocturnal Adoration Society of Chicago

"Can you not watch one hour with me?" That plaintive plea, with a note of reproach, first uttered in Gethsemane over two thousand years ago, is repeated many times daily—and just as often does the modern world, even as the disciples of old, sleep on, unmindful of the golden opportunity presented it, to associate closely and be one with the God Man.

What so beautiful as an hour spent in sacred reverence and communion with our dear Lord in the Blessed Sacrament—and what more beneficial?

He's right here, asking you—yes, begging you—to spend one or even more Golden Hours with Him, telling Him your troubles and confiding to Him your hopes and ambitions! So why do you hesitate?

"Come to Me all ye that labor, and are burdened, and I will refresh you!" How can anyone refuse such an appealing and reassuring invitation without having at least a touch of guilty feeling? Why not heed this call and learn to know our dear Eucharistic Lord in all His glory, learn the soft radiance of His Glowing Presence and the reassurance to be gained from that close personal contact made possible through His ever-generous love for man, which caused Him to "lay down His life for His friend"?

"O Sacrament Most Holy, O Sacrament Divine,
All praise and all thanksgiving be ever moment thine."

In these glorious words of the Office, the solemn Holy Hour of Nocturnal Adoration is ushered in each last Saturday of the month at Old Notre Dame Church, conducted by the Fathers of the Blessed Sacrament at 1335 West Harrison street.

Then follows a most impressive service second to none in all the Catholic Church, and one of awe-inspiring reverence and love for Christ the King in solemn adoration, sermon by a visiting priest, reception of new members, midnite Mass and the crowning climax of love expressed for our Divine Lord in the Blessed Eucharist—a mass reception of Holy Communion by nearly one thousand men from all walks of life, followed by Benediction of the Most Blessed Sacrament.

Surely, here, Knights, you can find further expression for your well-known zeal and in the prayer after the Office, "May all praise, honor, power and glory be rendered by all creatures to the most holy and undivided Trinity" find the answer to that piteous plea,

"Can you not watch one hour with me?"

One day in 1913, a party of telephone men had stopped their work of stringing strands of copper wire through Truckee Canyon, on the eastern slope of the Sierras. Seated in a group, they were eating their noonday meal. Set in the ground near them was a white wooden cross—a monument to the members of the famous Donner Party who here faced tragedy during the winter of 1846-47.

The story of this band of emigrants of ninety-five years ago is an epic of isolation. Overtaken by snow as they made their way to California, they suffered hardships indescribable. After the failure of repeated efforts to summon assistance, a party of fifteen set out, in the middle of December, in a final effort to obtain help. For thirty-two days they struggled through the snow. Half of the party perished during the forty-mile trip. But the survivors, reaching their goal, told of the plight of their fellows, snowbound in the mountains. A rescue party was immediately organized.

The white cross in Truckee Canyon was a memorial to those who here died, and a monument to the battle which those who summoned aid then fought and won—a monument to isolation overcome. But monuments, also, were the poles, with their prosaic cross arms, upon which these telephone men were working on that day in 1913. This was the vanguard of the construction crews that were to build the first Transcontinental Telephone Line. This coast-to-coast line, and three others which have since been opened for service, are symbols of—and afford the facilities for—the sweeping aside of barriers of time and distance. They are monuments to victory over isolation.

Petain, de Gualle and Leval are certainly well-known Frenchmen of the present day but they don't rank in popular appeal to the little, dried-up Frenchman from Nancy, Emil Coué, who so completely captivated the American fancy in the early months of 1923. Coué Institutes were established and audiences were hushed into awsome quiet as he repeated the formula which was already on everybody's lips: "Day by day in every way I am getting better and better."

We wonder now what would happen to this old world if the thousands of people who practised so avidly these silly tenets would exert an equal fervor in practising the simple Christian precept of "Do unto others as you would have them do unto you"?

AUBURN PARK SELECTS PAUL BYRNE AS TRUSTEE

2-4 Thurs. . . . . 7740 S. Emerald.

At the meeting on last Thursday evening, the principal order of business was the selection of a Trustee to fill the unexpired term of Brother John P. Doherty who tendered his resignation from the office. One of our younger and energetic members, who for the past several years has been one of the outstanding players on Auburn Park's softball team, Brother Paul Byrne, was the unanimous choice to fill that office.

Brother Byrne has been rewarded for the active service displayed in cooperating with the Membership Committee Chairman in assisting to build up our membership. In fact at the meeting last Thursday, Brother Byrne turned in three more signed applications, and has been giving his time and effort in contacting prospective candidates and has done a most noble job. If he devotes his time to the duties of Trustee, and we are sure he will, there will be no doubt about the success of our financial problems in the future. We wish Paul the best of success and hope he continues with the same pep and energy that he has in the past.

HOST ON MARCH 27

At the next regular Council meeting to be held on Thursday evening, March 27th, your council officers after a short business meeting starting promptly at 8:15, will put on a First and Second Degree for the South District No. 2, consisting of the following councils: Ridge, La Rabida, McMale, Englewood, St. Rita and Perez. All are requested to have their prospective candidates present at the clubhouse, 7740 Emerald Ave., at eight o'clock sharp.

Inasmuch as there will be a Third Degree exemplified just a few days following this degree, it is necessary that all prospects be on hand with some of their councils officers. An invitation has been extended to our good friend and neighbor from Ridge Council, Brother Frank McGlynn to participate in the degree work. Through the efforts of our Membership Committee, Auburn Park will have fourteen candidates to take these two degrees, and with this large class we should have a good attendance of members present. It is much more impressive if there is a larg number of members on hand.

GUEST OF HONOR

We had our good friend Brother John L. Cushing the insurance representative from New Haven, Conn. as our guest of the evening on last Thursday, but due to the fact there was a Men's Mission in progress at St. Leo's Church during that week there was not a very large attendance. The Brothers making the mission were thinking of the early masses in the morning and passed up the council meeting. Brother Cushing doesn't have very good luck in picking out nights to attend Auburn's meetings. However, he is always welcome and we hope he keeps coming.

TRUSTEES REPORT

Brother John Rooney, our senior Trustee, made a report at the last meeting and stated that the books of the Financial Secretary and Treasurer were checked for the month of February and that there was an outstanding balance of approximately $200.00 on the books prior to December 31st, 1940, and asks that we make an appeal through this column that any of the Brothers who are obligated to the Council for Dues and Assessments for the quarter ending December 31st, please contact the Financial Secretary at once. Remember the rule regarding those who have lapsed six months in their dues, and this quarter will be up on the 31st of March.

Our Trustees and Finance Officers are doing a marvelous job in keeping the council records, and won't you please cooperate and make their job easier by paying your obligations promptly, at least during the quarter for which you are billed.

A large delegation of our members, after the last council meeting, attended a meeting of Loyola-Hyde Park Council to pay tribute to one of their outstanding Grand Knights, Brother Chas. Lawler. All were pleased with the opportunity of joining the celebration for a man who has given of his time and effort for the Knights of Columbus, and we wish him every success.

BOWLING NEWS

Hughes Council's Majors performed brilliantly to win two from the formidable Brownson quintet a week ago Friday. Bro. Anthony Slanina had a spectacular 712 series and P. G. K. Elmer J. O'Brien, a guy who always gets pins when the chips are down, had a superb 655 series. Hughes' team set a lot of new marks for the season, proving championship caliber.

The Hughes-Barry special to the National K. of C. Bowling Tournament leaves Central Station, 12th and Michigan, at 9:30 a. m. on Saturday, April 26, arriving in Indianapolis 1:45 p. m. Via N. Y. C.-Big Four. Round trip fare only $4.65. A parlor car will be on the "Special" for the ladies, and a refreshment coach.

COUNCIL BOWLING LEAGUE

The Lauterbach Coals are out in front with a record of 52 wins and only 29 losses. Elmo Ward Builder "Golds" are in second place, 46 won, 34 lost. There is a triple tie for third—Malone & Clancy, McKeown Cartage and Howell Restaurant, all with 44 won and 37 lost.

On last Friday the McKeowns won the odd game from Peter M. Kellys when O'Brien and Enright were hot and offset the fine efforts of Newman and Ray. Lauterbach, paced by Tom Dailey and John Reilly, swept the series with Malone & Clancy. Howell Restaurant, at full strength for first time in weeks, took all three from the Alderman Richard M. Walsh 36th Ward Boosters. Waivers have been asked on Harry (Bee) Caney, Jr., who turned in a sensational 87 for the Walshes, to be the best bowler the Howells had. Young George LaRocca had 264 for the Howells.

Votava Auto-Fixers lost the first to Toomey Tavern when Tom McDonnell breezed in with a 215 net game, but the Votavas, led by Bill Benes and George Burke, copped the two remaining games. Douglas Coal tied the first contest with the Flaherty Tavern, but lost the roll-off and the other two as well. Bolen had a sparkling 597 series and John Keefe another high series. The civil war between the Elmo Ward Builder "Golds" and the "Blues" resulted in a twin victory for the oldsters, despite young George Daly's 202. Roy Murphy, now a benedict, got a nice 196 game in his swan song as a bacheior. Roy was wed to the former Margaret O'Connell last Monday morning. Bill Kane really accounted for the "Blues'" triumph with a good count in the final. Joe Delaney had a 212 and Hustoles 214 for the "Golds."

Hughes Council's Majors picked up on the leaders by taking two games from Bishop Ketteler Counell last Friday. Hughes, now in third place, is making a strong effort to overcome the lead of Brownson and Ketteler.

Americus Will Present "Bit of Ireland" Next Thursday, March 25th

2-4 Tues. . . . . 3350 Jackson Blvd.

Good Morning Mr. and Mrs. Americus:

By the time you receive this issue St. Patrick's Day will be over but nevertheless the officers extend to you St. Patrick's Day greetings. But one thing we are sure of—we are not going to let the month of March fade away without giving our Council a touch of Irish. That is why I kept on telling you of the surprises you can expect at the Irish Night, Tuesday, March 25th; so put on your Old Irish Bonnet with the Green Ribbon on it, and the lads will wear their Green Neckties, but be sure to have your feet in trim because if you never did an Irish jig or a set in your life, you will surely do one on the night of March 25th.

Our Worthy Lecturer, P.G.K. Jim Mooney, told me some of the surprises, and I really did not want to divulge any of them, but I feel you should at least know some. There will be an exhibition of Irish dancing, the likes of which you have never seen before, and don't think that I am bragging. Far be it from me to do that but I can shake a leg in an Irish jig or reel as good as the youngest of them.

Here's a hot one for you! One of my undercover agents has informed me that a certain individual with the initials J. M. is taking private lessons in Irish dancing from a well-known Irish step dancer, but if he can beat me to an Irish jig or reel, I'll buy him the best dinner he ever ate.

We will have Irish sets, four and eight hand reels—the likes of it you have never witnessed before—Irish songs by sopranos, contraltos, tenors and baritones; and sure after and in between the entertainment we will enjoy a snack and a nice cool glass of Irish soda.

So don't forget to bring your mother, wife, sweetheart or sister. We can promise them a night they will never forget.

Don't forget the day and date! Tuesday—March 25th, Mid-City Oddfellows Hall, 3350 West Jackson Blvd. It's Irish Night—Admission Free. I'll be back next week with a flash—NED KELLY.

BARRY URGES SUPPORT FOR BLOOD DONOR UNIT

1-3 Tues. . . . 2856 Washington Blvd.

There are quite a number of us in Barry Council who do not bowl with the brothers in the tournaments, but there are many reasons why we should, as it appears they get a lot of good, clean fun and beneficial, healthful exercise. This year's bowling season is about over, but the next item of interest on the bowling program is the bowlers' banquet to be held soon.

For those of us who do not get around and associate with the bowlers so often, I wish to say that they are a real part of Barry Council and they help us to keep our best foot forward. More power to them. Next season let's more of us get in on this fun.

BARRY ITEMS

Sorry to hear that Bro. Joseph A. Dunne was taken to the West Suburban Hospital last week with appendicitis. Hope you get well soon, Joe, as we need you in the Barry Home Guards.

Our prayers, too, for the speedy recovery of Bro. Gus Serio's daughter, who was operated on for appendicitis.

We offer all our sympathy to star bowler Bro. George Rose and Mrs. Rose on the recent loss of their daughter, Mary Elizabeth.

The Barry Home Guards are still going through the paces every Friday evening at the clubhouse. This is an intensely loyal and patriotic guard unit right in our own council and all members who have no chronic disabilities are welcome to participate without expense.

BLOOD DONORS

Another activity that we of Barry are proud of is the Barry Blood Donors—brother knights who have signified their willingess to hold themselves readily available in the event of an emergency. We are proud of this group of men and every brother who is able to do so may become a charter member by joining up on or before our annual communion Sunday, March 30.

Past Grand Knight George Bamber, who heads this group of real he-men, himself took care of one emergency. George wasn't at home when the call came, but it is whispered they found him around the corner at Dinty's. More power to you, George.

BARRY BOWLING LEAGUE

The first week of the new contest for the pair of shoes donated by S. M. Peters, manager of the W. L. Douglas shoe store at 4002 W. Madison street, shows that Ollie Klineman had high series with a score of 685. Our good friend Ollie shot a 589 series and with his handicap of 96 for three games garnered the large score of 685. Harry Kaskey had second high score with 672.

The Barry Bowling League is sponseoring a tournament of doubles and singles at the clubhouse alleys on Saturday and Sunday, April 19 and 20, which will be run on a handicap with score of 200 as scratch. This tournament is open to all members of Barry, so if you would like to take part get in touch with John Chase or Mique Cunningham at the clubhouse.

MARCH 31, 1941

On Monday evening, March 31, at 8 p. m. the many friends of John (Useful) Foley are staging a party for him at the clubhouse. John has always been on the job doing his share whenever called upon and has been quite a factor in the line up of Barry in the Major Bowling League. The committee in charge is planning on the largest party ever held at the clubhouse, so put that date down and see that you are present.

In the barrage of the little wooden soldiers last week we find that Faucher Brothers won two from Cunningham Insurance with John Tamburrini getting high of 189 and Charley Svoma getting high of 198 for Cunningham.

De Mares Coals won two from American Air Lines with Jeff Fleming getting high score with 185. Jim Landrigan had high score for Air Lines with 180. Lot of the boys are wondering why Harry Kloth does not like to get valentines on Valentine Day. Sheehan Chilis won two from Kedzie Coals with the young man from New York and Chicago, namely Larry Westphal, getting high score with 223. Tom Ferrarini had high for Kedzie Coals with 198 score.

United Air Lines kept up with the leaders by taking two from Recorder Kaindls. Captain Tom Murphy had high score for sky riders with 175 score. Milt Horan had high for Kaindls with a 182 score.

Little Jacks won two from Senator Keanes with Lou Rosenmayer shooting a 550 series with 207 high game. Frank Kucera shot another big series for Keanes with 574 and 207 high game. Mid-West Auto Service won two hard fought games from T. W. A. with John Foley getting high score with 194. Mort Flynn had high score for T. W. A. with 178. Last Thursday being Jack Grisim's birthday, happy returns of the day was given Jack over the loud speaker system, but the young man refused to tell his age.

Prize winners last week were Svoma 225, Lahey 207, Klineman 256, D. Masciola 207, Korty 201, Kaskey 201, Big Vince Johnston 182.

How about that reservation on Barry-Hughes Bowling Special to Indianapolis April 26, 27? Also that entry for Barry two man and single tournament, and the John Foley party at the clubhouse Monday, March 31? Keep Barry Council on top by attending all these activities and meet a swell crowd of boys.

MAJOR LEAGUE

In the major league Brownson took two fast games from Barry last Friday. The scores were:

	1st	2nd	3rd	Total	Avg.
Kucera	168	176	173	517	172
DeVito	202	188	197	587	195
Foley	200	149	210	559	186
Lane	189	166	195	550	183
Boyle	228	179	185	592	197
Barry	987	858	960	2805	935
Brownson	1056	903	904	2863	952

Boyle's 228 game and 197 average was high for Barry, DeVito's 195 average was next; he also had a 210 game, and Foley had games of 210 and 200 and a 186 average.

O'Connell Members to Hear Insurance Facts at Next Regular Meet

2-4 Tues. . . . . 1100 N. Franklin

Our sympathy to the bereaved family of James DeLorenzo recently deceased, who was a brother to our own Bro. Anthony DeLorenzo and a good friend of many of our old-timers.

Due to the inclemency of the weather last meeting night Bro. Tushaus was unable to be with us. As a result, our financial secretary is preparing to give a lecture at the next meeting. The task on his hands is a large one, and each member owes it to Bro. Meier to attend next meeting, and attentively listen to his remarks on the new insurance plans.

At the next meeting there may be another one of our Lecturer's suprises. Remember last week, two lucky men received one semolian each. They were Anthony DeLorenzo and George Eikenswick. It pays to attend the meetings.

Your Fourth Degree Club is going great guns, now they boast of six new candidates. The Barbecue books will soon be delivered to the members. Here's your chance to make a few skins for yourselves. Aid the Council financially, and above all you will be helping the poor youths of our great community.

Young Frank Marino, recently recipient of his First and Second degree, will embark for Macon, Ga., to take his place on the mound for that team. I hope you'll let us hear from you occasionally, Frank. I might add that Frank pitched two no-hit no-run games for Lane Tech during his term on the team.

Welcome to the ranks are Bros. Joseph Marino, Anthony Genaro and again Frank Marino.

Bro. Joseph Tontillo is reported back in good health again and we hope to see him soon.

Best wishes to Bro. Mike Maloney's little girl who was taken to the hospital.

Bro. Nathan asks for more members in the Blood Donor group. Come on boys, let's get behind this most worthy cause and raise the number of our group to at least fifty.

Bro. Ero Raffoelli expects to be a daddy in a month or so and whether its a boy or a girl, we know your going to be mighty proud.

Nazareth Enlists Entire Council in New Member Drive

2-4 Tues. . . . . 17 W. Harris, La Grange

We haven't heard much about membership lately. Can it be that there are no more eligible young men left in our parishes? That can't be the reason. Must be that some of us are really not trying. Now just stop and think a moment. How many young men do you know in your parish? How many of them are members of our Order? Well, that still leaves many outside the fold. What about it? Have you tried to line these men up? You enjoy your membership in the Order, do you not?

You really think that every eligible man should be a brother knight? Of course you do and feeling that way why not do something about it? Talk up the Order in the presence of outsiders. Show them what we can and will do for them, then get that old "John Hancock" on the dotted line. If you have a little difficulty with someone, just say so and you will get all the help you need. Tell the G. K. about it and help will be forthcoming immediately.

Looked like our blood donor service was going to be put to the test recently. Our G. K. got word that a friend of Bro. Ben. Poff was in the Copley Hospital at Aurora in need of blood. Within two hours after receiving the call, G. K. Himpler pulled up to the hospital with the following volunteers: Jos. Woods of Downers Grove, Jim Henderson of Hinsdale and your Scribe. Into the laboratory we marched, announced who we were and were immediately subjected to the test. After the samples were taken we were dismissed with instructions to be ready in case we were needed. Apparently the need has not arisen, inasmuch as none of us have been called yet. Well, if we are needed here we are.

RETREAT THIS WEEK-END

Last call for the Retreat. When you read this issue it will be time for you to attend the Retreat. What? You forgot the date? Well, just put the paper down immediately, grab your hat and coat and head for Mayslake. There will still be time for you to make it.

By the way, just what did you give up for Lent? After all, some such action on the part of each of us would be very beneficial. How about cutting down on those cigarettes, cigars, or dropping something you enjoy very much? Maybe it would pinch a little if you cut down on your bowling games. Confine your bowling strictly to the league games during Lent. There are so many ways one can practice a little self-denial. Why not try it? You will feel better for it.

PIN POINTS

No bowling news this week. The west division did not bowl last Monday and we have no news from the eastern division, so that's that.

Haven't received any word as to the sick brothers this week. Maybe a case of no news being good news. Your Scribe has recovered from the effects of his non-stop flight down the back steps but has been plagued somewhat by a cold that doesn't seem to want to leave. Must have been caused by the breeze from that flight. Well, if it isn't one thing it's something else.

Don't forget, the next meeting will be March 25th. Lecturer promises another surprise. Be seeing you there. Guess we will take another shot of this cold medicine and go to bed. No, we don't need any help on that cold cure. We asked the doctor about that and he assures us it would be absolutely O.K. to take it all by our little lonesome self. So "here's looking at ya." Be seeing you at the meeting. 'Bye now.

Englewood's Schedule Indicates Plenty of Activities for Spring

2-4 Mon. . . . . 150 W. 69th St.

Tempus fugit! Next Monday, March 24, is the next regular meeting of Englewood Council, and this will see the close of March. And then April will be upon us. Holy Week, Easter Sunday, two council meetings, and then April will be gone, and we'll be all set for May.

This means the moving season, and undoubtedly, others like myself will find themselves in new surroundings. If such be the case, don't forget to notify our Recording Secretary of your change of address so that you might be informed of any important council matters.

And the first important council activity for the month of May is our semi-annual Communion Sunday, May 4, at St. Martin's Church, 59th St. and Wentworth Ave. This is the month of our Blessed Mother, and most appropriately is also the month in which we celebrate Mother's Day.

Then on Saturday, May 17, is the May Party and dance of the "Three-To-Four Club" of the council at the Del Prado Hotel Crystal Ballroom. Two more council meetings in May finishes that month and gets us all set for June, and this is the time when we hold our election of officers. So you see, we are not kidding when we open our column with the words "Tempus fugit."

E-FOURS

Due to unforeseen circumstances the "Three-To-Four Club" was obliged to postpone their regular meeting from Thursday, March 20, to Thursday, April 3. However, this does not mean that the members must wait until then to secure their tickets for the May Party and dance. They can be had at any time by just calling yours truly at Aberdeen 5044, or Canal 4400, Extension 441.

President O'Brien reminds me to inform all members of the council regarding the possibility of securing "free council dues" through the sale of tickets for the next affair. Anyone interested in this can receive full details by calling me. It will be worth your while to find out.

In the meantime, remember the date and place. Saturday, May 17, Crystal Ballroom, Del Prado Hotel, $1.00 per person, including refreshments, entertainment, dancing, tax, etc.

E-VERY

meeting something new happens. A few meetings ago, P. G. K. Chas. Huguelet recommended to the Lecturer that if the name of a member from out of town should be drawn from "Lucky Buck," he be entitled to the award whatever it may be, for these members pay their dues and assessments regularly, and therefore are entitled to all council benefits, even though they were unable to attend council meetings. This suggestin was approved and adopted.

Lo and behold! The first name drawn from "Old Lucky Buck" last meeting night for $7.50 was none other than G. A. Koch, 9320 Martindale Ave., Detroit, Mich. Congratulations, Bro. Koch, and the prize is on its way to you. Which all means it pays to attend council meetings, even though it starts all over at $2.50 next meeting.

We were also pleased to hear another address by our Chaplain, Rev. Geheb, S.J., who spoke about the month of March being the month dedicated to St. Joseph, the patron of a Happy Death. Father Geheb's addresses are always inspiring, interesting and educational, which is just an added incentive to attend all council meetings.

E-NGLE WOOD-CHIPS

The sick list of the council is just about the same, with Treasurer Adolph Minster still convalescing at home, 6730 S. Wabash Ave. . . . Bro. John Hurley has proven that the will to win is still the best remedy, and therefore has left Mercy Hospital and is now at home, 7146 S. Prairie Ave. . . . Also reported ill at home was P. G. K. John A. Mulholland, but I understand he is once more himself again and is back to work . . . See where Bros. Tom Maguire, James A. Clark, and Harry Delaplane are keeping themselves quite busy in trying to obtain their quota of Holy Name Society members at St. Columbanus Parish . . . Also James A. Clarke doing the same at St. Rita's, besides serving on the visiting committee of the St. Vincent de Paul Society . . . And whatever became of "Tootsie" Dunne . . . it's coming near State Convention time and we haven't heard yet whether or not he has made his reservations.

Aside to Jack Cullinan, council blood donor chairman . . . Bro. Justin McGowan is a type 3 . . . the first one in the council . . . Bro. Harry Delaplane was called for a transfusion but was unable to oblige due to previous engagements . . . Have you any other news, Jack? . . . Call me at Aberdeen 5044 . . . Joe Nolan and myself represented the council at Lovola-Hyde Park's Charley Lawler night, Thursday, March 13 . . . The turnout was indeed a splendid tribute to such an energetic knight, and was well deserved . . . Congratulations to you, P. G. K. Lawler, from Englewood Council . . . And don't forget the May Party and dance of the "324 Club" . . . As President O'Brien remarked at the last meeting . . . We need the co-operation of all members, whether or not they are Third or Fourth Degree members . . . we want the support of all to make this affair successful . . . "If it cannot be done collectively, it cannot be done at all." . . . and above all, remember that 15 per cent commission attached to the sale of tickets for this affair.

PAPER WAGES "PRESSKRIEG"

Oklahoma City.—Under a "commander-in-chief" who is "conscripting" Catholics to join his "army" the Southwest Courier of the Diocese of Oklahoma City-Tulsa is waging a "presskrieg" for subscriptions.

FR. O'CONNOR KEGLERS IN TOURNEY NEXT WEEK

1-3 Thurs. . . . . 4660 North Kedzie Ave.

Some fifty-odd hearts are beating a trifle faster this week. They belong to the Fr. O'Connor bowlers, who realize that in just one week they will shove off for Indianapolis and the National K. of C. Tournament. This year's tournament, under the direction of our own Bill King, boasts a record number of entries. The coveted title of K. of C. National Champs will be rolled for on two fronts this year, the Central States doing their shooting in Indianapolis while the easterners will get their good work done in Utica, N. Y.

The National Tournament is old stuff to a good number of the lads who will carry Fr. O'Connor's colors into the fray. Take Father Rausch, for instance. He bowled in these events when Hector was a glint in some bulldog's eyes. Frank Kotnaur, who has been associated with K. of C. bowling as far back as anyone can remember, makes the trip again this year. There are several others whose names are synonymous with the National Tournament. To them as well as those who are making their first trip, we wish a world of success.

TUESDAY KNIGHTERS

Not to change the subject, which, in case you just came in, is bowling, there's the latest dope on the Council Bowling League as received from Secretary Phil Doyle. The King Coals stopped the league-leading Widtmanns in two games while the Shamrocks were winning two games from Gannon's Inn. This moves the second place Irish to within two games of the leaders with three more nights of bowling left.

The Christo Printers won two from Joe Nolan's insurance men to remain within striking distance of the top spot. In the other games the O. K. Exterminators copped a pair from Limpy Navin's boys while Alderman Ross' Boosters were losing two to the Furman Funerals. The BIG TEN for the evening follows: Fr. Rausch, 579; Droske, 572; Bradford, 559; Wilson, 553; Cunningham, 541; Gries, 537; Brady, 535; Fialkowski, 533; Coleman, 533; Speck, 531.

FRANK CRONIN

We received some very bad news during the last week. Frank Cronin has been taken seriously ill and at present is confined to St. Mary's Hospital. Frank is unable to receive visitors. We know that every member will remember Frank in his daily prayers. While his temporary absence is a grievous loss to the council, we all pray that, by the grace of God, he will have a very speedy recovery.

KNIGHT LIFE

Our Fourth Annual Charity Ball was a huge success. General Chairman Joe O'Brien has asked that we extend his sincere appreciation to all those who contributed to this success in any way. The ball, last Saturday evening, will long be remembered by all who attended. In the next few lines we'll endeavor to give you a few candid shots of what your Scribe observed.

Matt Needham displaying his two new glass eyes while doing one of the latest steps with Mrs. Tom Kissane . . . One of the cashiers in the Cocktail Lounge playing the "River Shannon" on the No Sale key of the cash register. We won't mention his name but we will assure you it isn't O'Toole . . . Blanche Doyle looking just swell and anywhere . . . Mr. and Mrs. George Bionn celebrating their 25th wedding anniversary . . .

Florence O'Brien tripping the light fantastic with Bob Turnes' kid brother . . . Jack Kennedy telling your Scribe to be sure and print something about Joe Navin which I can't remember for the life of me . . . The three Marcks' sisters of radio Station WBBM doing their bit to entertain the huge crowd that packed the Lions Club . . . Corny Doody, Jack Gries, Bill Bloom, Clarence Walker, Skip Schmidt, Bill Fialkowski and Eddie Droske doing a swell job of tending bar . . . Dick Navin getting around on the bum dog and complaining about not being able to dance. Conspicuous by their absence were Jack Reilly and the dizzer. Jack is doing his part for National Defense on an island off the coast of California. No reports on the Dizzer . . .

George Loohs and Pete Jung monopolizing one end of the bar. Big Al Long and quite a crowd from Brownson Council raising Cain (censored). Incidentally, don't forget the All-Catholic, Over-Your-Average Tournament to be rolled at Al's Monte Carlo Alleys starting April 12. Entries for the tournament close March 30. For further information pertaining to the tourney call Lincoln 9151 . . .

Ray Bodkin spending most of the evenin on the dance floor, sans bathing suit . . . That sandy-haired Scotch favorite, Doc MacDonald, was a late arrival . . . Bern and Mrs. Kamins, accompanied by Curly and Mrs. Button, having a swell time . . . Little Mickey Sullivan and Maggie walking away with top honors for the best dancers on the floor. Mickey had a half-a-buck and spent every cent of it. He says he was more than happy to do it, seein' as how it was a charity affair . . . John Golden and Chuck Dineen debating about whose turn it was to turn over . . . Mary O'Brien looking nicer than ever . . . We could probably go on forever, but we've used up all the space allotted to us for this week. If you don't find your name here don't feel too badly. We'll get you next time.

Chicago Hts. Scores Big Success in Dance Honoring St. Patrick

2-4 Mon. . . . . 1527 Otto Blvd.

The officers and committee chairman of the annual St. Patrick's dance express their sincere appreciation to the members and friends of our council who helped make this affair the most outstanding ever held.

While we do not know the exact attendance, it is safe to say that it was tremendous. A listing of all names would be impossible so at a glance we shall mention a few: The Murphys, MacKlers, Bergins, Connollys, Dionnes, O'Neals, Howells and the McMurrays. We're sorry not to be able to include all names. The hall was most appropriately decorated and to Lecturer Oscar Fox and his assistants go our praise for such an enjoyable evening.

Our next meeting is scheduled for Monday, March 24, and we urge every member to attend. The latest activities and spring items will be discussed. Before we continue further with our news, may we ask what you have been doing about membership? Those young Catholic associates of yours would willingly join our ranks if they were but asked. Our order has the approval of Mother Church, and we should do all we can to uphold its prestige.

If you reflect back on the reason you became a member, you will no doubt be able to give someone else a good sales talk and a convincing argument. We cannot advance to greater heights unless the membership drive is given your full support. Our financial secretary will gladly co-operate with you on data on the new insurance plan, and as the time is growing very short we should all start now to bring signed applications to the coming meetings.

COMMUNION SUNDAY

This is the greatest event on the council's calendar, and as you may have noticed in last week's issue of The Columbian, His Excellency, Bishop James A. Griffin, has designated Sunday, May as the official communion Sunday for all councils of this area. At the next meeting full particulars will be announced.

B. B. Q.

The annual barbecue will be held at Riverview Park in June, and our council hopes for greater success than ever before. We have already contributed much to the advancement of this great cause, and by getting an early start on the selling of tickets we should pass all previous efforts. The books are about ready for distribution, so be prepared to accept them. The committee consists of Chairman Walter McMurray, Co-Chairman John Howell and Bro. Wm. O'Neal.

The chairman of the Blood Donor Group is anxious to register all brothers willing to volunteer for this worthy cause. If interested, contact your G. K. Joe Dionn or Bro. Dr. Armbruster at our next meeting.

D.G.K. Salvatore Cirrintano, membership chairman, is certain that St. Francis Xavier will be one of the few Councils in Chicago to reach the Century Club by June 30 and is asking the full co-operation of all the members in attaining this goal. Approximately twenty-five new applicants have to be secured by June 30 deadline, so get busy and help us reach the Century Club.

COMING EVENTS

Many interesting events are being planned for the members and their families. For instance, Sunday, May 18, is the date set for our Mothers' Day program. P.G.K. John Blase Meccia, chairman of the committee, will appreciate any suggestions in repeating last year's success. Mail all suggestions to him at 77 W. Washington St.

Another gala evening will be Ladies' Night, tentatively set for May 24. P.G.K. Joseph Defily, who will head this committee, has promised that there will be no speeches. Just entertainment. Sounds swell, huh?

KNIGHTS IN THE NEWS

Your prayers are requested for the speedy recovery of Miss Anne Mele, sister of Grand Knight Baptiste Mele. Miss Mele, who underwent a mastoid operation at St. Elizabeth Hospital last week, was given a blood transfusion last Friday by Fin. Sec'y Alex Coletta. "Bap" and his family are deeply grateful to him. . . . Bro. Tony Demore was also typed for this transfusion but did not qualify. . . . The deadline for re-

Marquette Membership Drive Will Be Center of Current Activities

1-3 Thurs. . . . . 1928 Devon Ave.

Our membership chairman advises that he is not satisfied with results to date. We are far from our percentage and need over fifty members by June 30 for our quota.

Attending a splendid first and second degree last Friday at Brownson clubhouse were G. K. Hesse, Walter Pettis, Pat O'Donnell and ye scribe. Last Tuesday night G. K. Hesse acted as grand knight for a first and second degree for Barry Council at its club rooms.

COMMUNION SUNDAY

Sunday, May 4, will be annual Communion Sunday for Marquette Council, in accordance with the wishes of Bishop Griffin, our state chaplain. We will receive in a body at the 8 o'clock mass at St. Henry's Church, whose pastor, the Rev. Father Charles H. Epstein, is our chaplain. Breakfast will be served afterwards at our club rooms, so be sure to make your plans accordingly.

BOWLING

Donoghue Tricks won two of the three game series from the McGuires, but they are still two games behind the first place McGuires. High for the Donoghues was Bro. Erickson with 529 while Bro. Walter Bergen was high for the McGuires with a score of 550.

On the other alley it was one-sided with the Griffin Tigers taking all three from the Delana Demons. Bro. Frank Loderbauer was high for the Griffins with 539, while Bro. Chas. B. Cronin led the Delanas with a score of 502. Official standings are:

	Won	Lost
McGuire Wildcats	37	32
Donoghue Tricks	35	34
Griffin Tigers	34	35
Delana Demons	32	37

Bro. William F. Clark, member of University Council and dean of the law school of De Paul University, was guest speaker at our meeting Thursday night. Comments cannot be made due to deadline for Columbian being on Tuesday.

turns on dance tickets and ads has been extended to April 10, our next council meeting. Please hurry so that the final report can be made.

Sir Knight Nick Masse became a proud papa March 12 when Mrs. Masse presented him with a 7½ pound baby girl at St. Elizabeth Hospital. The doctor's report shows that the mother and baby are doing well, but the pappy has not yet fully recovered. The new arrival was named Pamela Adrienne. Bro. Frank Cortese, who left this week with Bro. Torry Muro with the National Guard, paid up his dues to April, 1943, and received his travelling card from the financial secretary.

Lecturer John Caruso delighted those who attended the March 13 meeting by distributing cash prizes. Bro. Sam Fasano won the major prize. Other winners were: S. Affrunta, H. Gerlich, G. McGoldrick, A. Colletta, J. Scelso, J. Fanio, J. Gallo, F. Vitullo, P. Mazza, M. Falco, A. Caruso, A. Scarpelli, J. DiCola, J. Pauletto, "Sheik," A. Furlan, V. Rutili, J. Cascio, A. Serritella, N. DaMore, J. Caruso, M. Kaniuk, C. Criola, C. DiGiovanni, A. Vitallo.

TEN-PINS

Who's going to win the second round of the bowling league? That's hard to answer after last Friday night's session. Four teams were tied for first place. They are: Marks Motors, Coletta Undertakers, Paterno Pizza and Dot Pies. The third game between the Marks and Colettas was one of the most exciting of the season with the latter team winning the game by 11 pins.

Top ten-pinners were: F. Arito, 510; Curbes, 503; F. Pasquale, 530; A. Vitallo, 569; C. Gregoria, 533; J. Defily, 518; C. Speciale, 530; C. Principe, 559; "Sheik," 510; J. Consoli, 502; S. Defily, 503.

There isn't much time left to make your railroad and hotel reservations for the trip to Indianapolis, April 5. Get in touch with Angelo Vitallo or Sal Cirrintano for full particulars.

Damen Maple Pushers Keeping in Practice for Tournament Battle

1-3 Thurs. . . . . 6 N. Hamlin Ave.

The McEnery Realtors, with Captain Matt George shooting 517, took the Stack Typewriters for all three games. Sponsor Tom Stack's absence left the typists an easy victim.

Reliable Credit with Captain William Crowley leading the way, 512, beat Kelly Couplers two games despite the fact that Homer Shaver rolled 532 and Captain Joe Kulisky had 234-595.

Cassidy Tires renewed their quest for the league leadership by trimming McMahon Undertakers twice. Captain Charlie Kuhter revived the tire(d) men by rolling 211-550. Henry Henningsen was high for the McMahons with 504.

Gormans beat Brown Plumbers two sets to run their total to 8 wins and 4 defeats in the current season against last years and this years (?) champs. F. Cooney was high for the Gormans and P. Brown high for the leaders, both having a 521 total.

Damen Council rolls in the National K. of C. tournament at Indianapolis on April 5th and 6th. Five men events start the bombardment on Saturday evening at 6:30 p. m. Doubles and singles get the boys up early on Sunday to hit the boards at 11:30 a. m.

The West Side Gayety Special leaves Saturday morning, April 5th, at 9 a. m. sharp, Union Station, Pennsylvania railroad. The round trip fare is only $4.65.

Damen reservations now total thirty-two. How about it, does this total include you? If not get in touch with Martin McGinnis, league secretary at 1011 S. Harvey Ave., Oak Park, or phone Haymarket 4112 and ask for Tournament Chairman Parke Brown.

DAMENEWS

Co-chairmen John Caulfield and Homer Shaver asks you to get ready for the K. of C. Barbecue. They'll be visiting you.

We think the practical Catholic men of Chicago are reading much about the doings of the world and thinking seriously "What's the meaning of this?" We think Catholics know the answers and that the answer has been brought forcibly home to them. We think they are ready and waiting for a spiritual rebirth. We think the Knights of Columbus have another golden opportunity to prove their right to the title, "Strong Right Arm of the Church."

Did you hear Monsignor Fulton Sheen on the Catholic Hour Sunday, March 16? What a tribute he paid to the "common" man. How he castigated the intelligentsia.

Often have we thought, perhaps enviously, how firm the faith of the unschooled, poor, old Irishwoman or man as they knelt before the altar telling their beads in twisted, trembling hands, or holding rapt conversation with an unseen, at least to most mortals, companion. We never need ask who is the richer and wiser, we with collegiate degrees and a weedly growth of contempt for our fellowman or he who walks with God.

"As we loved them in life, let us not forget them in death."

In memory of our brother knights who have departed this life since our last memorial exercises, Chicago Council No. 182 will dedicate the coming meeting of Tuesday, March 25. The call to order will be sounded by G. K. Henry L. Phoenix promptly at 8 o'clock to dispose of all matters that may be urgent. The Memorial Service will immediately follow.

Chicago Council has ever been loyal to our departed brothers with the offering of Masses and special prayers and we honor the memory of their good fellowship, their ideals, their unselfish labors for the good of the Order and their Catholic fellowmen in this beautiful Memorial Service provided in our ritual.

To our new members we extend an urgent suggestion that they attend this Memorial that the lessons it teaches may be received by them. To our old timers who worked side by side with many included on our memorial roll, opportunity is offered to join in this tribute to dear friends.

We are reminded that "it is a holy and wholesome thought to pray for the dead that they may be loosed from their sins." Let us not pass up this opportunity to unite in keeping fresh the memory of our departed brothers.

Arrangements have been made for special music and for suitable decorations for the council chamber for the exercises.

THE RETREAT

The Mayslake Retreatants, under the guidance of Chairman Joseph N. Schmitz and Co-chairmen Will Pellicore and Sam Mercurio, leave this Friday evening (March 21) and return Monday morning. It is possible that some of our brothers have overcome obstacles and now cherish a last-minute desire to make the Retreat. Come along. You can obtain instructions on how to get there from Bro. Schmitz at Mohawk 2897 or at the rectory of the Franciscan Fathers at St. Peter's Church (Harrison 0882).

Santa Maria in Final Stretch of Membership Drive for March 27th

2-4 Thurs. . . . . 9120 Commercial Ave.

But one final week remains in Santa Maria's great membership drive and the effort put forth by you members this week means the difference between success and failure. As you know, the exemplification for the First and Second Degrees for the Father Terlecke Class of candidates takes place on March 27. So far the total applications received, while gratifying, have not been too outstanding. The membership committee and the officers feel that the members could give the ball just a harder push than they have.

What do you think? Have you really worked as hard on the drive as you might? If not, just rush right out and let your actions speak louder than words. Over and over we have been reminded of what our Chaplain has done for our council. Now let's show him in the one small way we can, by having a class of new candidates large and impressive enough to bear his name—the Father Terlecke Class. Call Bro. John Crowe or G. K. Al Schott immediately if you have spotted a prospective candidate. There's no time to lose. Let's go!

CONDOLENCES

At the end of last Thursday's meeting, the officers and members went in a body to pay their last respects to Bro. Joseph W. Wozniak. The sympathies of the council are extended to his wife and daughter. May his soul rest in peace.

NOTES

Bro. Doc Neville and Pat Crotty, Jr., take their golf seriously and it's not just a summer sport for them. Doc Neville tells us they've been playing all winter and intend to keep right on going.

Did you hear the radio program celebrating St. Patrick's Day the San Francisco way on last Sunday? We did and we were especially pleased at the nice compliments that were paid to our Knights of Columbus. The program was sponsored by the Shriners and showed an unusually friendly spirit.

Bro. Wm. Iglewiki has been one of our hardest workers in the membership drive. It seems that every second application has his name signed as sponsor. We need more brothers like him.

We read in the paper the other night that Bro. Clement Milcarek, one of our former basketball stars, is the proud father of twin daughters. We suppose Bro. Milcarek would sooner part with all his trophies than any time away from his little girls now.

Bro. Vincent Knaus has been very active as chairman of the Advisory Board of the 10th Ward Selective Service.

Don't forget to visit Bro. Jim Conners at 7530 Essex Ave. We want everyone to cheer him up so that he'll be back to meetings soon. We met Bro. Matthew Gobrecki on the train the other evening. He told us he is busy working in the Holy Name Society offices and often sees Ralph Leo, our former scribe.

Weber Expects Every Member to Take Part in Membership Drive

1-3 Mon. . . . . 4758 S. Pulaski Rd.

The most important problem confronting our council today is that of our membership quota to be realized before or on June 30. This year we are behind, and only because you and I and many of the rest of our brother knights did not do our best. We must make greater strides in procuring applications, and we must do it at once. Membership Chairman, Sir Knight John Zolna, is willing to contact the prospect and describe to him the advantages and benefits of Order membership if we will only turn in the names of likely prospects. This will avoid any burden whatsoever on the part of a member. Our new insurance is easily sold, and the opportunity is at hand to make an extensive campaign for new members. Let's start now!

YEAR IN ADVANCE CLUB

The following brothers understand the difficulties of a financial secretary, therefore, they have joined this club willingly. Won't you follow them? Think it over. They are: Chancellor Steve Jas, Anton Kraft, Joseph Mikos, Eugene Szymanski and Frank Kubiak.

APOLOGIES

Last week's issue mentioned Sir Knight F. Dalka, Sr., as a guest from Quigley Council. This should have been St. Augustine Council. Likewise the last two members listed, Sir Knights John Zolna and Albert Martynowicz, are Weber members and not Quigley's, as the article mis-read.

COUNCIL BRIEFS

Dr. J. W. Dziubski is celebrating his birthday tonight. Congratulations, Doc. The newly appointed Blood Donor Chairman is Sir Knight Frank Dalka, Jr. The newly appointed Athletic Chairman is Bro. Mitchell Mazurek. The Gold Pot winner of last meeting was Bro. A. Bobrowski, and as he was not present, the Pot increases for next meeting.

LAST MEETING

At the last meeting, Bro. Frank Estis of Ketteler Council paid us a visit. He gave a description of his work and thanked our council for the literature gathered for him. He will appreciate further contributions of any reading matter. The Lecturer, P. G. K. Stanley Jaworski, honored all "Josephs" with cigars. Trustee Joseph Bartusiak and Fin. Sec. Joseph Nowakowski "popped" to all the boys at the bar. We also voted on the transfer of Bro. Joseph Zolna, 2839 S. Hillock Ave., from Quigley to Weber. Congratulations, Bro. Joseph.

Notice: There will be an officers' meeting on April 4, 8:30 p. m., at our council chambers.

MAPLE SMASHERS

Last week Dr. Dziubski's team took the best games from Wegzyn Realtors, two out of three. Kraft's Boosters referred to the evening as "jinx night" because the Boosters lost three. The standings are:

	W.	L.
Dr. Dziubski	33	21
K. of C. Boosters	33	21
Kraft's Boosters	25	29
Wegzyn Realtors	17	36

Honor roll: A. Mlynek 175, F. Wieruszewski 176, and Steve Jas 188.

DOWLING ORGANIZES ACTIVE DONOR GROUP

2-4 Tues. . . . . 3625 S. Hoyne Ave.

At our last regular meeting Tuesday evening, March 11, under the leadership of PGK Ray Gerber, our council held its first night for typing our members as blood donors. We had two nurses on hand and they typed thirty of our members.

We were also honored by the presence of the state chairman of blood donors, Bro. Robt. Du Mais, past grand knight of our neighboring council, Fort Dearborn. He told us of his many experiences while covering the state on this work and he complimented our council very highly on the results of our first meeting of this group.

The brothers that were typed will receive a card for future use as to their type number and also an emblem of honor as a blood donor of the order.

At the conclusion of the typing the accompanying photograph was taken showing our PGK Gerber in the process of being typed and a few of the brothers who preceded him.

Our GK. Frank J. Barker, wishes to express his appreciation and thanks to the brothers for the cooperation and support given our chairman in behalf of this very worthy and charitable cause.

NEXT MEETING MARCH 26

At our next regular meeting our chairman of Catholic Action will endeavor to give us a program of real Catholic interest.

Our chaplain, Father Wunder, will explain the principal parts of the Mass. Let us turn out in large numbers and show our chaplain that we are interested in Catholic Action and appreciate his efforts and hard work in our behalf.

CUFF NOTES

The Holy Name Society is making a drive for new members beginning March 23. It is the desire of Archbishop Stritch and of Bishop Sheil to have 200,000 local members receive Holy Communion on Easter Sunday. Bro. Dr. R. C. Michels is chairman for St. Maurice's parish for this drive and has the assistance of Bros. Mike Carroll, Geo. Connelly, Sr., Jim Curley and many others. The drive is on in all parishes and merits your support and works in conjunction with Catholic Action.

I met our past trustee, John (Dobby) Nolan, walking down State St. last week and we had quite a chat recalling old times. John promised to attend a meeting in the near future.

PGK Earl Dunne is getting back in old-time shape again, as he was full of oratory at our last meeting. It seemed like PGKs' oratory night as all present took the floor and expressed their opinions. Those present were Dunne, Gerber and Denehy. (Earl also has the distinction of being the first Dowling blood donor, as he submitted to a transfusion last week at Mercy for the wife of a brother knight.)

Chairman Tom Gallagher made a fine talk on the retreat movement and personally appealed to the members for their support for the class of Dowling on April 25. He told of the necessity of more work due to conscription of many of our members and invited all to be with him on the above date.

It was also decided upon to make the meeting of April 22 an open meeting and designate it as "retreat night." I am sure this will be a very interesting night and Tom will have many dignitaries on hand.

Our inside guard, Pat Linehan, received a card from Bro. Stanley Wosjik from Livingston, La., and he says he is getting in fine trim. He is in the 106th Cavalry, Headquarters Troop 19, Livingston, La. He would enjoy hearing from you.

CONDOLENCES

Patrick Blake, the loving brother of Peter G. and Edward of our council, passed away last week. We extend our sincere sympathy to his family and pray for the repose of his soul.

PIN TUMBLERS

While I am writing this news we have three teams in Indianapolis, Ind. I hope they are doing us credit. The teams are equipped with green skull caps with the name "Dowling" on them and green bow ties. I will give you their results next week.

We had our real supporters again on the job last week, Mrs. Bob Green and her daughter, Mrs. Jos. Boissneau. Joe is a member of Blue Island Council. Mrs. Louis Smith and Miss Miller also attended.

The Dunnes are still on the decline and weeping doesn't seem to help, so they are getting their Irish up and should get going next week. Someone stole Mike Dore's newspaper. I wonder why. Ask Hartnett—he knows.

The following are last week's results: Hartnetts won two from Dunnes; Dalaeges won two from Zintaks; Dr. Michels won two from Beams; Dr. Laibes won two from Gormelys. Marty Dieterick had a 611 series.

500 class bowlers: Gerber, 579; Wantroba, 572; Hartnett, 570; H. Lorden, 556; Riley, 556; Love, 547; Blythe, 532; Nowak, 535; Green, 508; Christin, 507; W. Lorden, 503.

200 class bowlers: Blythe, 216-203; Gerber, 211-203; Dieterick, 210-208; Christin, 207; H. Lorden, 206; W. Lorden, 203; Wantroba, 201; Hartnett, 201; Nowak, 200.

Dowling Organizes Large Donor Group

Dowling Council is one of the latest Chicago units to organize its membership in support of the Blood Donors movement sponsored as a national Order activity by the Supreme Office.

Pictured above at the Council's initial typing last week are a few of the men who volunteered for service with their council unit. Nurses Frankow, seated, and Tempero, standing, were kept on the job for several hours before the last man could be classified.

Leaders and officers of the Dowling group seated from left to right are Donor Chairman P.G.K. Ray Gerber, Grand Knight Frank Barker, State Donor Chairman Bob Du Mais and P.G.K. Dick Kelly.

DE LA SALLE SCOUTING FOR SOFTBALL PLAYERS

1-3 Tues. . . . . 1105 E. 47th St.

Spring is here; that is, officially it is here, so the time is at hand for us to begin building a softball team. Last season Bro. John Shaughnessy and Bro. Joe O'Brien were instrumental in interesting the boys in a softball team and they wound up the season with an admirable record. Some of the boys interested in this field of sport last year were Ed Smart, Ed Sheehe, Tom Reynolds, Bob Coyne, Fritz Lucas, Fred Magee, Harry Watson, Maurice O'Brien, C. L. Magee, Jack Garr, Dick Johnoff, Jerry Shields, John Keoppen, Frank Yaeger, John Kempfer and John Dennehey. The council asks that Bro. John Shaughnessy get the young men of our counsil to sign the roster for softball and go out after a little of that fame and glory.

Some of the boys have already asked what was going to be done about softball and we could only say, wait and see if the group can be mustered. Some of the boys may have already joined Uncle Sam's forces. In that case, it may become necessary for us to fill in the open ranks with older men. In any event, now is the time for planning, so through the medium of this column, the council strives to reach every member interested in the game and asks him to enlist with John Shaughnessy, Dick Zellar or Bill Meehan.

At the last officers' meeting, a suggestion was discussed relative to the status of the young men of our council who were taken into defense training. It is expected that the council will concur in the opinion that the dues of our members going into defense service shall be waived for the duration of their services. This in no way affects the insurance assessments of such members.

It may be a burden for the young men to continue their council dues and we certainly do not wish to impose any unnecessary worry upon them or even risk the chance that these boys should become delinquent in their obligation toward the council. It is further agreed that these lads are upholding the dignity and liberty of our homes and loved ones, so the least we can do is ease their mind in this regard.

CONTRIBUTIONS ACCEPTED

For our members who do not get around to the meetings, we take the liberty herewith of spreading the message for Father Oliver of Maylake, and ask that you send in any contribution you can spare. Funds are being solicited from all retreatants, councils and organizations willing to assist in this Catholic Retreat lay movement. Father Oliver has an organization known as "Mayslake Retreat Building Corporation," composed of a group of well known men to assist him in raising funds to construct a new wing to the present Retreat home.

This is a laudable aim and will be a monument to the men making the sacrifice for many years to come. Since P. G. K. Pat Clark and our Warden, Jim Young, have been so sincere in their effort to promote the good work started at Mayslake, it is the desire of our Grand Knight that these men act as De La Salle's committeemen to promote this act of Catholicity and accept and account for funds sent in to aid this drive.

ANNOUNCEMENTS

You cannot place a K. of C. application in the hand of a prospective candidate unless you have one. Come in and pick up one or more of these new application forms. They are on the desk at council headquarters at all times. Likewise get an insurance rate card showing the cost of insurance for all five of the new forms.

The Admiral Benson Post No. 83 of the Catholic War Veterans is holding a card party on Wednesday, April 16, 8 p. m., at 4725 Ingleside Ave. We recommend this party for your consideration.

According to plans thus far initiated, the council expects to take over the exclusive use of the hall for the convenience and pleasure of the members. With a little cleaning and decorating and floor finishing and lighting fixtures, our little hall will become attractive and more comfortable.

Recorder George Niederst distributed the emblems for the men who volunteered in the blood donors' group at the last meeting. If you did not receive your emblem, please see George.

Bro. Tom Riordan and his wife have taken leave of work and worry for three weeks to go vacationing in the sunny climes of Arizona, California and Oregon. We wish them a happy, healthy journey with safe return.

Because dogs belonging to certain tribes in the Kasal Valley of the Congo do not bark, bells are strung around their necks so they can be easily located.

Veneration of St. Jude Thaddeus, Apostle and Martyr

By reason of the federal treason of Judas Iscariot against our Savior, the name of Judas fell into such disrepute that even the holy Apostle Judas Thaddeus suffered thereby. It seems our Lord wishes to repair the honor of this Apostle by giving aid to those in extreme distress, when they invoke this saint. Judas Thaddeus was a dear relative of Jesus and Mary. This glorious Apostle was most zealous in spreading the Gospel. He converted a multitude of souls, and finished his career by a heroic death.

Our Lord Himself directed St. Bridget to turn with great confidence to St. Jude. "In accordance with his surname Thaddeus" ("the amiable loving") said Jesus, "He will show himself most willing to give help." It is related that this Apostle once appeared to a devout client and expressed his regret that so few Christians thought of invoking his aid and protection.

Prayer to St. Jude

To be said in great affliction, or when one seems to be deprived of all visible help, and for cases despaired of.

Saint Jude, glorious Apostle, faithful servant and friend of Jesus, the name of the traitor has caused you to be forgotten by many, but the Church honors and invokes you universally as the patron of hopeless cases of things despaired of. Pray for me, who am so miserable; make use, I implore you, of that particular privilege accorded to you, to bring visible and speedy help where the help was almost despaired of. Come to my assistance in this great need that I may receive the consolations and succor of heaven in all my necessities, tribulations and sufferings, particularly . . . (here make your request) and that I may bless God with you and all the elect throughout all eternity.

I promise you, O blessed Jude, to be ever mindful of this great favor, and I will never cease to honor you as my special and powerful patron and do all in my power to encourage devotion to you. Amen.

Saint Jude, pray for us and for all who honor thee and invoke they aid.

Plan to be on hand for our "super game party" on April 3 at 4221 W. Irving Park Road. Be sure to bring your friends along.

Gar. Moreno Asks All Members to Speed Up for Membership Quota

2-4 Tues. . . 155th and Lexington

Palm Sunday is just a short distance away, and again this year it will be another big day at Blue Island. While time is getting short to enter candidates in this class, don't forget that other degrees will follow each month. Garcia Moreno has a quota of 35 new members to reach by next June 30. Recently you received a letter from G.K. James Mann, and along with this letter was an application for membership. We hope each of you will add luster to your membership, and return it signed at an early date.

The initiation fee of our Council is now $7.50. It was lowered by a resolution at our last meeting and this change should add pep to the drive. Our meeting of Tuesday, April 8, is designated "Application Night." A quota of fifty members has been set for this night, and while this seems large, in consideration of our three hundred members, it really isn't.

Constant effort by all of us should bring fruitful results, and today we need a closer friendship with our Catholic men. That is why we meet twice a month, in order to mingle with our Brother Knights. Tuesday, Mar. 25, is our next meeting date. It will be "Irish Night" and we know you won't want to miss it. Entertainment and refreshments are in order, so come one and all to give the Irish a big hand.

BOWLING DOPE

Shea's Korner took the league lead with three wins over Anton Sterker and his Tailors. Jack's 536, Lemon's 530 and Kammert's 519 topped the winners, while Rev. Fr. Renklewski's 508 was top score for the Tailors. Goletz Boosters won two games from Home Liquor. Joe Reardon's 471 was high for Goletz, while Dick Walenga's 470 topped the losers.

Eagle Coal won two games from the Bill O'Hara Boosters. John Mech's 535 and Gorski's 527 were the top scores for the coal bin boys. McGee's 552 and Wisell's 544 were the main pin crushers for the O'Hara Boosters. Wonder Bar put over two wins and Frank Ring Boosters were the victims. Pop White's 547 and Hank Hilgendorf's 527 topped the winners, while Matt Walenga's 517 and Tony Mekanas' 495 topped the losers.

THIS AND THAT

To Louis Wasso and wife, we extend our sincere congratulations on the recent celebration of their 24th wedding anniversary. Bennie and Frank Walenga celebrated another birthday this week. Congratulations! Patrick Palcu and Irwin Lunn will soon join Uncle Sam's boys at camp. Our fondest hopes and best wishes go with them. Along with Jack White, the count is now three to join the Army.

Three applications were read at the last meeting. John Onak was the sponsor of two and Clyde White was the other sponsor. Louis Beaupre is still on the sick list with an infected foot. Al Berner is coming along fine since his automobile accident. Romeo Begnoche gave a report of the meeting held to organize a Fourth Degree Club. Michael Ryan is home again from the hospital. In closing don't forget Irish Nite will be open house for prospective members. Bring your Catholic friends along. Cheerio.

St. Pat's Works to Set New Records in Member Gains

1-3 Tues. . . . . Madison and Hamlin

With the turning of the new quarter, which, incidentally is the last one, all councils are working diligently to attain their membership quota for 1940-41. Although local units have evidenced a gain over last year's figures, our council has already at this date secured sufficient new members to balance the ten per cent membership budget.

Every member should, however, strive to make this last quarter drive a record one. Chairman James Hartford expects each new candidate who recently received the major degree to turn in the name of at least one prospect. This should not be very difficult since it requires but two minutes of one's time to convince a good Catholic gentleman that the Knights of Columbus are ready to accept with a warm reception men of his fine caliber.

The new five-point plan of insurance provides the greatest inducement for those who are interested in what the council has to offer. The rates are surprisingly smaller than those of corresponding insurance policies issued by major groups. Spend a little time with your friends and sell them the idea of Catholic knighthood. Many of them are biding their time until you ask them to join. When he is confronted with the application he immediately affixes his signature on the dotted line and then finally accepts the principles upon which our order is fostered. So, men, bring in your new candidate today.

ABOUT THE MEMBERS

Our good friend, Bernard McDonald, has gone to Hot Springs, Ark., to get away from Chicago's frigid climate. Seems someone must have informed him of the Windy City's changeable weather, hence his departure.

That very fine looking French gentleman, Bill Latourette, has a new reason to smile these days. Didn't his wife just present him with a bouncing baby boy at the Loretto Hospital! My informant tells me that all three are doing nicely. Congratulations, my boy! Softballer Jas. Koerner has returned home from a two-week stay in Miami, Fla., and Buffalo, N. Y. "Bing," as he is better known, is still blushing , or is it that famous tropical tan which has left his cheeks so ruddy?

Mrs. Edward Taglia is slowly recovering from the poisonous affects of her injured toe. Should be running about normally in a few days now.

BOWLING NOTES

The race is tightening up more than ever. The leaders took a tumble and so did the runners-up, but lo and behold, look what happened! The famous hot-dog kids, the Freda Meats, came back to life to worry the McGintys a trifle more. They overpowered the cocky Allegretti Grills team just at a time when the latter entertained championship hopes.

Victorious in three games, Sam's team now is within earshot of the pace setters. The Rex Paints were "hypoed" to two wins in three games over the cellar dwellers, the Damato Taps. This outfit is about the only one in the league that Micaletti's boys seem to thrive on. Too bad, Frank, and you have such a nice group of fellows on your ball club. Emergency Radios kept pace with the McGinty Black Rocks by losing 2-3 to the Weiland Florals. Had they swept the series they would now have been tied for first place. Can't win them all. Again the Deir Morticians showed surprising strength when they won the "rubber" game from the strong Cahill Printers.

The Moriarty Indians slowed down, temporarily at least, the march of the McGintys. The latter were lucky to win the last game of the night, which, incidentally, was its only victory. Those who won the plaudits of the crowd were: Koerner, 577 (205); Piovosi, 537 (206); Hartford, 514; Nolan, 544 (216); Stumpa, 527; Schmidt, 481; J. Failla, 544 (201); W. O'Connell, 514; R. Latelle, 501; Guinta, 573 (215); S. Freda, 549 (204); Burns, 501, and G. Latelle, 488.

FEEHAN PLOTS ACTION ON MEMBERSHIP DRIVE

2-4 Tues. . . . Hamlin and Madison

Discussion of the forthcoming membership drive took the spotlight at last meeting. Upshot of it all, is a special meeting to be called for the officers and co-chairmen, Ed Julius and Bill Fitzsimmons of the membership committee, to plot a course of action and special events for the ensuing meetings, designed to lure in all eligible prospects for Feehan Council. We'll try to keep you posted on these special events as they are scheduled.

Once again, you are being reminded of the third degree which is to be held at St. Philip Gymnasium (Jackson and Kedzie), on Sunday, March 23, at 2:30 p. m. Feehan Council has several candidates in this class and should be well represented by a substantial turnout of members.

BOWLING

N. Preib Cleaners scored a double victory in last week's games. They shook off both George Gleason and Illinois Laundry, all in one night. Really a praise-worthy accomplishment. The big guns of the Preib drive toppled Illinois three games. Raymond Collins, Bud Schoemer and Bob Collins all bowled well. We don't know who was responsible for getting G. G. to stay home, but he is the week's unsung hero. George is now in line for the Fogarty treatment "all is forgiven. Please stay away."

The triple loss dropped Illinois into a first place tie with Harmon Electrics, 20-10. Malee's Fighting Irish are next with 18-12, followed by Baer Bros. & Prodie, 17-13. J. J. Collins Sons, N. Preib Cleaners and Lemon King Senators are grouped with 16-14. Quinn's Inn has 14-16, Harold Crotty Boosters 13-17 and Edw. F. Moore Boosters 12-18. Judge Hackett's Pioneers have an 11-19 rating, while the cellar is still tenanted by Ed Kaindl Boosters, 7-23.

All of the better bowlers got good series to lift their averages still higher. Pat Riley still continues in the lead with 179, Frank McQuillan and Jimmy Collins next with 177 and Joe Collins 176. Bud Schoemer sprang back into the select group with 170 even. High team game changed hands, being taken over by the Harmon Electrics with 960. Hacketts second, 958 and Baer Bros. and Prodie third 911. High game wasn't beaten, but it was tied, Pat Riley equaling Bill Barrett's previous 244. Frank Engel's 243 is third. Two hundred games rolled this series: Pat Riley, 244; John Williams, 236; Jimmy Collins, 223; Bill Barrett, 227-221; Bob Collins 223; Dinny Malone 213; Jimmy Shea 211, Johnny Riley 210, Barney Millers 201 and John Schoemer 200.

ANNOUNCEMENT

Bowling Sec'y Augie Tamburrino advises that there will be no bowling on Thursday, April 17. The alleys will be undergoing treatment in preparation for the state tournament to be held at Windy City the following week. It has been decided to bowl the games scheduled for April 3 on Sunday morning, March 30, at 11 a. m. This has been changed from Sunday, March 23, to avoid conflict with the third degree mentioned above.

DISA AND DATA

Lemon King Senator Wingfield has a mad on at Uncle Sam. It seems the old boy has made soldiers out of all the senators' help, and as a result, he has been forced to go back to work himself. It's good for you, Senator, it'll build you up.

Bill O'Brien has returned from Florida with a night club tan, and is concentrating on conditioning himself for the forthcoming jaunt to Indianapolis.

Tom De Simone has been transferred back to Chicago and will sell his matches (wholesale only) in the city from now on. Nice to see you back at the meetings, fellow.

We see by the papers, that our ex-chaplain, Father Keating, has arrived at Camp Forrest, at Tullahoma, Tenn., and that he arrived in time to participate in the first services there. Father Keating is in the 108th Quartermaster Corps.

Anyone interested in the new Chevrolet is advised to get in touch with Bro. Joe A. Collins, who will be glad to exhibit the car's superior virtues. (Adv.)

To Bros. John P. O'Brien, Edw. T. Barton, Wm. J. Flynn, Johnny Williams, John Blais and Richard P. Brennan, congratulations on the occasion of another birthday this coming week.

We extend our deepest sympathies to Bro. Dave Ryan and the members of his family, who mourn the loss of their mother. Mrs. Ryan was buried on Tuesday, March 4. Many members of Feehan Council were on hand to personally express to Dave the sympathy which is felt by the entire council.

FAMED RELIGIOUS ORDER IS FORCED FROM LONDON BECAUSE OF AIR RAIDS

London.—Before the Adorers of the Sacred Heart left Tyburn Convent, near the Marble Arch, here, where they had observed perpetual adoration before the Blessed Sacrament for 37 years, they adopted the "spotter" system, now popular in industry.

While some of the nuns prayed in the chapel below, others took turns on the roof and signalled when danger seemed near.

Shortly before the war the nuns were asked if they would leave if London should be bombed, and they said they would only leave if they were ordered out. The "advice" of His Eminence Arthur Cardinal Hinsley was taken as an order, and they have gone to their novitiate at Royston, Hertfordshire, where they will continue their adoration until they find a suitable house.

The Tyburn nuns came to London in 1903 as refugees from a then anti-clerical France. Their house, near the site of the Tyburn gallows, was formerly the home of the French Ambassador at the time of Napoleon III.

In their convent they had many relics of the English martyrs who suffered death on "Tyburn Tree." The annual silent procession along the "Martyrs' Way" began at the old Newgate jail and ended at Tyburn convent, where Benediction was given from a balcony to crowds of people kneeling in the roadway.

Ouilmette Bowlers Are Led by Theatre Champs

2-4 Mon. . . . . 1215 Wilmette Ave.

The main news event for publication this week is the bowling results. Who knows what would happen to the scribe if he did not have the bowling league to depend on for news. Or for that matter, what would the council do for excitement, publicity, and help if the bowling league should fold up and die. We have other outside activities, but these do not function often enough to make things interesting and exciting to keep the council up to par.

In last week's results the River Inn team defeated the leading Wilmette Theater boys for three games, showing that the last place and underdog team can be good once in a while. While this was happening, Braun Bros. Oil boys copped three from Ace Motors and placed themselves within five games of first place. Larry's Haberdashery team took two from the Bungalow Tavern and reached within six games of first. Alten's Mortuary lost three to the Wilmete Ice and remained eight games out of first.

Meier's Tavern team won two from the Wilmette Battery and are now tied with the River Inn and Bungalow Tavern for last place, these two wins being the third and fourth wins out of 24 games for the boys from Meier's. Only two persons bowled better than 200 or even. Leon Steffens from Braun Bros. hit 225 and Paul Bleser, Jr., hit two 200 games. Standings to date:

	W.	L.
Wilmette Theater	50	28
Braun Bros. Oil	45	33
Larry's Haberdashery	44	34
Alten's	42	36
Wilmette Ice	39	39
Ace Motors	36	42
Wilmette Battery	35	43
Meier's Tavern	33	45
Bungalow Tavern	33	45
River Inn	33	45

Are you dressed in the latest style? If not, why not try the "Suit of the Champions." Larry's Haberdashery team are the State champions and they all are dressed in the latest, and the only place to get the latest in wearing apparel is at Larry's, 815 Ridge Road, Milmette. Drop in and get fitted for a custom made suit.

Brother Ed Kirchberg is still out at his home in Crystal Lake. Those of us who heard his letter read at a recent meeting wish that we could see him again and wish him a speedy recovery to good health.

Our Deputy Grand Knight is grandpa again, a daughter being born to his daughter, Mrs. Mary Wink. Mother and daughter doing fine. Before long, Bro. White won't have any buttons left on his vest.

Bro. Frank Meier, Sr., is back from Florida and is all set to take the trip to Indianapolis. Bro. Meier reports having a good trip and some day we know he will get in the mood to tell us all the inside dope.

Bowlers are asked to look to their council dues before making arrangements for the annual national bowling trip. Remember the rules of the Order, Council and bowling league, Brother Knights. If you are behind in your dues, make an effort to pay all or part of them before March 28.

Does anybody know what happened to those five application blanks that Bro. Frank Biederer had in his possession a short time ago? If any brother can help to fill them out he should call Bro. Frank immediately and get them into the council at the next meeting.

Summer will soon be here and Bro. Joe Schmitz will start to feed the nags again. Before that happens, you had better call him about the insurance policy you have been neglecting.

FR. SETTERS APPOINTS ITS BARBECUE LEADERS

2-4 Thurs. . . . . 4711 W. Madison

William N. Hoffman and Edward M. Fitzgerald were appointed chairman and co-chairman, respectively, of the 1941 Barbecue Committee of Father Setters Council by Grand Knight Maurice J. Kissane. In naming them for these important posts, the Grand Knight took occasion to again congratulate Brothers Hoffman and Fitzgerald upon their splendid accomplishments last year when they led the members of the Council to record achievements in the noble cause for which the Barbecue is sponsored.

As you know, the principal beneficiary of the affair is the Underprivileged Youth Fund, administered through the Catholic Youth Organization, by His Excellency, Bishop Bernard J. Sheil. Thus, every effort expended toward the success of the undertaking is a co-operative move in the support of our beloved Bishop in his work of bringing spiritual and temporal aid to the less fortunate boys and girls, who though most in need of help, are the least able to provide it for themselves.

Rallying the members of Father Setters Council in such a worthy enterprise, Co-chairmen Hoffman and Fitzgerald will soon call a special meeting for the purpose of organizing crews for the distribution of Barbecue tickets and literature. The assembly will be held in the near future, just as soon as facilities are available.

The members of the Council, always quick to respond to a worthy appeal, are certain to enthusiastically support Co-chairmen Hoffman and Fitzgerald in their energetic efforts to make the 1941 Barbecue the greatest success in Barbecue history.

COMMUNION SUNDAY

Mothers' Day, Sunday, May 11, has been chosen as the official Communion Sunday for the members of Father Setters Council, who, for many years, have approached the Holy Table in a body on that day. Tradition is further carried out by receiving the Blessed Sacrament at Saint Finbarr's Church, 14th street and Harding avenue, which is the parish where the Council was organized some thirty-three years ago. The present pastor of Saint Finbarr's, Father McKenny, is the son of a former member of Father Setters Council, now deceased. Father McKenny assures all Settersites a hearty welcome on that day.

DR. WILTRAKIS

As heretofore announced in this column, Doctor George A. Wiltrakis, loyal member of Father Setters Council and until recently Superintendent of the Peoria State Hospital, has been called into active military service and is now on duty at Camp Grant.

That Captain Wiltrakis comes from a distinguished and intensely patriotic family was well established by an extensive and profusely illustrated article appearing in the Chicago Sunday Tribune, issue of March 16. His uncle, Father George F. Jonaitis, was a Major and Chaplain in the World War, serving in several battles and being seriously wounded in the Argonne offensive. Dr. Wiltrakis' elder brother, Joseph, also is a World War Veteran.

The younger members of the family are following in the illustrious footsteps of their uncle and oldest brother, for, in addition to Dr. George, there are three more brothers in the service: Jack, who is in the United States Navy, serving aboard the U. S. S. Saratoga; Lieut. Edward, who is an instructor in the Engineering Corps at Arlington, Va., and Lieut. Leo, who just left for service with the 122d Field Artillery, 33rd Div., now in training at Camp Forrest.

Mrs. Elizabeth Wiltrakis, who has the distinction of having given five sons and a brother to the service of the United States, resides in the family home at 4330 Washington Blvd.

MEMBERSHIP INCREASING

rue, "action builds council growth," that is why Carroll Council is cele-ting Founders' Week this year by ting a new high standard of achieve-nt in its membership drive. Then the members come into picture, because Charity, Unity and ternity demand that you support r officers by attending the affairs ducted. If you do not like what is g run, the same ideals call upon to work with the officers in spon-ng other projects that might have e appealing effect. Oak Park Birthday Celebration Voted a Genuine Success

2-4 Mon. . . . . 641 Scoville, Oak Park

Into the archives of history go the records of Oak Park Council's finest party, a celebration to commemorate the 30th anniversary of the council. To the grand knight, John F. Gearen, Jr.; to the chairman, Frank Holub; to the program chairman, Deputy Grand Knight Joseph P. Cagney, and to their able assistants go the honors for the handling of a splendid affair. Details of arrangements were timed with real precision, the guests were promptly served, the speakers introduced and the entertainment presented all with the skill of master showmen.

Past Grand Knight William T. Schaefer acted as toastmaster. Grand Knight Gearen, Deputy Grand Knight Cagney, Past Deputy Grand Knight Walter Madigan, Past Grand Knight Joseph Powers, Past Grand Knight John Brennan, Lecturer Frank Holub, president of the Fours, Lee O'Donnell and James F. Wade each spoke a few words. Bill Bosley and his brother were introduced as two of the charter members present. Miss Pack of the Oak Leaves gave the guests a brief sketch of the ideals of the paper and the items it desired for its news columns. Bro. DuChateau, editor of The Columbian, extended the paper's greetings and best wishes.

The entertainers were Johnnie Schmitz, Marge Conway, Corrinne Pellitier, Kay Tebbetts and the Four Firecrackers from Miss Mildred Kemper's dancing school. Dancing to Earl Nino's orchestra continued until the close.

There was one mishap that did cause the scribe some discomfort—the name of our popular advocate being omitted from the program. This error was due to a prior omission by the scribe in an article for the Oak Leaves and carried forward to the program. To Bro. Mike Ryan, our advocate and one of the most active members of the council, we offer our apologies.

One of the active members who was unable to be with us on the night of our great celebration was Bob Carraher, who was taken to the Garfield Park Hospital on Friday for observation due to a wrenched back. We understand that Bob will be in the hospital for about ten days.

The grand knight and the chairmen of the anniversary party have asked us to thank all of those who have helped to make the affair the brilliant success that it was. And on our own account we second the thanks and add some for the Oak Leaves, which sent a photographer and a representative to be with us on this occasion. Watch this week's Oak Leaves article.

COMMUNION SUNDAY

Our next communion Sunday will be March 30, the fifth Sunday of March, at the 8 o'clock mass at St. Catherine's Church, Washington and Austin Blvds. Breakfast will follow at the clubhouse. A short talk by a prominent speaker will feature the breakfast.

A gratifying observation was that many of the members attended the mass for the deceased at Ascension Church on the 15th. Also present at the mass were many of the relatives of those deceased. There is nothing comparable in value, spiritually, or materially if you will, to the mass for deceased brothers. The grateful relatives most certainly will remember the living also in their prayers, and we all benefit.

BOWLING

The bowling race is entering the last stages and is down to a good old-fashioned "dog fight," everybody winning and nobody losing. The leaders are so closely bunched that they will probably have to draw straws to determine the winner. Get over to the alleys and watch the fun. Standings follow:

MADE TEACHER EXAM CENTER

Dayton, O.—The University of Dayton, conducted by the Marianist community, has been named a regional center for the administration of the 1941 national teacher examinations.

St. Rita Bowlers Close Season at Tonight's Session

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

St. Rita Council's 1940-41 bowling league schedule comes to an end tonight as the fourteen teams roll their last three games. As tonight is also sweepstake night, all keglers had better have something more on that apple than their initials if they want to land among the prize winners.

As you probably know by now, it looks like the Manor Radio quintet will walk away with the spoils. The Dialers have posted 46 wins so far against 29 losses and have only to win one of their three games tonight to clinch at least a tie for first place. The leaders took all three games last week from Kelly & Flynn Florists, led by anchor man Gus Hilbert with a 288 game, a new high for the season and we think the best game ever rolled since the league was formed.

Gus walked in a good pocket hit in the first frame but somehow the 4 pin just wouldn't fall. He picked up the spare and then started striking and didn't stop until the third ball in the last frame, when he picked eight pins for his 288 total. His other two games weren't quite up to his record breaker, giving him the comparatively low total of 681.

Meanwhile the Doctors took all three games from Reiner Coals but failed to gain on the leaders because of the Manors similar whitewash job. If the medicos take all three games tonight while the Manors drop two, the two teams will be tied for first place, for the Doctors now have 44 wins against 31 losses. Should the Doctors take all three while the Manors drop all their games, the profession boys would have uncontested title to first place with 47 wins to 31 losses, while the Manors would have 46 to 32. If the Manors take two games, they are in, no matter what the second place team posts. The other twelve teams are out of the running irrevocably, indubitably, unchangeably, and for sure.

LAST WEEK'S RESULTS

Manor Radio won 3 games from Kelly & Flynn Florist. Gus Hilbert 661 and a 288 game, which is high for the season; F. Scalise 601, Dr. Jun 534, A. Leverenz 504, and S. Rash 407 for the Radios. Joe Philbin 598 and a 240 game, and C. Nash 514 for the Florists.

Marquette Park Motors won 3 games from Egan Undertakers. Young Lehner 533, Joe Gallagher 524, and J. Diciunas 474 for the Marquettes. L. Kiaurakis 537, and H. Kurent 524 for Egans.

Tourist Motors won 2 games from California Tavern. J. Goyer 551 and C. Gorney 499 for the Tourist. T. Kucharski 551, C. Kucharski 518 and little G. Kucharski 517 for the Taverns.

Doctors won 3 tough games from Reiner Coal. Dr. Kehl 605, Dr. Foley 599, Dr. Hoffman 529, Dr. Saletta 512, and Dr. Serr 496 for the Doctors. F. Holek 599 with a 256 game, J. O'Brien 570 and a 235 game, and F. Small 439 for the Reiner Coal.

Stoeller Grocery won 2 games from Sullivan Morticians. J. Stanciak 569 and Wm. Stoeller 492 for the Clerks. Jumbo McNally 521, Whizzer Sullivan 505 and Gaynor 506 for Sullivans.

Bernoski Drewry Ales won 3 games from Laufs Pharmacy. R. Bernoski 553, G. Mauge 536 and J. Bernoski 476 for Drewrys. F. Nash 511 and B. Fracassi 481 for Laufs.

Reids Pharmacy won 3 games from Fleming Realtors, Kid Lee 572 and a 246 game, J. Bracken 538, and F. Bauer 525 for the Reids. F. Sommers 530 and Wm. Fleming 362 for the Realtors.

NEXT MEETING

Lecturer Harold Hilbert, who claims his sales of General Electric refrigerators are on the upgrade at his Manor Radio Shop, since his bowling feat of last week, has done things up brown for our first meeting of April 3. Gus has arranged for the showing of the Tribune movie (boys, does this hurt), "The All-American Way." The pictures includes shots from famous sporting events, including All-Star baseball games, All-Star football games, World Series and Golden Glove bouts. Be sure and attend.

COMMUNION

Under the leadership of Chairman Dr. Joseph Jun, members of St. Rita Council will receive Holy Communion in a body Sunday, May 4, at Nativity Church. Get in touch with brothers who have not been active in the doings of St. Rita's in recent years and urge them to join with us on that date in making the representation the largest that St. Rita Council has ever had.

THINGUMBOBS

The wife of Frank Bednar is confined to her home recovering from a recent illness. . . . Don't forget the membership campaign or the first and second degrees to be sponsored in our chambers June 19. . . . Roy Perell, chairman of our barbecue, informs us that the books will be ready for distribution at the end of this month. . . . Frank Peppard is confined to his home. Why not drop in and see Frank? He is one of the most active members of our organization. . . . The 2034 Club will hold a meeting March 27. Heading the evening's program will be a fish fry, followed by drill, or maybe it's vice versa. . . . A first and second degree will be held in St. Leo clubhouse March 27. New candidates from St. Rita will take part in the exemplification.

Ridge Donors Called and Found Ready in 2 Emergency Cases

1-3 Tues. . . . . 8219 S. Halsted St.

Ridge Council finally goes on the Honor-Roll of the Blood-Donors' Group; three transfusions in the past week. On Thursday, March 13, your Scribe's wife received a call to give a transfusion to a cousin, the mother of four small children; the fifth child, born a few hours previous, had only lived 15 minutes. While getting ready to go to Holy Cross Hospital to be typed, she thought of the K. of C., as two pints were needed immediately, and having Mike Feyerer's number handy, called him. He contacted four other brothers, Edward Hyland, Mike Mulligan, Jim Fahey and Dan Corbett, all type four.

In fifteen minutes Mike Feyerer and Ed Hyland arrived at the hospital, followed a half hour later by Fahey and Corbett, who were cross-typed and found suitable. Mike and Ed gave each a pint immediately, and Fahey and Corbett were held on call for the next mroning if needed, but the two pints rallied the patient.

It will be great satisfaction and payment in full for their great act of charity to Bros. Feyerer and Hyland to know that their blood saved the life of the patient, who according to the doctor was on the last brink. All marveled at the speed of the K. C. blood donors; four donors within 45 minutes of the call.

Last Saturday, March 15, Financial Secretary Pete Oehman traveled to the far north side to Grant Hospital to also give a transfusion after G. K. Hallstein received a call from Bro. Ernie Hartman of Father Perez Council for a good friend of his.

This is real charity, brothers, and you will never know how grand it is 'till it hits at or near your home, and you can get 15 minutes service. Why don't you get typed and be available for this work of Catholic Action. Time—any evening, Little Company of Mary Hospital, 7 till 9 p. m.—just say you are from Ridge Council.

BARBECUE

Treasurer Mike Feyerer has again been appointed chairman of the Barbecue and Recorder Edward Hyland co-chairman. They will appoint their assistants in the near future, and when they call on you to deliver your barbecue book, please co-operate with the council and accept the book. If you only sell one ticket out of it, it will all help to buy milk for some youth not as fortunate as yours. Remember your lesson on Charity.

Led by D. G. K. "Speedy" McGlinn, several members of Ridge Council, namely, Justin McCarty, Frank Loritz, Bud O'Malley, and James Landgraf, attended Charles Lawler Nite at Loyola-Hyde Park. "Speedy" informs me they had a grand time with plenty of amber fluid for everyone, especially Jimmy Landgraf, who contributed to the entertainment by his recitations and his version of the song "The Girl of the Flying Trapeze," which was received with loud acclaim. Nice going, Jimmy; Speedy tells me he is going to send them a bill for entertainment.

Saturday evening, May 24, is your date with your lady friend for a big evening at a minimum cost, dancing, entertainment and refreshments, so let's give it a big push.

Illinois Party Draws Large Attendance for an Enjoyable Evening

1-3 Mon. . . . . 64 E. Lake St.

The spirit of Illinois continues to flare, as exemplified in the splendid gathering at the Ivanhoe last Monday evening. You who were not in attendance will be glad to know that it was universally stamped by all of those present as an outstanding success. The food, the music and the entertainment were excellent. The Ivanhoe is a well conducted and splendidly appointed place. The fact that our good Chaplain, Father Belanger, saw fit to break bread with us was perhaps the best evidence of that.

It has been ages since we have seen the families of our members so well represented.

We noted the following P. G. K.'s led by the Dean John T. Lillis: John F. Tyrrell, William E. Fleming, Joseph H. Geilen, John E. Bradley and Fr. Fred Zapfe. Of course, Bill Fleming, who persists in following the wicked way of bachelorhood was alone but enjoying himself immensely, we believe. All of these gentlemen were accompanied by members of their families and large delegations of friends. In this respect William J. Groden, John F. Tyrrell and Harold B. Ericksen led the list.

AND STILL MORE

George Boes and his bride smiled their way through the affair. The chairman, William J. Groden, and Mrs. Groden and friends, Frank J. Kelly and family, Patrick Sullivan and family, Phil Sharkey and daughter, D. G. K. Elmer D. Martin and wife, Chancellor Uppington and wife, Harold B. Ericksen and wife, Steve Stukel, wife and children, Ben Thiesen and family, Bernard T. Moore and friend, Rudolph Diblik, John Spaulding Rabb, accompanied by a charming young lady and friends, Louis Gareau, your Grand Knight, wife, daughters and friends, etc., were present. The etc. is for those members and friends whose names we do not have at the moment. Your Grand Knight was immensely pleased because of discovering that everyone present had a wonderful evening. That is his satisfaction.

It was good to see John E. Bradley among those present. He is pretty much like the John of old. Much credit must be given to Harold B. Ericksen for the arrangements made. He was the main cog of the organization in assisting the chairman.

NEXT OBJECTIVE

And now, like an army, let us go forward to our next objective, which is the Barbecue, which gets a start March 31 and continues, we hope, with unabated zeal until the climax is reached next June at Riverview Park.

Oh, yes, we might tell you we are burning with the desire to increase our membership. I believe that if that could be accomplished, Illinois Council could boast of a very successful year. Will you, dear reader, do something about that. And now for our immediate objective, which, we would like to say, will be Monday, April 8, Memorial Night. You will have notice on this if we are prepared for it.

This is a proper and fitting tribute to our Order and its dead. Next comes that important annual Communion day, which may be the first Sunday of May.

The sympathy of the council is extended to Bro. William P. Crowe and to his good father and family in the loss suffered through the death of mother and wife, who was buried from St. Henry's Church last Monday morning. A group of Illinois Council's members attended the wake and extended the sympathy of the Council to William Crowe.

Life seems to be a series of changes fluctuating from high to low, from tears to smiles and back again, not unlike the tide of battle, always changing the final outcome, depending quite a bit on our own efforts plus organized support. You have the organized efforts of Illinois Council back of you, but its support can be made more effective if each one of us will only forge stronger the links which bind us.

Next meeting of your council is Monday, April 7, in the De Paul Building. We start our meetings early. We hope to see you there.

Hennepin-Shields Asks Good Meeting Turnout During Lenten Season

Mar. 26-Apr. 9 . . 446 N. Parkside Ave.

Next Wednesday evening, March 26, is regular meeting night for Hennepin-Shields Council. We realize that attending Lenten services and perhaps having a date with the girl friend is not conducive to large meetings, although in all honesty we must admit that Wednesday date nights do not affect a great many of our members. That indicates a sign of growing senility on the part of our membership, and is also a grave and serious warning that it is necessary to replenish our supply of youthful members who will carry on the work of the council. The insurance set-up of the Order now offers all the privileges and benefits of old line insurance costs, so the K. of C. insurance should be a real inducement to a prospective member.

During the Lenten season the meetings will start around nine or nine fifteen p. m. to allow members to attend church services and still be in time for the meeting. G.K. Costello's expert parliamentary procedure will still allow you to get home at an early hour.

BOWLING

Strange as it may seem, there are only six more weeks of bowling for our maple knockers and the lads are pounding away to the best of their skill and ability.

Last Tuesday the Ed Riley Insurance had a little luck, taking two from the Gallagher Plumbers, Marty Moylan doing some heavy work with 237, 191, and 207 to his credit. Jack Shealy slid in with 205.

The John Hayes Hatters won two from the Frank Hayes Barbeques, Gleason of the Barbeques with 204, Hussfield with 203 and R. Gould 200 going high for the Hatters. The Harwood Florals dropped two games to the M. C. Fogarty Men's Wear, Mr. Comyn with 211 and Mr. King with 202 doing their bit for the Fogarty's. Ray Foley's Grill favored by a generous handicap won two from the Costello and Son Boosters. Hickey's 210 for the Foley's and Tommie Butler's 236 for Costello's were high.

As a reminder to those who will make the trip to Indianapolis for the K. C. Bowling Tournaments, the bunch is scheduled to leave Saturday morning, April 5th, from the Union Station via the Pennsylvania R.R. at 9 a. m.

THE SOUNDING BOARD

Some hundred or so guests gathered at the Oak Park Arms Hotel Saturday evening to dance to the excellent music of Jimmy Green's Orchestra and dine on the delicious chicken and steak dinners served by the Hotel, celebrating the annual St. Patrick's Dinner Dance and Party.

Among the hosts who conducted full sized parties to the affair were Jack Shealy, Tom Butler, James Zarcone, M. O'Shea, Mike Gibbons, Pete Murphy, Bill Orth and G.K. Charles Costello, Jr., D.D. John McKeown was there, adding his distinguished presence to the affair, which all present said was a grand and happy party and it was a long time until next March 17.

The special committee appointed at the last meeting, consisting of Jack Shealy, Tom Butler, Jim Grace, Frank Cash, Frank Daley and G.K. Costello will meet at P.G.K. Frank Daley's home this coming Monday evening to consider a special resolution and then present its findings at the next meeting.

The funeral of Mrs. Mary Ann Sheahan, mother of Brother Edward Sheahan, was held March 10 at St. Thomas Aquinas Church with burial in Mt. Carmel. To Brother Edward and members of his family we offer our sincere sympathy in their time of sorrow. May her soul rest in peace.

William A. Cahill, Sr., president of Cahill Printing Co., is confined to the Alexian Brothers hospital in a condition which requires rest and quiet for recovery, which of course prohibits visitors. Our best wishes for a speedy recovery to Mr. Cahill.

Others on the sick list are P.G.K. Jim Oakey and Mrs. Oakey, also Mrs. Frank West, wife of Bro. Frank West and mother Father West of our council, who was, on last report in Mercy Hospital. We sincerely hope for the early return of normal health to these good people.

Mike Hussey's report on Chicago chapter activities was an intelligent account giving full information on the work being done by the Chapter. His remarks on the educational courses conducted by the Chapter were interesting and anyone seeking to do some evening study, would do well to investigate these courses.

Comes now March 21 and dear beautiful, gentle Spring. Spring, he says. Boy, get out that double lined fur overcoat and sealskin cap. 'Taint Spring yet in our book! G'Bye.

PARTY REPORT COMING

As these notes are being written, Calumet's St. Patrick's Party is getting under way, and we are anxious to get over to join the large crowd that is there to enjoy this fine evening. Details of this party will follow in next week's issue. In the meantime, as a suggestion to all chairmen, may we ask that all notes for the Columbian be in the council office on Monday evening. It is necessary that our copy be at the publishers on Tuesday, so that we may have proper space. It is the desire of the scribe to co-operate with the Editor of our paper and make his task a little easier by having our material to him before the deadline Tuesday. You can co-operate too, by having all notes of your committee activities ready and on hand Monday evenings. Thanks.

Blue Island Mourns the Tragic Death of a Brother Member's Son

1-3 Tues. . . . . Gregory and New St.

It is through a tragic end that Frank Frasor, Jr., will not be enrolled as a member of Blue Island Council this Palm Sunday. Death came to this likeable chap after an auto accident Sunday. Surviving Frankie are his dad, Frank, Sr.; Lecturer Lowell, Outside Guard William, and James, all of Blue Island Council, and his mother, sister, Dorothy; brothers Kenneth and Larry. To the bereaved family we extend our sympathy and condolences and pray God to rest his soul in peace.

MEMBERSHIP DRIVE

Brothers, be sure and get that application signed for our yearly Palm Sunday Degrees. Again this year the Lecturers, Frasor and Wieland, are going to have breakfast for the communicants at the 7:30 Mass. Of course that includes the candidates of Blue Island Council only.

As in the past the two District Deputies in charge of this area, Martens and Hilgendorf, will again have this day under their able guidance. Make it a point now, brothers, to attend.

BARBECUE BOOKS

The Barbecue books will be out again soon. Cooperate with the Barbecue Committee and try to dispose of at least one book. Grand Knight Boyd will soon announce the committee workers and if your name appears declare yourself immediately as one who will act on it.

BOWLING NEWS

Six teams bowled in the National Tournament at Indianapolis on Saturday, March 15, and six men bowled in the doubles and singles on Sunday, March 16. The bowlers and the additional men making the trip enjoyed their "all expense tour" and a good time was had by all.

The scores were as follows:

Landgrafs Inn		2490
Komada Boosters		2341
Ryan's Knotty Pine		2312
Rosaves Music Box		2154
Haas Tavern		2134
Einhorn Beverage		2133
C. Komada	569	454
T. Chovonic	638	583
T. Parsons	494	451
M. Raybould	532	459
J. Potoski	477	418
S. Zamaituk	443	488

To go into detail of the entire trip would take up too much space, so I'll just say for your own proof ask anyone who made trip, or be with us next time.

With my mind partly on this article and on the shock of hearing of the death of Frank Frasor, Jr. (brother of our Scribe, Lowell Frasor), I shall have to ask you to bear this article with me. In behalf of the bowlers, deepest sympathy is extended to the Frasor family.

CUFF NOTES

The sick list of our council contains the names of two of our hard workers in the persons of John (Red) Meehan and Dick Walsh. Upon a visit by the G. K. and D. G. K. both brothers were found reclining upon their davenports and resting nicely. Both John and Dick intend to be at Palm Sunday Degrees and are taking things easy at their homes.

Bro. Stanley Myszkowski is at home now after a spell at Roseland Community. Say, Stan, D. G. K. Hansen and myself made an honest effort to see you Sunday, but couldn't find the house. See you later, fella.

Fin. Sec'y Paetsch has heard from Richard White, president of Midlothian. Frank O'Connor and Louis Solatka, all brothers who find it impossible to attend the meetings due to their employment but are with us in spirit at all times.

The honorary membership feature was conferred upon Bros. James Cannon, Thos. J. O'Neill, M. J. O'Donnell, Trustee Herman Janchzer, William Hennig, Nicholas Lorang, Otto Parsons and our worthy Chaplain, Father Gross. Congratulations, brothers.

Has any one a pair of nice soft shoes for walking purposes Bro. Bernard McCanna will need them soon. That's right, the draft got him. P. G. K. Gaboriault says not to talk too loud, maybe he will have company soon. (He looked at me and grinned.) Keep in touch with the council, Bernie, so that we are able to send you The Columbian. Bro. Coffey and Co. will take care of the girls for you.

A pinch hitter has about rolled all the strikes he can and will now blow. I say hello to you, pardner, and maybe I'll be seeing you soon.

St. Augustine to Hold Council Communion at St. Rose of Lima Church

1-3 Mon. . . . . 5209 S. Justine St.

St. Rose of Lima Church, 48th and Ashland Avenue was chosen by the members in attendance at a recent meeting, as the place of our Easter duties on March 30. Dr. F. N. Werner is chairman of the committee which includes Bros. John Heinen and Lamont Critchett. All members are requested to assemble in the clubhouse at 7 o'clock at which time we will march in a body to the 7:30 mass in the old church.

Let us publicly demonstrate the strength of our unity by marching to the church of our Easter duties behind our chosen officers. It is difficult to understand why so many of us hesitate to be seen with our brother members and prefer to wait in front of church and then quietly fall into line just as we enter church. Let it be different this year. Let's **all** meet at the clubhouse.

LADIES OF ISABELLA

About twelve years ago the St. Augustine Council, No. 40, Ladies of Isabella was organized and through the efforts of your officers and Past Grand Knights and members, at that particular time it was a successful venture ending in the procuring of approximately eighty members.

Since that time, our membership has diminished to the extent that we are again desirous of asking the assistance of the Officers and members of your council for another drive. We would deem it an honor and pleasure if each and everyone of you would ask your wives, sweethearts, sisters, relatives, and friends to help us in this drive toward the fullfillment of our wishes of again procuring an additional fifty members.

Dues are $4.00 per year and are payable every quarter. You, of course, are familiar with the wonderful philanthropic and charitable work of this organization. We would gladly welcome back any ex-members that would care to be reinstated and especially those who participated in the first drive.

For any further information, kindly call Prospect 6255, or contact Mrs. Pearl Heinen.

ATTENTION

At a recent officers meeting it was decided to reduce our initiation fee to $5.00 until June 30th of this year. This should stimulate our present membership drive and assist you to edge over that prospective member who didn't have ten bucks.

TEN-PIN-TAPS

Jim Burke, John Putz and F. Putz paced the McCabe Boosters to two wins over the Heinen Morticians, John Horan and M. Heinen Sr. let the Heinens. The result might have been different if Mike hadn't had his seven league boots on. He didn't stay behind the foul line in the last frame and his team lost by five pins.

Dubrock, Young and Mittler went to town as Bonthron Service won two games from Schaefer Barbers, despite good scores by Handzik and Subr. Strah and Feil turned on the power as the Ted Kloeckner Florals took the odd game from the Puetz Meat Market. Al Labuhn was the best butcher.

With Schaack and Holloway garnering good scores the Mack Brothers won two games from their neighbor, the Dutchman Tavern. John Ossowski paced the Dutchman.

This council has a bowling representative way out on the east coast. Bro. John Gerhardt, who lives in Newark, bowls with Bishop Wigger Council of that city. When John reads this he may be good enough to forward us his average and maybe a few sidelights.

COLUMBUS OPENS DRIVE FOR ANNUAL BARBECUE

2-4 Tues. . . . . 6932 N. Clark St.

At the last meeting our grand knight, Eddie Roche, informed the members that the books for the annual barbecue picnic would be ready for distribution about April 1. He immediately appointed our deputy grand knight, Al Irving, chairman of this committee. Under Al's wise guidance we expect to go over the top again this year. It has been decided to have the Postal Telegraph service distribute the books this year to make sure each member receives one.

In the past there has been complaints that some of the brothers did not get their books, hence they could not make any returns. We feel with this method of distribution all will be taken care of. If in the near future a boy in blue calls at your door, do not be alarmed; he will only deliver a message to you "to do something for the underprivileged youth of Chicago."

NEXT MEET

Our next meeting is Tuesday, March 25, and we hope that we will have the usual large crowd in attendance. Last meeting was a humdinger and we hope to continue the good work. Doc Schuler has promised that he will have a speaker of note to entertain us, and we should show Doc that we appreciate his efforts. The good old Doc is at present confined to his home with a touch of the "flu," but we know that with his sunny disposition he will be up and around again by our next meeting. The Pride of Belfast also promises to make his initial appearance since being elected an officer of the council, to tell us how he was chosen to be a judge in a beauty contest.

Our last meet was well attended and a lot of pep was shown. J. Arthur Shay gave a discourse on the Mayslake retreat building program and he spoke so eloquently that he had Claude Dollohan spending some of our money. However the amount of same will be determined at our next meeting. Claude went to do Art one better when he spoke of our night at the Edgewater Beach Hotel; said he enjoyed himself very much but resented the slur from the scribe. (You see, Claude, my little scouting system tells me everything.) I still insist you told Wayne King that you wanted to sing a song back home to the folks in Hokomo.

Pat McShane, our Wabash Ave. florist, gave us an enjoyable talk on membership, while our newest member, Steve Wieland, gave us his impressions of the first and second degrees and wondered what the third would be like. Our financial secretary, Frank Coffey, promises us a staetment on the financial condition of the council at the next meeting and it behooves those who are delinquent to square up with Frank before that time.

JUST A LITTLE NEWS

We have received a letter from the Knights of Columbus Softball League extending an invitation for us to join. We will hold a discussion on this at our next meeting and it is hoped that the younger members will be present to give their views on the subject.

I want to take this opportunity of personally complimenting the scribe of Madonna Council for his article on Austie O'Malley last week. That he was possessed of boundless energy in everything he did and that he always fought in life for everything that was right and just, good and clean was Austy O'Malley always. His passing will be a great loss to his family, his friends and to the order in general. To those of us who knew him, we will always remember him in our prayers.

Eddie Kelly would like to have a few more applications so that he can get a class organized in the very near future. Well, I hope that we will be seeing you at the meeting next Tuesday evening.

De Soto to Fete Donor Group at Meeting Friday

2-4 Fri. . . . . Clark and Belmont

Brothers, we have had our Bowlers' Night, Ladies' Night, Baldric & Sword Night and events dedicated to every conceivable group and object connected with De Soto, but on next Friday evening, March 28, your Lecturer, Joe Cella, and P. G. K. Frank Wohlleber, chairman of the Blood Donor Unit of De Soto Council, will present a program designed and adapted as a testimonial to that invaluable, energetic and self-sacrificing group in our council, De Soto's Blood Donor Unit.

We all know of its inception in De Soto some few months ago when our Grand Knight, Gene Scanlan, announced its organization and appointed Frank Wohlleber as its chairman. This unit gained momentum rapidly through the vigorous and forceful efforts of its chairman and the officers of your council, to such an extent that it now boasts of over 300 members. All of these have been typed for blood classification and the records are now on file awaiting the emergency that might call them to action. In fact, many have already submitted to blood transfusions, as witness the many letters of appreciation in our files from grateful beneficiaries.

With such a splendid record recognition of their efforts is compelling. With this purpose in mind an attractive program has been arranged concerning which I have attempted to inform you in previous issues. One of the main features will be the presentation to De Soto Council of a "Certificate of Blood Donor Membership" issued by the Supreme Directorate of the Order, acknowledging the identity of De Soto's Blood Donor Group and its association with the Supreme Council. Bro. Bob DuMais, Jurisdictional Chairman, will make the presentation. In addition all brothers of De Soto who have been typed will receive Blood Donor emblems indicative of membership in the unit.

Technicians will also be on hand to type any member who has not as yet had his blood classified, and I might say that this is the last opportunity you will have to join the unit as no further typing is expected. Featuring the program, which will be attended by many visiting Grand Knights, will be a lecture by Mr. E. W. Erikson, noted authority and technician on blood transfusions and intravenous feedings. He is a forceful and dynamic speaker, possessing a profound knowledge of his subject, and his time and services are in constant demand throughout the country. Your Grand Knight and Bro. Frank Wohlleber, chairman, urgently request that all members of the group attend this meeting.

LAST MEETING

To those of you who neglected to heed my urgent suggestions to attend the meeting of last Friday, we extend our sincere regrets, as you missed an opportunity to hear one of the most outstanding Paulist missionaries of the midwest, the Rev. Father Mulally of St. Mary's Church.

Quite naturally his theme had its religious aspects, but Father Mulally is possessed of that rare and unique ability of making a difficult subject most interesting and appealing. He was really "tops."

In addition, the movie sketch of the coronation of His Holiness Pope Pius XII was offered by the Bowman Dairy Company, who also showed a short movie sketch of the various processes involved in the production and distribution of milk from the cow and her cud right down to the consumer, all of which were furnished through the efforts of our distinguished Bowman manager, Jerry Horn, for which we are grateful.

BALDRIC AND SWORD PARTY

We understand that the Baldric and Sword St. Patrick's Night Party conducted in conjunciton with Ladies' Night was a very successful affair. Every one enjoyed to full capacity the various features presented and each lady walked out of Gross Park Hall, after the party terminated, with a handsome deck of playing cards inscribed with the Baldric and Sword emblem. The lucky ticket winner of the lovely door prize, the drawing from the bag of fortune being made by Miss Fritzlaff, daughter of Bro. Charlie, was Lillian Sittler, 2236 Argyle St., who attended with Bro. Joe Sittler.

The ladies enjoyed their cards, bunco, etc., while Frank Kennedy and Frank Frieden enjoyed something else, and Mrs. Richard Schageman and Mrs. Henry Nierman had somewhat of a monopoly on the bingo prizes. Sandwiches and refreshments were also served during the course of the evening. Bro. Jim Kennedy and his fellow officers are to be congratulated for this fine effort, which aids immeasurably in maintaining and solidifying that bond of friendship and spirit of good-fellowship which constitutes the basic and guiding purpose of this Fourth Degree Club.

Rapidly drawing to a completion of their 1940-41 schedule, the members of De Soto's Bowling League are now looking forward with anxious hearts to one of the outstanding events of the bowling season, namely, the National Knights of Columbus tournament, which is being conducted this year at Indianapolis, Indiana.

Pres. Irv. Schultz, whose every idle moment is spent on the activities of the bowling league, has done a splendid job with the league this year, and now informs me that thirty-five of De Soto's thirty-six teams are entered in the tournament, which, I believe, is the largest single council representation ever to participate in a national tournament—a fine testimonial to the hard work and efforts of Irv. in behalf of the league.

The teams are scheduled to shoot on Saturday and Sunday, April 19 and 20, and will leave Saturday morning, April 19 at 8:00 o'clock. Any non-bowling member of the council wishing to join the bowlers in a glorious week-end, are requested to get in touch with either Irv. Schultz, Harvey Dohm or Joe Merki. Ample accommodations are available.

MEMBER NEWS

Most unfortunate news comes in word of the death of Brother George Winkelmaier, long an active De Sotoan and participant in its bowling league. On Monday evening, March 17, a representative body of De Sotoans offered a prayer for his departed soul at Burkhard and Son Funeral Home from where he was buried on Tuesday. To his wife and two lovely children we extend our sincere and heartfelt sympathies.

Due to the continued sickness prevailing in the home of our G. K. Gene Scanlan, our worthy Deputy Grand Knight Frank Fitzsimmons conducted last Friday night's meeting; needless to say the pinch-hitting was done in Frank's customary charming, gracious and efficient manner.

McHale Will Continue Good Membership Work for June Quota

1-3 Tues. . . . . 150 W. 69th St.

Our Grand Knight Tom Mulroy and Chairman Chancellor, Eldon McGuire, are asking the membership of McHale Council to continue the fine work in acquiring applications for new members as they have in the past several weeks. It is an unpleasant task to keep preaching membership, and I know that our chairman is conscious of this fact, but he has been given one of the most important assignments, and Mac is a sincere hard worker.

It may surprise the members to know that since Mac has been chairman, he is responsible for about twelve new members that he himself brought into the Council, and that fellows, is a real job. Let's get behind him in these last few months, and present him with a bunch of applications. "Every Member Get a Member."

BLOOD DONOR GROUP

If you have not as yet called at St. Bernard's Hospital and had your blood typed, make it a point to do as early as possible or get in touch with D.G.K. Ed Berleman, our chairman, and he will arrange your visit. This blood donors group was formed to help any Brother Knight, his family or any one in real distress. To be a member of the donor group is an honor that every Knight of Columbus should appreciate.

Again our Worthy Chancellor, Eldon McGuire, has been called upon to fill another important job in our council, that of Chairman of the Barbecue. Co-chairman is Bro. Leo Karevia, and on the committee is Fin. Sec'y Earl Edgeworth, P.G.K. Bill Mugg, Bro. Tom Garvin (chairman in 1939) and Lecturer John Kelly. Plans are being made for this undertaking, and we ask the support of every member of our council.

BOWLING TOURNAMENT

Flash—Indianapolis, March 16, at 1:30 p. m., McHale bowlers arrived in fine shape, and after bowling in the K. C. National Tournament led by Chairman P.G.K. Bill Collins, Pres. Chas. Cotuno returned to the hotel where a special room had been reserved for McHale. The boys went into action to have the fun that is part of this annual event. The outstanding entertainment furnished was a broadcast by "What's My Name" Bill O'Brien and "We, the People" with Bowler Penny at the mike. Their performance will never be forgotten.

"The Hit Parade" broadcast was put on by G.K. Tom Mulroy; "The Happy Birthday" parade, led by P.G.K. Bill Collins, P.G.K. Barney Perona, Frank Cramsie and Peter Holm visited all the rooms of the members. This tournament will go down in McHale history as the finest ever witnessed. On the return trip the boys enjoyed a real turkey dinner with all the trimmings. To Chairman P.G.K. Bill Collins, Pres. Chas. Cotuno, Vice Pres. Tom Garvin, Treas. Leo Karevia and Peter Holm go our congratulations for a job well done. Next week we will furnish the scores.

Next Monday nite the boys will bowl their usual league games. The follow-Buddy Rogers and Billy Rose. Tickets are but forty cents and can be secured from John Janeczo, Sr., ticket chairman.

ing Monday nite will be the last of the season. Then there will be the sweepstakes. Did you ever see a fellow bowl ten straight strikes? Well, we did, a week ago last Monday. Jim Parish, a young chap who filled in on Cronin Cleaners, was the man. He finished with a 287 game. D.G.K. Berleman had 252. Come up and enjoy the fun. Phone any news to Englewood 5151.

Ravenswood's Irish—Scribe, Too—Enjoy Fun of St. Patrick's Party

1-3 Wed. . . . . 1521 Wilson Ave.

Because of the necessity of getting copy in a few days ahead of the paper's delivery date, the writer is taking a few minutes of the St. Patrick's Day noon hour to dash off these lines. Not being an Irishman, I may not be as whole-heartedly concerned with St. Patrick's Day as many of our members, but I think it's a very good idea that St. Patrick and all other Irishmen have a day.

I, for one, am willing, more than willing, to go along with all of them and try to help them enjoy it as much as possible. Besides I'll willingly stand up for any Irishmen being kidded about it. Our Irish Party on Mar. 19th, was a couple of days late for a genuine celebration, but can the Council help it if the calendar didn't cooperate to have the two, our celebration and St. Pat's, come together?

Just a short sentence to again remind you that we have a lot of application blanks that need filling out.

SOME NEWS

Father Rogers of Lourdes Parish has taken Msgr. Campbell's place as chaplain of the 124th Field Artillery, which was recently inducted into the Army with the 33rd Division. Many of our members who live in Lourdes Parish will doubtlessly miss him and will be looking forward to his return to duties at Our Lady of Lourdes next year.

Can't remember whether you've been told that Private Bill Collins is stationed in the kitchen for the 33rd as a cook. When he gets back from his year's "vacation," Brother Art and friend Bill Tobin will probably be very happy that he has had so much experience with a stove and will be more than willing that he take over the preparation of meals at home. Next year a dinner invitation extended to the Three Musketeers will be qualified by "you bring the cook."

Jim Pate of De Soto Council, who has been one of the inner circle at the Ravenswood-Lourdes Bowling League and who also on occasions spent a few hours with the Hoylers, is understood to be making preparations to join many other young Americans down Tennessee way. Hope he has a very nice time and gets there in time to avoid the mud.

Trustee Ed Arend, who has not been much in evidence at meetings lately, has been using the cold excuse too often. Better get a new one soon, Ed, cause we want to see you.

By the way, we haven't had much news lately about the Hoylers, though we have heard that they, as a group, are no longer paying Treasurer Bill Egert such a lucrative expense account to compensate for the long trip in from Kankakee. Wish we could get more dope about the club.

The little pinochle group must miss Bro. Charlie Sutton, it's organizer, who is in Ravenswood Hospital for a rest. Latest word from Charlie is that his condition is a little improved. It is advisable that he not have visitors other than the immediate family for the present.

Haven't heard much about our other sick ones, though it is expected that all are in an improved condition. Ben Sullivan is almost completely recovered, so we'll see him often.

With spring so close at hand, though at this writing there are doubts about how close, it is time that Ravenswood starts thinking about a softball team. Are we going to have one this year? Let's get started now.

There are more cattle than people in the state of Kansas.

Brownson Will Sponsor Interesting Movie at Next Friday's Meeting

2-4 Fri. . . . . 4754 N. Western Ave.

Our meeting next Friday, March 28, is one that all members should attend. For that evening Lecturer Wm. O'Neill has obtained motion pictures of one of Chicago's largest industries — the Stock Yards. We are told that this picture is every bit as interesting as the Tribune one shown a month ago, so don't miss it. Maybe there will be free samples—who knows? Yes, you can bring your prospective member, friend, or your son with you.

LAST MEETING

Our meeting last Friday was one of the best attended we have had in our present quarters, not only in the number of our own members but in the fine showing of officers and members from other councils. Brownson was host on that evening to the councils of the north side second division.

The honors of the first and second degrees were exemplified to a class of eighteen candidates by our own degree team.

To our new members who were in this class we bid a hearty welcome. They are: The Rev. G. M. Mullen, C.M., of De Paul University, the Rev. Clement Jagodyinski of Transfiguration parish, Kevin K. Walliser, George Grannon, Frank Mawson, William Steinbach, George Schanner, Carlo Scro and Hugh and Edward Brennan, sons of PGK John J. Brennan.

BOWLING

GK Tom Casey and DGK Doug Pons got together with 546 and 528 to help the Cullom Club trim the leading Gartner Tailors two games and are now within two games of a tie for the league lead. L. Virnick rolled 590 for the Tailors.

The Northbrook C.C., with G. Virnick, 600, and John Leech's 547 took Ald. John J. Grealis and gang for three. The Best Furniture Store won the odd game from the Sunnyside Inn. The Doose Studio, with Jim O'Byrne's 543 and George ("Up and Commin'") Gaffke's 551, took two from Norman McPhee's Undertakers. Just one more week and our brother bowlers will be off to the wars at Indianapolis.

OUR EMBLEM

Recently the wife of one of our members asked him what the emblem on his K. of C. ring meant, and imagine his embarrassment when he was unable to tell her. His feelings were relieved somewhat when, after having asked a number of his brother knights, he found that they, too, did not know the answer. Since it is violating no secret to direct attention to the emblems of our order, which are publicly and indiscriminately displayed to view, the following should keep any of our members from suffering similar **embarrassments.**

To begin with, we have the cross, which needs little comment further than to attempt to identify it according to its shape under the fixed rules of heraldry. The cross used in the Knights of Columbus emblem is not the maltese cross but the Pattee fimbriated cross. The distinction between the maltese cross and the cross shown on the emblem of the Knights of Columbus lies in the end of the arms, those of the Knights of Columbus cross being straight while those of the maltese cross are deflected or notched.

Next we have the shield, which is at all meeting points angular. For the purpose of blazonry various parts of the shield are named. The upper part is called the chief and the lower part the base. The side of the shield, which when held in front of the body would be toward the right hand, is called the dexter side, and that which would be toward the left hand, the sinister side. The points on the shield therefore may be referred to as dexter chief, middle chief, sinister chief, etc. In addition to these points there are the honor point, fess point and nombril point, these occupying the center of the shield. The initials of the order, "K. of C.," therefore, are placed or charged, on the chief. The symbols, mace, dagger and anchor on the base. The mace is the symbol of jurisdiction. The anchor in Church lore is the emblem of hope, and from the very earliest days of Christianity has been but a modification of the cross. Crosses in the shape of an anchor are to be found on the tombs in the Catacombs at Rome.

The close observer has noted certain letters embossed upon the emblem of the order. It was a very common practice to endorse a motto or slogan upon the shield. It is not our purpose to acquaint the general reader with the device or motto indicated by the initials beneath the emblem, but only to trace the similarity of the emblem of the order with coats-of-arms of individuals and associations of the heroic ages of Christianity. Needless to say, much the same use of emblems and ensigns was made in the early days as is common at present. The flags, pennants and badges were in all ages, as well as in the present, agencies of publicity. In the early days, the knight recognized his friends and fellow members by the arms emblazoned on his shield. So today, no less than the flag of our country, are the combination of red, white and blue, the red cross and the cross and shield of the Knights of Columbus distinct announcements, readily and plainly understood.

Exhibition of Early Books for Children Contains Rare Items

Notre Dame, Ind.—Four editions of the "New England Primer," the earliest dated 1797, are among a collection of 200 children's books on exhibition in the University of Notre Dame art galleries. Two million copies of the Primer were sold, but only 50 copies representing 40 different editions are extant.

The books on display are from the collection of forgotten children's books owned by Elizabeth Ball, of Muncie, Ind. Paul R. Byrne, Notre Dame librarian, said the exhibit is important because of the rarity of early children's books.

"Children have always had an inquisitive genuius for destroying printed matter," he said, "and those books that have survived the use of their early owners are either treasured by collectors or hidden away in some institutional library."

Other interesting exhibits are two horn books. One, dated 1796, is of wood with an abecedarium set under a piece of transparent horn. The other is of ivory and includes only the letters of the alphabet without numerals or the Lord's Prayer.

There is a large collection of "Chap" books, little booklets on all sorts of subjects sold by itinerant peddlers for a penny each. A copy of the "Protestant Tutor," from which the "New England Primer" was abridged, is also present.

John Newberry, the English publisher who first made a specialty of children's books, is represented by a number of works. He was the publisher of such surviving favorites as "Goodie Two Shoes" and "Tommie Trip and His Dog Jowler." He made his books attractive to children by binding them in gay Dutch flowered and gilt paper. This paper was peculiar to Holland and has not been made for nearly 100 years.

About 1807 books began to appear which were intended to amuse rather than teach children, and two classes of this kind of books are shown. Such old nursery favorites as "Who Killed Cock Robin?" "Dame Trot and Her Cats," "Old Mother Hubbard," and many others are represented.

One out of every eight people gainfully employed in the United States works directly or indirectly in the automobile industry.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and regaineth with Thee in the Unity of the Holy Ghost. Amen.

Dearborn Tribute to Founders Will Be New Members

1-3 Thur. . . . . 820 Garfield Blvd.

Next week, commencing the 23rd, will be designated as Founders Week. It was just fifty-nine years ago that the Order was founded by Father McGivney and a small group of aids. The dream of these men has certainly been realized through the years. Knighthood has flourished and the basic principles—Chartiy, Unity, Fraternity and Patriotism—have withstood every test to which they have been subjected. In fact, they emerged stronger and greater, resulting in a unified Order of over half a million Catholic gentlemen.

When we examine the circumstances and sacrifices surrounding our origin as an Order and ultimately the units into which it is divided, a sense of pride creeps over us. No doubt each one of us is happy to be a member. Also, we are inspired by the hard work and effort expended by the founders to do everything in our power to foster the continued existence of knighthood. Of course, such realization may only be attained by sustained procurement of new members and in this field Dearborn pledges itself as a unit to lend every possible force and complete cooperation.

Each one of us in Dearborn, therefore, will combine our energies to obtain at least one candidate in tribute to the memories of our founders. This, you'll agree, is a minmized reward and meager effort on our part.

SILK HAT PARTY

The club scored again by conducting another successful St. Patrick's party last Saturday at the Hayes Hotel. The assemblage was treated to a marvelous meal and an evening of fun and frolic. After the delicious dinner, a short testimonial to Fred Beyer, retiring president. was enacted. Our genial State Secretary, Leo Flynn, was one of the guest speakers who extolled Fred's virtues as a knight and a good fellow.

In addition, State Donor Chairman Bob DuMais, G. K. John Devereaux, Pres. Jim Ivers, P. G. K. Ray Gerber (Dowling) and P. G. K. Al Thompson (St. Pat's) spoke briefly and wished Fred well. Your humble servant presented Sir Knight Beyer with a token of esteem emblematic of the club and Fred thanked the very large gathering sincerely and wholeheartedly, expressing his happiness for the thoughtful occasion and his joy for having had the opportunity of serving the club.

After these ceremonies, the gala party commenced. There was music by the Field Rhythm Boys and all sorts of jitterbugging. It was a happy crowd that participated and most enjoyable affair. Mere words are insufficient to commend Pres. Ivers and his committee for a splendid job in arranging this event. In addition to Jim, praise is due Chairman Oscar Heilmann, John Logan, Tom Linklater, Jim Reilly, Dick Kerwin and Sec'y Jack Walsh. These fellows collaborated in a swell party.

BLOOD DONORS: Chairman Bob DuMais reports a great amount of activity during the past two weeks. The following members of the group donated their blood in the cause of Christian charity: Frank Dusold, Joe Guerin, W. J. Dalton, G. K. Devereaux, Frank Gerry (through the co-operation of A. J. Devitt of the I.C.R.R.), Earl McDonald and John McGuire. Also Bill Schulok and John Lux reported on call for transfusions but were not needed.

BARBECUE: The Dearborn committee, headed by Chancellor Steve Ruff and composed of D. G. K. Pidone, John Lux, Chas. Lyons and Dave Kerwin, met to lay plans for distribution of the books as soon as they are available. They attempt to obtain ticket returns in the first week after distribution. In this regard the members may lend a hand by attending the first meeting in April to acquire a book of tickets and save considerable time and trouble for the committee.

CATHOLIC ACTION: April 18th is the date chosen for Dearborn's annual Retreat at Mayslake. Chairman Tony Wilhelm is now preparing to lead a large class to this solemn event. It embodies Catholic Action to the highest degree and is a specific and fundamental function of Dearborn's activities. It is needless to say that each member should boost and sponsor the affair not only as a duty but as a force to stimulate all the principles on which the Order was founded.

CURRENT EVENTS: March 22nd, Leo Fourths' Party; April 18th, Retreat and Third Degree, and May 4th, annual Communion Sunday.

TEN PINS

The Indians cling to a three-game lead by winning two of their three games at the last bowling session. The Bradys also won two, staying within striking distance of the Indians. The R-Ks dropped two while the Manhattans were copping the same number, causing a closer race for third place. The R-Ks are now only three games ahead of the Bevs. The Premiers and Feilens follow in order.

S O S

An item of interest concerns L. Berringer, the commuting bowler on the Ruff-Kerwin team. It seems that Mr. Berringer is employed in Omaha, Neb., and boards a train every Monday morning so as to put in his appearance each Monday night at Gaynor's Alleys to topple the tenpins. Incidentally, he lives on the north side of the city . . . Bro. Nick Hoffman has just stepped out with a new red fluid drive Dodge sedan . . . Bro. Frank Dusold also joins the upper bracket by purchasing a new Plymouth with a specially built mother-in-law seat.

St. Paul Members In Group Typing Despite Sunday's Zero Threat

1-3 Tues. . . . . 6713 Olmsted Ave.

We've just finished talking to Dr. Eddie Meyer and he feels jubilant with what he terms a surprise to him at the large number who joined the St. Dismas Club on that cold, windswept last Sunday afternoon. By joining we mean to infer that 26 boys submitted themselves for blood classification in the donor group of the council. Doc doesn't know it yet, but he will soon find out that that was only the beginning.

There isn't any reason why the St. Dismas Club shouldn't number anywhere from 75 to 100 members of the council, and it is our guess that it may even exceed our fondest expectations. The good Doctor will arrange another date a little later for another "initiation" to accommodate those brothers who may have forgotten the time or who were unable to make it. Just a word in case some of you may not have been informed.

The blood donor group of the council is intended to take care of situations which may arise among council members or their families or in such special cases outside of that group where the donor may wish to cooperate. It's a strictly voluntary proposition. Here is an opportunity whereby you may be enabled to do some brother a good turn and have that deep down feeling of satisfaction in knowing that you helped to make someone's fight for health, if not life, a lot easier.

And now for what might prove to be a last reminder for you keglers and troopers who will be moving on to Indianapolis for the K. of C. national bowling tournament as participants from St. Paul of the Cross Council. The date is March 29th. The train leaves from the Illinois Central depot at 12th street. Be sure that you get full and final details from PGK Geo. Harbert so that you won't miss the "bus." They say that "time and tide wait for no man," but sometimes the trains do. However, you may not be that man the trains wait for sometimes, so we again urge you to be "on deck" plenty early.

You are assured a good time over the week-end. That is a certainty. When Geo. Harbert arranges these tours, everything is thought out, nothing is forgotten; there is no dilly-dallying, waiting for connections, no standing in line anywhere; plans will be carried through without a hitch. You will have one of the most enjoyable week-end vacations you have ever experienced. So, if you can at all spare the time, you shouldn't miss it. Call Harbert now.

We hear that Dwight Crandall has been under the weather with ear trouble but has overcome the worst aspects of it, which is good news to us. . . . Henry Blim has had the old sticks out priming for the council's annual spring golf tournament and the much coveted trophy presented by Bro. Wm. (Alderman) Cowhey and now held by the winner of last spring's event, P. G. K. Geo. Harbert. . . . The boys who make up the Newman-Zieglers got all "het up" about the remarks we made about that team a few week back, so they are going to show ye scribe who is going to lead the council league at the end of the season. (We'd like to say something which will "cool 'em off"). . . . Ja, dere hot, them Heinies, them sowwa-krout destroyers, them, them fledglings, them miss-spent-youthers who play their luck both ends to the middle—it can't last forever. But somebody do something quick, else it will be too late. . . . The officers' meeting scheduled for last Tuesday was called off because five men couldn't be there—they must have been Foremen and Clark. . . . Medical science has discovered Fr. Kiley's "blue blood" to be of the common garden variety.

Nine soldiers could be fed for one day on a dollar in 1775; whereas in 1937 a dollar bought only enough food for two.

Madonna's 'Irish' Party Maintains Success Record

2-4 Fri. . . . . 4624 Emerald

We hate to brag (uh-huh!—Ed.), but the St. Patrick's Dance was a wow. Although it's a matter of record that we make a report like this on every dance Madonna has, and though some doubting Thomas works overtime doubting us, it's still the truth.

The Victorian Room at the Hyde Park Hotel was nicely crowded, the music was swingy and the crowd quite singy, led by Lecturer Marty Morrison and Jerry Finnegan. One nice thing we noticed, there was quite a crowd of strange faces, which seems to augur well for the council. (Anything is better than some we could name!—Ed.). In addition, there were quite a few of the "regulars" present. Among them were Mary and Pat Noonan, Helen and Bill Slavin, Emily and John Pollick, Mr. and Mrs. Tom Keenan, Mr. and Mrs. Jerry Finnegan, Gert and George Noonan and Mr. and Mrs. Frank Speck.

MORE YET

We spotted Ed Quinn, George McMahon, Ed Goeing, Mr. and Mrs. Bill Loftus, Catherine and Tom Hayes, the "Big Three," Doctors Devitt, Fiore and Smith; Ed Barry, Jim McGrath, Mr. and Mrs. Jim Powers, Howie Flanigan, Mr. and Mrs. Eddie Griffin, Frank McGrath, Ed and Del Kean, Jim Quinlivan, Mr. and Mrs. "Bud" Malloy, Joe Du Bray, Raleigh Kean and Jo McGrath, Joe Halloran, "Hank" Ryan, and Bob Fitzgerald.

There were a number of the old guard that we didn't see, also. But, then, Madonna wasn't the only one running a party.

Our thanks, by the way, to the Scribe of Englewood Council for his plug about the dance in his column last week. (Every Scribe in The Columiban but us has a "column"—ours are just notes. Just a barefoot boy with shoes on.)

SOMETHING HAPPENED

To the Year in Advance Boys: Rolling up a total of ninety to date, due to the gracious kicking in of Mort Luby and Larry Gorey, the club has two weeks to go. Who will the other nine lads be to bring the number to ninety-nine, which will force us in to make the century? Will it be you or you or you? Who, us? No, you! Crazy, ain't it?

NOT MUCH

Bowling news this week: The Boyles started out determined to regain undisputed possession of first place and although they tried in the last game they managed to take two from the Duffys while the Hermes were dropping two to the Doodys. Jim Lavin went on a ten-pin spree for the Doodys to supply the margin of victory.

The rejuvenated O'Connells rolled their high game and high series for the year, 986-2779, to take the odd game from the Millers. G. K. George Noonan recorded his best series of the year and thereby earned a place for himself on the council team in the National Tournament. Jesse Falks equaled his high game for the year, 220, but the O'Connells were too hot.

ON SUNDAY

March 23, at 1 p. m., twenty of Madonna's bowlers will meet a like number from St. Gabriel's league at Schalk's Alleys. The trophy is a barrel of Kickapoo Joy Juice, and it should be plenty of fun watching them.

The six men who will represent the council in the National K. of C. Tournament at Indianapolis are G. K. George Noonan, Dr. Devitt, Ed Barry, Jim McGrenera, Ollie Kenny and Duke McGrath. So far, a "rooting section" of about twenty of the lads has been organized. If you are interested, call Sec'y Howie Flanigan.

PLEASE NOTE THIS

At the last meeting of the Supreme Board it was voted not to pass the April, 1941, assessment, which means that every insurance member is obliged to pay next month's assessment. Year-in-Advance men who have already the full year will be billed later.

Knights Help in Holy Name Drive for New Members

Member of Quigley Council First to Enlist in Army of Catholic Action

Symbolical of the "all-out" aid being extended by the general membership of the Knights of Columbus here in support of the Holy Name Society's campaign to enlist 200,000 new members by Easter Sunday, is the fact that the very first man to enroll in "General," Archbishop Samuel A. Stritch's battalion's was Caspar Knasiak, 1041 West 31st Place, a member of Archbishop Quigley Council.

So vital does Archbishop Stritch believe this Holy Name drive to be to Catholic Action in the Chicago Archdiocese, that he wilingly offered to personally enlist the first new member. His visit to the home of Brother Knasiak last Monday found a willing volunteer and so set the campaign off to a flying start.

12,000 Workers in Drive

Following Archbishop Stritch's lead, an army of 12,000 Holy Name men, began the mammoth drive to bring the facts of Catholic Action home to every Catholic man in the Archdiocese. Plans and detailed preparations for the drive had been in the making for the past month so that as the campaign opened last Sunday, every available solicitor was ready and able

Membership Efforts Net Illinois Councils Gain of 1,151 Since July 1

Membership efforts for the Illinois councils during the nine months since last July 1 have resulted in the addition of 1,151 new members, according to latest reports from the Supreme Office of the Knights of Columbus at New Haven, Conn.

These gains place the Illinois jurisdiction among the top four State Councils, less than 100 behind Ohio in third place, and only several hundred behind the larger New York and Quebec jurisdictions.

Last Sunday some 65 additional members were inducted into the honors of the Third Degree at the sectional exemplification conducted at St. Philip's Gym, 3141 W. Jackson Blvd., for all councils of the three west sections.

This Sunday another large Third Degree class is expected to be initiated at Perez clubhouse, 6710 S. May St. Candidates for the class will be drawn from the south sections, numbers two and three, and are asked to be on hand before 2:30 p. m., when the degree ceremonials are scheduled to begin.

District Deputy Ed Martens and the officers of councils in South Section 1 are also planning for a large degree class for the traditional Palm Sunday exemplification at Blue Island. All three degrees are scheduled for exemplification that Sunday, April 6, starting with the First and Second Degrees in the morning and the Third in the afternoon.

Knights of Columbus

ILLINOIS STATE COUNCIL

155 No. Clark Street — Chicago, Illinois

March 28, 1941

TO BROTHER KNIGHTS IN METROPOLITAN CHICAGO:

For the fourth consecutive year the seventy-five Councils in the Archdiocese of Chicago will participate in a program to assist His Excellency, Bishop Bernard J. Sheil in his work among the Underprivileged Youth of the Archdiocese of Chicago. The prgram will be officially inaugurated next Monday, March 31, 1941, at a dinner meeting of the District Deputies and the Council and State Officers at the Hotel Sherman.

All Councils from Waukegan on the north to Kankakee on the south and to Morris, Illinois on the west will be represented in this year's project. Nearly 35,000 Knights will, therefore, participate in the enterprise.

Barbecue on June 18

It is planned to climax this year's Campaign with a "Gigantic Barbecue" to be held on the grounds of Riverview Grove on the date of Wednesday, June 18, 1941. The details of this program have been placed in the hands of each Grand Knight in our Archdiocese, and will be announced at the first meeting of the Councils held in April.

Bishop Sheil's work among the Underprivileged Youth of Chicago is of National fame, and in our own City and Countryside it has won the acclaim of the citizens of all races and creeds, and the love and respect of all men.

Three-fold Benefits

Thru our united efforts the sum of $17,911.77 was raised for this worthy cause in the year of 1938, and in 1939 this amount was increased to the sum of $18,703.97, and in 1940 we again increased this sum to $19,752.41.

It is the high hope of your Executive Committee, and we feel of every Member of the Order, that the program for 1941 may have results far in excess of the achievements of previous years.

The benefits of the barbecue project will again be three-fold; First and foremost, Bishop Sheil's Underprivileged Youth Fund will be substantially benefited; second, each individual member will morally and materially gain according to the extent of his efforts; and thirdly, your Council will participate to the degree of the cooperation of its members.

Ask Support of Every Member

May I, Brother Knights, invite you to the fullest and most energetic cooperation in this, a major project of the Order in the Northern District of Illinois, and to solicit from you your most enthusiastic support, so that our efforts this year may surpass the accomplishments of the past.

Further details will appear in each succeeding issue of The Columbian, and I ask your wholehearted and undivided interest until the completion of the Campaign.

Sincerely and fraternally yours,

JOHN F. BOLTON,

64 Orphans Placed in Catholic Homes by K. C. Board Here

Catholic Home Finding Association Reports 2,475 Placements in 26-Year History

The Knights of Columbus of Illinois, through the Catholic Home Finding Association, found family homes for sixty-four dependent orphan children, and effected the adoption of seventy orphans by their foster parents, according to reports made by President John T. Lillis and Superintendent Henry J. Lynch at the 26th annual meeting of the Home Finding Association at the Palmer House last Sunday.

Of the placements made, thirty-four were boys and thirty girls. Fifty-five of the orphans were under one year old; four from one to three years and none over fourteen years. The adoptions included 41 boys and 29 girls, 30 of whom were under one year and 33 between one and three years old. This does not mean, Superintendent Lynch explained, that childless couples prefer boys, but rather that fewer orphan girls are left dependent by the relatives of deceased parents. There is in fact a waiting list of couples desiring girl children.

Total Placements Reach 2,475

The figures of the past year bring the total for the 26 years of the association's service up to 2,475 orphans

Film on Mass to Have World Premiere Here Next Monday, Tuesday

State's Attorney Thomas J. Courtney and Judge William J. Campbell of the U. S. District Court will be chairmen, respectively, of the two evening programs at the world premiere of "The Eternal Gift," to be presented by the Servite Fathers at the Civic Opera House Monday and Tuesday nights, according to an announcement today by Father Hugh Calkins, O.S.M., in charge of the production.

John Malloy, editor of the Chicago Herald American, is general chairman of the supervisory committee.

Radio and stage celebrities will share the klieg lights with leading clergymen and political bigwigs. Special ceremonies are being planned for both evenings, which are regarded as being of equal importance.

Excitement over the majestic film will reach the boiling point Thursday morning when hundreds of Novenites, friends and admirers will be at the Northwestern Station to greet Father James R. Keane, O.S.M., beloved founder of the Perpetual Novena in honor of Our Sorrowful Mother, who will arrive at 8:30 a. m. from Portland, Ore., on the "Portland Rose." Father Keane appears in the film as the Celebrant of the Mass.

Other principals of the production, which was produced under the supervision of the Perpetual Novena, include the Rt. Rev. Msgr. Fulton J. Sheen of the Catholic University of Washington, D. C., as narrator; Father

Hugh Calkins, O.S.M., Deacon of the Mass, and Father Frank Calkins, O.S.M., Subdeacon of the Mass.

Ticket sales have been reported by Father Hugh Calkins to be exceptionally good, with seats remaining, however, for both performances.

"The two prevues of the film to more than 3,000 Priests and Sisters brought spontaneous ovations from our most critical audiences," said Father Calkins. "The music under the supervision of Rev. Edwin V. Hoover was acclaimed by nearly everyone present as among the finest ever heard. I am sure that everyone will be thrilled with this ten-reel presentation of the Mass, the first to ever be done in such a spectacular manner."

to present facts supporting the need for a revitalized and strong body of lay men dedicated to the principles of true Catholic Action.

In his letter to the archdiocesan clergy announcing the drive, Archbishop Stritch stressed the cause of the campaign as to bring "Christ in our lives, Christ in our families and Christ in our institutions."

"What nobler appeal can be made to Catholic men?" he added. Frankly we may say to them that taking part in this apostolate is a necessary expression of vigorous faith. Sickly indeed is the faith of a Catholic which does not in love of Christ seek souls for Christ. True, the Holy Name Name Society is a confraternity and primarily seeks the sanctfication of its members. For this very reason it s a great motive force of Catholic action. Only Christians will bring the world to Christ."

K. of C.s Take Active Part

Since the ideals of the Holy Name Society and of the Knights of Columbus are so closely united and since the greater majority of Order members here already are listed in the Holy Name groups, the campaign has had the whole-hearted support of all the local Knights.

for whom homes were found and 1,695 permanent adoptions effected. While these figures are impressive statistically, their real significance in its effect on these children removed from dependency, reared and educated in Catholic homes, to self reliant Catholic and American manhood and womanhood cannot be computed in earthly terms, nor can the number of family homes saved from disruption, and foster parents brought closer to each other and to Holy Mother Church be calculated.

Bishop Griffin Lauds Work

Most Rev. James A. Griffin, bishop of Springfield, State Chaplain of the Knights of Columbus and spiritual director of the Home Finding Association, successor to the late Bishop Peter J. Muldoon, its founder, was present at the meeting, and after hearing the reports commended the work highly.

Seven Directors Elected

Supreme Director and Past State Deputy Michael J. Howlett and Past State Deputy Judge LeRoy Hackett, who named the first Home Finding board, also spoke in similar vein, comparing the treatment of children in Illinois with the starvation and death dealt little ones abroad.

Seven directors were elected for three-year terms including Judge LeRoy Hackett, Francis Corby, Fred B. Snite and John L. McInerney of Chicago; William Hellhake of Springfield, to succeed themselves; Leonard R. Condon, Rockford, vice Charles B. Joyce, Rockford, r e s i g n e d; and Michael J. Howlett to the vacancy caused by the death of Michael F. Girten. Resolutions on the death of Brother Girten presented by Brother Hackett were adopted.

Officers re-elected for the coming year were: President, John T. Lillis; vice-president, M i c h a e l Zimmer; treasurer, John S. Gleason, and secretary, William J. Clark.

Home Finding Association Heads

Officers of the Catholic Home Finding Association met last Sunday to review the accomplishment of the board's twenty-six year history. Among those present are pictured above, from left to right, Supreme Director, Michael J. Howlett, a director of the association, State Deputy, Judge John F. Bolton, State Chaplain, Bishop James A. Griffin, also spiritual director of the Home Finding board, and President John T. Lillis, who has served as board president continuously since its founding.

UNIVERSITY TO TAKE COMMUNION THIS SUN.

2-4 Tues. . . . St. Ignatius Auditorium

All plans for the Communion Mass and breakfast Sunday are completed. Chairman Bart Quigley asks that those who have not returned their cards but who plan to come phone him immediately at Rogers Park 3559. The Mass will be at 8 o'clock at St. Ignatius Church and the breakfast at 9 in the parish gymnasium. No long speeches.

The breakfast, which will be served by Toffenetti of Triangle Restaurant fame, will be without charge to council members. This occasion gives everyone an opportunity to make his Easter duty and to join his fellow members in a pleasant morning, so don't fail to phone Bart at Rogers Park 3559 if you haven't sent in your card.

BARBECUE COMMITTEE

G. K. Murtaugh has appointed the following live-wires to work on the committee for the barbecue: Jim Dolan, chairman; John McGuire, co-chairman; Francis Walsh, 6253 Wayne Ave., treasurer; and John Connor, Jerry Conway and Joseph Newhouse. You can help these brothers by promptly returning your books as soon as you have them sold. March 31st is the day the books are out. Other details will follow shortly.

JESUIT ALUMNI CELEBRATION

On Sunday, March 23, a Communion Mass was celebrated at the Loyola University Chapel to commemorate the Four Hundredth anniversary of the founding of the Society of Jesus. In attendance were about five hundred representatives of the various American Jesuit colleges and universities. Breakfast was served in the St. Ignatius School gym, after which the group attended a radio rebroadcast of the commemorative meeting being held simultaneously in New York City.

As might be expected, University Council was well represented—by our past Chaplain Fr. F. G. Dinneen, S.J. (St. Mary's College and St. Louis Univ.); Past Grand Knights Garrity (St. Ignatius) and Rondeau (Marquette and Georgetown); George A. Lane (President of Loyola University Law Alumni); Dr. James Lane, Recorder Joseph J. Newhouse and Charlie Boyle (Loyola); and the scribe (St. Mary's and Georgetown).

The meeting was another evidence of the rich field there is in this neighborhood for recruiting fine active members for University Council—at least twenty men in the group could be picked off by a concerted effort. Let's get them!

NEW LAWYERS

Joseph Newhouse, our smiling recorder, seems to be getting his name in each item this week, but he deserves an extra mention because he has just received notice that he passed the recent Illinois Bar Examination. Congratulations!

G. K. Tim's young brother John is also a new member of the bar so we'll be looking for him in the council shortly—and that reminds us that one of those good candidates for membership mentioned above is Lew Murtaugh who will undoubtedly join the other two.

MOVING DAY

Now that the council has moved we are reminded that May 1 is close at hand. Brothers who are planning to move and those who are fixing up properties for new tennants should note in the new council directory the advertisements of the following: Crown Stove Works; Martin J. Cassidy (our friend of Marquette Council), plastering contractor; Othmar Eckstein's Tri-Angle Roofing and Construction Co.; Frank J. Murnighan & Co., real estate; Raymond M. Hayes & Co., real estate; and Dick Joyce of Joyce Brothers Storage and Van Co.

Phil Sheridan to Hold 'Picture' Night at Its Meeting Next Thursday

1-3 Thurs. . . . . 446 N. Parkside

After an absence of some time Phil Sheridan is again back in the news with plenty of news. In the first place the next meeting will be held Thursday, April 3, and we urge all members to be present. Why? Let me tell you why.

On that night Phil Sheridan Council will have its picture taken. This is Phil Sheridan's picture night. What do we mean? Just this. All members of Phil Sheridan Council are to have their pictures taken, individually, collectively, in groups, playing cards, familiar poses and any way you prefer. But nevertheless we're all going to have our pictures taken by a well known photographer.

These pictures are to be placed in an album and to remain the property of Phil Sheridan Council. Of course if you should take an exceptionally good picture and your wife, or sweetheart, or mother would like to have some made, that is your business. But these pictures to be put in the album will not cost the members anything at all. We are desirous of having as many members present for this occasion as can possibly come. If you have a previous engagement for the evening, come up for a few minutes to have your picture taken and leave.

This is just a couple of days before our bowlers depart for Indianapolis to take part in the National Knights of Columbus Bowling Tournament, so why not have all the bowlers come to the next meeting and have their pictures taken for the occasion? We do want to have each and every one of the officers present on this occasion. If you have a new prospect or one who has signed an application, but has not been initiated as yet, bring him up, too. The meeting will start promptly at 8:30 p. m. and will not last longer than one hour, so if you can't come for the meeting, come later and join the festivities. Our new Lecturer has promised some sort of refreshments for the evening.

Number two on our list of important news items this week is the exemplifying of the First and Second Degrees on Thursday, April 17, by Phil Sheridan Council at our meeting place, 446 Parkside Ave. On that evening we w be hosts to all the other councils th comprise the West Section No. 1. G. Ed Bachner appeals to all the membe to co-operate with him in making this very successful degree. He urges t entire membership to do their utmost procuring at least one new applica There is still time to have new app cants participate in this degree, but must be done in a hurry. A call to G. Ed Bachner or Chancellor Frank Weav chairman of the Membership Committe will get any information desired.

Last meeting G. K. Ed Bachner a nounced the appointment of Bro. J Broderick as the Lecturer for the r mainder of the year. Bro. Broderick su ceeds our ever popular member, Cla ence Jackson who, due to the th required to give to his business, a nounced his resignation as lecturer la meeting. To Bro. We have for our main problem during the next few weeks, our membership drive, and we will endeavor to attain honor roll listing by April 1st. Besides this, our lecturer, P. G. K. Stanley Dworski aims to make April the most outstanding month in meet attendance. We would like to hit the 100 per cent mark, and to make it possible he has planned unusual programs for your enjoyment.

The barbecue books will soon be ready for distribution. On Monday, April 7, our meeting will be called "Forward Movement Night." Monday, April 21, a movie entitled "All American Way" will be presented. This is a "talkie," sponsored by the Chicago Tribune. On Monday, April 28, the ladies of our council will be entertained.

NOTICES

An officers meeting will be held Friday evening, April 4, at 8:30, in our council chambers.

All brothers leaving for the National Defense Program are asked to notify our financial secretary by calling Lafayette 8716.

LEO'S MEMBER DRIVE PICKS UP MOMENTUM

The membership drive which has been under way for the past three weeks is beginning to reflect the effort expended by the committee and the response of the membership. Many of the members have advised Grand Knight Clarence Wagner that they have applications but because they have not as yet turned them in they could not be shown on the Honor Roll for this week. While there remains a few weeks before the termination of this drive, all members are urged to talk with their prospective candidates at the earliest possible moment, so that some estimate of the number of candidates to be initiated on April 20 can be made.

Up to the present time, the secretary is in receipt of thirty-eight applications for this class which has been designated as the District Deputy James J. McDermott class. A number have already received their first and second degrees. Another first and second will be held as soon as a large enough class is ready. The Honor Roll as it now stands is as follows:

SPECIAL ELECTION

At the next meeting of the council, Tuesday night, April 1, a resolution which was read the first time at our last meeting will be acted upon. This resolution calls upon the council to pay the associate dues and assessments of all members of the council who are inducted into military service.

Another important item of business which will be had at the next council meeting will be the election of members to vote the stock of the council in the Building Association. The present member directors of the Building Association are Michael Reddin, Joe Winiarski, John Mortimer, and Morris Glesin.

BLOOD DONORS GROUP

Last Tuesday night State Director Brother Robert DuMais visited the Club quarters and brought with him a technician from St. Bernard's Hospital for the purpose of making tests of various Brothers who enlisted in the Leo Council Blood Donors Group. Thirty-six members of the Council submitted to the test and stand ready to give of their blood whenever called upon. Any person interested in becoming a Member of the Leo Council Blood Donors Group is requested to contact Dr. Gallagher, Council Chairman.

The party staged by LeoFourths at the Club House on last Saturday night was a huge success both socially and financially. Tveryone in attendance seemed to be of the opinion that the Council quarters provided an ideal place for dancing parties, and that many similar affairs would be welcomed by many of the members.

Leo XIII Council will attend annual Communion at Visitation Church at the 8:00 o'clock Mass on Sunday, April 20. Since this is the same day of the D. D. McDermott Class, the committee is being urged by many of the members to hold a Communion Breakfast in the Club quarters immediately after the Mass, at which time all candidates for the Third Degree on that day will be required to be in attendance. The committee would like to have suggestions from the members as to this mater.

TIME TO SEE "JOE"

Financial Secretary Joe McNamara announces that he is preparing the due cards for mailing. The officers are also busy compiling the semi-annual report required by the Supreme Council. It is sugested that any member who, through oversight or neglect, has failed to pay his dues up to date, kindly contact Brother McNamara and do so before the end of the week, so that his delinquency will not be reflected in the semi-annual report.

SHERMAN IN IMPORTANT MEETING NEXT TUES.

1-3 Tues. . . . . 4300 W. North Ave.

What are you doing next Tuesday evening, April 1? Better plan to attend our meeting. This is one meeting at which you should be present, if you want to be known as a man and a Knight of Columbus. Don't give excuses later.

Let all officers, past officers, bowlers, softball players, yes, every member who claims to be a member, be present. Yes! It is going to be a surprise. Remember, this column notified you; it is up to you to get there. Seating arrangements have been provided for the large attendance. Please do not call your G.K. for information!

Members please read this carefully: Anyone who has sent dues to Joe Deisenroth in the last ten weeks and have failed to receive a recept, please contact him at once. This is for your own good. This is the third time Joe has asked this.

April 18 is our date, yours and mine, our families and friends. Let's make it a reunion, as we have not seen some of you Shermanknights for years. The time is very appropriate right after the Lenten season when we will all be due for a little celebration. You have received an explanatory letter from your Grand Knight.

Please dispose of your tickets. Try and have the contract which you received with your letter filled out by some merchant in your locality. If every member would get just one ad, what a program we would have! Won't you try? The right kind of advertising is very essential to every progressive business man. Please keep in mind that the dance is your dance and its succes depends entirely on you.

BLOOD DONORS

During the past year there has been a great deal of talk on this very important subject but very little action. We have started now and nothing is going to stop us. At our next regular meeting on April 1st, Chairman George Kohl, Sr., has made arrangements for our medical adviser, Dr. Fleming, to come to our council chambers with an assistant to give a classification test. This calls for a big attendance so let's all come out. There will be an interesting program besides. Then, too, Joe Deisenroth and son promise to bring their kodak to snap any pictures which may pop up.

FOURTH DEGREE

Sherman Sir Knights held their first meeting of 1941 March 19th at Father Sesterhenn's Club rooms, and a good time was hand by all, especially this year's youngsters, eh boys? We had election of officers and here are the results: Father Sesterhenn, Chaplain; Carl Brefeld, President; William Heitz, Vice-President; Myron Bowland, Secretary; John Barth, Treasurer; Tom Tierney, Sergeant-at-Arms; Bill Free, Marshal, and John Dottenwhy, Assistant Marshal.

At our next meeting, April 23rd, we will have a sort of "throwem out" and "putem in party," which, according to all signs is going to be a gala affair. Sir Knights, your presence is requested that evening. Special notice to all you 4 Men, bring your baldric and saber to our next council meeting, April 1st, for a little drilling. Our communion Sunday and the dedication of Our Lady of Angels Church are only a short way off. A little practice will do us all some good. Who knows? It may come in handy even if some of us are in class Z-13.

BOWLING

We are nearing the final stage of this season. First and second place is just about settled between three or possibly four teams, but to predict them in order now would be rather a tough job.

	Won	Lost
Glen Realty	43	29
Boyda Dairy	42	30
Collins Undertakers	41	31
Trenko Judges	39	33
Schmitz Printers	37	35
Boots Johnston	36	36
Klinerts Hoff Brau	34	38
Roche–Eligass	33	39
Cesars Tavern	32	40
Cirone Barbers	30	42

Last Thursday evening I missed some of you for a patron ad for our dance program. Boys, I know it's tough, but it is also a little tougher asking you for the four bits. Try and make it just a little easier for me and come around.

ST. AUGUSTINE WILL TAKE COMMUNION SUN.

1-3 Mon. . . . . 5209 South Justine St.

The Sunday of our Easter Communion is here. We make a final appeal to all members who are not among the regulars in attendance, and to those who have been among the inactive during the past year, to be with us next Sunday, March 30. Perhaps to some this is a yearly occurence that many would not miss; to others perhaps, it is a council activity that demands their support and they will attend; but it's that other group to which we direct these last few lines.

Those of us who have all but forgotten about Knights of Columbus, those who have laid aside their membership and have not exercised their rights and privileges. We would be proud to march to church alongside brothers whom we have not seen for years and years. So let's make it a date for next Sunday, we will all meet at our club-house at 7:00 o'clock and march in a body to St. Rose of Lima Church at 48th and Ashland Avenue for the 7:30 o'clock mass.

REMINDERS

Last week we published a letter from the Ladies of Isabella through which they endeavored to reach our wives, mothers or sweethearts in order that they might become interested in their philanthropic organization. This open letter may not have reached the proper person in your home and we ask that you pick up last week's Columbian, open to our column and place it on her dresser.

Brother Lamont Critchett recently took over the Standard Oil service station at 55th and Justine Street. Congratulations and best wishes in your new location.

TEN-PIN-TAPS

Puetz Meat Market paced by Al Labuhn and Wingart beat Mack Brothers two games. Schaack, Kolmodin and Holloway paced the Movers. The entire Ted Kloeckner team were red hot as they won two games from the ever dangerous Dutchman Tavern. Leitzen Ossowski and Sutterlin were best for the losers.

With Horan, Mickey Heinen and Tony Kloeckner setting the pace, the Heinen Morticians swept three games from the Schaefer Barbars. Charley Subr and Dr. F. N. Werner led the Barbers. Bonthron Service won three games from the strong McCabe Boosters due to the fine work by Boettger, Dubrock and Young. John Putz paced the McCabes.

On Wednesday, March 12, the gang had the picture taken by a photographer at the alleys. The pictures turned out pretty swell. It so happened that when Bro. Nick Schaefer had his barber team photographed, the camera broke and the picture had to be retaken the following week. (Let's have a copy? Ed.)

Our apologies to P.K.K. M. L. Heinen for the insinuation about his big feet losing a game a couple of weeks ago. We should have added "Jr." behind Heinen.

NEW LECTURER

We failed to mention that Brother Henry Reigher has been named to fill the unexpired term of lecturer made vacant by the draft of Joe Ossowski. Those of us who know Henry are just going to sit back and watch things happen at our meetings from now on. That is we're going to sit back Lecturer Henry hasn't got us workin

COLUMBUS CONTINUE ATTENDANCE INCREAS

2-4 Tues. . . . . 6932 N. Clark

With the attendance on the incre and applications being presented, eve thing points to a successful year in Columbus Council. Our Membership Cha man, Eddie Kelly, is quite enthused w the help he is getting from the me bers and it will not be long before have a First and Second Degree Cla Our Lecturer, Doc Schuler, promises big things as soon as the Lenten sea is over, and we might have a Sumn Dance at the Edgewater Beach Walk.

Our softball scouts are looking aro for talent and it is rumored that e Enos Hamer is coming out of retirem to catch for the team. Now if Fr Coffey and Phil Geimer could tear some of that stuff that they carry front of them all day, all would be v because it will not take the Sextros l to get into condition.

THE BARBECUE DRIVE

The Barbecue will be under way sho and we hope that we will surpass showing that we made last year. member this is for one of the grea causes sponsored by the Church—tha taking care of the underprivileged yo —and you should see to it that you are blessed with the comforts of should aid the less fortunate.

That I tell you of the death of Loesch's mother. She passed away Friday evening after leading a happy and useful life. She raised a very fine family and the officers and members of our Council extend to you, John, and the rest of your family our sincerest sympathy. We ask the members to remember her in their prayers.

We also want to take this opportunity of sympathizing with Charley Schuler a brother of our own Doc, on the loss of his wonderful wife, who was a strong booster of our Council. We ask the members to remember her in their prayers and we hope that perpetual light may shine upon her, and that her soul is now resting in peace.

Damen Honors Its Leaders in Solemn Founders' Program

1-3 Thur. . . . . 6 N. Hamlin

Thank you, Past Grand Knight Thomas Hoy; thank you for an inspiring program which honored our charter members, past officers and members, and marked Founders' Week.

How solemn, yet simple and effective seemed the occasion as you called out the names of the charter members. Then, what a thrill as they responded individually and were escorted to a seat on your left and front; there decorated with a red carnation by the warden. Following the roll of past grand knights, their response individually, and their being escorted to seats directly in front of you to be decorated with a white carnation. And finally the former deputy grand knights in your right, each with a blue carnation.

This meeting was marked by the return to the council chambers of members who for one reason or another had not been with us for some time. A distinction enjoyed by John Broderick is he is a charter member and a past grand knight. Charter members Pat Hay and James Cushing, Past Grand Knights Thomas Hoy, Parke Brown, Edward Turner, William Lancaster, John Coffey and Thomas Brown, and former Deputy Grand Knights James Feeney and William Page, together with John Broderick in his dual role, were in attendance. Warden Robert McBride and Martin McGinnis were the escort committee.

Damenite James Robinson is now vice president of Baird and Warner Realty Co. Jim has been in Damen since 1910.

Sergeant Alfred J. Marti, son of Al Marti, was inducted into the U. S. army on March 5 and expected to leave Sunday, March 23, for Camp Forrest at Tullahoma, Tenn., with Company B, 132nd Infantry.

St. Mel C. Y. O., with Kieran, Raymond and James Crowley and Kieran Madden, John Riley and Al Cieraceanni, went to the C. Y. O. semi finals.

Deputy Grand Knight John Caulfield, chairman, and his Barbecue Committee, Homer Shaver, Frank Marnell, Harold Prince, Thomas Cullen and James Crowley, will distribute barbecue books early in April.

THE MERRY MEN

The John J. Gorman's, aided and abetted by some very mediocre bowling on the part of the Kelly Couplers, continued their winning ways by taking all three games; Fitzgerald high for the Gormans, Meyer high for the Kelly's.

The McEnery Realtors added more coal to the Cassidy Tires raging inferno by trimming them two games. Klein high for the McEnery's, Kuhter high for the Cassidy's.

The McMahon Undertakers celebrated the return of Grand Knight Bill Hopkins from the Stack Typewriters. O'Connell in their line-up by winning two games high for the McMahon's, Page high for the Stack's. The Brown Plumbers continue to lead the league by winning a pair of close games from the Reliable Credit, losing the second by only three pins. T. Brown high for the Plumbers, O'Toole high for the Creditmen.

With only five more weeks of bowling remaining, the following seem to have championships well in hand: Brown Plumbers, team champs; Joseph Kulisky, individual champ; W. Page, high game; Mike Brown, high series. However, the final returns may still upset the well known apple cart and, with six hundred games remaining on the schedule, anything may happen. Let's wait and see.

Only one more week till that Hoosier special leaves for the National Tournament. Time is very short. Phone Haymarket 4112, for reservations. P. Brown, tournament chairman.

Our spark plug has been taken out for cleaning. Jim Crowley is taking it easy for a while.

Auburn Park's Fourth Degree Club Charts Spring Party Program

2 Thursday....7740 S. Emerald Ave.

This announcement is a little premature, but a reservation has been made by the President of Auburn's Fourth Degree Club for their annual Card Party, to be held at 6839 S. Wentworth Ave., just after the Lenten season. This location is the headquarters of the Democratic Organization of the Seventeenth Ward, and is a perfect setup for a party of this kind. The date has been set as Thursday evening, May 1, and the price of admission is 50c per person, and Dick Knight, our new Fourth Degree Club president, and his predecessor, John Clausen, promise to have some very attractive door and table prizes for the occasion. Those who have attended these Fourth Degree parties in the past have expressed high praises on the splendid prizes and the manner in which the parties have been conducted, whether you are a member of the Fourth Degree Club or not this is an affair most deserving of your support. If you are called upon to dispose of tickets or to secure a door prize don't hesitate to assist in making this affair a success.

ANNUAL COMMUNION SUNDAY

As in the past each year when the date for the Annual Communion Sunday has been set in the State of Illinois, your Council makes the necessary arrangements for Council attendance at the eight-thirty o'clock Mass at St. Leo's Chapel, corner 79th and Peoria St., with breakfast to be served in the High School Cafeteria immediately following the Mass. This year's date is May 4.

These affairs in the past have proved most popular and have always had a very splendid turn out. Let this year be no exception. Remember, brothers, this affair is strictly at the expense of the Council and all that will be required is your presence on that morning. Don't forget the time and place, Sunday morning, May 4, 79th and Peoria Sts., at eight-fifteen sharp.

REPORT ON MAYSLAKE PARTY

At our last Council meeting, Bro. Richard J. Knight, who so kindly promoted a party recently for the Mayslake Building Fund sponsored by the Franciscan Fathers at Mayslake, Ill., reported that he forwarded a check in the name of Auburn Park Council to Reverend Father Oliver in the sum of $80.00. We are very proud of this accomplishment and are very grateful to all who were in attendance on that occasion.

We have received an acknowledgment from the good priests at Mayslake and they certainly were more than grateful. We hope that we will again have an opportunity of again making a sizable contribution to this most worthy cause.

A MOST LOYAL MEMBER

When we realize that we are just on the threshold of Spring with its many promises of birds, flowers (In Dick Knight's window) and good weather ahead, our thoughts somehow turn back to the meetings of the winter months, when it seemed inevitable that we always had bad weather on Council meeting nights. In recalling those of our members present on those occasions there is Bro. Charles Belikan, Charlie the "Old Pinochler" who has always proved a most loyal member and a prince of a fellow in every sense, always willing to help on any occasion, always dependable for wakes, funerals, social functions and Barbecue ticket sales. I have yet to hear of the time when Charlie hesitated to be of assistance. We think that by your fine example you have set a high standard which many of our members can shoot at. Bro. Belikan is one of the newest recruits in the Fourth Degree having been one of the candidates on last February 23.

Tonti Welfare Group Will Sponsor 'Super' Party Next Thursday

1-3 Thurs. . . . 4221 W. Irving Park Rd.

On Thursday evening, April 3, you and your friends are invited to attend a Super Game Party, sponsored by the welfare committee of Tonti Council, at 4221 W. Irving Park Road. Chairman, P.G.K. John Olsta, is deviating from the usual type of prizes and is offering numerous prizes of ladies lingerie, linens and men's haberdashery.

Numerous door prizes will be distributed during the course of the evening. This is a great opportunity to treat your family to an evening of fun. Be sure to ask your friends along. Games will start at 8 P.M.

Tonti Council's newly organized Blood Donors group went into action last week. By a strange coincidence the type of blood needed was of the same type as P.G.K. John Olsta's. John now has the distinction of being the first man of our council to be typed, and also the first donor to be called upon for his services.

At our last meeting we had the pleasure of having Rev. L. Jasinski present. Father Jasinski gave a very beautiful and inspiring talk, with a true Lenten spirit.

BOWLING

Last week there was quite a bit of rivalry between Charles and Ray Ruzkowski, to see who could get the lowest series. After a hard struggle the honor was won by Charles who bowled a 293 series, while Ray finished with a strong 349 series. The high game of the evening was bowled by Jankowski who rolled a 225 and a 215 game. Other high games were W. Ginsley 224, L. Sliwinski 222, J. Jarotkiewicz 222, R. Brusko 211 and 200, F. Miller 205, E. Deka 203 and E. Ciessau 200. The team standings to date are:

	W	L
Wiedemann Ins.	53	31
Spencer Coals	48	36
Lambrecht Jewelers	44	40
Roy's Tap Room	43	41
Mayfair Liquors	42	42
Bob's Trailer Service	39	45
Doc Groskie	34	50

DE LA SALLE TO WAIVE DUES OF SERVICE MEN

1-3 Tues. . . . . 1105 E. 47th St.

With speed and zeal this council unanimously adopted a resolution to waive present dues (not insurance assessments) of its members who volunteer or are selected for military training. This does not cancel prior indebtedness but eliminates dues of these men for the duration of the emergency. Through this small concession the council hopes to eliminate any unnecessay financial burden on its valiant brothers.

We encourage our young men to answer America's call to defense and feel proud of them for so doing. We will appreciate being advised of any and all members entering selective service, so that we may have a correct list and their addresses. Please co-operate with us and advise the financial secretary immediately of your location.

STATE CONVENTION

The annual Knights of Columbus state convention will take place in Aurora, Ill., May 5 and 6 and credential cards for grand knight, delegate and alternates have gone out. As the grand knight is unable to attend, he requests Alternate P. G. K. Alex MacDonald to take the honor. P. G. K. James Crowe is delegate and P. G. K. T. Howard Brennan is alternate. Each is asked to notify the other of his probable attendance, so that reservations can be made for accommodations.

Oh, no, we don't urge your presence at mass on Passion Sunday, because this we know you will do. But this day is also the 11th annual C. Y. O. basketball classic and at 2 p. m. Sunday, Mar. 30, these finals will be held at the 132nd Regiment Armory, Rockwell and Madison streets.

These championship games give the spectators a thrilling exhibition of basketball and enables the organization to meet its deficit in conducting 40 gymnasia, where 5,000 youths indulge in wholesome, competitive recreation. The C. Y. O. is aiding in national defense by constantly instilling in the mind of youth an appreciation for America and the American way of life by giving the youth a well-rounded recreational, educational and spiritual program.

Students' admission is 25 cents and adult admission is 40 cents. Reserved seats may be had for 75 cents. Bishop Sheil has made a personal direct plea to all K. of C. men to support this event.

HALL USE

Members of our council will not be restricted in the use of our council hall to 1st and 3rd Tuesdays only. Starting with Apr. 1 (no April fool prank), members in good standing may use the hall for a game of cards, ping pong, piano playing and frequent fraternal get-togethers most any day. Some of the boys will henceforth get together on Sunday afternoons for a bit of fun or for a game of cards. The council may also rent the hall to responsible persons or organizations at the discretion of the trustees and G. K.

APR. 1 MEETING

A special announcement will be made by the Grand Knight; a report is expected on "After Easter Party"; a visit with words of comment by our chaplain, Father Tom Riordan, and the presence of District Deputy Edmond Molyneux will highlight next meeting.

By the way, this will be our first regular meeting of spring and the last one during Lent. The council will receive communion in a body the early part of May. Softball players are again urged to enroll now for De La Salle softball season of 1941.

THANKS, HENRY

At the last meeting, Bro. Henry Miller presented the council with an elegant plate glass sign with the words "De La Salle Council K. of C." in gold leaf letters printed upon it. This sign will be placed in the window of our office facing Greenwood avenue. Bro. Henry, with the compliments of the Swift Ice Cream Co., has been most solicitous as to our needs and on different occasions has come graciously to the fore. The assembled council gave Hank a rising vote of thanks.

Pinta's Annual Irish Party Last Week Is Voted a Real Success

1-3 Thur. . . . . St. Mary's Church

Again the pages of Pinta Council's history have been opened to record another successful Irish night, given under the guiding hand of Bro. Dan Perry. Bro. Perry has proven himself a true Irishman, by giving this yearly event. The program was so good, it will be easily remembered for months to come. (Also the headaches, the morning after.) The size of the crowd was disappointing, but man alive, those present really were entertained.

You know, those brothers who have thrust swords at ye scribe for not writing consistently in this paper, should realize that news makes a column. I must therefore wait until I gather enough items to interest you. How's about taking a hint, and calling Dor. 6987 to relay your news? (Come on, boys, give the lad a hand!—Ed.)

COMMUNION SUNDAY

Once again we approach the time of the year when we can show a brotherly spirit by attending Holy Communion in a body. Once again let us fill St. Mary's Church, located at 137th and Leyden Ave., on Sunday, March 30, at 8:30 a. m. We can show everyone that Pinta's members are loyal. Tell those fellow knights, whom we haven't seen in so long, to join us and help make the biggest representation yet.

NOTATIONS

Bro. Pete Apyt missed being $2.00 richer by not being at the meeting. The present Bro. Bill Reich received will save his trousers a lot of wear and tear when he strikes a match. To those who didn't hear of his birthday present, I'll tell you it was sandpaper, and boy he needs it! Bro. Stanley Prymas has a sun tan that will make all members green with envy. That's from his Florida trip.

MEETINGS

Call all fools, calling all fools! I mean just for the April 3 meeting. Prizes are to be awarded for the best fools and those who can be made fools of. Also remember the Polish night celebration, under the direction of Bro. Anthony Stepenski. It promises to be very fine.

Doctor Gallega is well on the road to recovery, so haul out your visiting cars and file to the hospital. Bro. Ed. Schutte is back in the hospital, due to a relapse. So let's all pray for his speedy recovery. Well, I think this sums up our column, and I hope that all of you read it right down to here.

Feehan Adds Four New Third Degree Members to Roster

2-4 Tues. . . . . Hamlin & Madison

Feehan Council spreads the welcome mat to four members who took their Third Degree with last Sunday's class at the St. Philip Gym. A goodly number of members were on hand to witness the exemplification which was a great success. Our congratulations are extended to Bros. Edward Lopina, Edwin Imhof, Dr. Stanley Kucharski and James McMahon. Let's see you at the meetings now, fellows.

AUDIT

At a recent meeting of the Trustees at the home of Financial Sec'y Howard Edler, an audit of the council's books was conducted. When Trustee Harold Crotty arrived home from said audit at 5:15 a. m. Mrs. C. was constrained to remark that "those books of Mr. Edler's must be in an awful mess if it took all this time to straighten them out." Seems someone got out a deck of cards after the audit had been completed.

LOST AND FOUND

G. K. Jim Collins rode to the bowling alleys with Bro. Ed Morrissey last Thursday night. After the regularly scheduled games Jim and Ed hooked up with several others in some match games. Eventually, Jimmy decided he'd had enough. He was tired, he wanted to go home. Bro. Morrissey wanted to bowl a few more, however, so our hero decided to use the surface lines, as they say in the ads. Suiting the action to the decision, he boarded a Cicero Avenue car and promptly proceeded to fall asleep. He woke up three miles from Niles Center and arrived home, well rested, at 3:15 a. m. Whereupon he detailed his weird experience to Mrs. "G.K." Said Mrs. "G.K.," quote, "A likely story," end quote.

Who was that rug cutter who led the snake dance at that St. Pat's affair in the sedate Oak Park Arms? None other than old hep cat Joe Gill. A sight to make the villagers pop their eyes.

BOWLING

With a clean sweep of its series with Malee's Fighting Irish, Illinois Laundry bounced back into undisputed possession of first place with 23 wins and 10 losses. Harmon Electrics follow with 22-11. Baer Bros. & Prodie and J. J. Collins and Sons have 19-14, Malee's Fighting Irish 18-15. N. Prieb Cleaners and Lemon King Senators have 17-16. Crotty Boosters have 15-18. Judge Hackett's Pioneers and Pat Quinn's Inn, 14-19. Edw. F. Moore Boosters, 12-21, and Ed Kaindl Boosters, 8-25.

Pat Riley still heads the individual list with a 181 average. Frank McQuillan is second, 178, Joe Collins third, 177, Jim Collins fourth, 176, and John Schoemer, fifth, 170. High series was taken over by Pat Riley, who rolled himself 246-635. Jim Collins 619. Bill Barrett 614.

Honor Rollers: Ed Riley 246; Frank McQuillan 237; Vito Yario 224; Dinny Malone 220; Ed Condon 214; Joe Collins 212; Sen. McSteen 208; Turk Fogarty 205; Jim Collins 200 and Frank Wheeler 200. The council league bowls Sunday, March 30, at Windy City Alleys, 11:00 a. m. Rooters cordially invited—hooters too. Next week: Indianapolis!

SICK LIST

We are sorry to learn of the serious illness of Bro. John E. Murray, an honorary member of the Order.

News also arrives of an accident involving the father of Bros. Frank and Ed McQuillan. Frank informs us that no serious injury was incurred by his dad, however, and that he is expected to be back to normal, shortly.

CONGRATULATIONS—To Bros. Jack Coakley, Francis J. Lamby, Paul Noonan and Frank Marino, who celebrate their birthdays this week.

SABOTAGE?

The following lines are inserted here by "special request."

It has always been our understanding that this column was dedicated to the proposition that Truth must triumph—even though it hurts. The fact that it hurts the Scribe should hardly make any difference. And so we relate the story (as far as it is known) of Dr. Joseph Brophy's nightmare.

Dr. Brophy, you know, is Feehan Council's Scribe. This is not his principal occupation, however, for less than half his income is derived from blackmailing brother members. When not tracking down clues about Feehan members, Bro. Brophy leads the perfectly respectable life of a practicing dentist at 5679 W. Madison Street, where he is doing quite well, thank you.

Let us examine for a moment the simple yet somewhat mysterious facts of the case: Time—3 a. m. Place—the Brophy bedroom. Details—one window kicked for a goal. Result—one badly stubbed toe. Explanation—nightmare. We follow all right until we get to the explanation, which seems a bit thin—inadequate is perhaps the word we want.

Look at it this way. Anyone is liable to get out of bed at three in the morning and kick a hole in the bedroom window. Granted. But not without a reason, and that's what has us baffled. Nightmare? What kind of a nightmare? Was Hitler chasing us or did we drop our taffy-apple in the mud? Maybe Bro. Brophy will give the answer next week.

One of Feehan's members who has been having a little "temporary" difficulty with his bowling will be glad to read the above. He will be pleased, too, to hear that the apple which Bro. Brophy purchased as a bowling ball has proved about as effective as Bob Wingfield's Easter Egg.

Ravenswood Is Pleased as Entertainer 'Pulls Wool Over Their Eyes'

1-3 Wed. . . . . 1521 Wilson Ave.

Last Wednesday evening's entertainment, previously billed as an "Irish Party," may have missed as far as the Irish motiff was concerned, but for entertainment—wow! Vincent Gottschalk, whom we all could call brother, for he is a long time member of Carroll Council, served not only as M. C., but as the main unit of the show. His two supporting entertainers, overlooking spur-of-the-moment stooges, were Miss Mildred Davis and Miss Blanche Bradley. Miss Davis recently completed an engagement in the Empire Room of the Palmer House. Miss Bradley of "Blanche Bradley and the Singing Marines" is now appearing at the Chicago Theater.

Gottschalk's feats of entertainment covered practically anything you might mention from funny stories to an impressive bit of serious free verse. Perhaps the most hilarious part of his entertainment was the way in which he bamboozled the fellows he picked on for stooges. Ye Scribe was the first of the many stooges and was subjected to a bit of bewilderment that was not unexpected but which he found himself powerless to prevent. How would you like to find the dollar bill you had just sealed up in an envelope turn to cigarette tobacco and then learn that this same bill was nestling in one of your boss' "fags"? And on top of all that, have a guy insist upon your dragging out the tattered handkerchief your wife had cautioned you to leave with the old clothes?

Perhaps the only consolation for a poor, mistreated stooge that night was the knowledge that undoubtedly one of his fellow men would be picked upon next. Your reporter's wounds were soon salved by the sight of Dave Heelon and Bill Barr upon the carpet. Can you imagine Bill Barr letting someone put something over on him with a deck of cards? Well, that's just what happened. Bro. Gottschalk took cards that Bill had so snugly sealed in an envelope before placing in an inside pocket, right away from him and gave them to Dave Heelon, and what's more, without Dave's consent!

Gottschalk's final bit of bewildering entertainment was a feat of lightning memorizing. Even all the mental giants in our ranks couldn't stump him. His mental magic would have to be witnessed to be appreciated. Without being there you can have no idea how anyone could catalog Ravenwood's Knights' funny sayings and then return them in the order in which they were given.

Miss Davis and Miss Bradley treated us to some very fine musical features. Miss Davis, who has been a featured pianist in many of the better supper clubs, played two piano solos besides accompanying Miss Bradley's vocal renditions. She also provided background music for some of Gottschalk's acts, principally his eulogy of Joyce Kilmer and The Fighting 69th.

Justice cannot be done without mentioning that Vincent Gottschalk recently completed a long engagement at the Waldorf Astoria in New York. Many of our guests from Our Lady of Lourdes Holy Name Society and a number of our own members have seen him perform in theaters and night clubs here in the city. I can tell you without fear of contradiction that those of our members who missed this entertainment doubtlessly will not have the opportunity again, for quite some time, of seeing such a high class bit of entertainment that its only cost was to drag oneself away from the fireside.

I don't believe GK Morgan and Lecturer Collins realized they had booked such outstanding individuals. Of course, they will make attempts in the future to duplicate this last party of Ravenswood's, but they may not have the rare fortune of last Wednesday. Whether they do or not makes no difference to the majority of Ravenswooders; we'll be there to see for ourselves. One of the many things that can be said for Charlie and Art is that each party they give is better than the previous one.

All we'll say about the business meeting is that it was announced there will be another party in April.

BOYS' BRIGADE NUMBER 43,000

New York. — According to national headquarters, the membership of the Catholic Boys' Brigade is now 43,000, an increase of 3,000 in the past year.

DOWLING URGES FULL AID TO MEMBER DRIVE

2-4 Tues. . . . . 3625 So. Hoyne Ave.

Our Council under the leadership of D.G.K. John Deschner as chairman of membership, is in its final drive for new members, and is exerting every effort to reach its quota. Bro. Deschner would appreciate whatever help you can give toward the success of this campaign.

As you look around you at the office, shop or neighborhood you can see many young Catholic gentlemen that are eligible for membership in our order and your chairman suggests that you contact some of these prospects and point out to them the many advantages of knighthood.

HOLY NAME SOCIETY

The Holy Name Society under the direction of His Eminence, Archbishop Samuel A. Stritch and Bishop Shiel, are making a drive for new members. An organization committee divided in districts is set up, with members soliciting in their respective parishes. The goal they endeavor to reach is 200,000 new members by Easter Sunday.

This is a part of our Catholic Action program and our council is cooperating. Your support with the Holy Name Society of your parish is solicited.

PATRIOTIC CLUB MEETING

Last Tuesday evening the Patriotic Club of the 4th degree held their first meeting under the guidance of their new president, John Deschner. The meeting was held at the Stock Yards Inn and was very interesting.

Many of our new members were present and seemed to enjoy themselves. Our secretary, George Spencer, advises me that the next meeting will be refreshment night and he hopes we have a large attendance.

CUFF NOTES

Next month's entertainment chairman will be our popular trustee, Charlie Gagnon. We can look for a fine setup at his meetings.

Tuesday, April 22nd, will be known as Retreat night and will be an open meeting. Tom Gallagher wants you to invite your friends to be our guests on that night. Our Lecturer, Dr. Laibe, and Chairman Gagnon are planning an evening of fine entertainment.

Our Retreat Date is Friday, April 25th. If you have not declared your intention to go, contact Tom at once.

I understand Mart Kenny Jr. is at home and recuperating nicely—also that Bro. Fralley, our inside guard, is on the way to recovery. We hope to see these brothers shortly at a meeting.

CONDOLENCES

We of the Dowling Council were very sorry to hear of the death of P. G. K. W. Hanrahan of Leo XIII Council. Bill was very close to many of our members.

In the loss of Bro. Hanrahan Leo Council and the order in general lost a great knight and a real friend. We extend our sincere sympathy to his family and our regrets to Leo Council. May his soul rest in peace.

PIN TUMBLERS

Only three more weeks of bowling and the boys are starting to mow down the pins. Our G-man Jim Riley was hotter than a forest fire last week shooting a 231-223 and 174, making a 626 series—not so bad, Jim.

The Dunnes continued to be the weeping willows when they won a game last week by a measly one pin. In the tenth frame they put on a real professional crying act by insisting that their captain should bowl at least 223 so they could win, and good old Mortician Holly Dunlap delivered. They won two from the Dr. Michels, thanks to Ruth Blythe for his big 433 series.

If you would listen to Walter Lorden bowl and you were blind-folded you would think he was downing a team of horses with a plow hooked on, because all yo can hear him shout when he bowls i "Git ap or Whoa! Got over or hold it! (And several other words not fit fo print.)

We had the pleasure of having Mr Pearl Dieterick with us last week; sh came up to watch her big he-man hus band bowl—a 503 series, I am sure sh could do that well or better!

Last week's results were—Hartnett won 2 from Beams; Dunnes won 2 fro Dr. Michels; Dalages won 2 from D Laibes; Gormley's won 2 from Zintaks.

500 Class Bowlers: Dunlap 559; Hartne 524; Coogan 513; Christin 512; Dieteric 503; Novak 502; Spencer 502.

600 Class—Jim Riley 626; H. Lorden 60

200 Class—Riley 231-223; Dunlap 22 Marks 208; H. Lorden 206-202.

The executive committee is planning a dinner dance to wind up the seas and give out the prizes. I will give yo more news on this later.

NERI PLANS ON LARGE GROUP AT DEGREE SUN.

1-3 Tues. . . . . 7515 Yates Ave.

Next Sunday afternoon, starting promptly at 2:30, the Major degree of the Order will be exemplified to a large class of candidates at the Father Perez Clubhouse, 67th and May. St. Philip Neri Council will have representation in the class since a number of candidates were inducted into the first two degrees last evening at Santa Maria Council. G. K. William O'Neill urges all members who can possibly do so to attend this degree on Sunday. There is much work involved in properly executing the Third Degree and your support will contribute much towards the afternoon's success. Refreshments after the degree.

CATHOLIC ACTION

The theme of the meeting next Tuesday night is Catholic Action and no less a personage than Chaplain Father P. A. Bird is in charge of the program. The subject of this meeting is one close to all Knights of Columbus and with Father Bird the principal of the evening you are assured a meeting well worth your effort in attending.

SUCCESS STORIES

The dancing party held at the Caravel Club on March 15 and the Irish Night program of March 18 were both outstanding successes. It was a gay crowd that turned out for the dance and everyone seemed to enjoy the occasion to the utmost. The house was a sellout (75 couples) but Chairman Jim O'Connor and his crew of workmen ran the place with spectacular efficiency.

The Irish Night show, chairmaned by Pat Woods, was one of the finest ever put on in the Caravel Club. The program was headed by the distinguished chaplain of the Chicago Fire Department, Father William J. Gorman, and his address was of great interest to the extra large turnout of Knights and their ladies. Supplementing the main address was a variety program including the Arlington Club troupe, John R. McGuire, Irish wit and humorist, and Mary O'Gallagher, reader of Irish folk stories.

ENGAGED

Michael Joseph Chapis will middlesle it before very long with Miss Lillian Fiske. Both are in St. Barnabas' parish. Guess that's the reason Michael hasn't been around to a meeting in a couple of moons. Incidentally, Mike climbed a notch nearer the top at the U. S. Young Steel Co. recently with another fine promotion.

Herman Sumner, Jr., also has marriage plans and it won't be very long now. He and Miss Ellen Garvin Maxwell of Vernon Avenue plan to be married on April 19. Herman is employed by an aircraft company at San Diego and he and his wife will reside there after their marriage. Congratulations.

AILING

Tom Maguire is said to be laid up with some kind of ailment that manages to make life a little miserable. Both Mr. and Mrs. Charles Girsch are confined to Mercy Hospital, where both are undergoing observations. They will be there two weeks. Hope you all have sick recoveries.

R. I. P.

We are sorry to report the passing of Mrs. Kidder, sister of Bro. Leo Walsh. Mrs. Kidder died rather suddenly last Wednesday morning. A large delegation of members visited the wake and among the active pallbearers were Harry Bitters, John Kenna and Charley Girsch. Funeral services were held at St. Philip Neri Church.

Blue Island to Begin Palm Sunday Rites by Receiving Communion

1-3 Tues. . . Gregory and New Sts.

April 6, Palm Sunday, is the big day of the year for Blue Island Council. Once again this will be an all-day affair, starting with communion at the 7:30 mass.

Immediately after mass, Bro. Joe Hiland and his very able crew will serve breakfast to all members and candidates of Blue Island Council. Brothers, as you know this is free, the council stands all expenses, so plan to be with us on this morning. The date is the time of the year when all the members get together. After breakfast the First and Second Degrees will be put on and will be followed in the afternoon by the Third Degree. Will you be there? We know you will. Remember, just two more weeks to go.

YEAR-IN-ADVANCE CLUB

Rapid strides were made this week as six new entries brought the Year-in-Advance membership to 62. Insurance Members Steve Chistock, Francis Slaynick of Worth, Joseph Labedz and J. Marszalek and associates Andy Thatcher and Al Coffey, Sr., are the newcomers.

Received a very inspiring letter from venerable Bro. Jerome, O. F. M., better known to us as Bro. Edward Duffy. Bro. Duffy assumed his new title and robes last week.

A cheerful letter from Bro. Homer Coutu extends greetings to everyone.

A card from Private Joe Hahn places him with the Medical Detail of the 108th Combat Engineers at Tullahoma, Tenn. Incidentally, Ed Vail is with the 3rd Cavalry at Ft. Myer, Va., and John Grandchamp with the 30th Infantry at the Presidio in San Francisco.

During the week we heard from Dick Harpst, Frank Pacanowski, Mike Mikos, Jim Conlan, P. G. K. Rudy Racine, Roy St. Aubin of Chicago and George Kirsch.

We extend a warm welcome to the following who became Second Degree members of the council last Thursday evening: Rev. Fathers Pensabene and Orlandi of St. Donatus Church, George Kadar, Emil and Joe Sitarz, Wilfred Stump, Louis Mascola, John Wail and Raymond Gabay.

The above brothers were initiated at Summit. P. G. K. Walter Gaboriult acted as G. K. and G. K. Dan Boyd filled the chancellor post for the degree. Also present were D. D. Ed Martens, Bros. Joe Gabay and Al Larotonda.

Blue Island Council will present each member who is called by Uncle Sam with a religious article. Those already eligible are Joe Hahn, Johnny Grandchamp and Bernie McCanna. Good luck to you, boys.

Our good friends Dick Walsh and John Meehan are still on the sick list. We wish them both a speedy recovery.

Due to a very grave error your scribe failed to report the death of the mother of Joe Arnold who passed away three weeks ago. We offer the Arnold family our deepest sympathy and ask forgiveness for this oversight.

The bowlers of Blue Island Council are to be the guests of Bros. Jimmy Ryan tonight (Friday, Mar. 28). Jim is treating the boys to turtle steaks.

The bowlers also wish to thank the following for their donations towards the trip to Indianapolis. Joe Phillips, Geo. Landgraf, Mayor John Hart, Judge Seyfarth, Bill Einhorn, Ed Kordewick, Chaykens, Jack Cameron and Clarence Wiessners.

At this time I wish to thank the members of Blue Island Council, in behalf of my family and myself, for the kindness and sympathy offered us during the troubled hours through which we have just passed.

La Rabida Fourths to Dine at Hofmann's Next Thursday Eve.

2-4 Tues. . . . . 6236 Princeton Ave.

On Thursday evening, April 3, La Rabida Fourths will hold their regular monthly meeting at Hofmann's Grill, 821 W. 69th St. The meeting will be preceded by a steak dinner, which will be served promptly at 7 o'clock. Bro. Basil Giaretta, president of the club, requests all Fourth Degree members of the council to make an earnest endeavor to be present. I might add that if you desire to partake of a splendid steak repast, you will not need much encouragement to be on hand.

DINNER DANCE

La Rabida's annual dinner dance will be held on Saturday evening, April 26, at the Southmoor Hotel, 69th St. and Stony Island Ave. Bro. Harry Dion, chairman of the reservation committee, reports considerable activity in his department and predicts a capacity crowd on this occasion. We should all try to make arrangements to be present as soon as possible, so that we may make Bro. Dion's task as light as possible. P. G. K. Daniel F. Curley is general chairman of the affair.

HERE AND THERE

Bro. Andrew Bulger, our worthy financial secretary, is in St. Benedict's Hospital undergoing a physical checkup. We hope that Bro. Bulger will be back on the job soon. Mrs. Martha Hoffman, wife of Bro. Paul Hoffman, gave birth to a baby boy at Lying In Hospital on March 8, and is reported doing nicely. The baby is developing a strong pair of lungs.

Bro. William Lyman, who is active in La Rabida's bowling activities, has taken up the new art of teaching the young ladies better technique in bowling. The Professor, as he is now known, will be available for instruction in the art of "rolling 'em" every Monday evening at the Legion Alleys, 76th and Cottage Grove, alley number 15.

BOWLING

The bowling results of March 24 are as follows: Rock Island Rockets took 2 out of 3 games from the Evans Pullets, while the Wahling Wales were taking 2 out of 3 games from the La Rabidians. Dion Quints took 3 games from the Sunnyside Inn. Standings are:

	Won	Lost
Evans Pullets	54	27
La Rabidians	49	32
Dion Quints	40	41
Wahling Wales	36	45
Rock Island Rockets	34	47
Sunnyside Inn	30	51

FR. O'CONNOR MOURNS DEATH OF F. J. CRONIN

1-3 Thurs. . . . 4660 N. Kedzie Ave.

It's times like this that we find it impossible to say anything. The untimely death of Brother Frank Cronin last Friday night has left us stunned. As one who was always closely associated with Frank in a majority of the Council activities, I just can't begin to express by grief. Frank, who was always a mainstay in all Knights of Columbus Athletic events, was called to his eternal reward on his 33rd birthday.

To quote Father Farrell, who spoke at Frank's funeral Mass, "Our Lord too, spent 33 years on earth. All who knew Frank, knew that he patterned his life after the eternal Father." Therefore, we do find consolation in knowing that our departed Brother has reached the goal for which we are all striving, that of eternal happiness. May his soul rest in peace.

TUESDAY KNIGHTERS

Father O'Connor's Tuesday Knighters will depart for Indianapolis and the K. of C. National Bowling Tourney this Saturday morning, March 29. All those making the trip are cautioned to note that the departing time from the Illinois Central Station has been changed from 8:30 a. m. to 9:30 a. m. Remember that you will leave one hour later than originally planned.

The leaders in our own league, the mighty Widtmann Meats, were forced into a tie for first place last week when they encountered an inspired Cristo Printer aggregation. Led by their sponsor, Ed Droske, who turned in a brilliant 597 series, the Cristos dropped the leaders three times to go into a tie with them for the top spot. The second place Shamrocks, who had been staging a tough uphill struggle for the league leadership, fell apart in spite of the excellent kegling on the part of their sponsor, Father Rausch.

The Irish lost three to Joe Nolan's Insurance men. The O. K. Exterminators took a pair from the Furman Funerals to go into a second place tie with the Shamrocks. The King Coals were high in two of their games with Navins Inn while Earl Gannons boys were losing two games to Alderman Ross' Boosters. League Secretary, Phil "Dirty" Doyle, gives quite a vivid description of the three games his team took from the Widtmann Meats. In fact it's so vivid that we're going to pass it on to you right here.

"In the bloody battle for first place, the spectacular Ed Droske pounded his way for his Cristo Printer team, through all opposition and almost single handedly beat the Joe O'Brien "Wilting Widtmann Meats" three games, to go into a tie with them for first place. Droske is trying to win a $1.00 bet that he will at least finish in second place in the individual standings. Oh, well, I've lost bets before."

The foregoing paragraph of Cristo Printers, Droske and adjectives is affectionately signed, "Phil."

KNIGHT LIFE

Two distinguished visitors at the last regular Council meeting were Fathers Gorman and Stokes. Father Gorman, looking more like Errol Flynn then an army chaplain, left last Sunday morning for Camp Forrest where he will undergo a year of selective training with the National Guard. Father Gorman was presented with a farewell gift by the Council. Father Stokes favored those present with a few words and expressed his sincere gratitude to the Council for the donation of the Fr. O'Connor Memorial Altar to the Blessed Virgin Chapel of Our Lady of Mercy Church. Best crack of the evening was Father Stokes' assertion that Father Gorman looked "simply gorgeous" in his new uniform . . . Maurey O'Brien has been on the sick list for the past week . . . Our apologies to Curly Button. We didn't know that they would show cue-ball last week's edition of this paper at a party.

We've been wondering what Standard Oil would do without "Wild Bill." The guy opens and closes the place . . . Word has reached us that Mrs. Jack Kennedy uses crooked dice in the neighborhood bunco games . . . Tom Gaughan is coming back into the Council. Good news for Bill Sullivan, no doubt. With all of us good ball players leaving for army service, Bill will have to be contended with the older men this year.

Dick Navin has the broken ankle out of the cast and will make the trip to Indianapolis . . . Silver Dollar Zaleski promises to be a good boy on this trip, we doubt it very much.

We understand that Ed. Wilson and Ed O'Connor have been taking good care of Mommie and Momie's Mommie. . . . We've been notified that a good friend of all Fr. O'Connor members is still confined to his home by illness. We refer to Eddie Eggert. Keep the old Chin up Eddie, we're all hoping that you'll be with us again real soon. . . . This week's mystery is, who stuffed newspaper in whose bedroom slippers?

Jack Hausmann, to date the council's newest member, is doing a swell job for Navins Inn in our bowling league . . . We're wondering if John Metzen's job as financial secretary will be in danger after this year's trip to Indianapolis? If we remember correctly, it was last year. Harry Browne is still tops in our estimation when it comes to making a piano talk. Harry gets so worked up during one of his sessions at the ivories that he feels it all the next day.

St. Cyr Puts Members in the Limelight for Interesting Column

1-3 Mon. . . . . 1609 N. Halsted St.

Straws in the Wind: . . . Sam Nicosia and Letitia, his spouse, awaiting shortly the most blessed of all blessed events. . . . Cigars or candy, which shall it be? . . . Sam says cigars, because it's going to be a boy. . . . Tony Madonia will soon bring into the council his 18-year-old offspring. . . . Like father, like son. . . . Mike Abbinanti's youngster should now be blooming into a grand young lady. . . . Should be at least two months' old. . . . Patsy's Gutilla's restaurant is doing a good business so I hear.

Anthony Cancilla and Joe Arcuri are brothers-in-law. . . . They get along great, and never rib each other? . . . No, not much at all. . . . Who's got the edge? . . . You've got me. . . . Danny Destefano is seen every so often at the Arena bowling alley. . . . It appears, that he enjoys the ladies' company quite a bit. . . . Scoop. . . . Attention, Tony DiMasi. . . . Who is that young, good looking lady I saw you with a week or so ago, down at the Merchandise Mart? . . . Tony was seen scooting down the aisle with a very attractive girl and he wasn't annoyed a bit; in fact, he had a big beaming smile on his face. . . . Joe LaRocco should be with us any day now. . . . He's one of those tough and tumble fellows, who never allows an illness to get him down for very long. . . . Joe now has an operation to show you. . . . A certain young bachelor, of late changing in his attitude toward the fair sex. . . . Trying to marry off all of his colleagues. . . . Wonder if he feels that if some of the others first took the leap, he'd have the first laugh on them. . . . But I'm not speaking of Tony Romano. . . . Tony is going in for some heavy courting these days. . . . So he says, and so we observe. . . . Her name is Bessie, and a truly fine girl.

Joe Zeno is back with us after an illness that laid him up for two weeks. . . . Seems all right now. . . . What are you doing in the way of membership? . . . You know of course that our big First and Second Degrees will be held on Monday, April 21, and that we are going to have a big class at that time. . . . Get that member, Brothers. . . . Sam Giovanni, one of the newer members, started out as a regular attendant at our meetings, but of late haven't seen him. . . . Drop in Sam. . . . Do you want to see one of the swiftest bowling balls possessed by any man? . . . You'll have to watch Vic Priola's cannonball roll down the alley. . . . Carl Latino always wears a smile. . . . I'm sure you noticed that. . . . In the dollars and cents it's the cheapest thing he wears, but in value and friendliness it is by far the most expensive.

How's that Hudson Avenue genius, Joe Ferina, doing these days? . . . Boys, he's a wow with the girls. . . . Invited to all of their parties, asked to all of their affairs, Joe is a regular Gigolo. . . . Frank Latino, if you didn't know, is also courting. . . . He's going, going . . . going fast.

BOWLING FINALS

At Columbian press time, the final session in the bowling league has not been played off. At this reading the championship has been determined. In fact, it is history. I'm wondering, at the present, who are the champs. If you haven't as yet found out, put Cheer Up, Maniscalco's and Strano's in a hat, and you've got one out of three chances that you are correct.

Full statistics, on the bowling tournament for the entire season, in next week's report. Until then, hold tight.

DE SOTO PREPARES FOR GREAT BARBECUE DRIVE

2-4 Fri. . . . . Clark & Belmont

On next Monday evening, March 31, at the Sherman Hotel, formal introduction will be extended to the Fourth Annual Knights of Columbus Barbecue at the inaugural banquet and "kick-off" ceremonies which will be presented. Then will swing into action, the energies and efforts of the entire Knights of Columbus membership of our jurisdiction in this grand and noble undertaking to aid and assist in alleviating and lessening the distressing and unfortunate plight of the underprivileged youth of Chicago.

Leading and directing the campaign for De Soto will be that peppery and tireless worker, Brother Clarence "Candy" Strehlow whose past efforts on behalf of De Soto Council are summed up in successful accomplishments. We relax with confident assurance that Candy's efforts on behalf of De Soto's Barbecue Drive will terminate in unparalled success.

Aiding and assisting Brother Strehlow in the organization and promotion of this undertaking are the following brothers who compose the Barbecue Committee, and as we scan over the names we note that it contains some of the most active, vigorous and enthusiastic workers in our Council: Clem Schorn, George Weisbecker, Sylvester Popke, Henry Stricker, Rudy Hillenbrand, Art Cummings, Steve Summers, Al Koloseike, Joseph Stephens, James Hausmann, Joseph and Andy Amann, Herb Printen, Al Konitzer, Ray Horn, John Rosch, Jr., George Schuster, Joe Mathias, Walter Piper, Jack Thomas, Jr., Harry Stockwell, Jr., Lou Lechler, George Kaberlein, E. P. Connell, Jr., Don Cloth, and Frank W. Mueller, with former Chairmen Irwin Schultz, and Chas. McCarter and Recorder Frank Frieden collaborating.

The first blast of action by the Chairman and his Committee will occur on next Tuesday evening, April 1, at the Lakeview Bowling Alleys when the distribution of the Barbecue books will commence. In addition to providing each and every bowler with his book, the Committee will also be prepared to deliver the tickets to any member so disposed to drop up at the alleys about 7:30 p. m. on the evening stated. However, a plan of distribution has been devised which will enable every member to receive his Barbecue Book with the greatest dispatch so that no disadvantage will exist in rendering possible an early disposition of the tickets.

Without burdening you unjustly concerning an endeavor which has always received the wholehearted support of De Soto's membership, permit me to again solicit and urge your every assistance and cooperation not only on behalf of Candy Strehlow and his Committee, not only for your Council, but for the countless thousands of unfortunate and destitute children whose doleful existence will be made somewhat brighter and happier by your efforts in this worthy cause. Brothers, give it everything you've got.

TO-NIGHT'S MEETING

A splendid program awaits all who attend tonight's meeting which is set apart for De Soto's Blood Donor Group. In addition to the many attractive features that have already been publicized in this column, a group picture will be photographed of all members of the unit for the purpose of publishing same in The Columbian. It might be possible, of course, should all members of the unit attend, that the picture will be much too large for Columbian purposes; nevertheless, it is imperative that all members who have heretofore been typed attend this meeting.

COMING EVENTS

Because of the fact that our next regular meeting night, the second Friday in April, falls on Good Friday, the meeting ordinarily scheduled for that evening will be cancelled. Your Grand Knight, Gene Scanlan, deems this action both prudent and advisable because of the many more important responsibilities and duties engaging the attention of the membership on this important occasion.

We catch a fleeting glimpse of the program scheduled for the meeting of Friday, April 25, when your Lecturer, Joe Cella, will engage your attention with a gala celebration of our anniversary. A big jamboree is being arranged, the location for which has not yet been decided, which will include among other things, the ever tasty and palatable liquid refreshment commonly known as grog together with long lines of creamy and delectably spiced spaghetti and sunbrowned meat-balls. We shall advise you more fully at a later date concerning the details of this celebration.

Brother Ed. Mahoney got himself a load of thrills last week; first he ups with a swell 610 series at the Tuesday bowling session, his first 600 series, and then followed up Thursday by becoming the pop of a 7-pound baby girl which will be named Judith, also his first. Congratulations to Ed. and his wife, who we understand, is doing splendidly along with the baby.

O'Connell's Activities of Year Ago Reviewed During Scribe's 'Lull'

2-4 Tues. . . . . 1100 N. Franklin

This has been one of the barest weeks in the life of your humble scribe. As I sit here gently tearing the hair follicles from my cranium, my poor wife prays that the mail man will bring me an idea. But alas, seven days have passed, and not one. Oh, here's a copy of last week's Columbian, guess I'll look it over—hey—wait a minute, this is dated March, 1940. That's one year ago this month. Say, that gives me an idea. What were we doing last year at this time?

O'Connell's committee of Knights assist in reception in honor of Chicago's new archbishop, the Most Rev. Samuel A. Stritch, D.D.—District Deputy Marco DeSteffano thanks O'Connell for the reception he received at the meeting, and stated he was well pleased with our work. He also urged the members to get behind the officers and make 1940 the most successful in O'Connell's history.

Bro. Frances Murphy was present at this meeting and urged each member to bring in an application at the next meeting. Bro. Joseph Marino who transferred to O'Connell Council last meeting, brings in his first new application, and promises more to follow. Tickets were distributed at our meeting for our gala dance, card and bunco party. April 6, 1940, at the Germania club. Bro. Manley asks all to dispose of their tickets.

Bro. Henry Meier was made a lieutenant in the Chicago fire dept. Pedro Raciola, Sam Bongiovani and Joseph Perrone received their first and second degrees. Bro. Jos. C. Meier is off the milk diet and says it's good to eat chicken again. Bros. Stubing, McAuliff, Clifford, Meier, Sherwin and Nathan were in full regalia in the reception procession and were seen marching down Michigan Blvd.

And so a review of last year's Columbian may bring back to mind a few memories. Yes, a lot of them. Remember our big dance, April 6, the grand success we made it. Yes, and the barbecue and the picnic, and all the rest.

San Salvador Urges Renewed Efforts on Palm Sunday Degrees

2-4 Mon. . . . . 24 E. 114th Pl.

In preparing the notes for this week's issue we find first of all an announcement that the current membership campaign officially draws to a close on June 30th. However, between now and June 30th there is a very important date to remember, and that is Palm Sunday at Blue Island. On that special occasion the south end councils, San Salvador, Pinta, Garcia Mareno, etc., will join for the exemplification of the first, second and third degrees.

Up to now, San Salvador has exactly eleven candidates for the third degree, but it is still possible to get a few more rushed through just in case any of you should have an application or two up your sleeves. If so, see Fin. Secy. Burke at once, for time is very, very short. In any event, don't forget to join the crowd at Blue Island on Palm Sunday.

BLOOD DONORS

The true spirit of fraternalism was exhibited this week when Bros. John Stangarone and Frank Marcolini offered their blood for a transfusion for the father of Bro. Schulte of Pinta Council. Not having the proper type in their own list, Pinta Council called on San Salvador and immediately the two brothers mentioned were dispatched on their journey of mercy.

We take this opportunity of again appealing to any of you who have neglected to arrange for the necessary typing to get in touch with Bro. Tim Griffin, who will make the arrangements.

RETREAT

San Salvador's annual retreat at Mayslake is scheduled for May 11th. For those of you who have made a retreat, we know you need no urging. An invitation is extended to all to join this class on May 11th and experience a new and different kind of religious gathering. The retreat itself is an exhilarating and inspiring occasion, one which everyone who has attended will testify as being one of the finest they have ever experienced. Bro. Joseph De Masco is chairman of the retreat committee and will handle the necessary details.

We are glad to report that Father Taillon is making some improvement.

Be sure to mark Sunday, May 4th, on your calendar, for that is the date of the council's annual Communion at St. Anthony's Church.

Returns have already started coming in on the books for that fine new Buick which will be given away at our picnic in July. Drop around to the clubhouse and get your book now.

Ouilmette Squads Ready for Nat'l Bowling Tourney

Sunday, which should get us into Chicago no later than 10:15 p. m.

The railroad fare is $4.65 per person. The railroad station and hotels and bowling alleys are all within walking distance, so you boys do not have to finance any cabs for this trip. All members intending to go to the Roosevelt station with the buses chartered by the council must be at Bleser's Bowling Academy at Ridge and Schiller avenue in Wilmette at 8 a. m., as the bus will leave at 8:05 sharp.

All bowlers that registered with the secretary and have had their entry fee paid and entered with the national secretary are all set to knock down the pins and see if they can't bring home a national championship banner to hang alongside the banner won by Larry's Haberdashery in the state tournament. With fine bowling and plenty of prayers we may come through this time.

These boys have been doing right well by themselves and deserve a big hand and hel for their effort to keep Ouilmette Council in the limelight where it belongs. We have a good council and we hav good teams in the local league and th North Side Major League, where ever Monday night five of our brothe knights take it upon their shoulder to publicize Ouilmette Council, not b winning games alone, but also by the actions of sportsmanship, decency an behavior.

Nazareth Urges Full Speed Ahead in Drive for Barbecue Record

2-4 Tues. . . . . 17 W. Harris St. La Grange, Ill.

The biggest item before us right now is the Bishop Sheil Barbecue. This is the biggest and most important charitable work sponsored by our order in the Chicago territory, and it is a privilege indeed that we may assist in this great work.

During the course of each year many a youngster is made happy and many a load is lifted from the hearts of the unfortunate in our diocese due to the valiant efforts of the members of our organization in the promotion of this barbecue. This is the fourth annual event and it just seems that each year it gets bigger and bigger. This year every council is out to make its total sales greater than ever and in this our council is not going to be behind.

Here is your chance to demonstrate one of the cardinal principles of our order, charity. Regardless of what we might have done in previous years, let's make this the biggest ever. We have no figures available on previous sales but nevertheless we are going to set a high standard for this campaign. The goal is 100 books. Too high? We don't think so. It can be done. Many of our members are living out of town and it cannot be expected that they will sell these tickets. Some of them will, but not all. The bulk of the sales will have to be made in our own territory. We know of several members who can be counted to sell more than one book. They always have, and we are sure they will this year.

Now then, you, and you, and you, a book of these tickets will be given you shortly. Please in the name of charity sell it. Don't lay it to one side and forget it. Get busy immediately and contact all possible prospects and make your sales as quickly as possible. Remember many of you will make mo of your sales in Chicago. In this y will be in competition with ma members of Chicago councils, so sha a leg, hustle and etc. Get your bo into circulation immediately.

SECRET SERIVCE NEEDED

Well apparently nothing is happe ing around the council jurisdiction, least we do not hear any news. If an thing is happening it is being kept secret. We will have to unleash o secret service men again and get the snooping for news. This bunch is t stingiest gang we ever knew, real scotch when it comes to news. If don't get something pretty soon we w be forced to make another report that non-stop flight down the ba steps, even if it does get under t hide of a certain Downers Grove pe son.

Spoke to Walter Krawulski the oth night. Said he is getting along ve nicely after his recent trip to the ho pital. Here is a tip to the lecture Why not put on a quiz kids prograr If you want talent for it see D.G. Francis. Your scribe had to miss t last meeting. First one in a long tim

ST. PAT'S GREETS NEW THIRD DEGREE MEMBERS

1-3 Tues. . . . . Madison and Hamlin

Some three hundred Sir Knights attended the exemplification of the Third Degree sponsored by West Division No. 2, Sunday, March 23rd, at St. Philip's Gymnasium. Awed by swiftness and mysteriousness of the proceedings were some fifty candidates who could not "wait" until the ceremonies were concluded.

The members of our council who received the major degree, thus qualifying them as full-fledged Knights, were the following: George Damato, recently transferred to St. Patrick's Council, Herbert T. Helmanson, Salvatore Ambrosio, Ralph Napolitano, and Eugene Petramalo.

Brother Knights, we are mighty proud of you, for you have exemplified the spirit of Columbianism to the 'nth degree. Now that you have accomplished your own lesson, go out and seek new members. Solicit at least one new member among your many Catholic friends and present his application to Grand Knight Thos. Cregan. Then you watch him go through the routine, step by step, as you have done and see how much fun it really is to see the "other guy" from a spectator's viewpoint.

To the degree team who put on such a splendid performance, we say "Congratulations for a job well done." In attendance from St. Patrick's Council were D.G.K. W. O'Connell, Financial Secretary Geo. Altier, M. Fiorito, J. Bousk, W. Spero, Sal Giunta, Tony Palotta, "Sunshine" Nolan, John T. McAuliffe, Jr., C. Basile, and Geo. Latelle.

ABOUT THE MEMBERS

G.K. Thos. Cregan is recuperating at home from a recent cold spell, which caused the freezing of four of his toes. This occurred while Tom was working in Joliet, Ill., on the Government's Defense Program. Hope that you will be back with us soon, partner.

To say that we were glad to see Tony Palotta at our last meeting would be putting it mildly, since no less than three weeks ago this same "gent" was stricken by a heart ailment. That's the old spirit, pal. Have you heard of the fellow who almost had one of his fingers amputated by his own "baby" when he tried to ascertain if his yearling had teeth? Well, ask John Failla about this. Brother Walter Carbonel should be home resting by the time you peruse this column.

That old indomitable spirit keeps him in there "punching all the way." We'll be seeing you soon, Wally. George Reardon, minus his appendix, should return to work in a few days. Just can't keep a good man down, that's all. A keen sense of smell by members Patrick Kennedy and James Hoey resulted in the rescuing of a careless vagrant in one of Chicago's not-too-well "flop houses" recently. Their heroism is indeed a great credit to Chicago's Police Dept. and also to St. Patrick's Council. May God bless you.

Our belated congratulations to Bro. Cy J. Hughes and his bride, who recently took a ride to the State of Matrimony. The nuptial knot was tied at Our Lady of Sorrows Church last month. She is the former Miss Madelyn Haller.

BOWLING NOTES

The National Meet which was scheduled for Indianapolis, Ind., on April 26-27, is now changed back to the original date of April 5th and 6th. Those who have made arrangements to go should get in contact with Rox Latelle. The Special will leave the Union Depot at 9:00 a. m. on Saturday morning and arrive at the great Hoosier speedway about 1:00 p. m. More details next week.

Now, for our own league. Just when the race seemed to tighten up a bit someone had to come along to spoil everything. The Freda Meats, hell-bent on devouring the "Pore" Cahill Printers, found themselves slightly "put out" by the typographical boys who took exception to some of the remarks Sam's wolves made before the match. The net result was that the latter lost all three games to James Hartford's boys. Next time you'll keep quiet, won't you?

The Moriarty Indians found the ABC's easy to learn and therefore beat them 2 to 3. Those Deir Morticians again rose to smite the mighty, and this time the Allegretti Grills felt the lethal weapon strike them down almost without warning. Consequently, Ed Scully's Midgets "took it on the lam" in two out of three tussles. The Rex Paints enjoyed another Roman Holiday when the Barry Boosters fell before them without even being struck. They must have learned how badly we needed a few victories so they "obliged" to drop two games to us.

The "one-man" Weiland Florals team, John Schmidt, took the Damato Taps single-handedly without benefit of any blunt instruments. He won two out of three and did this make the Taps "happy?" Stay away from that snarling lion, Smitty. The McGinty Black Rocks by virtue of some luck from heaven, pulled the rubber game out of the fire in the last frame. By winning 2-3 they strengthened their hold on first place.

Highlights of the night as we saw them: Burns, 515; Hartford, 522; Garvey, 589, (245); Bordegon, 501; Montedore, 531, (203); J. De Frank, 516, (203); Stumpo, 520, (201); Finn, 474; R. Latelle, 562, (204); Damato, 521; Failla, 519; Chappell, 500; O'Connell, 535; Galena, 503; De Tolve, 511; Nolan, 546, (204); J. Eisa, 559; J. E. Scully, 592, (201-209); Bennish, 502; G. Latelle, 533, (202); Piovosi, 593, (202-205); Taglia, 527, and Kelly, 505.

Hildebrand Expresses Gratitude to Officers for Meeting Interest

1-3 Thurs. . . . . 5711 W. Chicago Ave.

Everyone seemed very happy and pleased with the gifts awarded at last meeting. . . . Through the ingenuity of our Grand Knight such small courtesies are making our meetings more interesting and effective. . . . With the membership program now in full swing in all councils, there is nothing else for us to do but fall in line and secure our quota. . . . The officers have worked diligently and earnestly, bringing the morale of the council to a high degree of efficiency, and as a reward for their faithful service we should enter into the program of the Order. . . . Barbecue books are the next item of importance to occupy the attention of the membership, and these important documents will be distributed next week. . . . Just think of the cause for which this work is being accomplished and the task of disposing of your book will be a simple one, and a work of joy. . . . Try it. . . . Back to the bowling league, and we learn that the series each Tuesday evening are getting more spirited as the season comes to a close. . . . The O'Hara Undertakers dropped all three to the Modern Cafe, who seemed to have solved the drives to their own advantage. . . . The Dean Steel captured another evening prize with a three-game victory over the J. P. Ryans. . . . Have you given consideration to any of the new forms of insurance now to be obtained through the Order? . . . Your Financial Secretary will explain them at any time.

Quigley Highlights Membership Drive at Huge Smoker Tonight

1-3 Tues. . . . . 1035 W. 31st St.

After weeks of planning and organizing, the membership committee is now ready to sign up every available Catholic gentleman to become a member of the "Patrick Noonan Century Class," honoring our esteemed district deputy, and that has as its objective, the acquiring of 100 members by April 15.

Tonight, March 28, the highlight of this drive will take place in the form of a huge smoker at the Quigley clubhouse. Smoker Chairman Joseph O'Brien has arranged outstanding boxing and wrestling matches, featured entertainers, and refreshments. District Deputies Patrick Noonan and Jeremiah Sheehan will address the assembled group with appropriate addresses.

Each member received a ticket by mail for his own personal use and an additional ticket for a prospective member. It is important that you line up a friend of yours, who is not a member of Quigley, and bring him to the smoker. That is the purpose of this smoker. Developments of the past week augur for a highly successful class on April 15th.

The following applications have been received by the financial secretary.

Candidate and sponsor.
John Skubick—Wm. Mathis.
J. Kulikowski—Wm. Mathis.
Chas. Kunka—Thom. Kunka.
John Riss—Thom. Kunka.
Frank Dempsey—Dave Tierney.
Walter Urbanski—Dave Tierney.
Robert Rawski—H. Kwasniewski.
M. Siewkiewicz—John Berny.
Walter Krause—John Golden.

IN MEMORIAM

The membership of Quigley Council express their deepest sympathy to the Kostecki family in the loss sustained when death took from them the head of their house, and from us a valued friend and an outstanding Quigley Knight in Brother Leopold Kostecki. May his soul rest in peace.

COMMUNION

Quarterly communion will be held at St. Mary of Perpetual Church, Sunday, March 30th, at 7:30 Mass. Members will assemble at the clubhouse at seven o'clock. Following communion breakfast will be served at the clubhouse.

The Quadrangle club will meet Saturday, March 29th, at eight p. m., and will hold a short drill in preparation to escort the council to communion the following day.

Brownson to Feature Rev. Walter E. Case in Cath. Action Program

2-4 Friday.....4754 N. Western Ave.

Since our members receive their Columbian on Friday, we wish to remind them of the very special feature being offered at our meeting tonight. Bro. James O'Byrne, chairman of the Catholic Action Committee, will present one of Chicago's outstanding orators and educator, the Rev. Walter E. Case, C.M., of the De Paul University. Father Case is head of the department of English of that great north side school, and is a brother of our Past Chancellor, Charles Case. While we are not in a position to devalue the topic of Father Case's talk, we can assure our members that they are in for a real treat, and should make every effort to be present.

The motion pictures originally scheduled for this evening will not be shown. You may, however, still bring your friends with you. Father Case's talk will start about 9:15, so you will still have time to come after church.

MEMBERSHIP

While membership chairman Frank C. O'Connor is quite pleased with our results thus far, he would like to see more of the team captains and the members of the different teams present at meetings, so that he can talk to them and help them in their solicitation of new members.

HEAR YE! HEAR YE!

Our membership chairman of the year A. D. 1959 was assured of two candidates when on March 19, Bro. and Mrs. George Howe were the proud parents of twin future knights. Mother and sons are doing fine but it will be some time before George is the same, again.

Our ever smiling Inside Guard Bro. Bill Gannon, who has been very conspicuous by his absence at recent meetings, is busy working getting the new defense arsenal at Wilmington, Ill., ready for Uncle Sam.

Advocate and president of the Council's bowling league, Bro. John Topke, who has since last fall been working in Albany, N. Y., was in town over the last week-end and wants to be remembered to all the bowlers and his other friends. John was on his way to St. Paul where he will be stationed for about six months. He hopes to be able to take up his active duties again in the fall.

Bro. Gil Ott now answers to the title of Sergeant Major and is wtih the 108th Medical Corps located at Camp Forrest, Tenn. Gil is remembered as that genial musician who always gave freely of his time and talent with the accordion at so many of our affairs. We are sure Gil would be glad to hear from his brother knights, so drop him a line.

Our medical examiner, Bro. Dr. F. X. O'Malley, is again trying to see Mexico as it should be seen, and to get a much needed rest. Doc has gone to Mexico before but always had to hurry home to take care of some sick patient.

Our blood donors' group was again called upon for help and this time past D. G. K. Frank C. O'Connor volunteered. Another fine example of Catholic charity as practised by the Knights of Columbus.

BOWLING

The leading Gartner Tailors won two very close games from the Best Furniture Store team in the Council league last Tuesday evening. One by 8 pins and the other by 10, then dropping the final by 131. F. S. Wm. Erwin's over his average bowling was responsible for the Tailors wins. Bill's score, 492—over his average 51.

The second place Cullom Club team kept in the running by taking 2 games—one by two pins—from the Sunnyside Inn. Ald. John J. Grealis and mates won all three from Doose Studio. Gene McGurty's first series over 400, helped his team the Northbrook C. C. to win two games from Norman McPhee's Undertakers. Since the bowlers leave for Indianapolis tomorrow morning you can look for a lot of news about them next week. Bros. Wm. O'Neill and Charlie Lannon are secretaries of the First Annual All-Catholic Over-Your-Average Bowling Tournament that starts April 12, at the Monte Carlo Alleys.

Any of our members, not of the Council bowling league, wishing to bowl in any of the three events may do so by calling either of the secretaries, or Bro. Al. Long at Lincoln 9151.

ENGLEWOOD OUTLINES CATH. ACTION PROGRAM

2-4 Mon. . . . . 150 W. 69th St.

CATHOLIC ACTION! This is one of the subjects under the FIVE POINT PROGRAM outlined for use in every council by the Supreme Council. In this connection, Bro. Harry L. Delaplane was appointed Chairman of the Catholic Action Committee. What are we of Englewood Council doing in the way of Catholic Action?

First of all, you can make it a point to be sure and attend the two semi-annual Communion Sundays of the council, the next one being scheduled for Sunday, May 4, at St. Martin's Church. Of course, this does not mean to receive our Lord but twice a year, but that is all we ask in the name of the council.

Next on the list is to become a member of the Holy Name Society in your respective parish. At present Archbishop Stritch is conducting a city-wide membership drive for members, and if you don't already belong, join at once. Contact the president in your parish and signify your intention of becoming a member.

There is the weekly Friday novena devotions to Our Lady of Sorrows; you have your first Friday services, and then for the men there is that great organization that meets on the last Saturday night of every month, the Nocturnal Adoration Society. Just picture one thousand MEN gathered in a body at 11 p. m. on a Saturday night reciting the Office of the Blessed Sacrament, listening to a sermon by a renowned member of the clergy, attending midnight Mass, and receiving our Lord in Holy Eucharist. Words cannot begin to describe such a sight. It is up to you to attend one of these services and see for yourself what an awe-inspiring spectacle it is.

Let's get behind this Catholic Action program and start in a small way by taking advantage of these few privileges. In this holy season of Lent it is no more than fitting that we resolve to do our share in this work.

You can attend a devotion of the Nocturnal Adoration Society next Saturday, March 29, at Notre Dame Church, 1335 W. Harrison Street, or to be more explicit, Flournoy (630 S.) and Ada Streets (1330 W.). You can come at any hour, for starting at 7 p. m., men of this society spend their leisure time in prayer in front of the Blessed Sacrament. The office proper begins at 11 p. m. The sermon this week will be preached by Rev. James Hussey of Loyola University.

Congratulations to N. A. S. Vice President C. F. Horne for the splendid editorial in last week's Columbian. Keep up the good work.

E-FOURS

have no news to report this week, except that they will hold a meeting on Thursday, April 3, at the home of President Charles J. O'Brien, Aberdeen 5044 is still waiting for a ring from those members who desire tickets for May Party and Dance to be given Saturday, May 17, in the Crystal Ballroom of the Del Prado Hotel. If we haven't mentioned it before, we will again have the music of Harry Wicks and his orchestra. 'Nuff said. Tickets are $1 per person.

E-NGLE WOOD-CHIPS

Well . . . here we go again . . . And whatever became of Oliver Gaudette . . . and the boys of St. Martin's who were going to help Englewood in the Junior Baseball League? . . . It's almost time to start spring practice . . . so don't forget to come out . . . Our sympathies are extended to the officers and members of Leo XIII Council upon the loss of their energetic and lovable PGK, Bill Hanrahan . . . May his soul rest in peace . . . I again had the pleasure of participating in the first and second degrees at St. Francis Xavier Council on Thursday, March 20 . . . And speaking of St. Francis Xavier Council, our congratulations to Mr. and Mrs. Nick Masse upon the arrival of little Pamela Adrienne . . . Papa Nick did a lot of struttin' at the last meeting, but no passing of the cigars . . . We are sorry to hear that Bros. John S. Melsheimer and Lawrence J. Berleman, two of our real active old-timers, underwent major operations on Friday, March 21 . . . Lawr. is at St. Luke's Hospital and John at Alexian Bros. . . . They will not be allowed visitors for at least two weeks . . . so in the meantime, why not offer up a Communion or a few prayers for their speedy recovery . . . Treasurer Adolph Minster is still ailing . . . so is Bro. John J. Hurley.

What has become of Charley Huguelet, Jr. . . . George Stoecker . . . Peter Sink, Jr. . . . Ed Cannon . . . and a few of the other boys? . . . Haven't heard from Ed Conley since he became a resident of Detroit, Mich. . . . How about a line or two telling us how the Michiganders are standing you, Ed? . . . And which one of our members is the first to leave for selective service training? . . . Would like to know when you leave and where you are stationed. . . . Will publish and acknowledge receipt of all letters and cards received from the boys in camps . . . also addresses of camps so that other members might drop you a line . . . and so that you may receive your weekly copy of The Columbian . . . and so you may keep informed on any special matters that might occur . . . So long, 'til next week . . . The phone number remains the same . . . Aberdeen 5044.

St. Anthony's Members to Receive Communion Next Sunday Morning

1-3 Thurs. . . Schiller and Gustave

"It's a Great Day for the Irish" is only a song title, but next Sunday, March 30, it will be a reality. And not alone for the Irish, but for the Germans, Polish, Italians and any other nationality in the makeup of our Council. We hope that our members will turn out 100% at the 7:30 Mass at St. Gertrude's Church.

Bring your families with you and receive Holy Communion in a body. Breakfast will be served in the hall after Mass. We predict here and now that when you have attended this Mass, partaken of the breakfast and talked with your old friends, you will all agree that it was truly a great day.

Last Sunday three of our boys received their major degree at St. Philip's Hall. They were Rudolph Schiller, Alex Kryger and John Esposito. We wish to congratulate them and we are happy to greet them as Brother Knights.

The Barbecue books will be available after next Monday. They will be distributed the early part of next week, so get busy on them at once. Last year we were very close to the top in the percentage column and we are sure that with a little bit of effort this year, St. Anthony de Padua will be number one.

We regret to announce the very sudden death of Mrs. Sonntag, of Chicago, mother of Mrs. Ed Osweiler, and also the passing of Mrs. O'Connell of Franklin Park, sister of Bro. J. W. Burke. The mother of Mrs. Ben Kline recently passed away, and to these families we extend our heartfelt sympathy. May they rest in peace.

Loyola-H. P. Awaits Palm Sunday Degrees With Much Interest

2-4 Thurs. . 7435 Cottage Grove Ave.

Well, here it is, another week and no particular news. Guess everyone must be resting up after Charlie Lawler Nite. Boy, that was a nite. Coming events include Palm Sunday Degrees at Blue Island Council, on April 6th. Understand this will be one of the largest and finest in history. With your cooperation, we hope to have a large delegation there to see our candidates go through. Every year, for the past five or six years, has found Loyola-Hyde Park with close to the record number of candidates, at this degree. We hope all of you will participate this year.

Finally succeeded in getting some dope on the bowling league. Last week saw the Rich Martins trimming Pop's Hamburgers, 3 out of 3; Reliable Packing Company trimmed the Bernard Thompson Florals, in two of the three games; The Joyce Hagan Coals took the measure of the Kodakers, in 2 out of 3; The Dr. Heinz Dentists won 3 from the Korkers. The standings on March 28:

Teams	Won	Lost
Rich Martins	47	31
Korkers	45	33
Joyce Hagan Coals	45	33
Bernard Thompson Florals	40	38
Reliable Packers	38	40
Dr. Heinz Dentists	34	44
Kodakers	32	46
Pop's Hamburgers	31	47

High spot of the last session was the bowling of Rich Martin, who set a sterling example for his team. Rich was really bowling in an unusual fashion to say the least. He invented the new system of bowling called "Blind Alley." In this game it must be absolutely impossible for you to see the pins. Rich announces great success having an average of 195 for the evening. (With his gun.)

Here 'n' There: Letter from Ed Joyce, who seems to be enjoying his work at Camp Forrest, Tenn. Some of the lads are planning to come down shortly, Ed. Break out the parade order. Congratulations are in order to D.G.K. John McGuire on his promotion to a top executive job. Best of luck, John, we know you'll do a good job. Everyone is probably interested to know that Rich Martin has sold his Playhouse to Tom McNicholas. Tom invites you all to come in and say hello, still the same location, 7905 South Park avenue. All for now, same time, same place, next week.

Carroll Expects Banner Turnout For Ladies' Night

Next Meet Apr. 1. . . . 6 No. Hamlin Av.

With the stage all set, Charles Carroll Council anxiously awaits the opportunity of welcoming the members' ladies and wives at the annual treat, "Ladies' Night," next Tuesday evening, April 1.

The program will be held in the Grand Ballroom of the Midwest Athletic Club, 6 North Hamlin avenue, and a majority of the members are expected to be present with their ladies and friends. This affair is open without admission charge to the non-member as well as the member, who may bring his girl friend, wife, sister, or friend's girl. An especially attractive evening's entertainment has been arranged for by Lecturer Gordon J. Kickels and his able assistant, John J. Fleming. All members, new and old, and their friends are urged to attend.

IT'S A BOY!

Whoopie! And it's a boy, too! Congratulations and best wishes to Mr. and Mrs. George Velat, who are the happy parents of a fine and healthy baby boy, George B. Velat, Jr., born March 4 and weighing seven and one-half pounds net. We can expect an application for admission into the Knights of Columbus from junior just eighteen years from now, eh, George?

FOUNDERS' WEEK

Going into the fifty-ninth year of its life—it carries on with the vigor and enthusiasm of youth, carrying the standards of the Faith, of Fraternity, Charity, Unity, and Patriotism, and never having lowered any of them. The Order of the Knights of Columbus possesses those elements that appeal strongly to earnest, practical Catholic men in every walk of life.

Under the inspiration of its teachings and the encouragement that arises from organization, it has successfully supported undertakings of a far greater magnitude than could have been acomplished by individuals or unorganized groups, no matter how capable and well-intentioned. You have had a part in that achievement. Members constantly draw from it, in addition to the benefits that can be tabulated and labeled. Large returns in the building of character, the strengthening of faith, and the development of a deeper bond of sympathy with their fellowman.

Through fraternity the Order seeks to bring home in a personal way the duty of man to man, of neighbor to neighbor, and of citizen to his state. Continue on and on, members, for it is indisputable that the man who joins the Knights of Columbus is benefited in his moral outlook, his faith and his civil relations. The hands of fraternity have been extended to you, now extend the warm and cordial invitation of welcome to your friends alike.

Illinois to Sponsor Memorial Exercises at April 7 Meeting

1-3 Mon. . . . . 64 E. Lake St.

We are glad to be able to announce that memorial or commemorative exercises will be held at our next meeting, Monday, April 7. It has been a number of years since these exercises were held to pay tribute to those of our members who have passed to the great beyond and to bespeak a word for the order and its dead.

We are indebted to our old standby, P. G. K. John E. Bradley, for urging us to have such a ceremony. It shouldn't require much urging because it is beautiful, proper and, shall we say, soul satisfying? And so you have a date Apr. 7 to particiuate in these exerci

BOWLING NOTES

the season rapidly draws to a close ontest for top honors is getting more esting. Any one can come out on that is, no one team has first place cinched by a long shot. Last week's results proved that.

Bukowinski Boosters maintained their dizzy pace by taking two games from the Luczak Lawyers. Stanley Klaczynski rolled 590 for the Boosters while his teammate, M. Bukowinski, just topped him with a 592 series. For the Lawyers, John Smuda was the high man with a 581 series and John Szostek was second high with 562. M. Bukowinski rolled 256 to win the dollar.

Fidelity Electric has turned out to be a swell stretch runner. They took the league leading Bona Drugs for two games winning the first one in a roll-off. High man for the Electricians was Eddie Plewa with a 605 series, while E. Wojtanowski was second with a 549 series. For the hapless Druggists, Leo Bona was high with 591 and Al Bona was second with 502. Eddie Plewa won the dollar with a 255 game.

Art-Bilt Furniture finally rose to the heights and managed to win two games from Cobbsies' Open Door. Walter Slaski got hot and rolled high for Art-Bilt, getting a 607 series, while Dr. Krupa was getting 552. For the losers John Peter Bonk was the high man with 567 and John Schucknecht was second with 545. Walter Slaski won the dollar with a 240 game.

Stanek Press took some of the wind out of the sails of the Bil-Mar Tavern team by winning two of their games. Ray Suchocki and Charlie Palusek ran neck and neck for top honors for the Pressmen, getting 558 and 553 respectively. Tony March was high for Bil-Mar Tavern with 504 while Myles Dolan was second with 496. Ray Suchocki won the dollar with a 237 game.

The Niles Boosters really handed St. Paul Federals a neat trimming, taking all three games; not, however, without a struggle. George Cummings stole the show with his 604 series while Vic Kremesec was getting 541. For the Saints, Joe Sargent was high man with a 580 series, while Frank Kosmach was second with 501. George won the dollar with a 246 game.

Alderman Sain Boosters held their own by winning two games from the Marshall Square Ballroom. Ray Schaber turned in a very nice series for the Booster getting 641. Matt Renn took second honors with a 536 series. For the Ballroom Boys, Joe Prevender was high with 589 while "Moonery" Wenchowski was second with 532. Ray Schaber won the dollar with a 234 game.

Tough luck still dogs the tracks of the Fruzyna Boosters. By losing three games to Judge Druckers team they made it nine in a row. Some nice games were turned in for the Judge's team, Dick Martin getting 650, Joe Perko 591 and Jim Carroll 560. For the losers, Dr. Majcher was high with 492, and George Gersch was second with 482. Dick Martin won the dollar with a 242 game.

Last but not least. Tomera Range Oil won three games from the P. P. Jezierny Boosters. Stanley Mixa was the high man for the Oilers with a 571 series and Matt Foltyn was second with 546. For the Boosters Harold Nowakowski was high with 565 and Ted Gomolski was second with 540. Stanley Mixa won the dollar with a 224 game.

The attention of the bowlers is again called to the fore. There will be a meeting March 28, at Lawndale Hall, at 8:00 o'clock, in Room 5. As matters of utmost importance concerning the National Tournament will be discussed, all members of the league who are entered in this tournament should be present. **It is necessary and urgent.**

St. Joseph's Attendance at Annual Dance Good Despite Cold Weather

1-3 Thurs. . . . . 57th & Archer Ave. (Summit)

There being no meeting on the 6th and due to the imminence of the dance, we regret missing our usual notes for last Friday's column.

We did, of course, have the dance, and despite the excessively cold weather of the 17th, there was quite a large gathering present to enjoy our 29th annual St. Patrick's Day ball. Had the collective efforts of the council been more enthusiastic, it would have been much more successful than it was.

GOOD DEGREE CLASS

The scheduled first and second degreees of last Thursday were exemplified as arranged, the first by our own officers and the second by a visiting team from our south side neighbors through the efforts of our D. D. Bro. Ed Martens. The council gives its thanks for the co-operation of these brothers in staging two fine exemplifications and incidentally, St. Joseph's now has five members ready for Palm Sunday. Bro. Martens announced that all three degrees would be exemplified in Blue Island on Palm Sunday, so if anyone has any more candidates, get in touch with G. K. Zurn at once.

We congratulate Bro. John Puchalski, who had the honor of seeing two sons initiated last Thursday. They are the first "twins" to be inducted into our council. We congratulate them, too, on having such an enthusiastic K. C. for their dad.

Bro. D. Spadoni wishes us to emphasize that there will be no bowling on Sunday, Apr. 6, due to the combined facts of it being Palm Sunday and the date for the degrees at Blue Island. It is a natural conclusion that a large number of our members will want to be at Blue Island for the sake of our candidates, it is expected. The date and place of the next bowling Sunday will be announced later.

Bro. C. Wojcik left last week for a vacation in Memphis and other southern points, so we expect some good fish stories a little later. Bro. "Doc" Allison and his good lady evidently found the "pineapple" land so enjoyable last year that they decided on Hawaii again.

Bro. D. Spadoni wishes to express his thanks to those good standby brothers who once again put their council first by helping in many ways at the dance. We noticed, too, that a good deal of support was given to our dance by members of St. Blase Holy Name Society and the "5800" Club. Both of these organizations are sponsoring post-Easter dances and we suggest you support these affairs.

The following brothers and a number of supporters are at this writing putting our council on the bowling map at Indianapolis: J. Czelka, J. Grzelowkowski, L. Bajanowski, F. Dobrosczyk, J. Dobrosczyk, C. Sczepanski, W. Malinauski, F. Jalovec, V. Urick, P. Dombrowski and Dr. C. A. Lyznicki.

Setters Barbecue Rally Set for Monday Night at Madison Ath. Club

2-4 Thurs. . . . . 4711 W. Madison St.

Father Setters Council's 1941 Barbecue rally will be held on Monday evening, March 31, at the Madison Athletic Club, 4711 Madison St., according to an announcement by Grand Knight Maurice J. Kissane and Committee Chairmen William N. Hoffman and Edward M. Fitzgerald. This is a general meeting of all Settersites, the active, the inactive, the veteran and the new members, the old and the young, as well as those who don't happen to be in any of these classifications, and every single one is most cordially invited to come to the gathering, which will get under way at approximately 8:30.

Among those already appointed to the committee in charge are: Lecturer J. Edmund Dwyer, Nick Rosenau, Joe Doyle, Ed J. Kouba, Frank Slad, Jim Macken, Dave Kissane, Maurice Hancock, George O'Brien, Jim Kissane, Benson E. Harrington, John Noonan, Art Forster, Frank E. Prior, W. J. Coughlin, Bill Hassett, Anthony Canadeo, Frank Sidley, Pete Chval, J. F. Cmunt, William J. Goy and Dennis S. O'Regan. Actually, every member of Father Setters Council is on this committee, as each is earnestly and loyally interested in seeing this year's Barbecue the greatest ever sponsored by the affiliated councils of the Chicago Chapter.

The principal beneficiaries of the Barbecue will be the thousands of underprivileged boys and girls who receive such sorely needed assistance, both spiritual and temporal, from His Excellency Bishop Bernard J. Sheil through the Catholic Youth Organization. This is, of course, the principal incentive for every effort expended toward making the Barbecue a success and is a cause so noble that the unanimous and hearty cooperation of every member of Father Setters Council is assured.

The special meeting of Monday, Mar. 31, is for the primary purpose of perfecting arrangements for our participation in the Barbecue. There will be a most interesting program, and a record attendance is anticipated.

NEWS

Marian Loretta Long, talented daughter of Past Treasurer Frank W. Long, of 4347 Monroe Street, was the featured soloist on a musical program presented at International House, University of Chicago, by the Illinois Central Employes' Service Club on Thursday evening, March 20. Miss Long, whose unusually fine voice and superb musical technique have firmly established her as a favorite before Chicago audiences, has already appeared twice on programs presented by the council and was enthusiastically received on both occasions. Her accompanist at the above performance was Mary Germain Duffy of 4127 Washington Boulevard.

Past Grand Knight Al L. Fik of 2659 S. Homan is still making steady progress toward recovery from his extended illness. It is our sincere hope that, with the return of milder weather, Al will be able to again come up to the council meetings, where he will be most heartily welcomed. (Your regular place in the council chamber is waiting for you, Al.)

Grand Knight Maurice J. Kissane directs the attention of all Settersites to the annual Communion Sunday, May 11. Members will receive Holy Communion at St. Finbarr's Church, 14th Street and Harding Avenue. The hour of the Mass will be announced at an early date.

OAK PARK DANCE RATED ALL AROUND SUCCESS

2-4 Mon. . . . 641 S. Scoville Ave.

The last meeting was attended by quite a few of the loyal members who were rather anxious to find out how the party fared. Brother Holub made his report as general chairman and he was followed by Joe Cagney, the program chairman. The reports, financial and social all tended to point one way; the party was a success. Congratulations are certainly due the committee chairmen and the members of these committees for a job well done.

A letter from Bob DuMais asking the council to join the blood donor group was part of the interest. Bob, you remember, was out to the council one night and explained in full detail the workings and aims of this group. He also illustrated how valuable it was by pointing out that one of the Oak Park members had, only a short time before, called on the group for a donor and he was taken care of. All of those who are interested will please drop a line or phone to Herman Erichsen, 929 Harlem Ave., Phone Forest 610. Herman is the chairman of the council committee.

COUNCIL ITEMS

Bob Carraher who was laid up a week or so ago with a wrenched back is still on the disabled list, though we understand that he is at home. Come on Bob, get up on your feet, we miss the smile and the cigar.

Last Sunday, our genial Brother Mike Ryan, council advocate, gave us a discourse on the efficiency of those sound boxes as hearing aids. For a quick perception of the activities in progress we believe that Mike takes the vote, with or without the sound box.

All out of breath, John Koehler rushed up to us just before press and gave us the very fine news that there was considerable open time on the clubhouse alleys. Get up a party and spend the evening bowling. During a good part of the year the league that bowls on the alleys have the time pretty well taken up, but now there is an opportunity to get in that special game. Patronize the K. of C. alleys in the clubhouse.

Received a card from "Tom Ryan of Monroe Street" in which he says he is going to play golf. It's from Hot Springs, however, and not Chicago. O. K. Tom, you had better practice, because we will have the usual tournament this season.

In our prior column mention was made of the Communion Sunday of the Council. At the time that column was written the plans had been to have the Council members attend St. Catherine's Church in a body on Sunday, March 30. However, since that time changes have been made in the plans and the Council members will join with the other members of Ascension Church in attending Ascension on that Sunday. This is the time of the year when even the bears come out of their winter slumber, so let us all awaken from the lethargy that takes us in its toils during the cold winter months.

The Grand Knight, Brother John F. Gearen, Jr., asks that all of the members come out next Sunday, March 30. We will all attend Ascension Church on that day and will receive Holy Communion in a body. After the Mass, as is our regular custom, we will go over to the clubhouse where a fine breakfast and a well delivered message will await, us. Don't miss this Sunday March 30, at the eight o'clock Mass at Ascension church.

St. Rita to Show Popular Sports Movie Thursday

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

On Thursday next St. Rita Council will present one of the most entertaining meetings in many months with the showing of the Tribune movie, "The All-American Way."

For one week now we have debated whether we could publish the above blurb and still be loyal to ourself and the ruler of San Simeon valley, and as evidenced by the "lead" of this stint, our charitable and better self won out.

We do admit, when hard pressed, that "The World's Greatest Newspaper" has its good points, and foremost among them is "The All-American Way." On the screen next Thursday night will be projected shots of some of the most famous sporting events in the entire country, including All-Star football games, All-Star baseball games, famous World Series, and Golden Gloves bouts.

As you undoubtedly know, the movie, as all other meeting programs of the best year, has been arranged by Lecturer Gus Hilbert. Gus informs us that the reception already given the announcement in last week's column threatens to bring the SRO sign into the open very early in the evening. We agree and suggest that all who are able come to the next Thursday meeting as early as possible.

REMEMBER

Our annual Communion Sunday, May 4, at Nativity Church, when all members are urged to receive under the leadership of Chairman Dr. Joseph Jun.

The membership campaign is now in full swing. If you have not received applications from Chairman Jack Devlin or any of our officers, do so immediately and distribute them among prospective members. The class will take the first and second degrees at exemplification ceremonies in our chambers June 19.

Bishop Sheil's annual barbecue for underprivileged children. Roy Perell, chairman of our committee, informs us the books will be ready for distribution tonight or within a few days.

THINGUMBOBS

Outside Guard John McNally has evidently taken that impeachment warning to heart. He was on time for our last meeting. . . . The 2034 Club held a meeting last night. The Sir Knights held drill and then dined on a fish fry. . . . Candidates from St. Rita took part in the exemplification of the first and second degrees at Leo Clubhouse last night. . . . The baseball season is almost here. Would-be students of the art of Abner Doubleday had better get in condition if they want to have a chance for positions on our team which are bound to be open, what with Paul Orsinger now in the army and "Old Man" McGowan deciding to retire. . . . How about mailing some news to the Scribe, 7951 S. Hermitage Ave.?

STRIKES TO "SPARE"

St. Rita Council's 1940-41 bowling league schedule ended last week with the Manor Radio quintet winning two games from the Marquette Park Motors and thus capturing first place. Genoa Prepares Early for Outstanding May Cabaret Party Program

1-3 Mon. . . . 7439 Cottage Grove Ave.

Although the next meeting of Genoa Council will not be held until April 7 G.K. James F. Riley, Jr., and the officers of the council, together with Bro. William Condon, Chairman of the Cabaret Dance Committee, and his committee are not leaving time pass without accomplishing something toward making the Cabaret Dance in May the largest and most interesting and successful social affair Genoa has ever held.

Tickets are out and the Patron lists are being given attention. At a meeting held last Friday night at P.G.K. Harry Dorigan's Rendezvous or Floral Shop an overflow crowd anxious to push the dance to a successful conclusion assembled and laid the plans that are to lead to this end. Activity in the council is gaining momentum with the coming of Spring.

At the next meeting or on April 7 to be more exact, Genoa will hold a memorial night, at which time the Unknown Soldier Act, which has gained such wide popularity throughout the State, will be presented by the courtesy of Warden James Large and his many friends in the Standard Oil Company. This meeting should be the largest that Genoa has called in many months and deserves the full support of the membership in attendance.

Many of Genoa's past leaders will be given honor and recognition they so well deserve. It is hoped that each active member of the council will see to it that one or more members that have been more or less inactive will be contacted and arrangements made to come to the meeting with them. It is your opportunity to get the ball rolling for activities that are about to start in the Council.

DUES

Collector Walter Kramer is anxious that all the members that are in any way back in their dues on insurance should make every effort to clean their accounts so that the records can be audited and a full report given in the very near future. This is your responsibility and should be attended to at once. May the Council have your support in this matter.

MADONNA Y. I. A. CLUB NEARS CENTURY MARK

2-4 Fri. . . . . 4624 Emerald Ave.

Here it is the last week of the Year In Advance push and six of you lugs are still in hiding. There was a guy from the Health Department the other day, going all over the building, but we didn't say a word. He went into the basement and said "Wow! What is that odor?"

"Sewer gas," says us, not wanting to tell him about those extra fancy Siberian Cross Skunk skins. They musta been pretty cross when they were caught because they do smell a little high; however, as we said before, we fix 'em up so they look like leather. And are you going to get yours?

Well, four of the boys come clean this week jacking up the top of the mercury to 93, and we bow our noggin to Tom Hayes, M. L. Williams, Tom Lewis and Jos. P. "Wisecracker" O'Neill, who airmailed his in from Californy.

The honorable O'Neill seemed perturbed about us being behind the eight ball, and generously offered to give us the proceeds of a raffle on his card case so we could pay off a bet to the eminent editor of this sheet. (We don't think the Ed. wants to hear any more about THAT.)[——!! Ed.] He also wants to know are we bald and will we say hello to Vin for him.

In answer we wish to state that at last year's Dog Show we were runner up in the French Poodle class until the judge saw we were wearing shoes, and took the ribbon back. We were never so mad in our life. And for the second part, sure, we will—"Hello, Vin." Bye, the bye, Mr. O'Neill, how is everyone in Hollywood? Is Hedy LaMar, Sadie Poffenberg, that was, still as well as ever? And remember Rose Lee that was so poor they called her Gypsy?

TIE-TIE-TIE

Nope, our bowling reporter isn't opening Christmas presents, he's just a trifle daffy reporting "they're tied," "they're untied," "they're tied again." Now they're all knotted up again. Oh, knots on the bowlers.

At any rate the Hermes again caught up with the Boyles by taking two from the Millers. When the totals were added, each team had 2627 for the series, but the Hermes took the close ones. Wally "Topcoats Are Now in Season" O'Keefe, and Jesse "Just" Folks led the Millers with 517 and 527, but Jackson and Miller were hot the first two games to account for the Hermes advantage.

Father Devitt led the Doody's to two wins over the Duffy's and again it was a case of winning the close ones as the Duffy's, paced by Howie Meagher, and John Pollick led in total pins 2646 to 2587. Ed, "Prop Boy" Barry was among the missing.

Tom Byrnes, with a six-man team led the O'Connell's as they took the odd game from the Boyles. Flanigan was the sixth man—if you could call him that. Reputable witnesses claim he bowled like a Bloomer Girl. You can't have everything.

AMAZING, ISN'T IT?

Flanigan claims he got mixed up on his dates and wants to correct an item in last week's coloops-notes. Madonna will engage in mortal combat with St. Gabriel's Stockyard Sirens on Sunday, March 30th at 5 p. m. at Schalk's Alleys instead of March 23rd.

here are any number of men who nerly belonged to the Knights of mbus who are anxious to get back the fold. The entry fee is $1.25 for each event, which includes bowling, and all games will be bowled on Saturday and Sunday.

HOUSE LEAGUE

How about that bachelor party tendered John (Useful) Foley at the clubhouse Monday evening, Mar. 31? The committee in charge wants to give the young gas salesman a big send-off, so put the date down and see that you are on the job.

We are sorry to report that one of the best Barry boosters in the bowling league met with a serious accident last week while delivering mail for Uncle Sam. Our good friend, John Rose, who shoots with the Kedzie Coals, broke or sprained his ankle while at work and was taken to the Marine Hospital, Irving Park boulevard and Sheridan road. If any of the members are in the neigborhood, drop in and see John.

The Smith Morticians came back to life and won two from Little Jack's Restaurant. Lee Capuanni had high score for Smiths with 205. Lou Rosenmayer had high for Little Jack's with 200. Captain Rocco Tarsitano of the Smith Morticians says he is taking all bets on the coming match game between Pete Rizzo and Jimmy (Shirley) Conley to be bowled at the National K. of C. Bowling Tournament at Indianapolis. All games are to be bowled left handed!

Faucher Brothers won two from American Air Lines, who had to shoot with three men. Jimmy (Shirley) Conley had high score for Fauchers with 189, and Harry Kloth had high for American Air Lines with 180. DeMares Coals won two from Recorder Kaindls with Jeff Fleming getting high score with 185. Frank Lahey had high for Kaindls with 188.

Ahern Morticians made a clean sweep of their series with the Sheehan Chile with Charley Intrieri getting 209 for high game. The dancing professor, Dan Keating, had high score for Sheehans with 178. Senator Keanes won two from United Air Lines, with Frank Kucera getting high score of 195. Ed Kurtz had high score for United Air Lines with 212. T. W. A. won two from Kedzie Coals, with Charley Urbain getting high score of 210. Tom Ferrarini had high for Kedzie Coals with 206.

The series between Mid-West Auto Service and Cunningham Insurance was nip and tuck, as all games were close, but Grisim's boy friends managed to take two from Mique and his Insurance keglers. Jim Russell had high score for Cunninghams with 203 and Jim O'Brien went on a rampage with a 578 series with scores of 153, 214 and 211.

Ollie Klineman is still high with a 685 series for that grand prize of a pair of shoes donated by S. M. Peters, the manager of W. L. Douglas shoe store located at 4002 W. Madison street. The boys have only one more week to go to win that wonderful prize, so get busy with that string of strikes.

Prize winners last week were Westphal 223, Geo. Rose 222, Junior Morgan 193, F. Malone 197, Dr. F. Cella 203, A. Imbrogno 181, and F. Verpillat 179.

Hen.-Shields Bowling Army Ready to Storm Indianapolis April 5

Apr. 9-23 . . . 446 N. Parkside Ave.

General Tim Fleming will lead his small but enthusiastic and hopeful army of some twenty members of the council aboard the Pennsylvania R. R. train at 9 a. m. on Saturday, Apr. 5. The teams will leave from the Union Depot, Canal and Jackson, for the K. C. National Bowling Tournament at Indianapolis, Ind.

Round trip fare is $4.65. Reservations have been made at the Hotel Lincoln at the rate of $2.75 per person, which is reasonable, except from our own experience, a large sample room with plenty of floor space would answer the purpose for the entire party.

Five-men teams are scheduled to roll at 3:45 p. m. Saturday at Pritchett's Recreation Rooms, the doubles and singles following at 5:15 p. m. Sunday afternoon.

Among the generals, coloners, majors, captains we find Miley Devine, Tom Butler, Frank Gould, Al Lifka and Tim Fleming making one team, Jack Shealy, Frank Daley, Pete Murphy, Felix Kroll and Eddie Mulholland on the next, and Ray Foley, George Green, Mike Hussey, Bill Annas and Jim Lynch making up the third team, with Dr. Frank J. Sauer held as reserve reinforcements. The cheering section is made up by rear rank Buck Privates Joe Hannon, Roy Cummins and Bill Phelan and possibly our old friend, Bill Cronin. Recruits for the cheering section will be welcomed. "Bowling Ball Butler I was knowed as, in them days." Yes, sir!

The Harwood Florals proved they did not belong in the morning glory class by taking all three games from Costello & Son Boosters, Frank Gould of the Florals shooting 256 in the final.

The Ed Riley Insurance Writers rolled 935 in their first game, apparently overstraining themselves, as they dropped the next two to the John J. Hayes Stores for Men. Fleming with 211 and Moylan with 212 were high men in the first game. The Gallagher Plumbers took the first and third games without much trouble from the Frank M. Hayes Barbecues, the Barbecues taking the middle game with the help of Charlie Quill's 204.

In spite of a generous handicap, the Ray Foley Grills dropped two games to the M. C. Fogarty Men's Wear. Hickey's 201 for the Foleys and Comyn's 232 for the Fogartys were high.

CONDOLENCES

The officers and members of the council extend their deepest sympathy to Bro. Knight Arthur T. Bermingham, president of The Columbian Publishing Co., on the death of his mother, Mrs. Catherine Bermingham, at Kansas City, Mo., Thursday morning. Mrs. Bermingham had been ill for some time. She is survived by three sons, Arthur T. Bermingham of Rover Forest, John L. of Evanston and Joseph P. of Kansas City. Funeral services were held Wednesday at Holy Name Church in Kansas City.

THE SOUNDING BOARD

Among the things to come, Lecturer Cash is thinking of having a farewell party for the peace-time soldiers leaving for camp, the only drawback being that he might be giving it for himself which might appear presumptuous, or something. In the meantime, he is working on the debate between the Catholic high schools on the west side, which will be whipped into presentation form before long.

Tickets for the Riverview Park barbecue will be going out soon. Watch for yours and get busy. You know the old saying, the early bird gets his breakfast easiest.

The date of our annual communion Sunday is set for May 4. We are scheduled to attend St. Catherine's Church in a body and receive Holy Communion at the 8 o'clock Mass. Keep this date in mind.

On the following week end, beginning Friday, May 16, council members are invited to attend the annual retreat at Mayslake, Ill., retreat starting with supper at 7 p. m. and ending Monday morning at breakfast. P. G. K. Jack Shealy, chairman of the retreat committee, will look after your Mayslake reservation.

Sometimes it is difficult to make a person break down and smile, but all you need to do to make Joe Hannon smile is to send in your dues, and if you want to make him laugh right out loud, send in your dues for a year.

We have just heard that the government will open its vaults at Fort Knox, Ky., this coming Tuesday and give away every pound of its gold reserve to citizens one hundred and twenty-five years and older. We're off to Fort Knox with a box. G'bye.

Washington Meets for Quarterly Communion Sunday at St. Simeon's

1-3 Tues. . . . . 503 Main St.

Last call for all members of Washington Council to attend quarterly communion at St. Simeon's Church, Bellwood, at 7:30 mass. We want a large turnout for this event. Be sure and arrange to be with us.

Our annual communion breakfast will be held at St. Eulalia's Church, Maywood, on Palm Sunday. Washington Council has always been proud of its attendance at the annual communion breakfast, and we don't expect to be disappointed this year. Remember both of these dates, Sunday, Mar. 31, and Palm Sunday, Apr. 6.

IN MEMORIAM

We regret to announce the death of Bro. Peter Loughlin. Bro. Pete passed away while in Florida on a vacation. The prayers of the members of Washington Council are being offered for the repose of his soul.

IRISH NIGHT

Last meeting, Washington Council saluted its Irish. Our congratulations to P. G. K. Pat O'Donnell for the splendid program and refreshments. We offer our deep appreciation to Dr. Dawson of Melrose Park for the splendid pictures and lecture which he gave for our benefit.

ST. FRANCIS BOWLERS READY FOR NATIONAL

2-4 Thurs. . . . 4711 W. Madison St.

St. Francis Xavier Council will be officially represented in the National Knights of Columbus bowling tournament now in progress by five teams. About twice as many rooters are expected to make the trip to Indianapolis next Saturday morning, Apr. 5, to give the boys moral support. Are you one of them? If not, and you'd like to be with them, there is still time to make your railroad and hotel reservations. Rates are very reasonable. For more information, get in touch—but quickly—with Salvatore Cirrintano, 333 N. Pine street, Columbus 3593, or Angelo Vitallo, 1512 W. Grenshaw street, and they will help you make the final arrangements.

With only a few weeks to go, the bowling league is getting hotter and closer than ever. The four-way first place tie was dwindled down to two teams last Friday night. Dot Pies and Paterno's Pizza still share the top spot by taking two games from the Gugliano Florists and Ald. Pacellis, respectively. One game behind, in second place, the Coletta Undertakers and Marks Motors despite the fact that they were handed double defeats by the Izzo Morticians and Senate Electrics. Mele Plumbers maintained a mathematical chance by winning two games from the cellar team, the Bacigalupo Funeral Directors. Standings:

Dot Pies	22	17
Paterno's Pizza	22	17
Coletta Undertakers	21	18
Marks Motors	21	18
Senate Electric	20	19
Mele Plumbers	20	19
Giugliano Florists	19	20
Izzo Undertakers	19	20
Ald. Pacelli	18	21
Bacigalupo Undertakers	13	26

Highest series rolled: F. Pasquale, 589; C. Principe, 564; J. Consoli, 553; C. Speciale, 544; P. Vacca, 541; P. Merisso, 536; C. Criola, 531; J. Durante, 517; N. Masse, 515; A. Frusolone, 513; A. Arra, 511; "Sheik," 508; J. Pauletto, 507; T. Salvo, 506.

Twelve candidates received the third degree last Sunday at St. Philip's High School, which brings St. Francis Xavier Council closer to its Century Club goal. Our congratulations are extended to them and at the same time urge them to attend the next council meeting Apr. 10, to receive their certificates and pins. The names of the new members will appear in this column next week.

The barbecue committee, headed by Sir Knight Angelo Frusolone and Bro. Sal Defily, has announced that the books will be out next week. All members are urged to co-operate with them in exceeding last year's total. . . . There are still some returns to be made on the dance tickets and ads. The dance committee is anxious to make its final report, but cannot do so until ALL the returns are in. So won't you do your part? The deadline has been positively set for the next meeting.

Bro. Albert Caruso last Thursday submitted to a blood transfusion for Mrs. Anne Mele, sister of Grand Knight Baptiste Mele, at St. Elizabeth Hospital. This is the second transfusion in three weeks for Miss Mele. The latest report is that she is doing nicely. . . . Note to Sir Knight Nick Masse: Now that it's all over, we'd like to know what happened to the name of "Terry."

Rev. Riccardo Secchia, pastor of Guardian Angel Church, who became a third degree member of our council last Sunday, celebrated his birthday on St. Patrick's day. . . . We wonder why Bro. Victor Boetto doesn't attend more meetings. . . . Don't forget, we are out to make the Century Club this year. Do your part. Bring in those new applications.

Newman Wishes a Fond Farewell to Beloved Chaplain

1-3 Thurs. . . . St. Mary's Hall, Evanston

Bishop Magner, former chaplain of Newman council and pastor of St. Mary's church of Evanston, left Tuesday evening by special coach for Marquette to take over the administration of that diocese. His departure was attended by many school children, nuns, priests, relatives and close friends, among whom the scribe noticed brothers Gregory Konold, Philip Weise, Edward Konold, James McNair, John Kelly, Joseph Majowski, Walter Hughes, George Dumas, and Chester Majkowski. Perfectly willingly do we admit that when the train pulled away we felt lonely and sad to know we were parted from him whom we love, particularly when we realize that it was a separation that may for most of us last for the remainder of our mortal life.

But the bishop's arrival at Marquette was of another spirit. All the whistles in the town screamed a welcome as the train pulled in on Wednesday morning. Children lined the streets to greet the new bishop who is now the head of 135 churches and missions. A parade headed by the American Legion band escorted him to his residence.

On Thursday the bishop was installed as 7th bishop of Marquette. Fifteen bishops, 100 Newmanites and people from the northshore, and four Indian chiefs in full tribal dress were among those at the ceremony.

BARBECUE

Walter Gehant and Denis O'Mahoney have been appointed the chairmen of the barbecue. When you receive your books, please co-operate with the council and sell all you can. If you only sell one chance it will help to buy milk for some youth not as fortunate as yours. Remember your lesson on Charity.

BOWLING DOPE

"All aboard for Indianapolis!" Sixty-nine members will board our special train on Saturday morning, March 29, for the national bowling tournament. SPECIAL NOTICE: The time of starting has been changed. Our train will leave over the Big Four railroad at 9:30 instead of 8:30 as previously quoted.

Special buses will pick up all members at the corners they specified on the chart. If anyone failed to put his name on the chart, call Jack Wiltjer at Davis 8479 not later than Friday night. Our bus will be waiting at the depot when we return. Reservations have been made for all members at the Claypool Hotel, which is but one and a half blocks from the depot so there will be no need to engage cabs. The three teams entered will bowl at 3 o'clock Saturday. The singles and doubles will bowl at 12 o'clock noon on Sunday.

Be on time for the bus! It will wait for no one as it has a schedule to keep. See you Saturday morning!

CONSEQUENCES

The results of last Tuesday's bowling are that Art Weiland won 3 games from Smith's Excavators; Alten's Mortuary, 3 from Bell's Insurers; Ridge Cleaners, 3 from Evanston Beverage; Fitzgerald's Boosters, 3 from Menke's Westmores; Frank and Harry, 2 from Zicco's Clippers; Schaefer's Undertakers, 2 from Davis Candies; Corcoran's Lawyers, 2 from Hebson's Boosers. The nine men bowling 200 or better are: Ray Watson 237; Joe Zera 233 and 201; Joe Barrett 225; Tom Feeley 220; Morry Steiner 215 and 211; Tom Hayes 209; Jim Mellody 209; Ed Hebson 208, and Alex Zera 200.

Our Bowlers' Ladies' Night, held St. Patrick's night jointly with the Ouilmette Bowlers, was a great success. About 150 attended, which we believe very good considering the weather.

Alten's Ouilmette team trimmed Alten's Ouilmette team on Sunday, March 16. Score was very close! Or was it? Many thanks, Joe. Everything was swell.

NEWMANEWS

Roy Decker was rushed to a hospital at Pensacola, Florida, for an appendicitis operation. He took ill while on his way to spring training quarters.

Bill Hojnacki, who sports a fourth degree ring, has been secretary of St. Mary's conference of the St. Vincent de Paul society for the past month.

For all the latest steps in dancing consult Tom Zicco who was showing them to all the folks at the Bowlers' dance. For appointment phone him at his tonsorial parlors.

George Amidon, Sr., states that the Catholic Daughters of America are co-operating with the Catholic Action program of the Knights of Columbus by furnishing Catholic literature.

Andy Smith is up and around again after his operation.

Daniel Harrigan's wife is ill in the hospital. Dan wasn't so well himself.

Hank Poletti and Mrs. E. Amidon were really putting on the jitterbug dance at the Bowlers' dance. Rumor has it that a talent scout from Hollywood has a contract for them to sign.

While Jack Wiltjer is at Indianapolis over Saturday and Sunday, his wife Marge will be visiting some old acquaintances at her home town in southern Illinois. Her shadow, Mary Amidon, will make the trip with her.

Ray Buellesbach is in the market for a new car. He claims the one he has gets him there but never wants to bring him back. Maybe it's the driver, or does he use the wrong kind of gasoline?

FAREWELL!

With this issue of The Columbian, March's scribe, Jim McNair, turns over the column to his successor. The month was unique in that it featured news on the elevation, consecration, and installation of Newman's former chaplain, Bishop Magner. Your scribe in resigning states that it has been a privilege and an honor to record such events. In closing, may I record the motto from the McNair coat-of-arms: "Labor Omnia Vincit," or "Perseverance overcomes all difficulties." (Coat of arms? Say, is he kidding?—Ed.)

Garcia Moreno Books Plenty of Action for Next Several Months

2-4 Tues. . . . . 155th & Lexington

Spring is here! Many are preparing their cars for spring and summer joy-riding and looking forward to joyful days of recreation and sunshine. These are pleasant things to look forward to, but we of Garcia Moreno Council must keep in mind that the council's program must go on, too. So pardon me while I remind you of a few items.

Sunday, Apr. 6, is Palm Sunday and three degrees will take place on that day at St. Benedict's Hall in Blue Island. If you have a candidate for that class, turn in his application at once.

The barbeue books for Bishop Sheil's Underprivileged Youth Fund will soon be in the hands of our members. The chairman of this committee is Marty McGee. This is Catholic Action in the finest form.

Annual Communion Sunday for our council is May 4, Ascension Church, at 7:30 mass. Breakfast to be served after mass. P. G. K. Joseph Reardon is chairman of the committee on arrangements.

The picnic date has not been set at this writing. We hope some real action will clear up the date and place soon. Cy Katity is the picnic chairman.

Wednesday evening, Apr. 2, a meeting will be held at the home of Sir Knight James Munro. All third degree members interested in taking the fourth degree at some later date are invited to attend. Permanent officers will be selected at this meeting to form a fourth degree club.

SPRING CLEANING

The thought just occurred to the writer that perhaps it would be advisable to give our minds a spring cleaning to rid them of all the dark thoughts that have been collecting there—and using a little polish on the rusty spots in an endeavor to be more congenial with others and also lubricating our thoughts with kindly feelings and respect towards all our fellow men. If we are harboring any mental grievances now is a good time to discard them. Pardon the above thought, but yours truly must keep you interested in your own column, even if he fails to live up to some of his own thoughts.

WITH THE BOWLERS

Home Liquor won two games from Ed Shea and his gang, but Shea's team holds the league lead by one game. For the Liquor team, Rich Walenga's 558, John Kerkhoven's 516 and Vic Walenga's 506 were the Shea's downfall, while for Shea's gang, Jack's 555, Shea's 503 and Kammert's 502 were top men. Frank Ring Moosters won all three games from the Eagle Coal Co. Matt Walenga's 568, Wm. Powers' 508 and Irwin Lunn's 507 were the boys who put the skids under the coal bin boys. Seibelt, Jr., was the only coal bin boy to get a fair score, 513 pins.

Anton Sterked's Tailors won all three games and also climbed out of the cellar position. Goletz Boosters were the victims. John Obernesser's 587, and that's plenty good, was the lone star for the winners, while Joe Reardon's 449 topped the losers. O'Hara Boosters won two games from Wonder Bar, but they dropped into the cellar position on Chas. Wisell's 572 and Bruce's 510, tops for the O'Hara gang, while Clyde White's 518 was top man for Wonder Bar. League closes Thursday evening, Apr. 17. Bowlers' banquet one week later.

CONDOLENCE

Sorry to report the death of Bro. Eugene Quirk, father of Bro. Francis Quirk. The officers and members extend to the bereaved family their heartfelt sympathy. Our sympathy is extended to Bro. Frank Schmidt in the recent loss of his beloved uncle. May their souls rest in peace.

It's a future K. of C. at the home of Louis Bulik. May this tot bring them much happiness. Our congratulations.

In closing, remember news is what we want. Cheerio.

Over $1,400 has been spent by Ed Wynn, comedy star, for the repair of his favorite shoes which he bought in 1909 for eleven dollars.

Dearborn Degree Work Sets Record For Attendance

1-3 Thur. . . . . 820 Garfield Blvd.

One of the largest classes of candidates seen in many a day was initiated into the first and second degrees of knighthood last week under Dearborn's sponsorship. A number of councils comprising South Section One joined in this enterprise. It was a grand tribute to our Founding Fathers, a real exhibition of true gratitude and a sterling example of unity in the Order.

The degree team rendered an outstanding performance and they have our most sincere congratulations and hearty gratitude for a great job well done in behalf of the Order. The degrees were exemplified under the watchful eyes of our General Chairman, Guy Macina, and our own D. D. Judge Joseph Hermes. Bro. Macina urged complete co-operation in this drive for an increased membership in the Order. Judge Hermes congratulated the new members and welcomed them in behalf of knighthood. Also present was D. D. Bill Lowery, of Joliet, and his delegation. In addition, Dearborn was host to G. K. Judge Clarence Wagner, Leo, and G. K. Phil Kushenback, St. Augustine, both of whom rendered assistance to G. K. John Devereaux in putting over a highly successful exemplification.

As part of this large class, Dearborn welcomed into its rank the following new men: Bro. Jos. Tynan, Frank Kulovitz, Thomas Costello, John O'Connell, Jr., James Posse, Sam Messina, Harry Kruz and James Fahey. Brothers, permit us to extend a warm welcome to you, as well as our sincere congratulations.

It goes without saying that our genial Lecturer, Jim Ivers, was on hand to provide the social touch to a great evening. The food was delicious, and the beverages were refreshing. Jim's work lent that extra something to top off a perfect exemplification.

NEXT MEETING

At our next regular meeting, April 3, Dearborn will feature an "Old Timers' Nite." So, on behalf of the council and its administrative staff, we extend a hearty invitation and welcome to all those old members who haven't been to meetings in a dog's age. This will be the night to leave the fireside and join your council, old acquaintances and friends for an enjoyable evening. We warn you that if you fail to attend, you'll be sorry because a great program is planned.

As part of the program to be staged, Dearborn has been fortunate in procuring the services of a noted lecturer and entertainer, William J. Spillard. His background consists of ten years as a U. S. Government Agent in the narcotics field. At present and for the past fifteen years, Mr. Spillard has been in charge of arson investigation for the National Board of Fire Underwriters. It is these features of his work that he has set into an illustrated lecture that will be presented to Dearborn in a topic, "A G-Man on the Trail."

MEMBERS AND MEMBERSHIP

Barbecue: The committee expects to have the books ready for distribution to each member shortly after the first of April. They urge your full co-operation in lending a hand to accomplish this feat in a rapid manner. Prompt distribution means quick returns on the books.

See Tony at once.

St. Paul in Excellent Degree Class Had Big Crowds in Attendance

1-3 Tues. . . . . 6713 Olmsted Ave.

The exemplification of the First and Second degrees in the council chambers were well attended. Our boys, augmented by the visiting members of the other councils, made a sizeable crowd. We are happy to recognize as second degree members of our council John A. Bolger and James E. Lynn. There remains but one further step for these brothers to become full-fledged Knights and we hope to have them travel down the final lane very shortly.

The council keglers should be making preparations now for the trip to Indianapolis. A letter has been sent out to each of them who has signified his intention of joining the party, giving all the details, but if there are any last-minute decisions to go, call Geo. Harbert at P. R. 1247; he may yet be able to accommodate you. We know that a swell time will be in store for those making the trip, as everything has been done to make it so. Until we see you again, Cheerio!

Your G. K. has been mulling over an idea, conceived in the spirit of appreciation, born in the spirit of cooperation, nurtured in the realization of council acceptance and emancipated in the hope of tremendous success. What is this idea? Well, we will tell you what we know. This is to be a testimonial to an outstanding member of our council.

It will probably take the form of a pre-meeting dinner in the council chambers. It is being sponsored by men in the council who are known for doing things up in grand style. There will be a master of ceremonies. There probably will be a few speakers (if the m.c can limit them to a few), who will be permitted to talk extemporaneously. This will be a serious, yet happy, gathering.

There will be a "toast-master," but no horse play, no wise-cracking, nothing that could possibly mar the spirit and intent of the affair. This will take place on April 15, the second meeting of the month. You are being told these things early so that you can reserve this date for your council affair, so that if need be, you can rearrange any plans already made for the date that will interfere.

We don't mind telling you that we want you to be there if you never attend another meeting all year. That's how important this meeting will be. It's going to be the most important social gathering in the council this year—the last year in office of your G. K. We want you—we need you—to make effective the emancipation of the idea so nobly conceived, so ideally born, and, yes, so hopefully reared. We dare not fail! We will not fail!

There is another matter which is coming up soon—sooner than you realize. That is the council's annual spring golf tournament. These things are being thought about; soon they will be worked on. The date is tentatively set for May 25. This, too, has plans underway for the makings of a huge success. It has been christened the "century tournament," for an effort will be made to have 100 members and their friends participate. If that is accomplished, it will be a record—82 were in attendance last year, the best previous record.

We know that many of you are making arrangements now for your early golfing. Plan your invitation for the council's tournament. Make up your mind right now to spend at least one day in company with your council brothers in what we sincerely believe is the greatest out-of-doors sport ever devised. (Yep! You guessed it! It's seven stroke Pete speaking.) Remember, it's only two months away; less when you'll be reading this.

We hear that: Al Rominski has been down with the flu for a couple of days; reports are that he is OK now...Dr. John M. Lally, Jr., has been seriously ill. His dad, whom we affectionately know as "POP" Lally informs us that his son is on the recovery road which is real good news to us as we know that both POP and MAW Lally have had some serious moments which haven't kept their hair from getting whiter...And we want them with us in the neighborhood a long time yet...D.G.K. Sass tells us that we can "rib" Fetters all we want to but when the team can't win games with scores well up in the ten hundreds, he doesn't know what they have to do...Incidentally, Gene rolled high game and high series last week, which speaks for itself.

Chicago Hts. Engaged in Membership Drive to Meet the June Deadline

2-4 Mon. . . . . 1527 Otto Blvd.

Now that Lent is nearly over and Easter just two weeks away, there comes to our minds a sense of duty to propagate Catholic activity. Too numerous to mention are the means of engaging in these activities, but one branch often overlooked is that of enrolling new members into our Order. Not only does the sponsor bring a Catholic man nearer to his Faith, but he is introducing him to others on his same plane. Much help, esteem and comradeship is offered to a Knight of Columbus.

Under the leadership of our membership chairman, Bro. Joe Schmidt, the Council has pledged to enlarge its membership; therefore, each member of our Council should avail himself of at least one application for the Palm Sunday degrees. We should earnestly endeavor to do our share in this field. We can meet our quota and go far beyond it, if we combine our efforts and put our shoulders to the wheel.

As previously announced, the campaign for the Fourth Annual Barbecue is now in progress. Chairman Walter McMurray and his assistants have perfected plans for prompt distribution of books and literature. In order that this work be accomplished quickly, all members are asked to enthusiastically join in and lend a hand. It is the aim of the chairman to double the returns of last year. This good cause is highly recommended to you, because of the thousands of youths who benefit from it. The Council also derives much good from its success; therefore, the hearty cooperation of all is anticipated.

At the time the Blood Donors Group was organized, we hoped for the response of all members, but to date we have not met our expectations. It is true that the one opportunity we had to come to the fore, we were not found wanting, but we are asking all who can to make a special effort and call at Dr. Armbruster's office for typing. It takes only a few minutes, and you will be carrying through the interest you manifested when the idea was first adopted.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and regaineth with Thee in the Unity of the Holy Ghost. Amen.

CONDOLENCE

It is with deep regret that we report the death of Bro. John Bricks. Shortly after returning from Lenten services, he was stricken in his home and rushed to St. James hospital. There, on the following morning, he was called to his eternal reward. A large delegation of members attended the wake to pay their final respects. He was buried Saturday morning at Oaklawn Cemetery. To his wife and family we extend our deepest sympathies. May his soul rest in peace.

Calumet to Hold Annual Communion Services Sunday

2-4 Mondays . . . . 6646 Stoney Island

The call is out for all men of Calumet to assemble next Sunday morning at 8:45 A.M. in the school hall at 64th and Woodlawn to march in a body to St. Clara's Church where the council will attend mass and receive Holy Communion. We cannot urge too strongly the urgent need for every man to answer the call, the challenge to catholicity is openly being broadcast, we must give our answer to that challenge.

After the mass we shall go to the Hayes Hotel where a full course breakfast has been ordered for us by Lecturer Frank J. Walsh and his committee. Grand Knight Birmingham issues a special invitation to every member to participate. Founder's Week Chairman P.G.K. John B. Roach will have a short but interesting program arranged and we suggest that if you have not already done so to please get your post card that was sent you and mail it at once advising that you will be present at the breakfast, so that there will be plenty for all.

SUNDAY EVENING CLUB

As a fitting close for Founder's Week, the Sunday Evening club will gather in the Clubrooms for another big night of entertainment and enjoyment. There will be cards, games and prizes galore. Chairman Gene Davis will be ably assisted by Bros. Mike Cleary and Joe Sullivan. So you who have attended before, know the treat that is in store for you this evening.

MEETING OF LAST MONDAY

P.G.K. John B. Roach certainly did a splendid job in the opening effort of his week's activity as Chairman for Founder's Week. The principal speaker at the meeting was Bro. Jerome J. Crowley, Faithful Navigator of La Salle Assembly Fourth Degree. We who have heard Bro. Crowley before, we again thrilled by his fine address, and from the brothers who have heard him for the first time come many words of praise for his timely talk and express a desire that we shall soon have the privilege of again listening to him.

A fine crowd of members old and new were in attendance, and the gathering further enhanced by a goodly crowd of the ladies who are always so welcome here in Calumet. Past Grand Knights Lynch, Byrne, Grant and Roach added to the official dignity. Many old timers were present, men who have made Calumet and who still are interested in its success. Bros. John Sheridan, Neil O'Hanley, Phil O'Connell, Jim McKenzie, Charlie O'Donoghue, Ed Egan, Doc Adams, Michael Shinners, John Barrett and Tom Conway. The bowlers were all there and in all we enjoyed a fine crowd and a splendid meeting. Bro. Arch Mahoney, ably assisted by those stalwarts Capt. Geo. Gilmore, Tom Gilroy, Trustees Gene Stuart, Dr. John Gilroy and Mike Patrick Murphy subbing for Bro. Geo. Harrington, saw to it that all were served with a delicious lenten repast.

SOFTBALL PLAYERS ORGANIZE

Athletic Commissioner James D. Shinners advises that he is now organizing the softballers and that Calumet will have a good team representing our council this year. Places are available to all players, and it is his intention that a policy will be maintained that all players coming out for games will have a place on the team. More about this later.

BOWLING NOTES

McNichols Standard Service kept their bowling lead intact as they won two games from Crocombe's Korkers. Bill McNichols had a 220 game with a 533 series to lead his team. John Grace had high series 526 for the losers. O'Hanley Morticians led by Lee Conry with 486 won the the odd game from Wilson & Rafferty Florals. Eckie O'Mallev had 515 for the losers. Murphy & Son Furnitures won two from Cummings Morticians. Jim Murphy with a 205 game and a 531 series and John Carey led the winners. Wilf Byrne had a 512 for the morticians. Tom Gibbons had a 534 series to lead Ray's Boosters to two wins over the Whalen Boosters. Chairman Joe O'Connor announced that the season would close on April 3rd, with the open sweepstakes on April 10th. This event a special, is open to all members of the council, whether a member of the league or not. It will be big money and a big night. Come up. Also you can get in on the Bowler's Banquet to be held on or about April 23rd. Plan to attend this affair, it will climax a season of good fellowship and an evening long to remember.

It pays to attend meetings, five members went home richer by Five Dollars. Bros. John Lawler, John Dillon, Robt. W. Ward, R. J. Shifcik, Bart Gallagher and John E. Lawler being the receipients of these attendance awards. There will be another such drawing at the last meeting of the next quarter, so you members come around to meetings —it pays. Grandpa Gene Stuart is just back from Delavan after a visit with the grandson who now is talking and walking at the age of ten months.

Speaking of the youngsters, Bro. Ed Stricker is around with a big smile and an expanded chest, being the proud father of a new son, born on Wed. Mar. 19. Fin. Secy. Popjoy wants it known too that he is again a new papa, another charming daughter. Congratulations to Mrs. Stricker and Mrs. Popjoy, our best wishes for the new born that they may grow to sterling womanhood.

Word comes from Florida via Bro. John F. Healy of the Hayes-Healy Travel Bureau where he is conducting another Vanderbilt Tour, that he will join the in-law Bro. Jos. P. and Mrs. Hayes who are sojourning in St. Petersburg. Bros. Ted Regnier and R. Fahrmann did a swell job in helping the publicity committee in St. Ambrose Parish and we appreciate their work muchly. Bro. Leo P. Hopkins long a member of Calumet has been ill, and spent his winter vacation in the hospital, however, from last reports is feeling better and we wish him a complete recovery. Dr. M. L. Manley is home from Little Company of Mary Hospital but still not recovered as yet. He is much improved. May we suggest that if you have time and are in the neighborhood, drop in and see these brothers. They will appreciate a visit.

Marquette Praises to De Paul's Law Dean for Brilliant Lecture

1-3 Thurs. . . . . 1928 Devon Ave.

The members present at our last meeting had a real treat, for at that time our Grand Knight had as guest speaker Dean Wm. F. Clark, of the law division of De Paul University. We listened to a timely lecture on national and international events of the day, blended with remarks of our National Constitution, Bill of Rights, liberty, our founding fathers, and the general scheme of our political life.

Following his discourse, he answered many questions from the audience. Dean Clark is a well-known writer and orator, and the large attendance was grateful for his splendid message. We thank him for his visit, and hope he will visit us soon again.

Some of the old-timers we have not seen at a meeting in a long time and attending the last were: Edw. A. Berger, Ralph Schuster, Chas. McGrane, James H. Cronin, John Meyer, John Beahm, John Magnus, B. J. Monjeau, also our own P.G.K. Jerry Graham, whose business has kept him away from a few meetings. Of course, you will always find present the three stalwart veterans, John Norton, Bill Spiess and Joe Meyer. Included among the younger and newer members were: Martin Rauscher, John Lajka, Walter Panko and Morgan C. Muench. The above are only the names of the old-time members whom we do not often see, and some of our newly elected members. We were glad to see you, and we hope you come more often.

NEWS

P. G. K. Loderbauer is driving a brand new Buick. John H. Meyer reports married life is fine. Bro. Wilhelm's wife is slowly but surely recuperating from her recent operation. Bro. Joseph C. Smith is confined to Mercy Hospital and NO visitors are allowed as yet. We are praying for your recovery, Joe.

G. K. Hesse acted as Grand Knight in a First and Second Degree last week at Barry Clubhouse. Our G. K. is efficient in this degree work. P. G. K. Chas. Graham is now a grandfather. His daughter, Katherine, gave birth to a baby boy on St. Patrick's Day. We hasten our congratulations. Our good friend, Tom Murray the florist, regrets his absence from meetings, due to store being open on Thursday evenings. Tom Cassidy is playing basketball twice a week. Buc Suchor spent a week in New Orleans during the Mardi Gras.

Jerry Graham and Lloyd O'Toole left last Sunday morning for New York City. They will be gone one week on an all-expense "star salesman" trip given each year by their company, the National Cash Register, for reaching their quota each month of the year. Bro. Roy J. Egan, due to illness, was at home several days this week. Ask Pat O'Donnell if Walter Pettis is a good legionnaire.

At our last meeting Joe Meyer said to Jerry Graham, "If you want a tour thru Italy, join the Greek Army." Then Jerry injected his thought for the day, saying to Joe Meyer, "A vast fortune awaits whoever gets the scrap iron privileges of Der Fuehrer's War."

Hughes Sponsors Founders' Program for Next Meeting

1-3 Tues. . . . . 4711 W. Madison St.

Exemplification of the Third Degree at St. Philip's gymnasium, Jackson Blvd. at Kedzie Ave., on Sunday last, March 23, was outstanding from several aspects. The Degree Team was made up almost entirely of Hughes Council's officers, headed by G. K. Dr. Louis Postilion, with our own P. G. K. and D. D. John H. McKeown presiding. P. G. K. Harold F. Enright, Warden Art Carroll, John Korbel, Frank Kemper, all assisted, and there was an extraordinary attendance of K. of C. Dignitaries, including G. Ks. from neighboring councils, notably Costello, Hopkinson, Kissane, Collins, et al., and Jacob Mueller, P. G. K. of Lafayette, president of the Chicago Chapter, as well as D. D. Lowrey from Joliet. The exemplification was most impressive, the candidates enthusiastic and the Degree Team worthy of highest congratulations.

COMING EVENTS

Don't forget that Tuesday next, April 1, is "Founders' Night." Lecturer Joseph Ryan has arranged an outstanding program, topped by two short, hard-hitting talks, entitled "Faith of Our Founders" and "Our Founders' Aim." Both of these discourses are freighted with messages of importance to the entire membership.

There are double features planned for April, because the Tuesday, April 15, meeting will be "All Nations' Night!" This program is to be dedicated to all the nationalities which go to make up the membership of Hughes Council and which are responsible for making the Council great. Bohemians, Irish, Poles, Germans, Norwegians—verily, all the great nationalities will be honored on April 15.

Keep in mind that Tuesday, May 20, has been reserved as another ripsnorting "Ladies' Night," done in the superb Hughes Council manner. It is the intention of Lecturer Joe Ryan and his alert committee to repeat "A Night at Monte Carlo," which proved such a popular offering at a previous Ladies' Night.

Election of officers during June.

COUNCIL BOWLING NEWS

In a crucial series, the Lauterbach Coal Company team practically clinched top-place honors in Hughes Council's Bowling League, for led by the redoubtable Erve Lauterbach, sponsor of the team and bowling in the anchor position, the Lauterbachs trounced the second-place Elmo Ward Builder Golds two games out of three last Friday. If the Golds had swept the series, it would have been a knockdown, dragout fight to the finish, but with the Lauterbachs emerging victorious, it looks like a canter to the wire for the present leaders.

The Lauterbachs, with John (Hot Dog) Reilly, Capt. Mickey Dailey and Erve Lauterbach each bettering the 200 mark, won the opener by a comfortable margin. The Ward Builder Golds proved their mettle by winning the second game, Joe Delaney trying valiantly in all three, abetted by Elmo Ward himself, Art Carroll, George Daly and Al Gilbert. In the final contest, the Lauterbachs came through when Erve tossed in about six in a row to finish with a 247 game for a 651 series.

The Malone & Clancy Undertakers and the John McKeown Cartage Company teams are still in the running, tied for third place, and refuse to concede anything to anybody. The Malone & Clancy won two from the Votava Auto-Fixers, Shanahan getting 232 in the final game, while Benes and Bannon were the leaders for the green-shirted Votavas. The McKeowns copped two from the Howell Restaurant team, Biezart and Enright offsetting young Charlie Reilly's low score in the first game, but Charles Junior went to town in the other two. Howlett was high for the Howells, which team won the closing engagement.

Alderman Richard M. Walsh 36th Ward Boosters swept their series with the Peter M. Kelly Undertakers, while the Elmo Ward Builder Blues won the odd from the Douglas Coal team. The Toomey Tavern squad took a pair of beatings from the Flaherty Tavern team, with Dick Flaherty knocking off a nice 221.

Fourth Annual Barbecue Campaign Gets Underway

Father Harold J. Kenny, Speaking for Bishop, Expresses Gratitude for Knights of Columbus Assistance

Speaking in behalf of the Most Rev. Bishop Bernard J. Sheil, whose absence from the city prevented his attendance at the "Kickoff" Dinner opening the Fourth Annual Knights of Columbus Barbecue Monday evening, the Rev. Michael J. Kenny, Secretary to the Bishop, expressed his superior's regard for the Order as an "organization that brings together, in one cooperative force the full treasury and warmth of all human charity, patriotism and Christian ideals.

"Few are the persons," Father Kenny said, "who can realize the tremendous job being done by the Catholic Youth Organization for the underprivileged youth of Chicago. In this work, the Knights of Columbus have definitely established themselves as Bishop Sheil's good right hand—a hand always proferred warmly in greeting and generously in assistance."

All Officers Are Present

Almost every Grand Knight, Council Barbecue Chairman and District Deputy in the Chicago archdiocese was present at the dinner gathering held at the Hotel Sherman to hear the outline of this year's barbecue campaign, the fourth of a series that has already enabled the local councils to donate a total of $56,368.17 to Bishop Sheil's Underprivileged Youth Fund.

In outlining some of the Catholic Youth Organization's welfare work that the donations of this money had made possible, Father Kenny said that 16,500 youngsters attending the summer vacation schools were partly fed and clothed as a result of the Knights of Columbus assistance. Eighty percent of these children he pointed out in stressing the value of the work from a Catholic Action viewpoint, are baptized Catholics but are now attending public schools and have not yet received their First Communion. Their only chance therefore to obtain further instruction in the lessons of their faith comes as a part of the summer school program.

Many Another Activity Aided

Other activities including the physical care of some 4,000 dependent boys and girls on the west side; the supervision and instruction of hundreds of negro youths throughout the city; the provisions for aviation instruction offered at the Lewis Institute at Lockport; the invaluable services of the local Social Service Bureau at Congress St., and the creation of several free summer camps; all were a part of Bishop Sheil's program that had been broadened in scope and effect as a result of the assistance provided by the Knights of Columbus during the last three years, Father Kenny said.

Following Father Kenny's address, Barbecue Chairman Ludwig A. Streck, appealed to the council officers to "begin immediately to complete the distribution of the barbecue books so that an early sales campaign could be made.

Individual's Help Needed

"We must each remember," he said, "that the most important work in this campaign is the work we do ourselves.

Express Gratitude to Archbishop

The Most Rev. Archbishop Samuel A. Stritch, (seated), in whose honor last February's Fourth Degree Class was named, expressed considerable surprise and pleasure last week when Joseph A. McMahon, Master of the Fourth Degree here, presented His Excellency with an honorarium in behalf of the Sir Knights who were represented at the annual exemplification and banquet.

With Master McMahon (left) as the presentation was made were Henry J. Lynch, Secretary to the Master; Michael J. Howlett, Supreme Director and Judge John F. Bolton, State Deputy.

C. G. Fenwick, Authority on International Law, to Speak at Forum Sun.

Charles G. Fenwick, authority on international law, and leader for many years in Catholic peace movements, will address the members of the Charles Carroll Forum, Sunday, Apr. 6, at 3:30 o'clock at the Palmer House.

Mr. Fenwick, who was born in Baltimore, Md., May 26, 1880, was educated at Loyola College, and Johns Hopkins University, Baltimore. From 1911-14 he was associated with the Carnegie Endowment for International Peace, and lecturer on international law, Washington College. Since 1914 he has been professor of political science, Bryn Mawr College.

Among Mr. Fenwick's works are: "Political Systems in Transition," "International Law," and "The Neutrality Laws of the United States." He is a member of many learned societies, namely: American Political Science Association, American Society of International Law, and the Catholic Association for International Peace.

Barbecue—

(Continued from page 1)

No success can be anticipated unless each one of us will get out and do his share. The number of tickets we sell will be the only measure of how much we are interested in assisting Bishop Sheil carry on his great program."

Streck also announced that eighteen capital prizes totalling fifty-five hundred dollars would be offered this year and that the sellers of each winning ticket would receive $20.00—five dollars more than last year.

Michael J. Howlett, Supreme Director of the Order, spoke feelingly on the merits of the Barbecue project as a part of the active council's program. He pointed out the need for early and complete organization if an improvement was to be made over the attainments of other years.

The State Secretary, Leo M. Flynn, challenged the Knights to renew their efforts this year in order to provide a new high in council contribution to Catholic Action. The three year's effort of the councils in this jurisdiction on the past barbecues have put the councils from this area on a pedestal throughout the nation, he said. No other organization, has ever, as the result of three consecutive campaigns, accomplished so much in the furtherance of charity.

Charitable Respects Stressed

Judge John F. Bolton, State Deputy, also brought out the charitable purposes of the enterprise, and claimed that "we may overlook, because it is so near, that the primary purpose of this project is to build up a fund for the charitable care of our fellow beings."

"Charity is the greatest virtue made known to man," he stated, "certainly that virtue is made even sweeter when we know that it is being expressed in behalf of young boys and girls, children who, with our aid may be brought to the arms of our Church, and that without our assistance might forever be lost, to both their God and their country."

New Gospel MS. Will Not Alter Bible Knowledge

Washington.—The discovery of a seventh century manuscript containing 30 consecutive pages of the Gospel according to St. John is highly interesting to Biblical students but will not alter present-day knowledge of the Scriptural text. The discovery, fragments of which were unearthed in 1936 on the ancient road to Mt. Sinai, but whose value was not recognized until recently, was announced by Dr. Lionel Casson of New York university at the meeting of the American Philological association in Baltimore.

The Rev. Dr. Edward Arbez, S.S., of the Catholic University of America, pending the publication of the documents, said that their main value probably would be in relation to the history of the text of the Gospels. He pointed out that here are extant at least five copies of the New Testament in Greek that date from the fourth, fifth, and sixth centuries. There are fragments of the New Testament texts antedating these complete copies. Moreover, there are Old Latin, Syriac, Coptic, and other translations that are earlier, and that were made from Greek copies not now at hand. St. Jerome began the Latin revision of the New Testament in 384.

Dr. Arbez, general editor of the English retranslation of the New Testament now being completed by the Catholic Biblical Association of America, said that the find "will not revolutionize any information we now have," but may provide further information on some "family group" of the New Testament texts. The Gospels have come down in the Greek language. No original is known. Copies were made of the original copies, and so on. Variations in copies naturally appeared and are seen in "family groups" of texts. Experts, by watching certain readings, can relate a particular text back to an earlier copy in which these peculiar variations first began to appear. By a study of "family groups" the original text is ascertained.

Washington.—The Rev. Dr. Edgar Schmiedeler, O.S.B., has written The Association of the Holy Family, a pamphlet designed as a guide in the formation of units of the association.

St. Paul Bowlers Set High Scores at Nat'l Tourney

1-3 Tues. . . . . 6713 Olmsted Ave.

Forty-one members of St. Paul of the Cross Council made the trip to Indianapolis, to bowl in the Knights of Columbus National Tournament.

The North Side Majors led the team events from the council with a score of 2942. At the time it was rolled it put them in second place, but during the week-end two other teams beat this score. The high scoring was led by Stanley Cerbin with 623 and Dr. Seidl with 622. Lambert Service was second in our squad with 2745, headed by Ray Kopinski's score of 619. The West Side Majors turned in 2710, headed by Jack Lynch's 579. On the other teams, J. Barado rolled 622 to lead his team, which scored just under 2700, while H. Clark's 590 led his team.

In the doubles, Lynch and Fowler led the parade with 1194. V. Fowler, with a 661, was king pin of the pair. They were closely followed by Porazinski and Cerbin with 1180. King and Hoffman were next with 1129 and Wrzeszcz and Masters followed with 1119. In this event Vic Porazinski turned in a sparkling 278 to give him a total of 630 and also the high game of our squad and of the tournament so far. Starting off with nine strikes in a row, his first ball in the tenth frame (although a trifle high) could have been a strike, but Lady Luck was on the other horse and two pins stuck on him.

In the singles, Fred Wrzeszcz's 671 led the parade, followed by J. Barado with 637, V. Callaghan with 628 and R. Hoffman with 627. Fred's big game was 267, just 11 pins short of Vic's masterpiece, while J. Barado had a 258 in his series.

In the all-events, the high scores were as follows: Barado, 1791; Wrzeszcz, 1785; Dr. Seidl, 1777; Hoffman, 1758; Cerbin, 1755; and Fowler, 1751.

Council history will be made next April 15 when all you men assemble in the council chambers to do honor to that outstanding clergyman and brother knight, Rev. Fr. Kiley, for it is to him that we plan this testimonial. This evening will be devoted to recognition of and appreciation for the helpful and untiring service he has given to St. Paul of the Cross Council and for being the best chaplain any council could wish for.

We say "we want you—we need you" to make effective that idea of your G. K. so nobly conceived, so ideally born, so hopefully reared and so courageously emancipated. The boys have been busy with the Indianapolis trip last week so that the arrangements for this night were left for afterward when more concentration can be given to this all important matter. It will definitely be a dinner affair and the things we mentioned last week will be incorporated into the doings. You know that nothing will be left undone to make this a celebration long to be remembered. Be sure to make it a point of your particular business to be on hand.

April 27 is the date set for the council's annual Communion Sunday. Chairman of the committee for arrangements, Warden Wm. (Bill) Gregory, is getting things in ship-shape for the occasion and we know that he will expect every man of St. Paul of the Cross to be on hand to show that he is proud of his membership in our council in addition to publicly manifesting his association with the Knights of Columbus and his faith in the teachings and principles of the Catholic Church.

WE HEAR THAT—

Bro. Dr. T. E. Conley is seriously ill in St. Francis hospital. We sincerely hope that he will successfully combat his illness and be back on the job again soon. . . . Rev. Fr. Kiley spent nearly all of last week "vacationing" in St. Francis hospital where we understand he went as an advance guard—a sort of reception committee—for Alex Kremer who kept him company during his stay in the same institution. We knew that the good padre wasn't really sick and are happy to know that what was bothering Alex wasn't what he thought it was—so everybody is happy and the mental strain has been removed. . . . Gene Sass should now be settled in his new home and we await the call for the house-warming party. He should be talking about it any day now.

We are sorry to learn of the death of the daughter of Bro. James E. Gillogly who passed away last week and of the death of the wife of Bro. John T. Manning who, likewise, passed to her eternal reward last week-end. May it please God, in His tender mercy, to rest their souls in peace.

326 POLES SENTENCED TO DEATH IN MONTH

London.—Death sentences pronounced in Poland during last January totaled at least 326, the Canadian press here disclosed. The reports were taken from accounts of trials in four German newspapers published in occupied Poland.

From Instanbul, Turkey, come reports that it took a Nazi special court in Posen only four hours to hear the cases of and pass death sentences on 13 Poles.

FR. SETTERS BARBECUE DRIVE GETS UNDERWAY

2-4 Thurs. . . . . 4711 W. Madison St.

Scarcely an hour after the officials had sounded the opening gun in the 1941 barbecue campaign, the members of Father Setters Council assembled last Monday evening and began the intensive drive designed to make this year's barbecue the greatest in the history of the enterprise. Already busy Settersites are engaged in contacting all council members and distributing tickets and literature, and early reports indicate a hearty response.

Those who gathered for the opening of the drive at last Monday's meeting were: Grand Knight Maurice J. Kissane, Cochairmen William N. Hoffman and Edward M. Fitzgerald, and Committeemen Nick Rosenau, Maurice Hancock, Bill Hassett, John Noonan, George O'Brien, Dave Kissane, Jim Kissane, Ed Dwyer, W. J. Coughlin, Frank W. Long, Tom F. Lavin, Ben Harrington, Jim Macken, Joe Doyle and Steve Campbell. Other council members are, of course, actively working on this committee and all are cordially invited to participate.

Upon distribution of the books to members, the committeemen are asked to forward the receipts for the books to William N. Hoffman, 925 S. Clarence Ave., Oak Park. Returns on tickets should be made to Financial Secretary Thomas A. Lavin, 5315 W. Adams St. Additional books can be obtained by calling Ed Fitzgerald, 4335 West End Ave., telephone Columbus 2981. Ed will arrange immediate delivery.

It is, of course, well known that the principal beneficiaries of the barbecue will be the thousands of underprivileged youth who are aided by His Excellency, Bishop Bernard J. Sheil, through the Catholic Youth Organization. The extreme worthiness of the cause being self-apparent, and the loyalty and energy of all members of Father Setters Council and of all affiliated councils being so often demonstrated, it is almost a foregone conclusion that the 1941 barbecue will be the most successful of all.

COMMUNION SUNDAY, MAY 11

Grand Knight Maurice J. Kissane again directs attention of the members of Father Setters Council to the annual communion Sunday, May 11. This is, as you know, Mother's Day, and for many years it has been the custom of Father Setters Council to approach the holy table on that day in memory of all departed members and their families.

This reception of the Blessed Sacrament will take place at St. Finbarr's Church, 14th St. and Harding Ave. The hour of the mass will be announced at an early date.

Genoa Plans Special Memorial Service in Tribute to Late Leader

1-3 Mon. . . . . 7439 Cottage Grove Ave.

At the next meeting of Genoa Council, GK James F. Riley, Jr., and Lecturer James Hynan announce that a special memorial service will be held in honor of Thomas W. Fullem, Genoa's first grand knight and until his recent death one of the strongest backers of Genoa Council and the Knights of Columbus in the state of Illinois.

The meeting will start promptly at 8 p. m. and will be under the chairmanship of Warden James Large. The program, which has been worked out in conjunction with Lecturer Hynan, is the first of its kind ever staged in any council of the Knights of Columbus in the city.

Members of the LaFayette Council Glee Club, together with members of Liberty Post, American Legion, will stage "The Unknown Soldier." This act, which has gained wide acclaim throughout the country, is most apropos and will be a thrill always to be remembered by those in attendance.

Any member failing to attend this meeting certainly lacks interest in council affairs. This is your night and it is hoped that an overflow crowd will be present.

All those members taking part in the evening, together with those gentlemen who are not members of the council, but who have contributed their talent toward making this a meeting unique in the history of the council, are to be commended for their devotion and interest in matters that are patriotic, truly American and Christianlike.

DEGREES TO BE GIVEN

Next Sunday being Palm Sunday several intended members of Genoa Council are to take the first, second and third degrees at Blue Island, Ill. It is intended that a goodly delegation from the council will make arrangements to attend this exemplification. All who have attended the exemplification in recent years know what a time is in store for them.

DUES AND ASSESSMENTS

Once again the collector, Walter Kramer, is asking those members in arrears in their dues and assessments make every effort to catch up in the accounts so that their membership in t Knights of Columbus will in no wise jeopardized. This is your duty and y owe it to yourself and your loved on that these policies be kept up to da If you are behind or do not know ju how you stand at this time, contact Wa ter at his home at 8220 Champlain A or call Vincennes 1264. Take care of t matter at once. It is important.

Bro. Stanley McGorin was seriously i jured last Sunday morning when he w struck by an automobile. He is at t Jackson Park Hospital. Whether or n he is yet able to have visitors is r known. Hope you are better in a f days, Stanley. The meetings will strange without your presence and su port of council activities.

"The Outfielder of Eternity"

By HAROLD N. ROESER

Grand Knight, St. Paul of the Cross Council

Today, lest we forget—and this, by the way, is being written on the 25th day of March—we celebrate the feast day of St. Dismas; St. Dismas, the good thief on the cross; St. Dismas, the wayward, hapless, homeless bum of Jerusalem who, as Dempster MacMurphy was wont to report it so accurately, was "The only saint in heaven who got the green light from Christ Himself."

St. Dismas, by every intent and purpose—but surely by virtue of the great and glorious happenings surrounding his last moments on earth—should be one of the most venerated and best remembered saints in heaven.

He was a sinner, that's true. He was just an ordinary hoodlum who prowled the streets of Jerusalem. That much is readily admitted. He also stole a little, sometimes—maybe he "lifted" a basket or two when the olive carts trundled by?—to help eke out what must have been a miserable existence. In short, during his days alive he was somewhat of a cronic lawbreaker, of petty proportions, who made of himself such a regular nuisance to the Jerusalem constabulary that, eventually, to rid themselves of this annoyance, they nailed him to a cross.

But Dismas—later St. Dismas—made his confession. He confessed openly and in public, on the slopes of Calvary's hill. He repented deeply and rued his chosen way of life. And what seems to be of such momentous importance is the known fact that this confession, the confession on the cross—with life slowly ebbing away—was heard by none other than Christ Himself, the Reedemer of the world.

And the good and merciful God, Himself nailed to a cross and dying, forgave Dismas' sins. Christ, the Lord, absolved him of sin, for all to hear, when he uttered these memorable words, "Even today thu shalt be with Me in Paradise!"

Yet, strange as it seems—and it is strange—we have all but forgotten St. Dismas. Few of us at most, at the spur of a given moment, can recall this saint by name. And even stranger than that is the fact that the church itself, it is said, isn't any too positive that Dismas was the real name of the good thief on the cross. In reality, it isn't even known as a definite certainty, we understand, whether the good thief's cross was raised to the right or left of the cross of Christ. In all scripture and in all recorded history, pertaining to the Crucifixion, there are written less than one hundred words bearing upon the life and death of Jerusalem's problem son.

In bygone years Dempster MacMurphy, late of the Chicago Daily News—incidentally, a convert to the church as a result of a strange attachment for, as he put it, "A wrong guy gone right"—was accustomed to pen a story, on this annual feast day, in behalf and in behest of the good thief. MacMurphy, concerning his favorite saint, would write humorously, sportively and, seemingly, in quick and carefree style. He contributed these St. Dismas articles to the pages of his secular press, for all to read. Yet, this great newspaper man—and great he was in every phase of life—was never in more deadly earnest, nor more devout, than when he took pen in hand to compose these yearly essays.

MacMurphy loved St. Dismas. He preached the gospel of the repentent thief. Before his death MacMurphy expressed the hope—it was actually a prayer—that St. Dismas, his favorite saint, would be awaiting him at the pearly gates to help a poor newspaper man, without badge or credentials, "get by." On one occasion, in one of his very last St. Dismas stories, MacMurphy concluded the article with the humorous yet ominous statement, "St Dismas is in the outfield of eternity snaring flyballs—the souls of men condemned to death."

To a certain class of persons money is the only standard of life. They ask in regard to a friend: How much is he making? What did he realize in that bargain? Money, money, money—that is the only question that concerns them; that is their only measurement for effort. When they speak of a successful person they mean one who has amassed a fortune. Spiritual success, the conquering of poverty in virtue, the transforming of a careless, selfish willful man into a kind, gentle, consistent gentleman—that to them is not success.

In January, 1831, Joseph Henry, later one of America's greatest scientists, described, in Silliman's Journal, experiments in which he had vastly improved the electro-magnet. Shortly afterward, he exhibited at the Albany (N. Y.) Academy, where he was a teacher, what has been called the first electro-magnetic telegraph. Around a room he stretched more than a mile of wire, with a battery at one end and, at the other, an "intensity" electro-magnet, whose armature struck a bell when the current was reversed. Henry's improvement of the electro-magnet was an important contribution to the development of many forms of apparatus for electrical communication. In 1875 he encouraged Alexander Graham Bell to persist in efforts which led to the latters' invention of the telephone.

Good newspaper material in the Spring of 1919 was the story of Henry Ford's libel suit against "The World's Greatest Newspaper," during the course of which Mr. Ford called Benedict Arnold a writer, and in reply to the question, "Have there been any revolutions in this country?" he answered, Yes, one in 1812."

Carroll, Past Grand Knight of Damen Council, both officials in the postal service, led in organizing the Knights of Columbus behind the War Savings Stamp and Thrift campaigns conducted shortly after the entry of the United States into the first World War. Appeals were sent personally to every member of the order in Illinois to become savings stamp boosters.

In addition to caring for some 15,000 army students in the several training camps in and about Chicago at the time of World War I, the welfare committee of the Knights of Columbus of this area established a recreational center near 26th street and Karlov avenues for the comfort of the Motor Transport Corps of the U. S. Army. The members of this army corp were often obliged to stop in Chicago for short periods en route across country.

Approximately 500 men at a time were taken care of at the quarters. Shower baths were installed, reading and writing rooms, piano and various other pieces of entertainment equipment were also put at the disposal of the visiting men.

For the accommodation of the sailors at the Great Lakes Naval Training Station and other service men in the city or for those who were passing through, the club houses of the various councils throughout the city threw open their doors day and night and entertained the young fellows with all the accommodations of the clubs.

Think that flying fortresses make big newspaper stories? Perhaps the most sensational reading of our 1919 daily papers was the recount of the flight of the American Navy seaplane, the NC-4, first plane to cross the Atlantic. This much forgotten naval exploit was completed several months before Alcock and Brown crossed the same ocean in a single hop and was eight long years ahead of Lindbergh.

Every possible creature comfort was provided by the Knights of Columbus of Chicago to soldiers stationed at Fort Sheridan during the last war. Five thousand packages of cigarettes were distributed weekly. Matches, chewing gum, smoking and chewing tobacco, tooth brushes, tooth paste, handkerchiefs, toilet and shaving soap, razors and razor blades, and assortments of candy were given out freely.

Cards, checkers and every game imaginable were placed in the hospital wards for the amusement of the patients. Every incoming train bearing soldiers was also met by a K. of C. delegation regardless of the hour or weather conditions. Stamps, and postal cards were given to the men to announce their arrival to friends. Everything of course was free.

In 1913, Brownson, De Soto and Ravenswood councils of the north side banded together to give their members and friends a series of instructive lectures dealing with the live issues of the day. Men famed for their deep research and oratorical ability were engaged to deliver these lectures, and the efforts of the committee in charge were crowned with gratifying success. (W. Mann, Ravenswood.)

HUGHES BOWLERS AT IND.

The Major Bowlers of Hughes trekked to Indianapolis for the National K. of C. Bowling Tournament over the last week-end and came away with brilliant laurels. Look at the records: P. G. K. Elmer J. O'Brien is top man in the singles with 692; Frank Kaminski is second in the singles event with 688. Other singles scores were Stanley Para, 633; Jack Fender, 624, and Al Kowalski, 578. Kowalski had 620 in the doubles.

Frank Kaminski had assumed the all-events lead with his 1933 total, but later was replaced by Joe Sinke of Brownson who totaled 1980. Frank remains in second position. Elmer O'Brien got 1855 for sixth in the all-events.

In the team event, the Majors totaled 2833, topped by Kaminski's 658 and O'Brien's 607. Unfortunately, Capt. Anthony Slanina, who has been hot as the proverbial firecracker lately, did not accompany the majors. We regret keenly to learn that his brother, John Slanina, died late Friday night or early Saturday morning, the obsequies early this week.

Loyola-Hyde Park to Make Final Plans for Coming Degree Class

2-4 Thurs. . . . 7435 Cottage Grove Ave.

We hope to find all of you in attendance at our April 10 meeting, as we are readying plans for our first and second degree exemplification to be held in our own clubrooms on the evening of Thursday, April 24. We want all of you to bring your applications for membership with you, so that we will know how many candidates we will have.

FOURTH DEGREE CLUB

It is our great pleasure to announce the forming of a fourth degree club within our council, this hereinafter referred to as the "Lohypas," was formed at our last meeting and lists as its officers such distinguished knights as PGK Dick Judge as president, PGK Charles Lawler as vice-president, Bernard Thompson as secretary-treasurer, Herman T. Rack as marshal, and as trustees, Patrick H. Costigan, George Birmingham and Richard Fay. This club is formed to foster a closer association of fourth degree members and to promote patriotic endeavors.

Through this club it will be possible for any third degree members to become Sir Knights by paying the small sum of $2 monthly so that by the time the next exemplification of the fourth degree takes place they will have saved their initiation fee. This monthly payment will also make it possible for the third degree members to participate in the club's program. We have been urged by the officers to call this to the attention of all third degree members who contemplate taking this degree. The next meeting will take place on Wednesday evening, April 16, at the home of the vice-president, PGK Charles Lawler, 7415 Rhodes Ave.

BOWLING

Into the homestretch with the bowling league we find the Rich Martins still out in front with plenty of teams in a good position to catch up. In last Friday's contests we find the Bernard Thompson Florals tripping the Joyce Hagan Coals in two out of three games; the Dr. Heinzs took the Pop Hamburger team in all three; the Kodakers beat the Reliable Packers in two out of three, and the Kodakers trimmed the league-leading Rich Martins in two out of three. Jim Ramshaw was high man for the evening with a pretty 231 game.

Chairman Art Jacobs informs me that the bowling league will hold its annual party at the Capitol Inn, 7718 S. Halsted St., on Saturday night, April 26. The menu includes a chicken dinner with all the trimmings and all the beverage you can drink. Sounds good to us, Arthur, also, as we remember, you want everyone to make his reservations early.

Our last meeting found a good crowd on hand and everyone had a great time. DGK John McGuire presented the blood donor emblems to all our members. We hope in the near future to enlarge this group when we again complete arrangements to have more of our members typed.

NEWMAN MEMBERS AID HOLY NAME CAMPAIGN

1-3 Thurs. . . . St. Mary's Hall, Evanston

In keeping with the "all-out" aid being extended by the general membership of the Knights of Columbus here in support of the Holy Name Society's campaign to enlist 200,000 new members by Easter Sunday, many Newman brothers are supporting, cooperating in, or signing up with the Holy Name membership drive.

Brother John Maloney of St. Athanasius church is the district chairman on organization. Brothers Julian Alter, Fred Erickson, J. Faber, Bert Fischbach, Martin Loebbaka, Ed Prims, George Wendt, Adam Fredrich, E. C. Muth, and Otto Menke are assisting Clifford Dalton and Ed Coleman with the campaign in St. Nicholas parish. Bro. Jim McNair of St. Mary's church reports Bros. Joseph Tyrrell, Dr. Alexander Pope, D.D.S., William J. McDonough, and Philip Hopkins as district captains under chairman Bro. Francis J. O'Reilly.

In St. Nicholas parish nearly a hundred men are out soliciting members; the solemn reception of the new members of that parish will be held Sunday evening, April 6th, at 7:30. In St. Mary's parish the solemn reception will be held on Easter Sunday at the 8 o'clock Mass.

Since the ideals of the Holy Name society and of the Knights of Columbus are so closely united and since the greater majority of the Council's brothers are already listed in Holy Name groups, the campaign has had the whole-hearted support of all local Knights. We wish to remind every man above twenty-one years of age that the command of our Archbishop MUST be obeyed.

In order to give every man an opportunity of signing up in the Holy Name Society a man will be stationed in the rear of every church next Sunday morning after Mass. If, therefore, you have not been approached as yet, take advantage of this chance to join the society.

LADIES' NIGHT!

Yes! You asked for it, indeed! And here it is. Ladies' night will be held Saturday evening, April 19, in the Legion Hut on Central street. Plenty of swing will be provided, besides many refreshments, and a full program of feature numbers. Every brother and his wife or sweetheart is weclome. Dance as much as you please; no admission charge.

NEWMANEWS

Brother J. Wiltjer took up a collection on the train to the Indianapolis Bowling tourney for flowers for Roy Decker, who is in a hospital in Florida. Bro. Edward J. Atchison asks if the second collection taken up by Bro. Wiltjer was for sneezing powder. Grand Knight Kenneth Lawson congratulates Brother Wiltjer for the efficient manner in which he handled all the details of the trip.

Sunday, May 4, has been designated officially as national Communion Day for the membership of the Knights of Columbus. Newman council members will attend the 7:30 Mass at St. Nicholas church that day, and the breakfast to be held immediately afterwards.

Zera made a nice showing at the National tournament held at Indianapolis. Joe has a nice program arranged for us for May 15th.

The First and Second degrees were held at our last meeting and May 1st is New Members Night, according to Bones Nellessen.

At our next meeting Hal Totten, radio announcer and sports commentator, will be our guest. Mat Jans has arranged for the Tribune movie: "All American Way."

The barbecue is under way and we hope that we will surpass the showing that we made last year. Remember this is one of the greatest causes sponsored by the Church—that of taking care of the underprivileged youth.

Whatever became of that photograph of the Newman brothers in Indianapolis, made by an Ouilmette brother? Seventy-one men in it!

Judge Jim Corcoran's retreat class will soon be forming.

STRANGE FUNERAL RITES ARE DISCOVERED IN CHINA

Maryknoll, N. Y.—The Rev. John Smith, Maryknoll missionary of 22 Autumn avenue, Brooklyn, at present pastor at Chiklung, South China, has written to his brothers here of an unusual society formed by his Chinese parishioners.

Father Smith was anxious to have as many as possible in attendance at funerals becuse they are excellent opportunities to explain the Catholic doctrine on death. In his village, the customary banquet which follows the funeral is provided by the family of the deceased.

Recently Father Smith noticed that very few mourners turned out for a poor man's funeral. This was rather strange because the Chinese have a great devotion to their dead. Upon making inquiries he was informed that they "didn't wish to embarrass the family" by having them provide a repast which they could ill afford and which might, in consequence, place the family in greater debt.

Accordingly, Father Smith's parishioners have formed a "Provide-the-Funeral-Banquet-Society." The 80 members invest $1 each. From this capital a quantity of rice is bought. Later in the year, when prices are higher, the rice is sold.

FR. O'CONNOR KEGLERS WEEK'S BIG ATTRACTION

1-3 Thurs. . . . . 4660 No. Kedzie Ave.

The Council bowlers occupy Fr. O'Connor's spotlight this week. The keglers, fresh from various sorts of triumphs at the National Tourney in Indianapolis, rolled their final games in their own league last Tuesday night, just one night after we went to press. Three teams are within striking distance of the coveted title of Fr. O'Connor Champions and the Bill King Championship medal. Widtmann's Markets, the current leaders, are favored to cop. The Widtmanns, sparked by Joe O'Brien's brilliant 579 series, won two from Dick Navin's boys last week and need only two victories to assure themselves of at least a tie.

The Cristo Printers dropped a pair to Gannon's Inn and are now in second place, one game out. However, their next opponents are the powerful Shamrock five led by Fr. Rausch and George Loohs. The O. K. Exterminators, the other contender for the title, rests in third place, two games out, as a result of their upsetting the Shamrocks three times last week. They meet the Widtmanns this week and three wins would practically cinch the champions for them. In other games the King Coals won a pair from the Alderman Ross Boosters while the Furman Funerals were sweeping their series with Joe Nolan's Insurance men.

The BIG TEN for the evening follows: Loohs, 609; King, 594; Johnson, 581; Joe O'Brien, 579; Coleman, 575; Fr. Rausch, 562; Metzen, 554; Brady, 554; Kotnaur, 538; and Fleischauer, 534.

FOUND

Phil Doyle, an honest man if there ever was one, requests that we announce that a pencil was found at the officer's meeting of March 13, held in Chief Touhey's basement. Brother Doyle is anxious to return the pencil to its proper owner. If you're the guy, please get in touch with Phil.

DUZER DOO

Financial Secretary, John Metzen, informs us that you guys have been a little slow in coming up with that green stuff. In other words your dues are due again. Believe it or not, it does take money to operate a council of over 500 members. There's only one place John can get the dough, unless he takes up second story work, and that's from you. We would appreciate your checking up on yourself. If you failed to make your remittance as yet, please do so at once. You received your statement during the last week so you know just how much to send in. We know you'll take care of this matter at your earliest convenience.

INDIANAPOLIS

Unfortunately, or maybe fortunately, your scribe was unable to make the Indianapolis trip with our bowlers. However, a few phone calls and a little tuning in, has supplied us with information which we pass on to you.

Eddie Droske, made his bid for fame while shooting in the singles. Eddie turned in a sparkling 645 series which should put him right up in the money. The best scores turned in by our bowlers in the five man event were Fr. Rausch's 597, Phil Doyle's 582 and Dick Savage's 542. Joe Sinke, a neighboring Brownsonite, scores an unbelievable 1985 in the all events.

And now for a report on the extra-curricular activities of the trip. George McLoughlan liked the town so well that he forgot about leaving. He missed the train back to Chicago. . . . Father Rausch and Dr. Woolfe planed back. Incidentally, we've been informed that Father Rausch was a guest of Pete Jung in the Hoosier State. . . . Phil Doyle and Bill Sullivan roomed together. Phil claims the room was more like Grand Central Station. Sully held a meeting of his softball team there in addition to entertaining a small group of 35 people Sunday morning. . . . John Golden ordered, and ate, two complete dinners at one serving on the return trip. . . . Bern Kamins spent most of his time entertaining an old school mate from Columbus, Ohio. . . .

Charity may also benefit as a result of the Tournament. It's rumored that Jack McGuire and Bill O'Neill are to be matched for a five rounder, with all proceeds going to the Greek War Relief Fund. . . . Dick Savage held the only Royal Flush on the trip and we're also informed that Jerry O'Brien didn't do badly. . . . Tex Williams says he really had a swell time. I saw him, and, I believe him. . . . Fran O'Grady rode around in a taxi for quite a spell and came back looking like an Indian.

Art Bradford had everyone running for cover when he snapped his candid camera. We sure would like to get a look at some of the pictures . . . Jim Clancy, using a new style of bowling, rolled a 547 series. . . . Bob Ryan claims he had a swell time. He's now in St. Mary's Hospital under observation. . . .

This week's mystery is an aftermath of the trip. Who threw the ice cubes where? It sounds kind of silly, but there are a few guys who will know what I mean.

Auburn Park's Degree Team Inducts Large Class at Last Meet

2-4 Thurs. . . . 7740 S. Emerald Ave.

On Thursday, March 27, Auburn Park Council acted as host to the Councils of South Group No. 2 in the exemplification of the First and Second Degree to a class of nineteen candidates.

After a very short business meeting that got under way about 8:15 p. m., the degree was put on by all of Auburn Park's own officers, and they are certainly to be congratulated for the efficient manner displayed by each and every officer. These Brothers all knew their part, and are a credit to our Council. They have worked hard in order to accomplish this, and certainly were rewarded by the fine comment of the membership at the close of the Degree.

The class was made up of ten candidates from Auburn Park, thanks to the efforts of Brother John Coughlin and his Membership Committee, five from Perez Council, three from McHale and one from St. Rita Councils.

We also had a large turnout of guests, including our District Deputy, Wilfred Byrne, and a large delegation from McHale Council headed by their Grand Knight Tom Mulroy, D.GG.K. Ed. Berleman, Chancellor Eldon McGuire, Brothers Jim O'Connell, Frank Mulroy, Fred Berta and J. Collins, and Brother Tom Walsh of Perez Council and our Insurance representative, Brother John L. Cushing.

Cook County Membership Chairman, Brother Guy Macina, Past Grand Knight San Salvador Council, arrived late, coming from another degree, but was unable to stay. Our State Secretary, Brother Leo M. Flynn, also came late from a downtown Barbecue Committee meeting, but left before the festivities were over.

Harry J. Cox wishes to thank all the Council officers, as well as the membership who assisted in the degree work, for the splendid cooperation displayed, and those members of other Councils who by their attendance made the work much more impressive. After the close of the Degrees our Lecturer, Brother James F. McLellan, took over and served those present with sandwiches and refreshments, and a very enjoyable evening was had by all.

NEXT MEETING DATE CHANGED

Due to the fact that the next regular Council meeting on the second Thursday in April this year happens to be Holy Thursday, it was decided at the meeting on last Thursday evening to move the April meeting up a week, which of course, was last night. The next regular meeting following will be Thursday, April 24.

WELCOME TO NEW CANDIDATES

We extend a hearty welcome to the ten new members who took their First and Second degrees on March 27 and hope they start their new activity by becoming regular attendants at Council meetings. If they make this effort from the very beginning they will become good members of the Knights of Columbus and really derive some benefit from their membership in the Council. This is a splendid way to become acquainted and take an active part in all activities of the Council. Be on hand Thursday evening, April 24, the meeting getting under way promptly at 8:30 o'clock.

The Hawaiians, who enjoy an ideal climate, have no native word for "weather."

Washington Had Fine Turnout at Quarterly Communion Gathering

1-3 Tues. . . . . 503 Main St.

Last Sunday, March 30, the members of Washington received their quarterly Communion at St. Simeon's Church, Bellwood. Our usual attendance was on hand, and we certainly were well received by Father Dan's assistant. We regret the absence of our Grand Knight, and Chancellor, at this meeting, but were told that both of them have been confined to their homes with very bad colds.

ATTENDANCE PRIZE

The time for the drawing is getting close. On Tuesday night, April 15, the name of the lucky brother will be drawn from the hat, and this brother will have the privilege of attending a retreat at Mayslake, sponsored by Father Muzik. However, the brother whose name is drawn must be present at the meeting of April 15 in order to claim the prize. If you haven't already signed your name to the register, why not come to this meeting.

ANNUAL COMMUNION

Next Sunday, April 6, Palm Sunday, is Washington Council's Annual Communion Sunday. Unless otherwise notified, the members of the council will meet at St. Eulalia's Church, Maywood, at 7:45 a. m. to attend the 8:00 o'clock Mass. Breakfast will be served after Mass in the church hall. This is one time that we expect a 100 per cent attendance and we hope that you will not disappoint us.

Dowling Meeting Program Outlines History of Mass

2-4 Tues. . . . . 3625 S. Hoyne

Last Tuesday, March 25, we held a night designated by our Lecturer, Dr. Laibe as Catholic Action night, and a fair attendance was present. The program was both interesting and educational as it broke away from the regular entertainment routine and stressed the religious aspects of life.

The program was opened with a hymn, Ave Maria, sung by Brother Geo. Connelly, Jr., with piano accompaniment by Rev. M. Fischer, an assistant at St. Maurice's Parish. We then heard a few remarks from P.G.K. Wm. Furlong, P.G.K. Ray Gerber, P.G.K. Earl Dunne and P.G.K. Tim Cronin.

Our Worthy Chaplain, Father Wunder, was the principal speaker. His topic was the history of the Mass from its beginning and it was so interesting you could hear a pin drop.

As the program chairman, I am personally grateful to Father Wunder, Father Fischer and Geo. Connelly, Jr., for the help they gave me in making this meeting so successful. I also want to express my appreciation to the chairman of Catholic Action Geo. Connelly, Sr.

Due to business our G.K. Frank J. Barker had to leave the city and our D.G.K. John Deschner handled the gavel and performed very well.

MAYSLAKE RETREAT

Our date for our retreat is drawing close as we spend our 60 golden hours at Mayslake on April 25. Our Chairman, Tom Gallagher, is a little anxious to know how many we can plan on and would appreciate the return of the reservations. Phone him at Ran. 8000, Local 329, or Lafayette 8081. The class leaves on Friday night at 6 p. m. and arrive at the Retreat House in time for supper, and will return Monday morning in time for work. The donation is entirely up to yourself. For further information consult our recorder.

The meeting of April 22 will be our Retreat night and the chairman for this affair will be our Trustee, Charlie Gagnon and it is his hope that we will fill the hall to capacity. This is an open meeting and an invitation is extended to all non-members. Entertainment is also being planned.

CUFF NOTES

Our Chairman of Blood Donors, Ray Gerber, is passing cards to all Brothers that were typed and hopes to get about 100 more Brothers to be typed.

The Patriotic Club is holding its Dollar night and May party May 24 at the Stock Yards Inn. Marty Dieterick is chairman.

Mrs. Dunne, the mother of our P.G.K. Earl, has been very ill during the past week and we hope at this writing she is much improved.

We had a distinguished visitor at our last meeting and he gave us some interesting facts about Catholic literature. He was Bro. Estes from the Chicago Chapter and Ketteler Council. We welcome his visits and hope he calls again.

Our big policeman Bro. Tom McGeehan, was at the last meeting and we are always glad to see his smiling countenance.

You will be advised within the next week as to the date and location of our Easter Communion. Try and be with your Council on that Sunday.

The lucky members for our last grab-bag draw were Trustee Tom Pransky, 1st, D.G.K. John Deschner, 2nd, and J. O'Rourke, 3rd.

The books for our annual barbecue to be held at Riverview Park June 18 will be distributed within the next week or two and your Grand Knight asks your cooperation, as the proceeds go for a worthy cause.

PIN TUMBLERS

We have only two more weeks of bowling and our president reports the biggest and best year of our bowling league. We had 35 men in the State Tournament and 15 in the National Tournament at Indianapolis and our bowlers financed their expenses without the help of our Council.

On May 3, Saturday evening, at the beautiful Marzano Palace of Pleasure, we are going to have a turkey dinner. Refreshments and dancing to your heart's delight. All the sponsors and their ladies, plus all the bowlers and their ladies, will be on hand to make it an enjoyable evening.

The Dunne General Tire Team, sponsored by our P.G.K. Earl Dunne, are the league champs and at this party they will be crowned. We congratulate Earl and his team.

The Hartnett team had a good chance for second place but the Dr. Miche turned on the steam and beat them thr games, despite the fact that Playbo Lorden rolled another 600 series. D Laibes beat the Zintaks three game The Zintaks missed Juric and Lepensk

Neri Plans Degree Class in Celebration of 25th Anniversary

1-3 Tues. . . . . 7515 Yates Ave.

On May 6 St. Philip Neri Council will hold the first and second degrees for the benefit of what is hoped to be a banner jubilee class of candidates. This is, you know, the year of Neri's 25th anniversary, and Grand Knight William T. O'Neill would like very much to present the council with a new member for each of the 25 years.

That's a pretty large class for a council of Neri's size but it's not at all impossible. Paul Hazard, Jr., is chairman of the membership committee and he is ready and anxious to aid you in interesting your prospective member or friend in joining the order.

SURPRISE NIGHT

The meeting of April 15 is to be "surprise night." We are informed that an elegant program of surprise is already wrapped for April 15 delivery, so don't lose track of the date. This meeting, incidentally, is for men only, but that's not the surprise. Keep the date open.

A dancing party will be held at the Caravel Club on Saturday night, April 26, under the sponsorship of the council athletic committee. Funds raised through this annual affair will be used in supplying equipment to the softball team for the season about to get under way. To properly equip a softball team with uniforms, balls, bats, baskets, rosin, tape, liniment, etc., takes quite a bit of money, and the revenue produced by these dances enables the team to pay its own way. Tickets are 50 cents per person.

THIRD DEGREE

An excellent class of candidates took the major degree last Sunday afternoon at Father Perez Clubhouse, among whom were three men from Neri. The degree team performed brilliantly. Neri members present to witness the degree were Wm. T. O'Neill, Joe Rooney, Bill Schroeder, John Miner, Henry Doolin, Frank O'Grady, Ted Gregalunis, Bill Spinar, Danny Ackerman and Mike Mullins. Any omissions will be cheerfully corrected.

COMMUNION SUNDAY

Neri's annual Communion Sunday will be held at St. Philip Neri Church on May 4, 7 o'clock mass. Breakfast will, of course, be served at the Caravel Club following the mass. John Miner and Ed Howe are chairmaning the program.

OVER THE FENCE

William J. Conway, 7638 Phillips, who doesn't get around to meetings often enough, but just retired after forty-six years of faithful service at Carnegie-Illinois. In fact, they both grew up together. Wm. J. was superintendent of No. 4 open hearth in the South Works. Congratulations are certainly in order . . . it's Grandpa August Green now, for Augie's son, Walter, is the proud papa of a baby girl. Mother and daughter were doing very well at last report. . . . Joe Farrell and George Gunkel have been classified in 1A in the selective service and both, they say, sleep with their shoes on in anticipation of further orders. George, stellar softball performer, is supposed to leave next Tuesday, but no definite info on Joe. . . . Frank Duffy is down at Fort Meyers in Kansas. Ray Duffy, Jr., has filled in his questionnaire and is calmly waiting for the War Department to make the next move. . . . NOTICE—Softball players wanted. Married men over 36 preferred.

It's difficult for a man to collect himself when his wits are scattered.

MADONNA Y.I.A. CLUB ALMOST MAKES QUOTA

2-4 Frl. . . . . 4624 S. Emerald Ave.

The Supreme Board did NOT waive the April, 1941, assessment, so all insurance members will please be governed accordingly. Ha, ha, y'gotta pay!

They got us, boys, and we're to be half shot at sunrise. Not for us do we grieve, but for the two Pintas who didn't come across before the end of the second feature so we could knock off an even hundred in the Year in Advance Club. And we strongly suspect that some of the folding money gents are holding out to make sure yours truly paid his.

At any rate, the final score stands, being at 98 in a familiar way, and Capt. Andy Barry, Frank Smith, Sr., Mike Smyth, John J. Powers and yours truly are the boys who saved little Nell from being tied to the railroad track by the villain.

And every time we think of how we were cheated out of being No. 100 we pull out our teeth and grit them. We have a gnash time doing it, too!

WELL! WELL!

What do you know? The game room in the attic of our old homestead, Madonna clubhouse, is receiving the finishing touches and according to Horan, Kane, Schwartzburg, Schwartzburg and Cohen, the consulting architects, it will be dedicated on Friday evening, April 18, to commemorate Paul Revere's running a red light in Boston—or something. Will you hear more of this later?

The next regular council meeting, which would fall on Good Friday, has been postponed to April 18, so we'll combine the two events and have one good and glorious night.

Friday, April 4, is the kick-off for the barbecue, and Chairman Howie Flanigan has called a meeting of the gaitered gentry at the club, to form plans for the hunt for halves.

Boy, we can smell those barbecued ribs a-barbering all the way over here. And the beef an' pork an' the—hellitsfriday.

FLANIGAN BROUGHT

A sheet as long as a grocery list tonight. After the first wave of excitement, we saw it was those bowling dopes, er—we mean dope.

It seems as though there is a tie. (!*?%). The Boyles and the Hermes (sounds catching, doesn't it?) are still even, taking two games from the Doodys and O'Connells, respectively. The O'Connells, clever little foxes, took the first game from the Hermes with 936 and then folded, winding up with a last game of 780. How, the Flanigan, aided the Boyles' opponents when he rolled a magnificent 90 in the first game as the Doodys won out 803 to 801. Then the Boyles boiled over in the second and third games, rolling 1,078 in the final. From the ridiculous to the sublime.

John Pollick paced the Duffys as they took the odd game from the Millers. Raleigh Kean turned in his best series of the year, thereby catching up with Marty Hoare in their own private feud. Jesse Folks after a long uphill struggle finally passed Ed Barry for the individual leadership.

WE CAN'T LOOK

The scores:	W.	L.	Avg.
Boyle's Solons	34	26	889
Hermes' Boosters	34	26	877
Duffy Florals	31	29	879
Doody's Garage	29	31	863
O'Connell's Jurists	28	32	872
Miller Banker Coals	24	36	878

THE MATCHED GAME

Between the league and St. Gabriel's turned out to be merely an exhibition when only 15 of the blue bloods showed up. Where is that Madonna fighting spirit? (Those are Howie's words—we could tell him.)

SALUT!

Our grateful thanks to Bro. Clem Lane, assistant editor of the Chicago Daily News and creator of the inimitable Oxie O'Rourke and Torch Nose McGonigle, for his gracious letter and kind words.

We'd like to do as you suggest, Clem (by the way, you must be the other gent besides the editor who reads this) and tussle with the publishers, but due to the tense situation in garters these days the censorship is mighty tough.

The only safe thing is the weather report—and that's full of hot air. (That actually smelled.)

P-F-F-F-TT

Things have been awfully quiet in the southern sector during the last few weeks so, suspiciously, we prodded around to find out why. Reason, it seems from above, is that our "better" scribe got himself a fan letter from no less an authority than Clem Lane. Our hero, prior to the arrival of his fan mail, was a fairly reasonable fellow. Now he won't talk to anyone who hasn't been asked for at least one autograph.

Clem Lane may be on our hero's side—we don't care, we're getting used to our up-agains and are reconciled to our Donegans (that stinks, too, either way you look at it), but we know that if Mr. O'Connell 'way out in California, who seems to be on our side, can call the turns on Ralphie from where he sits, Mr. Lane, on the fifty-yard line, had better begin edging over for a better perspective.—Ed.

Damen Bowling Teams Will Show Their Stuff at Indianapolis Today

1-3 Thurs. . . . . 6 N. Hamlin Ave.

By the time you are reading these notes the Damen Merry Men will be Indiana bound in quest of bowling honors at the National Tournament or at least their share of Hoosier Hospitality at the Hotel Lincoln.

A complete tournament score will be found in next week's issue—here's hoping for the ?? best.

DAMENEWS

Next meeting, march right up to our April 17 session in the Midwest A-C, 6 N. Hamlin avenue, for an Insurance program presented by Chancellor Bert Lannon.

Kieran Crowley was chosen C.Y.O. all-star from St. Mel to play in the annual C.Y.O.-B.B.R. basketball game on March 31st.

THE MERRY MEN

An authentic report of the doings of Damen Bowling League:

The cellar champs, McMahon Undertakers, took advantage of those slipping Kelly Couplers and trimmed them all three games despite the gallant shooting of Capt. Joe Kulisky. H. Hennigsen high for the McMahons.

The Stack Typewriters improved their league standing by winning two games from the Reliable Credit team. Frank Farrell clicked off three nice games for the typists, K. Phelan, the reliable standout for the Credit men.

The John Gormans won two games from the Cassidy Tires and but for the absence of Capt. Tom Cullen, who was home nursing the flu, would have won all three games, losing the second game by only 6 pins. Those Cassidy Tires sure need new threading, they are skidding fast. Al Marti high for the Cassidys, M. McGinnis high for the Gormans.

The Brown Plumbers, who were handed the first game on a silver platter continued on to make it two of three from the McEnery Realtors. Matt George and company just did not arrive in time to bowl the first game and thereby lost by forfeit. P. Brown, the chief pin-crusher for the Plumbers. Tom Reithal the lifesaver for the McEnerys.

ILLINOIS SHOWS VALUE OF ORDER MEMBERSHIP

1-3 Mon. . . . . 64 E. Lake St.

The distinguished writers who have preceded me in furnishing copy for this column have left nothing for me to say. The many advantages accruing from membership in the Knights of Columbus, Illinois Council in particular, have been expressed at length.

One important phase, however, is our insurance feature. Ours is one of the soundest and cheapest insurances in the country. It is well administered and is safe. Regardless of whether one is interested in fraternal organizations, the insurance feature of the Knights of Columbus should prompt becoming a member. And, having become a member, it is wise to attend the meetings to make certain that the business is well administered.

There is an even greater reason for associating oneself with an Order whose membership includes the flower of Catholicity. This is found in the friendships made in the Council chamber where you will find real friends; not merely acquaintances. Too often we forget that friendship, like good health, cannot be bought. It is a gift of the soul as well as of the mind. Nothing transcends real friendship.

PARTICIPATE IN BUSINESS

Often, when approached with the suggestion that one join with men of like ideas, of the same religious faith, of the same motivations, the thought crowds itself to the fore, "what is there in it for me?" The answer should be, "what will you put into it?" It is futile to sit on the sidelines, mute, inactive, and expect to receive any benefits from associations with other men. The unseeded field will not produce a crop. Nor will the seeded but uncared for field yield much of a harvest either. Interest, work and ambition alone will yield results. Therefore, it is important not only to attend meetings but to participate in every bit of business.

Every member can contribute to such a program. Every member can tell something which will prove interesting to his fellows. And what a wonderfgul opportunity this offers to learn how to speak; how to get on one's feet and give expression to thoughts; how to overcome shyness, diffidence, fear.

As one grows older, the friendships made here become more precious; firmer; more worth while; more satisfying. But you must keep these friendships alive by constant association. See your friends as often as you can. Share their joys and their sorrows. Let them share yours. True friendship begets understanding; tolerance; forgiveness.

All this is yours for the taking. Reach out for it. Attend the meetings of your Council. Your inactive membership gives you nothing. Your active membership gives you everything—if you have the right spirit. Do not leave whatever work must be done to the few. Join with them. Speak up. Don't be a seemingly disinterested "sideline sitter." You gain nothing from that and lose everything worth while.—By P.G.K. Fred Zapffe.

St. Pat's Pinmen Will Go to Indianapolis Tomorrow for Tourney

1-3 Tues. . . . . Madison and Hamlin

Forty members of St. Pat's Council will entrain for Indianapolis, Ind., on Saturday, April 5, from the Union Depot, Canal and Adams streets. The special will leave at 9:00 a. m., but bowlers are asked to be on hand at 8:45, so as to complete the final details prior to their departure.

Upon arriving at the Hoosier mecca the keglers simply will be asked to rest a while before tackling the business of overtaking the leaders in the various divisions. However, there will be sufficient time to "play a little" before returning home late Saturday night. A word of precaution to bowlers who are in the contingent. Follow the advice of your worthy brother, Rox Latelle, and we are certain that some of the spoils will be yours before the meet is over. Give your best efforts and above all be good Catholic gentlemen.

BLOOD DONORS

My worthy colleague, W. O'Connell, is happy to announce that three more members have volunteered to aid and assist in this great work of charity. John T. McAuliffe, Jr., son of the late P. G. K. John T., Sr., Mark Conolly, and Colman Burke, are the newest additions to this large family which now numbers 89.

To the new array of members who wish to join, here is the way you can do so. Go to the Loretto Hospital, Central and Harrison streets, any day except Sunday, from 9 a. m. to 5 p. m. Tell them you are from St. Pat's Council and that you wish to be typed. The rest is easy. There is no charge and the entire pathological routine requires but 5 minutes of your time. Go there at your first opportunity.

Brother "Bill" Kirk is available to his friends at 2811 Washington Blvd., where he is slowly recovering from his injured left elbow. He will be glad to see his many friends. Thos. Egan, illustrious son of his illustrious dad, John, recording secretary, has returned to his alma mater, Tilden High, following that long seige with a broken ankle. Yea, team, yeah.

At this time on behalf of those members who were present at the meeting of March 18, we wish to thank Lecturer John O'Shaughnessy for introducing to us that splendid personality, Michael La Fleur, who sang several Irish ballads commemorating good old St. Patrick's Day. Whenever Mike has an "off night" again, John, invite him to another one of our meetings. The boys will be glad to listen to this Irish tenor croon again. Make it real soon.

LOCAL BOWLING NOTES

Again the McGinty Black Rocks showed that when the chips are down they can bear down themselves. Meeting the enemy, Freda Meats, the boys reported "they are ours." Thusly, Capt. Farrell's boys won two out of three tussels, and remained at the top of the standings by a margin of three games.

The Allegretti Grills currently engaged in pursuing the leaders had an excellent chance to gain on them, but lost the last game to the Barry Boosters. They meet the McGintys next Monday night and methinks the "fur" will fly fast and furiously. This will be their "do or die" attempt. Come out and see this classic.

The Wieland Florals aided and abetted by the return of their anchor man, Dan Miller, came back to life, much to the chagrin of the ABC Parcel Delivery quintet. The net result was that the Florals won all three games. The Cahill Printers dropped three games to the Damata Taps. The final encounter ended in a tie, but the latter, subsequently, won in a roll-off.

The Rex Paints by virtue of one win over the Moriarty Indians just managed to tie for last place. Had they lost them all, they would have been relegated to the bottom of the standings. Maybe, we can make it next week, boys. Despite an 886 game which the Emergency Radios lost to the Deir Morticians they also dropped another. This double setback hurt their title chances, and unless they can come back strongly in the final weeks, they are lost.

Marquette Welcomes Three Third Degree Members Into Ranks

1-3 Thurs. . . . . 1928 Devon Ave.

At a third degree exemplification held at St. Philip's Hall on March 23rd, our Council furnished three candidates for the class, and we congratulate Thomas E. Carroll, Walter B. Panko and Charles O. Zach as now being first class members of the Order. G. K. Hesse, D. G. K. Schmal and Martin Rauscher, who witnessed this degree, advises our members were splendid candidates.

BARBECUE

The fourth annual Barbecue for the Bishop Sheil Underprivileged Youth is now in full swing. The books were received last Monday night and many have been delivered during the week, and within the next week all will be delivered. The committee asks every member to take at least one of these books because it represents splendid charity and should be regarded as an honor to help in this work.

REMODELING

Due to the benevolence of our Chaplain, the Rev. Fr. Charles H. Epstein, workmen are installing an all-maple floor and fluorescent lights, which will create an ideal atmosphere for dancing. A juke box has been obtained and will provide a wide selection of modern records.

Across the hall, the game room is also being remodeled. Two of the billiard tables have been removed and ping-pong tables have been substituted for them. Three of our billiard tables have been resurfaced, which should prove to be good news to those interested in billiards and ping-pong, especially Tom Carroll, John Henrick, Edw. Kempf, Harry Hofherr, Ed. Murawski, Frank and Henry Wilhelm, Doc Meyer and Phil Wetter.

BOWLING

McGuires continue in first place. Last week they won all three from the Griffins. High for the McGuires was Bro. J. Fellows with 510, and high for the Griffins was Capt. Phil Wetter with a score of 493. On the other alleys, the second place Donoghues won two from the Delanas. Bro. Tom Murray was high for the Donoghues with 549, while Bro. Chas. B. Cronin was high for the Delanas with a score of 484.

Standings to date:

Jerry Graham and Lloyd O'Toole, while in New York City last week, hit the social register, but it wasn't as solid as their "cash registers." Those membership applications passed out at the last three meetings were for a definite purpose. Won't you please utilize them for the purpose intended. We must secure about forty new members at once; kindly cooperate.

Hen.-Shields Looks at Increased Activity as Lenten Season Closes

Apr. 9-23 . . . . 446 N. Parkside Ave.

Next Wednesday, April 9, is the last meeting of the council during the Lenten season. Social activities were curbed to a considerable extent during Lent, with the result that Lecturer Cash has had time to concentrate on ways and means to step up the social tempo of council entertainment and activities beginning with the meeting following on April 23.

He has been racking his brain and digging through Joe Miller's joke book so we have hopes that he will come up with something extra good. Now don't fail us, Cashie.

BOWLING

With the council bowling season scheduled to close April 22, the teams are exerting every possible effort and skill to land in the win columns. Last Tuesday Ed Riley's Insurance Writers won three games from the Ray Foley Grill outfit, taking the first game by one pin, the second by four and then Foley's gave up. Hickey of the Foley's short 223 in the first, while Gen. Fleming registered 220 in the third.

Harwood Florals got away with two games from the Hayes Barbecues. McGillivray with 212 and Daley with 204 made the high grades. The John J. Hayes Hatters took the odd game from the Costello & Son Boosters, Rogers of the Hatters putting across 211 in the first, Lynch and Butler of the Costellos both ringing up an even 200 in the third.

The Gallagher Plumbers started slowly, dropping the first game, but managed to tighten things up and take the last two from the M. C. Fogarty Men's Wear, with the help of a generous handicap. Eddie Mulholland's 212 was a winning factor in the second game.

The expedition to Indianapolis will take place this week-end and our best wishes go with them for success and goodfellowship in the tournament.

W. A. CAHILL

Another veteran member of the council has passed on to his eternal reward. On March 25th, William A. Cahill, a member of our Council for many years, died in the Alexian Brothers hospital after an illness of several weeks. He was 86 years old and resided at 419 S. Ridgeland Ave., Oak Park. Brother Cahill was a native of England, past president of the Old Time Printers' Association of Chicago and a member of Chicago Typographical Union No. 16 since 1879. Until a few weeks ago, he continued active in his printing business, Wm. A. Cahill & Son. He leaves a son, William, Jr., also a member of our council.

Members of the council paid their last respects in person Wednesday evening at the funeral home, 3246 Jackson Blvd. Funeral was held Friday with services at St. Edmund's Church, Oak Park, and burial in All Saints. To Brother William, Jr., we extend our sincere, deep sympathy, and offer our prayers for the soul of our departed Brother. May he rest in peace.

THE SOUNDING BOARD

Jack and Betty Donnelly announce with great pride and happiness the arrival of an eight pound and a half baby boy at St. Anne's Hospital on March 24th. This makes a welcome addition to a growing family, but just what number we hesitate to guess. All's well and everybody happy. Best wishes and congratulations to Jack Donnelly and family.

Within a very short time, members will be receiving their allotment of tickets for the big Riverview Park barbecue, given for the benefit of Bishop Sheil's Underprivileged Youth Fund. Don't let the tickets get dusty. Do your bit towards bringing a little bit of sunshine into the life of some unfortunate youngster by disposing of your tickets.

The Council Bowling League bowled a series with the Holy Name Bowling League of St. Catherine's Church last Tuesday, by bowling against the Holy Name teams according to their respective standing, and then to count in the council league, the scores of each team we matched against the team they we scheduled to bowl that evening. A do ble feature, you might call it. We und stand the council teams accounted ve well for themselves but details of t Holy Name scores are missing so we ca give the exact results.

Annual Communion Sunday is May at St. Catherine's Church at the eig o'clock Mass. Just a month away, so ke it in mind and make no other plans wh would interfere with receiving Holy Co munion with your council on that mo ing.

Also the annual retreat at Maysla Ill., will start Friday evening, May 16, week-end of meditation and prayer which to balance our accounts and rec ture our perspective of life and its p pose should benefit everybody.

April 6 is the twenty-fourth anniv sary of our country declaring war Germany. It is going to be mighty d couraging if we have to read that b all over again. It turned out to be the grand story we imagined it was.

It's April again and we don't want be any place else but right here. G'b

Columbus Scribe Has Breathing Spell While G.K. Does Pitching

2-4 Tuesday.....6932 N. Clark St.

Things are easy for me this week. Through the medium of a letter I have located our Grand Knight and his Stooge, the Pride of Belfast, and now Eddie takes over. Dear Scribe: You have been giving me the rib the last few weeks as well as my pal Mac for not getting in touch with you but honestly I have called you more times than Mac ever called his girl friends during the month. I have given up trying to reach you by phone, and as long as you were not at the last meeting I want to tell you that we had another real peppy one with all the old regulars and reliables there such as Doc Schuler, Art Shay, Walter Nietschmann, Art McGivern, Tony Swazdral, Doc Courtney, Al. Weiseschkirch, Claude Dollohan and others.

All of the officers were on the job except Joe MacAlinden who has not been at a meeting since being elected (must have a new flame). Eddie Kelly could not be present as he is confined to his home with an attack of flu and he must be very sick as Eddie never misses. Doc Schuler gave us a report on our financial condition as of last December 21st, and promises to have a report up to date at our meeting April 8th. The Council complimented Doc and his associate Trustees, Art Shay and Eddie Kelly, on their comprehensive findings.

Art Shay gave us another wonderful talk on the Mayslake Building Project and rendered it so well that Claude Dollohan withdrew his motion for a donation of fifty dollars and made it one hundred dollars which was passed. This money is to be paid out of our Catholic Activity Fund which we derive from our Annual Charity Card Party held each fall. Walter Nietschmann stressed the fact that this comes under Catholic Action and offered to guarantee the payment if the card party was unable to raise sufficient funds to carry on all of our activities under the usual Catholic Activity plan.

Deputy Grand Knight Al Irving gave a very interesting and instructive narration on the Barbecue and told of the wonderful work being done by Bishop Sheil. He asks the members cooperation in making this year the best ever. The high light of the evening was a most instructive talk given by none other than "Hole In One" Art McGivern who is serving on the grand jury and he told us in detail of his jurist duties. No judge could have given us a better talk than Art, and we are proud of the fact that he always takes his work seriously as jurists should.

Our Warden Charley Owens evidently took our gavel home with him to knock on the back doors in his vacuum machine business, hence we had no gavel at the last meeting, however, Tony Swazdral has kindly consented to donate a new one.

SOCIETY NOTES

John Coffey and his wife stopped off in Chicago on their way East after spending a month in Florida where they were vacationing. They took the entire Coffey family out to the Tam O'Shanter Club for dinner and evening entertainment and from the last reports, Frank was anxious that they put some water in the swimming tank as he wanted to do a little more swimming. Was pleased to see Bro. Devitt at our last meeting and we hope that he comes quite often. Well, John, I hope that this will square me with you and remember I am not responsible for the actions of the Pride of Belfast. With kindest personal regards, I remain, fraternally yours, Eddie.

Come again, Eddie, this was an easy week. As for you, Doc, and any of the rest of the members, if you have anything you want to tell me just drop a letter to 6327 No. Fairfield Ave., and I will do the rest. Next meeting is Tuesday, April 8th, same time, same place.

McHale's Candidates Formed Large Part of Recent Degree Class

1-3 Tues. . . . . 150 W. 69th St.

Last Sunday, ten members of McHale Council took their Third Degree at Perez Clubhouse. Our own P.G.K. Jerry Sheehan was the D.D. in charge of the degree team. Those witnessing the ceremonials, claimed it was the finest class ever presented. Jerry Sheehan is to be congratulated for his splendid performance.

Many other members of McHale were on hand to witness the degree. Among them were: G.K. Tom Mulroy, Chan. Eldon McGuire, Lecturer John Kelly, P.G.K. Barney Perona, Chas. Cutona, Tom Garvin, Fred Berta, Jack and Jim O'Connell, the three Matthews boys and their dad, Tom Dundon, Dwight McKay and Fin. Sec. Earl Edgeworth. Our entire membership welcomes our new candidates who are: John Andrews, Jack Anton, Dick Weyer, Leo Wemple, Paul Terry, Jim Yonker, Russell Ryan, Glen Schatte, Clarence O'Connor and Jack Rogers.

COMMUNION SUNDAY

Arrangements are being made to again receive Communion this year on May 4th, at St. James Church. All present last year are in agreement that the fine reception given us, and the splendid breakfast prepared by the nuns, could not be equalled. Mark your calendar now, as we would like to set a new attendance record this year.

SICK

Bro. Steve Owens is still in a very critical condition at the Wesley Memorial Hospital, and is unable to receive visitors. G.K. Tom Mulroy paid a call at the hospital Saturday afternoon. The father of our D.G.K. Ed Berleman is recovering from a serious operation and would welcome any members of our Council in his private room at St. Luke's Hospital. You may call anytime. The wife of our Warden, Mrs. Logsden, is now at home after spending a long time in the hospital. Dave Hennessey, Jr., the son of that popular McHale member, is in the Little Company of Mary Hospital recovering from an operation.

NEWS OF MEMBERS

Bro. Dan Dailey, a McHale member for many years, was given a party by the employees of the U. S. Gypsum Co., where he had been an employee for many years. P.G.K. Barney Perona and Dolar Massey, of our council, were present. D.G.K. Ed Berleman, a member of Marshfield's Choral Society, sang at Orchestra Hall Thursday night. Bill Morin is to be congratulated for the fine work he is doing in bringing back to our Council those members who drifted away. The most improved bowled in our league is Charles Wooding. In his first year of bowling he has made a fine record, and although he is an auditor for the National Tea Co., he bowls with the Boiler Makers.

Last Saturday, at the home of Bro. Tom Garvin there was a continuation of a pitch game that started on the train home from Indianapolis. Bowlers Costello, Penny, Barney Perona, Hansen and Tommy played into the wee hours of the morning. Father Walter Croarkin has been giving the Lenten sermons at St. Carthage Church each Monday night, and now that the bowling season is over, we should have a large delegation at next Monday's series. I am sure Father Walter would like that very much.

BANQUET TOMORROW

Saturday night, at the Wedgewood Hotel, the McHale Bowling League will hold its annual banquet. You are all invited to attend. This is one of the finest affairs of the year, at which dinner, refreshments, and entertainment galore will comprise the program. Why not join the crowd—the price is reasonable. For further information call President Chas. Cotuno at Stewart 0357. Make your reservations now. Next week we will publish the final results and tell you the chamuions. See you then.

St. Francis Plans Special Program for Mother's Day

2-4 Thurs. . . . . 4711 W. Madison

Now that spring is here members of St. Francis Xavier Council are preparing some interesting events for the season. One of the most important will be our Mother's Day program. The committee for this affair, headed by P.G.K. John Blase Meccia, is working on the details and will divulge them soon. The date is set for May 18 and the church is still a question mark. One thing is certain. The members will have to register their mothers at one of the meetings as no tickets will be mailed. All members should plan to attend this program as it is being held in conjunction with our regular Communion day.

Grand Knight Baptiste Mele and Angelo "Scotty" Frusolone, chairman of the Barbecue committee, attended the official inaugural meeting last Monday night at the Hotel Sherman. At this dinner meeting, the books were distributed to all councils. The Grand Knight and the chairman are anxious to exceed last year's total by a wide margin and ask the wholehearted support of all members.

The Barbecue will be held Wednesday, June 18, at Riverview Park. Remember, the council and underprivileged youth of the Archdiocese of Chicago will benefit from the proceeds.

Due to the fact that next Thursday, April 10, is Holy Thursday, the meeting will be abbreviated in order to enable the members to attend the various religious functions. Lecturer John Caruso has promised us several surprises.

Brother A. Magnine was the seller of one of the hundred dollar prizes in last year's barbecue and received fifteen dollars for his efforts. Who knows, you may be a winner this year . . . Brother Sam Fasano answered his country's call last Tuesday morning. We hope to hear from him soon . . . We hear that Brother Joe Iandola's child has been confined in St. Elizabeth Hospital due to an attack of pneumonia for the past two weeks . . . Brother Victor Belmont and newly initiated Brother Ferdinand Serpe announce the opening of a floral shop at 1509 West Taylor Street . . . Supreme Secretary Joseph Lamb has informed all the financial secretaries that the April assessment will not be waived . . . St. Francis' newest members are Rev. R. Secchia, D. Belgio, J. B. Callahan, A. Grippando, F. Roberto, F. Serpe, S. Altabella, J. Ponza, J. J. Ivers, G. J. Furlan and J. Iandola. We welcome them into our council.

Dr. Carl Madda has just returned from a two weeks' vacation in New Orleans. By the way, "Doc" has prepared himself for the next bowling season.

BOWLING

A first place tie still exists in the bowling league. This week Paterno Pizza and Marks Motors share the lead. Paterno's stayed on top by winning two games from Dot Pies while the Marks Motors swept their three game series from the Guiliano Florists. Bacigalupo Morticians finally won a series; Ald. Pacelli's were their unhappy victims. Double victories were scored by the Mele Plumbers and Senate Electrics over the Izzp and Boletta Undertakers, respectively.

Best scores were: M. Mele, 510; S. Cirrinanto, 515; J. Durante, 533; S. Randazzo, 524; A. Frusolone, 549; J. Caruso, 532; Curbes, 547; T. Salvo, 539; F. Arito, 581; M. Puccini, 510; A. Arra, 567; C. Principe, 506; C. Speciale, 531; P. Merisso, 539.

Saturday, our bowlers and their rooters, including ye scribe, will truck on down (by train) to Indianapolis to participate in the National K. C. Tournament. We bid the boys a successful trip and wish that they return home with prize winning scores.

KETTELER GETS EARLY START ON BARBECUE

2-4 Mon. . . . . 3437 Ogden Ave.

One of the most enthusiastic committee meetings staged in recent years was held Tuesday by the Barbecue meeting. It happens to be one of the best formed committees and is headed by Bro. Joseph Milas, our Worthy Warden. It was the Kickoff! The books were distributed by a special messenger and undoubtedly most of the members have them now. Perhaps some have already got the jump on others and disposed of the better part of their books. That is the intention of the committee—that you beat the other councils to the draw, eliminating the keen competition that arises later.

There is also a monetary consideration for each member selling a complete book. Aside from this the revenue derived by the council from this source should not be overlooked. These two items should spur all members towards better co-operation with the committee.

Bro. Joseph Milas, as aforementioned is the general chairman, as able a leader as the council could find for a project of this kind. His address, should you wish to make returns is 1212 S. 51st Ct., Cicero, Ill. Any additional books may also be obtained from him.

As there is a lull this week between council meetings there is little else to report in the way of activity. Only we should not overlook our membership drive. That is a most important activity, for which there should never be any let down. Constant vigilance in this respect will bring results.

A REQUEST

One of our recently initiated brothers, Alphonsus Ryan, would appreciate greatly, and is our request to you, that you offer up your prayers for the spiritual and temporal welfare of his mother who lies gravely ill.

Our Easter Communion date is still somewhat removed but it is well to keep it well in mind. On May 4, at St. Ludmilla's Church we will in compliance with the wishes of our State Chaplain perform our Easter duty.

Feehan Fifth Columnist Has Overworked Scribe on the Run; Happy Day

2-4 Tues. . . . . Hamlin and Madison

It is our earnest hope that it may never be necessary for us, in the interests of preserving the integrity of the press, to go down to The Columbian Shop and put these few notes to bed. This is our hope and it is likewise our belief. A belief engendered by the knowledge that "Ye Editor" is a sensitive soul and not one to allow such acts of sabotage as popped up in this space last week, to develop to any embarrassing degree. We know because, while not exactly a pollyanna, the Ed., all along, has been bracing up the limbs we have diligently hewn under the exhausted form of many a Brother. So why should he not save us?

Things are bad enough without the added intrusion of a couple of amateur Dr. Sigmund Freuds. When we want our dreams analyzed, we'll consult a recognized and competent psychiatrist. As far as any explanation is concerned, it's all simply a matter of self-defense. We distinctly remember—the window kicked us first. (Maybe you mean widow, Doc?—ED.)

BOWLING

Two series of games are included in this week's report of the council league bowling. After Thursday, March 27, the standings were as follows: Illinois Laundry, 23-10; Harmon Electrics, 22-11; Baer Bros. & Prodie and J. J. Collins Sons, 19-14; Malee's Fighting Irish, 18-15; N. Preib Cleaners and Lemon Kings, 17-16; Harold Crotty Boosters, 15-18; Judge Hackett's Pioneers and Quinn's Inn, 14-19; Edw. F. Moore Boosters, 12-21, and Ed. Kaindl Boosters, 8-25.

Individual standings: Ed Riley, 181; Frank McQuillan, 178; Joe Collins, 177; Jimmy Collins, 176, and John Schoemer, 170.

Honor Rollers: Pat Riley, 248; F. McQuillan, 237; Vito Yario, 224; Dinny Malone, 220; Ed Condon, 214; Joe Collins, 212; Len McSteen, 208; John Fogarty, 205; Jim Collins and Frank Wheeler, 200.

Games scheduled for April 3, were rolled off on Sunday morning, March 30. At this session, Illinois Laundry (26-10), clinched the second half championship by winning three games, while their closest rivals, Harmon Electrics, were losing three to Baer Bros. & Prodie (22-14), who took over second position. Baer's, who won the first half championship, and Illinois, will meet for the championship of the league in the near future. Malee's Fighting Irish are third (20-16), with Harmon Electrics, N. Preib Cleaners and J. J. Collins Sons tied for fourth, 19-17. Pat Quinn's Inn and Lemon Kings are bracketed with 17-19. Harold Crotty Boosters have 26-20, Judge Hackett's Pioneers 15-21, Edw. F. Moore Boosters 13-23, and Ed Kaindl Boosters 10-26.

Honor Rollers Sunday morning: Frank Wheeler, 242; Harry B. Barrett, 224; Dave Ryan, 214; Joe Motto and Vito Yario 215; Turk Fogarty, 213; George Becker, 212; Joe Collins, 203, and John Riley, 202.

LEMON KINGS LOSE SHIRTS

The Lemon Kings bet their shirts in their series with Quinn's Inn—and lost. As George Gleason remarked, the L. Ks. are just about squeezed dry, now that the season is all but finished. Ultimately, however, the boys were allowed to keep their rioutously technicolored eye blinders when the victors recoiled at the thought of bringing them into their homes. And so to Indianapolis.

FEEHAN FACTS

Jack Coakley and Joe Tunney are back from Florida, complete without a deep sea specimen to stuff and mount. According to Jack, they not only did not catch such a fish, but they failed even to catch a glimpse of one.

BIRTHDAY CONGRATULATIONS to Bros. Harry Barrett, Ray Tuohy, Tom McHugh, Ollie Thoner, Johnny Riley and Fortunate Mauriello, who celebrate this week.

CONDOLENCES

To Bros. Byron and Paul Noonan, who lost their mother in death last week. Many members of Feehan Council were on hand to personally convey to the family, the sympathy shared by the entire council.

Interviews with over eighty thousand radio owners indicate that the average listening period is in the neighborhood of four hours daily.

UNIVERSITY TO HONOR ED JEFFERS TUESDAY

2-4 Tues. . . . St. Ignatius Auditorium

Our next meeting will honor Ed Jeffers, who has just been appointed District Deputy for Newman and Ouilmette Councils, succeeding Jim Moynihan. University is certainly proud of Ed, as he has kept our name and fame before the Knights in this jurisdiction for many years by his whole-hearted support of every work undertaken. Our neighboring councils are to be congratulated on securing as D. D. so worthy a successor to Jim. We look for a record crowd to come out next Tuesday to congratulate Ed in person.

The next meeting will also celebrate the council's 28th anniversary, University having been instituted on April 13, 1913. It is hoped that all the charter members living in the city will be present to recount for us the glorious early days of the council.

IRISH NIGHT NO. 2

The March 25 meeting arranged by Lecturer Curtin to take care of all the Irish who were unable to attend the St. Patrick's party brought out a good crowd, who immediately went home to tell the absent brethren what a treat they had missed. Father Edward Oliver Boyle showed his Irish pictures and accompanied them with his inimitable monologue. An unannounced treat was added to the meeting in the singing of the St. Ignatius boys' choir under the direction of Father Raymond Bellock, S.J.

Our semi-annual Communion Mass and breakfast was another most successful event. At least one hundred attended and there were many present who are unable to attend many of the evening meetings. The Mass was celebrated by our Chaplain, Father Lannon, S.J. Chairman Bart Quigley presided at the breakfast and ran it off on schedule with the assistance of the new watch he has been sporting since the St. Pafrick Party. Two-minute talks were given by P. G. K.'s Garrity, Hayes, Jeffers and Rondeau, D. D. Jules Altenhofen, Fathers Lannon and Wagner, Judge McCormick, Charter member Roger Minwegen, Barbecue Chairman Jim Dolan and Financial Secretary Dillon. Even G. K. Murtaugh was allowed to pre-empt the floor for a short talk, though the objectors' committee tried to talk him down.

BARBECUE

Jim Dolan promised the tickets this week and spoke so enthusiastically at the Communion breakfast that we fully expect he will have some returns on the books to report on by next meeting. As Jim pointed out, it will take only a little work from each of us to put the council over the top in a big way—and that means helping not only Bishop Sheil's good work but stabilizing the council finances as well.

John Philip Reed III has arrived! Brother John Philip II and Mrs. Reed are being congratulated on the arrival Feb. 26th of their son and heir, and Brother Dr. Francis Reed is also beaming with approval of his new nephew. Congratulations and best wishes!

Guy Stanwood was at the Communion Mass, having just recovered from some bad steam burns incurred recently.

We are glad to know that Leo Michiels is recovering from a serious attack of pleurisy and double pneumonia.

Already several members have donated their services to our newly formed blood donor group, and Bro. John Greene will have a complete report to give us at our next meeting. If you have not been typed but desire to be, see John at the next meeting. It is indeed a worthwhile cause.

AROUND THE CHAMBER

St. James Council extends congratulations to Santa Maria Council and its agree team upon its splendid work. Of 28 candidates we were happy to have present, and of the 75 members watched the proceedings we had more than a third.

Some of the following members were seen at the degrees: Bros. Henry Steffens, Costello, Joe McGivern, Ambrose Burke, C. E. Phillips, Dr. Clarence Strobel, F. X. Strobel, Pete Wehle, Ed Brosh, Wilbur Fitzgerald, Chris Davis, Socha, W. Butler, John McKean, P. G. John McFadden (whom we haven't for some time), Tom Groark, Mike Guire, Frank Steffens, Ray Steffens, Strobel, Ed Enright, Bro. O'Connell many others.

Our softball manager held a meeting for the ball players last Thursday evening and we will have a detailed report later. Any member who desires to play, see Mike Connolly.

Bro. Frank Prindiville has been up for several weeks with an injured knee and is now resting O. K. We hope to see you up to a meeting soon, Frank.

Neri Council invites us to attend their dance on Saturday evening, April 26 at their clubhouse. Tickets are 50c.

Our cabaret party will be held at the Hotel Hayes ballroom on Saturday evening, May 17, with admission charges of $2.50 per couple. This will include everything. A fine orchestra has been secured and entertainment of a novel idea will be featured. "A Night in Cuba" will be the special occasion and the committee, headed by Bros. E. Muellner, who is chairman for this affair, has promised us unusual treats. Plan now to line up a party. Tickets will be available at our next meeting.

Everyone is requested to attend the annual communion Sunday, May 4, at St. James Church, 29th and Wabash. Meet 8:45 in the school hall. Breakfast will be served immediately after the church services.

1-3 Tues. . . . 8219 S. Halsted Ste

Among the 72 candidates who took the Third Degree at Perez Clubhouse on March 30th were Brothers Fitterer and Nape of Ridge Council. They were chaperoned by D.G.K. Speedy McGlinn, Membership Chairman Justin McCarty, Corbett, Jim Fahey and Nick Fran. Understand our Brother Fitterer took to heart and made things pretty hot and was really on his way to the Supreme Office. Nice going, George; that's the kind of Catholic men we are proud to have in our Council. The Degree was handled by our own D.D. Jerry Sheel who has no peer in this, his beloved work of C. Work.

BARBECUE

Brothers, let's put our shoulder to the wheel and make this a banner year for Bishop Sheil, your Council and yourself by accepting and selling your Barbecue Book when it is delivered to you in the near future. This is a real Catholic activity that benefits not only some unfortunate youth but also yourself. Read the literature that comes with your book.

Make the Clubhouse a must on your list. Come back and renew old acquaintances and really get back into the swing of things.

TUESDAY AFTERNOONS

P.G.K. John Ruberry has established a distinguished record for himself and the Council in the splendid showing of the Tuesday afternoon socials. When the change was made from Tuesday evenings to Tuesday afternoons, a problem was presented in getting members to take over the various assignments. However, the change was made with no letdown of service but at considerable sacrifice on the part of a group of loyal members. To P.G.K. Ruberry and his associates, the Council is deeply grateful. Let us show our appreciation by sending our wives, sisters and friends to these parties. Do your bit to put them over the 500 attendance mark Tuesday after Tuesday.

Watch for the announcement of the next First and Second Degrees. Attend the Council meeting of April 15th. Spend Sunday, April 20th, at the Clubhouse.

Garcia Moreno Ready for Sunday's Degrees at Blue Island, Ill.

Members, as well as candidates, are asked to please be on time. This is a Knight of Columbus Sunday, and we hope that our members, by their presence, will make it a real one.

BOWLING NEWS

The council bowling league will close its present season in a few weeks. The annual bowlers' banquet will be held the following week. Simon Ryan, league president, requests the non-bowling members of the council who plan to attend, to place their reservations at once. The charge is $1.50 a person. Place your reservations with Simon Ryan, Joseph Knoll or Henry Hilgendorf. The council bowling league is very proud of its splendid record. It is the oldest bowling league in our city, and at the coming banquet, its 20th anniversary will be celebrated.

We have one bowler who has bowled the entire twenty years. He is Victor Walenga. Congratulations, Vic! Bro. Joseph Drolet, of the Eagle Coal Co., also holds a record of sponsor. His fraternal spirit and sportsmanship towards our league all of these years has been of such outstanding loyalty that the word "thanks" is inadequate to express our feeling for him. We sincerely hope that he and Mrs. Drolet will honor us by being our guests at the banquet, along with our other sponsors and their wives.

Eagle Coal Co. and Shea's Korner battled it out for first place. One of these teams will be the champions, as the other teams have but a slim chance to catch them. Eagle Coal Co. won two games from Shea's gang, but Shea's team holds first place by one game, Gorski's 549 and John Mech's 493 were tops for the Coalmen, while Shea with 514 was tops for his team. Wonder Bar won all three games from Goletz Boosters. For Wonder Bar, Clyde White's 506, Pop White's 494 and Al Binette's 491 were tops. For Goletz, Frank Walenga's 479 was high.

Anton Sterkers Tailors, who had a lease on the cellar position, won two games from Bill O'Hara Boosters. They also gave them the cellar position. Rev. Fr. Renklewski was the star for Sterkers Tailors. His 246 game is second high game of the season and he also had a 602 series. Obernesser's 500 came second. Wisell's 553 and McGee's 532 were top men for the O'Hara gang. Home Liquor won two games; Frank Ring Boosters were the victims. Dick Walenga's 533, Vic Walenga's 508 and John Kerkhoven's 500 topped the liquor team while Mikenas' 520 and Matt Walenga's 518 were the Ring Boosters' top men. Ring Boosters are tied for third place.

THIS AND THAT

A card from Walter Goletz, who is in California after having visited Mexico and Catalina Island. Walter sends his regards, but doesn't know when he will be home. Tough life! D.D. Henry Hilgendorf, Ernie Ducett, John Binette and the scribe attended the meeting at Chicago Heights. "Irish Night" at our last meeting went over big. P.G.K. Frank McMahon of San Salvador Council was the speaker of the evening. Harrison Duck did his bit, with a song. Bro. Cushing, field agent, Rev. Fr. Renklewski, Thomas Geriach and Henry Hilgendorf contributed their part to the program. Looking over the attendance at the meeting many Irish were missing, but P.G.Ks. present were: Wm. Powers, Sr., Joseph Reardon, Al St. Aubin, Romeo Begnoche, James Munro, John Obernesser, Henry Hilgendorf and the scribe. Cheerio.

Carroll Seeks to Double Its Past Barbecue Record

Next Meeting April 15, 6 N. Hamlin Ave.

The official opening of the fourth consecutive barbecue campaign to assist His Excellency, Bishop Bernard J. Sheil, in his nationally acclaimed work among the underprivileged youth was marked by a dinner meeting at the Hotel Sherman on Monday, March 31.

Every council in the order in the Northern District of Illinois is enthusiastically behind this year's project and Charles Carroll Council does not expect to be caught "napping" in its efforts to achieve the fullest and most energetic co-operation in this fine piece of humanitarian enterprise. The completion of the campaign will wind up with the famous "Barbecue" at Riverview Grove on Wednesday, June 18.

Chairman of the Barbecue Committee Edward Joseph Whalen looks to a "double or nothing" result far in excess of our previous years. Bringing about the success of this worthwhile endeavor would naturally benefit each member who will share in it morally and materially to the extent of his efforts, and our council, too, depending upon the amount of support offered.

Chairman Whelan has devised a unique plan by which a control can be made on the distribution and collection of the tickets and monies. When you are approached by a member of the committee, please give him every possible consideration, as he is trying to make "the drive" a little less inconvenient for you and at the same time keeping our tabulations up to the moment.

On the barbecue committee assisting Chairman Whelan are Ted Gavlin, co-chairman; George F. Rauh, treasurer; Jim Vanelli, P. G. K. Dan O'Connell, George Hunt, Ed Burke and K. L. Torgeson.

MEMBERSHIP

Membership efforts in Carroll Council have resulted in a steady flow of applications, and an "all out" drive to meet the membership intake quota has taken root. Keep it up, fellows! There is no finer membership offered than a Knights of Columbus enrollment. You have found this to be so, but have you made it known to your many friends as well?

There will be an exemplification of the first and second degrees for the West Side Division No. 2 on Tuesday evening, April 15, at St. Patrick's Council for Carroll initiates. Please forward your applications to Financial Secretary Michael P. Martin before that date.

CARROLLITES

Carroll Council has adopted the policy to waive current dues of those members who volunteer or are selected for military training. This does not cancel insurance assessments, however, or prior indebtedness. Five Carrollites have already gone to answer America's call to defense and two more are on the threshold. Danny Ryan, Jr., has volunteered his services for a year's military training and expects to leave on April 6. Best of luck, Danny! . . . "Pinster" Dick Pienschke, one of the top-notch bowlers of the intra-council league, has been caught in the draft at last and looks to his departure for camp this week.

P. G. K. Tom O'Connell is reported back from Florida where he has been resting after a long siege of illness. Tom resides at 4109 W. Fifth avenue, fellows. . . . Shocking news has come to the writer with the report of the sudden illness of our Jack "Swede" Lawlor. His condition has been termed "extremely serious," and will not be allowed visitors for the present. Jack resides at 5448 Kamerling avenue.

The "Barbecue" books have been distributed at our ladies' night affair to those members present, and the balance will reach you as soon as possible. . . . Tomorrow, April 5, the fellows will head for Indianapolis for the National Bowling Tournament. Bowlers who are going should get full particulars tonight from your league secretary, Ed Burke. All railroad tickets have been purchased. . . . There will be no bowling in the intra-council league on Good Friday, April 11.

American Energy Will Be Spent in Campaign To Aid Member Drive

2nd-4th Tues. ... 3350 W. Jackson Blvd.

Good morning, Mr. and Mrs. Americus: Well, I think the IRISH NIGHT was a huge success. It was one of those nights that won't be forgotten for a long time; everyone present seemed to have a good time.

Now our next big night planned will be MEMBERSHIP NIGHT. Really, fellows, everyone should go out and try to get just one new member. Surely there must be some Catholic man who is a friend of yours, or who lives in your community, who has never been invited into the Knights of Columbus. Why don't you ask him? You will be doing him a favor. Why don't you explain our new insurance plan to him? I am almost sure he will grasp it at once.

Our chairman of membership, Bro. Geo. Howlett, is one of the hardest working fellows in the council. He is never without an application blank in his pocket, and always looking for a prospect; but George can't do it alone—he needs the help of every member—so please get behind him and show that you are interested in his drive. Give him an application, filled out and signed, and then you will see a big smile.

Honestly, fellows, it can be done! When you look over The Columbian and see what other councils are doing in their membership drive, you wonder and scratch your head and say, "Why can't we do that?" It can be done if only a little effort is made, so let's all get together, fellows. Just one new member is all we ask from you. If everyone would only do that, what a beautiful class we could get together.

COME ON—LET'S GO.

BARBECUE

Bro. John O'Brien, council chairman of the barbecue, will send you literature and books in a few days. This year it will be held on Wednesday, June 18.

Our State Deputy, Bro. John F. Bolton, asks the support of every member. As you know, this event is to assist His Excellency, Bishop Bernard J. Shiel, in his wonderful work among the underprivileged youth of the Archdiocese of Chicago.

You will hear more about the barbecue in future write-ups.

BOWLING

	Won	Lost
O'Brien Morticians	49	38
Joe Gillespies	48	39
Al Horans	43	44
Powers & Hassetts	34	53

Next week the O'Briens and the Gillespies battle it out for the championship, as it is the last week of bowling. On Monday night Bill Leahy copped the pot game with 182 score to win $5.

Father Keenan got lost on Monday evening. The Aurora and Elgin must have broken down, as he did not show up, so the result was the O'Briens, the leaders, lost two games to the Hassetts.

Tom Gannon doesn't like to be called "Tomato Face."

Jay O'Rourke and Bill Leahy won the bucks on their respective alleys. Deputy Grand Knight Tom Gannon was the star of the evening with a brilliant 91 game.

A team of old time bowlers has challenged the five leading men of this year's league to a match game. The game will be held Monday evening, April 21, at St. Phillip's alleys, Jackson boulevard and Kedzie avenue. The time is 8 p. m. sharp. All members of the council are cordially invited to attend this game and cheer the boys on.

The old-timers are Jim Nolan, Jim Mooney, Frank Cella, Joe O'Hayes and Roman Goltz.

That's all for today. I'll be back next week with a flash.—NED KELLY, G. K.

NAZARETH SETS HIGHER GOAL TO AID BARBECUE

2-4 Tues. . . . . 17 W. Harris La Grange

Just returned from the Barbecue Kick-off Dinner and what an enthusiastic gathering. Practically every council in Chicago was represented. One could easily sense from the talk overheard here and there that this is the year when all previous figures will be excelled.

When you examine this project and look beyond the mere sale of a chance on a cash prize and see the enormous amount of good accomplished by the money realized from the sale of these tickets, you must feel downright ashamed of the puny efforts put forth in the past. When you are aware of the many poverty stricken homes that are kept together, the wholesome recreational facilities that are provided underprivileged youngsters, the assistance rendered the aged who have no one in the world to care for them, these and many other fields into which this work reaches, then and then only are you brought to a realization of the full importance of this barbecue fund.

Men of Nazareth, in the name of Charity, let's get down to business and put this thing over like it has never been done before. The tickets will be in your hands very shortly. Get busy and sell them. Not next week, but now. Get your book into circulation, and when you have sold the book make your return immediately to the financial secretary. Last year we sold 74 books. Let's make it 100 this year.

"WONDER" BOYS

Wonder what has become of some of the boys from the east end. For instance, there's "Chips" Riley who has got to be a complete stranger. Others we haven't seen are Pete Johnson, Fred Deutschman, Stan Hegberg, Jack Warner, and Ollie Kugel. What's the matter, boys? Don't we treat you right? If anybody is pushing you around tell the scribe. He'll fix 'em.

There are some on the west end also who have been absent too long. We name names: Tom Collins, Emil Spevak, Paul Baron, Phil Watkins, Frank Dinges, George Handley, Leo Kritz and Jack Feeney. How about it, "youse guys"? Stop in and get acquainted.

Let's have a turnout at the next meeting for we have several propositions to vote on. One is the question of the council becoming a subscriber to the National Council of Catholic Men, that very fine organization which sponsors the Catholic hour on the radio every Sunday. Another is the voting of funds to defray the cost of the annual Communion breakfast which is to be held in Brookfield this year. This is your money, so if you want to have something to say about spending it come to the meeting and speak your piece.

PIN POINTS

The class in tenpinology will now come to attention while the professor gloats on the results of the grudge match between East and West as bowled last Sunday. Far be it from us to put the boots into the face of a fallen foe, but the results speak for themselves. We won't even mention the score, but in a careless offhand manner we might mention that the score in favor of the west end was so decisive that to mention the figures would lay us open to the charge of rubbing salt in open wounds.

Thanks to Bill Gersch for the following standings of the east teams as of March 24. Padens in the lead with 52 won, and 26 lost. Doc's won 43, lost 34; Kartje's won 32, lost 46; Peabody's won 28, lost 50. High three games, Paden's 2471, second high Doc's 2377. High single game Paden's 837, second high Doc's 836. Bill Murrin, the benedict to be, holds high series with 607.

In the west end games bowled March 31, the Tivoli's took two from the Dieters. Henderson was high for the winners with a 515 series. The D. G. Motors led by Bradley's 522 series, took the Triangles for three. Watkins Sheet Metal paced by Captain Phil's 546 series, took two from the Brittans. In taking two from the Mahr's, the Western Tire team was sparked by Father O'Shea's who came through with a 534 series. He was really in form in the first game, ringing up a 205.

Softball Delegates to Meet Tonight at Chapter

There will be a meeting of all delegates to the Knights of Columbus Softball League this Friday evening, April 4, at the league headquarters, 173 West Madison St., at 8:30 o'clock.

At an officers' meeting held on Friday, March 28, John E. Miner of St. Philip Neri Council was appointed publicity director for the year 1941. John has been an officer of the league for the past two years and is also vice-president for the season of 1941. He is also well known as the pitcher and manager of the team from St. Philip Neri Council, which has been in the playoffs for the past five years."

Santa Maria Succeeds In Bringing Attention to Solemnity of Lent

2-4 Thursday.....9120 Commercial

Santa Maria Council is climaxing its winter's activities in an effort to get the merchants of South Chicago to close their stores from twelve noon until three o'clock in solemn observance of Good Friday. Trustee Joseph Gerlich is chairman of the drive which is being conducted with the aid of the Men's Club of Lutheran Layman's League of Immanuel Church. Chairman Gerlich reports enthusiastic support of the idea and so far Gassman Brothers, Weiss and Weiss, the Jewel Shop, Birndorf Clothiers, R. and S. Store and the Continental Shoe Store have promised to cooperate.

Following is the resolution passed by the committee, sponsors of the movement in Southeastern Chicago:

Whereas, the holidays of Christmas and Easter are universally observed, and

Whereas, it is admitted that Christmas, Easter and Good Friday are so closely interrelated that no one of these days is more important than the other, and

Whereas, there has been no such universal observance of Good Friday as has been given to Christmas and Easter, notwithstanding its importance, and

Whereas, it is felt by the undersigned that the proper observance of Good Friday should be called to the attention of all peoples in the community, and

Whereas, it is felt that the most effective manner of observing the important day is by calling for the cooperation of the business people of our community;

Now therefore, be it resolved, that the cooperation of the business people of the community be solicited to help observe Good Friday by closing their respective places of business between the hours of twelve noon and three o'clock on Good Friday, April 11.

Merchants closing their stores on Good Friday should notify Bro. Gerlich on the Daily Calumet.

FIRST AND SECOND DEGREES

The biggest crowd of members and guests that every assembled in our present Council chambers, gathered together at our last regular meeting to witness the exemplification of the First and Second Degrees. Thirty candidates representing applicants for membership in the Councils of Santa Maria, Columet, De La Salle, St. James and St. Philip Neri took the degrees.

P. G. K. Guy Maccina of San Salvador Council and State chairman of the membership drive, was present and spoke a few words urging all to continue in their efforts to bring members into the Councils of Southeastern Chicago. He reminded us that June 30th is the deadline for our quota. The new members took their Third Degree last Sunday at Father Perez Clubhouse, 6710 S. May St.

Henry Nicho, star bowler on the Conner's Boosters, took his First and Second, and promises to bowl 300 from now on. Mrs. James Nash, wife of Bro. Nash, has returned from the South Shore Hospital where she underwent a minor operation. For the benefit of visitors, the Nash address is 7530 Essex Ave.

Bro. Wm. Jakse is none the worse for having lost his appendix. He feels fine and proved it by carrying out his part in the degree team.

Catholic Population of England and Wales Increases During Year

London.—The Catholic population of England and Wales at the end of 1940 was 2,414,000—an increase of 7,583 on the previous year's figures, according to the new "Catholic Directory" for 1941.

In 1930 the total was 2,174,673 so the population has increased by 239,349 in 10 years.

The present total is not strictly accurate. Some dioceses give only an estimated round figure—Westminister, 300,000; Leeds, 156,000; Liverpool, 405,000; Salford, 294,000; Southwark, 192,000. The actual Catholic population is propably considerably larger.

Statistics for the other dioceses are: Birmingham, 162,903; Brentwood, 68,424; Cardiff, 85,580; Clifton, 36,237; Hexham and Newcastle, 222,625; Lancaster, 100,021; Menevia, 20,000; Middlesbrough, 91,000; Northampton, 33,706 Nottingham, 62,243; Plymouth, 30,757; Portsmouth, 54,000; Shrewsbury, 99,507.

Several dioceses show a slight decrease, such as Birmingham and Nottingham. The Hexham diocese has lost nearly 3,000 and the Salford diocese 6,000, probably due to exacuation.

The Liverpool and Shrewsbury dioceses show an increase of 2,500 and Portsmouth and Menevia nearly 5,000 each.

Conversions for the year number 10,646, an average figure for the past few years. Marriages are up by nearly 4,000 to 34,950, but baptisms remain steady at 69,818.

Secular clergy have increased by 43 to 3,830, while regular clergy are one less than the previous year with 2,009.

Churches and chapels total 2,580, 22 more than in 1939, and secondary schools now number 548 instead of 542.

or the information and benefit of many brothers who do not or are ble to avail themselves of the opunity to attend meetings more regrly, permit me to recount an ievement for which DeSoto is and uld be mighty proud.

uite naturally, it requires no fancy ecked affidavit or score of witnesses attest to the fact that DeSoto Coun- has a peculiar habit of being a spicuous leader in any effort in ich it engages. Acquired through ny years of successive accomplishnts, this disposition has earned for reputation for Knights of Columactivity which is both envied and urpassed. In another great effort, Soto Council again comes aggresely to the fore with new and signal nors in leading the entire Order oughout the United States in one the most far-reaching and import activities ever to absorb the attion and efforts of our brother ights, the Blood Donor Drive.

next regular meeting is sched- for Thursday, April 24, the meet- ight having been advanced from ly, April 25th. Lecturer Joe Cella s that there are substantial and able reasons for the change be- of the fact that the program arranged is a celebration of our Anniversary in the Order. A ous birthday party is in the mak- hich, we understand will effectu- atisfy the most delicate tastes of tending. The location of the party ot as yet been decided but within er issue we shall provide you all the dope. And, by the way, process of passing out felicitations, we might at this time extend to our able Lecturer, Joe Cella, our unmitigated gratitude for the entertaining, interesting and splendid programs he has presented at our recent meetings. He is doing a fine job and we wish him to know that we all appreciate his efforts.

ANNUAL COMMUNION

We are informed by our Grand Knight, Gene Scanlan, that he has made arrangements with the Reverend Bro. John Casey, Pastor of Our Lady of Mt. Carmel Church, to conduct DeSoto's Annual Communion on Sunday, May 25. This is some distance in the future, but we urge you to remember that participation in our annual Communion is one of your most important responsibilities.

Ed. Henrich, son of Brother Bill Henrich, has by compulsion relegated his normal activities to the moth bag for at least a year, as he recently passed a successful examination and was inducted into Company M. of the 132nd infantry of the U. S. A., stationed at Camp Forrest, Tenn.

Brother Otz Sutter is also scampering around Tennessee, in the vicinity of Memphis, Nashville, etc., but definitely avoiding Camp Forrest. His story is he's down there for the company—well, we've heard that before—we all love those stimulating southern zephyrs, Otz.

Ravenswood Saddened at Untimely Death of Bro. Charles Sutton

1-3 Wed. . . . . 1521 Wilson Ave.

With deep regret your writer informs you of the passing of Bro. Charles Sutton on March 26. Burial was from Our Lady of Lourdes, March 28.

Although Bro. Sutton had transferred to Ravenswood just a few short months ago, he was one of our most active and heartily cooperative members. He was a friend of long standing of many of our older members and will be deeply mourned. Until the illness that resulted in his death he had been serving as secretary of the Ravenswood-Lourdes Bowling League. Ravenswood extends its deepest regrets to Mrs. Sutton and the family. May his soul rest in peace eternally.

THE COUNCIL

Some of our members may not know that there is to be a first-second degree installation in our district in May. Ravenswood Council is to entertain the other councils of the district the evening of the degree initiation, besides conducting and administering the degrees. From standpoints of both pride and practicability we must have a good representation of candidates. Until now we have only a few; this situation must be corrected. Everyone must get out and do their all, not only for the council but for our GK. Charles Morgan. Let's get behind Charlie and PUSH.

Another thing that hasn t been brought to your attention lately is the fact that our annual Communion Sunday is coming up soon. At the present the writer isn't sure whether it is to be the first or second Sunday in May. Reserve a little place in your memory that tells you to be ready. As usual Our Lady of Lourdes is the church.

Keep yourself in readiness for another of Lecturer Art Collins' "whooper-dooper" parties. This one will be April 16. Just what the fun and joy will consist of is hard to guess right now, but you know there'll be a lot of it.

THE BOYS

A few of the fellows that have been more or less wavering in their attendance put in an appearance for the last "fracas." The majority of these boys, because of business and one thing and another, are not able to make a practice of attending all meetings, so no picks are being taken on them. It's for the member himself to judge whether or not he can come to the meetings.

Chancellor Clem Mawicke informed the assembly that he was there only because he had convinced Mrs. Mawicke that it was to be an Irish party. That's the first time he has come right out and said that he is not entirely dependent upon his own wishes in whether or not he can get out!

Some people claim that Trustee Ed Arend was seen about the premises a short time before the meeting started. Whether or not such is true has not been established. Not that these gentlemen's word can't be trusted, but they've been looking for Ed for such a long time that they might be seeing things!

The Ravenswood twins, Schild and Thomas, were there. It hasn't been learned whether or not it was the National Defense Program that has kept them away so long or not. But it is known that the government has had something to do with it. Anyway, you had fun, didn't you, boys?

Brothers Theis, Labich and Harris managed to be at the party. We've seen Brothers Labich and Harris at the last few meetings and hope they keep it up. Most of our regulars, such as Treasurer Egert, Frank Fortmann, Frank Engel, Trustee Farrow, Warden Weideman, DGK Citti, Trustee Beaton and so many more were on deck.

De La Salle Bids Fond Farewell to Splendid Leader

1-3 Tues. . . . . 1105 E. 47th St.

At our last meeting, Grand Knight John Husung announced to the membership that he was leaving the city and would therefore have to resign. John has been a member of this council for 17 years, the last two of which were devoted as helmsman of our good ship. As skipper, he has had some difficult going, has made many changes; but through all the tough weather he has shown progress and leaves the council in sound financial and favorable condition.

With his tenacity and insistence for meeting just obligations, a part of anticipated social pleasures usually enjoyed by the membership were deleted, but the good name of the council was maintained and firm credit established. This plan has proven to be good judgment and elevates the morale of the council as a whole. The officers of the council have cooperated willingly with Husung as Grand Knight, and have in turn found their wishes and suggestions respected and the resulting teamwork made amicable.

All members who know John intimately felt content to trust the welfare of the council to him and have a sincere brotherly affection for him. It is little surprise then, that John in his farewell message used words from scripture to express his feeling and we quote: "Oh slendor service and reward exceeding great." With the affection and loyalty of the members of De La Salle Council in his heart, such reward will forever be an honor, priceless to hold and cherish. Thus with kind thanks and deep gratitude for their loyalty and trust bestowed in him, G. K. Husung asked that his resignation be accepted and that D. G. K. Emmett Markey take over the gavel at the next meeting for April 15 and allow former G. K. Husung to be in attendance only as a brother knight. At the meeting of April 15, all help and encouragement is requested by Husung for his successor and he will endeavor to cushion the sudden shock of conducting a meeting to the best of his ability.

Brother Husung expects to leave Chicago about the 24th of April for Port Angeles, Washington, a point almost as far west and north as the mainland of these United States permit. This trip will be in the nature of a trial business adventure and a visit with relatives. For some time John has been hankering to spend a little time at this port and now the chance is open to try a hand at a different routine so he is going to act upon the hunch.

WELCOME NEW KNIGHTS

Through the good grace of our senior brother knight, John MacDonald, we are proud to welcome his two sons, Arthur and George MacDonald to De La Salle Council. These two brothers were initiated at Santa Maria Council a week ago, and then took the third degree on Sunday, March 30, at Father Perez Council. We are most happy to have these two fine young men as members and hope sincerely that they will find it possible to attend our meetings and serve on committees. We are also hoping that Brother John MacDonald will get his third son, James J., to join De La Salle Council on transfer, making three sons and a dad members of our council at the same time. Our delegates to these degrees included Richard Zellar, Emmett Markey and Fred Henning.

BARBECUE TICKETS

The 1941 K. of C. barbecue books are in the process of delivery and should be in the hands of every member by this time. We were fortunate in having D. G. K. Markey. and Treasurer William Meehan take action as members of our barbecue committee immediately after the barbecue dinner held on Monday night, March 31, and get the books on their way to the members the same night. We are expected to better our record of last year and that means that each brother must take action, get into the harness and sell his book of tickets.

Hildebrand Enthused as Campaign for the Needy Ones Opens

1-3 Thurs. . . . . 5711 W. Chicago Ave.

The most important activity of the moment is Barbecue. . . . Books will be in the hands of all the members before the end of next week and we anticipate and are hopeful that each member will dispose of his allotment of tickets and make returns at the earliest possible date. . . . Considering the great human interest story behind this activtiy, our Grand Knight is certain that no one will fail to respond to the call of the underprivileged youth of the city. . . . As a gentle reminder to all insurance members, the April assessment has not been waived. . . . We were glad to see our illustrious Advocate, George Brewer, back with the bowlers after a ten weeks' absence, teaching the rookie policemen the rudiments of law and order. . . . our scholarly Advocate is a past master at the art of schooling the boys in blue. . . . Bill Thompson, whose smiling countenance and contagious humor we have missed at the last few meetings, is convalescing at his home and is expected to put in an appearance soon. . . . We learned that the charming wife of Brother Frank Curda is getting along nicely after a recent operation. . . . News from the bowling front advises that Modern Cafe captured two games from the J. P. Ryans, and the O'Hara Undertakers came to life and captured the rubber from the Dean Steels. . . . Our sincere sympathy is extended to Mrs. Wm. Murphy on the death of her sister in Chicago last week. . . . Meetings are held on the first and third Thursdays in case you have forgotten. . . . With the moving season close at hand, please notify the Secretary at once of change of address. . . . We are on the lookout for Gene O'Donahue.

Oak Park Is Pleased with Splendid Turnout for Communion Sun.

2-4 Monday.....641 S. Scoville

Last Sunday was the regular quarterly Communion Sunday for Oak Park Council and a large group of the members attended Ascension Church at the eight o'clock Mass. Following the Mass, breakfast was served at the Clubhouse and we were honored by the presence of Judge Lambert K. Hayes of the Municipal Court of Chicago, who gave a splendid talk on his observations as judge of the Boys' Court. The members who had the opportunity of hearing Judge Hayes were very enthusiastic and have requested that he attend a meeting in the near future so that many of the other brothers might hear him.

Bob Carraher is still on the sick list and is wondering how things are going. Why not make yourself a committee of one to tell him. Doctor Savage is still very ill, too ill, we understand to have visitors. We can, however, remember him in our prayers.

If your son is one of those called to the colors, why not give him the advantage of a membership in the Knights of Columbus? From the scribe's personal experience the investment is worth more than the cost. To those who were in the Army or Navy we do not need to point out the advantage of having that means of establishing substantial acquaintances in army towns or in coastal towns.

The bowling race is getting down to the hot finish. All of the boys are keyed up to the limit and anything can happen. Don't deprive yourself of a splendid evening's entertainment by missing the bowling matches on Thursday nights at Clinton and Cermak Road. Also if you have a group who wants to bowl, or if you want to bowl yourself try our own alleys. It's easy to get on.

All insurance members will please note that the April assessment was NOT waived.

Joe Cagney reports that there are 4 ads not yet paid for. If one of these is yours try to get it in so that Joe can close up his records and render a final report.

Our Barbecue books are in the process of distribution. When yours is delivered, start your sales campaign at once. You'll benefit, the Council will too, and greatest of all, Bishop Sheil's Underprivileged Youth Fund will be strengthened. Will you pitch in now?

Quigley Predicts Large Class April 15 Honoring D.D.

1-3 Tues. . . . . 1035 W. 31st St.

NOTICE: FIRST AND SECOND DEGREES WILL BE EXEMPLIFIED AT THE QUIGLEY CLUBHOUSE ON APRIL 15 AND THIRD DEGREE AT LEO'S CLUBHOUSE ON APRIL 20.

Following the smoker of March 28 when 650 persons crowded the Quigley clubhouse, and the council's quarterly communion when 621 Quigleyites participated in the council's public profession of faith, the membership committee predicts a huge class for April 15.

The smoker assembly was honored by the presence of Rt. Rev. Msgr. Bona, chaplain of Quigley and pastor of St. Mary of Perpetual Help Church; Rev. Ploszynski, Hon. Judge John F. Bolton, State Deputy; Patrick Noonan and Jeremiah Sheehan, district deputies; Guy Maccini, membership chairman of Cook County; George Noonan, G. K. Madonna Council.

Al Thompson, P. G. K. St. Patrick Council; G. K. Leo J. Gawryck, Judge Bolton and Patrick Noonan gave brief talks and Jeremiah Sheehan, the guest speaker of the program, thrilled the gathering with a spirited oration.

The council's communion at St. Mary of Perpetual Help Church was followed with breakfast at the clubhouse. Wm. Lenz, Jr., blood donor chairman, had a technician present, and after talks by Robert DuMais, state chairman, and Msgr. Bona, 70 members were typed, bringing Quigley's donor group to 252, a total which puts Quigley Council at the head of the entire order.

Such activities augur well for the degrees of April 15. But twelve days remain to turn all applications over to the financial secretary. To date the following applications have been received:

New Testimony Reveals Failure of Russia to Crush Religious Spirit

Washington. — New and impressive testimony to the fact that the Soviet campaign of Godlessness has failed to crush the spirit of religion in the hearts of the Russian people, is contained in two publications which recently have arrived here.

In one "Anti-Religionznik" (The Anti-Religionist), which came from Soviet Russia itself, the failure of the Godless campaign is confessed in a plea for harsher measures of religious oppression.

Reporting on conditions in Karelia, one Iskrinsky blandly states that "due to a number of facts that have disclosed the reactionary, counter-revolutionary aspect of the clergy, the faithful are trying more and more lately to get along without priests or sectarian ministers, and conduct their services themselves." This statement serves to cover up two facts: first, that the Godless campaign has brought about the banishment of every priest in Karelia, and, second, that the people refused to be overwhelmed by this development and keep their churches open themselves.

The writer states that women for the most part officiate in the churches in Karelia, and that they are called "readers," and, frequently "little mothers." There is a thinly veiled suggestion that this practice may be a violation of Church law against women ministering at the altar, but it is confessed that the women do not go near the altars; that, as a matter of fact, all the altars are closed up; that on occasions such as Easter, when it is necessary to bring the cross out from the altar, it is usually carried by one of the older men of the parish; that the women do not wear vestments; that they claim not to officiate in any service usually conducted by priests alone, and that the services take place in the center of the church and generally consist in the women leading those present in the recitation of prayers.

"Hierarchy" of Church

"This hierarchy of church organization and the 'little mothers'," says the reporter, "too emphatically stress that they have no priest; that their readers do not perform what a priest is supposed to do, and, therefore, they are not priests.

"It is of course clear that there is no foundation for not considering these newly-established priests as servants of the cult, even though, according to canonical law, a woman cannot be a priest. Nevertheless, a woman reader does not differ in any way from a priest."

"The change of the faithful to self-service," the article continues, "indicates also that we cannot limit ourselves in our anti-religious work by the disrobing of reactionary priests.

"Many faithful, nowadays, know how reaction and inimical are the church people. The authority of the priests is not high among them. But they do not understand yet that every religion is reactionary no matter in what form it is presented.

"Therefore, in such localities where people practice religion by taxing themselves, it is particularly important to reveal the reactionary essence of the religion itself as an ideology inimical to communism.

AN INTERVIEW

The second publication arriving here is "Rodina," published in Sofia, which carries an interview with a man designated merely by the letter "Z," who came out of Russia on a mission for the Soviet government.

Remarking upon the keen interest shown by his interviewers in the position of religion in Russia, "Z" said:

"Religious aspirations are not killed. But on the contrary they have been noticeably growing in recent years. Violence has only produced opposite results. . . .

"Religion can't be exterminated by a decree. Piety is even growing among communists. 'Here we see something that is almost inconceivable. Churches are razed everywhere, except in cities with foreign consulates, where they are left for a show, to convey the impression of religious tolerance, and to brand any statement to the contrary as a lie.

"SIMPLY CONTEMPLATIVE"

"But it is a strange thing to see people standing for hours, even party communists, at a spot where formerly stood a church. Do they pray? I don't know. Some stand seemingly absorbed in thought; others appear simply contemplative.

"Believe it or not, but it is a fact. In a large city like Odessa, where only one church is left, with two or three officiating priests, whoever could afford kulitchi (cakes baked only at Eastertime) this last Easter had been blessed in church. People waited for their turn from the time service started until 6 o'clock in the morning.

"Our old relatives often reproach us for not going to church. For it is true we seldom go. But if I, or anybody else, should be seen in church several times, we would lose our jobs. And that would be the least punishment. What then? For among us there are not heroic saints yet!"

Mr. "Z" said the attitude toward religion is strongly reflected in the attitudes toward matrimony. He said unions registered before the "ZAGS" are spoken of, even by Komsomols, as "canine weddings," and they they rarely last longer than several months. He declared that a woman who is divorced and remarried once or twice in the "ZAGS" is referred to in terms of opprobrium, and that "when communists have a sincere attachment to a girl they generally are anxious to be married in church."

AMERICAN BISHOPS GIVE $50,000 FOR POLISH AID

New York.—An interim report of the Commission for Polish Relief, Inc., made public here, announces that the organization has expended $901,722 for the purchase of supplies for Polish relief in Europe.

A listing of the organizations with which the commission collaborates includes the following entry: "The Catholic Bishops' Committee has made to the Commission for Polish Relief a contribution of $50,000."

The commission also announced that it had distributed 286,000 pounds of clothing, and 4,672,000 pounds of food, chiefly to children's institutions.

St. Cyr's Bowling Crown Is Won by Maniscalco Team

1-3 Mon. . . . . 1609 N. Halsted St.

Brother Knights, may we present the bowling champs, the Maniscalco Undertakers, sponsored by Joseph Maniscalo. Made up of a rather average team, this all-important victory is one that was well earned and undoubtedly well deserved. Led by their anchor man, Sam Piriano, with an average of 163, and followed by Frank LaPuzza with a 157, Joe Maniscalco with 155, and James Giambrone, and your scribe's dad, Sam Russo, with an average of 145 each. The runners-up, Lucania Undertakers, the Stranos and Cheer Ups, all battling for the victory on the final night, humbly pay homage to their masters.

The champs won 50 games and lost 28, the Lucanias and Stranos each won 49 and lost 29, the Cheer Ups won 48 and lost 30. We congratulate the champs, and in so doing the contenders and all others who in any way participated in this year's tournament join in to wish the champs well.

The final standings are as follows:

	W.	L.		W.	L.
Maniscalcos	50	28	Granatas	37	41
Lucanias	49	29	Ragos	37	41

In the individual high single game series Cosmo Coniglio rolled a 234, Joe Geraci 232 and Saro LaRusso 218.

We would like to present another champ. He is Joseph Gerace, whose brilliant and spectacular performance throughout the season earned for him the admiration of all the bowlers. With an average of 182, Joe takes the honors by five pins over another champ, Frank Costa, who bowled a neat average of 177.

Following are presented the first 24 men. Joe Gerace 182, Frank 177, Anthony Ortolano 175, Sam Costa 175, Dominick Donile 175, Joe Murglin 171, Tony Airdo 170, Vic Rizzo 169, Vince Lucania 168, Mike Mercurio 168, Sam Rannochio 168, Joe Barsano 168, Sam Geraci 167, Anthony Scarpinato 167, Tony Cirrincione 164, Frank Angelo 164, H. The individual high series was also taken by Dominick Donile with a 736, followed by Tony Airdo with 661, Saro LaRusso 652, V. Rizzo 634 and Sam Costa 626.

We could give you more—a lot more—but there is one thing which this column must include, and it is this, brother knights: Cosmo Coniglio has been your bowling secretary. Maybe some of us do not realize the burden that Cosmo has assumed and are unaware of the many hours of fine work which he has performed. He's figured out your averages, he's handled bowling funds, he's made schedules and he's sent a full and complete bowling report to your scribe each and every week during this season. Without his help these made-to-order reports could never have reached you. Let us join in a chorus of thanks for the fi bowling secretary any team has ever and show him our appreciation by te him: "Thanks, Cosmo, you've done a job and we certainly appreciate it!!"

We'll have a bowling party soon. will be held the early part of May.

Next Monday St. Cyr will hold a m ing and all barbecue books will be re for distribution. At the following m ing, on April 21, St. Cyr will hold a and second degree. Line up your ca dates.

Chicago to Discuss Important Business at Tuesday Session

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council's meeting April 8 is to be strictly business. One item we know about is the athletic fund contest, which will be settled. Announcements will be made concerning our annual communion Sunday on May 4. There will be some preliminary conversation about the spring training for our softball team and its organization. The barbecue will also be discussed. Last year, you may remember, Chicago Council was honored for the "best pro-rata showing" in the returns. Relatively small, we outdid even the big councils in proportion to our membership. (Thanks, of course, to Art Gately, Henry Lynch and a galaxy of industrious coupon merchants who "have that way" that Dale Carnegie writes about.)

THE BARBECUE

The barbecue books (1941 edition) are in process of distribution amongst our members. The entire first issue should be in your hands before the end of this week. The letter that accompanies the book will tell you how valuable your contribution will be to Bishop Sheil. All the money taken in is not quite near enough to carry on Bishop Sheil's grand work. We hope that every member will try and dispose of one or more books—more if possible.

Chairman Carl J. Caponi and Co-Chairman Charles Schroeder have been on the job since the books came off the presses and with their organization rolling along smoothly they are ready to deliver additional books as soon as they are needed. By the way, your letter has Bro. Caponi's name mis-spelled and gave our GK, Henry L. Phoenix, some strange initials. However, a rose by any other name will, nevertheless, always be a rose (and that also goes for baloney, as the scribe has been told from time to time). Anyway, this sets you right about the names—Grand Knight Henry L. Phoenix, Chairman Carl J. Caponi and Co-Chairman Charles Schroeder.

BOWLING

Our major league team "went to town" last week and smothered Feehan Council for three straight games; this moved our team a couple of notches to a higher standing. Ketteler meets us this week and Hennepin-Shields will be waiting around the corner next Friday night.

In the intracouncil league (Wednesday nights) the Ryan Coals took the odd game from the league-leading Franz Guards, reducing their lead over the Cole Recorders to four games (with only six more games to go).

Ryan Coals	745	749	717	2211
Franz Guards	672	722	755	2149

In the other match the Cole Recorders, the league's bowling sensation for the past month and a half, took all three from the Vallee Boosters and put themselves in a fine spot to climb over the leaders. Herb Le Resche received the plaudits for his 524 series.

SERVICE FLAG

Latest news flash from camp: Bro. John R. Bulger, Jr., has been advanced to the rank of corporal in the 108th Engineers, U. S. Army.

The finest news in a long time came during the week from Bro. Lawrence Ryan (our No. 1 sick committee). He reports that Bro. Bill Serritella, after being confined at the Presbyterian Hospital for six months and a day, has returned to his home at 3224 W. Polk St.

More good news: PGK Edward O'Connor has been permitted to sit up for brief periods daily during the past week. But visitors are still taboo—however it won't be long now.

Weber Has Interesting Meeting on Schedule for Monday, April 7th

1-3 Mon. . . . . 4758 S. Pulaski Rd.

This Monday's meeting (April 7th) will be devoted to "Forward Movement." The chairman and the various committees have arranged the program. Also there will be held a special election to fill the vacancy of D. G. K. Ed Zytka, who has been called to service in the National Defense Program.

Our Lecturer has made arrangements for refreshments and the drawing of the "Gold Pot," which is still boiling.

NOTES

An officers' meeting will be held tonight, April 4th, at 8:30 o'clock, in the council chambers.

Birthday: April 5th—Bro. Vince Lelewicz. Happy birthday to you, Bro. Vince.

MAPLE MASHERS

Last week the K. of C. Boosters decided to tie the first place team. They thrashed Dr. Dziubski Dentists in two out of three games. Kraft's Boosters also showed their skill by taking two out of three from Wegzyn Realtors.

The standings are:

	W.	L.
Dr. Dziubski, Dentist	36	24
K. of C. Boosters	36	24
Kraft's Boosters	28	32
Wegzyn Realtors	20	40

Honor roll: M. Mazurek 187, and A. Mlynek 203.

PRESS COMPLEMENTS PULPIT

New Orleans.—"Catholic life and interests have a thousand phases and ramifications which require expression and attention, and for which so-called pulpit time is entirely insufficient," Archbishop Joseph F. F. Rummel said over station WWL of Loyola University of the South. The prelate urged the use of the Catholic press to aid in carrying the Church message.

A long courtship is sometimes followed by a short session of matrimony.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and regaineth with Thee in the Unity of the Holy Ghost. RRY PLEASED WITH COMMUNION TURNOUT

1-3 Tues. . . . . 2856 Washington Bl.

The officers of Barry were greatly pleased with the splendid turnout of our brothers at Holy Communion last Sunday. It was good to see all the old timers giving vigorous handshakes to each other and it's too bad we don't get to see each other more often.

The breakfast at the clubhouse was very well attended—there was plenty to eat and everyone has good appetites. The council meeting, which followed, was well attended, and we are grateful to the Glee Club for the vocal selections—I thought their rendition of Ave Maria was the most beautiful thing I've ever heard. It was apparent that all the Irish were ganging up on Bro. Bill Radke, but Bill got them to fighting among themselves while he carried away the cake.

A report on the progress of the KC's Blood Donor units was also made. This is a powerful organization now and a visiting brother who carries a card showing his type of blood wouldn't have any trouble getting speedy help. To those of you who have not yet been typed, get in touch with Bro. Bamber at once, and then if something happens, remember that the Knights of Columbus, throughout the land, stand ready to serve you.

BARBECUE!

Bro. Martin convinced us that our best efforts in disposing of all the books we can toward the Bishop Sheil Underprivileged Youth Fund is a most worthy cause. Let's get solidly behind this, brothers, and your efforts may reward you with a radio or free vacation at Twin Lakes. Do what you can and do your best.

Bro. Bill Kenneally is cooking up a cabaret-dance for us next Fall. More about that later.

How about a class of candidates whose dads are members of Barry. That's what is coming up shortly. If you have a lad eligible for the KCs, bring in his application and we'll have a son's degree class.

The boys on the second floor want to correct an oversight and this is that Bro. Anthony C. McKernan's name was left off the list of Century Club members. Anthony was really one of the first to join again this year. Phil Cullen says he will see that the oversight does not happen again.

I wish that the whole world could have heard the address made by Bro. Geo. Kells, who is one of our city dads, and who impressed upon all patriotic Americans the very urgent necessity of all of us to recognize the devilish forces at work to destroy the institutions of liberty we now enjoy. All of us should ally ourselves with the forces which mean the preservation of our traditions. There's no question about Barry, George—we were right back of our Government in 1918, and we're all set to go again.

Regret to report that Bro. Dick Ward is ill at the Sacred Heart Sanitarium in Milwaukee. Our prayers are for you, Dick, and also for Bro. Joe Dunn and Bro. Bill Goggin, who are convalescing, as well as for Mary Eckstein, sister of Henry Eckstein, who is seriously ill at this time.

BARRY BOWLING LEAGUE

The entries for the 35th Anniversary Doubles and Singles Bowling Tournament are sure coming in fine and we hope to see every member that ever bowled or would like to bowl hand in their entry for this great event. You can get all the blanks you want from Phil Cullen at the clubhouse. The tournament will start Saturday evening, April 5, and continue Sunday, April 6, Saturday, April 12, Sunday, April 13, Saturday, April 19, and Sunday, April 20. So get busy and see that your entry is in. If you want more information you can get in touch with Clarence Sheehan, Mique Cunningham and John F. Chase.

Last week was the last time up for the prize donated by Mr. S. M. Peters, manager of the W. L. Douglas Shoe Store, 4002 West Madison street, who has donated another pair of those fine Douglas shoes. Somebody is going to be sporting a nice new pair of shoes for Easter.

The Barry-Hughes special for National K. of C. Bowling Tournament at Indianapolis will leave from the Illinois Central Station Saturday morning, April 26, at 9:30 a. m. and return the following day. We would like to have the largest crowd on this special that Barry ever sent to a National K. of C. Bowling Tournament, so if you would like to make this trip, ask for information at the clubhouse.

The Mid-West Auto Service made a clean sweep of their series with Kedzie Coals and are leading the league by three games with only three more weeks to go. John Foley had high score for Mid-West with 208 and Captain Pat Crowley had high for Kedzie Coals with 201. The United Air Lines kept in the running by taking two from Little Jacks and was honored last week by the presence of their sponsor, Mr. Fitzpatrick, who said he was very much pleased with the way the boys were doing. Charlie Kurtz had high score for Air Lines with 211, and Lou Rosenmayer had high for Little Jacks with 193.

T. W. A. won two from Faucher Brothers with Mort Flynn with his statue of Liberty poise getting high score for sky riders with 199. John Tamburrini had high game for Fauchers with 189. Ahern Morticians won two from American Air Lines with Don Naples getting score of 216. George Rose, the star anchorman for Aherns shot a very good series with a 544 score.

Charley Intrieri had to stop bowling in the first game on account of a pain in his side and we hope Charley will be able to carry on next week. Anthony Imbrogno started out like a house afire in the first game but ran into the old splits on good hits and finished up with a 541 series. Harry Kloth had high score for Air Lines with 198.

Cunningham Insurance won two from De Mares coals with sponsor Mique getting high score with 189. Joe Crowley had high for DeMares Coal with 190. Senator Keane won all three from Smith Funeral Home. Frank Kucera getting high for Keanes with 186. Captain Rocco Tarsitano had high for Smiths with 170. Pete Rizzo and Ted Biedzrycki said they wish their captain would look at the new wrist watch he got last Christmas so he can be on time for bowling.

Sheehan Chile won two from Kaindl's with Larry Westpahl getting high score of 208 and Frank Lahey who had a very large gallery watching him bowl had high score for Kaindl's with 201.

Last week's prize winners were J. Ferrarini 206, Urbain 210, J. O'Brien 214, E. Gurtz 212, J. Russell 203, Don Naples 171 and Ted Kiczak 169. And for the finale be sure you get that double and single bowling tournament entry in right away.

MAJOR LEAGUE

Bro. McGowan reports that on Friday, March 28, Barry took two from Carroll Council by a score of 2519 to 2507. Bro. Boyle was high for Barry with an average of 197, and Bro. Kucera made 201. In the first game Carroll was leading by a wide margin but that was before the mighty arm of Bro. Boyle shot six strikes in the last four frames to win by three pins. Whataman this Boyle!

St. Augustine Will Sample Wares of New Lecturer Next Week

1-3 Mon. . . . . 5209 S. Justine St.

At our next meeting Bro. Henry Reiger will make his debut as Lecturer. It is true that Bro. Reiger was in office last meeting but the meeting had been planned by his predecessor, private Joe Ossowski. Now Henry takes over and immediately announces a grand Easter party. Hams, bacons and Easter baskets to the lucky winners. The door prize of the evening will be a complete Easter basket, chocolate rabbits, eggs, etc. Refreshments will be served and a grand evening of fun and entertainment is promised.

P.G.K. M. L. Heinen and his wife, Pearl, are leaving for Florida today. There are conflicting reports as to whether this is a vacation or a second honeymoon. But no matter, whatever they may call this trip, they can be assured of our good wishes for a pleasant journey.

SYMPATHY

Our deepest sympathy goes to the family of Bro. John Driscoll, who was buried only last Saturday from Little Flower church. Our council gathered at his home on Friday night to pay their respects.

Please remember Bro. Driscoll in your prayers and ask that God have mercy on his soul.

ATTENTION, INSURANCE MEMBERS

Please be notified that the April assessment has NOT been waived and those who are paid in advance must necessarily be billed for this month.

Distribution of the barbecue books is well under way and if you do not have yours, it will be delivered shortly. Please sign the receipt slip. Do not lay your book aside—carry it with you and sell a ticket at every opportunity. Remember, when you "Sell your barbecue book" you are actually helping Rev. Bishop Sheil in his underprivileged youth movement. Share the satisfaction that you have taken part in this great work.

FT. DEARBORN URGES RETREAT ATTENDANCE

1-3 Thursday . . . . 820 Garfield Blvd.

It is customary in this land of ours for all people to vacation once a year. This is done to break the monotony of our daily work, relax body and mind and prepare and condition us for the work of the following cycle. In substance it amounts to a temporal retreat to some wooded resort or seashore. In other words we do look to the care and rest of our bodies.

Why, then, can't we exhibit the same concern for our souls? Each one of us needs a spiritual relaxation, a respite from the daily grind and the opportunity to shut off the horrors and hustle of the outside world at least once a year. This fact may be accomplished through the facilities provided by the good Franciscans at their sylvan resort in Mayslake, Ill., every year.

This year Dearborn has set the week end commencing April 18th for its annual retreat. The service starts at 7:00 p. m. on Friday and the retreatants will return to the city 7:00 a. m. on Monday morning. Sixty Golden Hours of peace and contentment, Sixty hours of relaxation, time to become acquainted with yourself and the opportunity to examine your inner self. This is the chance, brothers, to commune with God and virtually gaze into your soul. Thus, on behalf of Chairman Tony Wilhelm we urge you to make this retreat. Contact Tony now and arrange with him for reservations and transportation.

QUOTA! ! ! !

The time will now run by rapidly until the end of June, at which period the membership quotas should be met or surpassed. As the matter stands at the present, Dearborn will require approximately 35 per cent of an increase between now and the finish line. Knowing this each member will rally to the aid of the Council to make certain the attaining of this goal.

Thus it remains for each one of us to get busy and solicit every eligible Catholic gentleman and procure a signed application to knighthood. This is not too difficult because with a minimum of effort each one of us can obtain at least one candidate. In rendering this kind of service we are carrying out the fundamental principles of the order and advancing knighthood to its full purposes. We will have the higgest and best in Dearborn. We Can and We Will.

MEMBERS AND MEMBERSHIP

BARBECUE: By the time you peruse this issue, you no doubt will have received your barbecue books. In the event that you have not obtained it, contact Chairman Ruff or anyone of the other members of the committee; Bros. Chas. Lyons, DGK Pidone, John Lux or Dave Kerwin. The reason this is urged is the fact that receiving a book will not bring about a successful barbecue. It is of utmost importance that you sell your book. In so doing aid is being given to the fund created by the barbecue and administered by Bishop Sheil. The money goes to a very worthy cause, a charity for which each one of us should devote our efforts. Thus, obtain your book, sell it and make a prompt remittance. This is true Dearborn action.

CATHOLIC ACTION: — Arrangements are now being completed for Dearborn's annual communion Sunday on May 4th. The parish at which we will receive Holy Eucharist is the Assumption Church, 60th and Marshfield St. Bro. Pat McCarthy is chairman of this event and is working out the details such as breakfast and a speaker thereafter. As soon as all of these items are ready, this column will list them for your convenience. At any rate make no dates for May 4th.

BLOOD DONORS: Recent brothers of the group who have donated their blood in a real cause of charity are: DGK Tony Pidone, Bros. Frank Hubert, Bill Lynn, Elmer Dunlap, Al Sakis and Sam Butera. As you may readily notice our group continues its great work. However, chairman PGK Bob DuMais contends that there is still room for more members. He advises that those not yet having joined may become a part of this efficient group by visiting either St. Bernard's or Mercy Hospitals to be typed. In this way you obtain immediate membership and may then assist in this great cause of charity.

CURRENT EVENTS: April 18th, Dearborn Annual Retreat; May 4th, Dearborn's Annual Communion.

R. I. P.

It is with deep regret that we report the death of A. Guido, the father of Rev. S. Guido. Order-Wide Class Planned in Honor of Supreme Knight

10,000 New and Former Members Is Goal Set by Supreme Office for Next Month

Every Council of the Order will be offered the chance to honor Supreme Knight, Francis P. Matthews during the month of May by co-operating in a plan to admit 10,000 new and former members in an Order-wide "Francis P. Matthews Class," according to recent word from the Supreme Office.

In their message to Grand Knights announcing this unusual program, the Order's leaders said, "During the coming weeks and months many opportunities for service—perhaps the greatest in our history—will be offered the Knights of Columbus.

Members' Support

"To make this service effective the Order needs the support of its own members—the support of the thousands of eligible Catholic men not yet within our ranks—and the return to the Order of many former Knights of Columbus who, through the past fifteen years, have relinquished their membership. Most of these former members are today in a position where they can resume membership in the Knights of Columbus. They await only the extending of an invitation by our Council.

"The month of May is being designated as a special period during which each Council can make an effective contribution toward strengthening the Order. This plan, dedicated to the honor of our Supreme Knight, Francis Matthews, is so organized that all councils, regardless of size, can do their part.

"Working together toward a common objective — Service through strength—we can all make the Francis P. Matthews Program the springboard of new and greater accomplishment for the Knights of Columbus."

If each Council does its allotted share, 10,000 new and former Brothers will join the Order in May. To make that objective, every Council is asked to conduct a First Degree in that month.

State Chairman Appeals for Council Donor Lists

So that the proper credit may be given to each Council on its Blood Donor activity, at the annual meeting of the State Council next May, State Donor Chairman Robert Du Mais asks that all Grand Knights or Council Chairmen forward a list of their donors to him not later than April 15. The Council reports should include the donor's name, address, and blood type, plus the number of transfusions the Council has provided, if any.

All information received by Du Mais must be reclassified for inclusion in his report to the State officers. Since this involves considerable time and attention, he asks the early co-operation of all the council chairmen. Reports may be mailed to Chairman Du Mais at his home, 2567 Emerald Ave., Chicago.

Annual State Golf Tournament to Be Held Here June 25

Expect 1,000 Entries to Compete at Olympia Fields in 14th Annual Event

Thomas D. Griffin, chairman of the Knights of Columbus State Athletic Commission in Illinois, made known today that the Fourteenth Annual Knights of Columbus Golf Tournament would be held on Wednesday, June 25, at the Olympia Fields Country Club, scene of the last seven state tournaments.

Last year's entry of almost 900 golfers, drawn from exactly eighty councils in this and neighboring jurisdictions, stamped the tournament as one of the largest amateur efforts in the nation. A grand total of over $2,500.00 in prizes was distributed to the top golfers and to the other lucky fans present at the evening banquet last season that officially closes the day's outing.

Since its inception in 1928 when a total entry of 68 golfers made the rounds at the old Columbian Country Club, the tournament has never failed to draw a larger number of participants. This year, Chairman Griffin and the members of the executive committee expect to register at least a thousand golfers for the affair.

Defending champion, Sid Smith of Archbishop Quigley Council, who posted 38-35—73 last year for the major trophy has expressed his intention to try for a second leg in the cup this season.

Pope Pius XII Easter Message to Be Carried in a Radio Broadcast

His Holiness, Pope Pius XII, who is expected to voice a particularly strong appeal for peace, will be heard Easter Sunday, Apr. 13, over the combined networks of the National Broadcasting Company.

The Pontiff's message, which will open both the NBC-Blue and NBC-Red Networks at 5:00 a. m., CST, will include the solemn Apostolic Benediction accompanied by a Plenary Indulgence. Local NBC outlet for the address is expected to be WMAQ or WLS.

Pope Pius, speaking to the entire world, will broadcast his Easter address from his private Library in Vatican City.

His Excellency, The Most Rev. J. Francis A. McIntyre, D.D., Auxiliary Bishop, Archdiocese of New York, will also be a speaker on a special Catholic Easter Service to be broadcast on Columbia's "Church of The Air" this Sunday from 12:00 to 12:30 p. m. CST. Local outlet for this program will be WBBM.

Music for the broadcast will be sung by the choir of the Church of the Blessed Sacrament in New York City. The choral program, under direction of Warren Foley, includes Brahms' "For the Trumpets Shall Sound"; "Panis Angelicus" by Cesar Franck; "Gloria Patri" from a Magnificat by Palestrina, and other music appropriate to Easter.

Book Distribution Nearly Complete in Barbecue Drive

District Chairmen Report City-Wide Enthusiasm for Project as Sales Campaign Begins

With slightly more than seventy-five percent of all local Councils reporting a complete distribution of their barbecue books by last weekend, the first step in the district campaign to put the Knights of Columbus Barbecue in benefit of Bishop Sheil's Underprivileged Youth Fund over the top was well ahead of schedule.

Ludwig A. Streck, general chairman of the 1941 affair which will be held at Riverview Park on Wednesday, June 18, expressed the belief that "if this unusual display of interest and enthusiasm carries over into the ticket sales campaign, we may look forward to a decided increase in the amount of our donation to Bishop Sheil next June."

Ticket Returns Already In

That the sales campaign is being fired by a new enthusiasm is also indicated by the fact that ticket returns were being made at the Barbecue Headquarters, 155 N. Clark street, as early as last Tuesday. Honors of presenting the season's first payment went to St. Augustine Council, when Treasurer Michael J. Novak tendered Secretary Carney payment for an even dozen books Tuesday afternoon.

Other indications of general interest in the campaign are also reported by the eight district chairman who head the sectional council groups into which the city is divided. The group leaders, with the councils in their jurisdiction are:

Columbian Office to Move on April 18 to 188 W. Randolph St.

Because the Illinois Bell Telephone Company, recent purchasers of the Morton Building, is taking over a majority of the building's space for its own use, The Columbian, after Friday, April 18, will be located at 188 West Randolph Street (corner Randolph and Wells) Room 1123. The phone numbers, Franklin 2060-2061 will remain the same.

All communications intended to reach The Columbian up to and including Friday, April 18, should be directed to our present address at 208 W. Washington St.

Council scribes are particularly asked to make a note of the moving date and to submit any mailed copy, intended for the issue following April 18, by Special Delivery in order to insure an early arrival.

Holy Name Society to Hold Luncheon Meetings as Part of New Program

Part of the Archdiocesan Union of the Holy Name Society's drive to build a strong and active organization here will find expression in the series of weekly luncheons to be held each Wednesday noon at the Morrison Hotel. The luncheon meetings are planned as a means of furthering the growth of the society in accordance with the desires of the Most Rev. Samuel A. Stritch, Archbishop of Chicago, who has set the determining goal of 200,000 new members in the various Holy Name groups by Easter Sunday.

In an early meeting a week ago, the Rev. Edward J. Kelly, executive secretary of the Holy Name Society here, delivered a message from the Archbishop in regard to the society's aims and accomplishments. Mr. S. R. Pulaski, president of the National Catholic Alumni Federation, presided.

All Members Invited

Last Wednesday other members of the society met to report on the progress of the current membership drive, and engaged in a round-table discussion of objectives and the achievements of the Catholic Action program sponsored by the society.

Future gatherings, to be held each Wednesday, will convene from 12 to 1:30 p. m. All members of the society are invited to attend. It is felt that the informal luncheons will bring a closer relationship of the society and its aims into the business world.

Leo XIII, Loyola-Hyde Park, and St. Rita.

All eight of these men have served on the executive committee during previous barbecue campaigns; three, now in charge of different districts, former general chairmen; Julius M. Altenhofen headed the first campaign in 1938; Jeremiah J. Sheehan led the 1939 drive and Henry J. Lynch was in charge of last year's effort.

New Plan Has Many Benefits

The adoption of the plan providing a district chairman for the separate sections of the city was made last year in an effort to establish a means of closer contact between the separate councils, the general membership and the executive committee. The system proved so advantageous that it was put into practice again this year.

Frequent reports of sectional progress may now be made by the group chairmen both to the executive committee as well as to the individual council so that it may check its progress against that of other units throughout the city.

Fr. Setters to Present Movie of Ireland at Meeting of April 24

2-4 Thurs. . . . 4715 W. Madison Street.

The post-lenten season of activities of Father Setters Council will get under way at the regular meeting of Thursday evening, April 24, with a highly interesting and entertaining program arranged by Grand Knight Maurice J. Kissane and Lecturer J. Edmund Dwyer. The principal feature of the evening will be a moving picture and accompanying descriptive commentary, entitled "An Evening in Ireland."

The picture was taken in its entirety, and the commentary will be presented by the Rev. Edward Boyle, of Saint Bartholomew Parish. Father Boyle has travelled extensively throughout Europe, North and South America and has preserved pictorial records of his journeys which have proven to be of great interest to the many audiences before which he has appeared.

His most famous movies are those taken during his comparatively recent trip to Ireland. Every county of the country is covered extensively and his accompanying description supplements the picture so that an unusually interesting time is in store for the Settersites present at the meeting of April 24.

At the conclusion of the pictures, refreshments, and a side of beef prepared by Brother Hank Evert of Carroll Council will be served.

NEWS

Sylvester G. Horstman and Miss Catherine Evelyn Lotts will be united in matrimony on Saturday morning, April 19, at Saint Edward's Church, Sunnyside and Kostner Aves. Brother Horstman has been a most loyal and active member of Father Setters Council for several years and, notwithstanding the fact that he has been residing in Saint Louis for some time, he has maintained his interest in the affairs of the Council. His many friends in the organization join in extending him and his bride-to-be our best wishes for many, many years of happy wedded life. Oak Park's Carleton Hotel will be the scene of reception.

Brother William Goy, member of Father Setters Council, Past President of the Nocturnal Adoration Society of Notre Dame Church and member of His Excellency, Bishop Sheil's Advisory Board, is now associated with D. B. Hansen & Sons of 23 N. Franklin St., leading dealers in religious supplies. His fellow-Settersites join in extending to Brother Goy our best wishes for success in his new position.

Our most sincere sympathy is extended to Brother Patrick M. Buckley, on the occasion of the recent death of his father, Mr. John J. Buckley, who passed away last week. The funeral was held on Thursday, April 3, at Mount Carmel, following Requiem Mass at Saint Mel's Church.

Members of Father Setters Council will receive Holy Communion in a body at the eight o'clock Mass on Mothers' Day, Sunday, May 11, at Saint Finbarr's Church, 14th St. and Harding Ave. All council members are urged to attend.

WOMEN CAN EFFECT RECONSTRUCTION

NAZARETH MEETINGS SOURCE OF MUCH PRIDE

2-4 Tues. . . . 17 W. Harris, LaGrange

Had quite a lively meeting last Tuesday night, which is not unusual for Nazareth nowadays. Matters brought up for discussion are given a very thorough going over. Everyone gets a chance to speak for or against anything that might be under discussion. That is as it should be. If you are not in the habit of attending meetings you are missing something. We are glad to see a few of the boys who have not been so regular of late. We refer to Jimmy Robinson, the able representative of the Peabody Coal Co.; Dick Rethinger of LaGrange and Louis Piper of Western Springs.

Just as a reminder now before you make any other arrangements, set aside the morning of Sunday, May 4. This is the Sunday set aside for our annual communion and breakfast. It will be at St. Barbara's Church in Brookfield. The time of the Mass has not been set, however we will keep you posted as to that. Al Fox of Hollywood has charge of the arrangements for this parish and nothing would please him more than to have us fill the church.

NEW MEMBERS

What about new members? Let's not slack up on this feature. After all this is your council and if you would like it to grow and prosper the best thing is to increase the membership. Get a couple of application blanks, carry them with you and when you meet some of those eligibles get to work on them.

We have a report that Bro. L. E. Walsh is still seriously ill. We are indeed sorry to hear that. He has been sick for quite some time and we express the hope that he will soon recover and be back in circulation again.

Your scribe had occasion to visit Western Springs recently and while slowly cruising along on Harvey Ave. was suddenly confronted with the spectacle of a man in his shirt sleeves running down the street apparently pulling something after him. We stopped, got out, took another look and, believe it or not, there was Ben Martin. What was he doing? Well, we are not getting facetious, but he was flying a kite! So help us, that is just what he was doing. Such goings-on!

Well, the barbecue campaign has been launched. You have your book, or at least you should have it. Now that you have it what are you going to do about it? Men, let's be serious about this. Sell those tickets. Sell and sell, and then sell some more. Let's not go at this thing half-heartedly.

Show your prospects what is being done with these funds. Stress that point of charity, of how this money is being spread in that wonderful work which our beloved Bishop is doing and for which he has become so well known throughout the entire country. Don't be afraid to approach your friends on this. Some of the easiest sales made are to those not of our faith. Race, color or creed do not enter into this. Remember our goal: This year the biggest sales ever. We must not fail.

PIN POINTS

The east end has reported again. Thanks to Bill Gersch we have some dope. The Paden Drugs team appears to be in first place for keeps, while the Doc Antonians have second place locked up. With only nine more nights to bowl it appears that neither one can be displaced. The battle from now on will be to see who wins the basement position. The standings to date are: Padens won 57, lost 27; Docs won 46, lost 38; Kartjes won 32, lost 52; Peabody won 32, lost 52.

In the west end on April 7 the Watkins lost two to the Western Tire in the biggest upset of the year; Brittans took two from the Mahr Roofers, the D. G. Motors swept the series with the Tivoli Candies, while the Triangles were doing the same to the Dieters. Standings: Watkins won 51, lost 27; Mahrs won 45, lost 33; Motor Sales won 44, lost 34; Triangles won 43, lost 35; Dieters won 32, lost 46; Brittans won 34, lost 44; Tivoli won 31, lost 47; Western Tire won 32, lost 46. The west end holds its sweepstakes April 28. The east enders are invited to participate.

Americus Extends Its Greetings for Easter Season to Members

2-4 Mon. . . . . 3350 W. Jackson Blvd.

Good Morning Mr. and Mrs. Americus:

It is my sincere wish that all the members of Americus and their families may enjoy an abundance of God's blessings during the Easter Season.

I wish to thank most sincerely those members who have been taking an active interest in the various functions of our Council. Our meetings have been very well attended and our Lecturer has left nothing undone to make the social portion of our conclave interesting and entertaining.

Our officers are on the job, each doing the duty he is assigned to. Words cannot express my thanks to the "Blood Donors" for the wonderful spirit shown by them. They are ready for the call at all times, hoping that they can save a life.

The great feast day which we commemorate next Sunday—"Easter" is perhaps the most solemn of the whole year. The Resurrection is the confirmation of our hope that we shall also rise from death to a life of immortal glory.

ANNUAL COMMUNION SUNDAY

Communion Sunday, May 4th, has been selected by our State Chaplain as the official date for the Annual Communion Sunday. Americus will show the same spirit this year and a special effort will be made to have every available member in the line of march on that date, so whether or not your Easter Duty has been performed, I request that you turn out with the Council on the day appointed.

A letter will be sent to every member of the Council from the Office of our Chaplain, Rev. Vincent Scheltinga, O.S.M., regarding our Annual Communion Sunday.

No news received from the Bowlers this week.

Again let me take this opportunity to wish each of you and your families a Most Joyful and Happy Easter.

I'll be back next week with a flash.—Ned Kelly, G.K.

Arch. Weber in Drive for Charity Barbecue With Plenty of Zeal

1-3 Mon. . . . . 4758 Pulaski Rd.

The first year the K. of C. sponsored the Barbecue program, our council participated 100 per cent; the second year we dropped to 65 per cent; last year we increased to 75 per cent, and this year, brothers, let's go up instead of down. At this time every member has a book, rather early, but an early beginning brings a successful ending.

The Barbecue Chairman, John Tzos, and Co-Chairman Stan Jaworski expect each brother's cooperation in this program. Last meeting the first book was sold by Bro. Charles Niedojadlo. The chairman, John Tzos, has stated he sold a book and one-half.

Last meeting an election for the vacancy of D.G.K. was held and unanimously Sir K. John Zolna was elected. We congratulate him, and we know he is capable to hold this office. Since he is chairman of memberships and is producing an application each meeting. At the conclusion of the election Bro. Zolna has turned in four new applications. Good work and well done, but let us not stop and be satisfied but let's give him continued support.

The Forward Movement Program last meeting which was turned into a round table discussion was quite interesting. Bro. Cushing, agent of the Supreme Office, stressed the "Francis Matthews Membership Drive" for the month of May. The "Gold Pot" winner was Bro. J. W. Dziubski. Sorry he was not present. The pot was divided among five members present that night: Bro. Miles Balut, Bro. Pete Zegdel, Warden; Treas. Leo Dobrowolski; Chancellor Steve Jas, and G.K. Julius Martynowicz.

COUNCIL BRIEFS

Bro. Frank Martynowicz was the 9th blood donor of our council and was presented with the emblem by Chairman Frank Dalka, Sr. Some new faces seen at last meeting: Bro. Anton Kraft, Bro. Frank Wegzyn, Bro. Keller and Bro. Balut. We expect all of you more often, brothers. Weber Council had three teams entered in the State Bowling tournament at Indianapolis. Three more brothers have left us for service in the Army—Bro. John Rostocki, Bro. J. Dziewinski and Bro. Ed Podgorski.

MAPLE MASHER

Last Wednesday Dr. Dziubski Dentists received a thrashing by our last place Wegzyn Realtors. They lost three games which dropped them into 2nd place. Kraft's Boosters stopped the K. of C. Boosters from getting too far with their victory games. They took 2 out of 3 but nevertheless went to 1st place. The standings are:

	Won	Lost
K. of C. Boosters	37	26
Dr. Dziubski	36	27
Kraft's Boosters	30	33
Wegzyn Realtors	23	40

Honor Roll: J. Zapotocny, 171; Steve Jasinski, 180; H. Kendzior, 171; M. Zagorski, 176.

Chicago Heights Will Receive Communion at St. Ann's on May 4th

4 Mon. . . . . 1527 Otto Blvd.
Sunday, May 4, is the Annual Communion Day for Chicago Heights Council when all members will meet at St. Ann's Church, corner Main and Chicago Road, to receive Holy Communion at the seven o'clock Mass. The Grand Knight desires to make this turnout the largest of any in the past, and appeals to you one and all, to be present this year.

April 14th is the date set for our next regular meeting and a special request is made by the Lecturer and Grand Knight that all members be present. Arrangements will be made to perfect plans for an entertainment for the last meeting in April which will be the 28th.

Chicago Heights Council was represented at Blue Island's Palm Sunday degrees. D. G. K. George Pallo, Chancellor Walter McMurray, Bros. John Holwell, Bud Weiding and Dick Connoly were present to witness the degrees, and from all reports it was the finest they have seen in a long time. Michael Garety and his boys were sure glad to see some of the old faithfuls such as Bro. Joe Pastern. He, like a few others, have not missed a third degree in the last twenty years.

After the degree work the boys went over to San Salvador clubrooms where they were treated royally. They had a good time doing away with the best of roast beef sandwiches. Thanks to Bros. Jim Burke and J. Malloy for asking us over.

BARBECUE

Chairman Walter McMurray has the books for the annual barbecue distributed now, and any brother who did not receive one should call Walter at 2955, or see Matt Walwer. Brothers, let us all get back of this worthy cause and make this year's barbecue a bigger success than any previous year.

CONDOLENCE

The council offers its deepest expression of sympathy to the two sisters and brother of Bro. Hubert Bowen, who passed away early Monday morning at St. James Hospital. He had been ill for several months. Funeral services were held Wednesday morning at nine o'clock at St. Agnes Church. Burial was at Mt. Olivet cmetery.

Why a Fraternalist?

By Julius M. Altenhofen, District Deputy

Recognized authorities on world affairs, particularly those speaking in relation to the present world war, agree on at least one principle and that is that a definite "Back to Christ" movement is necessary all over the world for the preservation and advancement of our civilization.

After the first world war, moral standards suffered a terrific let down. The stage and screen leaned over backwards in its portrayal of the vulgar and suggestive. Double features became doubly demoralizing.

Catholic Action, instantly, became the strongest champion in the fight to turn back the tide of this onslaught on the Christian view of life, and the Knights of Columbus, as an Order, has, through its manifold activities, given the Christian forces their greatest impetus.

"Just what constitutes Catholic Action" is a question that is very often asked. In its broader scope, there are many phases and counter parts combined within its full meaning. From a strictly religious viewpoint, we may consider the example we set as being most important. The attending of special devotions such as Retreats, Novenas and other extraordinary occasions are of primary concern.

These, however, relate to us only as individuals. It is what we do collectively and through the power created by our unity of action that is making and will make Catholic Action a potent factor in the world.

In the brotherhood of the Knights of Columbus let us take inventory of those activities which can definitely be placed in the category of "Catholic Action" and determine for ourselves whether or not, by being a living part of these things, we have not found a satisfactory answer to the question, "Why a Knight of Columbus?"

Catholic education of the boy is most important and here in Illinois each year we are providing 52 scholarships for those who would otherwise be denied a Catholic high school education.

Here in Cook county we contribute annually 18 or 19 thousand dollars to the underprivileged children in our community.

At Champaign we see to it that the Catholic students attending Illinois University have all the comforts of our Holy Religion, for it is your Order that maintains the two chaplains at that institution.

For twenty-five successive years we have, through the medium of our Home Findings Association, placed an average of 100 orphans in Catholic homes.

In several instances Councils have created perpetual scholarships at Quigley Seminary to enable those who would otherwise be denied their vocation to study for the priesthood.

These and many other minor activities are definitely Catholic Action, but how many of us could accomplish any of these things individually. Yet collectively we are a powerful force and by pooling our interests the results are tremendous.

Being part and parcel of these truly great accomplishments should make us all proud of our membership, for in this combination of "Catholic Action activities" we have the most logical and basic answer to the question, "Why a Knight of Columbus?"

Without distinction, without procrastination, love. Lavish it upon the poor, where it is very easy, especially upon the rich, who often need it most; most of all upon our equals, where it is very difficult, and for whom perhaps we each do least of all.

How can we expect another to keep our secret if we cannot keep it ourselves?—La Rouchefoucauld.

It is important to remember that, in strictness, there is no such thing as an uneducated man.—Huxley.

* * *

Do they not show themselves to be rather lovers of themselves than of Christ, who are always thinking of their own profit and advantage?

Where shall one be found who is willing to serve God for nought?—A. Kempis.

ST. PAT'S IN SOFTBALL SESSION AT NEXT MEET

1-3 Tues. . . . Madison and Hamlin

Along with the balmy spring weather that has brought us the beautiful month of April, comes the announcement by Mgr. John Failla of our softball team, that all candidates who wish to try out for the squad should positively attend the meeting of April 15 at the Midwest Athletic Club.

Along with the nucleus of the 1940 contingent, new material should enhance our chances to win the bunting which heretofore has been the property of our neighboring council. The boys have resolved that the erstwhile supremacy of our rivals has gone far enough. If you are unable to come to this meeting and wish to get more information, then call John at Diversey 2463, or better yet, drop him a line. His address—1008 N. Cleveland Ave.

BOWLING TICKETS

Individual returns on the tickets for the bowling league awards are very slow in reaching the coffers of the man in charge, W. C. Farrell. He has asked that those wishing to dispose of surplus monies from the sale, kindly reimburse him at the bowling alleys on Monday night. The sooner this business is completed the sooner will the keglers receive their prizes. So hurry, men, and get the receipts in.

LOST AND FOUND

It is the kind wish of Anthony De Blasio that the gentleman who erroneously took his (Tony's) overcoat home instead of his own, please return. The oversight took place at our last meeting on April 1st. Brother De Blasio wouldn't really mind the trade because the one he now possesses is a very good one. However, his has one lament—he trips over the o'coat when he walks. So PLEASE bring the o'coat either to the bowling alleys or to the meeting on April 15th.

REQUIEM

It is with great regret that we learn that the grim reaper has taken the souls of the late Mrs. McAvoy, mother of Earl, who has been commuting here monthly from his business in Pittsburgh; the late Nora Griffin, sister of John and Eugene Griffin, and sister-in-law to John Purcell; the late Edw. Mullen, brother-in-law to Mrs. Marcia Bennish, wife of the P. G. K. Roy Bennish; the late David Leonard, who lived just long enough to celebrate his golden wedding anniversary last fall, and who was the late father-in-law of Warden Geo. Burns and Insurance Chairman Ray Hughes; and lastly the late Mrs. P. J. Lillis, wife of Paddy.

The prayers of the entire membership is kindly asked for the peaceful repose of their immortal souls.

BOWLING NOTES

With the season rapidly drawing to a close the only team that seems to have an opportunity to overhaul the McGintys is the Allegretti Grills. By virtue of two wins over the leaders the latter crept within 2 games of the top. The Emergency Radios blew a few tubes when they met up with the Barry Cyclones. By dropping two games to them they virtually ceased to be serious contenders.

The rejuvenated Deir Morticians again displayed the form that has brought them triumph after triumph. This time they took the measure of the Freda Meats despite Sam Freda's 593. The reason was evident. J. Eisa had one of his best nights since the campaign started gathering 651 pins to register one of the season's highest totals.

Led by Capt. Jas. (Barbecue) Hartford, the Cahill Printers won the odd game from the Weiland Florals, and no wonder—Dan Miller was absent. The Damato Taps again flashed some of their old form when they trounced the Moriarty Indians in 2-3. Fighting to erase the stigma of a bad last half of the season, the once mighty Rex Paints (ha, ha, ha) easily subdued the ABCs in all 3 games. It's a wonder what the thought of amber fluid will do to some people.

The honor roll: Eisa, 651 (201, 206, 244); Freda, 593 (241, 162, 190); Basile, 513; T. Scully, 510, Hartford, 530; Schmidt, 504; R. Latelle, 499; Failla, 513; Chappell, 510; W. O'Connell, 501; Mulcahy, 470; Garvey, 551; E. Scully, 507; M. Fiorito, 524; Stumpo, 506; Montedore, 559; Racine, 503, and Spero, 514.

Washington.—The Very Dr. James A. Reeves, president of Seton Hill college, Greensburg, Pa., offered the prayer with which the house of representatives opened its sessions on a recent day.

Perhaps no action of the Knights Columbus in Illinois ever attracted m favorable attention and comment to Order here than the great athletic m of August 28, 1920, held at Stagg F at the University of Chicago.

The meet was won for the Knights Columbus by the Hon. Francis P. Bra Chairman of the Athletic Committee the Chapter, who thus placed the K. of athletic forces in the foreground of pul popularity.

Besides several K. of C. aggregati such organizations as the Chicago Athle Association, the Illinois Athletic Assoc tion, the University of Chicago, Nor western University, University of Mic gan, Belding Playground, Vilas Athle Club, and many unattached athletes p ticipated.

There was also a great wrestling ma between the famous Zybyszko and P Alvarez, which was won by Zybysz (L. O'Malley.)

FOURTH DEGREE

You Sir Knights should not forget our next Sherman 4 meeting, April 23, at Father Sesterhenn's. A pleasant evening is in store for you. Our Marshal, Bill Free, has several new gray hairs—and no wonder. At our last drill some of the boys had trouble finding out which was their right or left side, especially an ex-Marine. What old father time won't do to a man! Next drill will be held right after our regular council meeting, April 15th. Do not forget to bring your baldric and sword. The dedication of Our Lady of Angels Church will be April 27, and our Communion Sunday, May 4. Two very good reasons for plenty drilling.

Loraine Dottenwhy, the daughter of our John, will be joined in holy matrimony to Francis Klingenmeyer, April 19, at St. Philomeno's Church, at 9 o'clock Mass. Lot's of luck and happiness to the young couple.

Just one more evening of bowling and then it will all be over for another season. Your scribe expresses the sentiment of each of the fifty men who spent Thursday nights together. We will be sorry when its finished. You sort of get used to each other. You miss the razzing and we sure have some experts in our gang!

The bowlers banquet will be held Thursday evening, April 24, at the Mid-West Athletic Club, 8 N. Hamlin Ave., at 7 o'clock.

Those of you who are going to attend the National K. C. Bowling Tournament at Indianoplis, will leave from the I. C. station, 12th and Michigan, Saturday, April 26, at 9:30 a. m.

ST. CYR'S SOFTBALL PLAYERS LIMBER UP

1-3 Mon. . . . . 1609 N. Halsted St.

With spring weather coming on, St. Cyr's eyes turn to new athletic pursuits. "All out aid" in the softball camp is the cry of Manager Vic Priola, newly appointed St. Cyr softball mentor. Your help is needed to bring the laurels of past years to the St. Cyr camp. Attend the try-outs, which will be held shortly. Turn in your name to our new manager, Vic Priola, whose address is 1848 Cleveland Ave. A fair chance for everyone, today, as always, is the motto on which our softball team has been run.

To our retiring manager, Johnnie Mancuso, St. Cyr extends its warmest appreciation and handshake for the many fine years of devoted service. Rain or shine, Johnnie Mancuso, veteran of many campaigns, was always right there on the job. A gentleman in the finest sense of the word, a man's man in every respect, the colorful Johnnie Mancuso, shall leave an indelible impression in the hearts and minds of Knights of Columbus athletes from one end of the city to the other.

BARBECUE BOOKS

At our last regular meeting the barbecue books for Bishop Sheil's Underprivileged Youth Fund were distributed. A number of team captains were chosen, their duties being those of a district chairman over the ten or twelve men whom they have been chosen to supervise. Receive your book in the spirit of charity. We know that you are called upon every day to contribute toward relieving the ills of suffering people. But returning to that old maxim, that charity begins at home, we can do our share by donating to the charity, which is going to benefit the little guy that lives right over the tracks from you.

On April 21st, St. Cyr will conduct a first and second degree of its own at the council chambers, at Halsted and North Ave. You will be notified of your list of candidates by Recorder Sam Nicosia, in sufficient time to get in touch with them. In the meantime, if you see some of them, remind them now of the coming degrees.

CYR-IOUSLY SPEAKING

In conformity with Knights of Columbus tradition, St. Cyr will again receive communion this year on May 4, at Father Joe Bernardi's Santa Maria Addolorata Church, Erie and May Sts.

Called to the colors during the past week was Frank Appicella. In good physical condition, and twenty-seven years of age, Frank is one of the first of a long list of young St. Cyr men who shall be listed in this column from time to time.

Mike Mercurio, the bowling demon, will take unto himself a wife on April 20, at St. Edward's Church, Sunnyside and Kostner Ave. The beautiful young miss is Miss Sansone. Congratulations to both of you.

The annual audit report was given at the last meeting by Past Grand Knight Clarence Wittenmeier, in behalf of the trustees who are Clarence Wittenmeier, Joe Mercurio, and Bruno Satkowski. A lengthy report, giving in detail the financial status of the council was very ably presented by Brother Wittenmeier, and the pleasing remark heard and heard for many years, was "the books are found in order." Saro LaRusso and Frank "Bo" Angelo, the financial secretary and treasurer respectively, are the men responsible for the splendid way in which the books are kept. To the three trustees, the secretary and treasurer, we extend our thanks for devoting so many hours to an extremely burdensome task. You're all doing a fine job.

Gar. Moreno Is Well Represented at Famed Palm Sunday Degrees

2-4-Tues. . 155th St. & Lexington Ave.

The Palm Sunday degrees are now past history, but it took work on the part of the members to supply the candidates and work for the district deputies and officers to make the degrees a fitting success. Let's not stop now with our membership efforts. Our council has not yet met its quota and success for this quota lies only within ourselves. We must redouble our efforts now if we are to attain any progress by the June 30 deadline. There are no short cuts in the process, we just have to work. Will you lend your council your full assistance?

THIS AND THAT

The scribe extends his sincere thanks to Harrison Duck and wife, Mr. and Mrs. Louis Beaupre, Mr. and Mrs. Alvin Biggerstaff, Mr. and Mrs. Wm. Powers and Mrs. Olga Gibson, and to the council for the kindness and sympathy extended in the recent loss of my beloved aunt.

The mother of P. G. K. Al St. Aubin is confined to St. Francis Hospital. We hope her stay there will be short and our sincere wishes for a speedy recovery go to her and Mrs. Thomas Condon, who is also on the sick list. P. G. K. William O'Hara re-elected assessor of Thornton township. Congratulations, Bro. O'Hara.

At the meeting held at P. G. K. James Munro's home Tuesday evening, April 2, to organize a fourth degree club, the following officers were elected: President, James Munro; vice president, Henry Hilgendorf; secretary-treasurer, Romeo Begnoche. The above news was furnished by Louis Beaupre. News is very scarce, or at least your scribe just can't pick it out of the air. Drop me a card. Cheerio.

Auburn Park's Entire Membership Asked to Join Barbecue Drive

2-4 Thurs. . . . . 7740 S. Emerald Ave.

On Monday evening, March 31st, Grand Knight Harry J. Cox and Barbecue Chairman, Deputy Grand Knight John Coughlin, attended the Kick-Off Dinner of the Annual Barbecue. The books are now ready for distribution.

This annual event is in its fourth year, and the receipts derived from this affair to be held on Wednesday, June 18th, at Riverview Park is presented to Bishop Bernard Sheil for the Underprivileged Youth of Chicago. It is the hope of the Committee in charge that this year the check given Bishop Sheil will exceed $20,000.00, and with the cooperation of the membership this can be accomplished.

Our Council has been extremely fortunate in having an efficient distribution of the books and this in itself is most important. Through the good graces of Brother John F. Shanahan this feature is accomplished in a very few days, and gives our members extended time in selling these books. If, when they are received at your home, you will take them with you and talk this Barbecue up among your friends you will have no difficulty in disposing of tickets.

Another important feature in connection with this Barbecue is the fact that you retain $1.50 from each book, and your Council Treasury also profits to the extent of $2.50. We are depending on each of you to cooperate this year and sell all the books assigned to us. Do not let us down.

INTERESTING MEETING

Dur to the fact that the regular Council meeting in April was Holy Thursday, the meeting was advanced to the first Thursday of the month and inasmuch as the Fourth Degree Club Meeting, under the direction of Past Grand Knight Richard J. Knight, was called for 7:30 P. M., prior to regular council meeting, there was a fairly good attendance on hand.

The purpose of the meeting of the Fourth Degree Club was the Card Party to be sponsored by this organization on Thursday evening, May 1st, at the 17th Ward Democratic Headquarters, 6839 S. Wentworth Avenue. Distribution of tickets were made and it is expected that some of the active Third Degree members will get behind this project in an effort to make it a social and financial success.

At the council meeting the following newly initiated Third Degree members were present: Brothers Anthony Gallagher, George Gorman, John Kelly, Joseph Cleary, Walter Fox and Patrick Barry. Grand Knight Cox assigned each of these new brothers on various committees, and it is the hope that they, as well as the new members who were not present, will become active Knights.

Also in attendance was our new transfer member from De La Salle Council. Brother (Alderman) Bernard O'Halloran, of the Eighteenth Ward, who stated he was very pleased with his new surroundings.

Brother Tom Cole was on hand last Thursday after a long absence, and he, together with our new Trustee Brother Paul Byrne, agreed to accept the responsibility of a softball team in the K of C League, and state they have some new applicants who are desirous of representing our Council this year. Hope they have better success than last year and come through with flying colors.

Leo Program for April 20 Degrees Full of Activity

1-3 Tues. . . . 820 W. Garfield Blvd.

Without a doubt the program for Sunday, April 20, is the most important topic of conversation around the clubhouse. At our last meeting all of the details on the Communion Breakfast were passed on and we are happy to announce that following the 8 o'clock Communion Mass at Visitation Church on April 20 breakfast will be served in the large hall. McNeilly's caterers will be in charge and a fine meal plus the best of service is assured.

From the moment that the members and candidates leave the clubhouse behind the flags of our country and our order, and enter Visitation Church to receive Holy Communion, and return to the clubhouse for a splendid breakfast until the time of the third degree in the afternoon at 2 p. m. there will be nary a dull moment for either members or candidates in the big "James J. McDermott" class. Plan now to be there.

LAST MEETING

Another important item of last meeting was the unanimous return to office of the present members of the Council Building Association. These brothers, headed by President Mike Redden, are Maurice Gleason, Joseph Winiarski, John Mortimer and Dr. Miles H. Gallagher, secretary. The council was lavish in praise of the efficient and capable manner in which these brothers have given of their time and effort to administer the many affairs of the clubhouse.

The second reading and passing of the resolution to pay the associate dues of drafted and enlisted members was completed at the last meeting. This provides that upon application by the member to the financial secretary and after showing proof of proposed entry into the armed service the member will be given a traveling card showing his dues to be paid up during the period of his service.

THE HONOR ROLL

Below is given the honor roll of candidates and sponsors for the April 20 degree. Twenty-four are now waiting for the third degree, while twenty-eight are to receive the first and second on Tuesday, April 15. Last minute applications will be acted upon if received before April 12.

The week end communique from Inapolis has arrived, and states that e team which for polite reasons was lled the Majors, consisting of Miley vine, Tom Fleming, Frank Gould, m Butler, and Al Lifka, rolled 2643, ley Devine getting 611 and Al Lifka 1.

Team No. 1 represented by Jack ealy, Frank Daley, Pete Murphy, Fe- Kroll and Eddie Mulholland rolled 18, Shealy shooting 598 and Eddie ulholland 536. Team No. 2 manned Ray Foley, George Green, Mike ussey, Bill Annas and Jim Lynch, lled 2297, Felix Kroll knocking down 8 and Mike Hussey 490.

In the doubles Devine and Butler shot 1070; Gould and Lifka 1018; Pete Murphy and Eddie Mullholland 993; Tim Fleming and Felix Kroll 951; George Green and Dr. Frank Sauer 871 and Mike Hussey and Bill Annas 825.

In the singles Miley Devine came in with 570, Al Lifka 532 and Felix Kroll 529 and that's enough of that. Joe Hannon and Bill Cronin oomprised the cheering section and we might add that eighteen were in the party going and nineteen coming back. That's the sixty-four dollar question. You figure that out.

Ravenswood Communion to Be Announced In Next Week's Issue

1-3 Wed. . . . . 1521 Wilson Ave.

Making up this little column is usually quite a little work, even when the writer has made himself very busy and nosey at meetings, so you can imagine what it's like when he didn't even attend. Last week's gathering is the one ye scribe didn't get to.

According to my source of information the turnout for the meeting wasn't so large. Those who were able to get there were mostly the "regulars" whom we generally can count upon. If it weren't for the "regulars" in any organization, there would be many meetings at which the house could be counted on the fingers of one hand.

At this writing no definite arrangements have been made for our Annual Communion Sunday. The date will be set this week after a conference between G.K. Morgan and our Chaplain, Msgr. Campbell, pastor of Our Lady of Lourdes Church. It is expected that the day will be May 11th, which is also Mothers' Day. The next issue of this news should give you the date.

THE MONTHLY BLOWOUT

Our next meeting, April 16, will find Lecturer Art Collins throwing another party for Ravenswooders and their friends. This time the entertainment is to center around a dance. Art has lined up a very good little dance band that will provide music of a kind that will make every member, whether youngster or oldtimer, want to get up and trip the light fantastic. So, come one, come all, and bring all the friends you can find.

OTHER STUFF

Any day now, if not already received, you will be getting one of those little booklets that is passed around to every member each year, so that he may do his part to make the annual barbecue a roaring success. If you have yours now, get busy at once disposing of it. If you haven't received one yet, get started warming your prospective customers up. Each year we have made a better showing than the preceding one. Trustee Peter Farrow, chairman of the barbecue committee for our council, is expecting to again show a gain.

There's been little news of the bowling league since the passing of our late brother, Charles Sutton. Any day now we'll probably get a notice that the annual banquet is being held or has already been held. We understand that the fellows always have a pile of fun at their banquets, so you boys who will be going are to be envied.

What are we doing about our softball team?

FR. O'CONNOR STARTS BARBECUE CAMPAIGN

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

Fr. O'Connor Council has pledged itself to go "all out" in the Fourth Annual Knights of Columbus Barbecue, to be held June 18 at Riverview Park. This yearly effort to aid our beloved Bishop Sheil in caring for the city's underprivileged youth, also offers an opportunity to the individual council to add to its treasury. The individual member also is permitted to retain $1.50 for every book he sells. Therefore it is evident that in addition to alleviating suffering and providing for the care of homeless youth, we can do both the council and ourselves a financial favor by giving this affair our wholehearted support.

WIDTMANNS CHAMPS

The Cinderella team of the Tuesday Knighters Bowling League, the Widtmann Meats, are the new champions of Fr. O'Connor Council. The Butcher Boys staged an amazing drive during the last five weeks of the season to cop the title and earn the privilege to wear the William P. King championship medals. The final night of kegling saw the champs taking two games from the O. K. Exterminators. In other games, Dick Navins' Boozies lost three to the Alderman Ross Boosters. Furmans won three from Earl Gannon's five while the King Coals were taking a pair from Joe Nolan's Insurance men.

The Cristo Printers won two from the Shamrocks. The final game being decided on a roll off in which Walter Powers "struck out" to insure the Printers of victory. The BIG TEN and final standings, follow:

Cummings, 552; Fialkowski, 535; Ternes, 535; Loohs, 529; Brady, 527; Johnson, 521; M. Sullivan, 517; Dr. MacDonald, 517; Joe O'Brien, 516; C. Clancy, 513.

FINAL STANDINGS

	W.	L.		W.	L.
Widtmann	46	35	King Coals	41	40
Furman	45	36	Nolan's Ins.	39	42
Cristo	45	36	Ross Boosters	38	43

FATHER McCARTHY

Father McCarthy, of De Paul University, who thrilled so many of us with his extraordinary and firey oratory at one of last year's meetings, returns again to speak at our next meeting. Lecturer George McLoughlan also promises to have your favorite type of refreshments on hand, now that the Lenten season is past. There will also be an election to fill the important post of trustee at this meeting.

KNIGHT LIFE

We received a letter from the first, and so far the only member of Fr. O'Connor Council to enter the Army under the Selective Service Act. Former Scribe Jack Reilly writes and says hello to everyone. He says the soldiers all live for letters, so why not drop him a line. His address is: Private John A. Reilly, Company D, Barracks 3117, 82nd Training Battalion, Camp Roberts, San Miguel, California.

We're informed that things aren't going so well with Dick Navin. He's found it necessary to put his wife to work and has his daughter picking up silver paper, which he sells for a small sum. . . Birthday greetings to John Anderson. John claims he was 28 last week. His only worry is that he might be drafted. . . . Mike McGuire, who retired from active duty as a city engineer last fall, is really taking it easy. He's even going to quit shaving. He wants to raise a long white beard. . . Jack (Chicago's finest) and Mrs. Dagwood are infanticipating. Let's hope it's a boy. They could stand one good bowler in that family. . . Somewhere, some place, there are two little shut-ins. They can't go out and play like the rest of the kids. They have to stay in with their little red noses pasted against the window pane. If they should happen to read this we urge them not to despair. If they are real good little children the Easter Bunny will stop and lay an egg right in their bedrooms. . . Word reaches us that Harry Browne and his wife have adopted a baby boy. They've named the youngster Jack Hausmann Browne. . . It's only a rumor, but everyone claims that George Loohs will middle-aisle it this June. . . Bowling Secretary Phil Doyle informs us that he has finally learned why George McLoughlan missed the train back from Indianapolis. It was all Fran O'Grady's fault.

In the next issue of this paper one of the members will write a guest column. We're not sure if he wants to ghost while he's guesting, so we're not free to reveal his identity. Don't miss it, in any event.

O'Connell to Receive Easter Communion at St. Joseph's on May 4

2-4 Tues. . . . . Hill & Franklin Sts.

Yep! We had a dandy meeting last Tuesday. We had some of the old timers like Bro. D. J. McLaughlin in attendance, who was glad to be with us again. We haven't seen Bros. Ted Beck, Ed Hughes, Harry Burke, Howard Snyder, Van Deman, Dinger Maloney and some more of our pals. Hows about making one of the meetings soon?

By special permission there will be a third degree class April 27, Sunday, at Loyola gym. All you members whose candidates are ready will please see to it that they get in touch with your financial secretary as soon as possible.

COMMUNION SUNDAY

On Sunday morning, May 4, at the 9 o'clock mass, Daniel O'Connell Council will receive communion in a body at St. Joseph's Church, Orleans and Hill streets. You will be notified further by your chaplain, who will send out to each member a special appeal to attend this communion.

Bro. John Stubing, P. G. K., has been attending meetings regularly for a great many years, and especially was he present at the last two meetings, but what we didn't know was that he held a secret about himself. Well, it's out, now, and Bro. John tells us he's been toting around several broken ribs, suffered in an accident. Here's the point of it, though. If Bro. John Stubing can attend meetings with broken ribs, please give me a good excuse for those of you who are not ill who stay away.

Bro. Al. Baldassana, Dr., reports (and by mail, too) that he is home suffering from a throat infection. Our best wishes, Al. Here's to a speedy recovery. Same goes to Bro. Adolph LoBello's little boy, who was injured (not seriously) in an automobile accident, and also to Bro. Marchesi, who was not able to attend last meeting because of illness. Incidentally, Bro. Marchesi is an accomplished singer and promises from time to time to favor us with rendition of requests.

McHale Bowlers Banquet Headed by D. D. Sheehan

1-3 Tues. . . . . 150 W. 69th St.

Last Saturday night at the Wedgewood Hotel, Archbishop McHale Council's Bowling League held its annual banquet and election of officers. The toastmaster was that oustanding Catholic gentleman P.G.K. Jerry Sheehan, McHale's G. K. for four consecutive terms and the only G. K. in our council to hold such a record. As stated by Dr. Frank Ryan, "Jerry is recognized as one of the best orators and best informed men on knighthood that there is anywhere in the country." In the capacity of toastmaster, Jerry was at his best, and the members of our bowling league will long cherish the memories of this event.

P. G. K. Jerry Sheehan

The champions of the closing year were the Maher Morticians, the Kellys were second, and the O'Briens third. New officers elected were Tom Garvin, president; Jerry Hogan, vice-president; Russell Ryan, secretary, and Leo Karieva, treasurer.

COMMUNION SUNDAY

Sunday, May 4, our council will receive holy communion in a body at old St. James Church, 29th and Wabash avenue. After the wonderful way we were received last November by Father O'Donahue and his assistant, Father Dee, the members of our council received this news with much enthusiasm.

Our Grand Knight is anxious to have one of the largest turnouts that we have ever had, so plan on attending.

May 6 is the meeting that all McHale has been waiting for, a salute to the old timers of our council. Leading them all will be the first G. K. of McHale Council, Con S. Kelly, that grand fellow who in 1907 had the vision and the foresight to establish Archbishop McHale Council.

Working with your lecturer on the committee are two of McHale's most popular P. G. K.'s, Barney Perona and Bill Mugg, as well as star baseball player, Tommy Hackett. These men have been members of this council almost since its conception, they are determined to make this meeting the most outstanding old timers' night that it is possible to arrange. Every member of our council can assist the committee by contacting members and urging them to attend. There will be entertainment and refreshments.

Congratulations to D. D. P. G. K. and Mrs. Jerry Sheehan, who on Sunday last celebrated their twentieth wedding anniversary. May they have many more years of happiness and prosperity together.

P. G. K. Bill Collins is at home ill with pneumonia. Our G. G. Tom Mulroy informs us that Bill is doing all right, but has to be careful. Bro. Steve Owens is still in a very critical condition. We hope and pray that all members and their families will be spared from any sickness or injuries.

Happy Easter to you. . . . And whatever became of PGK Raymond J. Budinger . . . and Jack Cullinan . . . and Wally Zeeb . . . which reminds me . . . Wonder how PGK James A. Clarke feels now that he had a week's "training" in his new Ruby Maroon Chevrolet . . . Congratulations to PGK Walter A. Schaefer upon completion of his 35th year with the Commonwealth Edison Company . . . a dinner was held by his employes to commemorate the occasion on Monday, April 7th . . . and from what I understand they must have had quite a time going back over the years of Walter's activities with the Company . . . especially that baseball skit in which Dick Phillips participated . . . once more behind the bat all dressed up in regulation catcher's equipment . . . it's a good thing it was all in pantomime . . . or else the hospitalization plan would have had a few more claims to consider for payment . . . more about this when other details are revealed . . . perhaps Walter is taking some movies of it and we can see them in the future.

PGK Wm. J. Cleary, PGK Ed Hennessy, PGK Wm. Lynch, 324 President Charley O'Brien, and Attorney John M. Long . . . all members of the South Shore Country Club . . . seen in a huddle recently figuring out a new method of keeping their golf scores so they can get in the low 80's . . . This should be a good entry in the annual State Tournament . . . Membership Chairman Andy Stoecker still pondering over the offer presented to him of a big job in Bermuda . . . some guys get all the breaks . . . you don't need an assistant, do you Andy? . . . And whatever became of Charles Bernard Aloysius Sink . . . Joe Blaney . . . Joe Phillips.

Meeting Monday night, April 14th . . . In the meantime, see you at Comiskey Park Saturday . . . or don't you know that it's baseball time again?

Ridge Plans on Large Attendance at Noonan Degree Class Tuesday

1-3 Tues. . . . . 8219 S. Halsted St.

Our next meeting, Tuesday, April 15, will open at 8:15 p. m. sharp. On this night Quigley will put on a first and second degree in honor of D. D. Pat Noonan with D. G. K. Frank McGlinn assisting in the ceremonies. In order that his many friends may pay homage to D. D. Pat Noonan, our meeting has been called early to let us attend the degrees in his honor.

Perez Council will be host to South Division No. 2 at a first and second degree on April 24. One new application was read at our last meeting and there is a promise of two more in time for this degree. Let us all push on the membership drive, as we have only a few more to go to fill our quota before June.

At our last meeting on April 1 the trustees read their audit for the last half of 1940. It was a very favorable report and showed much improvement over the preceding one, which indicates the council is going forward. There are still a few delinquents whom Fin. Sec. Pete Oehman would be glad to see. Are you on the right side of the ledger?

D. G. K. Frank McGlinn was appointed chairman in charge of a committee to draw up a new set of council by-laws for presentation in the near future.

Bros. Jim Fahey and Mike Mulligan were called for a second time to give a blood transfusion. Bro. Pete Heil called for the donation for a friend and Mike Thometz picked them up and drove them to the hospital, but when they arrived the transfusion had already been given.

BARBECUE

Chairman and co-chairman, Mike Feyerer and Ed Hyland, respectively, gave a report on the talk Father Kenny gave at the barbecue meeting. He stated that Bishop Sheil annually takes care of 15,000 underprivileged youths. Last year the K. C. barbecue gave him $18,000; a magnificent sum but small in comparison to 15,000 youths he feeds, clothes and houses. Let's get behind the barbecue wholeheartedly and help to swell that sum by several thousand dollars this year.

Fin. Sec. Pete Oehman reports two new year-in-advance members, Bros. Ollie Grimes and George Fitterer. Who's next?

Glad to report G. K. Ray Hallstein up and around after his recent illness which made him miss the national bowling tournament, the first in several years. Tough luck, Ray!

Notice!!! D. D. Wm Lowry, G. K. Francis Parker and gang of Joliet Council: Our cabaret party, $1.10 a head with plenty of refreshments. Saturday evening, May 24, at Perez clubhouse, 6710 May street. Dancing and entertainment.

CALUMET IN IMPORTANT SESSION NEXT MONDAY

2-4 Mon. . . . . 6646 Stony Island

G. K. Bill Birmingham extends a special invitation to all members of Calumet to be present at the April 14 meeting in order that they may become fully acquainted with the manner in which their council affairs have been conducted during the past year.

Chairman of the blood donors group, Cedric Hilbrun has also arranged for two technicians from Mercy Hospital to be present and they will type the blood of all members present so desiring. Any member should be proud of participating in this worthy program. We hope that every member of the council who can possibly attend this meeting will do so, and that they will have their blood typed.

There will be several important committee reports to be considered, especially one by the Building Committee, which is of vital interest to every member. You should be here to lend your valued opinion so that the officers may be able to carry on for the remainder of the year in a continued and successful manner. Refreshments will be served. Let's pack the hall.

MEMBERSHIP DRIVE

G. K. Birmingham called a meeting last Monday night of committee members to start our spring drive for new members. Some 35 members responded to the call. A definite plan of action was presented so that there will soon call on you a membr of this council who will ask your co-operation and time for just a few hours. He will explain in detail just what little work will be entailed on your part to secure a new member. We ask that you receive him kindly and cooperate with him. If you do, Calumet will lead in this drive. It is imperative that we take in new members as the normal death rate and suspensions require that every council be continually on the alert to draw into its ranks new members to fill the gaps. Chairman Ty Hyland reports that the barbecue books are being delivered rapidly. If you did not receive a book, call the council office and one will be delivered at once. Outside Guard Wilf Byrne leads the race in the opening days, having sold his first book within an hour after receiving it. He has taken three more books and promises to have them sold by next Saturday.

SOFTBALL MEETING

As announced last week a meeting would be held Friday, April 11, in the Clubrooms for all interested in softball. This meeting is postponed because of Good Friday, but will be held Tuesday, April 15, at 8:15 p. m. We ask all the members who are interested in playing to be present. Comm. of Athletics Jim Shinners will have some interesting news for all those desiring to participate.

BOWLING NEWS

Hail to the new Champions, the McNichols Standard Service Team. St. Rita Adds 49 Members to Year-in-Advance Club

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Are you a member of St. Rita Council's "year in advance club"?

In this week's mail we received a list of forty-nine members from Financial Secretary Frank E. Zavrel, whose assessments and dues are paid in full to the end of this year. Frank informs us that all members have now received their statements for the current quarter and asks us to urge all members who are able to join the "year in advance club."

Why don't you do so? Your officers realize that with spring upon us there are many pressing obligations which must be met, but there are some of us who are able to take care of 1941's assessments and dues. If you stop to think it over you will realize the expenditure is just as profitable as a new set of golf clubs or fishing tackle. The payments can be made to Frank at any of our meetings or by mail at 5921 S. Mozart St.

Following is the list to date of brothers in the "year in advance club":

Miles Apida, J. Barchad, W. Barry, F. Bauer, J. Bayerle, Thos. F. Doyle, Dr. J. Foley, B. Fracassi, R. L. Gallagher, T. Gaynor, A. Grady, J. Grish, J. Heffernan, J. Keller, Dr. S. C. Kehl, Ed. Kundrat, J. Lasky, A. Leverenz, Dr. H. C. Lewandowski, J. Ligeikis, T. Mahoney, J. Mandersheid, J. A. Meyers, Thos. O'Connell, Dr. F. Saletta, M. J. Seneca, Ed. Shilt, F. Shimkus, W. Stoeller, S. Skrabis, Wm. Welch, J. Wroblewski.

F. E. Zavrel, R. Bernoski, Thos. F. Byrne, Thos. F. Byrne, Jr., L. A. Delehanty, Wm. Fleming, J. B. Le Beau, J. Lehner, B. O'Connell, Dr. M. O'Connell, F. W. Peppard, J. Philbin, A. Ramker, F. J. Scheweiks, P. Serone, H. P. Sullivan and Geo. Walker.

CONDOLENCE

Members of St. Rita attended the wake of the mother of Bro. John B. McCarry last Wednesday night. Mrs. McCarry died April 7. Funeral services were held April 10. In the name of the entire council we wish to extend our heartfelt sympathy to Bert and his son on their loss.

MEETINGS PAST AND PRESENT

Attendants at our regular meeting a week ago last night were treated to one of the best programs ever presenetd in our chambers, namely the Chicago Tribune movies, "The All-American Way" and "From Tree to Paper." The latter picture unreeled, simply, entertainingly and accurately, the publication of a newspaper from the cry of "Timber!" to the finished product. "The All-American Way" was in a lighter theme showing highlight shots from the numerous sporting events sponsored by the Tribune.

Following such a smash hit you would think Lecturer Harold Hilbert would rest on his oars, but no, he turns around and comes up with an interesting program for our meeting of April 17. On that date Dr. Frank Q. Brown of the Chicago Tech College will lecture on "The Mystery of the Air We Breathe," followed by a demonstration in liquid air.

REMEMBER

Don't forget your barbecue books. It may seem that the date is a long way off, but don't let the book lay in your desk until a week before the barbecue. Get out and sell it. Among members who spent many hours helping Chairman Roy Perell distribute the books were Co-Chairmen Connie O'Sullivan, George Osborne, Joseph Clerkin, GK Charles Nash, Francis Peppard, Bruno Fracassi, Jack Bracken, Joseph Shanahan, Jerry Jayson, Frank Scalise, Herman Kurent, Joseph Philbin, Nicholas Baratto and Dr. Serr.

The bowlers' party will be held Monday evening, April 21, at 8:30 o'clock in our chambers.

The membership campaign under Chairman Jack Devlin to secure candidates for the exemplification of the first and second degrees June 19 honoring our chaplain, Father Fennessy.

Our annual communion Sunday May 4 at Nativity Church. Dr. Joseph Jun is chairman.

The 2034 Club's ladies' night party April 30 at the clubhouse under the direction of Chairman Ray Bernoski.

THINGUMBOBS

Officers and members of St. Rita wish to extend their congratulations to Edward Jeffers, PGK of University Council, on his appointment as district deputy. . . . At this writing Ray Bernoski is ill at his home at 3203 W. 55th St. and we understand he would appreciate a visit from a sick committee composed of three men who play pinoche (fair). . . . Tom Gaynor, as in previous years, was the first member to make returns on his barbecue book. Francis Peppard was right on his heels. . . . James Ready, a transfer member from O'Dell Council, O'Dell, Ill., and new member John LeBeau received a fine ovation at our last meeting. . . . Bro. Robert Duffy is another new member. . . . Bro. John Schneider asks Bros. Charles Stiefel and Gus Pflum to come to our next meeting.

De La Salle's Tribute to Outstanding Leader Planned for Tuesday

1-3 Tues. . . . . 1105 E. 47th St.

At our next meeting on Tuesday, April 15, we will pay honor to our own hard-working Grand Knight, John Husung, who is about to leave us. As was announced in last week's issue of The Columbian, John is resigning due to business which necessitates his leaving the city.

In recognition of his tireless efforts and his splendid accomplishments during his reign as our leader, it behooves each and every member of De La Salle Council to be present at this, his final meeting.

We wish to take this opportunity to call all Past Grand Knights to be present and to bring along some of the older members. No doubt there are some members who have not yet met John, so to one and all we extend a hearty invitation to be present to make John's last meeting as Grand Knight one that he will always remember.

BARBECUE

Now that all members have received their barbecue books, let's get down to business and put this thing over. Get busy and sell your tickets now, not tomorrow or next week, but now! Make your returns to Billy Meehan as promptly as soon as possible. Bros. Troy and Young have already taken two and three books each.

At our last meeting we had the pleasure to have present our own District Deputy Ed Molyneaux, who gave us an inspiring talk on new members. Take heed, brothers, and bring in that new application. Thanks to you, Bro. Ed, and call again soon.

You know, brothers we could make this column much more interesting if you would report any unusual item of interest. Your contribution would be greatly appreciated. Call any time—South Shore 4319.

To absentee members: A $2 attendance prize is drawn at every meeting. Come up, you may be the next winner.

In closing let us again remind you to be present next Tuesday and reveal to John our true friendship.

Illinois to Hold Its Corporate Communion Services Sun., May 4

1-3 Mon. . . . . 64 E. Lake St.

Reserve Sunday, May 4, so that you may join with your fellow members of Illinois Council at Mass and Holy Communion at a place to be selected. Father Belanger says that his church is available for that date and we know that our reception over there has been very, very good.

The commemorative services held at our last meeting were well handled and made a definite impression on the members present. Thanks for this go to the leading actors, our Warden, Fred Pasbach; our Deputy Grand Knight, Elmer D. Martin; P. G. K., John T. Lillis, who delivered a splendid eulogy; our Chaplain, Rev. Father Belanger; to our visiting Brother, William F. Clarke, Dean of De Paul Law School, who delivered a talk on "Our Order and Its Dead"; Past Grand Knight Butler, pinch-hitting for Chancellor Upington who was out of the city; Recorder, Cody; Organist, Gareau; and Soloist, Yucius, assisted by Brother Denhard. To all of these brothers much thanks.

NEWS ITEMS

The office of our paper, The Columbian, is moving to 188 W. Randolph St., after April 18.

Brother Alfred M. Bowyer who joined the council just a few weeks ago has joined the Army of the U. S. A. He was a valued employee of the Illinois Bell Telephone Company. While we regret that all of the members did not have an opportunity to know him, he will understand that our best wishes and our prayers go with him for a successful stay in the great Army of Uncle Sam.

We believe that all of you are now in possession of your barbecue books. Chairman, Secretary Ericksen, Treasurer Ed. Butler are awaiting your action. We have become convinced that this is a worth while activity; that the money received is applied for necessary charitable efforts and when you come to think of the good done by Bishop Sheil out of the substantial sums which he received that, in itself, is sufficient satisfaction for all of us. So let us, as we have done, pull together on such matters. Let us do good while we have an opportunity. "Life is very, very short and it is only the good that men do that lives after them," as the wise men said.

We have been missing from our meetings that prominent west side brother, Charles Donoghue. Charles is out of town quite a bit. It was nice to see Brother Dibilk once again in attendance, also Dr. Zapffe.

The matter of a possible golf game in June was mentioned by your grand knight. We feel that one game is not sufficient but that the council could very well consider two or three games during the season. What say you, silent member?

Santa Maria Efforts Bring About Special Good Fri. Observance

2-4 Thurs. . . . . 9120 Commercial Ave.

Santa Maria Council is continuing its efforts to be of service to the community of South Chicago. At the last regular meeting a resolution was presented directing that the council provide each 10th Ward Catholic inducted into the Army with a Sunday Missal, Holy Name Manual or other suitable religious articles to be presented in a kit. Bro. Vincent L. Knaus, chairman of the 10th Ward advisory board, presented the resolution. Pursuant to the council's by-laws, the resolution will be read at two additional meetings before action is taken.

The efforts of Santa Maria Council and the Men's Club of Lutheran Laymen's League of Immanuel Church, have been met with a surprising response. Most of the merchants of Southeastern Chicago have promised to close their doors from noon until three o'clock Good Friday, April 11. Among the newcomers to the roll are Goldblatt's Dept. Store, Gassman Brothers, Lester's Men's Store and many others.

CONDOLENCES

The council wishes to extend its sympathies to the bereaved wife and relatives of Bro. Thomas Byrne, recently deceased. May his soul rest in peace.

Happy Easter to you, our brothers, and all our readers. That address, 7530 Essex, is the address of Bro. James Conners and not of Bro. Jim Nash as stated. Bro. Conners is still convalescing from his serious illness and would welcome visitors.

Did you know that Easter's date is April 13 for the first time in fifty-seven years. That splendid new degree team of ours is still receiving compliments on their fine work. Everyone was much impressed as the team went through the rite letter perfect. That big crowd we had at the last meeting further goes to show the need of new council chambers. Have you any idea?

PROSELYTIZING AMONG NON-ENGLISH-SPEAKING CATHOLICS INCREASING

Los Angeles.—Activities of proselytizers among non-English-speaking Catholics have shown renewed vigor in the past year, according to a report of the Rev. Fidencio Esparza, director of the Mexican division of the Holy Name union. In one instance the name of a non-Catholic church had been changed to Santa Familia, says the report, and in another a minister had let it be know that it was shortly expected that a Spanish-speaking priest, recently admitted from Spain, intended to celebrate Mass in a non-Catholic institution of worship. The influence of Spanish Leftists and others as a result of the internecine strife in Spain a few years ago is already known to be considerable, the report points out, and adroit methods are being resorted to in an endeavor to confuse and betray Catholics into false religions.

UNIVERSITY SPONSORS THIRD DEGREE APR. 27

2-4 Tues. . . St. Ignatius Auditorium

The honor of putting on the third degree exemplification for the north side councils has been given to University. Our exemplification last year was run off in so successful and expeditious a manner that the other councils are glad to cooperate with us again this year. If you have a candidate phone Ed Dwyer, chairman of the membership committee, at once at Rogers Park 10017, and every effort will be made to get him into this class.

By the time you read this, Jeffers night at University Council will be but a pleasant memory. Details of the celebration will be given next week as our good friend, the editor, insists on a Tuesday deadline so he can get the Columbian out this week instead of next.

SPORTS NIGHT, APRIL 22

Our second April meeting, April 22, is designated Sports night, not the night for the council's "night sports" to show up, but an evening devoted to the athletically minded members of University. Lecturer Curtin is cooking up a fancy spread for us, which we may be able to tell about next week or which he may decide to keep as a surprise. Possibly as a subtle piece of propaganda for Sports night is the following sad wail from that master sportsman and piscatorial expert, Anti-Administration Advocate Tom "Parenthesis" Moore:

"I am, for your information, the Director of Athletics at University Council, and I am sure that the bulk of the members who participate in athletics appreciate my endeavors for them. However, the Grand Knight, Mr. Timothy J. Murtaugh, has refused to allow me to supervise the softball, and it is only two weeks before the softball season opens; and I want to predict here and now that with Mr. Philip (I am Judge McCormick's bailiff) Ryan in charge, the season will be a flop.

"I am also informed that Mr. Edmund W. (I am an auditor at the First National bank) Doyle is running the softball banquet at the Edgewater Beach Hotel. Mr. Doyle seems to have forgotten that I am the Director of Athletics and has failed to invite me to the banquet.

"I feel that you should air these grievances in your column so that the members of the University Council will know how one of their officials is being treated by the present Grand Knight, by Mr. Philip Ryan and by Mr. Edmund Doyle."

Well, Tom, there are your grievances all put out to air—but we're afraid no amount of airing will make them smell any better!

REAL ESTATE BOARD

We are informed that Thomas J. Fleming, the new president of the Chicago Real Estate Board, is a Catholic. Whether or not he is a member of the Knights we haven't learned. However, the new chairman of the brokers committee, Brother Roger Minwegen and that prominent chairman of the appraisal committee, Brother Ray Hayes, are hereby unofficially appointed a committee to investigate Mr. Fleming's K. C. status and bring him into University Council if he isn't already set.

While we are on the subject of boards, it should be noted that Brother Philip Raymond O'Brien, was recently elected president of the Chicago Board of Trade. Ray was at the Communion Mass on March 30, and we hope to see him at some of the spring meetings if his official duties will permit him.

Blue Island Welcomes Three Hundred Guests at Palm Sun. Degrees

1-3 Tues. . . . . Gregory & New St.

Led by the colors carried by an honor guard of three Boy Scouts of Troop 788, three hundred Knights of Columbus marched into St. Benedicts Church to hear Mass celebrated by Chaplain Father Gross and receive Holy Communion at Mass on Palm Sunday. The entire assembly after Mass went to St. Benedicts Hall to have breakfast served by Co-Lecturers L. Frasor and Joe Wieland who were very ably assisted by their Kitchen Committee.

Following breakfast the First Degree was put on by G.K. James Mann of Garcia Moreno and his fine staff. Blue Island Council's team put on the Second Degree in fine fashion. D. D. Henry Hilgendorf as always turned in a fine job. Twenty-six candidates took the First and Second Degrees and in that number Blue Island was represented by about thirteen.

The Major Degree was beautifully exemplified before a crowded hall and to a large class.

Grand Knight Dan Boyd takes this opportunity of thanking all who so ably assisted in making Palm Sunday the success it was. To State Secretary Leo Flynn who added the Official touch to the day we are deeply indebted.

BOWLING

With just one more week to go the bowlers of our Council are looking forward to their Annual Bowling Banquet to be held at Ryan's Knotty Pine on Saturday, April 19. This year the fair sex have been included in the invitation to attend.

Plans call for dinner to be served at 8:00 P. M. sharp. After which the prizes will be distributed. For the remainder of the evening dancing will be the main form of entertainment.

YEAR-IN-ADVANCE CLUB

The Year-In-Advance Club closed its roster for the year with a new record of 72 members. Palm Sunday, the traditional deadline for eligibility, saw nine members make their contributions to this select group.

The brothers who complete the list include Winnie Heckler, Jr., Clio J. Roulo, Joe Martin, John Mahle, George Martzell, William Fuchs, Bernie Simkins of Manitowoc, Wisconsin; Dr. Frank Lally and Jimmie Smith.

Although the Club does not function as a separate unit its purpose is of immeasurable benefit to the Council and relieves our Financial Secretary of much tedious work. The officers of the Council and F. S. Paul Paetsch, particularly, extend their sincere thanks to those 72 members of the Club.

Chicago's Barbecue Committee Completes Book Distribution

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council's Barbecue Committee certainly got to work in a hurry. All but a few of the books have been placed in the hands of members and already the returns are coming in. The first to make returns is Brother George S. King of 1424 North Lawler Avenue. More power to him.

The selling points about the barbecue are pretty well detailed in the letter which accompanies your book. Read the letter. Sell the book.

COMMUNION SUNDAY

Sunday, May 4, is our annual Communion Day. Our attendance has been increasing from year to year but there are still a number of our members who have never been with us on that occasion. Likened repeatedly to a "homecoming," our annual Communion Sunday should attract every local member of the Council and our officers are hopeful that more of us solve the mysteries of Sunday morning transportation to be on hand with us.

BOWLING!

Our major leaguers continued their onslaught on the pins and canquished the strong Ketteler team two out of three last week. Hennepin-Shields will be next. Then, the following week, the league activities will be postponed so Gus Caponi and Joe Aurvek can travel to St. Paul to shoot in the A.B.C. tournament.

Our Wednesday-nighters churned things up to a real climax last week and an ecstatic gallery stood up to watch the red-hot Cole Recorders literally slaughter the league-leading Franz Guards for all three games.

Cole Recorders	716	733	784—2233
Franz Guards	681	636	687—2004

In the other match the Vallee Boosters captured two out of three from the Ryan Coals to clinch third place. This puts them within easy sailing distance of second place.

Vallee Boosters	618	723	819—2160
Ryan Coals	775	664	753—2192

The annual sweepstakes next week will wind up the League activities for this season and the boys will begin looking for their softball equipment.

ATHLETICS

Chairman Matt Ryan called upon members of last year's softball team to bring in their uniforms to Manager Paul Rito for redistribution. In preparation for the call to practice, all who desire to try out for our softball team should send in their names and addresses to our Recorder Richard Cole.

Chairman Ryan announced that the results of the Athletic Fund contest were gratifying. The final ceremony took place last Tuesday evening and E. A. Doyle of the great southside was alloted the top prize.

OUR NEXT MEETING

Our meeting of April 22d is dedicated to our Past Grand Knights. It will therefore be an "Old Timers' night" with only a few minutes devoted to business and the rest to entertainment and a bit of lunch. We understand that Judge Francis B. Allegretti is amongst the speakers.

You might motor out to Berwyn and drop in on Brother John Powers at 1941 Clarence Avenue. He has been sick for some time and would be glad to see some of his old friends.

P.G.K. Edward O'Connor is showing continued slow improvement.

You can never tell what a man is until you get into an argument with him. If his opinion doesn't correspond with yours he is a crank.

Madonna Tips Hat to Neighbor on Catholic Action

2-4 Fri. . . . . 4624 Emerald Ave.

Good Friday, 941. The day which commemorates the Passion and death of Him who came on earth to suffer and die in order that man might be saved.

Now, on this day we would like to pay tribute to San Salvador Council, one of our neighboring south side councils, for their truly excellent work in helping to inaugurate the observance of the Three Holy Hours in conjunction with several non-Catholic faiths. From 12 noon till 3 p. m. all business establishments remain closed in deference to services held in the various community churches. Can you think of a better example of Christianity?

THE BARBECUE

Machinery has started grinding, and with 300 books set as their goal the committee, headed by Chairman Howard Flanigan, is hard at work. As you all have reecived notice of the affair, you know that the secret of success (no charge for this advice) is co-operation and speedy sales. The faster you sell, the sooner you're through, turn in the book and we won't monkey with you.

WE'RE MAD!

And how we're mad! (Don't you agree?) Here, after all our plugging of the Year-In-Advance Club, getting down on our benders to beg you yokels to kick in, we wind up (as we thought) being the last guy with draft No. 97. An' all the time those three lads are sittin' back huggin' themselves and in general not being gentlemen.

So Frank Smith and John Farrell come along to be 98 and 99 and who do you think copped our number 100? No one but Thos. "Uncle Pete" Gilbride, who should be ashamed of himself for playing such a trick.

SHAME ON US

We stopped in at Vin's house the other night to see if United Fruit is still handin' out the banana oil an' ain't spring housecleanin' stuff. When Vin sez:

"Say, I thought you said it was Joe O'Connell who wrote in from Lost Anglirson, Cal."

"It was," sez us to him.

"Well, how come you move Joe O'Neill out west, with his wife waitin' dinner for him?" asks V., "an' drop Joe O'Connell somewhere between L. A. and Hogwash, Ariz.?"

"Ya gotta show us," we bleats. So Vin hauls out a copy of The Columbian, which is movin' to 188 W. Randolph street on April 18, an' sure enough Joe O'Connell does not win, place or show—definitely.

"Tha guy pays his dues a year ahead, an' you don't even get his name right, let alone 2 per cent ten, net thirty," says the banana baron.

"It's inexplicable," says us.

"It's dumb," says Vin. "Furthermore, you sure are one helova scribe."

Ain't it the truth? (Hey, wait a minute, that doesn't sound right. We're getting all goofed up.)

NOTES TO YOU

Bob Fitzgerald postcards from Biloxi, Miss., that the south certainly is wonderful, especially the belles. (Bob must not be a good speller. Who over heard of "bells" being spelled with two e's, or blonde and brunette bells? Boy, is that ever dumb.) He visited the John Noonans while in New Orleans, and says they send their best. (Blonde and brunette bells, what a laugh!)

And Jo Flood, our past lecturer, just returned with his mother from a pleasant stay in Florida. Congrats to Father George Parker on his new assignment to St. Philip Neri parish. May his stay be a long and pleasant one. And did you know that Father Girard is military chaplain with the 33rd Division at Camp Forrest, Tenn.?

HERE GOES

We see in last week's notes that the editor, havin' nothin' better to occupy his time, sticks the old beak into our back yard again, which we are gettin' pretty used to by now. But we don't like the way he put our monicker so close to the word "stink" (he musta something else, but these linotype always misspellin' words). At lea coulda written "stench," which lo little better. It smells fishy to us

NEXT MEETING

Our next regular Council meeting will be held this coming Monday night. Undoubtedly most of the bowlers will be present and from them you will hear tall tales and personal anecdotes which space in this column will not permit of telling. Your worthy Lecturer Bro. Gersch, who incidentally has had to remain at home with an attack of intestinal flu, will provide you with the usual entertainment as well as with an attendance award.

Again let us be reminded that the Council, in a body, will receive their Easter Communion at St. Ludmilla's Church, 23rd St. and Albany Ave., on Sunday morning, May 4.

MEMBERSHIP

The life of any Council is no more robust than the activity of its members. Numerically we are strong. There is no doubt of that. We cannot, however, remain numerically strong, unless we continually strive to increase that strength. No sooner do we stand still but we start to go backwards.

We owe it to every practical Catholic of our acquaintance to offer them membership in our Order and fellowship with our members. Do that for your fellow Catholics and you will have done your duty.

COUNCIL BOWLING

St. Paul Federals won two games from Judge Drucker's team; Luczak Lawyers won two games from Jezierny Boosters; Bil-Mar Tavern won two games from Ald. Sain Boosters; Art Bilt Furniture won two games from Bona Drugs; Fidelty Electric won three games from Cobbsie's Open Door; Tomera Range Oil won two games from Bukowinski Boosters; Stanek Press won two games from Marshall Square Ballroom; Phil Nilles Boosters won two games from Fruzyna Boosters.

The dollar winners and their scores were, Dr. Majcher 217, Ray Suchocki 217, Wally Wisniewski 221, Eddie Plewa 266, Dr. Krupa 236, Stanley Korbas 224, Ted Gomolski 226 and Joe Perko 214.

As this goes to press the Council league will be rolling their final league games, concluding what is perhaps the most successful season in our history of bowling. Let us not stop there but go on to bigger and better things. We can, if we try, make this the most talked of league in Knights of Columbus. Let that be our goal for the coming season of 1941-1942.

St. James to Sponsor Family Night—Encore to Last Ladies Party

2-4 Mon. . . . . 64th & University Ave.

By popular demand and by virtue of the wonderful time that was had at our previous ladies' night under the chairmanship of Dr. Clarence Strobel, our next occasion will be known as "family night." All members are urged not only to bring the ladies but all other members of the family.

Lecturer Frank Mayer has appointed Bro. Ambrose Burke chairman and he has arranged a fine program with suitable games for the ladies and the children. Meeting will start at 8:15 sharp, followed by a short movie, refreshments and other entertainment.

Grand Knight Pete O'Connell will also have the pleasure of presenting the twelve newly initiated members to the council at Monday's meeting. All sponsers are urged to have the new members present for this important occasion.

MEMBERSHIP

Membership Chairman Ambrose Burke is awaiting application No. 1 for a new class of candidates in our race to reach our quota, which is only a few more new members. Will you call upon that personal friend this weekend and have him fill out an application? It would be very gratifying to have an application or two read during Monday night's meeting.

On Sunday, May 4, St. James members will attend the 9 o'clock mass for our annual communion Sunday at St. James' Church, 29th and Wabash Ave. Warden McGuire has appointed Bro. Pete Wehle chairman and he reports a splendid breakfast will be served in the convent dining room following the services.

Bro. John P. Greene has been appointed by our grand knight to supervise the barbecue program for Bishop Sheil's underprivileged youth fund. Assisting Bro. Greene are the following: Bros. Ray Socha, D. J. McKenna, J. P. MacGillivray, J. Loughlin and Martin Quinn. If you have no book as yet, see Bro. Greene Monday night.

St. James was well represented at the last meeting of the Chicago Chapter. The attendants first met and had supper at the Little Cozzi restaurant, 517 S. Wabash. Besides Delegates Frank Mayer and Clarence Phillips, other members present were: Pete Wehle, Chris Davis, Dr. John O'Brien, Henry Woodmaster, Dr. Gregory Strobel, John Greene, Robert Lee and GK Pete O'Connell.

SOFTBALL

Last Thursday evening softball players and members attended a brief get-together at Bro. Joe McGreal's, 7145 Prairie, with Manager Mike Connolly getting a lineup. Refreshments were served, donated by the Fourth Degree Club, and a fine time was had by all. Arrangements were made for our home diamond, to be at Meyering Playground.

May 17, Saturday evening, is the date set for our cabaret party at the Hayes Hotel. Bro. Ed Muellner, general chairman, has appointed Bros. John Greene and Martin Quinn as ticket chairmen. Bids are $2.50 per couple and includes everything.

NEW ITEMS

Bro. John McBride with his wife and daughter, Nancy, sent a postal card from Hollywood, Calif., where John is enjoying his vacation near the Paramount Studios.

Remember, when in need of flowers, Bro. Ray Socha has a complete line at 809 E. 79th St. Phone Ray at Triangle 6040.

Bro. John Spain returned home from Jackson Park Hospital after an appendicitis operation and was on hand to receive his first and second degrees. Congratulations.

The April meeting of the Fourth Degree Club was held on last Friday evening in the club rooms of the Hayes Hotel. President Groark presided and appointed Bro. Clarence Phillips as chairman of the newly organized "Sunday Knighters." Also the Sir Knights voted to attend communion Sunday services in full regalia.

Neri Has Worthwhile Surprise for Members Attending Next Meet

1-3 Tues. . . . . 7515 Yates Ave.

All members attending the regular meeting at St. Philip Neri Council next Tuesday night are in for a surprise. It's to be a very pleasant surprise, too, if we can take the word of Grand Knight Wm. T. O'Neill and Lecturer Allen Stephenson. A fine program of high class entertainment has been arranged, but the element of surprise forbids our telling you. Just drop around to the Caravel Club next Tuesday night at 8:30 and enjoy the proceedings.

CHANGE IN DATES

Due to circumstances over which the council has no control it has been found necessary to change the date originally established for Neri's annual communion Sunday. The new date is April 27, 7:30 mass, St. Philip Neri Church. At the conclusion of the mass all will repair to the clubhouse for an 8:30 breakfast of bacon and eggs plus the usual trimmings. Ed Howe and John Miner are cooking up the program.

Another change in date is the annual spring dance of the council athletic commission, which is now set for Saturday night, May 3. Admission is $1 per couple, which entitles you to all the music you can stand. Proceeds will be used to defray the expenses incurred by the softball team.

BARBECUE BOOKS

During the past week you have received a coupon book from the council together with a letter from the grand knight explaining that the K. C. third annual barbecue for the benefit of Bishop Sheil's underprivileged youth fund is now under way. This worthy cause is one you are all familiar with but what you may not realize is the extent to which it depends on the Knights of Columbus for funds to keep doing its work. James O'Connor and Ed Howe are co-chairmen of the project.

Ray Duffy, Jr., is a very happy man these days for he has just received his papers qualifying him as a full-fledged mortician. It took a lot of hard work and study but Ray was equal to the task. Incidentally, Ray has been given indefinite deferment in the draft. . . . Tom Shanahan has also been classified in the draft with indefinite deferment. . . . Henry Doolin expects to get his questionnaire any day now but doubts that he will have to go unless the situation gets serious. . . . At the last meeting Father P. A. Bird spoke eloquently and at length on the value of real Catholic Action. Among those present were Joseph B. Lapota, Geo. E. Fox, Jr., and John S. (Sylvester) Pollard, all of whom received their three degrees in the order just two weeks ago.

St. Paul Plans Testimonial for Rev. Fr. Kiley

1-3 Tues. . . . . 6713 Olmsted Ave.

They say you never know how many friends you have until you are seriously ill—and near that precipice of eternity from which no men return to earth. Then, too, it seems apparent to the casual observer that friends are showered with flowers in death but seldom receive the lowly dandelion during lifetime. How much better it would be if we would make our friendship known in our everyday life and send our flowers when our friends can appreciate them.

All of which is an entree to what we want to put across for our second meeting in April, next Tuesday. Yes, we want to make known the fact to each of you that April 15 is the date when your council is giving a testimonial to our own Rev. Fr. Kiley. That is the date and the council chambers in the place where you can make your friendship known to this beloved and esteemed member of our council.

You may not be a silver-tongued orator and your vocal chords may not respond to that intense desire to give expression to your sentiments; neither might you hold an audience spell bound in deep interest, but you can be on hand that night and by your presence give silent but effective affirmation of your appreciation and deep sense of loyalty. Then, too, we know we have no handless men in the council' so what's wrong with the old handshake. All that we ask is that you come. And, please, don't disappoint your officers. They're counting on you. A letter will be mailed to the entire membership giving you all information and full details. Watch for it.

The council keglers are overdue for a bit of publicity. Sec. Bill Brunkhorst gives you the standings as of April 3rd:

	W.	L.
Neuman-Ziegler's	46	32
Verunac Motors	43	35
Luczak's Plasterers	42	36
McVeigh's Dairy	38	40
Sinson's Laundry	38	40
George's Store	37	41
Lambert's Service	36	42
Fetter's Storage	32	46

Neuman-Zieglers increased their lead by beating Verunacs two games; with only two more weeks of league play remaining, it seems unlikely that they will be passed to win the championship two years in a row. Porazinski was high for the winners with 526, Czapalski 486. Daleske led Veruncas with 488, Krien, 466.

Fetters finally took the best end of a series by winning two games from Lamberts and in so doing set a new high team game of 1153. Kelly was high for Fetters with 550, Blim 530. Strass led Lamberts with 504, Vandenbergh 464.

McVeighs won the odd game from Stinsons. Hoffman led the milk men with 558, Loenertz 507. Urban led Stinsons with 523, Guenther 446.

George's Store won two games from Luczak's Plasterers. Georgen led his team with 515, Simon 509. Steve Luczak got 458 while Phil Luczak came up with 450.

We are indebted to P. G. K. Geo. Harbert for the list of "award" winners in the K. of C. State Bowling Tournament.

Teams: George's Store for Men, $5.00; Perz Advocates, $8.00; West Side Majors, $6.00.

We hear that: Dwight Crandall came to the last meeting with his new transfer member, Thomas G. Nash, manager of the Ben Franklin store in DesPlaines, nice work, Dwight. . . Dr. T. E. Conley is on the recovery road and we hope that he will soon be out of the woods. . . Pop Lally has purchased a new dictionary—so he can understand all the words in the column. . . The editorial writer in last week's Columbian was none other than our own G. K. (did you read it?). Retrieve your last week's copy and read a good editorial.

Feehan's Chairman Is Picked to Lead Drive In Annual Barbecue

2-4 Tues. . . . . Hamlin & Madison

Barbecue books have been distributed to all members, and G. K. Jim Collins has named Ed Morrissey to head the drive. It should be needless for us to point out the many benefits to be derived from the sale of these books. But it shouldn't do any harm to remind you that the council benefits too. A certain percentage of the total reverts to us, and we can use it.

If the greater motive of help for Chicago's underprivileged youth doesn't stir your interest and effort, then certainly the purely selfish motive will. In any event, let's give Ed a little help.

IND. BOWLING

Highlights of the bowling at Indianapolis are as follows: In the five men event, the Feehan Majors led the way with 2823. Kenny Waindle was high with 618. Joe Collins, Ed Ryan, John Fogarty and Ed Butler rounded out the team. High games rolled by this group —Turk Fogarty, 227; Ken Waindle, 276 (tied for second high game of the tournament); Ed Butler 212-211; Ed Ryan, 214. For the Hacketts, Frank McQuillan, 203; Dr. Kucharski, 233 and Joe Motto, 203. Augie Tamburrino got 208 for the Crotty Boosters. Frank Tamburrino rolled 218 and Frank Wheeler 205 for J. J. Collins Sons. McSteen led Malee's Fighting Irish with 222 and John Riley got 209 for Harmon Electrics.

Of Feehan Council's Doubles entrees, Pat Riley and Dr. Kucharski led the parade with 1162. Riley got 626 of this, with games of 215, 202 and 209. Ed Butler and Paul Becker were next with 1128. In the singles, Frank McQuillan rolled 232-626, to lead. Kenny Waindle, 247-612; Jimmy Shea, 214-581 and Pat Riley, 234-530.

ECHOES

Ed Lopina of the Feehan Majors missed the Indianapolis trip by the margin of four days. In its stead the government furnished him transportation to Camp Croft in South Carolina. This trip is scheduled to last a full year, so we are looking forward to seeing Ed on next year's bowling trek. In the meanwhile, Feehan's best wishes go along with our first draftee.

George Becker stepped into the breach and prevented Feehan from coming back from the trip empty handed. Bro. Becker entered a rhumba contest at one of the hotels and was barely nosed out of "le grande prix" by a double-jointed, swivel-hipped sailor and his partner. The prize for the runner-up was five free lessons from Madam La Zonga.

The late Gov. Horner was a noted Lincoln-phile, and Carl Sandburg is also renowned as an authority on Lincolniana. There are other well known men in this field, but Feehan's expert is our own Ed Kelly. The names of the great emancipator holds a great fascination for "Little Ed" and he is attracted to it as to a magnet. This fact was very well borne out by an incident of last Saturday evening. Eschewing the usual hullabaloo and card playing which constitute the average bowling conventioneer's Saturday night, Ed took himself out for a breath of air before retiring. After a bit of wandering, he tired and the first thing he knew, he was looking right at the Lincoln Hotel.

He entered, approached the desk, asked for and received the key to room 436, entered same and hung up his hat and coat. As he was taking off his shoes, he noted that his bed had been moved. "H-m m-m," he said. As he was removing his tie he noticed that the woodwork had been refinished. "H-m m-m," he repeated, "they certainly do things in a hurry these days." Then it occurred to him that instead of twin beds, there was a double bed in the room. "H-m m-m," mused Bro. Kelly, "I must be in the wrong hotel." He was.

FASHION NOTE

Sartorial honors for the Indianapolis trek are being contested by Pat Riley of the royal blue bottomed and navy blue topped P.Js. Frank Reynolds of the buff-colored bowling slacks and Doc Kucharski, of the red leather bowling shoes.

And finally, congratulations to Secy. Augie Tamburrino, on the very fine brochure furnished the bowlers. The cartoons were particularly good—they tell me. And to Len McSteen, who did an excellent job on the train dept., and to National Director Jimmy Collins. And lastly to Pat Riley, who is a personal friend of the National Director.

Birthday congratulations to Bros. Joseph Killackey and Michael Sullivan, who celebrate this week.

CONDOLENCES

To Bro. Joe Nolan, whose mother passed away on Saturday, April 5. To Joe and the other members of his family, Feehan Council wishes to extend its sincere sympathy.

Aquinas Puts Final Touches to Plans for Annual Dance Apr. 26

1-3 Tues. . . . . 5441 S. Ashland

At our last meeting we had a little party in honor of the men going into the service of their country and Aquinas Council is very well represented. Our boys are: Hillard Seiger, Francis Fitzpatrick, Tom Harney and F. Leibens so far with many more waiting for the call.

G. K. Dr. K. J. Hebenstreit presented a recorded talk by the Rev. Fulton Sheehan at the meeting and then we were served hot dogs and refreshments. To all of the men who have entered and are going to enter the service the council wishes you the best of luck and happiness.

ANNUAL DANCE

Plans are really shaping up for the annual dance of St. Thomas Aquinas Council to be held at the Stock Yards Inn, April 26. The price of the tickets is to be $1.50 per couple. There will be entertainment and a jolly good time for all. The co-chairmen of the committee are Harry Griffen and Frank Keane, and as you know these boys can really get out and put an affair over, but they need all the help they can get, so get busy and see them to get your tickets.

To your insurance members, the assessment for the month of April will not be waived, so see your financial secretary as soon as possible.

At our next meeting of April 15 the final plans for the dance will be ironed out and our lecturer has a little excitement planned so it behooves each and everyone of you to be present. Our attendance at the meetings has been steadily increasing so let's keep up the good work and have every meeting just a little better than the last.

Don't forget the two events on the calendar for this month, our regular semi-monthly meeting April 15th and the dance April 26th, and for the next month, Aquinas will receive Communion at St. Basil's Church at the 7:30 a. m. services, Sunday, May 4th.

Soc. Security Aid Is Planned for Church and Charity Workers

Washington.—A bill introduced by Senator David I. Walsh of Massachusetts, a Catholic, would extend the federal old-age and insurance benefits of the Social Security Act to cover more than a million lay persons employed by religious any charitable organizations throughout the country. The measure would safeguard the tax-exempt status of agencies paying the tax and would continue to exclude from old-age and survivors' benefits all priests, sisters, and brothers of religious orders attached to these institutions.

Senator Walsh said that the legislation is favored by the National Catholic Welfare Conference, the National Council of the Protestant Episcopal Church, speaking for itself and not the whole Church; the Council of Jewish Federations and Welfare Funds, the American Hospital Association, the American Association of Social Workers, Community Chests and Councils, Inc., and the National Recreation Association.

He declared that the Social Security Board recommended the inclusion of lay employes of tax-exempt charitable, religious, and educational agencies under the old-age and survivors' insurance benefits of the act more than two years ago, and that the "action of representatives of the Churches, colleges, and hospitals makes the chane certain."

Telephone companies in some cities have for lease special directories in which subscribers are listed according to street numbers instead of alphabetically. For the five New York boroughs this service costs $270 a year.

FIRST AND SECOND DEGREES

Your Grand Knight, Gene Scanlan, informs me that the first and second degrees of the Order will be exemplified to all De Soto candidates at the meeting of Friday, May 9. In order to render any candidate eligible for admission on that date, his application must be presented by our next meeting, April 24. Therefore, if you have any prospect in mind be sure to have his application filed with the G. K. by not later than Thursday evening.

BARBECUE

Nothing like blasting away to a good first impression; so our Barbecue Committee consisting of Chairman Candy Strehlow and twenty-five hustling and hardworking door-bell pushers, pushed, shoved and pounded their way into the tranquil homes of the membership to deliver more than 900 books.

If any member has not yet received the book charged to him, notice should be sent immediately to C. J. Strehlow, 1725 Mohawk St., or call him at Mohawk 0024. With this gigantic task under their belts, the committee announces an "all out effort" to surpass all records established. First answering the call for action, as is usual with him, was Irv. Schultz who plunked down the cash in no less than 30 seconds after receipt of his book, and following a close second were G. K. Gene Scanlan and Rudy Hillenbrand.

The following De Soto stations are available for making returns or to obtain additional books: Erbach & Sons, 1940 Irving Park Blvd.; Schultz Service Station, 1710 N. Ogden Ave; Birren Undertakers, Southport and Lincoln Aves., and 6216 N. Clark Sts.; Sullivan Undertakers, 245 W. North Ave. and 6311 N. Clark St.; Altenhofen Tailors, 111 S. Dearborn St., and Edw. J. Kohnke, % Hornblower and Weeks, 39 S. La Salle St.

CONDOLENCE

Our deep and sincere regrets are extended to Brother Mike McLaughlin, whose wife, Margaret, passed away on Tuesday, April 8. Mrs. McLaughlin, who was a sister of our old friend, Frank Pikrone, was to be buried on Friday, April 11, from Smith & Maginot Chapel to Ascension Church in Oak Park, thence to All Saints Cemetery.

Brownson Asks Greater Efforts on Membership Work During Next Wks.

There will be no council meeting tonight because of Good Friday. The next regular meeting will be held on Friday, April 25, and the officers look forward to seeing a very large attendance. We know that our lecturer will have something that will assure your attendance.

MEMBERSHIP

We are still a long way from our quota of new members, and since our order's leaders are planning to honor our Supreme Knight during the month of May with a "Francis L. Matthews class" of 10,000 new and former members, our membership chairman, Frank C. O'Connor, is again appealing to our members for cooperation. During the coming weeks many opportunities for service—perhaps the greatest in our history—will be offered the Knights of Columbus. Working together toward a common objective—service through strength—we can all make the Francis L. Matthews program the springboard of new and greater accomplishments for our order.

BARBECUE

By this time most of our members have received a letter from our grand knight together with a book of tickets telling about the fourth annual K. of C. barbecue for Bishop Sheil's underprivileged youth fund. To all Knights of Columbus and to most of the Catholics and others of Chicago the work of Bishop Sheil is well known and appreciated. Knowing this, GK Thomas V. Casey's letter should be all the urging our members need to make this year's affair even larger than any of the others. Start selling your book now; put it in your pocket and carry it with you at all times until you have disposed of it, then, if you can, procure an additional book and do a little more than just what is expected of you. Returns should be made to FS William J. Erwin, whose correct address is 5908 N. Washtenaw Ave., and not the one shown in GK Casey's letter.

BOWLING

As one of the most successful seasons draws to a close in our council league, the final result is still very much in doubt. Nine games remain and but one game separates the Gartner Tailors and the Cullom Club. Last Tuesday GK Tom Casey saw to it that his team, the Cullom Club, stayed in the race by winning two from Ald. John Grealis and gang.

The leaders, Gartner Tailors, kept their slim lead by taking the odd game from Doose Studio, the team that hits them—but the other guys get them. The Sunnyside Inn team kept its mathematical chance open by taking three games from the boys from Northbrook C. C., who can't keep their minds off of golf. The Best Furniture team, which wishes the season was just starting, turned the tables on the undertakers by taking three from Norman McShees.

Oak Park Plans Short But Interesting Meet Next Monday Evening

2-4 Mon. . . . . 641 S. Scoville Ave., Oak Park, Illinois

Next Monday will be meeting night and as usual our able Lecturer Frank Holub, will have something on the fire to interest the members. This will fall on Easter Monday so there will be many members who will have other activities on that night. The meeting will be short and you can still get away in time to go your way at an early hour.

The barbecue books are in the hands of the committee and are being delivered to the members as fast as possible. This is a very worthy cause and needs your help. A book of these tickets will be sent to every member. Send your checks or money orders to William F. Bosley, Treasurer, as soon as you have disposed of your book. He will see that you get another one if you so desire it.

Advocate Mike Ryan is now a Constable. Congratulations, Mike! Brother Alfred T. Brennan is again a Judge. A g a i n, Contgratulations! Another Brother, Tom Murray, is also a victor. To Constable Tom. Congratulations!

If you have any news please send it in. The news gathering agencies of the column have slipped. O. K. fellows we'll forgive you this time.

Next Sunday is Easter Sunday. When you get up in the early morning to watch the sun dance with joy far to the east as it comes up over the horizon just do a little reflecting on your own, and when you go to Mass and Communion on that Joyous Day don't fail to give thanks that you are here in America where you still have the privilege of worshipping according to your conscience. Don't fail to remember also the band of men who in the past have fought to keep this nation free, and pledge yourself to that eternal vigilance necessary that it remain so.

The Officers of the Council extend their Best Wishes for a Happy Easter to all of the members.

LA RABIDA IS ASSURED OF SUCCESSFUL DANCE

2-4 Tues. . . . . 6236 Princeton Ave.

La Rabida Council's annual dinner dance to be held on Saturday evening, April 26, at the Southmoor Hotel, 67th and Stony Island Ave., will attract even a larger crowd than last year, according to a preliminary report made by Bro. Harry Dion, chairman of the reservation committee. Bro. Dion further states that several members have reserved tables for twenty or more and that this annual affair, which not only meets with such a generous response from our own membership, but the neighboring councils as well, will again be a gala after-Easter special event.

Spacious accommodations have been reserved for La Rabida and as you know the more the merrier. P. G. K. Daniel F. Curley is general chairman of the affair, and Bro. Joe Cognac's famous band will again render the music.

FOURTH DEGREE

On Thursday evening, April 3, fifteen members of La Rabida's Fourth Degree Club assembled at Hofmann's Grill, where one of the regular monthly dinner meetings was held. These monthly meetings continue to grow in popularity and affords all who have an opportunity to attend, a most enjoyable evening.

On Tuesday evening, April 22, La Rabida Council will hold its annual "old timers" night at our council meeting hall, 6236 Princeton Ave. This meeting, which usually attracts many of the older members of the council, provides a splendid opportunity to at least for one night, live again in the glorious past of this council. Our worthy lecturer, Dr. John Latchford, promises a most interesting program for the affair.

HERE AND THERE

Bro. Andy Bulger is still confined to St. Bernard's Hospital. It is reported, however, that he will be with us on "Old Timers" night. Bro. Charley McCarthy, the "Garfield Boulevard cutup" has already served notice that "old timers" night is reserved for the "old" and those who find it hard to get around. Bro. McCarthy boasts 75 years, but looks like 40.

The annual meeting of the Illinois State Council will be held at Aurora, Illinois, on May 5 and 6. In view of the fact that the convention city is but an hour's ride from Chicago, those who are able to absent themselves for these two days should do so. I am sure you will find them educational and instructive.

C. A. McCarthy, a member of La Rabida Council for thirty-three years, has a somewhat unusual record for a resident of Chicago. Having retired in 1929, after fifty years service with the Standard Oil Co. (Indiana), he and Mrs. McCarthy will, on April 15th, celebrate their 57th wedding anniversary. They have lived in St. Ann's parish all that time and have lived in the same house 54 years. They have four children and eleven grandchildren.

BOWLING

The bowling results of April 7 are as follows: Dion Quints took 3 games from the Rock Island Rockets, while Evans Pulletts were taking 3 games from the La Rabidians. Wahling Wales took 2 out of 3 from the Sunnyside Inn. Standings are:

	W.	L.
Evans Pullets	59	28
La Rabidians	49	38
Dion Quints	46	41
Wahling Wales	39	48
Rock Island Rockets.....	35	52

Superb bowling on the part of R. Kapple was responsible for Evans Pullets 3 game victory over the La Rabidians last Monday evening. Kapple rolled high game for the evening—203.

Hughes Features All Nations Night at Tues. Session

1-3 Tues. . . . . 4711 W. Madison St.

An unusual and extraordinarily entertaining program is planned for the "All Nations' Night" meeting on next Tuesday, April 15. Lecturer Joe Ryan has been in several huddles with G. K. Dr. Louis Postilion and other officers, and the program to be featured promises to be one of the best of the entire season. Lecturer Ryan, a versatile impresario, with true executive genius has surrounded himself with special chairmen to represent each nationality. Thus the Irish portion of "All Nations' Night" will be under the direction of Chairman John C. Bannon, P. G. K.; the able John F. Korbel will serve as the Bohemian chairman and the Italian representation will be under the guardianship of Bro. Joseph Postilion.

The lecturer is bending every effort to have all the details completed by Tuesday next, and none will be overlooked to make this "All Nations' " program one of the best ever offered by Hughes or any other council.

K. OF C. BARBECUE

The fourth annual K. of C. barbecue will be held in Riverview Grove, Chicago, on Wednesday, June 18. A simple announcement, but one of real importance to every Knight of Columbus. The annual barbecue has become an undertaking of utmost significance. It is a means of raising funds to help the benighted youngsters cared for by the Bishop Sheil Underprivileged Youth Fund. The supporters of this feature are likewise well rewarded, for there are generous awards, over $5,500 in cash being distribtued to fortunate people. The barbecue books are now ready for distribution and every member of Hughes Council is urged to co-operate to the fullest extent. By selling these books you not only benefit the activities already mentioned, but you profit individually, and so does your council.

REQUIESCAT IN PACE

Condolences are extended to the bereaved family and relatives of Bro. Michael Maher of 3845 Wilcox street, beloved husband of Mary Fitzgerald Maher, fond father of John J., Mary Spillane, Gerald P. and the late William. Bro. Maher was a veteran member of Hughes, respected and faithful. A delegation from the council viewed the remains and paid their respects on Wednesday, April 2. The funeral was Thursday, April 3, to Our Lady of Sorrows; interment, Mount Carmel.

We regret to chronicle the passing of the father of Bro. James Shanahan, Hughes notable. After the Tuesday, April 1, meeting a large delegation of members visited the O'Keefe Funeral Home to pay their last respects to Jim Shanahan's paternal parent. May his soul rest in peace.

BOWLING NEWS

That was sensational news about the accomplishments of Hughes' star bowlers in the National K. of C. Bowling Tournament at Indianapolis. P. G. K. Elmer O'Brien enjoys the singles leadership with 692, followed by Bro. Frank Kaminski, second, with 688. Kaminski is second in the all-events with 1,933.

The Major dropped the odd game to Barry Council in the West Side K. of C. League a week ago with some of the regulars absent because of participation in the A. B. C. Tournament at St. Paul.

Miss Margaret Earley, popular with many Hughes members and especially with Chancellor James A. Ryan, set a fine mark of 624 in the Congress Ladies' League a week or so ago, ando previously had hung up a 603 series.

COUNCIL BOWLING LEAGUE

The Ward Builder Golds, undaunted by the apparently safe lead of the Lauterbach Coal Company, intend to battle fiercely these last three weeks to overcome a margin that was reduced to three games by reason of last Friday's results. While the Lauterbachs were dropping two games to Flaherty Tavern, the Golds swept their series with the Ald. Richard M. Walsh 36th Ward Boosters, and picked up two of the five games they were out of first place.

The Flaherty Tavern, which has the sensational record of 14 wins in the last 15 engagements, copped the middle contest from the Lauterbachs by a single pin, despite a 230 count by Tom Dailey for the first-placers. The totals were 1,026 to 1,025.

The Howell Restaurant team won undisputed possession of third place by trouncing the Peter M. Kelly Undertakers in all three games. The Ward Builder Golds were confronted by only four members of the Ald. Walsh squad, but only the fact that the Walsh anchorman ran into a split in the final frame of the first game kept Aldermanic boosters from whipping the Golds. As it eventuated, the Golds copped the opener by three pins, then went on to add the final two games to the win column.

The Tim Toomey Taverneers, last year's champs, are starting to hit a better stride and took two from Malone & Clancy Morticians. John Fahey put up a tall count to cop the buck, while George Tipman led the M. & C. squad. Douglas Coal Company, with Nick Mulroe revealing his true form again, won the odd game from John H. McKeown Cartage Co. The sponsor of the latter team and young Charlie Reilly tried to stem the tide of defeat. - Jack Korbel opened for the Douglas with a 207 count on the St. Philip alleys.

The Votava Auto-Fixers rushed in with a three-game sweep over the Ward Builder Blues to cause a four-way tie for fourth place. Now the Malone & Clancy team, the McKeowns, Flahertys and Votavas are all deadlocked. Young Charlie Votava had a big night for the squad his dad sponsors.

Hughes Council will go to Indianapolis for the National K. of C. Tournament on Sturday, April 26. Get all details pertaining to this trip from your captain. Hughes will be represented in the I. B. A. Tournament by the five top men in individual average.

If you haven't got your new duds for the Easter parade, it's a little late to do anything about it, but keep in mind Nemeck Brothers, custom tailors, 2700 S. Drake. Good Hughes knights and in their employ are Frank and James Matousek, also members of Hughes Council.

Phil Sheridan Plans Its Third Annual May Party with Enthusiasm

1-3 Thurs. . . . . 446 N. Parkside

Before you read any more of these notes, please mark your calendar for Saturday, May 24, the date of Phil Sheridan's Third Annual May Party. According to our lecturer, Joe Broderick, this party will consist of cards, dancing and refreshments. Joe will require a little help on this affair so get in touch with him and offer your services.

DEGREE'S NEXT MEETING

I wonder if all our members are aware that at the next meeting Phil Sheridan will again exemplify the First and Second Degrees on a class of candidates for the West Side Dist. No. 1. This is next Thursday, April 17, and we are expecting a large turnout. With the approval of five new applications at our last meeting, it sure looks as though G. K. Ed. Bachner is guiding Phil Sheridan Council through one of the most successful years of its history.

We would like to see a much larger attendance at this meeting than usual. In fact it is necessary in order to properly put on this degree. All members should consider it an obligation to be present to give encouragement and enthusiasm to the newly elected members.

The initial step in the preparation of Phil Sheridan's Anniversary Photograph Album was taken last meeting, when some twenty-odd members had their pictures taken by Mr. Neff of The Capitol Studios. Starting again with the meeting of Thursday, May 1, and for four consecutive meetings, Mr. Neff will be present to take pictures of all members not previously taken. Remember, Brothers, this is not costing the members anything. So, please make arrangements to attend.

On Sunday, May 11, Phil Sheridan Council will receive Holy Communion in a body. Every member should make a note of this immediately. Exact time and place will be given later.

NATIONAL TOURNEY

Last Saturday and Sunday many strange faces appeared on the streets of Indianapolis, Indiana. Ten of these faces were from Phil Sheridan Council and the reason they were there was BOWLING. To look at some of the scores, I sometimes wonder if they did go to bowl. Joe Broderick and Gus Flashing did have an alibi in the doubles events. That was the scorekeeper. How about it, boys? John Gleeson bowled with the Owls at 8 a. m. Sunday morning. So we don't have his score.

Our major team did themselves proud by coming through with a sweet 2929 total in the team event. John Dunne showing the way with a score of 654. John's showing for the nine games was 1810.

Morley Frank, the team lead-off man, after a 587 in the team event, 571 in the doubles, came through with a nice 631 in the singles for a total of 1789. Murphy also maintained an average of 195 for nine games. Frank (Buck) Weaver just couldn't forget the beautiful train ride on the way to Indianapolis, so when the bowling started he just concentrated on railroads. Better luck next time, Buck. Jackson's average of 188 for nine games was not such bad bowling, either.

We wish to thank G. K. Jimmie Collins and his gang from Feehan Council for including us in his party and everyone knows Jimmie is the perfect host. We hope, some day, to reciprocate.

To Bishop Ketteler Council we extend our heartiest congratulations on the wonderful bowling they did at the tournament. We're glad to see a west side council get up there.

Dearborn Retreat Class Leaves for Mayslake Apr. 18

1-3 Thurs. . . . . 820 Garfield Blvd.

Remember, Dearborn's retreat at Mayslake begins April 18. Members will meet at 5:00 p. m. at the clubhouse and leave in a body. Be on hand.

Dearborn participated with the other councils in this jurisdiction last week in the Barbecue "Kick-off" dinner. All councils were represented and all state and local officers were in attendance. To further the cause Dearborn held its own "Kick-off" at last meeting.

At the meeting groups were named to immediately parcel out the ticket books to the men not present. This bang took their books and went right to work. Reports are that all books are now in the hands of members and already books have been sold. This is a testimonial to real work and efficiency in one of the fastest distributions ever accomplished. The men to whom we owe thanks are Chairman Ruff, John Lux, D.G.K. Pidone, Chas. Lyons and Dave Kerwin. The hard working distributors who performed this feat were: D.G.K. Pidone, John Lux, Chas. Lyons, J. Johnston, J. B. Kelly, John O'Neill, John Houlihan, Mart Gallagher, John Downes, Chas. Gray, John Logan, Sr., John Logan, Jr., F. Jusold, Joe Wolf, Bill Shulock, Oscar Heilmann, M. J. Arech, Tom Day, Geo. Riley, Frank Wilhelm, Tom Tynan, Steve Ruff, Chas. Read and Dave Kerwin.

OLD TIMERS NIGHT

Besides the attention to the barbecue details as completed at our last meeting a fine program in the form of "Old Timers' Night" was presented. A large outpouring of older men turned out to witness an illustrated lecture by William Spillard, a former government agent in the narcotic division. His pictures and talk comprised actual experiences involving the tracking down and eliminating of dope rings.

One of our charter members, Bro. John Richert, was on hand and traced the birth, growth and successes of Dearborn, complimenting the present administration. Other old timers on deck included Bros. Mike Mullee, I. Brazill, Jim Carney, Mike O'Connell, John Madigan, H. McErlane, Tom Costello, W. Dunn, John O'Connell, Fred Rascop, Jim Harvey, John McCarthy, Frank Anzalone, L. Warzinski, Geo. Walz, P.G.K. Tom O'Connell, John Sebastian, J. Rathz, Jos. Tynan, S. Sansone, S. Lo Coco, H. Rathz, A. Mulhern, Jim Jonsston, L. Noakes, F. Shereck, M. Jarech, Geo. Riley, Jos. Schoppen, C. Bowers. Some new timers were Bros. F. Kulovitz, F. LaPorte, S. LaPorte, H. Manzittie, J. Passe, John Houlihan, John O'Neill, Chas. Read, Nick Hoffman.

In addition, Lecturer Ivers provided swell refreshments. It was a grand affair and a great kick-off.

Hildebrand Meet Will Offer Much of Interest Next Thursday Eve.

1-3 Thurs. . . . . 5711 W. Chicago Ave.

Next meeting Thursday, April 17. . . . Something interesting, as usual, and we anticipate the usual good attendance. . . . Barbecue books are now fully distributed and we are hopeful for early returns. . . . Nothing finer in the way of fraternal activity has been devised than this splendid Catholic Action program to assist the underprivileged youth of Chicago. . . . Hildebrand Council must again show the way by being close to the top when the final returns are in. . . . Along the bowling boards we gather the startling information that some ABC performers are in our midst. . . . Our maple spillers are among the best in town and several are about to show their wares at the big tournament in St. Paul. . . . Last week's results show the O'Hara Undertakers capturing three full games from the J. P. Ryans, while the Dean Steels came from behind to nab the odd session from the Modern Cafe. . . . The membership program is on in earnest, and during the present quarter ending June 30 we will make our assigned quota. . . . Now how about that son, uncle, brother, cousin, friend, etc., whom you have not invited to affiliate with the order? . . . The field is big, but we are afraid some of us have not been on our toes to gather in the applications. . . . And the announcement is made that potential arrangements are in the making for a spring cabaret party to be held in May at St. Agatha's. . . . More about this later, but the mere announcement should be sufficient for most of our members who know what fine programs are presented at these social gatherings.

Don'ts for Writers

Don't prepare your manuscript hurriedly. The essay written before breakfast, or while waiting for dinner, or in any fragment of time "snatched" out of a busy day, is usually narrow and shallow and ill planned. Now and then, one may have a "flash" and "just dash off" a readable article, but it is the exception and not the rule.

Don't write with a pencil. If you have a typewriter, use it. If you have no typewriter, write with pen and good ink and on good paper, and write every word in well-formed letters. Remember that if your article goes in to the printers, it must be read by editor, linotype men and proofreaders—men who also want to go to heaven and must therefore not be provoked beyond what their religion will stand.

Don't make your article too long—the majority of manuscripts that never find their way into print are rendered unavailable by their length.

Don't say in the letter which accompanies your manuscript: "Print this in your next issue." As a usual thing, compliance with such a request is impossible—the average journal is blocked out at least a week or two ahead. And it is quite frequently the case that a good essay must await its opportunity weeks or months—occasionally longer.

Don't think that the editors are "fresh" simply because your articles appear in print cut down a little or even with a few sentences added. Space in a paper is very exacting and must be obeyed; if an article is a few lines or words too long, it has to be shortened, and if it lacks a few lines or words, it must be lengthened.

Don't forget that editors are made of flesh and blood, that they have nerves and put in long hours—and that like you—they WANT your story to appear at its best and to appeal to the greatest number of readers.

CONFESSION DEPORTMENT

Confession is a sacrament, not a sort of hit and run laundry business. It is not something to be sandwiched in between a movie and a shopping tour. Entering the church, therefore, should be at lesser velocity than the speed of a bomb.

Examination of conscience ought to be conducted in the pews, not with the football tactics so often seen in the lineup outside the confessional; nor even inside, while others wait and you "just can't remember."

The line outside the confessional is for convenience sake. Don't pay off your parish peeves by jostling or trying to outmaneuver others in getting in a moment early.

Standing too near the confessional is clearly a mark of the extended ear for news.

Children should go to confession at the proper hours and not impede the grownups who really have something to say.

Adults should not grumble audibly when they burst in after the first show and find Father leaving the confessional.—The Catholic Digest.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and regaineth with Thee in the Unity of the Holy Ghost. Pigeon Carries Holy Name Rally Message

Panama City.—The officer in charge of the homing pigeons at France Field in the Canal Zone was surprised one evening as he checked his little feathered charges for the day.

They had returned to their roost from various points where they had been released. One of them had flown a long distance, from far out in the Caribbean where submarine maneuvers were being held. It carried this message: "May the Holy Name Rally tonight at France Field be a huge success." "At sea" a group of Catholic men under the leadership of a Catholic officer had sent the greeting to men of seven different army and navy posts gathered at France Field for their first "all service" Holy Name Rally. The carrier pigeon was a good omen—for the rally was a success.

Seven army and military posts, the full roster of forts, stations and bases on the Atlantic side of the canal, were represented by 600 officers and enlisted men who filled the spacious gymnasium at France Field.

Barry Has Grand Reward for Early Barbecue Workers

1-3 Tues. . . . 2856 Washington Blvd.

We have a scoop that is so good that we must pass it on to you, and that is that next meeting night, April 15, the council will award a radio to all members who have filled a book for the coming barbecue. The more books you fill, the more chances you have to win one of these radios. A radio will be awarded at every meeting until the day of the barbecue and then that grand prize, a week's vacation at Twin Lakes as a guest of Barry Council will be made. So step on the gas and get those books in as fast as you can.

GRAND KNIGHT CURRAN

We just received a letter from Grand Knight Jim Curran and the young warrior says he is very enthusiastic about army life, and his good mother sends him The Columbian every week. Jim says the facilities at Camp Forrest are as good as living on the best army post in the country. They have all the comforts and conveniences of our standard of American living. Sounds like Jim is writing from South America or some swanky summer resort. We are always glad to hear from Jim and glad that he is getting along so fine. We sincerely hope that any of our other brothers in the service will drop us a line. We will be glad to hear from them and pass the good news on to the members.

BLOOD DONORS

Chairman George Bamber reports that over 100 members enrolled in the blood donor group and he is very much pleased with this showing and wants to thank all the members for their efforts. A bouquet goes to Mark Melancon, who stood by one Thursday morning at a major operation of Bro. Henry Eckstein's sister. The honor of the first one of Barry to offer a blood test was our good friend Jim O'Neill, and to him goes another bouquet.

BARRY HOME GUARDS

The guard unit is still keeping up its regular Friday evening drills. This program will take a definite shape shortly and all brothers who are anxious to learn this work may do so without any obligation or cost. Come down Friday evening at 8 o'clock and see the wonderful strides the boys have made.

BARRY BOWLING LEAGUE

Well, the 35th anniversary double and single bowling tournament started off with a bang last Saturday when Al O'Malley, Clarence Sheehan, Dan Keating, Mort Vurpillat, A. Naples and John Tamburrini had the honor of being the first squad to start the tournament. The way the entries are coming in looks like this is going to be the best bowling tournament ever bowled at the clubhouse.

Ed Kurtz and brother Joe had high score in the doubles on opening day with a 1,235 score. In the singles Clarence Sheehan had high score with 623. On Sunday the barrage started right after dinner and kept up until 10 o'clock, and after the first two days of bowling we find Larry Westphal and John Foley leading in the doubles with 1,269, and close by are Rocco Tarsitano and Ted Biedrzycki 1,257, Ed and Joe Kurtz 1,235, Tom Geega nand Charles Urbain 1,217, J. Szafran and J. Russell 1,195, and J. Thompson and Milt Horan 1,175. In the singles Charley DeVito is leading with 681, and next in line are Ed Kurtz 653, J. Tyrrell 634, Clarence Sheehan and Rocco Tarsitano 623, T. Ferrarain, Sr. 610, Dan Keating 608, J. Szafran 604 and John Foley 603.

As you know, this is a handicap tournament and a bowler with a 140 average has just as good a chance as a bowler in the 190 bracket. You get three-fourths of the difference between your average and 200, so if you want to enjoy a good time with lots of the old timers get that entry in.

There will be no bowling on Saturday, April 12 and 13 on account of Easter, but the following week we will carry on and every Saturday and Sunday until all the boys have bowled. The entry fee for this anniversary tournament is $1.25, which includes cost of bowling and 80 cents of entry fee goes into prizes.

BARRY CLASSIC LEAGUE

One more week and the 1940-41 bowling season will be over, and going into the last week we find Mid-West leading by one game, and following next in line are United Air Lines, Cunninghams, Fauchers, T. W. A., Kaindls, American Air Lines, Keanes, Little Jacks, Aherns, Sheehan Chile, DeMares Coals, Smith Funeral Home and Kedzie Coals. In last week's battle Little Jacks won two from Mid-West, United Air Lines won three from Aherns, T. W. A. won two from Cunninghams, DeMares Coals won two from Faucher Brothers, American Air Lines won two from Kedzie Coals, Senator Keanes won two from Sheehan Chile and Smith Funeral Home won three from Kaindls.

Barry won two from powerful Hughes Council with scores of 1,005, 887, 843 for a 2,735 series. Hughes had scores of 761, 874 and 1,029 for 2,664 total. Frank Lane had series for Barry with 605. Did you see that wonderful write-up in last Sunday's paper about the old reliable Sam Murray who shot 643 in the doubles in the A. B. C. bowling tournament at St. Paul? It sure is worth reading and gives the young kegler all the glory that he is entitled to.

Damen's Merry Pinmen Report One Grand Time at Bowling Tournament

Apr. 17 . . . . . 6 N. Hamlin Ave.

The Hoosier hospitality of the K. C. tournament will long be remembered. Worthy Master of the Fourth Degree Joseph A. McMahon was guest of honor. His stay in Indianapolis was personally supervised by the local council.

We are grateful to William A. Cassidy, sponsor of Cassidy Tires, for sponsoring four teams in the national tournament and making it possible for greater enjoyment of the trip and stay in Indianapolis. Sparked by that hurricane of mirth, Tom Cullen, the Merry Men took over the city lock, private stock and all barrels

Star bowler among the Damenites was that effervescent spirit of jollity, Joe Kulisky, who rolled the amazing total of 1,828 pins for nine games. His individual effort of 619 was high for our gang. Congratulations, Joe. The doubles championship of Damen Council was again annexed by Martin McGinnis and Tom Cullen.

Because of a last minute call forcing the absence of Charlie Kuhter, who had not missed a tournament in ten years, Burlington Bill Beuthling was mustered into service. His contribution was three grand Red Grange games. Thanks, Bill. Bowling Coach James I. Feeney had his hands full correcting our faults, but except for a few rare occasions his splendid advice always came too late. Frank Marnell and John Speyer had tough luck on the alleys but otherwise had a pleasant and enjoyable trip.

The Brown University was in constant session and many new lessons were learned by the student body. Wally Fitzgerald visited with an old school chum who is at present a leading business man. Gerald Reilly was personally escorted on a tour of Hoosier night clubs by the mayor's son. Tournament Rookie Lecturers Reithal and Al Marti were co-discoverers of the best eating establishment Damen bowlers have visited in the past five years. Jack Lee gives it his personal O. K., so that's that.

D. G. K. John Caulfield and Homer Shaver, barbecue buddies, were fortunate in having the best room of the hotel. Were they the proud peacocks! William Page and the Stack sons, Tom and Pat, were constant companions, as were Tom Foy and Henry Henningson. Guests George Erickson and William Spillane had their usual grand time.

DAMENEWS

Insurance Chairman Bert Lannon, chancellor, is in charge of arrangements for next meeting on April 17 at 6 N. Hamlin avenue. An outstanding program is awaited.

Communion Sunday is May 4 at Holy Family Church. Father Charles Sullivan, S. J., Damenite, will be the celebrant. Former acolytes are asked to volunteer to serve the mass. In Damen Hall, after mass, breakfast will be served.

Barbecue Chairman John Caulfield reports the books were received Monday evening. Some were distributed Tuesday evening, of which five were paid for in full at the meeting on Thursday. Fast work.

This is Crowley Corner. F. S. James Crowley went back to work Tuesday after a three weeks' rest. Our sparkplug, an indefatigable worker in all affairs for the past twenty years, had to slow down a bit. Glad you're back in shape again, Jim.

Here is news: William Crowley, Jr., lustily proclaimed his arrival on Friday, April 4, at St. Anne's Hospital. He is the son of William Crowley and Theresa O'Toole, grandson of F S. and Mrs. Jas. J. Crowley and great grandson of Mr. and Mrs. Michael Phelan, and nephew of Kieran and James Crowley, Jr., and Emmett O'Toole. Kieran Phelan figures in here somewhere.

CATHOLIC ACTION

There is a school of thoughts holds that the most effective me fighting slander is to ignore it. are occasions, however, when action is clearly in order. Such casion was the appearance and w culation of the infamous "Fourth oath," a flagrant and unjustifiable upon members of the Knights of bus and, for that matter, upon al olic citizens.

To meet this attack, the Kni Columbus, through its officers, of reward of twenty-five thousand for proof of the authenticity of called bogus "oath." Advertisem this reward were published thro the country but, since no Knight lumbus had ever subscribed to any other oath, the money was claimed.

The Order, continuing the fight heartedly, pushed the prosecution sons printing and distributing the "oath" and obtained many con in the criminal courts. The co watchfulness of the Order and its and positive action have made the ing of this particular slander Catholic citizens a hazardous occu We don't hear so much about When the path of bigotry leads jail, the traffic stops.

Barbecue Efforts Continue to Top Previous Records

Book Distributions and Ticket Returns Are Well Ahead of Marks Set Last Year

Practically every Council in the Chicago archdiocese this week will turn the full energies of its membership to the promotion of the Fourth Annual Knights of Columbus Barbecue in benefit of Bishop Sheil's Underprivileged Youth Fund. The gigantic charity drive will reach its climax on next June 18, at Riverview Park, when members of the Order here will gather to participate in a special program celebrating the results of the campaign.

Attainment marks set in the earlier drives of 1938, 1939 and 1940 have actually been bettered by almost 18 per cent this year. Complete distribution of all barbecue books was realized early last week—almost five full days ahead of the 1940 schedule—the best record until this year.

Early Returns Being Made

Returns and ticket sales have also raged ahead of previous schedules both in the number of councils reporting and in the totals turned in. Additional returns are expected at the barbecue headquarters from council treasurers who were unable to make their reports earlier because of the activities of Holy Week.

District chairmen for each of the eight sections into which the counties have been grouped also report an increased interest in the barbecue movement this year. Almost without exception every council is outlining a determined plan aimed to better previous standings.

F. E. McGillen Named District Leader

One change in the sectional chairmanships was announced this week with the resignation of Joseph A. Giern, whose business affairs call for long and frequent trips out of the city and so prevent, he felt, proper attention to the barbecue affairs.

P.G.K. Frank E. McGillen of Genoa Council was appointed to fill the vacancy. As one of the more able exponents of degree ritual here, McGillen has established a first hand acquaintance among the councils of the whole city and especially among the nine units of his district. His ability as a leader have also been well established through his fine records while president of the St. Francis De Paula Holy Name group and while Grand Knight of his council.

Also recognized as an orator of ability, Chairman McGillen has been frequently called upon to deliver the solemn memorial services invocations when sponsored by the separate councils here.

The councils in Chairman McGillen's jurisdiction include Calumet, Father Perez, Genoa, Illinois, Pinta, Ridge, St. Joseph's, San Salvador and Thomas Aquinas.

BARRY ADDS INCENTIVE TO BARBECUE DRIVE

1-3 Tuesday.....2856 Washington

There was a scramble at the Clubhouse last Tuesday evening, and the Financial Secretary was a very busy man checking in on the Barbecue books. A radio will be awarded every meeting night until the day of the big Barbecue in Riverview Park. Each book that a member fills gives him a chance on the radio, and all you have to do is to turn in your book. You do not have to be present to win the prize. Acting Grand Knight, Barney J. Cunningham, is doing a fine job as our leader and solicits your full cooperation in this worthy cause.

CONDOLENCES

The officers and members of Barry Bowling League along with officers and members of Commodore Barry Council all join in extending deepest sympathy to Clarence Sheehan and his family in the recent death of Sister Kathryn, who passed away April 7. Also Rocco Tarsitano and his brothers and sisters in death of their beloved mother who died April 12. May their souls rest in peace. We ask all the members to remember them in their prayers.

COUNCIL ACTIVITIES

GRAND KNIGHT James Curran is now Sergeant Jim in the 33rd Division at Camp Forrest. More power to you, Jim, all of us back home are pulling for you. There must be a number of brothers now in Uncle Sam's army, so let us hear from you and we will pass the word on to the other members. While on the subject of Army we just got a flash that Bro. F. M. Priester is also a faithful soldier down at Camp Forrest, and while he was not with us on Communion Sunday we saw in a Chicago paper a picture of him receiving Communion at the camp.

BLOOD DONORS—Bro. Edwin Shook is to be congratulated for having his blood typed on the far south side near his home, which reminds us to suggest to all brothers who have not been typed to call at nearest Catholic hospital. It will not cost you a cent, just be sure that the records are reported to Chairman George Bamber.

THE HOME GUARDS are made up of men over the draft age who recognize the danger our country is facing, and want to do something about it. They train at the clubhouse every Friday evening. Come down any Friday and see how well the boys are doing under the watchful eye of Lieut. Robinson.

BARRY BOWLING NEWS

The 35th anniversary Double and Single Bowling Tournament will carry on again Saturday and Sunday, April 19 and 20, and we will bowl on weekends until all the boys have bowled. We would like to make this anniversary tournament the largest and biggest ever held in the clubhouse and in order to do this we need your support. A bowler with a 140 average has just as good a chance as a big 190 man in this handicap tournament. Get in touch with Clarence Sheehan, Larry Westphal, Mique Cunningham and John Chase and they will see that you are taken care of.

The 1940-41 season of the Barry Bowling League is now history, and the finale of this wonderful season will be celebrated at the annual banquet on Thursday evening, April 24, at 6:45 p. m. at Crowley's Restaurant, 4442 W. Madison St. There the trophy for new champions will be given along with rest of prize awards. The boys are all asked to try to be on time as much business is to be transacted before you sit in to enjoy that juicy steak with all the trimmings.

In last week's battle, Mid-West Auto Service won two from Sheehan Chiles and kept their lead in first place by two games. In this contest several new scores were shot. The Mid-West shot a new high team series with 2644, and Sheehans shot second high team game with 976 and the old reliable kegler himself donated 269 in this game and we mean none other than Bernard (Bones) Boyle. Bill (Coca-Cola) Dunn had high game for the Mid-West with 212.

The Kedzie Coals made a clean sweep of their series with Recorder Kaindle and shot second high team series with 2639. Tom Ferrarini, Jr., had high game for Kedzie Coals with 226 and Al Nowatarski had high game for Kaindle with 197.

The certificate for second pair of shoes donated by Mr. S. M. Peters, manager of W. L. Douglas shoe store, located at 4002 W. Madison St., was won by Ollie Kilneman who shot a 685 series to win this wonderful prize. We want to congratulate Ollie on winning this prize and also thank Mr. Peters for his kind donations. We hope the members will not forget the W. L. Douglas Shoe Store when in need of a good pair of shoes.

BARRY QUIZ

You will recall the following quiz which was run a few weeks ago under "Who? What? When?" to test the memories of the Way Back Whenners. This information was furnished the writer by (Commentator "Heads Up" Andy Greeley) and we know it must be right. The Chi-Feds were Steve "Skids" Zilavy's five men bowling team in the house league and won high honors in 1916. Shooting on this club was Joe Tucker, Doc Norton, Frank (Yip) Byrne, Jack Crow Goggin and the motorcycle whiz himself, Steve Zilavy. The Premiums, Reds, Maplewoods and Frankie Daly's Little Giants were in Barry's indoor league in years 1918-1919. The Premiums were piloted by Marty Henkel, Reds by Dick Ward, Maplewoods, Deacon Leonard Ross and Giants by Frankie Daly. Who can give us the line-ups? If anyone can answer this quiz drop a line to the scribe.

Illinois Members to Hear Dr. Fred Zapffe at Monday's Meeting

1-3 Monday.....64 E. Lake St.

The next meeting will be Ladies' Night. Past Grand Knight Dr. Fred C. Zapffe will give a lecture on "The Philippine Islands, Its People and Its Future." Doctor is secretary to the Association of American Medical Colleges and as such was invited, as guest of the Philippine Government, to spend five weeks on the Islands. We learn that he has gathered an interesting lot of information which we know the members and, we hope, the ladies will enjoy. So don't forget to bring the ladies for what we believe will be an enjoyable and instructive evening.

NEWS AND VIEWS

Chairman Harold B. Ericksen of the Barbecue is quite well satisfied with the results so far obtained, based on money returns. As usual, Harry Dean leads the pack with ten books. Harry, how do you do it? Steve Stukel has reported for a second helping.

William J. Groden procured two new applications to be filled by prospective members. We are glad to announce the return to our fold of William K. Richardson and Matthew Clark. Welcome home, gentlemen, the latch key is out, pull up your chair to the open hearth.

We learn that John F. Tyrrell is slightly indisposed, due to a sore throat.

Chairmen and subchairmen of the Barbecue will call on you within a short time to get returns on your books. You know where to procure more.

"How easy it is for most of us to sit at home, and, upon receipt of the 'Columbian' to peruse it carefully for Council news, never thinking that, after all, we are a part of this Council and should endeavor to help, not only by our dues, but also by our attendance. It is unfortunate that all of us cannot attend, but at the present time it behooves all of us to try our best to support the Council, especially in the matter of new applicants.

"The condition of the world today is such that none of us know when we will be called upon to do our duty towards our country, and, I believe, if records were checked, they would show that the K. of C. had quite a prominent part in the World War. With the Selective Service Act we will be losing, for at least a year, quite a number of our members, and there is no doubt in my mind that again the K. of C. will do something for the good of these boys while in camp. Let us start immediately to build up our own Council to take care of our absentees, and also to be prepared to help when called upon in the near future.

"I think that in getting new applicants, we should also show them t good the Knights do for others, as w as the personal gain they derive from There is, I am sure, no member of Il nois Council who does not feel a tou of pride in the fact that he can say is a member of Illinois Council, even those of us who are located so that cannot possibly attend meetings. ST. FRANCIS BARBECUE SALES CLIMBING FAST

2-4 Thursday.....4711 W. Madison

Three members of St. Francis Xavier Council have already shown their spirit and enthusiasm in the fourth annual K. of C. Barbecue drive by being the first to make returns on their books. They are P. G. K. Frank R. Vitullo and Bros. Joseph Gironda and Croce Speciale. Bro. Gironda revealed that he sold his tickets to horse-players because "they love to buy sweepstakes tickets."

In order to accelerate the drive to surpass last year's total, Chairman Scotty Frusolone announced that the first 18 members to make returns will receive two free chances for the cash prizes and for each four books sold, a ticket to the victory dinner will be given. If that isn't enough encouragement, we don't know what is. Get behind the movement to help yourself, the Council and Bishop Sheil's Underprivileged Youth Fund.

ACTIVITIES

About 35 new members are all we need to procure within the next two months to attain that coveted honor, the Country Club, according to the membership chairman, D. G. K. Salvatore Cirrintano. That is not a large order when you consider some of the past performances of the Council members. They've come through in the past and, no doubt, they will come through these next two months.

The next exemplification of the Third Degree will take place April 25 at St. Phillip's gym, under the sponsorship of the West Division Councils. All sponsors are requested to have their candidates present and if the candidates have not passed their medical examinations, they should call Dr. A. L. Columbus Will Stress Barbecue Campaign in Efforts to Win New Goal

2-4 Tues. . . . . 6932 N. Clark St.

At our meeting next Tuesday evening, April 22, Eddie Roche intends to lay special stress on the Barbecue Drive that is now going on throughout the circles of the Chicago Knights of Columbus. In the past four years you read about the wonderful work that the Order has done to help Bishop Sheil in his work among the poor unfortunates of Chicago. Some of you responded generously, while others just sat along the side lines and let the other fellows do the work.

Some ninety-one members of our Council assumed the burden last year. Were you a slacker or were you one who went out and sold your tickets and made an early remittance? I wonder if we could not add ninety-one more names on the list this year. We can do it if you who did not help last year will just join the band wagon now. Let's put this thing over big! First and always, we are helping the poor unfortunate, and secondly it will do your own heart good to know that you have contributed to the welfare of some one who is not blessed with the things that you have in life.

Drop up to the meeting next Tuesday evening and hear more about the work done by our Order, and how much Bishop Sheil appreciates it. Doc Schuler, our Lecturer, promises to have other features at our meeting Tuesday, and we would like to see a large crowd present now that the Lenten Season is over. Just received the good news that the Grand Old Vet, Doug Moore, sold and made returns for the first Barbecue Book and has asked for another. Who is going to be next? Let's Go!

I just heard from Eddie about the last meeting, which was kind of quiet due to Holy Week. Eddie himself was called out of town because of the death of a relative, and our Deputy Grand Knight, Al Irving, presided and did a good job. Eddie is trying to duck the Pride of Belfast over the Easter holidays so he went down to his farm in southern Illinois. He states that the Pride of Belfast has too much on the ball when it comes to Easter toggery and Eddie's ship did not come in from the Republican administration, hence he was wearing overalls.

Saw quite a few of our members Bill Cookesley, Henry Malone, Fred Massmann, John Fleming, John Hayes, Jimmy O'Connor, William Landers and others at St. Tim's last Sunday with the Holy Name Society. Hope we will see them all at Columbus Council Annual Communion the first Sunday in May. I am a little pressed for time this week and not hearing from Schuler or Irving, my two Society Reporters, will ring off until next week. See you at the meeting Tuesday, April 22.

A baseball has been hurled at the rate of 122 feet per second. In comparison with that the muzzle velocity of an army rifle is about 2700 feet per second, while the muzzle velocity of the German Big Bertha was 5260 feet per second.

St. Joseph Expresses Deep Regret at Death of Old-Time Friend

1 Thursday . . . . . 57th and Archer

We regret to announce the death, as a result of an accident, of Herbert "Hub" Vi Ort, a long time resident and member of one of the old families of the community. Although "Hub" was not a member of the Order, two of his brothers, John and Michael, are members of our Council.

We feel deep sympathy for the family, in the loss of a husband and brother who was well-known and who had a host of friends. The entire Council joins us in this thought.

The next, and probably last, bowling day of the season will be on Sunday, April 20, at Times Square Alleys, 2:30 P. M. Let's make this a big gathering.

We missed reporting an accident to Bro. Ed Kirk, Jr., and his young brother, Jack, which happened recently. However, we are happy to say that neither were seriously hurt as we saw and spoke to both last week-end.

The 5800 Club, many of whom are members of our Council, are sponsoring their 4th Annual Dance on Saturday, April 26, at St. Blase Hall. They promise everyone a good time and will be happy to see any of our members reciprocating their attendance at our recent dance.

Nazareth Issues Important Memo to Ins. Members

2-4 Tues. . . . . 17 W. Harris, La Grange.

Well we are now in the month of April, which ordinarily might not mean much, and the only reason we bring it up at this time is to remind all and sundry that we have completed the first quarter of the year and all dues and assessments for the second quarter are now payable.

Financial Secretary Polivka wishes to call your attention to the fact that when you leave your payments go until the end of the quarter you are actually more than two months in arrears. He states further that all assessments and dues should be paid no later than the 10th of the month in which due. In case of insurance members this is of vital importance as your failure to adhere to this rule might possibly be the cause of difficulty to your beneficiary in case of death.

MEMBER ITEMS

"Chips" Reilly, the alleged bowler from the east end, chimes in the chorus with word that he has heard from Fred Deutschman. Fred is "In the Army Now," and is located with Battery "C", 56th Battalion, Camp Callan, Calif. The boys of the council wish him the best of luck. Your Scribe also wishes to acknowledge receipt of the same information from Frank Polivka. Thank you, let's have some more of this.

Sorry to hear of the death of the mother of Brother Stan Hegberg, who recently passed away. Please remember her in your prayers. Our G.K. Himpler is reported confined to his home with a streptococcus infection of the throat. Very sorry Joe, but take it easy now.

It is remarkable how Nazareth members manage to be in the swim wherever there is any real action. We refer now to the election of F. D. Cossitt, of La Grange, to the post of Collector of Lyons township. His successful campaign was managed by none other than own Bill Galvin. Another brother was also successful in the political field, Frank Carroll of Brookfield was elected to the post of Justice of the Peace of Proviso Township. Congratulations, men.

Wonder what's doing in the line of membership. Haven't heard much of this lately. Let's keep the pot boiling. This is one item we must not allow to die. As a matter of information there will be an exemplification of the Third Degree on Friday, April 25, at St. Philip's Hall. If you have any candidates ready please get the applications in to the Financial Secretary immediately.

St. Francis Xavier Parish in La Grange, which has been claimed by some people to be the most beautiful church in the world, has a unique way of raising funds. A beautiful and ultra modern home, to be known as the Mt. Vernon home of 1941 is being erected at 345 Malden Ave., in La Grange Park, and will be open for inspection July 1. This home will be awarded to some lucky individual at the annual autumn parish party to be held next Nov. 29.

Under the heading of future activity, Lecturer Robinson announces a program for our next meeting that is sure to please all. There will be free movies, ice cream, cake and prizes. Bring your wives, sweethearts children and friends and let's make this meeting a success. The date is Tues., Apr. 22, at 8:30 p. m. sharp.

PIN POINTS

In the west division bowling league the Watkins are under the wire. Last Monday night they took three from the Mahrs and just about sewed things up. Capt. Phil rolled a 545 series followed by Wrona with 523 and Joe Lisle Miller with 516. In the third game they piled up a 919 total. Standings to date:

Watkins won 54, lost 27; Mahrs won 45, lost 36; D. G. Motors won 46, lost 35; Triangle won 45, lost 36; Brittans won 37, lost 44; Dieters won 34, lost 47; Western Tire won 32, lost 49; Tivoli won 32, lost 49. Outside of the leaders it looks like anything may happen. The annual election of officers will be held at the meeting on April 21. Don't forget the sweepstakes which will be held April 28. We understand that the east end will send some men into this to fill out the teams. Don't forget our next meeting, April 22nd. Be seeing you there.

O'Connell Pledges All-Out Effort in Drive for New Barbecue Record

2-4 Tues. . . . 1100 N. Franklin St.

First item on the books this week is the annual Barbecue to be held on June 18 for the benefit of the underprivileged youth of our community. Remember men, this is a most worthy cause, and a most beneficial one to both the council and the member. You know that each barbecue book contains 18 tickets which sell for 50 cents each, which includes admission to the grove. The book when completely sold will bring the member $9.00 of which he keeps $1.50 for himself and turns over $7.50 to the Financial Secretary. If you sell a winning ticket out of your book you will receive an additional $20.00. The Lecturer says all those who sell one or more books by next meeting will have a chance on a swell prize.

Our old pal Bro. Joseph Tontillo has been taken ill again and is reported recuperating in Hines hospital.

Bro. Maloney's baby has been reported ill but too, is on the road to recovery. Likewise Mrs. Tobin, wife of Bro. Frank Tobin, is recuperating. Bro. Al Baldosanno has been ill but Easter Sunday found him among those in the Easter parade.

At the last meeting Brothers Marchesi, Gound and Bongiovani each presented a new application. That's what you call an active membership committee. I'll wager O'Connell will be on top again when the percentage ratings are posted.

The Treasurer, Financial Secretary and Scribe will get new brief cases, after about 16 years. Thanks to the observance of Bro. Vic LaPorte and his cohorts.

Bro. Umberto Marchesi has promised to compose a song and dedicate it to Daniel O'Connell Council and I might add he's just the man that can do it.

Mr. and Mrs. Riley just returned from New Orleans where they annually vacation. Also Bro. Riley reports his son Thomas has been accepted in Uncle Sam's army and that his other son, Earl, will be married in June to Miss Mildred Pufahl.

A woman's age is but an imaginary quantity.

You Are Most Cordially Invited

By GEORGE A. ZAK,
Nocturnal Adoration Society

Many times the invitation, "You are most cordially invited," solicited you to join your friends in some pleasure. Seldom, if it was a worth while affair and you really desired to attend, was it difficult to juggle your social program to provide a place for it. Knowing full well that no one has a corner on good health and with so limited a time as you really have, you carefully made your choice in order not to waste your time on a less profitable affair.

As in the matter of affairs, you prefer some friends to all the others. To hold their friendship you are willing and inconvenience yourself. The pleasure and satisfaction you derive from this companionship more than compensates for your sacrifices, and you anticipate your next meeting with genuine delight. There is a real thrill awaiting you, one that will surpass all your prevoius joys.

YOUR BEST FRIEND, OUR EUCHARISTIC KING, SOLEMNLY EXPOSED IN THE BLESSED SACRAMENT, *MOST CORDIALLY INVITES YOU* TO SPEND THE MIDNIGHT HOURS WITH HIM ON THE LAST SATURDAY OF EVERY MONTH AS A MEMBER OF THE NOCTURNAL ADORATION SOCIETY.

This Society of Catholic Men is established at the Notre Dame Church, near Harrison and Loomis Streets in Chicago. Members meet at 11:00 P. M., recite the Office of the Blessed Sacrament, listen to an inspiring sermon, receive Our Divine Lord at the Midnight Mass, which concludes with the Benediction of the Most Blessed Sacrament, and are homeward bound at 1:20 P. M. There are no dues in this Society. The member promises on his honor to be faithful to his hours of adoration. Applicants for membership meet in the School Hall at 10:15 P. M.

On April 26 next, the Society will be honored by the presence of the Most Reverend Bishop Bernard J. Sheil, who will offer up the Sacrifice of the Mass and deliver the sermon.

16,000 Booklets Are Sent to 'Cath. Hour' Listeners

Washington.—Some 16,000 copes of a booklet written by the Rt. Rev. Msgr. Fulton J. Sheen, of the Catholic University of America, are being distributed here weekly by the National Council of Catholic Men, a report of the N.C.C.M. stated here recently. The booklet entitled "What Can I Do?" is being sent without charge to all "Catholic Hour" listeners requesting it.

"What Can I Do?" was written by Monsignor Sheen to help his radio listeners—Catholics, Protestants, Jews and non-believers—who are interested in his appeal to America to return to God. Its purpose is to show how America may be saved and the world salvaged. That way, Monsignor Sheen said in the first address of his current "Catholic Hour" series, is by means of "prayer, penance, reparation, by rekindling in our consciences the Justice of God, and by emblazoning before our eyes the Christ of Judgment."

The new 32-page booklet answers the question of what each individual can do in participating in this movement. It contains chapters addressed individually to the Catholic, Protestant, Jew, to the atheist, bigot, anti-Semite and indifferentist. The chapters answer the questions according to the varying points of view of the person addressed.

LYONS HITTING TALE NO. 2

Says Ted Lyons, "Paul Bunyan" of batters: "I hit a ball so hard a couple years ago that it had so much backspin on it that it flattened out like the circular blade of a meat slicer. The center fielder grabbed for it and it cut his fingers clean off and sailed on for a home run inside the park."

St. Dismas Chapel Is Decorated by Inmate of State Penitentiary

Florence, Ariz.—An old dormitory building on the grounds of the Arizona state prison has become a beautiful little chapel, constructed by the prisoners, decorated by a convict's art, and dedicated to St. Dismas, the Good Thief.

The old chapel at the prison was a dismal and dilapidated room, uninspiring to the men and unworthy to serve as a house of God. The prisoners wanted something better, and they asked Father Patrick J. Murphy what could be done about getting a new chapel. Warden Gene Shute gave the chaplain permission to remodel the abandoned dormitory. It was up to the convicts to do the rest, for Father Murphy has to care for many souls in Casa Grande, Coolidge, and Eloy.

The prisoners did not wait long. Under the direction of one convict, a former art student and art instructor, the cold surroundings began to take on a warm religious atmosphere.

The pigments used in the windows of the chapel were exposed to the weather for weeks before final applications to make sure that they would not disintegrate in the changing elements. The altar was prepared entirely by the convict-artist. St. Dismas, the "Good Thief" and the patron of the chapel, is the cynosure of the painting, and the artist used somber and subdued colors to enhance the antiquity of the entire pnit. The illusion of carved recesses in back of the altar is achieved entirely by the artist's technique in working on a flat wall surface.

In the chapel the artist has reproduced Plockhorst's painting of "Christ on the Mount." The posture and the color of the robes are the same as in the original.

Of his reproduction of "St. Therese, the Little Flower of Jesus," by Strubel, the artist says: "The reproduction was altered by showing where the light that enhances the crucifixes comes from, I also changed the position of hands, crucifix, and flowers."

The walls of the prisoners' chapel were copied from the interior of San Luis Obispo Mission chapel in California. They are an antique Tiffany imitation of Carrana marble, the same as is used in the two altar columns.

Not all the men who built the chapel are Catholics, but all of them worked with great enthusiasm.

Proud of their St. Dismas' chapel, the second of its name to be built within prison walls in the United States, the inmates attend to its unkeep, and they fill it every time Mass is celebrated there. From the chapel every Sunday come the rich tones of a men's choir of 25 voices.

Setters Starts Spring Activity with Special Meeting Program Thur.

2-4 Thurs. . . . . 4711 W. Madison St.

As heretofore announced, the post-Lenten season of activities of Father Setters Council will begin next Thursday evening, April 24, with a special program to be presented at the conclusion of the regular meeting by Grand Knight Maurice J. Kissane and Lecturer J. Edmund Dwyer.

The principal attraction will be a moving picture entitled "An Evening in Ireland." The entire film was taken by Rev. Edward Boyle, of St. Batholomew Parish, who will present a running commentary accompanying the picture. Every county in Ireland is shown in considerable detail and those who have seen the film acclaim it one of unusual interest.

Refreshments and a side of beef, prepared by Hank Evert, will be served.

Grand Knight Maurice J. Kissane cordially invites all members of Father Setters Council to attend the meeting and entertainment on next Thursday evening and assures everyone a most interesting and entertaining time.

INTERESTING ITEMS

The Barbecue Committee, headed by Co-chairman William Hoffman and Edward M. Fitzgerald report that splendid progress is being made in the distribution of tickets by the members, all of whom received their books and literature some two weeks ago. Incidentally additional books can be obtained by making a 'phone call to Brother Fitzgerald at Columbus 2981. Immediate delivery will be made. Returns on tickets should, of course, be made to Financial Secretary Thomas A. Lavin, 5315 W. Adams St.

On Mother's Day, Sunday, May 11, the members of Father Setters Council will receive Holy Communion in a body at the Eight o'clock Mass at St. Finbarr's Church, 14th Street and Harding Avenue. All members are kindly asked to attend.

CONDOLENCES

The sincere sympathy of the members of Father Setters Council is extended to Brothers Ed Kouba and Joseph Schultz on the occasion of the death of their uncle, Mr. William Schultz, who passed away recently.

We also wish to extend our kindest sympathy to Brother John Broderick, whose mother, Mrs. Mary Broderick passed away a few days ago. Mrs. Broderick was the sister-in-law of Brother Tim Broderick.

Special prayers were offered at the last meeting for the repose of the souls of Mr. Schultz, Mrs. Broderick and for the father of Brother Pat Buckley, Mr. John J. Buckley, whose death was announced in the last issue of the Columbian.

MIRACLE WROUGHT IN 1860 IS OF INTEREST TODAY

St. Louis.—Because of increasing interest in the Colored apostolate in the U. S., a story brought to light by the Rev. Theodore Hegemann, S.J., about a miracle attributed to the intercession of St. Peter Claver, apostle of the Negroes, in the 1860s is of great interest.

A member of St. Joseph's church here had been in ill health and was beyond all medical assistance. His wife, after hearing the physician's report, urged the man to go to St. Joseph's, where a relic of the then Blessed Peter Claver was kept.

The parishioner practically dragged himself to the church, so badly was he crippled, and as soon as the relic was applied to him he was cured.

The incident was reported to Rome and the Holy See instructed Bishop M. O'Connor, who had in 1860 resigned his post as Bishop of Pittsburgh to serve as a parish priest in the Society of Jesus, to investigate it. After thorough study of all the facts, Bishop O'Connor made his report to Rome. The cure was declared a miracle of the first class and was ultimately responsible for the canonization of the great friend of the Negroes.

If you still have that Mah Jong set up in the attic that Aunt Elsie gave you fo Christmas in 1922 dust if off and recal that it is the product of a minor industry the result of the American "yen" for fads. Introduced to the west coast from China by an American, the game quickly caught the public fancy, so much so that by the end of the year, and in time for the Christmas trade, W. A. Hammond, a San Francisco lumber merchant, had imported almost fifty thousand dollars worth of the sets.

By 1923, "pung" or "chow" Ming box, bamboos, flowers, seasons, South Wind and Red Dragon were a part of all drawing room conversations. Dozens of manufacturers leaped into the new business of supplying sets that ranged in price and elaborateness from the Woolworth item to baize cover tables and sets running into hundreds of dollars.

CALUMET ORGANIZES FOR MEMBER DRIVE

2-4 Mon. . . . . 6636 Stony Island

Our new drive for members headed by Chairman Tom Walsh and his able assistant Val O'Grady is gaining speed every day. The members are responding nobly, and no doubt within the next few weeks many applications will be in. The entire council membership has been divided into groups, each headed by a captain. If the captain in your district has not as yet called on you, to ask your cooperation, he will do so in a few days. We ask that you accept his visit in the spirit of Knighthood, and that you give a few hours of your time to this drive. There will be many valuable prizes given to the individual members and to the teams producing the greatest number of applications.

New members are the life of the council, and to sustain that life we ask you to at least protect your own interest by securing a new member. The literature to be delivered to you by your captain will explain in detail this feature of our order. Be prepared to sign a new member.

BARBECUE NOTES

Chairman Ty Hyland reports that the Barbecue books are moving out in nice shape, and that returns are coming in rapidly, with many members already on their second and third books. The money that is realized in this drive is used primarily for two purposes; first, for the underprivileged youth of our diocese, and second, our council can receive a sum of money only limited by the amount of our help. This money is used for your entertainment at meetings, and to further the activities in the council in which you are interested.

If you have been missed and have failed to receive a book, see Ty Hyland at the next meeting, or call at the council office and Walter Popjoy will provide you with one.

COUNCIL NOTES

A softball meeting was held last week in the council clubrooms and a very representative group were present. There are still openings for all who wish to participate, and we suggest that you attend the next meeting and signify your desire to play ball this season. Comm. of Athletics Jim Shinners is anxious to have as many members join in this activity as possible.

Mike Murphy, Jr., after copping high average for the bowlers, and then being laid up with a bad infection in his hand, causing him to miss the tournament at Indianapolis, is now recuperating in Florida but advises he will be back for the duet and hopes for a better season this year.

Calumet brothers are now beginning the trek to various camps. Bro. Thomas P. Lloyd is stationed at the District Personnel Office, U. S. Navy, at Great Lakes. Bro. Bill Spillan has been with the U. S. Army for the past two months. Good to see Bro. Barney Condon back at the last meeting after another tussle with Oldman Arthritis, it's nothing "new" to him, he's been through it twice before.

Ted Fahndrich, one of our newer members, has recently joined the benedicts. Perhaps that is why he has missed the last few meetings.

Bro. Frank A. Ruscio is now Pvt. Frank, his address Co. I, 10th Inf. U. S. Arty, Camp Custer. Send in the names of those you know who have entered service. We want a complete list of all brothers in service.

Cedric Hilbrun, Chairman of the Blood Donors Group, advises that 42 members were typed at our last meeting. Miss Gretchen Meckstroth and Mary Krause, both attractive young technicians from Mercy Hospital, had no trouble in getting the members to submit to the procedure.

Our Chaplain, Fr. Terrence, announces that Dr. Cory, a world famous lecturer on Catholic Action, will deliver an address on this subject at Mt. Carmel High School, Thursday eve., May 8, at 8:00 o'clock.

St. Augustine to Hold Honorary Degree Class at April 21 Meeting

1-3 Mon. . . . . 5209 S. Justine St.

At our next meeting, Monday, April 21, Bros. Philip Gross and Chas. Hanus will be honored with Honorary Membership. Fitting ceremonies for this splendid occasion have been prepared and we expect all the member friends of these distinguished brothers to be present. Lecturer Henry Reiger has also planned elaborate entertainment for your enjoyment.

BARBECUE

The drive is on—reports of first week are encouraging. Members selling complete books thus far are: Jake Leitzen, 2; Steve Sefcik, 2; Chas. Subr, 2; Joe Handzik, Walter Matura, H. A. Clemens, John Gorski, Eddie Lasky. Many others say they are doing very well. These facts are mentioned in the hope that all members will dig in and do the best they can. Don't be among those that do not intend to do anything which in reality means the same as to refuse your book. Start out by taking a couple of tickets yourself then approach those in your immediate family, your relatives and friends or even ask someone to sell a few tickets for you. Talk "Barbecue" everywhere you go especially in places where the boys congregate for a little ballyhoo.

Don't forget too that Joe Ossowski member of our council sold the $2,000.00 winner last year. These are all good selling points which should make it easy to "Sell Your Barbecue Book."

Make returns as soon as possible to Mike Novak, 1338 West 52nd Street or Jos. Handzik, 5310 South Honore Street.

TID BITS

Do you wonder who did all the winning after our last meeting? Chas. Subr won TWO hams Joe. Mack a ham, Ed Conrad a bacon, Dan Gawrych a bacon, John Breyer, A. Meyer, Jos. Pocora and Andy Foertsch each an Easter Basket. Received a card signed "Mike and Pearl" post marked Miami, Fla. and reads: "Sojourning in the Paradise of the South. Regards to Phil and the gang Forgot to take my address book along." . . . Jacquelin Krump, daughter of Bro. John Krump will be heard on the Morris B. Sachs amateur hour over WENR on April 20th, between 5 and 6 o'clock. Listening to her lovely voice will not win the contest for her, what Jacquelin needs is votes.

Let all who were present at our own amateur show about a month ago take a look in their closet and see if they have their own overcoat. Treasurer Mike Novak had no choice but to take the last remaining coat from the rack and it isn't his. Will whoever has the wrong coat please 'phone Yards 1788 and make the exchange?

Nerhoyansk, a town in northeastern Siberia, is known as the coldest inhabited spot in the world, the lowest reading being 90 degrees below zero Fahrenheit. What is probably the highest temperature was observed at Azizia, a village in southern Tunic, where the mercury registered 136.4 degrees above zero.

DEARBORN LEAVES FOR ANNUAL RETREAT

1-3 Thurs. . . . . 820 Garfield Blvd.

FLASH! Permit us to issue this last reminder that Dearborn's annual retreat will commence tonight at 7 o'clock at the Mayslake retreat house near Hinsdale, Ill. The band of retreatants will gather at the clubhouse at 5 p. m. to proceed in a body and facilitate transportation arrangements. Thus, all car owners be on hand to aid the non-drivers. However, if this is too inconvenient because of work, etc., merely follow Ogden Ave. southwest to route 54, just east of Hinsdale, Ill., turn north on 54 and arrows will direct you to the grounds. Men, this is an opportunity to spend "sixty golden hours." We trust you'll take every advantage of it now and not regret later.

ANNUAL COMMUNION

Brothers, circle the date May 4 as a day of utmost importance in the Dearborn calendar of Catholic activities. It is this date that marks the annual communion Sunday for the members of our council and the day set aside by the supreme board for a nation-wide reception of the Holy Eucharist. Words alone cannot express the sufficient stress to be given this worthiest of events. It is the one activity of the order that should be given the attention of every man of Dearborn. Each one of us should rally behind this endeavor so as to attain perfect attendance. The entire body of the council would serve ideally as a committee to welcome and receive our Lord and Master.

You have the date, May 4th; the time is 8:30 a. m., for the celebration of Holy Mass, and the place is Assumption Church at 60th St. and Marshfield Ave. Details as to meeting place and procession will be furnished in the next issue after having been formulated by our worthy chairman, Pat McCarthy.

MEMBERS AND MEMBERSHIP

APPLICATIONS: We earnestly urge each one of you to continue the efforts thus far displayed in Dearborn's drive for new men to maintain our quota. Possibly it's superfluous to call attention to the fact that the fiscal year is fast approaching its close, June 30. Nevertheless, we do wish to convey this information in order that members will not let down, but will, instead, take up any possible slack and drive on consistently to the finish line. In this way there can be no doubt that the quota will not only be met but will be surpassed.

Talking of new members, it is our further duty to inform each of you that your council will participate in the third degree to be sponsored next Sunday, April 20, by South Division No. 1 at Leo Clubhouse. Please contact your candidates immediately so as to arrange to attend this exemplification with them. It promises to be an interesting affair and an enjoyable day for one and all.

CURRENT EVENTS: April 18, retreat; April 20, third degree; May 4, annual communion.

TEN PINS

The Indians are back at their old tricks again, winning three straight at last session. In accomplishing this feat they increased their lead over the Bradys to four games. The Morticians aided in this as they dropped two. The R-Ks lost two but held a three-game margin on third place because the Manhattans lost three. The Premiers and Feilens both won two and gained some headway on the leaders. Standings are:

	W.	L.	Avg.
Maney Indians	55	29	795
Brady Morticians	51	33	772
Ruff-Kerwins	43	41	762
Manhattan Beverages	40	44	742
Premier Cartage	37	47	680
Feilen Inns	26	58	701

HIGH SERIES: J. Logan, 635; M. Balskis, 565; W. Reilly, 547; J. Kelly, 528; Tom Maney, 527; M. Muller, 523; A. Fornasiells, 515; R. Matt, 511; J. Reilly, 503.

HIGH GAME: J. Logan, 242 and 206; J. Kelly, 211; R. Matt, 203; M. Balskis, 201; W. Reilly, 201; B. Kuzniar, 200.

Notice the score of John ("Pockets") Logan. Bet the Mrs. was rooting hard or knew the pin boy. That is a swell score, Logan.

The party sponsored by the bowling league will take place on May 10 at the Sherry Hotel. Dinner will be served at 8 p. m. For details and reservations contact President Jim Reilly, Treasurer John Logan or Secretary Pete McLaughlin. Every affair of this kind that the writer has attended always was most enjoyable. Thus for an evening of real fun and frolic we can heartily recommend the bowlers' party.

Ouilmette Scribe Back on Job After Tourney and Few Other Things

2-4 Mon. . . . 1215 Wilmette Ave.

Two columns in two weeks have been missing. Your scribe is sure falling you. Two weeks ago he came home from Indianapolis feeling a little tired and was too lazy to write.

Last week he wrote a column and sent it to 208 Washington in Wilmette instead of Chicago. First thing you know he will be getting pulled into the meeting hall and put on the carpet. We hope this makes the Columbian. (We had begun to think you got left in Indianapolis John and are glad you're back. Don't forget though that after today, April 18, our new address will be 188 W. Randolph St., Chicago, Ill.—Ed.)

Did you notice in your last issue that Bro. Carl Schwall is well up among the leaders in the National tournament. We hope he receives a nice prize because he really deserves one. Incidentally, he is one of the boys who represent the Council at the North Side Majors every Monday night. He also is the man to see when you want the dents in your car ironed out. He has his shop at 1209 Washington avenue in Wilmette.

Results in last week's bowling game in our Council league:

Wilmette Theater, 2; Wilmette Ice, 1; River Inn, 2; Braun Bros. Oil, 1; Larry's Haberdashery, 2; Altens, 1; Wilmette Battery, 2; Ace Motors, 1; Bungalow Tavern, 3; Meiers Tavern, 0.

200 bowlers were: J. Versino, 220-210; M. Kneip, 207; J. Witten, 202; M. Braun, 203; F. Schopen, 200; A. Hermes, 200; P. Engels, 212; Paul Bleser, 202; M. Loutsch, 221; P. Weiler, 206; P. Thalmann, 232.

Standings to date in the league:

	Won	Lost
Meiers Tavern	57	33
River Inn	50	40
Wilmette Battery	49	41
Bungalow Tavern	48	42
Ace Motors	45	45
Wilmette Ice	43	47
Altens	41	49
Braun Bros.	40	50
Larry's	39	51
Wilmette Theater	38	52

We must give credit to Martin Braun for the 245 game he bowled two weeks ago. Also to Bro. Ed Hanke, a few good slaps on the back for the wonderful lunch he had on the train going to Indianapolis. The good sandwiches, eggs, cake and everything else sure went in a hurry. Much credit and many thanks to his mother and sister.

A brother knight reports he has a fifty-foot lot for sale in Wilmette. All improvements are in and can be had at a cheap price. This is a good chance for someone in the Council to start a home.

Quigley Barbecue Records of Past Due for a Rise

1-3 Tues. . . . . 1035 W. 31st St.

The accomplishments of the past barbecue drives have placed Quigley Council in an enviable position. Each year found Quigley among the county leaders, and each year the barbecue sales of the membership have increased.

And now a new drive, a charitable drive to benefit underprivileged youths, is under way. That this drive will not only be a success but will exceed past records is indicated by the spirit and enthusiasm displayed by the officers and members of Quigley Council. Every chance you sell helps a lad to see a brighter side of life. The C.Y.O. program concerns youths of every denomination, of every nationality.

Boys who might lose all foresight of the philosophy of life are sheltered, are given a home by Bishop Sheil's youth program. Our own brother knight, the Rev. Leo Czyl, chaplain of the Quadrangle Club, is head of the C.Y.O. hotels for the underprivileged boys. It's man's greatest gift to man—to befriend. It is a poor man—a knight who is lacking—who cannot find a little time to dispose of a barbecue book, or even part of a book. What would you think of a knight who wouldn't even attempt to sell one?

Quigley is indeed fortunate to have a real live-wire at the head of the barbecue committee. That all efforts will be expended to assure Quigley its greatest barbecue drive is assured, because the committee will be headed by Anthony Krolak, a tireless and energetic knight.

Every member will have received his barbecue book by now. Please keep in mind every book must be returned if not sold. Every member selling one book will be entitled to one ticket for a drawing; two books, two tickets, etc.

A member selling three or more books will receive a ticket to the barbecue banquet to be held at the Palmer House.

Additional prizes will be awarded as follows: Member selling greatest number of books, one pair of Florsheim shoes; second highest, Mallory hat; third highest, two shirts and a tie.

Carry your book with you at all times. Additional books can be obtained from the financial secretary or from any committee member.

PLAN NOW

April 20—Third degree at Leo XIII clubhouse, 2 p. m. sharp.
May 6—Charter members' night.
May 20—Memorial night.
June 3—Election of officers.

St. James Presentation of 'Family Night' Is Voted Top-Notch Affair

2-4 Mon. . . . . 64th and University Ave.

Last Monday evening Bro. Ambrose Burke presented something unusual to the members in "family night." It was a well-attended affair and congratulations are in order to the committee who aided Bro. Burke in staging this event. During the course of the meeting the children and ladies were entertained and played card games for which more than 20 prizes were awarded.

Motion pictures were also shown through the courtesy of the Chicago & North Western Railroad. Scenes of the Black Hills and the immediate colorful surroundings were highly enjoyable. Ice cream and cookies were served to everyone and a wonderful time was had by all.

We do not include a list of all the ladies present but we want to thank the wives and girl friends of all the members who cooperated in making this affair such a success.

BLOOD DONORS

Bro. John Greene, chairman of the blood donor group, had members typed before our meeting Monday. Nurses were on hand from St. George's Hospital, but they only had 25 test tubes with them, which were filled before our meeting began. Other members will be typed later. Bro. Bob DuMais, PGK of Fort Dearborn Council, was on hand to open our meeting with a fine talk, and thanked us for our splendid progress in forming our group.

Bro. Greene reported that Bro. James Sweeney gave a transfusion since our last meeting.

COUNCIL ACTIVITIES

Barbecue—To start the barbecue drive Bro. Greene reports that 14 books have been sold; five teams with respective captains have been selected and a quota has been set for each. Already the following have done their share: Bro. Greene, four books sold; Ray Socha, three books; Ed Muellner and Pete O'Connell, two books, and the following one book: John McKean, Pete Wehle and Ambrose Burke. The members who have not received a book may contact Bro. Greene at Triangle 6690 or see John at the meeting.

Communion Sunday—Has been changed to Sunday, May 11 (Mother's Day) at 9 o'clock mass at St. James' Church, 29th and Wabash Ave. After services we will have breakfast in the convent hall and we expect a brief talk from General Clinnin, who is expected to be with us throughout the entire morning. Members of the fourth degree will receive in full dress attire. All members are urged to attend this special occasion and to meet at 8:45 a. m. on Sunday, May 11, in the school hall.

Softball—St. James will enter a team in the ninth season of softball activity and we hope to do better than in previous years. Manager Mike Connolly reported 19 candidates already. Other members are urged to turn their names in to Mike before May 1 as the season begins soon. Practice will be on Tuesdays and Thursdays at Meyering playground, 72nd and South Park Ave.

Membership — Bro. Burke announced several new applications and that plans for May activities are under way. The new candidates were introduced who took their third degree at Perez clubhouse. New readings were Jos. D. Connelly, 5041 Blackstone, proposed by John F. O'Connell, and C. L. Javarone, 1041 E. 78th St., a transfer to this council.

"NIGHT IN CUBA"

May 17 will be our annual cabaret party, and headed by Ed Muellner it will be an evening you will not want to miss. One of the finest orchestras has been booked. An entire evening of entertainment for only $2.50 per couple. Tickets are now being distributed so get yours now.

On Sunday, May 4, the "Nighters" will have a Sunday party at the Hayes. All fourth degree members are requested to attend. Bro. Clarence Phillips is chairman.

Auburn Park Bowlers End Season with Party at Council Clubhouse

2-4 Thurs. . . 7740 S. Emerald Ave.

The bowling team, composed of Auburn Park Council members in the Club House League, completed its schedule of league play during the past week, and while they did not finish with a blaze of glory, the members of the team were consistent in their efforts, particularly in attendance each and every week, and finished in the second division.

This, as previously announced, is a league of competitive bowlers, many of whom have been bowling ever since the league was organized, close to twenty years ago. Many of the regular bowlers have very high averages for the season's play, and the competition is very keen.

Our bowling chairman, Deputy Grand Knight John Coughlin, hopes that among the new applicants entering our midst, that there will be many bowling enthusiasts to increase the roster. In fact he would like to add several more teams to the league.

The annual party of the bowlers was held in the Clubhouse on last Thursday evening, April 17 at which time the winners receive the spoils and the bowlers received their prize money. A very enjoyable time was had by all present. We are very grateful to those men of our Council who gave their time and effort in completing our bowling schedule throughout the winter season.

NEXT MEETING APRIL 24

Inasmuch as the first April meeting was changed, due to Holy Week, the regular schedule will be resumed from now on and the next meeting will be held on the fourth Thursday of the month, April 24.

It had been planned to make this a gala occasion by honoring our Past Grand Knight and present State Secretary, Brother Leo M. Flynn, but for obvious reasons these plans have been changed, so this will be just a regular council meeting, starting promptly at eight-thirty. Many important matters will be brought up for discussion so please make an effort to be in attendance.

SHEEHY-SHANAHAN NUPTIALS

Just received a flash that on Saturday morning, April 26, at St. Leo's Church, Brother Jack Sheehy will be joined in Holy Matrimony to Miss Dolly Shanahan. Jack has been a member of Auburn Park Council for a number of years, and is the son of one of Auburn Park's most foremost morticians, Brother Roger Sheehy. He has been a member of Auburn Park's softball team for a number of years and is an outstanding player.

The bride is the oldest daughter of our Past Grand Knight, Brother John F. Shanahan. She has lived in this community during her entire life, receiving her earlier education at St. Leo's, the Academy of Our Lady and later graduated from Mundelein College.

We wish this happy couple every success and hope that Almighty God will spare them to one another for many years to come and that they may always have health and happiness.

BARBECUE UNDER WAY

No doubt you have all received your barbecue books, and are well on your way to selling them by this time. Should you be successful in disposing of this book at an early date, contact Brother John Coughlin for additional books. Our goal in the Council has been set considerably higher than previous years, and of course this requires the cooperation of the members. You know the accomplishments of this charitable endeavor, and the gratitude expressed by Reverend Bishop Sheil to the Knights of Columbus. John Coughlin, our Barbecue chairman, is most enthusiastic in his effort to put this over, so let's not turn him down. You all know what he accomplished on membership recently, let's do the same on the sale of these barbecue books.

McHale Launches Its Barbecue Drive with Record Sales in View

1-3 Tues. . . . . 150 W. 69th St.

Chairman Chan. Eldon McGuire and Co-Chairman Leo Karevia, along with their Barbecue Committee, are distributing the barbecue books and laying plans for a record sales drive. Our G.K. Tom Mulroy asks your cooperation and support in this noble cause. The Barbecue is for the benefit of Bishop Sheil's Underprivileged Youth Fund, and by your efforts you will help alleviate much suffering among the needy youth of Chicago.

COMMUNION SUNDAY

All arrangements have been completed for our Annual Communion Sunday on May 4, at St. James Church, 29th and Wabash Ave. The time is nine o'clock. After Mass, a delicious breakfast of ham and eggs will be served by the Sisters of Mercy. Our very good friend and former teacher, Sister Mary Pretiosa, is co-chairman of our breakfast and is prepared to outdo last November's highly successful breakfast. Our G.K. and Lecturer hopes to see a large turout, and Fathers O'Donahue and Dee are anxious to welcome our members again. The breakfast will be short and snappy. You will not be bored by long speeches. Let's make it one hundred strong.

OLD TIMERS' NITE

At our regular meeting of May 6th, we will honor our charter and old-time members. Chairman P.G.K. Bill Mugg, along with P.G.K. Barney Perona, P.D.G.K. Tom Hackett, G.K. Tom Mulroy and your Lecturer, met the other night to plan this unusual affair. All members of our Council can assist the chairman and the committee by contacting some old-timer whom they know personally, and to see to it that he attends this meeting. Don't forget the date, May 6.

BOWLING LEAGUE NEWS

On Monday evening, following the excellent Saturday night banquet, McHale bowlers rang down the curtain for the 1940-41 season with their annual sweepstakes. After this, some of the boys got into the "Pot Games" and the lads returned home with the milkman. It was a grand season, with an equally swell climax. Plan on bowling with your Council next year. You are assured a good time every Monday night and you'll have lots of fun. The out-going officers are to be congratulated on the fine job just completed. And now may we sincerely thank the teams' sponsors—Jeff Maher, Con Kelly, S. S. O'Brien, Eldon McGuire, Tom Cronin, Tom Garvin, Frank and Fred Cramsie, and Charlie Cotuno. We appreciate having you, and we trust you will all be back next year.

COUNCIL NEWS

Rev. James A. Walsh, a member of our Council for many years, has just been transferred from Sacred Heart Church to St. Felicita's, 84th and Dorchester. He continues his pastorate. We wish him every success in his new surroundings. Members living in the vicinity of this parish should drop in to see Father. He will be happy to receive you. If you have any news, call J. J. Kelly, Englewood 5151. Out-of-town members please drop a line to 1132 W. 69th St.

THE SOUNDING BOARD

On April 1 an eight pound four ou boy arrived at St. Anne's Hospital, son of Bro. Leonard and Eleanor McG Mama and the new son are doing nic and were to return home last Saturd Papa Len is that hustling real estate m at 5042 Madison, so if you have noti the big smile on his face lately, it's cause of the new arrival.

We were glad to see John McNeill, B ney Reynolds, Emmett Hickey and Ryan at the last meeting. Barney R nolds is just recovered from a recent eration and looks better than ever.

Jack Shealy received a taste of in tion prices when he paid a dollar fifty one egg on the recent Indianapolis t and he says the egg didn't taste any l ter than the two-for-a-nickel eggs gets at home. Tom Butler reported the Indianapolis bowling trip. Natur he was diplomatic enough to omit scores!

Not long ago a series of letters ra one of our daily papers on "How m do children owe their parents?" We preciate that the published letters v picked more or less for their controver qualities; yet we were surprised tha many of the letter writers appare overlooked or forgot that both par and children are human beings and have a moral and spiritual responsib for each other. It is this moral and sp ual responsibility that motivates efforts to dispose of the tickets for annual barbecue for the benefit of Bi Sheil's underprivileged youth, at Ri view Park next June 18, and we t every member will do his share.

Last Sunday at Resurrection Chu we had the privilege of witnessing sixteen hundred members of the Ji Name Society receive holy communio at the 7 o'clock mass. It was a truly v derful sight and we sincerely wish a our members would respond equally as well on the occasion of our annual c munion Sunday on May 4 at the 8 o'cl mass at St. Catherine of Siena Chur

To convoy or not to convoy—that seem to be the next question. G'bye.

"ALL NATIONS NIGHT"

We confidently predicted that the last Tuesday meeting, April 15, featuring "All Nations Night" would be one of the banner entertainments of the current season. Lecturer Joe Ryan worked indefatigably to perfect all the details and it was no small job. Captains were named for each nationality and all in attendance had a most enjoyable evening.

Don't forget that there is another big night in the offing—Hughes Council's Ladies' Night" on Tuesday, May 20, with a repeat—by unanimous request—of "A Night at Monte Carlo."

Election of officers during June. An important session.

Hughes Council's Communion Sunday, May 11, a memorial to our beloved Honorary G.K. John D. Raleigh, whose name will ever be high in the Hughes Hall of fame.

ANNUAL BARBECUE

The fourth annual K. of C. Barbecue for the benefit of the Bishop Sheil Underprivileged Youth Fund will be held at Riverview Park on June 18. Hughes Council's Special Barbecue Committee, consisting of D.G.K. George N. Daly, chairman; Joseph Postilion, co-chairman; J. Dietz, Martin P. Heneghan and Charles F. Votava, Jr., is particularly eager to surpass the fine records achieved at previous barbecues. This can only be accomplished by wholehearted 100 per cent cooperation from every member.

Why not a special competition to see who among Hughes' members can be the best Barbecue book salesman? It is the start of contest to work hard to win, for whether you're first or not, you will benefit directly from your efforts. Any member desiring additional details may contact Chairman George Daly, 625 S. Plaski road.

Accordingly, the charges for this assessment must be paid by every member and only who have remitted dues in advance are dequested to send the additional amount to the Financial Secretary.

Also of importance. Financial Secretary Harper is still looking for a suit size 38 for a Brother Knight in need. This member, a World War veteran, will appreciate prompt assistance. Contact Daniel L. Harper, 1141 S. Mason, Mansfield 9082.

COUNCIL BOWLING

Bro. Jack Pender of the Majors shot in the ABC tournament at St. Paul over the week-end and chalked up a 647 count in the singles event.

The Lauterbach Coal Company team drew out to a four game lead by winning all three from the Ward Builder "Blues" while the second-place Ward Elder "Golds" were dropping one to the Dwell Restaurant squad. With the schedule finishing on next Friday, April 25 looks like the crown for the 1940-41 season will go to the formidable Lauterbach kegelers.

On Friday, April 11, the Lauterbachs had to come from behind to down the "Blues" in two of the games, winning the other by a comfortable margin. The Young 'uns had a chance to help the Ward "Golds" stay in the race, but the Lauterbach team, led by Tom Dailey, Bernie Dailey, Erve Lauterbach, John (Hot Dog) Reilly and Roy Bergeron, were not to be denied.

The "Golds" might have lost all three but the Howells had the inspirational bowling of young George LaRocca been followed by some of his teammates. George had a remarkable series, topped by a great 255 count and a 263 count in his final two games. Ed Hustoles paced the Ward "Golds" with a superb 583 count. Al Gilbert and Hustoles came through with respective strings of strikes in the final frame of the third game to win.

Votava Auto-Fixers moved up into a tie for third place by vanquishing the Peter M. Kelly Undertakers in all three games. Bill Benes was high for the Votavas, while young Charlie Votava, after a big series the week before, dropped to an under 500 total. Boogy-man Bannon, we venture to say!

McKeown Cartage, Malone & Clancy and Flaherty Tavern are all dead-locked in fourth place. John H. McKeown's followers took two from the Toomey Taverneers, Malone & Clancy won the odd from the Douglas Coal squad, while Flahertys dropped a single game to the Aldermen Richard M. Walsh 36th Ward Boosters. Goslin, Hamilton and Wall found five men too strong to win more than one game. Charlie Stuart turned his ankle, but came through as usual for the Flahertys.

In the individual averages, it is a close race between Erve Lauterbach, Sr., and Tom Dailey, both well over 180, with three of the Ward "Golds" ranked next, namely Ed Hustoles, Al Gilbert and Joe Delaney. Tom McDonnell of the Toomeys is sixth, followed by P.G.K. John Charles Bannon.

Hughes Council's Bowling Special to Indianapolis leaves I. C. Station Saturday, 9:30 a. m., April 26. Are you going? A special parlor car for the ladies.

Two of our members, Dr. H. Ganey and Dr. J. J. Walsh are reported ill at Hines Hospital although not seriously so; we wish them both speedy recovery.

San Salvador Sports Fans Begin Planning For Softball Season

2-4 Monday . . . . . 24 E. 114th Place

At the meeting last Monday evening the brothers who received their degrees at Palm Sunday were officially welcomed by the Council. The meeting itself was interesting from beginning to end, particularly when Bro. Cliff Heffron, our "Old Faithful," came through with some more of his delectable beef sandwiches, accompanied by the usual refreshments. We want to extend a hearty welcome to our new brothers, Bros. John Korenick, C. Magnabosco, Rev. Father Grinis, asst. pastor of All Saints' Parish, Joseph Panozzo, Rudy Frigo, E. Valente, John Magnabosco, L. De Benedetti and Frank Slucasz. Greetings and welcome, brothers, be sure to drop around for the meetings.

COUNCIL ACTIVITIES

BOWLING—We are at the tag end of a highly successful bowling season. If nothing of a very unusual nature takes place, our good friends of St. Louis Parish should be the new league champions. When you read these notes, only one more evening league play will be held. Everybody is in there fighting right to the last ditch, but it would take at least a miracle to dislodge the Frenchman. The bowling season will wind up in a blaze of glory on Thursday, May 5, at the bowling banquet to be held at Parise's on Front street. We will give you the final results as soon as the league play is over.

SOFTBALL—Now that the bowling is finished for another year, the council immediately swings into another parish activity, namely, the Softball League. To date, some twelve or fourteen teams will engage in a whole summer of wholesome sport, which we predict will again prove to be a highly successful affair.

ANNUAL COMMUNION—Sunday, May 4, at St. Anthony's Church the council will hold its Communion service. Knowing the past attendance on our Communion Sundays, we have no hesitation in predicting a record turnout. Let us individually make a determined effort to be present. The following week-end, May 9th, is the council's schedule Retreat at Mayslake. Again we urge all of you to join the other members and spend sixty unforgettable hours at Mayslake.

GOOD FRIDAY OBSERVANCE

The Good Friday Observance Association set another record for the Holy Week just past, when the effort for the Observance of Good Friday resulted in a universal response from the business men and the public at large.

If nothing else, their efforts resulted in bringing together men of various faiths in one common purpose, namely, the recognition of the Supreme Sacrifice of our Lord upon the Cross. We of San Salvador feel justly proud of our part in the movement here. We also want to thank our good friend, the scribe of Madonna Council, for his kind words which, by the way, are posted on our bulletin board. (So, look out, Ed, he has found a new, and we hope, an able assistant, in this corner!) You know, Madonna, we think you got something there in this hooraw about the telephone company taking over their floor. We were down there at 208 Washington once and the elevator guy rode us up and down so often telling us about this editor guy that we ate supper standing on our head!) (Somewhere, sometime, someone MUST have founded a League for the Prevention of Cruelty to Editors. We're going out and join it or the Foreign Legion—nothing can be worse than to see that Madonna Mutter-man leading so many honest fellows off on the wrong track.—Ed.)

In 1939 Italy had the highest murder rate in Europe; but even so it was only a third of that in the United States.

LEO'S DEGREES SUNDAY HONOR D.D. McDERMOTT

1-3 Tues. . . . 820 W. Garfield Blvd.

D.D. JAMES J. McDERMOTT

On Sunday, April 20, the members of Leo XIII Council will receive Holy Communion at Visitation Church, Garfield boulevard and Peoria street, at the eight o'clock Mass. All members will assemble at the Clubhouse not later than 7:45 o'clock to join in the processional to the church.

Immediately after the Mass, the members will re-assemble at the Clubhouse for Communion breakfast as guests of the Council. Brother Richard Gleason, chairman of the breakfast committee states that McNeilly the Caterer has prepared a fine treat for us. The menu will be as follows: Tomato juice, scrambled eggs, pork sausages, hot cinnamon and parker house rolls and coffee. The invocation will be given by Right Rev. Msgr. Daniel Byrnes, pastor of Visitation church while remarks at the conclusion of the breakfast will be handled by Judge Sullivan and D.D. James J. McDermott.

The candidates of the J. J. McDermott testimonial class, who will be initiated into the Third Degree Sunday afternoon will be presented to the membership at the breakfast. Your officers look forward to the pleasure of greeting you on next Sunday morning.

THIRD DEGREE

Leo's stage is all set for one of the finest Third Degrees in the history of the Council. Over 30 took the First and Second Degrees on Tuesday, April 15 and with the 26 that were waiting the James J. McDermott class brings to the Council a new group of young energetic Catholic men ready to take their places in helping to do things for and with Leo Council. Show your appreciation by your presence. The degree starts promptly at 2 p. m..

The following are additions to the honor roll: Frank Sacarino, proposed by Wm. A. Miller; William T. Dean, Jr., by Dr. Gallagher; Thos. Furlong, by G. K. Wagner, and Edwin J. Doody, by Wm. Doody.

DOTS AND DASHES

The parties on Tuesday afternoon under the guidance of P.G.K. Ruberry and his committee surely ring the bell. If you have not sent your wife, sister or friends to one, both of you are surely missing something worthwhile. There is plenty of excitement, and lots of fun for all. Help to bring the crowd over the 500 mark. Do your bit now.

We regret to announce the sudden and untimely illness of Bro. Jack Fanning who has been devoting so much of his time to the activities of the Council. While still a sick man he is responding to treatment and we all hope and pray that he will be with us in a short time.

Bro. John Cienmny, star softballer, was given a grand send-off the other night by his teammates. John is now a soldier for Uncle Sam and is now in a training camp. What a team that camp will have with John's services . . . One of our candidates is none other than James W. Farrell, captain of the victorious Leo high basketball team and holder of a position on the All-Catholic star team. We look for Jim to be a fine member and an inspiration to the younger set—Tom O'Sullivan has a broad smile these days because he is the father of a baby boy. Mother and youngster doing fine. Congratulations to the family.

Another candidate is Francis Howard, a seminarian at Quigley who has a brother, a priest, and another brother at Mundelein . . . P.G.K. John McVady was in the other night bringing in the first return on the barbecue. John is getting ready for the state convention to which he is the delegate . . . P.G.K. Ruberry reports that all of the barbecue books are now in the hands of the members and returns are welcome at any time. Additional books may be had for the asking . . . Next Council meeting May 6th.

St. Cyr Readies Large Class for Degrees Monday

1-3 Mon. . . . . 1609 N. Halsted St.

One of the largest classes in the history of St. Cyr Council will on this coming Monday night receive the honors of the first and second degrees. Aiming straight for the century mark, this class on Monday night will materially help in achieving this mark of distinction. The men to be initiated are from all parts of the city. Among the leaders in the number of candidates sponsored is Joe Lucania, who has something in the neighborhood of fifteen men who will receive the honors.

Get in touch with your candidate and have him there this coming Monday night, April 21.

The annual communion will this year be held at the Santa Maria Addolorata Church at Erie and May Sts. on Sunday, May 4. Immediately after communion the members in attendance will convene in the school gym, where breakfast will be served.

It was originally planned to have the bowlers' party and banquet sometime in April. However, it has been postponed and set over to May 17. The scene of this year's dinner will be at one of the most famous eating houses in the city, known to all connoisseurs of good food. It is known as Gus's, and of course it is a familiar spot to most of you. In the event that you do not know its location, the address is 417 N. Dearborn St.

Secretary Cosmo Coniglio will mail cards to all the bowlers so that he may have an accurate list of those who are to be in attendance. Prizes will be awarded on that night to the various teams and others who came in the money. I'll venture to say that there will be quite a few side bets to be paid off that evening.

Many men in St. Cyr Council take quite an interest in the all-American sport known as golf. At this early season reports have reached your scribe's ear that many of the boys have played as many as three and four times and that for good measure a little side practice has been indulged in at these stop-and-sock places, new golf sets have been purchased and scores under 100 are very common.

Which leads to this: Why not have an all St. Cyr day at one of the golf courses one of these fine Sundays and all have a lot of fun? There are at least twenty-five to thirty men who would be willing to start a little golf tournament at the drop of a hat.

Vic Priola, the new softball manager, is getting his men in line to win a St. Cyr championship. As soon as Vic gets his team together he's going to get his second stringers to play the one-time St. Cyr greats such as Scully Angelo, Saro La Russo, Tony Brancato, Clarence Wittenmeier, Marco DeStefano and, last but not least, Joe LaRocco, who was one of the finest water boys to ever work on the sidelines.

So come on, you softball enthusiasts. Spring is in the air. We're out gunning for a championship. Come out for the team. Maybe you're better than you think you are. Make the first team. If not, make the second team, and get a crack at the oldtimers. It's going to be a lot of fun.

Tomorrow (Saturday, April 19) one of our young bachelors, better known to St. Cyr Council boys for his achievements as a bowler, will take unto himself a wife. He is Joseph Pecoraro. The lucky girl is Miss Margaret DeVarco. The ceremony will be held at St. Philip Benizi Church and reception in the evening at the Knickerbocker Hotel. We've all known Joe for a good many years. He's Peckaroo to all the boys from Cambridge Ave. and known as the most rabid White Sox fan on the north side. But from this description given of Joe the impression is being conveyed that Joe's only interested in sports.

He has a great interest in such matters, but Joe is also one of the highest types of men one would ever want to meet. He was just a little fellow when both his parents passed away and he had three younger brothers and sisters, and the duty of keeping them together was Joe's. They're all married now and have fine families of their own, so Joe is happy and he's going off and starting a little family of his own. Congratulations to you, Joe, and to you, Margaret. You're going to make a fine couple and we wish you loads of success.

Gen. Sherman's Annual Communion Services to Be at St. Philomena's

1-3 Tues. . . . 4300 W. North Ave.

The high light of the meeting of April 15 was the annual attendance of Bro. Bill Hanrahan. The entire attendance stood and gave him a silent cheer.

Due to a misunderstanding this column, in a recent issue, stated that Tony Ross had taken his Third Degree. This was an error, and you should have read Bro. Ralph Vinyard. We are sorry for the mistake. Tony will take his Third at the first opportunity.

Our annual Communion will be held on Sunday, May 4, at St. Philomena church at 8 o'clock Mass. Prepare now to attend.

Bro. Geo. Kohl, Sr., reports that all members who received cards from him meeting night, for the blood donor group, should take the cards to St. Ann's hospital between the hours of seven in the morning and five in the evening. The nurse will then type you. If you took the test and haven't received a card from Bro. Kohl, contact him at once. Thirty-five members so far have volunteered.

Fourth Degree meeting April 23, at Father Sesterhenn's Hall. Installation of officers will take place that nite.

Instead of Sherman Council having a softball team this year, we are going to substitute a pinochle tournament. It looks like our Council is getting old.

BOWLING

All quiet on the Lion's Front last Thursday nite, due to Holy Thursday. Bowling banquet will be held on next Thursday, April 24, at Mid-west Athletic Club, 8 N. Hamlin Ave. The bowling books now out will be drawn that night. Please treat this matter seriously as returns must be made that night.

Election of officers will also take place that nite. Money coming to the bowlers will be distributed at this time.

Last notice for K. of C. National Tournament at Indianapolis. Bowlers will leave from Illinois Central Station, 12th and Michigan, Saturday, April 26, at 9:30. Team standings will appear in next week's issue.

If enough members are interested, the Fourth Degree will challenge the Third Degree bowlers to a match on the first Thursday after our banquet at the Lion's Club. All interested contact Bert Welker, Bernie Janco, Ray Groh or our bowling president, Matt Ellgass.

700 Jesuits Have Died for Faith in 400 Years

Washington.—More than 700 Jesuits sacrificed their lives for the faith in the first 400 years of the society's existence, the Rev. Edward A. Ryan, S.J., reveals. Of that number 148 have been officially recognized as martyrs. The rest laid down their lives in circumstances that led many to consider them martyrs. Twelve Jesuit martyrs have been canonized, and the causes for many others are still pending.

The dozen who have been canonized are SS. Paul Michi, John de Goto, and James Kisai, Japanese Jesuits crucified at Nagasaki Feb. 5, 1897; Sts. Isaac Jogues, John de Brebeuf, Anthony Daniel, Gabriel Lalemant, Charles Garnier, Noel Chabanel, Rene Goupil, and John de la Lande, who were martyred in New York or Canada between 1642 and 1649, and St. Andrew Bobola, who was tortured by death by Cossacks in Poland in 1656.

The Jesuit who will probably be regarded as the order's first martyr in the first year of the fifth century of its existence is the Rev. Charles Simons, S.J., of the California province. He was murdered on New Year's day in China.

The word "martyr" is derived from a Greek word and originally meant "witness." A martyr, therefore, was one who bore witness to something or somebody. Soon, however, in the Christian vocabulary, the word came to mean one who had shed his blood, or, at least, lost his life as a result of sufferings for Christ.

The heaviest toll among the Jesuits was taken in the first century of their existence, when 350 died. In the following three centuries, members of the Society of Jesus sacrificed their lives as follows: Second century, 175; third, 45, and fourth, 160. Of these, 103 were beatified in the first century; 22 in the second, and 23 in the third. None of the fourth century martyrs has yet been made a beatus.

New Neri Sir Knights

1-3 Tuesday.....7515 Yates Ave.

We calmed our hard pressed editor last week by supplying the missing identification on one of the worthy Sir Knights pictured above, all of whom were inducted to the Fourth Degree here on last February 23 at the Palmer House. The Neri "Fourth Knighters" are (standing from left), John Rach, John E. Miner, Jr., and (seated), Paul A. Hazard, Wm. T. O'Neil and George T. O'Donnell.

Just a few odd ends tied together . . . Although the Barbecue books have been out but a few days there is one member of Neri Council who is already going to town. He is George Fox, Jr., youthful member who received his first three degrees in the Order less than a month ago. George has already disposed of four books and at last report had two more in circulation. That's really fast pitching but it does prove rather conclusively that you need only make the effort.

The product you are selling is so attractive that it practically sells itself. Try it. George Fox has shown you what can be done with just a little push and members who find it next to impossible certainly you couldn't be helping a worthier cause.

Communion Sunday is April 27. Many to attend regular meetings throughout the year will be on hand for this occasion. It is homecoming, after a fashion and everybody turns out. Mass will be at 7:30 in St. Philip Neri Church, following which breakfast will be served by the ladies in the Caravel Club . . . It is reported that Victor Gonya's son met with an accident down in Texas. Haven't any details at this time but we hope it is nothing serious . . . Mr. Bill Drew is feeling much better now that April is here. And Mrs. Bert Kelly is said to be doing much better these days after an annoying siege of illness.

Don't forget the spring dance being run at the Caravel Club under the auspices of the Council Athletic Commission. It is the first Saturday in May. Tickets are fifty cents each. Buy a half dozen or so. Make plans now to bring your friends . . . The Bill O'Neills have reason to be chesty these days. Their oldest daughter, Marjorie, has just been awarded a four year scholarship to St. Francis College in Joliet. Marjorie is now a senior at Loretto High and is finishing up with a four year average of 95. That is pretty close to perfection. Congratulations.

"MISSING LINK," A MYTH, SAYS SCIENTIST

Berkeley, Calif.—The "missing link" will never be found because there never was one, 30 years' research has convinced Dr. Richard Goldschmidt, University of California professor of Zoology and Nobel prize-winner, acclaimed over the world for his work in genetics. In a treatise attacking the basic ideas advanced by Charles Darwin in the nineteenth century, Dr. Goldschmidt denies that evolution is an ages-long process in which species of animals and plants undergo gradual changes resulting in new species. New creatures, he says, are produced by sudden, one-stop changes and by the birth of "monsters." If the "monster" survives, it may be the ancestor of a new species. A catastrophic pattern change within the chromosomes might have brought the beginning of man, but not long evolutionary changes, the treatise declares. (Catholics contend that man's soul is always directly created by God and it is likely that the first man's body was also directly created. But, if science ever proves that the body came about by evolution or through such means as suggested in this article, no violence would be done to the Scriptural account.)

Feehan Program for Tuesday's Meet Is Slated as Surprise

2-4 Tues. . . . . Hamlin & Madison

Lecturer Joe Collins is cooking up a very special dish for Tuesday night's meeting. Up to the moment of going to press, the plans haven't reached their final stage of completion, but we are assured that the meeting will be both interesting and entertaining. The usual refreshments will be on tap. The calibre of Feehan meetings is so consistently high that it is always a shock to us that they are not better attended. We wonder if perhaps some of the perennial absentees aren't unaware of the fun they are passing up.

The first Sunday in May has been tentatively selected as the annual communion Sunday for Feehan Council. Final details as to place and time will be printed at a later date.

BAR-B-QUE

Chairman Ed Morrissey of the barbecue committee has requested us to devote a few lines to urging those of you whom he cannot contact personally, to get to work on those books. Ed is desirous of setting a new record for Feehan in this work, and if his plan is to succeed, your help will be required. So take off those wraps boys, and start moving.

INDIANAPOLIS ECHOES (Con't)

We'll always remember the dirty trick nature played on Bro. Pat Riley. Pat came down with a small thirst on Sat. night and proceeded to a spot where he could satisfy it. Soon, he found himself scraping elbows with a couple of Uncle Sam's buck privates. Realization of the meager salary these boys were receiving and the sacrifice they were making, caused Pat's heart to swell and he insisted upon setting the lads up to a little refreshment.

They joined him with thanks. Then they wanted to reciprocate. "No," said Pat, "it's on me." So it was. And the next, under increasingly violent protest of the soldiers. Finally, they became adamant and Pat acceded to what he deemed to be their pride. He swallowed his drink in one gulp, however, when one of his proteges produced a roll of heroic size. He passed out completely when he learned that one of his guests was none other than the heir to one of America's largest toothpaste fortunes.

"Meusey" Dowling attempted to introduce a new fad for the well-dressed clientele to adopt, when he put in an appearance with a pair of pants featuring a round hole above one of the cuffs. When it was disclosed that the hole could only be produced by blowing off a fire cracker in said cuff, the idea failed to jell, however, and he decided not to apply for a patent.

EXTRA! EXTRA!

Feehan Majors staged a private blitz of their own last Friday night. After being pushed around the Cascade Alleys all season, the lads finally rebelled and swept a series. Proving what nobody ever suspected, namely,—it can be done.

When we failed to publish a list of the 200 games rolled on the last night of the season, we inadvertently placed Bro. John Blais in the kennel. It seems John waited until the last possible moment to join the "Charmed Circle." He felt so good about it that he proceeded to celebrate his accomplishment. This delayed his homecoming, and our failure to list the honor roll in the following issue of the Columbian wrecked his alibi. We trust this explanation will straighten everything out and release the good brother from the doghouse. Come out Fido, all is forgiven.

HOUSEWARMING

The colony of the northwest is about to be enlarged by the addition of the Wheelers. "Wheeler Manor" is arising and taking shape in the vicinity of Austin and North. The blue prints call for construction of glass brick, all the built-in gadgets, and of course, air-conditioning from cellar to roof,—Bro. Wheeler specializing in air-conditioning. Frank intends to stage a mammouth house-warming, so just sit tight —you'll get your invitation in the mail.

Congratulations — To Bros. Jimmy Shea, John P. Gill, Ray Collins and Frank Tamburrine, who became a whole year older in the space of this one week.

Out of a population of about 360,000 Indians and Eskimos, approximately 100,000 are Catholic. The bulk of the remainder are still pagan.

Chicago to Honor PGK's in Special Program Tuesday

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council will do honor to its Past Grand Knights on Tuesday evening, April 22, in a special program that has been arranged with the probability of a bit of a surprise (if we may hazard a guess). G.K. Henry L. Phoenix will call the brief business meeting to order propmtly at eight o'clock so that the "Smoker" and entertainment can be under way by about eight-thirty, Lecturer Will Pellicore plans a bit of lunch, also.

We are looking forward to meeting a considerable turn-out of the "old-timers" to share the glory–seats with our P.G.K.'s regaling us with stories of "away-back-when." They should leave some ideas with our boys-coming-up which would be handy in 1946 when we celebrate our Golden Jubilee.

COMMUNION SUNDAY

Sunday, May 4, is only two weeks away. Plan now to be with Chicago Council at Immaculate Conception Church, North Park Avenue at Schiller Street, at the eight o'clock Mass on that day. The breakfast that follows provides opportunity for the most genuine "homecoming" and we hope a large number of our members will avail themselves of the opportunity to be present.

BOWLING

Hennepin-Shields proved to be too good last week and our team succumbed completely though the scores in two of the games were close. We lost one by two points and another by 18; the third was a deluge for the other side. But you cannot be tops all the time.

This week's game with Quigley has been postponed to next Monday (April 21) so that Gus Caponi and Joe Aurvek can travel to St. Paul to win honors in the A.B.C. tournament. Then on the 25th we swing into action against Sherman Council and on the following day the team will be headed for the K. of C. National Tournament at Indianapolis. After that only two more series remain so if you want to see the boys in action, you had better make up your mind to attend.

Our Intra-Council League completed the season's schedule last Wednesday night with the Franz Guards in possession of the trophy. They had taken two of the evening's games from the Vallee Boosters while the hard-fighting Cole Recorders (who during the past few weeks had steadily pushed up to a scant game back of the leaders) dropped all three games to the Ryan Coals whose Mike Bonahoom chalked up a 553 series for the evening.

The annual Sweepstakes on Wednesday of this week wound up the season's activities. Details will appear in next week's column.

Returns are coming in, according to reports from our Barbecue Treasurer, P.G.K. Nicholas J. Reuland; and repeat-orders for more books are being delivered in quantity.

with wonder at the ability of certain members to dispose of books by the dozen. "How do they do it?" they ask.

We know there are some who gape Well, of course, some people are better salesmen than others but we can all try. It's making that first sale that puts the pep into our determination. Chairman Caponi says there is one thing to remember: We all have to buy groceries and other commodities; and while some of us may hesitate to "put the arm" on these merchants, we must remember that while we are trying to make up our minds on that matter, our neighbor, dealing with those same merchants, slip in ahead of us and sell the market, before we are even started. "Get thar fustest with the mostest books," suggests Co-Cchairman Charley Schroeder.

CONDOLENCES

Sister Mary DeLourdes, member of the Order of the Sisters of St. Joseph, daughter of our Brother Joseph J. O'Connell, Sr. and sister-in-law of our Brother George Stanton, was called to her eternal reward during the early hours of Holy Saturday. The funeral from Our Lady of Bethlehem Convent, at La Grange, Ill., on Easter Monday, was attended by many of the clergy and visiting religious. Interment was at Mount Carmel.

Chicago Council extends to Brother Joseph O'Connell, to Brother Stanton, and to the brother and sisters of the deceased, a message of sincere sympathy in their hour of sorrow; and we unite our prayers with their's for the repose of her soul.

Genoa Busy Planning Annual Cabaret Dance at Southmoor, May 3

1-3 Mon. . . . 7439 Cottage Grove Ave.

The next meeting of Genoa Council will be held Monday evening at the council hall and will be called promptly at 8:30 o'clock so that all the business and plans of the meeting can be disposed of in due time.

The last meeting was unusual in its nature and was without question a meeting that will go down in history as one of the most outstanding gatherings ever held in a Knight of Columbus hall.

The meeting was called to order by GK James F. Riley, Jr., and after a short business session the memorial service in behalf of PGK Thomas Fullem, Genoa's first grand knight, was held. Chairman James Large, who took an active part in this affair, acted as chairman of the meeting. The "Unknown Soldier" act was given by Liberty Post, American Legion, and then various numbers were rendered by the LaFayette Council Glee Club. All in all, it was one grand meeting and ended with refreshments being served. To all who took part in this the council and its officers extend their sincere thanks.

CABARET DANCE

The next line of entertainment awaiting Genoa knights and their friends is the cabaret dance scheduled for May 3 at the Southmoor Hotel Venetian Room under the chairmanship fo Bro. Wm. Condon and with music by Johnny Marlowe. As in previous years this has held the spotlight in all Genoa's social affairs.

The same is true this year and each member of the council is looking forward to it with the hope that once again all the friends of Genoa and their ladies will grace the Venetian Room with their presence. The committee under Chairman Wm. Condon is actively working toward this goal and from the response so far had this affair, Genoa's cabaret dance, augurs well to be the hit of the season. Remember the date is May 3 and it is up to you to make your plans accordingly.

STANLEY McGORRIN DIES

The hand of death took one of Genoa's strongest and most faithful boosters when it took Bro. Stanley McGorrin after an automobile accident. It was with deep sorrow and regret that the news of Stanley's untimely death was received. To those near and dear to him we extend our heartfelt sympathy. May his soul rest in peace.

In some parts of West Africa a man receiving a gift expresses his thanks and then, if possible, repeats that ceremony on the following day also by a "thank-helper" who assists him.

St. Paul to Meet at St. Helwig's for Communion Apr. 27

1-3 Tues. . . . . 6713 Olmsted Ave.

Time passes swiftly, for it is time to remind you of the council's annual communion Sunday. All arrangements are made for Sunday, April 27 (a week from next Sunday), at the 8 o'clock mass at St. Hedwig's orphanage. Warden Wm. Gregory privately informs us that he will have 200 carnations to pin on the boys who make their appearance, and he says that he doesn't want to have any left over.

Now, men, no doubt most of you have made your Easter duty 'ere this, but if you haven't, there is no better time, as the occasion is particularly suited to that purpose. And, if you have, then there won't be any harm in you filling up that granary or storehouse for future use by going again with the boys of your council. Then, too, this is one time of the year when you can renew your acquaintance with some members of the council who are sure to be on deck but who seldom are seen in the council chambers.

COUNCIL ACTIVITY

BARBECUE BOOKS are all distributed, according to DGK Gene Sass, and all you have to do is to get working at it so that you can ask for a second one. Through the proceedure under which these books are sold you not only assist in a most worthy charity but you make it possible for your council to come into possession of funds in a substantial amount, which would be difficult to duplicate in any other endeavor.

It takes so little effort to accomplish this worthwhile project that it is surprising that so little is done with he wonderful opportunity. If only the council would average one book per member it would mean so much to the underprivileged youth movement and to your council in a financial way. Why not endeavor to dispose of the book that has been sent to you and thereby do your bit for a good cause?

GOLF—Now that spring has actually arrived and the time to our annual golf tournament is becoming less, we again remind you of our efforts to make this a "century tournament." Yes sir, we want at least 100 stalwart members and their friends to participate in our spring tournament, which will be held at the old stand, Techny Fields, on Sunday, May 25.

As we said before, you will be invited out for an afternoon or, maybe, an all-day golf engagement by your friends, and then you will be inviting them out for a return engagement. Why not make your turn on our Sunday and help the cause along? Then there is that beautiful trophy presented last year by Alderman Wm. J. Cowhey, which will be up for another year. You will be proud to have possession of this trophy for a year if you can qualify with low gross for the event.

We hope to have all contestants for this prize play in two or three flights (more if necessary) which will tee off at about the same time to make the playing conditions as uniform as possible. So, all of you experts who feel that you have a sporting chance to win it should make that fact known to ye scribe who will do the rest. It should be understood that every member has an equal opportunity to try for the trophy—none is barred. So please make your arrangements to be with us on Sunday, May 25.

WE HEAR THAT—

Joe McDowell is working on his fourth barbecue book—the rest of you will have to work fast to surpass Joe's effort this year. . . . Newman-Zieglers are safely in first place, which is quite a climb out of the cellar—and all because ye scribe kidded them about what seemed to him to be lackadaisical effort on their part to go places. You have to hand it to them; they have more pep than any other team on the alleys. Them fledglings, them—them— Oh, well, what's the use; youth will not be denied.

Eddie Simon was well on his way to one of them things. Eight strikes in a row, then a little tough luck and all went glimmering. Vic Porazinski says he can well sympathize with Eddie after his effort down at Indianapolis. . . . But none of these boys can complain of their tough luck when they are reminded of the eleven strikes and a final seven count which PGK Ray Gleason chalked up two years ago. . . . An exceedingly large number of reservations have been made for Father Kiley night. This will be old stuff when you read it but we will have more to say about it in our next column.

Hildebrand Calls for Large Attendance at Communion Services

1-3 Thurs. . . . . 5711 W. Chicago Ave.

Meetings first and third Thursdays. . . . Between now and the summer season let's put on the old resolve and make the gatherings larger than ever. . . . The annual call for the brothers to gather for the greatest activity of the year has been sent out. . . . It is the occasion of our communion Sunday, which has been designated as May 4, and as usual we will attend St. Agatha's Church, 8 o'clock mass. . . . This year we have high hopes that everyone will be present to take part in this auspicious service. . . . No finer tribute to our council leaders than to show our strong faith by a public demonstration of every man in the council receiving Holy Communion in a body on the Sunday designated by our state chaplain . . . Paul David and Elmer Brewer are the first names on the honor roll for the barbecue returns. . . . Thanks, brothers, and we will look forward to an avalanche of returns very shortly. . . . Those bowlers are at it still, and intend to fight for their respective positions until the last ball is rolled. . . . The O'Hara Undertakers captured the series from the Modern Cafe last Tuesday, and the Dean Steels showed their curves, hooks and backups to the J. P. Ryans to the tune of two victories. . . . Eddie Krook showed the way with the high series of the evening, a neat 638. . . . Annual cabaret party is scheduled for Saturday, May 17, St. Agatha's Hall. . . . Nothing finer than these social gatherings to keep alive the spirit of friendship and good fellowship among the members and their families and friends. . . . Plan to attend. . . . We guarantee you won't be disappointed. . . . A full program of entertaining and novel events is being prepared.

St. Rita Expects Large Attendance at Annual Communion on May 4

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Dr. Joseph Jun, chairman of our annual Communion Sunday, last night urged all members of St. Rita Council to co-operate with him in his efforts to make the group that is to approach the Communion rail at 8 o'clock Mass on May 4 at Nativity church, the largest in the history of the council.

Speaking at our second meeting of April Dr. Jun said:

"In this, my first chairmanship as a member of St. Rita's, I call upon each individual member to help in making it a success. I know I need not explain the importance of Communion Sunday in the spiritual life of the council, all I ask is that you keep the date in mind, bring it to the attention of less active members of St. Rita's and I feel sure that the line of march on May 4 will be larger than I or any officer of St. Rita's could hope for."

In this space next week we will publish where the line of march will form. We remind you now to locate your council badge in case it has been misplaced and to go to confession. For those who will be unable to attend confession Saturday, May 3, confessions will be heard before Mass. Following Mass the communicants will be served breakfast in the basement of the church.

BARBECUE

It has come to the attention of Roy Perell, chairman of our barbecue committee, that despite his early efforts some members have still not received their barbecue books. Those who have taken books to deliver please do so or return them to Roy or members of his committee so they may be distributed.

For those who have already sold their books, returns may be made at Martin's barber shop at 3303 W. Sixty-third St., Stoeller's Grocery at 2918 W. Sixty-third St., or Sullivan's Undertakers at 2438 W. Sixty-third St.

KEEP IN MIND

The membership campaign under Chairman Jack Devlin to secure candidates for the exemplification of the first and second degrees to be held June 19 honoring our chaplain, Father Fennessy.

The bowlers' party which will be held next Monday evening at 8:30 o'clock in our chambers.

The 2034 Club's ladies' night party April 30 at the clubhouse under the direction of Chairman Ray Bernoski.

THINGUMBOBS

Bro. Joseph Holesha underwent an operation recently. We have been unable to find out the nature of the operation but hope everything is all right. Joe is the organist at St. Clare's Church and a member of St. Rita Council's choir. . . . If you want to get a line on some of your brothers read University Council's column in this issue. . . . Members who are moving should notify Financial Secretary Frank Zavrek or Recording Secretary John McGowan of their new address. . . . Bros. Frank Boyd and Francis Peppard had quite a time razzing yours truly at the showing of The Tribune's movies at our meeting of two weeks ago. . . . St. Rita Golfers had better start getting in shape for the Knights of Columbus Fourteenth Annual tournament to be held on Wednesday, June 25, at the Olympia Fields Country Club, scene of the last seven state tournaments. . . . A few Irish members with the aid of "Blackie" and "Little Fat Stuff" took part in a "Second Easter Rebellion" last Sunday. . . . We're going out to that Cub-Pirate ball game today if the rain ceases so we had better get a little sleep. So long.

Santa Maria Pleased with Fine Observance of Last Good Friday

2-4 Thursday.....9120 Commercial Ave.

The members of Santa Maria Council are still thrilled with the unprecedented success of their campaign to get the merchants of Southeastern Chicago to observe Good Friday by closing from 12:00 to 3:00. The success of the campaign was due to the efforts of G. K. Albert Schott, P. G. K. Bill Rosenbach and Trustee Joseph Gerlich. This trio has done much by their efforts to make our Council a vital force in the community and we are sure that this start will help to advertise our Council to prospective members.

We took a walk down Commercial Ave. at noon, Good Friday, and we were amazed to see every store, theatre, drug store, and tavern closed. The merchants were as good as their word and did what they had promised to do. In the name of the Council, we wish to thank them. The Daily Calumet also comes in for a big hand for its many write-ups and listings of merchants cooperating. A good job well done!

NOTES

Be on the lookout for the Spring "Fathers and Sons Night" which will be announced soon. Listen in on the radio program being sponsored by Father Terlecke for his parish, SS. Peter and Paul. The program is on from five to five-fifteen. Consult your paper for station. The plan to equip the local draftees with a religious kit goes into its second reading this coming meeting, April 24.

Bro. Pat Coyne, one of our oldest and most faithful members, has been ill with heart trouble. We miss Bro. Coyne at the meetings and wish him a speedy recovery. Softball is just around the corner. The team needs players, so anyone interested can consult with Bro. John Cullen. The team enjoyed considerable success last year and promises to really go places this year.

The committee for the distribution of the Barbecue books is already at work. They ask the cooperation of the members to help them give out the books. It is sometimes difficult to contact members who do not come to meetings frequently, so give us a hand. Bro. George De Clementi's name was drawn from the "Pot of Gold" for $15.00, but unfortunately Bro. De Clementi was not present. This just proves the importance of meeting attendance.

A total of $146,000 was sent to the Holy See for distribution by the Papal Commission for Polish Relief, according to the report issued by the Most Rev. Stephen S. Aquinas Dance at Stockyards Inn on Saturday, April 26

1-3 Tues. . . . . 5441 S. Ashland Ave.

Just one week from tomorrow the knights and their ladies from Aquinas Council will trip the light fantastic at the annual dance to be held at Stockyards Inn, 43rd and Halsted Sts., Saturday, April 26. Now is the time to reserve a table as they are going fast.

The committee has worked very hard to obtain the best of everything and it is up to each and every member to get his friends and relatives and just everybody to come to the Aquinas annual dance.

Co-chairmen of the affair are Harry Griffin and Frank Keane. On various subcommittees are: Arrangements, R. Hardt, chairman; S. Wyka, J. Egan, T. Harney, J. Barsley and R. McGrath; publicity, T. Blake, chairman; Wm. Reynolds, T. Fegan, M. Renehan, M. Hanley and F. O'Hern; reception, J. O'Hern, chairman; F. Reszel, E. Foley, Wm. Golden and J. R. Cook; tickets, Jack Sheehy, chairman; J. Kerrigan, F. Golden, E. Fennel, F. Beatty and V. Lipinski.

Every one of these men is putting forth his best efforts to make this dance a huge success, so it behooves all of you to lend a helping hand.

BARBECUE

Another year has slipped by and again the time has arrived for one of the greatest undertakings in this archdiocese, the Knights of Columbus barbecue. By your efforts in the past along with other councils in and around Chicago you have alleviated suffering and provided for the care of the homeless, those with physical disabilities, fed and clothed thousands less fortunate than yourselves.

Again Bishop Sheil is calling for help in his great humanitarian endeavors in behalf of over 15,000 underprivileged youth. We feel confident that you will lend a hand and do your part for humanity and Thomas Aquinas Council.

CONDOLENCES

To Bro. R. J. Heffernan, Aquinas offers its deepest sympathy in the recent loss of his mother. May she rest in everlasting peace.

DUKE OF NORFOLK IS AWARDED PAPAL CROSS

London.—Archbishop William Godfrey, Apostolic Delegate, visited Arundel castle to confer the insignia of the Grand Cross of the Order of Piux IX on the Duke of Norfolk in recognition of the latter's representing the King at the coronation of Pope Pius XII. The King has given the Duke permission to wear the decoration on public occasions. On the same day the Duke, 32, was honored by becoming the youngest member of the government and its only Catholic member, when he was appointed joint parliamentary secretary to the ministry of agriculture by Prime Minister Churchill.

RARE SERVICE HELD AS VIOLATED CATHEDRAL IS RECONCILED BY BISHOP

Grand Rapids, Mich.—The Most Rev. Joseph H. Albers, Bishop of Lansing and Administrator of the Grand Rapids diocese, officiated at services rarely held in the Church when he reconciled the Cathedral of St. Andrew.

The rite of reconciliation was made necessary because of the murder committed by a 32-year-old artist, who, police said, shot and fatally wounded his estranged wife in full view of 500 persons attending Mass in the Cathedral.

Homicide is one of the four crimes enumerated in the code of canon law (canons 1172-1177) that pollute a church and necessitate its reconciliation before the celebration of Divine services, the administration of the sacraments, and the burial of the dead are permitted within the church. Church law demands that the polluted church, if it be consecrated, be reconciled as soon as possible by the Ordinary of the diocese or a major religious superior according to prescribed sacred rites.

ABBEY WAS USING TOO MUCH WATER

London.—Because it had been using too much town water, Buckfast abbey had its water supply cut off by the Buckfastleigh, Urban council, it is reported here. Water is now being obtained from private source, however, and there is no shortage at the abbey . . . A bishops' committee has placed its approval on the government's plan for compulsory insurance covering churches and chapels. The premiums will be paid by the government and thus the rebuilding of bombed property will be insured.

HARRY BURKE BOWLS 706 SERIES

Daniel O'Connell won two from De Soto mainly through the efforts of Harry Burke, the guy that dishes out the Building Permits, who burned up the alleys with a 256-196-254 series, a grand total of 706, the only 700 series ever bowled in the Clar-Wyn Alleys. Harry modestly declares that he was lucky, but his associates declare otherwise, saying that he was packing them in the 1-3 pocket. Pete and Nick Greisch were high for De Soto with 548 and 542.

Lafayette won two from Fr. O'Connor, Andy Stanke delivering 665, Hank Thielsen 568. Ed Cumming was high for Fr. O'Connor with 608, Bill Fialkowski 586.

Garcia Moreno Lists Program Schedule for Next Several Weeks

2-4 Tues. . . . 155th St. & Lexington Ave.

All the celebrations and holiday excitement of Easter have ended, and again we resume our council activities to make an honest effort to fill our part of the order's program. The council's program is not just for a few members, but rather for each and every one, so we should all shoulder the burden and show our interest in the coming affairs, which are:

Tuesday, April 22, party for our new members; Sunday, May 4, our annual communion Sunday and breakfast; Tuesday, May 13, spring ladies' night. The barbecue books for Bishop Sheil's underprivileged youth fund are now being circulated by the barbecue committee. Each member should have his book in the immediate future.

Our membership campaign is still on, but so far we have not met our quota. The time is flying, and we have until just June 30 to place our council on the honor roll. Let's all make the effort.

The state convention will be held next month and GK James Mann and PGK Romeo Begnoche will attend it. July, I think, is our picnic month although no definite date has been given to your scribe. Tuesday, June 10, is our council's annual election of officers. You now know of coming events, so let's all work like one big happy family to attain our goal.

BOWLING NEWS

The bowlers' banquet is Thursday evening at 7:30, Redwood Inn at 138th St. The inn is located two blocks east of Halstead St. League sweepstakes will be bowled Thursday evening, May 1. Shea's Korner and Eagle Coal Co. won all three games and are still tied for first place. Wonder Bar and Goletz Boosters were the victims. Joe Knoll's 640 series, high for the season, was the star for the Shea gang. Sheas bowled 2,807 for high three games of the season. Al Binette's 515 topped Wonder Bar.

Home Liquor won all three games from Sterker Tailors. Vic Walenga's 543, Cy Delanty's 529 and R. Walenga's 528 topped the liquor team, while Obernesser's 474 topped the tailors. Ring Boosters won all three games. Mikenas' 573 was the lone star for Ring's team, while Bruce with 518 was tops for O'Hara Boosters. On the Eagle Coal and Goletz Boosters we have no bowling sheet. The boys couldn't find time to make it out. Complete league records next week.

THIS AND THAT

Our sincere sympathy is extended to Fred Reid in the recent loss of his beloved father. Michael Ryan reported back at Mercy Hospital in Chicago. Charles Kramer confined to Hines Hospital. The son of Joe Knoll is on the sick list, as is Mrs. John Obernesser, Matt Walenga and the mother of PGK Al St. Aubin. Our sincere wishes to you all for a speedy recovery. Art Mathiew and wife and Walter Goletz and wife are home after a long vacation in the South and West. Our congratulations to DD Henry Hilgendorf on the recent celebration of another birthday.

Here is a list of the barbecue committee: Marty McGee, chairman; Louis Bulik, Paul Milash, Chas. Moran, John Mech, Hubert Coston, Clyde White, Henry Stein, John Pagoria, Wm. Sawicki and Chas. Wisell. We extend a cordial welcome to these new brother knights: may their membership be long and enjoyable: Edward Sedlack, Jackie Zea, Walter and Bruno Zwierzynski, Frank Seput, Henry Sierolawski, Andrew Zacker and Paul Fragalle. The bowling news will soon be over, and your scribe will be looking for other material. All out-of-town members, vacationing members and all others should send a line if possible on birthdays, weddings, anniversaries and all sick members. Don't be bashful; just drop a card to Pop White, 15301 Ashland, or phone 862-J. Thank you and cheerio.

St. Bartholomew's C. Y. O. Group Sponsors Benefit Party Friday, April 25th

The newest, and one of the most successful, and energetic branches of the C.Y.O. is that of St. Bartholomew's Parish. During the past three years it has provided athletic facilities for over 2,000 boys and young men. During these years athletic equipment, uniforms, entertainment, movies, and a gym have been provided for the boys at no cost to themselves or their parents. More than $3,000 has been expended to provide these recreational advantages.

In order to finance this very worthy work, Mr. Sal P. Tomaso of Tonti Council is sponsoring a card party and dance in the church hall, Addison and La Vergne Ave., Friday evening April 25. Over one hundred and fifty door prizes will be given away. In addition to these attractions free refreshments including cigarettes, candy, and soft drinks will be furnished.

Mr. Tomaso is being assisted by Messrs. Robert J. Tomaso, Jarlath Q. Roche, Joseph P. Nugent, John J. Huhn, Francis J. Mittman, Henry R. Fabian, Roy W. Wiley, Dominic M. Wilhelm, Thomas C. Spellman by the Rt. Rev. Monsignor Robert F. Keegan, secretary to the Archbishop for Charities.

Softball League Begins Business of New Season at First Session Tonite

BY JOHN E. MINER

The Knights of Columbus Softball League will hold its weekly meeting tonight April 18 at the League Headquarters, 173 West Madison Street, at 8:30 P. M. All delegates are urged to attend.

There is a great deal of business to be transacted before the league season can begin. All councils are to submit their entry blank to show the name of their delegate, alternate, manager and playing field for the 1941 season. This data is necessary for drawing up the league schedule and directory. The Constitution and By-Laws and the playing rules for the league must also be discussed and revised if the delegates deem it advisable and the official ball must be adopted. With the cooperation of the delegates by regular attendance at the Friday night meetings, these routine matters can be disposed of in good order.

Blue Island to Score Another Success with New Barbecue Record

1-3 Tues. . . . . Gregory & New

With Palm Sunday added to an already large list of achievements during the past two years, our very popular Grand Knight, Dan Boyd, has but one more venture of a serious nature to shoulder before his term expires.

Brothers, I need not stress too strongly the fact that we all owe it to Dan to put forth just a little extra effort to make certain that when he steps down from the chair in June he will leave behind him one of the most enviable records in our council history.

The venture I speak of is the barbecue. All that is necessary to assure Dan of the success he deserves is for each member to sell his book. I feel sure that this matter will be taken care of by each member as a sort of compensation for the fine work Dan has done during the past two years.

BOWLING

The Ryans finished the season in a blaze of glory to win the championship by two games from the Komadas. These boys deserve a lot of credit due to the pressure they were under during the past month. The members of the winning team were captained by Jim Ryan. Other members of the team were Tony Chavonek, M. Potoski, C. Hawker and Tom Hayes.

The bowlers will hold their annual banquet Sat., Apr, 19, at Ryan's Notty Pine. Dinner will be served promptly at 8:00 p. m.

FINAL—Don't forget the announced special meeting scheduled for NEXT MONDAY NIGHT, APRIL 21st. We repeat this announcement in order to impress you with the importance of the meeting.

La Rabida Will Honor Its "Old-Timers" With Program Next Tuesday

2-4 Tues. . . . . 6236 Princeton Ave.

On Tuesday evening, April 22, the occasion of the next regular meeting of La Rabida, the council will, with fitting dignity, pay tribute to its old-time members. This meeting, which frequently attracts members who can be with us only on this occasion each year, is under the personal direction of Lecturer John Latchford, who has promised many innovations for the meeting.

Let us have our meeting hall filled to capacity on this all-important occasion, as a fitting tribute to those brothers who are responsible for the very existence of our council.

DINNER DANCE

The date of La Rabida's annual dinned-dance is near at hand, for on Saturday evening, April 26, at the Southmoor Hotel, 67th and Stony Island, over one hundred couples will gather to partake of a delicious steak dinner and trip the light fantastic to the tunes of Brother Joe Cognac's famous band. This affair, given annually by our council, is considered one of the most outstanding events among the south side K. of C. councils. Bro. Henry Dion, who is chairman of the reservations committee, resides at 7739 Indiana Ave., and may be reached by phone at Radcliffe 3456. Reservations are $2.00 per plate.

BARBECUE

The fourth annual barbecue will be held in Riverview Park, Chicago, on Wednesday, June 18. This announcement should be of interest to every member of the council who may desire to assist in raising funds for Bishop Sheil's underprivileged youth fund. Likewise, I might say that supporters of the undertaking are well rewarded, for there are generous awards, over $5.500 in cash, being distributed to fortunate people.

Every member of La Rabida is now in possession of his barbecue book and it is the hope of Grand Knight Con Driscoll and Bro. John Farrell, chairman of the barbecue for our council, that the membership will get behind this project 100 per cent. As we go to press, Bro. Joseph P. O'Connor reports the sale of the first book.

HERE AND THERE

Bro. Andy Bulger is home from the hospital and reported doing very well. We can expect to see him on "Old Timers Night." Bro. Con O'Gorman has received his selective service medical notice. Bro. Con expects to find himself in Class 1A shortly. Bro. James Cleary, who was seriously injured when kicked in the head by a horse while in service of Uncle Sam, was a surprise visitor at the last meeting. Bro. Cleary, who is on sick leave, gave an interesting talk on Army life and all present were pleased to see him.

BOWLING

The bowling results for April 14 are as follows: Evans Pullets took 3 games from Sunnyside Inn, while La Rabidians won 2 out of 3 games from the Rock Island Rockets. Wahling Wales won 3 games from the Dion Quints. Bro. William Lyman with 585 was high series man for the evening. Standings:

	W.	L.
Evans Pullets	62	28
La Rabidians	51	39
Dion Quints	46	44
Wahling Wales	42	48

Brownson Will Receive Communion on May 4; St. Vincent's Church

2-4 Fri. . . . . 4754 N. Western Ave.

Sunday, May 4, is the annual Communion day for Brownson Council when all members will meet at St. Vincent's church, corner Webster and Sheffield avenues, to receive Holy Communion at the eight o'clock Mass. Our Grand Knight desires to make this turnout the largest of any in the past, and appeals to you, one and all, to be present this year. Breakfast will be served in the De Paul cafeteria, gratis.

SOFTBALL

It was voted at our last meeting to again have a team in the K. of C. Softball league, so all players should watch this column for the date and place of our first workout. We hope to see a large number of our newly initiated members out for the team.

MAYSLAKE RETREAT

Retreat Chairman, P.G.K. F. A. Kohler, is taking reservations for Brownson's Annual Retreat at St. Francis Retreat House, Mayslake, Hinsdale, Ill., for the week-end of May 16 to 19. If you have been among those who have spent sixty golden hours at Mayslake, you need no further urging than to contact Bro. Kohler at once. To those who have not had the opportunity to spend a week-end with other Brownson members at Mayslake, we sincerely hope they will take advantage of the opportunity this year. Bro. Kohler can be reached at 6014 Patterson Ave., Pensacola 2030.

CLUBROOMS

When we moved into our present meeting hall we also took over the clubroom in the basement of the same building, for our members' use every Friday evening. So far, very few of our members have taken advantage of this place to meet with their brother knights and to perhaps indulge in a friendly game of checkers or cards. While the officers use this room for their monthly meeting, the room is sufficiently large to accommodate others, so we would like to see our members take advantage of this clubroom.

BOWLING

The Cullom Club won three games from Northbrook C. C., who looked more like golfers than bowlers. Gene McGurty would have won many of our golf tournaments with his scores of 78-90-77. The ball just wouldn't stay on the alleys or fairways. Bill Fergus of the Cullom Club was high man and was all smiles as their three wins placed them in a tie for the league lead with Gartner Tailors, who dropped one game to McPhele's Undertakers. L. Virnick's 555, Benny Baucara's 544, and Bill Erwin's high game of the season, 198, made the Tailors pretty tough.

The Sunnyside Inn won the odd game from the Alderman J. J. Grealis team in their fight for third place. Jack Duignan and Alexander Ciesinski were high for the Inn with 557 each. A couple of good Irishmen by the names of Kelly and O'Neill rolled 566 and 573, but got very little help from the Alderman who wasn't there. The "Best" team is now sure to finish in last place, dropping all three games to Doose Studio. (Note to Nick "Best sponsor" Buriegi) "We put up a good fight, Mister."

Will the bowler who borrowed a Westinghouse pencil from Warden Tony Miller on the train to Indianapolis, please return it? He's lost without it.

Oak Park's Barbecue Books Are Now Being Delivered to Members

2-4 Mon. . . . . 641 S. Scoville Ave.

The Easter Monday meeting was very well attended, considering the prospect of bad weather and the many activities for the night. The ordinary business was rapidly finished and the members were treated to a movie of the sport of hunting big game in Africa. Dodging a charging lion can't be any worse than crossing some of these streets as certain types of drivers try to hunt pedestrians.

Among those present was the Lecturer, whom we thought was in St. Paul. But we did miss the Grand Knight, who, we understand did not get finished with his business in the east and consequently could not be with us. Joe Cagney, our efficient Deputy Grand Knight, did a good job.

The Barbecue ticket committee, in the person of Harold DuChateau, urged that every member get busy and dispose of his book. He stressed the ease of doing so, especially in view of the worthiness of the cause. He also pointed out that in selling the books, it is not necessary to be a ticket pest. Remember, brothers, this is a cause well worthy of your support, and the publicity is great so that you cannot approach anyone and be faced with the necessity of first making a sale of the cause. In case you have not received your book at this time you will receive it in a day or two.

We learned last night that the wife of Brother Bob Carraher is now in the hospital. We certainly hope that it is nothing serious and that she will be home soon. Bob is out and around again, and we hope soon to find him and the missus strolling along East avenue.

Another thing we learned was the death of Pat Golden's mother. Mrs. Golden, who had been ill for some time, was buried on April 14. Our heartfelt sympathy to Brother Golden and the other members of the family in their loss.

Brother Herman Ericksen, a round table veteran, was all smiles last night. The reason was the marriage on Saturday of his daughter, Dorothy, to Dan Mullane. The wedding took place at St. Bernadine's church. We extend the best wishes of the Council to the young couple, and hope that they may have many years of happiness.

The Oak Park Four's will hold their annual May dance at the clubhouse on Saturday, May 17th. Tickets will be 40 cents, plus tax. This will be one of the finer social events in the moderate price class. Bring your best girl over to this party and enjoy yourself. You can depend on the Fours to give a real party every time.

We learned at the clubhouse that Brother Charles Collins is passing the cigars. Last night a son arrived to brighten the home of Brother and Mrs. Collins. Mother and baby are doing fine. Congratulations and best wishes from all the members.

Word comes to us that Brother Nicholas Madden is in the Illinois Central hospital for observation.

Ray Block, that admirable Santa, is now in Puerto Rico. And they don't have snow there either. How about the reindeers, Ray?

The bowling race is in the last week. By the time that this is in type the boys will be battling for first place, and if you are not there you will miss good entertinment. Don't say that we haven't been warning you. Full bowling news next week.

CUBAN BISHOPS, K. OF C. SPONSOR BROADCAST TO NOTE INDEPENDENCE DAY

Havana.—To commemorate the Grito de Baire, an important date in the history of Cuban independence, a three-hour broadcast from station CMQ, heard throughout the island, was sponsored by the Cuban Hierarchy and the Knights of Columbus. Among the prominent speakers were Archbishop Valentino Zubizarreta y Unamunsga of Santiago, Bishop Enrique Perez y Serantes of Camaguey, Bishop Alberto Martin y Villaverde of Matanzas, and Bishop Eduardo Martinez Dalmay of Cienfuegos.

Paderewski's teacher tried to discourage him from becoming a pianist, saying he had slight talent for it.

We again assume the pleasurable appointment of scribe pro tem, G.K. Edward J. Kelly, having wearied more or less of wishing the members might cooperate by furnishing contributions for his line.

Lifting the lattice work discloses none other than your F. S. again in the role of tattler of topics. Says you . . . here's where we get another barrage of bombastics on finances and lack of same. Says I, it isn't necessary. The response to our last quarterly statements has been extremely gratifying, especially in view of the recent unusual drain on the exchequer. Evidently, that hard language we resorted to in the last writeup got under the skin of some of our good members who just think everyone is as financially stable as they are.

MEMBERSHIP—BARBECUE

The important items before the house at the present time are, of course, membership and barbecue. We expect to put on the degrees at a very early date. A special effort on your part to secure at least one applicant will help very much. We have everything to offer that a Catholic young man most desires in associating with men of his faith, and the diversified insurance plans now in effect are comparable, if not superior, to any in existence.

With regard to the barbecue . . . you have received your book, and the first one should now be entirely sold. For further books get in touch with P.G.K. Leo Joyce, who is chairman of Americus Council Barbecue, or Trustee John J. O'Brien, at his office, who will gladly receipt for all collections and furnish you with additional books. It is an obligation you owe Bishop Sheil and the underprivileged children of the Archdiocese to cooperate in this great work.

On Monday night, May 21, at 8, at St. Philip's bowling alleys, Jackson and Kedzie, there will be a match game between a team of old-time bowlers and a team of the leading bowlers of this year's league. All members of the council are cordially invited to attend.

GOOD WORK ON A.A.L.'s

Since last mentioning A.A.L., we have been successful in bringing three more inactive members back into the active fold, a total of six since the first of the year.

Following is a list of members whose mail has been returned, with their last known address: Thomas M. Bulger, 921 S. Mason; Frank P. Dolan, 745 N. Central; Lawrence J. Downey, 5662 Ridge; Andrew J. Gregori, 5083 Jackson; Felix J. McCarthy, 838 S. Wesley; Lester P. Nelson, 1830 S. Albany; James E. O'Malley, 5523 Washington; William J. O'Rourke, 615 S. Harvey, O. P.; Frank Powers, 5444 Potomac; Thomas Sheehy, 222 N. Keystone; James H. Smith, 1924 Wilcox; John T. Sullivan, 30 S. Kedzie; Ralph C. Wallace, 149 S. Kilbourne; and John J. Barrett.

God forbid, but there is a possibility that one or more of these members may have passed to his eternal reward ere now. The Supreme Council and the officers of Americus Council would much prefer that the widow and family of any such unfortunate should receive the amount due his estate, rather than that they should be deprived of it simply because the Order has not been notified.

During the last year Americus Council has placed in the hands of two widows of members substantial death benefit payments they had no idea they were entitled to. The members and their families were of the impression that because they had discontinued making payments years previous, they had no reason to believe their policies were still in effect. Both these widows received the face value of the policy, less the small amount of equity that had been used to keep the policies paid up. Any attempt to describe their gratitude to the Knights of Columbus would require a more prolific pen than that the writer possesses.

We are happy to report that future Knights have recently blessed the homes of Bill Lynch and Jimmie Coughlan. Future aspirants also for Americus scholarship honors.

To those who have had the patience to permit the infliction of the foregoing on them, we extend our sincere thanks. P.S. Try to come to the next meeting, Tuesday, February 21.

Newman's First Spring Party Is Scheduled for This Saturday Evening

1-3 Thurs. . . . St. Mary's Hall, Evanston

I have been asked to sub this week for Bro. Geo. Hebson who is to succeed Bro. James McNair in writing this column. Bro. McNair is to be congratulated on performing a mighty good job as Newman's Scribe for the past six weeks. His niece, Mary Guy, is also to be congratulated on winning a popularity contest sponsored by the Evanston News Index.

Geo. Hebson was unable to write this week's column due to the fact that he and his dad are very busy preparing their new restaurant on the southwest corner of Church street and Keeler avenue, Skokie, Ill., for opening night Saturday, April 19.

By the way, folks, please don't forget the gala council party to be held at the American Legion Hut—Central street—next door west of the Elevated station, Saturday night, April 19, dancing and eats. Bring your friends.

Bro. Jim Mellody left for his home Sunday after being confined in the St. Francis Hospital for the past two weeks. Past Grand Knight Louis Bisson was also confined to the same hospital for the past week and left for home last Monday. We hope these brothers will be as good as ever in the very near future.

We were sorry to hear of the death of Mrs. Peter Geishecker whose husband is a well known member of Newman Council and captain of the Evanston Police Dept. Mrs. Geishecker was very active in St. Mary's Parish affairs and her passing was a deep loss to all that knew her. Newman Council extends to Bro. Geishecker and her family their deepest sympathy. May God grant her soul eternal rest.

During the past week word came to Evanston that our good friend on the north Rev. Joseph Byrne assistant to Rev. Leo Hartke at St. Athanasius Church was made Pastor at the Sacred Heart Parish at 19th street and Loomis, Chicago. Congratulations, Father Byrne, and congratulations to the Parishioners of Sacred Heart Church. St. Athanasius loss is your gain.

Now, folks, a little sermon from your Grand Knight entitled "Many are called but few are chosen." Since the draft was instituted Newman Council has lost only one member, namely, Bro. David McCann, a nephew of our popular P.G.K. Dan McCann. Bro. David was one of Evanston's first boys to volunteer.

I have been asked several times why more of Newman Council boys haven't been called and how soon some of them might be called. In inquiring at the different Draft Boards in regards to certain brothers standings this is what I found:

Joseph Flinn, underweight; Tom Sullivan, overweight; Napoleon Waterloo, water on the knee; Ray (Chink) Beelan, might be sent to China; John Vose, feet too small; Walter Gehant, might be drafted by the Boy Scouts; E. Wm. Miller, wife won't let him leave; James Shea, too shea-ky; Joe Corrado, everything O.K. but his ears; Tom (Mix) Stark, can't hear alarm clock nor bugle.

BOWLING—SOFTBALL

Bro. Tom Zicco wishes to announce that there will be softball practice next Sunday morning starting at 10:15 a. m. at Church street and East Prairie road, opposite the 3500 Club, Skokie. Everyone that cares to play softball this year be on hand.

Last weeks bowling resulted as follows: Hebson Boosters won 3 games from Evanston Beverage, Davis Candies won 3 games from Smith Excavators, Menkes Westmore's won 2 games from Ziccos Clippers, Schaefers Undertakers won 2 games from Frank and Harry, Alten Mortuary won 2 games from Art Weiland Florists, Dr. Fitzgerald's won 2 games from the Ridge Cleaners, Corcoran Attorneys won 2 games from the Bell and Hayes Insurers.

High Three Games—Alten Mortuary, 2,791; 2nd high,—Art Weiland Florists, 2,749.

High Individual—Three Games—Cliff (Dirty) Dalton, 566; 2nd high—Morrie Steiner, 561. Morrie also rolled a 244 game, Peter Pennachia ralled a 233 game, Art Weiland rolled a 211 game, Williard Uttenreuther rolled a 202 game.

It's all yours now, Geo. Hebson.

For every gold brick on the market there is a purchaser born.

FR. O'CONNOR TO MEET FOR COMMUNION MAY 4

1-3 Thurs. . . . . 4660 No. Kedzie Ave.

For the first time in many years, Fr. O'Connor's Annual Communion Sunday will not be at St. Pascal's Church, the home parish of our Chaplain, Father Rausch. St. Pascal's Parish Hall, the scene of the Council Breakfast following the Mass, is being remodeled and will not be available for some time.

However, Father Stokes, assistant pastor of Our Lady of Mercy Parish, has invited the Council to receive Communion in the Parish's new Blessed Virgin Chapel. The altar in this chapel was donated by Fr. O'Connor Council and stands as an everlasting memorial to our beloved patron, Fr. "Chick" O'Connor. Father Stokes, who directed the erection of this new chapel, informs us that the council will have the exclusive use of the chapel for the annual Communion Mass. The date selected is Sunday, May 4. The time 8 a. m. Breakfast will be served immediately following the Mass in the school cafeteria.

TUESDAY KNIGHTERS

Last week we announced that a Guest Columnist would strut his stuff in this space. At the time we were referring to Bowling Secretary Phil Doyle. But Phil let us down just a little bit. He merely elaborated a little more on his usually elaborate report on the affairs of the Council's Bowlers. Before turning you over to Phil, we would like to take this opportunity to pay tribute to the active officers of the Tuesday Knighters' League.

President Joe O'Brien not only led his team to the league title but did a perfect job of running the league. Joe conceived the idea of a contest on an all expense trip for two persons to the Notre Dame-Iowa football game. This afforded the keglers an opportunity to defer some of the cost of making the trp to Indianapolis.

League Secretary Phil Doyle, who kept you posted with the scores and standings, performed an unusual feat. He didn't receive one complaint about a mistake during the entire season. When you consider the terrific amount of detail work handled by Phil during that time you can realize that he turned in a grand job.

Treasurer Bill Fialkowski was also tops in his field. Big Bill devised a new system of bookkeeping that simplified the task of keeping records for the team captains. Due to his efforts the season ended with the league in a better financial condition than it has in many a year.

"Here are the winners! Single Sweepstakes. Group 1: Ternes, 649, and Brady, 623. Poor Droske, he had 607, and while he had the high individual game of 224, there was no prize for high individual game. He asked, "why not?" Again, Poor Droske. Jautz had 610 but had to bowl on alleys 9, 10, 1 and 2. We'll draw for alleys in the doubles.

Group 2: Wilson, 663; and Cunningham, 638; Keehan had 630. Too bad, Jack, you should have hollered louder. Marty Sullivan had 633. He should have copped. Coleman scored 610. Too bad, Jimmy, should have pulled up harder. I mean your pants.

Group 3: Metzen, 669, and Smith, 605. Poor "Battling McGuire" missed by a pin. He had 604.

The ABC's for doubles sweepstakes bowlers. The doubles will be rolled at the Monte Cristo Alleys Tuesday evening, April 22, at 8:00 o'clock. Please make a special note of the starting time as this is one hour earlier than usual. Refreshments will be served with the compliments of Bob Hathaway and Paul Sandall, alley proprietors. There will be no handicaps, except in bowling, and of course some of us have too many. There will be fun for the fun lovers. (Your Scribe has deleted the next line.) Doyle still has the pencil, some publicity!! "When the Chips Are Down Powers" bowled 370 last week. Some chip, eh!

The Big Shots didn't bowl so well. Spring weather, I guess. Attendance was akin to a baseball opener in Brooklyn. President Joe O'Brien announced that prizes would be awarded for paid-up bowlers after bowling sweepstakes. Joe is certainly a good president. Big Bill, our treasurer, is a swell guy, t year's officers will be elected imm following the regular council me May 15th. Jack Gries bowled 55 dianapolis and the poor guy di any publicity. Jim Mangan was behind. Poor Dick Navin was We missed you, Dick, and Earl

Marquette Makes Final Arrangement for May 4 Communion; St. Henry's

1-3 Thursday.....1928 Devon Ave.

G. K. John E. Hesse advises he has made arrangements for Marquette Council to receive Communion at the 8:00 o'clock Mass at St. Henry's Church, Devone and Hoyne Aves., on May 4th. This is the church where our Chaplain, the Rev. Fr. Charles H. Epstein, is pastor.

After the Mass our members are requested to have breakfast "on the Council" at our club rooms.

COUNCIL ACTIVITY

BARBECUE BOOKS have been delivered to all the members now. We got an early start on the distribution of these books this year and the committee requests every member of the Council to get behind the movement and sell these tickets.

WHY A FRATERNALIST?—For information regarding some of the things the Knights of Columbus are doing, please read story on page four of last week's issue of your Columbian as written by Julius M. Altenhofer, a District Deputy of the Order.

THE ALL-STATE GOLF tournament will be held on June 25 at Olympia Fields, according to P. G. K. Thos. D. Grffin of our Council, who is also chairman of the Knights of Columbus State Athletic Commission. Better arrange your foursome.

MAY PARTY—Our annual May party and dance will be announced very shortly. Plan on attending this gorgeous affair.

Bro. Dominick Syron's son Thomas, a student at St. Bede College in Peru, Ill., and planning to enter the Benedictine Order, received his cassock, belt and scapular on March 21. He will leave in June for a year at the Arch-Abbey of St. Vincent in Beatty, Pennsylvania, after which he returns to St. Bede for another six years of study before ordination. The Council celebrates with Bro. Syron in this joyful news, and sends well wishes to his son Thomas.

Bro. Phil Wetter, ace bowler, and captain of the Griffin Tigers in our Council league, is now the proud owner of a beautiful Plymouth automobile.

BOWLING

The McGuire Wildcats continue in the lead in spite of winning just one game from the Delana Demons last week. Bro. Fellows led the McGuires with a score of 585, while Bro. Chas. B. Cronin's high score of 576 helped the Delanas in winning two games.

The Griffin Tigers won two of the three game series from the Donoghue Tricks, high for the Grffins with a score of 490 was their Capt. Bro. Wetter, while our genial young dentist, Dr. Ed. Meyer, had top score of 437 for the Donoghue Tricks.

Standing to date:

McGuire Wildcats	44	37
Donoghue Tricks	42	39
Griffin Tigers	38	43
Delana Demons	38	43

St. Pat's Bowlers (?) Enjoy Visit at Nat'l Tourney Last Week

1-3 Tues. . . . . 6 N. Hamlin Ave.

Returning home from Indianapolis Monday morning, April 8th, our highly optimistic maple shavers who had anticipated great changes in them thar parts, appeared all bedraggled and all too glum.

They did, however, have one grand time while it lasted. From the time the boys left the Windy City to the time they came back (and very reluctantly, too.) it was one series of laughs after a good long cry. Brothers "Screwball" Frank Damato, Geo. "Bachelor" Latelle, and "Giggles" O'Connell replayed some of their games on the choo-choo, and incidentally that is the only place some of the boys did any "bowling" unless one wishes to mention some of the "fashionable" pubs they visited while touring the great Hoosier Metropolis. But then the primary object of the trip was to have fun—and how they did have it.

Here are some of the scores, some good, some bad, and others too mediocre to even mention. In the five-man event, a group of fellows who called themselves "Black Rocks" could muster but 2107 pins, a score that Junior Latelle and his boy friends could beat without much effort. The Damato Taps, starting out with a putrid 643, wound up with 2464. On this team John Failla had 555 and H. Piovosi, 511. The "Freda Meats" did not fare very well, either. Their efforts could not carry them beyond 2243. The only team that made a respectable showing was the famous Allegretti Grills' five who collected a total of 2637 pins on counts of 567 for R. Latelle, 561 for J. Bousk, Garvey 532, O'Connell 500, and Galena 477. This figure, however will net them only an honorable mention.

The doubles division was topped by H. Piovosi-F. Garvey, 1150; W. O'Connell-R. Latelle, 1078, and F. Damato-J. Bousk, 1028. Our handsome D.G.K. W. O'Connell really showed the boys how it was to be done in the singles. His 630 total topped F. Garvey by 9 pins while R. Latelle got 601, J. Bousk 590, J. Failla 558, Basile 535, Piovosi 516, F. Damato 513, and G. Latelle 508. Well boys, just remember that we can't all win. Maybe 1942 will be your year.

ABOUT THE MEMBERS

Brother Ralph Napolitana recently inducted into the U. S. army, is now doing duty at Fort Sheridan. His recent missive gives us the impression that the military life is okeh but he misses those Tuesday night sessions. G.K. Thos. Cregan's absence from the bowling alleys continues to mystify his many friends. We'll be glad when his ailing frozen foot affords him ample strength to resume his bowling.

Walter Carbonel is finally on the road to recovery. He is now at home. It won't be long now before he returns to our meetings and dispenses the amber fluid.

LOCAL BOWLING NOTES

When the McGinty Black Rocks suppressed the winning ways of the stubborn Rex Paints, they all but clinched the title in the second half, thus becoming undisputed champions of the 1940-41 season. They hold a 3 game lead over the Allegretti Grills and with only six games to roll they should be in.

The one-man Weiland Florals, J. Schmitt, beat the Deir Morticians twice. The Damato Taps clipped the fast-fading Emergency Radios, 2-3. Cahill Printers took picks on the poor Moriarty Indians, and consequently the latter lost all 3 tussles. The Allegretti Grills made a mess of things when they dropped the odd game to the ABC's. Freda Meats just managed to pull the last game out of the fire and thus took the edge in the series. Worthy of mention are W. O'Connell's 603 series, R. Latelle's 573, Stumpo 527, Basile 530, Guinta 530 (214), G. Burns 517, Racine 516, Spero 528, Galena 527, Fiorito 522, R. Bennish 511, G. Latelle 508, Fitz 506, and Nolan 514.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and regaineth with Thee in the Unity of the Holy Ghost. Amen.

DE SOTO TO CELEBRATE BIRTHDAY, APRIL 24

2-4 Fri. . . . . Clark and Belmont

It being customary and traditional in De Soto to find all sorts of excuses and reasons to stage a big jamboree and party, our Lecturer Joe Cella and the Officers of your Council have selected our next meeting night for a gala celebration of forty-one years of progressive activity and successful achievement in the Order of the Knights of Columbus.

In order to stage this grandiose affair in a manner equal to the event and to avail the members of every opportunity to completely and fully enjoy the many attractive features composing the program, it was found necessary and advisable to change the meeting night from Friday, April 25 to the night preceding, Thursday, April 24, and the location from De Soto's Council Chambers to St. Alphonsus School Auditorium located on Wrightwood Avenue, a half block west of Lincoln Avenue.

There will be a short business meeting commencing about 8:30 p. m., immediately after which Lecturer Joe will start the parade of events. Acting in the role of Master of Ceremonies will be a very capable and versatile gent in the person of Vincent Gottschalk, who, through many years of experience in the theatre and on the radio, has acquired a reputation of no small import as a talented and skilled artist. His jovial personality, ease of manner, refreshing quips and delightful wit will afford you many laughs and moments of enjoyment.

In addition many other interesting performances will be presented including funsters, pranksters, songsters, etc., and lest we overlook something very important, we better jot down pronto that some delightful refreshments will be arranged and pumped into circulation for your consumption and to whet your appetites for the spaghetti eating contest which will be open to all-comers and prepared by the delicate and skillful touch of that master epicure and connoissuer of the culinary, Joe Saccone.

Yes, Brothers, it'll all take place on one night, the celebration of our 41st anniversary on Thursday evening, April 24. Tune in on this big splash of your Council by being present at St. Alphonsus School Hall on next Thursday evening and bag yourself a bundle of chuckles and a load of fun.

DEGREE CANCELLATION

Inasmuch as change seems to be in vogue, we should like to mention that contrary to our announcement of last week, the exemplification of the First and Second Degrees of the Order scheduled to be conducted by De Soto at its meeting of Friday, May 9, has been cancelled.

However, in order not to disappoint the many De Soto candidates eligible for induction, your Grand Knight, Gene Scanlan, has arranged to have them initiated at the exemplification to be held by St. Cyr Day Council on the evening of April 21st. Therefore, all members who have sponsored candidates are requested to immediately notify their prospects and arrange to have them present at St. Cyr Council Chambers, Prudential Hall, Halsted and North Avenue on Monday evening, April 21st, at about 7:30 p. m.

In this connection, we might state that the Membership Drive has not developed and progressed with any particular degree of success. Despite all efforts of the Chairman, Mel Langenbach, and his Membership Committee, to provide the campaign with the enthusiasm necessary to achieve our quota, to date sufficient momentum has not been acquired in the drive to assure a satisfactory completion.

Brothers, this is one of our most important obligations. The Knights of Columbus is the most outstanding organization of Catholic men of our country, and should appeal very strongly to the young men of our respective communities. Throughout the country there is a notable awakening of interest in the Knights of Columbus, and a more aggressive leadership is being provided in all its branches.

At the present time, most jurisdictions have performed nobly in meeting their respective quotas. De Soto, however, has been strangely lacking in the enthusiasm and cooperation to put this drive over. We should make a determined effort to enroll every eligible Catholic young man of our acquaintance. Every member should make it his personal duty and business to secure at least one candidate before the campaign terminates in the early part of June. We again solicit and urge your cooperation and assistance in this the most important of all efforts to perpetuate the Order and your Council.

BALDRIC & SWORD

On next Monday evening, April 21st, the Baldric & Sword Club of De Soto Council will conduct its regular monthly meeting at Gross Park Hall, 2125 Roscoe street, at 8:30 p. m. As previously mentioned, President Jim Kennedy has engaged the services of Mr. Peter G. Drautzburg, United States Secret Service Agent, to entertain the members of the Fourth Degree with his many interesting tales acquired during twenty-five years of experience in this colorful branch of the Federal service.

His theme will be woven around the escapades of the counterfeiter, the various forms and methods of counterfeiting, its detection, and the punishment of those found guilty of participating in the business of tampering with Uncle Sam's most treasured privilege and prized possessions.

FRATERNALIST

It is very possible that you don't read your Columbian in its entirety, and altogether more possible that you read everything within its limits but the hodgepodge of this column. I would like, therefore, to refer you to a very interesting article appearing on Page 4 of the last issue of your Columbian, entitled "Why a Fraternalist?" written by our own P.G.K. Jules Altenhofen.

You will find it contains some very interesting observations and is written with the ease and grace of style and bold and sincere logic of one who, in his every effort and activity, truly exemplifies the spirit of Knights of Columbus fraternalism in all its aspects.

We note with deep sorrow the passing of one of our Honorary members, Bro. Lucien F. LaCroix. On Tuesday evening, April 15th, a large group of De Sotoans paid him their final respects at Birren's Chapel at Southport and Wellington Avenues, from where he was buried on Wednesday, April 16th to St. Sebastians Church and thence to St. Boniface Cemetery.

We avail ourselves of this opportunity of extending to the bereaved family our sincere condolences.

Ravenswood Communion May 18th at Our Lady of Lourdes

1-3 Wed. . . . . 1521 Wilson Ave.

Ravenswood's Annual Communion Sunday will be May 18, at the eight o'clock Mass at our Lady of Lourdes Church, Ashland and Leland Aves. In the past we have had good representations for this religious function, but G.K. Morgan hopes this year will find an even larger group in attendance than ever before. A week or two before the 18th, you will receive a card asking your cooperation. Don't ignore it.

A definite date has not been set for the May degree initiation of our district at which we will be host. If we are to maintain our prestige, we must have several new candidates for induction that night. Get a member!

The Ravenswood-Lourdes Bowling League closes next week. We must have several stars in the group and you'll hear about them. With the league closing, they should soon have their banquet which Ravenswood Council will shine at for a certainty. You know how our bowlers are at the festive board.

The touch of spring weather has been pretty swell, hasn't it? No doubt, it will have much to do with other knights of our council joining the sports brigade led by Clem Morgan and Dave Healon. For family men who probably have their cares in life, they really look nifty. And speaking of clothes, we haven't heard from Erwin Gregor who used to be the best clothing man in the city until he transferred to New York. You can bet he's conquering that territory now.

Do you suppose Ravenswood's golfers will be starting their round of tournaments soon? Suppose Mike Metzger, our current champ, is back from Florida now ready to defend his laurels. Mike's a nice fellow, but Lecturer Art Collins is my candidate. Although young Joe Grady hasn't been rolling with our bowling league, because he is holding a night shift together, he's been doing enough practicing in the wee hours to become considerably better. Take that any way you wish, Joe. And while we are "on" bowlers, Chancellor Clem Nowicke rolls in the Advertising League Monday nights with fancy shirt, shoes, etc. Quite good, we hear. See you next week after our post-Easter party.

Fourth Annual Barbecue Rolls on Toward Record

General Chairman Cites Project as Means of Renewing Interest of Membership in Order's Programs

Forging steadily ahead of the hedules set during previous camaigns the Fourth Annual Knights of olumbus Barbecue to be held on June 8 at Riverview Park, bears every arly indication of resulting in the ost successful, large scale Order acvity ever undertaken in the Chicago rea.

Promoted each June since 1938 in enefit of Bishop Sheil's Underprivileged Youth Fund, the Barbecue has creased in poularity each season. he first campaign resulted in a net nation to His Excellency's fund of 7,911.77. In 1939, the project had proved itself that the total donaon was increased by more than a ousand dollars to $18,703.97.

Last year the final sum turned over Underprivileged Youth Fund was creased again, this time to $19,-2.41, and to net, as a result of the ree campaigns, the exceptional to- of $56,368.15.

Is Aid to Council Growth

Ludwig A. Streck, chairman of the 41 Barbecue, pointed out that these nual donations to Bishop Sheil's nds have been made by the local uncils without disrupting any other ase of council activity.

"Indeed," he said, "the Barbecue has many instances resulted in a rewed interest in council affairs sim- because it reawakened the indiual member to the tremendous force for good that is represented in a unified and cooperating organization such as our own.

"Many members," he pointed out, "will remember the considerable drain on the councils that was involved in 1934 when our local units donated $8,-000 to the C.Y.O. This sum, less than 30 per cent of our smallest Barbecue donation, represented several times the effort we now expend in promoting the Barbecue program where the return is more than five times as great."

Sectional Meetings Start

During the next few days the first series of sectional meetings will be held throughout the city when the divisional chairmen from each of the six sections into which the councils have been grouped, will meet with the Grand Knights and committee chairmen to revamp details of the campaign.

That most of the groundwork for a successful drive is well laid in each of the separate councils is indicated by the rapidity with which most units completed the distribution of their books this year. Always one of the major and most difficult parts of the early organization effort, the book distribution this year was completed so far in advance of most expectations that almost ten days have been added to the period normally expected for ticket sales promotion.

F. A. Thelen Dies of Injuries After Automobile Crash

Director of Home Finding Association Succumbs to Shock Following Crash Here April 1

Frank A. Thelen, a director of the Catholic Home Finding Association of the Knights of Columbus in Illinois and a member of Aurora Council at Aurora, died last Tuesday morning, April 15, at St. Charles Hospital of injuries suffered in an automobile accident in Downers Grove on April 1.

Although Mr. Thelen's injuries had not at first appeared critical, shock from the accident and his age, he was 71, brought about complications to which he succumbed.

Mr. Thelen was appointed a director of the Home Finding Association in 1930 and because of his keen interest in all youth movements, soon became one of the association's most active members.

He had long taken part in city affairs in Aurora and was several times a candidate for public office. He ran unsuccessfully for commissioner in 1931 before the return of aldermanic government, and was a candidate for mayor in 1935. He had been a candidate for alderman the day before he met with accident.

He was also active in bringing about the passage of the Aurora city election law and served as the first chief clerk of the board of election commissioners.

A widower, he is survived by two sons, Leo, of Moline, and Jerome, of

Assembly Presents All-Star Program for Ladies' Night

Vaudeville and Musical Numbers Will Highlight Tuesday Session for Sir Knights

The ladies will be special guests of La Salle General Assembly, Fourth Degree, at the entertainment to be held on Tuesday evening, April 29, at the Palmer House. This 1941 "Ladies' Night" feature will be a slight departure from the sometimes-too-classical "Spring Musicale" of former years. Comptroller Cornell knowing that the ladies have long been curious to find out just what kind of entertainment is provided for their men-folk at the regular meetings of the Assembly, has arranged an all-star vaudeville bill for their particular pleasure.

W. C. Dornfield, popular master of ceremonies and purveyor of sophisticated magic, will headline the cast. Assembly members have enjoyed Bill Dornfield's talent on more than one occasion, and certainly the ladies will be glad of the opportunity of seeing this personable young man and his "bag of tricks."

Miss Olive O'Neill, that gifted soprano who proved such an outstanding favorite in a previous performance, is likewise certain to charm our ladies with her beautiful renditions. Betty Lee, known throughout the theatrical world as the "Wizard of the Xylophone" will be there to prove that

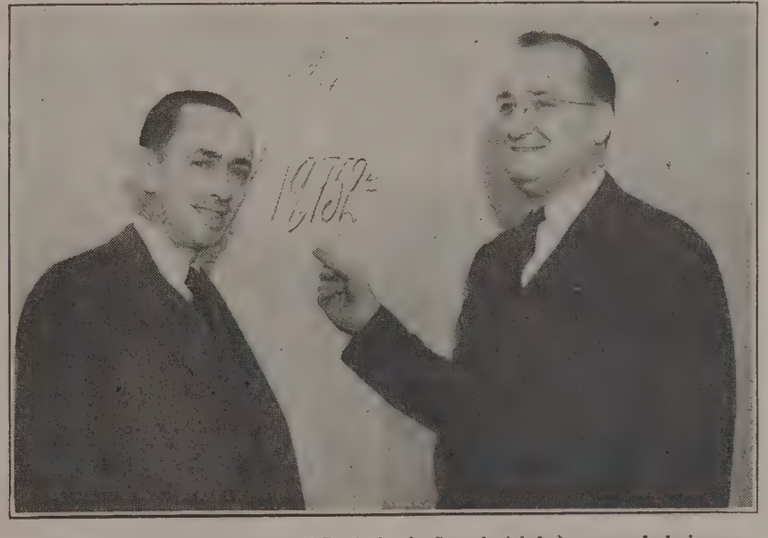
Hope for New Barbecue Record



James Carney, secretary, and Ludwig A. Streck (right), general chairman of the Fourth Annual Knights of Columbus Barbecue to be held at Riverview Park, Wednesday, June 18, in benefit of Bishop Sheil's Underprivileged Youth Fund, expressed the belief this week that this year's affair would top the record donation of $19,752.41 contributed as a result of the 1940 barbecue effort.

An early completion of the book distribution plus a large receipt of ticket sales—two sure barometers of the program's progress—indicate that the hopes of the General Chairman and his committee are not without good foundation.

Benefit for Alexian Hospital to Be Given at Stevens Sat. Night

Saturday evening will find the entire second floor of the Stevens Hotel captured by lovers of good music and good fun—and good giving, too, for here will be held the Gala Diamond Jubilee Benefit of the Alexian Brothers' Hospital.

Crowning several months' hard work by more than 800 loyal workers, the evening will celebrate the success of the drive to bring to the hospital much needed money. All proceeds will go to finance the extensive charity work which has earned for the hospital an enviable reputation for over three-quarters of a century.

While the benefit will owe its splendid success to the unstinting efforts of all its workers, some of the leaders in the drive are: Mr. George Krick, general chairman, with Mrs. Conrad E. Niehoff, chairman of the Women's Division; Mr. and Mrs. Wm. H. Stanley, Mr. and Mrs. A. G. Konitzer, Dr. and Mrs. Leo J. Latz, president of the staff; Dr. and Mrs. K. W. Ossendorff, Mr. and Mrs. George Greenburgh, Mr. and Mrs. J. B. Hittell, Dr. and Mrs. E. W. White, Dr. and Mrs. D. E. Murphy, and Mr. and Mrs. Frank L. Engel.

Planned for the program with the greatest of care is the dancing music of Keith Beecher, his ten men and a girl . . . the distribution of more than 250 exciting door prizes . . . table prizes galore . . . games for young and old . . . and entertainment for all.

Interment was in St. Patrick's cemetery at Arlington.

she well deserves the name. Ada Lynne, juvenile impressionist, and Bill Talent, that laugh-provoking "master of difficulties," will complete the well-balanced program. Al Marney, pianist par excellence, will accompany all of the artists and very probably indicate, with a few solos, that he is quite an artist himself. Ice cream and cake will top off a grand evening.

THEATRE PARTY—MAY 14TH

"My Sister Eileen," that carnival of hiliarity which delights large audiences nightly at the Harris Theatre was the show chosen for the members of La Salle Assembly and their guests on the occasion of the annual "Theatre Party"—Wednesday, May 14. Notices mailed during the past week outlined the plan of securing tickets for the theatre and reservations in the College Inn after the show.

Members are urged to pay strict attention to the dates of the seat sale (May 1, 2 and 3). Only a limited number of seats in the theatre will be available at the special prices.

Brownson Members Put All Energies in Barbecue Work

2-4 Fri. . . . . 4754 N. Western Ave.

The report published on the front page of last week's Columbian stating that early reports and returns on the Fourth Annual K. of C. Barbecue for benefit of Bishop Sheil's Underprivileged Youth Fund are far ahead of previous years, finds Brownson among the other councils that have turned the full energies of their membership toward this most worthy cause.

Chairman F. A. Kohler reports that all our members have now received one or more books and that already some have asked for additional books. Our chairman advises that as an added inducement for our members to make returns early he will offer special prizes at both of our May meetings. The more books you dispose of, the more chances you will have for these prizes. It will not be necessary for the brother to be present the night of the drawing to win. So if your book is now partly sold, try and dispose of the balance by May 9.

COUNCIL EVENTS

RETREAT—Surely, if 45 doctors could find time to make a closed retreat that ended Thursday morning at the St. Francis Laymen's Retreat House at Mayslake, Hinsdale, Ill., our retreat chairman, P. G. K. F. A. Kohler, should not find it hard to secure 40 or 50 Brownson members to make a like retreat the week-end of May 16-19.

Already he has the promise of about ten of our members and their friends. Those who have not received reservation blanks are asked to call Bro. Kohler at Pensacola 2013 for reservations.

THIRD DEGREE—Brownson is joining with other North Side councils in honoring State Deputy Judge John F. Bolton with a third degree exemplification next Sunday, April 27, at the Edgewater Beach Hotel at 2:30 p. m. All our members are invited, and those who sponsored candidates awaiting the honor of this degree are asked to see that these candidates are present.

FOURTH DEGREE PARTY—Just a reminder to all Fourth Degree members about the musical program given by the La Salle General Assembly next Tuesday evening, April 29, at the Palmer House. As one who has attended these programs in previous years, I urge all Fourth Degree members to be sure to take their wife or sweetheart to this affair.

BOWLING

It's been a hard race but the Cullom Club finally has caught up to and passed the former leaders, the Gartner Tailors by one game. With only one week to go, Jockey Wm. Erwin is yelling plenty and is now using the whip on the Tailors trying to regain the lead. But Ald. John J. Grealis will see what he can do about keeping them in second place when they meet up next week in the final series. The leading Cullom Club's next opponent is Doose Studio, and if they can win this series, they can have their pictures taken as champions of 1940-1941. Bill O'Neill seems to have the individual championship sewed up.

Standing

	W.	L.
Cullom Club	48	33
Gartner Tailors	47	34
Sunnyside Inn	43	38
Ald. J. J. Grealis	42	39

Bro. John Leech, one of the main stays of the Northbrook C. C. team, is in the Alexian Brothers Hospital, room 354. John will be there for about another week and would be pleased to receive visitors.

Ravenswood Suggests Marking the Calendar for Communion Sunday

1-3 Wed. . . . . 1521 Wilson Ave.

To keep you reminded, let me repeat, Ravenswood Council's Annual Communion Sunday will be May 18. This date was chosen so that there would be no interference with Mother's Day and First Communion Sunday. Make up your mind now to be there and bring as many members with you as you can possibly get together. Be on the lookout for a communication from G.K. Morgan and Lecturer Art Collins concerning this annual religious event.

BARBECUE

Trustee Peter Farrow has distributed all the Barbecue books. If you think you don't have one, take another look around the house and then if you can't find it get in touch with Peter. He'll see to it that you get one.

Bro. Farrow is anxious that we get an early start on our sales campaign in order that we this year will again show an increase over the preceding year.

Last year the Barbecue Drive netted a nice return for our Council. As you know, a little extra income each year, for both council and member, is definitely on the "okay" side!

Just as last year, there will be a radio awarded among those of our members who have disposed of one or more books. The chance you will have of winning is directly proportionate to the number of books you sell. G.K. Morgan triumphed last year. Who will it be this year?

MEMBERSHIP

At the last meeting the applications of a few candidates for entry into our Council were read. Although this may sound like good news, and is good news, it isn't enough. If we are to again "tread the primrose path," we must have a great increase in applications. We can do that only by getting out and working to get these new members. Now that our membership drive is starting to roll a little, get on the bandwagon. Get in touch with G.K. Morgan. I know he can help you.

There wasn't the crowd on hand for our party and dance that we had expected, but those who made it their business to be there had a swell time. Lecturer Collins produced a fine little orchestra and nice refreshments to entertain the gracious group of dancers. Art's record for good entertainment is still A-1. Let's have another party soon so that the unfortunates who missed this last one may have another chance available to enjoy themselves with their Brothers of Ravenswood Council.

Attend Genoa's Cabaret Party at the Southmoor Hotel Sat., May 3.

Ketteler Readies Large Class for Third Degree Fri.

2-4 Mon. . . . . 3437 Ogden Ave.

Last Monday night's meeting was a special session called in order that all candidates might become eligible for their major degree by taking their second degree. A few candidates also took both their first and second degrees. They were Zigmund F. Stuczynski, Frank J. Sinicki, Theodore Rolewicz, M. A. Kusman and Mitchell Zuber.

Those who had already taken the first were also initiated into the second degree. They were Bros. Joseph Wisniewski, Alex J. Nowicki, Edward J. Creedon, Jr., R. E. McLelland, Eugene R. Apida, Alphonsus L. Ryan, Raymond Miller, Bruno Phillips, Chester Olcon, Stanley C. Brick, Walter Sobczak, and the Rev. Joseph Macharas.

All the above mentioned brothers will be duly advanced to the third degree on this coming Friday night at St. Philip's Gymnasium, located at Jackson Blvd. and Kedzie Ave. The sponsors are particularly requested to accompany their candidates to the hall and to see to it that they are there by 8 o'clock sharp. The date is April 28th. The time is 8 p. m. As many brothers as can possibly make it are also requested to be present to insure the success of the degree.

Present at our last meeting and assisting in the degree work of the night was Bro. Joe Bradley, Warden of Charles Carroll Council. He was accompanied by his Grand Knight, Bro. Jim Crosby.

ANNOUNCEMENTS

SOFTBALL—As soon as daylight saving time goes into effect, the softball team will start in earnest to put themselves in trim to take the boys of the other councils on the west side. Practice will be held every Tuesday and Thursday evening at Douglas Park under the direction of Bro. "Mooney" Wenckowski. Those who so desire can get a tryout for the team by reporting to the playing field without any preliminaries.

BRO. STANLEY MIXA is the proud father of a newly born baby girl of seven pounds. She was born at St. Anthony's Hospital on April 2nd. Mother and baby are doing excellently, but what about father?

Seen at our last meeting was none other than our Worthy Organist, Bro. John Majcher, who was hurt recently in an automobile accident. Glad to see you back in harness again, John. Incidentally, Bro. Leonard Schuessler was seen hobbling around on crutches as the result of having crushed one of his toes rather badly.

THE BARBECUE Committee is functioning in a very efficient manner but the return on the books hasn't proved very encouraging. The aim of the committee this year is 500 books. Make it a point to help the cause by disposing of one book. That one book, but a small part of the whole, can assume mighty proportions when each and every one of us pyramids our efforts. A word to the wise is sufficient; be wise and help the council at the same time you are helping yourself.

BOWLERS' BANQUET—A most fitting climax to a season filled with unusual successes will be the bowlers' party and banquet. It will be held Thursday night, May 1st, at Marshall Square Ballroom, one of the sponsors of a bowling team in our league. Every member of the council is invited to participate in the glorious finish planned for that night. There will be refreshments and entertainment to your heart's content. Prizes and trophies will be presented, and the officers for the coming season will be elected, after which it will be every man for himself.

As far as it can be ascertained, our boys are still holding second place both in the National K. of C. tournament and in the ABC tournament. We earnestly hope that when the finals are posted that that is the spot they will occupy.

At our next meeting it is planned to show you a movie in sound of the various steps in the production of a modern metropolitan newspaper. It is an absorbing motion picture with high educational value. Its opening scenes are laid in the virgin forests of the north country, where you will thrill to exciting and recklessly dangerous lives of the woodmen as they prepare the logs for shipment to the mills. The transformation of logs to pulp, the manufacturing of newsprint, the inner workings of a modern newspaper plant, its news room, its linotype and composing rooms, the actual printing of the news and finally the morning paper on your doorstep, delivered by the neighborhood newsboy—all this and more will tell you the story of a newspaper that cost you a couple of pennies.

EASTER COMMUNION

Your Easter Communion Sunday will be the fourth of May. We will approach Holy Communion in a body at St. Ludmilla's Church at 24th St. and Albany Ave. This is in compliance with the wishes of our State Chaplain and is an exceedingly fine manifestation of Catholic Action. There is no better way to proclaim your faith to the world than to receive Holy Communion in a united and public manner such as this.

DUES

Dues are payable to the Financial Secretary. Your Financial Secretary is Bro. Frank Estis, whose address is 1925 S. Troy St. It seems that quite a few brothers are still mailing their dues to our former Financial Secretary, Bro. Frank Kosmach. It isn't fair to Bro. Kosmach, and it only makes it more difficult for the present Financial Secretary to keep an up-to-the-minute record of your financial standing. So take note of the above and send your remittances to the proper address.

St. Anthony Mourns Death of W. J. Foley

1-3 Thurs. . . . . 73rd and Grand

It is our sad duty to report the death of one of our old members, Wm. J. Foley, who was called to his reward last Sunday and was buried from St. Sylvester's church on Wednesday morning.

Bro. Foley had been a member of Lafayette Council for many years and transferred to St. Anthony de Padua in 1923. We wish to express our heartfelt sympathy to his family. May his soul rest in peace.

St. Paul Invites Large Turnout at St. Hedwig's Sunday for Communion

1-3 Tues. . . . . 6713 Olmsted Av

This will be your last reminder v this column regarding our annual Communion Sunday. We hope that we ha made it clear that all of you men are e pected to be with us at the 8 o'clo mass at St. Hedwig's and we hope th each of you will consider this a person invitation from Warden Wm. Gregor who will be on deck to welcome yo More than that, the good sisters of t orphanage are preparing for an excep tionally large attendance at the breal fast and we should not disappoint the Anyway, this is one of the times wh you should be present in person, so plea respond "aye" when your name is calle The day is next Sunday.

LAST MEETING

The last meeting night sure was o that will long be remembered. First all, the attendance exceeded all expe tations and yet there were not very ma faces that were unfamiliar. Then t dinner was well prepared and excellent served—no one went away hungry. Aft the dinner was over George Harbert, m. c., went into the business of the ev ning. The speeches will be remembere best for their brevity, although the fe words spoken were well put and e pressed the sentiments of the gatheri as well as the speaker.

We think that we can safely say th every last man in the council chambe made it his business to be at this te timonial dinner to Rev. Fr. Kiley becau he wanted to be there and, by his pre ence at the meeting, testify to the de personal feeling and high regard whi he felt for the, as Harold put it, "greate chaplain in the order." The "I wo thank you" response of the good pad was, I think, the highest testimonial or anyone else could give to the men w turned out to pay homage to him. W can't pass the subject by without r marking how well taken were the fe words spoken by Rev. Fr. Smith, past of St. Paul of the Cross Church. O thanks go to all the men who underto any part in the arrangements for t evening. It was a job well done.

We were also pleased to have the ma friends of Fr. Kiley from Our Lady Victory parish with us as well as the Di trict Deputy and officers of Joliet Cou cil in our midst for the occasion and la though not least, Ray Kiley, who is blood brother of our chaplain.

PARTY FOR BOWLERS

Wm. Schneider, proprietor of the Ed son recreation rooms, will throw a par for the council keglers on Thursday, M 8, in the council chambers. Chairma Joe McDowell says that all the bowle are invited, but that those who cann be recognized by the committee will ha to bring evidence that they are bowle in the form of bowling ball and shoes.

Just a reminder about our annu spring golf tournament scheduled f Sunday, May 25, at Techny Fields. Jo Anderson, owner and pro, had a rea smile for members of our council at the tournaments as well as any other d you may find it possible to get away f a round or two of golf. The time is ge ting short, so you had better get in a li or two as you may find you will need little practice to get "into the groove

We hear that: Bill Brunkhorst was t promoter for the boys when the suppli were running low the other evening a that he does a good job of promotin . . . Joe McDowell has sold his fifth ba becue book already and is all primed set a record that will be good for yea to come. Some of the boys should sid up to Joe and find out how he does it we're sure he won't keep it a secre . . . Fr. Smith brought down the hou when he made reference to a complai that nobody has ever invented a creal less stairs.

Setters Outlines May's Program of Council Activity

1-4 Thurs. . . . 4711 W. Madison St.

Beginning with last night's special meeting and entertainment, which featured the moving picture travelogue presented by the Rev. Edward Boyle, the spring program of Father Setters Council moves forward with a complete schedule of important, interesting and entertaining activities. Consequently, the large percentage of active Settersites is augmented by those members who have been hibernating all winter, and increased attendance and renewed interest is apparent on every hand.

Covering the May program as arranged by Grand Knight Maurice J. Kissane and Lecturer J. Edmund Dwyer, in chronological order, we begin by calling attention to the first regular meeting of the month, which will be held in the regular council chambers on Thursday evening, May 8. While this will be primarily a business meeting, it will prove exceptionally interesting and, at the conclusion of the formal part of the program, the gavel will be turned over to the lecturer for a brief but entertaining session.

COMMUNION BREAKFAST

The next and by far the most important item on the May calendar will be the corporate reception of Holy Communion at the 8 o'clock mass at St. Finbarr's church, 14th street and Harding avenue, on Mothers' Day, Sunday, May 11. Arrangements are being made to have the mass said by either our chaplain or some other priest-member of the council. Acolytes will also be council members.

At the conclusion of the mass a full course breakfast will be served. Father Setters Council was organized in St. Finbarr's parish and, hence, the entire program will be in the nature of a homecoming for council members, several hundred of whom are expected to be present.

LADIES' NIGHT MAY 15

Ladies' night, which has proven to be one of the most popular annual parties sponsored by the organization, will be held on Thursday evening, May 15, in the auditorium of the Madison Athletic Club at the above address. Grand Knight Maurice J. Kissane and Lecturer J. Edmund Dwyer, together with a committee of experts, have arranged a highly interesting and entertaining program which is certain to please the feminine guests of honor.

On Thursday evening, May 22, which is the regular meeting night, the barbecue committee will sponsor a special program of entertainment designed to stimulate efforts on behalf of the thousands of underprivileged youth who will be the direct beneficiaries of the K. of C. barbecue to be held at Riverview Park on June 18.

The barbecue rally already bids fair to become a monster demonstration and all members of Father Setters Council are urged to come up to the meeting early and get a choice seat. At the conclusion of the entertainment, refreshments and a side of beef, prepared by Hank Evert, will be served.

ED FITZGERALD, BLOOD DONOR

Again the membership of Father Setters Council has answered the call of Christian charity and embraced the opportunity of saving a human life. Last week a call came to the office of Grand Knight Kissane from the family of Bro. Thomas Gallagher, whose son, Tom, was gravely ill and in urgent need of a blood transfusion.

Almost immediately Edward M. Fitzgerald answered the call and presented himself at the hospital where he became the donor of a pint of blood. The latest news is that the patient is progressing nicely and it is apparent that the transfusion was instrumental in saving his life.

It is most appropriate that we pay tribute to Edward M. Fitzgerald for his noble act which places him in that select band of heroes which includes Grand Knight Maurice J. Kissane, J. Edmund Dwyer and Frank Prior, all of whom have been blood donors in similar emergencies. We honor all of them for their magnificent exemplification of Christian charity, rendered in a spirit of complete self-sacrifice, out of love of God and their fellowman.

La Rabida in Dinner Dance Tomorrow Eve., at Southmoor Hotel

1-4 Tues. . . . . 6236 Princeton Ave.

All roads lead to Southmoor Hotel tomorrow evening (Saturday), April 26, when the members of La Rabida, their ladies and guests will assemble for the council's annual dinner-dance.

It will be a gala affair and no detail has been overlooked that will add to the pleasure and comfort of those present.

The committee, headed by Past Grand Knight Daniel J. Curley as general chairman and Bro. Harry Dion as chairman of the reservation committee, report that we will have 200 people in the dining room when the "call to arms" is sounded.

If, perchance, you are one of the few who has not as yet made your reservation, call Bro. Harry Dion at Radcliffe 3456 without delay. Reservations are only $2 per plate.

COMMUNION SUNDAY

According to an announcement made by Grand Knight Cornelius Driscoll, La Rabida will approach holy communion in a body at St. Leo's Chapel, 79th and Loria St., Sunday, May 18, at the 8:30 o'clock mass.

As usual, breakfast will be served immediately after mass. Every member of the council should keep this date in mind and make arrangements now to approach the holy table with the council on this occasion. La Rabida Council has always had a splendid turnout for this public demonstration of our love for Christ in the Blessed Sacrament, and please let this year be no exception.

BOWLING

The bowling results of April 21 are as follows: Dion Quints won two out of three games from the Evans Pullets, while Sunnyside Inn was winning two out of three games from the La Rabidians. Rock Island Rockets likewise won two out of three games from the Wahling ladies. The Standings:

	Won	Lost
Evans Pullets	63	30
La Rabidians	52	41
Dion Quints	48	45
Wahling Wales	43	50
Rock Island Rockets	38	55
Sunnyside Inn	35	58

Genoa to Hold Annual Cabaret Party May 3rd at the Southmoor Hotel

1-3 Mon. . . . . 7439 Cottage Grove

Genoa's Annual Cabaret Dancing Party is the topic of conversation at the Council these days. Brother Bill Condon, chairman, is working untiringly with his committee to make this the biggest affair on Genoa's social calendar. The date, as you know, is May 3; the place, the Venetian Room of the Southmoor Hotel. Johnny Marlowe's Orchestra, currently featured at the Edgewater Beach Hotel on Sunday evenings, will furnish the music. All members are urged to submit their lists of patrons and patronesses not later than Wednesday, April 30. The chairman will call a special meeting for this night and all members who are on this committee should manifest their interest by attending this meeting.

All table reservations should be made to Gerry Getty at Sag. 9040. I think you will agree that the committee has spared nothing in providing for a splendid location and outstanding band for this occasion. All we need is the cooperation of the members to make this the finest affair ever sponsored by Genoa.

NEW BUSINESS

BARBECUE—The appointment of Past Grand Knight Frank McGillen as chairman of District 6 of the Barbecue Committee has been an incentive for Genoa to surpass all former years in Barbecue returns. Brother Bob Stadler, chairman of the Barbecue for Genoa, announces that complete distribution has been made and that returns are now coming in. Don't forget to do your part.

The Council congratulates Brother McGillen on his recent appointment and we can assure Judge Bolton that he will not regret his selection.

SOFTBALL—Brothers Ed Carroll and Marty O'Brien, co-chairmen of the Softball Committee, are again calling for candidates for the softball team. All members interested should contact either Brother Carroll or Brother O'Brien immediately. Genoa is shooting for the championship this year, so let's go.

Plans are under way for the annual Communion Sunday. Watch this column for the date and location.

To date we haven't heard from our draftees, Brothers Michael Barry, James Devins and Thomas Hardiman. I suppose they are so taken up with their army life that they have not had the time to drop a line. We wish them the best of luck and would like to hear from them.

Brother Thomas F. Reilly is recuperating from a minor operation and is out of the hospital. Brother George Munger is a patient at South Shore Hospital with a broken leg. Brother William Santina, a first lieutenant in the Engineering Corps of the U. S. Army, is convalescing in the Army hospital at Fort Sheridan.

Your scribe takes pleasure in announcing in the personal column the engagement of the editor of the monthly bulletin, Brother William Morrissey, to Miss Ann Cooper. Wedding bells soon, Bill?

The National Safety Council reports that three hundred miles of continuous driving increases eyestrain forty per cent and impairs co-ordination forty-seven per cent.

Fr. O'Connor Asks Large Attendance at Communion Sun.

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

It is the sincere wish of our Chaplain, Rev. Father Rausch, that every member attend our annual Communion Sunday, May 4th, at Our Lady of Mercy Church. The Mass will be celebrated in the new Blessed Virgin Chapel at 8:00 a. m. Breakfast will be served in the parish cafeteria immediately following the Mass.

Fr. Rausch contends, and rightly so, that every member is bound in conscience to attend this Mass. The Knights of Columbus is primarily an organzaton of Catholic gentlemen. This is the one occasion afforded us annually to approach the Holy Table in a body. Everyone should take advantage of this opportunity.

SOFTBALL

The Council Fencebusters will hold their first practice session Sunday afternoon, May 4th, at Kimball and Leland Avenues. All those who wish to play Softball this year are urged to report at 2:00 p. m. Bill Sullivan, starting his 22nd year in the Knights of Columbus League, will manage this year's team. Bill has long been an idol of all the sports-minded members of the council. He has managed the council's teams for the past three years. His team of two years ago reached the semi-finals of the Championship Tournament at St. Philip's Stadium.

BARBECUE

The Knights of Columbus Barbecue in behalf of Bishop Sheil's Underpriviliged Youth Fund will reach its climax June 18 at Riverview Park. On that evening, over $5,500 in cash prizes will be awarded. The proceeds of this affair will help our beloved Bishop in his great humanitarian endeavors in behalf of over 15,000 underprivileged youth.

It was ten years ago, in 1930, that Bishop Sheil laid the foundation for what since has come to be accepted as the greatest organization devoted to the needs of Catholic boys and girls in the United States. The C.Y.O. program of religious, educational, recreational and social activities is too diversified and extensive to write about here. We are all well aware that the Knights of Columbus have always been active boosters and supporters of this movement. We ask your aid in enabling us to continue. Dispose of the book of tickets sent you by the Barbecue Committee. Remember! Our slogan is, "a book a member."

GRAVEL TALK

Your scribe is attempting to have one of the members do a guest paragraph, or two, in this column each week. This week George Loohs struts his stuff. If you would like to have an article of your's appear here we urge you to send it to Walter J. Kelly, Jr., 4901 N. Christiana Ave.

"Joe" O'Brien was recently informed that he could satisfy his need for gravel if he dug down a few feet at his Spring Grove Plantation. After going down about six feet and leveling off for about three days, he still has no gravel. Now I don't know of any gravel diggers but I could recommend a few Gold Diggers.

If he had consulted Bill King or Maurey O'Brien they could have given him the price on a yard or two. Harry Browne, Art Bradford or Walter Powers would have arranged a loan if it was needed. Ray Bodkin, Jim Clancey, George Fitzmaurice or John Golden would gladly handle the legal end. (What a gang—90 days.) Bill Sullivan would do the trucking and Wild Bill Cunningham has plenty of the old oil. Phil Doyle, Joe Nolan, or Frank Graf would wrestle each other to see who would insure the cargo.

If Joe needed a hand after the gravel was delivered, where can you find a better bunch of gravel spreaders than Gus Smythe, Bern Kamins, Jack Raupp, Pete Gerity, Doc DeRome and Jack Gries. With all these spreaders out at the plantation you might as well throw a little party Joe. Jack Hausmann can arrange a permit. Ed Droske and Frank Kotnaur will print the invitations. Lloyd Bennett will provide ample furniture, while Hugh Davis will arrange for transportation. Flowers are always in order on any well kept estate, see Bill Sedall for the best. Dan Smith and Al Furman will take care of the planting. In case Pete Jung should show up we can always call an exterminator, and who does better work then Ed Zaleski. He'd be a case for Dr. MacDonald after that.

Jack McGuire, Jack Kennedy, Joe Navin and Bud Stevens could pick up a few pennies selling papers to the gang. Dick Navin wants the concession on the lower 40 while Earl Gannon will take the upper 40. We don't think this will be any too good for Chuck Dineen and Matt Needham. Law and order will be maintained under the guidance of Sargeant Messett, Tom Mahoney and Jack Keehan. Marty Sullivan will patrol the grounds ala Godiva. If the aforementioned spreaders should start any brush fires, Chief Touhey, Maurey Stack and Frank Guyon will put them out in a jiffy. Jack Gries will serve breakfast. If Jim Kennedy will practice ringing his bell at the end of the Irving Park Car Line, he can ring the dinner bell. Joe, all this service is available just because you're a member of Fr. O'Connor Council. Answer collect if you want a hand."

KNIGHT LIFE

Joe Navin is interested in obtaining a grade school spelling book. If you have one call or write Joe. He's very anxious to get one. In case you deliver the book in person, ask Joe to show you the accordian pleats in the fenders of his car. . . . Believe it or not, Phil Doyle found another pencil. This one at a recent meeting of the officer's of the bowling league. If you lost one, call Phil at Sheldrake 7979.

Aquinas Is All Ready for Banner Attendance at Party Saturday Eve.

1-3 Tues. . . . . 5441 S. Ashland Ave.

Well tomorrow night the Knights and their Ladies of Aquinas Council will trip the light fantastic at the Stockyards Inn, 43rd and Halsted. After all the planning and hard work we will see the fruits of our labors, and I'll predict that they will be well worth the time and effort that was put into the plans for the Annual Dance but this of course depends entirely upon each and every one of you.

The reservations have been coming in very fast and we expect a capacity crowd. Let me tell you that it will be the biggest bargain on the south side of Chicago, Saturday night. The tickets sell for only $1.50 per couple. For a grand evening of fun and entertainment come to the Stockyards Inn for the best Saturday evening you have spent in a long time.

To the various committees of this dance and the general chairmen, Harry Griffin and Frank Keane the council thanks you for the hard work that you have put into this affair.

CHATTER

Word has reached me that Mike Moran was married last Saturday at Visitation Church to Miss Helen Degnan. Congratulations Mr. and Mrs.

Also we have another member of the council who is contemplating matrimony in the near future. The former Treasurer of the council is just about ready to join the ranks of the benedicts, best of luck, Harry.

I hope that all of you have at least one Barbecue book sold by this time and are starting on a second one. If not, get busy and get rid of the book in double quick time as we have a drive on to beat all previous years. Carry your book with you at all times and be ready to sell at a moment's notice.

1ST CIVIL WAR SOLDIER BURIED IN NATIONAL CEMETERY IS CATHOLIC

Vicksburg, Miss.—A Catholic immigrant who had lived in the United States but seven years was the first Civil War soldier to be buried in the Vicksburg National cemetery, second largest in the country. August H. Rosenberger of Wichita, Kans., and his brother had known their paternal grandfather was buried in the cemetery. Visiting it, they learned that their forebear was killed in action while serving with the 60th Indiana infantry and had headstone No. 1 of the 17,500 soldiers buried in the cemetery.

CHICAGO, APRIL 25, 1941 100

"The Man With the Little Black Bag"

A recent issue of the "St. Anthony Messenger" carried a most interesting article on the activities of Frank S. Estis, chairman of the Chicago Chapter's Catholic Literature Committee, and proved again, for most Chicago Knights who can recall only with difficulty the good work being done by Mr. Estis, that "a prophet is not without honor except in his own home."

As chairman of what is virtually a one-man committee, Mr. Estis, "The Man with the Little Black Bag"—so-called because of the leather case he crams full of papers for distribution—is also a one-man gang in respect to the amount and scope of his accomplishments. Ever since 1921 when he and the late Mr. Connolly, also a member of the Chapter Committee, began to distribute copies of old Catholic papers and magazines to the inmates of the several city institutions, Mr. Estis has distributed a flood of "twenty-five million magazines, newspapers, pamphlets and books—enough paper to fill to the top, every two-car garage in five average city blocks."

Time and again, the value of distributing all this Catholic literature has been offered by the acknowledgments of some fallen-away Catholic's return to the Church or by the enlistment of some new convert, because of an article or an idea that found its fruitful ground through Mr. Estis' labor.

Most of the reading matter is distributed among the fifty-odd public and private institutions in Chicago, although some finds its way by mail into forty-six of the states in the union, and some goes to such far off places as India, Japan and Russia.

Besides seeing that the jails, hospitals and other institutions are well supplied with the material, Estis keeps about forty racks in the leading hotels and railroad stations filled with pamphlets and Catholic papers so that a total of over 40,000 pieces are distributed each week by this means alone.

Most of the material Mr. Estis distributes is mailed to him at his home at 1925 S. Troy Street here. Individuals, schools, clubs and even publishers bundle their odd lots of literature and ship it off to Estis in a stream that keeps the mail and expressmen busy. Many of the councils supply a great fund of the Catholic items, and generally contribute to the progress of the work.

Ever since 1925, the Chicago Chapter has provided one-thousand copies of "Our Sunday Visitor" to Estis from the collection of a small donation from the separate councils here. Individual members have also been generous in their contributions of old crucifixes, prayer books, medals, rosaries and other items of Catholic nature, all of which are welcomed by the inmates of the institutions on Mr. Estis' list.

With the opening of the various military training camps throughout the nation, a new demand for Catholic reading material has been created to tax Mr. Estis' industry but so far the requests of several chaplains for all forms of Catholic literature, irregardless of age or condition, has been met promptly. Additional contributions of materials will be needed to satisfy the new demands however, so that everyone is asked to scour their basements and attics for old books, papers, or magazines and to send them to Estis at 1925 S. Troy St.

CARROLL CHAPLAIN TO SAY COMMUNION MASS

Next Meeting, May 6, 6 N. Hamlin Ave.

An eager response has been given to the proposal of Grand Knight James J. Crosby that our very own Chaplain, Rev. John S. Kennedy, O.P., celebrate the annual Mass and Holy Communion, which will be attended by the members of Charles Carroll Council, on Sunday, May 4, AT THE PRESENTATION CHURCH, SPRINGFIELD, POLK AND LEXINGTON STREETS, AT THE 8:00 O'CLOCK MASS.

REV. JOHN S. KENNEDY

Father Kennedy has just been waiting for such an opportunity to show esteem for the members of the Order. In the same way, he has on several occasions, taken the liberty of offering up the Holy Sacrifice of the Mass for the members (living and dead) and their relatives and friends. Only recently—on Easter Sunday—Fr. Kennedy celebrated a Mass for the membership, for which, dearly beloved Father, you have our deepest and lasting gratitude.

His good counsel and sound Catholic advice have been a source of real inspiration to each and every member of the council in forwarding our progressive Catholic Action program. Many times his splendid "bits" of oratory have stirred and charmed the members, and the deep impressions that he cuts into the minds of his audiences are not soon forgotten.

INSTRUCTIONS—All members will assemble at the PARISH HALL, ON LEXINGTON AND SPRINGFIELD STREETS, NOT LATER THAN 7:45 O'CLOCK to join in the procession to the church. Immediately after the Mass, the members will re-assemble at the Parish Hall for Communion breakfast. A fine treat has been prepared for us. NOW DON'T FORGET THE DATE—SUNDAY, MAY 4!

BARBECUE

Chairman Edward J. Whelan announces that the following members share honors for the first returns of the Barbecue books. They are Jim Vanelli, George J. Hunt, Thomas Dillon and Charles H. Torgeson. Good work, fellows! Now, let's see every member "step up" and do his part in this campaign of Catholic endeavor. Carroll Council has always come out on top with a very good showing, but this year we want to double our efforts, whcih means, of course, a little overtime for some of us.

You can do it; we can ALL do it—so don't give up without making at least one try at it. No doubt many of you members feel it is working an imposition on your friends and relatives to ask them to take one or two of these tickets—well, let me tell you it isn't. I bet they are just waiting for you to come up and "pop the question" to them. Try it for yourselves and see.

SICK LIST

FLASH! The doctor's bulletin prescribes "complete rest and relaxation among friends." THIS MEANS YOU! Why not satisfy some of those social obligations by visiting some of our sick and convalescent members? The following contains the latest list of sick—Jack "Swede" Lawlor, 5448 Kamerling Ave.; John F. McNamara, 1426 S. 11th Ave., Maywood, Illinois; John B. Clark, 821 Elmwood Ave., Oak Park, Illinois; Edward J. O'Connor, Alexian Brothers Hospital, 1200 W. Belden Ave.; Tom O'Connell, 4109 W. Fifth Ave.; Tom Dean, 5918 Eddy Ave., and Jim Hanley, 1100 S. Taylor Ave., Oak Park, Illinois.

IN MEMORIAM

Carroll Council officers and members extend their deepest sympathy to the bereaved family of our dearly departed Bro. Richard M. Mangan, late of 6312 Magnolia Ave., who passed away on April 1.

SOFTBALL PLAYERS

Now that our council bowling league season is finished and has past into history for another year, we immediately focus our attention on another equally famous sport, that of the Softball League. Carroll Council, only a few years back, held a championship team in the league, and from present indications, we hope that this wholesome sport will again prove to be a highly successful endeavor for our council.

C. Vincent Ryan is the delegate to the Knights of Columbus Softball League, which is governed by all regulations of the Knights of Columbus State Athletic Commission, and he asks that all fellows who are interested in getting up a team in the league to contact him at the earliest possible convenience or at the next meeting night, May 6.

The object of the softball league is the promotion of good fellowship among the various councils composing the league, through the medium of softball. Its further object is the awarding of championships to the winners of the respective divisions, and the holding of a series of games between the winners of each division and such other teams as the league may designate, depending on the number of teams entered in division.

The league tenders a testimonial the winners of the league champi ship. The games of the league played on Thursday evening as p vided by the regular adopted sched except when both teams agree to p the game at some other time. Garfi or Columbus park diamonds will used for our team and we will be the West Division of the league.

BOWLING

Well, it looks like the O'Keefe Br Coal Company picked a winner ag as a sponsor of the Intra Cou Bowling League. Class, as we've served on previous occasions, will co to the surface whether you're runni a high grade coal company or a bo ing team. Jim Crosby admits to former and, of course, everyone rec nizes the latter. That is, almost eve one. . . Keglers John O'Leary and D Pienschke are in the Army now. Jo was caught in the suction so Dick w along to act as his chaperon and fr now on the two of them will do brother act on squads right, colu left and potato peeling. John s something about being a sergea pronto, but in our opinion he's go settle for a heluva lot less. Good l to you both and may you get no fart than camp. . . Charlie "He Who H zit" Boland would sooner bowl t eat which is probably one reason w he looks like "Ma-Hat-Ma" Ghandi. difference being, however, that Ma-H Ma usually gets what he's after wh "Hazzit" hasn't.

With a short but impressive ceremony Madonna Council dedicated its new meeting hall last Friday night. Immediately fter the opening procedure our chaplain, 'ather Trainor, blessed the room and ien proceeded to bless the entire buildng. Following one of the speediest meetngs we've ever had (29 minutes by the 'atch) the American Institute of Bankng's debate team made the welkin ring 'ith words on the subject "Should the 'ations of the Western Hemisphere 'nite in a Permanent Union?". Evi-ently the gang thought no, 'cause the egative side won chins down.

As a sort of anti-climax, a short dis-ourse based on factual experience was elivered by Past D. G. K. Vin (Banana aron) Donegan. As he leaned toward ie affirmative, that started a general rgument, and within a few minutes veryone was foaming at the mouth Pabst Blue Ribbon).

We'll have the regular council meeting t our clubhouse tonight. Under discus-on: Communion Sunday, barbecue, ɔftball. Come out, come out wherever ou are.

But we always figured that guys living in glass houses shouldn't go around peeking into keyholes unless they weren't worried about being caught with their own blinds down. This time somebody must have slipped, because we certainly didn't see any invitations to the dedication of a certain clubhouse—and if that ain't more reason (especially out in the direction we're looking) for a party (with invitations) than moving we'll go back to Green Bay where parties are something you talk about on the telephone.—Ed.)

Englewood Communion Date Moved to May 11 at St. Martin's Church

2-4 Mon. . . . . 150 W. 69th St.

At our next regular meeting, Monday, April 28, two resolutions will be read for the second time before being voted upon for adoption by the council.

The first is relative to lowering our initiation fees from $10 to $5, and the second pertains to waiving the associate dues of those members of Englewood Council who are inducted into military service.

These are two very important matters and deserve your support, and therefore it is urgent that you attend future meetings to act upon these resolutions.

E-NGLEWOOD E-VENTS

SEMI-ANNUAL COMMUNION SUNDAY is a MUST for your list. I just received a phone call from the grand knight, who said that our communion Sunday had been postponed from May 4 to May 11 due to 40 hours' devotion being held at St. Martin's Church, 59th St. and Wentworth Ave. **Breakfast will be** served in the hall after the communion mass.

Our **permanent communion chairman,** Adolph Minster, is still convalescing at home, and therefore it will be up to PGK Budinger to see that the "fried chicken and all the trimmings" will be prepared. However, let us suggest that we offer up the sacrifice of the mass and our reception of the Holy Eucharist for the speedy recovery of our beloved and devoted treasurer, Adolph.

E-FOURS—Everything is going along in grand style for the May party and dance to be given in the Crystal Ballroom of the Del Prado Hotel on the evening of Saturday, May 17.

Attendance at the "324" meetings is increasing slowly but it is hoped that with the warm evenings coming along now the members will feel the urge for a little ride at night and come over to the meetings. The next one will be held on May 7 at the home of President O'Brien.

E-XTRA—Englewood Council wishes to extend its thanks and congratulations to the two members of Brownson Council who volunteered as blood donors for our own Bro. John S. Melsheimer at Alexian Brothers' Hospital recently. (Aside to Brownson Council: We were unable to obtain the names of these two members, so will you please call ABErdeen 5044 and give me their names as they are wanted by the recipient of the donation.) Another later donor for Bro. Melsheimer was our own Joe Lenz.

At last it has happened. One of our own members looking for a blood transfusion and the roster of his own council not large enough to call upon them for a transfusion. Who can tell if he will be the next one to send out an S.O.S. for a donor, and it will be necessary to call upon ANOTHER council? Haven't we even enough members in our own council who have enough Christian charity that they can give up about five minutes of their time to go to St. Bernard's Hospital and be typed so that they may be ready for an emergency of one of their own brother members or a member of their own or another member's family? Is it not worth the small sacrifice that might be made for such a call? Let's act now before it is too late.

E-NGLE WOOD-CHIPS

"Lucky" John Lyons again was the winner of old "lucky buck" . . . this time to the extent of a "V" note. . . . However, this is the last "lucky buck" award that will be cumulative . . . hereafter the award will be made each evening and will only be available to those in attendance. . . . Cards will be passed out to all in attendance at each meeting and the drawing made from these cards . . . so you see . . . it will pay you to attend future meetings. . . . We stated previously that Bro. Minster was at home, 6730 S. Wabash Ave. . . . Bro. John Melsheimer has also returned to his home at 5833 S. Shields Ave. . . . No further report on Bro. L. J. Berleman. . . . We did hear, however, that PGK P. J. O'Connor has just returned home from a three-week sojourn in the hospital.

Pleased to see Harry Delaplane, Joe Hannapel and Carl Boebal at our last meeting. . . . Joe Hannapel went around scouting recruits for the softball team. . . . Are you interested? . . . if so, see Joe. . . . Our congratulations to PGK Frank E. McGillen of Genoa Council upon his appointment as chairman of District 6 in the barbecue . . . best wishes and success upon your new venture, Frank. . . . To Bro. "Scribe" Donegan of Madonna Council . . . "the whispering of the little people" is not for softball, but for junior baseball. . . . Madonna COULD have a junior baseball team. . . . How about it? . . . (Well, if Donegan gets a sample of Burma Shave so he can get rid of the beard he grew during the winter he ought to be good mound material, if you get what we mean. Besides, with all the practice he has had pitching stuff my way for the last few months he ought to be in the pink.—ED.) . . . Practice sessions will be held every Saturday afternoon at Hamilton Park, 1 o'clock.

St. James to Compete Its Plans for Spring Program Next Monday

2-4 Mon. . . . . 64th & University

On Monday evening our weekly session to complete our spring activities will take place. With the forthcoming spring dance to be held on Saturday, May 17, at the Hayes Hotel featuring "A Night in Cuba," the members will receive the latest details on this wonderful occasion.

Chairman Ed Muellner tells us that you cannot beat the evening's entertainment for the small fee of $2.50 per couple. This includes all your refreshments, either soft drinks or the amber fluid, light luncheon, dancing, set-ups, souvenirs, and the evening's fine orchestra, "Senor Montalbona and Cuban Troubadors." Reservations should be made early, so plan now to get up that party.

Barbecue reports are that more of the members have disposed of their books already, which shows the fine progress we have been making under Jack Greene's chairmanship. Five teams have been formed to stimulate the sales, so watch us go.

Chairman Ambrose Burke reports that several more applications have been received and we hope to have an even larger group for May, when special classes will be directed for membership activities. Anyone who has not turned in that application is urged to do so as soon as possible. Let's bend every effort.

Bros. Mayer and Phillips on the Chicago Chapter report that another luncheon will be held Wednesday, May 7, at Cozzi's Restaurant, 519 S. Wabash avenue, previous to attendance at the chapter meeting. Lunch at 6 p. m. and then attend the meeting.

All in all, do not fail to be on hand for next Monday—8 p. m., Hotel Hayes.

COMMUNION SUNDAY

Our annual Communion Sunday will take place May 11 at the 9 o'clock mass at St. James Church, 29th and Wabash avenue. All members are urged to attend to make it a successful affair. Breakfast will be served immediately following the services in the convent hall under the direction of Bro. Pete Wehle.

AROUND THE CHAMBER

At our last meeting we were glad to welcome a visiting member from Pittsburg, Kan., namely, Bro. Metzger, who formerly lived in this vicinity and was highly pleased with the fine activities of the order and its varied program found here.

The softball season will open around the 10th of May, so plan now to make the team. Notify Mgr. Mike Connolly that you will aid him in our venture for a section title. Already we have held a fine meting and a team has been entered in this year's schedule. It is a fine sport to engage in.

We failed to mention that Bro. Henry Woodmaster was one of the attendants at both the first and second degrees at Santa Maria and the third degree at Perez clubhouse. Henry surely aided us in our welcome to the new candidates.

Bro. Jim Sweeney missed the last two meetings due to going to school, as he was appointed to a position in Chicago's police department and all new members are schooled several weeks. Congrats, Jim, and we hope you will play softball, too.

What's become of Bros. John McFadden and Joe Kemmerling? Also our star first baseman, Joe Schneider?

The meeting nite of May 1 Tonti Council will celebrate its 30th anniversary. This will be known as Old Timers and Birthday Party nite. All the charter members and old timers are especially invited to attend. Every member, who has been a K. of C. for the past twenty-five years, will receive a beautiful scroll, as a memento. After Mass breakfast will be served in the Bell Tower clubrooms. As our worthy chaplain, Rev. S. Ryzner is stationed at St. Wenceslaus parish, let us do our best to be on hand and make a real showing.

BAR-B-Q

The returns, to date, on the Barbecue books are very gratifying to Chairman Ray Ruzkowski. To further stimulate the efforts of the brothers the committee has decided to award two midget radios, for the members who return a filled barbecue book of tickets. The first radio will be awarded on the meeting nite of May 1st. Everyone having sold their book of tickets and turned in the same before the meeting adjourns, will receive one chance on the first midget radio.

Everyone selling two books will receive five chances, all those selling three books, will receive ten chances; those selling four books will receive fifteen chances; and all those selling five books will be given a radio outright.

Wednesday evening, April 30, Tonti Council house bowling league will celebrate its fifth anniversary with a gala party for the sponsors of the various teams and their wives, in company with the members of the house bowling league and their wives and sweethearts, in Stella's hall, located at Kostner and Belmont avenues. LEO BARBECUE EFFORTS AIMED FOR NEW RECORD

1-3 Tues. . . . . 820 W. Garfield Ave.

P. G. K. John Ruberry and his committee having completed the job of distributing the books for the Annual Barbecue to be held at Riverview on June 18 for the benefit of Bishop Sheil's Underprivileged Youth Fund, are now ready to accept returns as well as to furnish additional books to anyone who wants them.

This activity of the Order in Chicago has increased in popularity every year. Well that it may, for it strikes a responsive cord in everyone. Bishop Sheil has done and is still doing remarkable work for the youth of the diocese and we as members of the Order are honored to have a part in creating the financial reserve necessary for his program. It is Catholic action plus and helps to knit firm the bond that exists between the Order and the Church leaders.

Everyone benefits from the undertaking. The member in disposing of a book gets $1.50 or 3 tickets free, the Council gets revenue to augment its program for membership interest, while the remainder makes up the rewards and the amount we turn over to the Bishop. Each year we have increased our contribution. Bro. Ruberry is anxious with your help to make an impressive return. Carry your book with you. Everyone is interested in the campaign. Sell your book and make returns promptly.

COUNCIL ACTIVITY

WE ARE HAPPY to announce that on Saturday, May 3, Rev. Joseph A. Hickey, son of Bro. Joseph P. Hickey, will be ordained to the holy priesthood in St. Mary's Seminary at Mundelein by Archbishop Stritch. On Sunday, May 4, Father Hickey will celebrate his first Mass at Visitation Church at 12 noon. The Hickeys extend to the membership of the Council a most cordial invitation to attend the first Mass and the reception to be given the new priest in the parish center that evening from 7 until 10.

LAST SUNDAY was tops in everything. Despite a chill in the air and a disturbing wind, over 200 members marched to Visitation Church, where Mass was celebrated by Father Murray. Bros. Joseph Hylard and James Phelan acted as ushers. Inspiring indeed was the sermon of Father Murray. His compliment of our display of Catholic Action was deeply appreciated and his appeal for a militant demonstrative and continuous expression of Catholicity will be exemplified by us in our daily lives.

In distributing Communion, Father Murray was assisted by Fathers O'Donnell and Rapp. The breakfast at the clubhouse was a tremendous success. The tasty meal so ably prepared by McNeilly Caterers, the table setting and the peppy talks made the morning one long to be remembered.

P. G. K. Sidney M. Doheny spoke to the membership on behalf of the P. G. K.'s, while G. K. Wagner introduced Bro. Richard Gleason, chairman of the breakfast, and P. G. K. Ruberry, secretary of the membership committee. D. D. James J. McDermott thrilled all with the import of his talk on Catholic Action and the work to be done in that connection by the Council and the Order.

Bro. Robert DuMais, P. G. K. of Fort Dearborn Council and State Director of the Blood Donor Movement, was an honored guest, and his talk, as usual, was extremely interesting. In this connection a technician from St. Bernard's Hospital was at the clubhouse from 10 until 3, and more than 90 members were typed as blood donors, and now about 150 members are available for this important work. Dr. Gallagher and Bro. Delehant are to be complimented for their untiring efforts.

The candidates were our special guests at the breakfast and were thrilled with the entire program. While the degree was scheduled for 2:30, the free time was given over to a generous use of all of the facilities of the clubhouse. The afternoon program was awe-inspiring; 111 candidates received the third degree. We had 55 candidates, the largest group. Other councils in our district made up the difference in the class. State Secretary Leo Flynn and D. D.'s Patrick Noonan, Jeremiah Sheehan and James J. McDermott were honor guests at the degree. In accordance with division plans, Archbishop Quigley Council was the host of the day and supervised the tasty refreshments.

DOTS AND DASHES

P. D. G. K. William Cullina proudly announces the arrival of a baby boy. The newcomer is No. 6 in the Cullina household. Mother and baby doing fine. . . . P. G. K. John McVady and G. K. Wagner will lead a group to the State Convention at Aurora, Ill., May 5-6. The nearness of the convention city makes it worthwhile, and Aurora Council extends a genuine welcome to all of us. Hen. Shields Looks to Large Attendance at Communion May 4th

May 14, 28 . . . 446 N. Parkside Ave.

Year after year we have been urging our members to congregate in a body for the reception of Holy Communion on the occasion of the annual Communion Sunday of the Knights of Columbus. Again, this year, we bring this matter up for your consideration and co-operation.

The date is set for annual communion on Sunday, May 4, at the 8 o'clock mass at St. Catherine of Siena Church, Washand Austin boulevards, Oak Park. We are requested to make a public profession of our faith but once a year. As members of the Knights of Columbus we should be proud to make this demonstration in honor of our order and Holy Mother Church.

Following mass and communion, breakfast will be served at the Elks Club, Oak Park. Members without cars are assured transportation to the Elks Club in the autos of car-owning members. Keep the date in mind and let nothing interfere with your being present Sunday, May 4.

BOWLING

On the next to the last night of bowling, the Harwood Florals came back from their disastrous flop of the week before and won all three games from the Foley Grill team. McGillivray with 224, Ward 203, 211, and F. Gould with 201 were doing the heavy work for the Florals.

Costello & Son Boosters had a good evening, taking all three games from the Gogarty Men's Wear, Annas and Butler having an even 200 to brag about.

John J. Hayes Stores for Men won the odd game from the Gallagher Plumbers, putting the Plumbers in a ticklish position and the lead probably to be decided on the final night. Ed Riley's Insurance Writers managed to win two from the Frank M. Hayes Barbecues. Felix Kroll marked 207 and Fountain 200 and 206.

BOWLING BANQUET

The big night for the bowlers, when they banquet in state, collect the cash and contemplate what might have been, is set for next Tuesday evening, April 29, at Frank M. Hayes Barbecue restaurant, Harlem and North avenues, the first course going on the table at 6:30 p. m.

You all know the grand food that Bro. Frank Hayes puts out, so get there in time. No matter how good the food may be, keeping it on the steam table after it has been cooked doesn't improve its flavor and the food at Frank's is too good to be treated indifferently. Any member who wishes to join the bowlers in their evening of goodfellowship and tell stories may do so by simply paying the small charge for dinner plus tolls. It will be a grand evening.

THE SOUNDING BOARD

On Friday, May 16, the retreat conducted by the Franciscan Fathers at Mayslake, Ill., will be given for the members of Hennepin-Shields Council, also members of the Holy Name Society of St. Catherine's parish and employes of Sears-Roebuck. P. G. K. Jack Shealy is chairman of the retreat committee for our council and Bro. Joseph Gladstone, president of the Holy Name Society of St. Catherine's, is recruiting members from the Holy Name and Sears-Roebuck.

The retreat exercises run from Friday evening until Monday morning and in the sixty golden hours devoted to prayer and meditation a person has the opportunity of finding some of the peace and contentment of mind that is being denied to so many in other lands. The retreat has much to offer both in a temporal and spiritual way. Chairman Jack Shealy will be glad to place your name on the reservation list.

Failing to dispose of your tickets for the Riverview Annual Barbecue for the Underprivileged Youth might be likened to giving aid and comfort to the enemy, in this case the enemies being hunger, poverty, illiteracy and lack of opportunity. The youth of today are our investment for tomorrow, and if our investments go sour, we have only ourselves to blame. Do your part in helping Bishop Sheil to do his.

Grand Knight Costello has returned from his two weeks' vacation in Kansas, so we can expect things to run along in their usual manner.

There are as many formulas for curing the ills of the world as there are for curing spring colds, but none of them seem to work. G'bye.

NEWMAN VOTES SPRING PARTY BEST ON LIST

1-3 Thurs. . . . . St. Mary's Hall

We pause for station identification: This is George Hebson, your scribe for the next few weeks; if you have news, call Skokie 2915, or see Joe Mahoney—he will relay it to me and won't change it—much. (We know all about the rising cost of paper stock, George, but PLEASE use only one side of a sheet for your future notes. The government won't mind, and it'll give us space to get sassy with Sam, the demon linotype man.—Ed.)

THERE WAS A PARTY

Well, brothers, that's that, said PGK Ken Lawson, and Lecturer Pat Craig in the wee hours of last Sunday morn. They had a good reason for being satisfied. At that time one of the most congenial and merry "spring parties" which Newman has ever staged for the ladies came to an end.

It started off with card-playing and dancing, with music by Cliff Aspegren's orchestra, at the American Legion Hut, and it ended with everyone really having fun.

A vote of thanks is due to Charley Brynes, through whose efforts we were allowed to use the "Hut." Refreshments of the "pro and con" (prohibited and convenient) were served while dancing continued. A fine floor show followed, featuring acts from Northwestern's Waa-Mu show. Dick Jager pulled a few tricks out of the box for us while a male trio consisting of Bal Patterson, Bruce Wishard and Bob Wethery gave us some nice vocalizing as did three beautiful young coeds, Merle Lungren, Edith Ross and (the third name I'm keeping for my private file. Sorry, fellows).

Our genial and good friend Bob James gave us his usual song and shake and then there was some singing. When everyone had listened to this last song and was very sick, Pat Craig decided it was about time to put on a luscious buffet lunch which had been prepared. By this nice timing it is rumored Pat saved enough to take home for Sunday's dinner.

LAST MEETING

A large turnout of members, their sons and friends were treated to the Tribune's film, "The All-American Way," last week, followed by a talk by the peer of sports announcers, Hal Totten. Hal was persuaded to appear before us by our good friend Matt Jans, who would be an all-around (the waist) athlete if he could bowl. Totten's subject was baseball as played in the big leagues, with incidents and sayings of big name players showing that although they "play for pay," the main thing in baseball is sportsmanship. His talk was followed by do-nuts and coffee.

Hitler was given a serious setback just before the film was run, when it was announced that "Long Tony" Schultz and A. Roberti were leaving to join the Army. Both boys were presented with tokens by the council to carry with them and let them know that we are thinking of them.

PGK Dan McCann during the meeting presented the council with two fine pictures of former St. Mary pastors, Fathers Smythe and Donahue. It is a gift which the members of Newman should value highly.

BOWLING

Standing of league after last week's tussles is as follows:

	W.	L.		W.	L.
Ridge Cln'rs..	52	35	Davis Candies.	43	44
Schaeffers ..	51	36	Alten Mort....	43	44
Zicco Clp'rs...	49	38	Bebson Boost..	42	45
Fitzgeralds ..	47	40	Corcoran Law.	40	47
Evans. Bev...	46	41	Menke Wt'mrs.	38	49
Frank & Harry	45	42	Bell Ins.....	37	50
Weiland Flor.	44	43	Smith Excav..	33	54

High series for the night by H. Pollettl, 633, including a 248 game. Other series: G. Hebson, 596; Bob Reitz, 582; T. Sullivan, 554. Other 200 games were bowled by Matt Jans 225 (nearly bowled his weight), G. Hebson, 225; J. Zera, 213; Fronzak, 211; B. Reitz, 205, 208; S. Myers, 207; M. Steiner, 206; J. Flinn, 200.

Newman's team in the North Side League is assured of fifth place. I guess they bowl like the White Sox play ball—always leading the second division. Is that right, Joe Giannini?

PARA-NEWS-GRAPH

Bill Connors will not be able to finish out the bowling season. He is due to be married to Mary Jane Sheridan on April 26 at St. Gertrude's. John Newton, a new member, is so enthused about a certain something that he walks past her house nearly every night on coming home from work. Bro. Sabazinski has fully recovered from a tumor operation. Glad to hear it, Sabby.

Bro. Matt Jans will soon be starting his fifth year as pro at Racine C. C., Racine, Wis. Last week Matt had the honor of being elected president of the Wisconsin section of the P.G.A. Matt still shoots a good game for an old fellow. I won't give his age, but next June 25, at the annual K.C. state golf tourney, he will receive a small token in memory of his winning the first K.C. state tournament in 1921—twenty years ago. The presentation will be made by our good friend, PGK Frank Wolleber of De Soto Council.

Blue Island's Grand Knight Pinch Hits fo Scribe Lowell Fras

1-3 Tues. . Gregory & New, Blue Isl

As in all sports, once in a while a pinch-hitter is called into play when the regular is unable to perform. So it is with this week's writeup.

Scribe Lowell Frasor found it necessary to use the pinch-hitter this week due to the serious illness of his mother, Mrs. Frank Frasor, Sr., who is in St. Francis Hospital.

While we are on the subject of illness, Bros. John Meehan and Dick Walsh are in St. Francis Hospital at this writing. Visitors are not allowed and so we are all praying for their recovery and Mrs. Frasor and Mrs. Robt. Newhouse as well.

The sick list had as a member for a few days last week Bro. Louis Ouelle, who has since returned to work.

To Bro. Dick Harpst the sympathy of our council is extended upon the death of his mother. May her soul rest in peace.

The chairmen of the barbecue, GK Bro and Chancellor Pat Dohrman, report much activity in the sale of books. To the section chairmen much credit must go for the splendid manner in which the distribution was handled. Close to 90 per cent distribution within five days after the books were received.

Much is expected this year in the returns as many are again at work and able to buy a chance and will do so if asked. Keep hard at work, brothers, and make this a banner year for the barbecue in Blue Island Council.

Are you still after that new member? Don't let up now as we are accepting new candidates and putting them through the degrees every month under our new tional plan.

BOWLING

The bowling news will be brief due to the lack of minute info, but it can be said that the banquet at Bro. Jim Ry was enjoyed very much by the bowlers and their wives and sweethearts. Did you hear about the corsage the grand knight gave his fair lady? Ask anyone present.

Upon the scribe's return all the details on the team standings will be published.

HIT-MISS

The state convention at Aurora, May 5-6, will be attended by Grand Knight Dan Boyd, Delegate John Reuss and PGK Edw. Martens of Blue Island.

The next important date on our calendar of events is PGK Gaboriault's celebration as scoutmaster. Watch for the date. In June the election of officers will be held. It is the duty of all to be in attendance at the first meeting in June and select our officers for the coming year.

As this is written in a hurry, I hope the lads and lassies at the printer's can read it. If anything has been missed, excuse it this time, 'cause it wasn't intentional. I'll be seeing you fellas soon.

Calumet to Show Am. Legion Film at Meeting Mon.

2-4 Mon. . . . 6646 Stony Island Ave.

Our next regular meeting, Monday, April 28, will get under way promptly at 8:15 p. m. Lecturer Frank J. Walsh has announced that Athletic Commissioner James D. Shinners will be chairman of the evening and we can naturally expect an evening of high class entertainment furnished by leaders in various sports.

As a feature attraction he will have the American League baseball picture for 1940, which is a classic in itself. We are indeed fortunate in securing this picture, for it is booked up solid. We guarantee an evening of delightful entertainment for the entire family, and we ask that you invite and bring every member of your family as this is the big ladies' night we promised.

We extend an invitation also to all prospective members, and feel that this would be an opportune time to acquaint them with the activities of Calumet.

BARBECUE DRIVE ON

The barbecue results so far are highly satisfactory as the members are responding nobly. Original books are moving fast and many members already are on their second and third books. This is sure proof of the interest and cooperation in this charitable cause. The following brothers are already on their second book: Ed Rimmele, Wilf J. Byrne, Henry Pelligrini, Jim Lynch, Wm. J. Fitzpatrick, John C. Donohue, Ed Strecker, Bob Ward and Ed Popjoy. Byrne and Rimmele are on their third books now. Dominic Cirillo is out in front on the fourth.

If you have not as yet received your book get in touch with Chairman Ty Hyland at the council office or call Republic 4080 and he will see to it that your request receives prompt attention. If you have your book, get another and give it to some friend, relative or acquaintance—get them sell it for you. The cash prizes are so worthwhile that these tickets practically sell on sight.

COUNCIL ACTIVITY

SUNDAY EVENING CLUB—The next scheduled meeting will be Sunday, April 28, at the clubrooms. There will be cards, bingo and refreshments. Now that the Lenten season is over, get the whole family together and bring them over; all the friends are welcome too. Chairman Gene A. Davis promises a real live night.

SICK AND VISITING COMMITTEE—DGK Robert J. Rafferty, chairman, announces that since our last meeting two of Calumet's old members have been called to their eternal reward—Bro. James J. O'Malley, a member since 1908, and Bro. William E. McCullough, an honorary member of Calumet, joining in 1906. The latter is the father of Bro. William E. McCullough, Jr., also a member of Calumet.

BOWLERS—On last Thursday evening

De La Salle Turns Out Banner Crowd to Wish Husung Bon Voyage

2-3 Tues. . . . . 1105 E. 47th St.

On last Tuesday, Apr. 15, De La Salle Council paid tribute to our Grand Knight John Husung. As was announced in this column previously, this was John's last meeting as Grand Knight, as he is leaving the city to make his future home in Washington. We are indeed happy to announce that the farewell gathering was one of the best attended meetings we have had in some time. It was a fine tribute to John and he was indeed pleased to see so many of his friends present.

John was given a very fine traveling bag, presented to him from the members of the council. Our own chaplain, Father Jordan, made the very fine presentation speech. Father Lynch also paid tribute to John with some well deserved words of praise. Thanks to both of you fathers.

Some of the old timers whom we haven't seen for a long time were also present. Among them were P. G. K.'s Dick Halinan, Charley Roche and John Videman. Others whom we have not seen for some time were Bros. Sam Glenkalowski, Bill Graber, Joe Murphy, John Goss, John Scanlon, Jim Clark and Joe Dairs. Thanks to all of you and come up more frequently in the future.

COMMUNION SUNDAY

Sunday, May 4, has been set aside as our annual communion day. At our last meeting it was decided that not a few but all members of De La Salle Council receive communion in a body at Holy Angels Church at the 8 o'clock mass.

The church is located on Oakwood boulevard just two blocks west of Cottage Grove avenue. Please make every effort to be present, particularly those of you who have not as yet made your Easter duty.

BARBECUE BOOKS — Remember, "others to turn in your barbecue returns as soon as possible.

the annual sweepstakes were run off as per schedule, with John Carey coming in first, followed by DD Wilf D. Byrne and Lee Conry. Other winners were Bill McNicol, the leader of the champs; Bob Hatton, Joe Lamb, Tom Gibbons, Lou O'Hanley, Bill Holden, Doc Gilroy, Jack Flaherty, Walter Popjoy and Clarence Doyle.

Among the winners were Outside Guard Wilf Byrne, Bill Coulomb, Jack Tierney, Joe Walsh, GK Bill Birmingham and Henry Pelligrini. After the final ball had been fired and the scores added some appropriate refreshments were served through the courtesy of Tom Crocombe, the owner of the alleys.

COUNCIL NOTES

More members to the Colors. Bro. Philip J. Scanlan joined up on April 7 and is now with Uncle Sam's forces at Fort Eustis, Va.

Father Stephen Duggan of Our Lady of Peace parish, an active member of the council, is now an army chaplain at Camp Forrest, Tenn. He received his early training for this job as chaplain of Calumet under the regime of PGK Grant. His official title and address is Lieut. Stephen H. Duggan, C.C., 131st Inf., Camp Forrest, Tenn.

Our congratulations to Bro. Michael J. Murphy on the occasion of the ordination to the holy priesthood of his son, John Sinon Murphy. This sacred event will occur on May 3 at Kansas City, Mo., where he will be ordained by the Most Rev. E. V. O'Hara, D.D., Bishop of Kansas City.

Joe Lamb after receiving much publicity at our recent bowling trip in Indianapolis and almost reaching Calumet's hall of fame, is capitalizing on his fame and now has graced the office of the county treasurer as a special cashier on delinquent tax collections.

SOFTBALL NOTES—Despite inclement weather conditions our softball players held their first practice of the season Sunday afternoon at Avalon Park. With the exception of two veterans the group was composed of new blood and Commissioner of Athletics Jim Shinners was very pleased at the display of talent on hand.

The next practice will be held Sunday afternoon at 3, Avalon Park, 83rd and Woodlawn Ave. Jim will welcome any member willing to play softball this season. Come out for practice. The season will open the latter part of May.

Chicago Hts. Annual Communion Sunday, May 4 at St. Ann's

2-4 Mon. . . . . 1527 Otto Blvd.

We hope you will all remember that on Sunday, May 4, members of Chicago Heights Council will receive Holy Communion in a body at St. Ann's Church, Chicago road and Main street, at the 7 o'clock mass. Our turnouts in the past have been very good, but it is the hope of our Grand Knight and officers that this Sunday will bring out the largest attendance we ever had.

Furthermore, this will be the greatest opportunity to gain new members in our council. St. Ann's parish is located in a section of the city where there are plenty of young eligible men who could join our order. By turning out in large numbers, we will attract their attention.

OPEN NIGHT

Our next regular meeting night, April 28, has been designated as Open Night, and we ask one and all to be there. Bring your prospects and friends along, as the lecturer is endeavoring to make things interesting and entertaining for you. Therefore we ask you again to co-operate by attending this meeting and taking part in the affairs. They are all arranged for your benefit, so take advantage of them.

BARBECUE

The barbecue books are now distributed, so let's all get busy and help make this the biggest annual event of the Knights of Columbus in the Chicago area. Walter McMurray is chairman of the committee for our council. This should make all of us work harder and put more pressure into our selling technique, as Walter has done plenty for us and now is an opportunity to reciprocate.

G. K. Joe Dionne was highly pleased with last year's results, and hopes that each member will make a special effort to dispose of his book now so that we may attain even greater success than ever before. The prizes have been increased this year, and the worthiness of the cause should inspire all of us to get busy and sell all the tickets we possibly can.

CONDOLENCE

The council offers its deepest expression of sympathy to Bro. Frank Herbst on the loss of his beloved mother, Mrs. Emma Herbst, who passed away April 14. A large delegation of members attended the wake. Funeral services were held April 18 from the West End Chapel to St. John's Church in Joliet, where requiem mass was held at 9:30 o'clock. Interment was in St. John's Cemetery at Joliet.

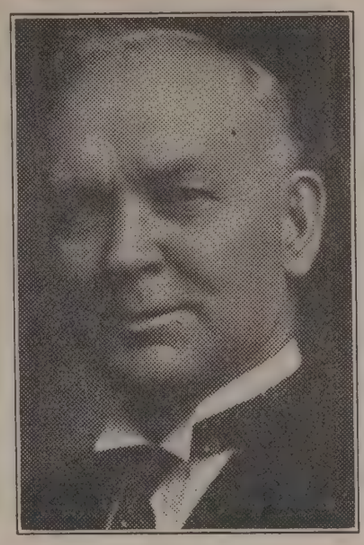
McHale to Honor Old Timers May 6



CON S. KELLY
First G. K., McHale Council

May 6. . . . . 150 W. 69th St.

At our next regular meeting Archbishop McHale Council will pay honor to the old timers and charter members of our council. Under the chairmanship of P. G. K. Bill Mugg and his committee consisting of P. G. K. Barney Perona and former D. G. K. Tom Hackett plans have been made to contact all the old time members and invite them to attend this affair. The chairman asks the co-operation of every member in this undertaking.

Led by our first G. K. Con S. Kelly, all the P. G. K.'s will be there, Jerry Kennelly, Bob Darcy, Geo. Stokes, Bill Abrams, Bill Mugg, Jerry Sheehan, Joe Webber, Barney Perona and Bill Collins. All of the old time members that are in regular attendance at our meetings are especially urged to attend and bring an old timer along. This will be an open meeting and there will be plenty of refreshments.

Chairman Mugg has also invited all of the priests who are members of the council to attend. Two of these will include Father Walter Croakin, former chaplain of the council, and Father Hoover of the Holy Name Cathedral, both of whom are well known public speakers.

OTHER EVENTS

COMMUNION SUNDAY is May 4 at St. James Church, 29th and Wabash avenue, at 9 a. m. After mass members will be served a delicious breakfast of good old home-made bread and "The King's Breakfast," ham and eggs and plenty of real good hot coffee by the good Sisters of Mercy under the supervision of Sister Mary Pretosia, who last November served to our members the finest breakfast we have ever had. Father O'Donahue and Father Dee are anxious to welcome Archbishop McHale back to St. James. Let's show them our appreciation by turning otu in large numbers on Sunday, May 4, 9 a. m.

SOFTBALL. At our last meeting Manager Leo Kareiva and his delegate to the softball league, Bro. Leo Wimple, issued a call for ball players. Our council has entered a team in the K. of C. softball league. The Leos need players. If you want to play, call Mgr. Leo Kareiva at Republic 7268, or Bro. Leo Wimple at Went. 3892.

COUNCIL NOTES

Bro. Steve Owens is still in a very serious condition at the Wesley Memorial Hospital. It is too bad such a swell guy should have received such a bad break.

Warden John Logsdon is back on the job again. He reports his wife is at home, but still has some ground to pick up after a serious illness. Bro. Russell Ryan, a new member of our council, has an opening in his auto repair business for a young man who is mechanically inclined, so if you have such a lad around the house send him over to Russell, 7611 Calumet avenue, Radcliffe 6787. We understand P. G. K. Bill Collins is back at his desk as treasurer of the Western Indiana R. R. after being ill for several weeks.

An item from Arch Ward's column in the Chicago Tribune reads as follows: "Nick Kearns, Big Ten official, has worked in 269 Purdue basketball games and is still acceptable to the Boilermakers' fiery little coach, which should give you some idea of Kearns' ability." Nick has been one of McHale's outstanding members for years. Any news call John J. Kelly, Englewood 5151.

Auburn Pk's 4th Degree Club Will Hold Card Party Next Thursday

2-4 Thurs. . . . 7740 S. Emerald Ave.

Arrangements have all been completed by the committee in charge of the annual card party being sponsored by the Fourth Degree Club of Auburn Park Council, under the leadership of President Richard J. Knight and Past President John H. Clausen. The party will be held next Thursday evening, May 1, at 6839 South Wentworth avenue, upstairs over the E. A. R. Theatre, what is known as the Seventeenth Ward Democratic Club.

This is an annual affair in Auburn Park Council and is most deserving of the support of every member of the council. The price of admission is only 50c per person, and some very attractive table and door prizes will be distributed. All card games of every description will be played. Whether you are interested in bridge, euchre, five hundred, pinochle or any other favorite game, come up to this party, being sure to make a foursome out of it and complete a table. Table prizes will be given at each table regardless of the game you play. Let's see not only the fourth degree members and their friends present on the evening of May 1, but all ather members as well. After all, this is an Auburn Park Council social function and all should participate.

STATE CONVENTION AT AURORA

The annual state convention of the Knights of Columbus, state of Illinois, will be held in Aurora on Monday and Tuesday, May 5 and 6. This is very close to Chicago in comparison with other state conventions, and if any of our members are interested in making this trip you will be more than welcome.

COMMUNION SUNDAY MAY 4

The state chaplain, Rev. Bishop James Griffin, has designated Sunday, May 4, as the annual Communion Sunday for the Knights of Columbus in Illinois, and in accordance with this proclamation Auburn Park Council will receive Holy Communion in a body at St. Leo's Chapel, 79th and Peoria streets, at the 8:30 mass, and immediately following mass the members will retire to the high school cafeteria and partake of breakfast, which will be served free to all present. If the menu on hand for Sunday, May 4, is in comparison with other years, we should have a very fine turnout of council members.

You will receive in the mail within the next week a return post card which you should fill out and return immediately, signifying whether you will be present for the breakfast or not. In this time of distress throughout most of the world is a very opportune time to be present with your council, displaying your loyalty both to your God, your church and your council. More particulars next week.

SOFTBALL SEASON

As announced in the last issue of The Columbian, the call will soon be made for recruits to report for practice to get ready for the K. of C. Softball League season under the banner of Auburn Park Council. At a previous meeting a team was voted into this league under the direction of Bros. Paul Byrne and Tom Cole. An invitation is extended particularly to the newly initiated members to partake of this summer pastime. The delegates from our council are already attending league meetings, making preparations to get the season under way during the latter part of May.

BARRY SETS FAST PACE IN BARBECUE CAMPAIGN

1-3 Tues. . . . . 2856 Washington Blvd.

Well, if you were not at the last meeting of Barry Council, when a beautiful radio was awarded the workers on the barbecue, you missed something. Bro. Bill Kenneally got it, which of course pleased all of us for Bill is really a worker. To those of you who have not sold your books, step on it. We are really going to make a showing for Barry this year and we are counting on you. Remember, every meeting a worthwhile prize, and the best of all at the finish—a free vacation at Twin Lakes. Please turn in receipts on your books at each meeting. Resolve that you will work on this right away.

The Barry Home Guards are glad to see Bro. Joe Dunn back again. Joe had a tough time, but he's the kind of a chap who can take it with a smile. The Barry Guards are really going to town now.

Our Grand Knight, Jim Curran, writes use faithfully every week and we want all of our brothers in the service to write us.

P.G.K. Bamber on vacation doesn't want to come home yet—more power to you George—you have earned a vacation and we hope you enjoy yourself thoroughly.

Commodore Barry Post of the American Legion will hold a party Friday evening, May 16. Several hundred dollars worth of door prizes go to the lucky winners. Let's all go to McEnery's Hall, 4041 W. Madison St., Friday, May 16, and help the vets of our council make this affair a grand social success.

CONDOLENCE

Our sincere sympathy to the family of Bro. Dominick Naples, in the loss of their dear father, and to Bro. Rocco Tarsitano, in the loss of his dear mother. Our prayers are for your loved ones who have gone to their eternal reward. Also to Bro. Clarence Sheehan, in the loss of his dear sister, the brothers of Barry extend sincere sympathy.

It is also with great sorrow in our hearts that we report the passing of a real Catholic gentleman, who up to time of his death lived as a true Catholic and who was well known to many members of Barry Council. The officers and members of Commodore Barry Council all join in extending their deepest sympathy to Brother John Love, his sisters and brothers in the recent death of their beloved father, Alex Love, who passed away suddenly last week at his home in Stevens Point, Wis. at the age of 92.

The writer was a personal friend of the deceased and always enjoyed his visits to Chicago to see his son, John, and was amazed at the pep and vitality along with his wonderful ability to remember names and places of years and years ago. We ask all the members of Barry Council to remember him in your prayers.

BARRY BOWLING LEAGUE

The Bowling season is over but the memories still linger on. Last Thursday night being the last night of the League the boys were trying just as hard to win as they were the start of the season, and in the contest between the Mid-West Auto Service who were two games ahead going into the last night and the United Air Lines who were two games behind, the Air Liners just had the better of the luck and won all three games and in so doing are the new 1940-41 Bowling Champs of the Barry Bowling League. Shooting on this club were Captain Tom Murphy, Ollie Klineman, Don Masciola, Ed. Kurtz and Joe Kurtz. We all want to congratulate them on winning the championship an honor they justly deserved.

Recorder Kaindls won three from American Air Lines and on the last night hung up a new high three game series with a score of 2,680. Joe Korty had high game with 244 and Jim Landrigan had high of 191 for American Air Lines.

Smith Funeral Home made a clean sweep of their series with Sheehan Chile and Leo Capuani missed high individual three game series by three pins with a score of 643 and 231 for his high game. Larry Westphal had high for Sheehans with 212.

Ahern Morticians won two from Little Jacks with Geo. Rose setting the pace with scores of 158, 216 and 236 for a 610 series. Lou Rosenmayer had high for Little Jacks with 181. The writer wishes to thank Charley DeVito, Secretary; and John F. Chase (The Lone Eagle) along with all the captains of the teams for the information furnished that made it possible to give these weekly write-ups.

San Salvador Gets Set for Banner Attendance at Communion Services

2-4 Mon. . . . 24 East 114th Place

Events have a habit of arriving swiftly and a glance at the calendar shows that one of the big events of the year, San Salvador's Annual Communion, is but one week from Sunday. On this great occasion, when the members of the Council receive in a body our Eucharistic King, we freely predict a more than generous response for this momentous event. Certainly, in these troubled and dark days, we need the graces and the peace of mind which only our Blessed Lord can give, and join our prayers to the end that our great nation remain at peace, and that a speedy and just peace be effected for those nations now suffering the ravages of war.

Only through a return to God can the world shake loose the shackles of misery and suffering now gripping it. We, in our small way, can lead the way and show the world that our trust and faith is in the Lord, and certainly there is no finer method of demonstrating that faith and trust, and no better example can be shown, than to see a large group of stalwart Catholic men, the very flower of Catholic manhood, reverently approaching the Holy Table.

We strongly urge each and every one of you to set aside Sunday, May 4th, and join your brothers at St. Anthony's Church at the eight o'clock mass. To those of you who have been present in the past when the Council received Holy Communion at this church of our chaplain, Father Chiminello, we know you will recall with pleasure the hospitality and warm greetings to the Council. What we would like to see is just about double the number of our last visit at St. Anthony's, and it could easily be done if all of you would earnestly strive to be present. Can we count on you?

SOFT-BALL

It won't be long now. Yep, the old soft ball season is just about ready to begin and as usual, will provide a whole summer of sport and entertainment for both players and spectators. Your parish will have a team entered, so we suggest you acquire the habit of being on hand, and give the lads your support.

COUNCIL JOTTINGS

When ye Ed. has his usual headache trying to decipher these hieroglyphics, he will be ensconced in the new quarters of the Columbian staff. We can just about picture him crawling, or should we say stalking, about his inner sanctum on those plush carpets, a great big stogie, nothing less than a two-fer, (two for a nickel), jutting from his mouth and saying to himself: "Just let that bozo from San Salvador take picks on me now!" Well, honestly, Ed, we ain't gonna, leastwise till we get down yonder and talk to, say, the elevator man. Gosh, ain'tcha glad we're givin' you such a break? (I just hope you have to move some day.—Ed.)

We almost forgot to remind our dear readers that there is a Council meeting next Monday night, and we want a big crowd. Better not miss, anyway, because the drawing is now up to ten bucks, and wouldn't you be sorry when you read next week, your name was pulled and you were the "little man who wasn't there?"

ST. PAT'S TO RECEIVE COMMUNION ON MAY 4

1-3 Tues. . . . . 6 N. Hamlin Ave.

Once again the time comes when all good Christian soldiers rally to unite in one great body to receive the Sacrament of Holy Eucharist. It is time again for the annual Communion Sunday for St. Pat's Council.

This year our members will convene in front of old St. Patrick's Church, Desplaines and Adams Sts., as usual, but instead of 7:45 a. m. as has been the custom in the past, the time this year will be 8:45 a. m. That will afford you an extra hour of sleep. Catholic Action Chairman, Jos Gentile, urges you to remind your brother knights to try to be present on Sunday, May 4, at the 9:00 o'clock Mass.

Lecturer John O'Shaughnessy promises another in a series of surprises that he always has in "store" for us. Make it your business to be there with the hundreds of others who have expressed their willingness and eagerness to make peace with Almighty God. See you all on that date—Sunday, May 4, 9 a. m.

On behalf of the members of St. Patrick's Council, we wish to congratulate the members of that great degree team who exemplified the First and Second Degrees of the Order. They were: G. K. Jas. Brown, D. G. K. A. F. Tiller, Chan. Wm. Jakse, Warden Wm. Cullen, Financial Secy. Geo. Altier, and that very capable inquisitor, Andrew Nilles.

They put on as beautiful a demonstration as one would care to witness. Thanks a million, boys. We might add also that on Friday night, April 25th, there will be an exemplification of the major degree at St. Philip's gym, 3141 Jackson Blvd. All members are invited to attend. Let's fill the hall to capacity and see one of the greatest shows that man has ever conceived.

FOURTH DEGREE NOTES

The Patsquad Club, composed of a grand group of swell fellows, recently held an election of officers and out of the debacle came the name of Arthur Maloney as president; Edw. Taglia, vice-president; Rox Latelle, secretary-treasurer, and Bill Finn, sergeant-at-arms. If you wish to spend an enjoyable evening, why not attend their monthly meeting, held the last Thursday of each month at the Midwest A. C., Madison and Hamlin. All right, boys, you have a date. Their next confab will be held May 29th.

ABOUT THE MEMBERS

Our good friend, Jas. McGrath, who is now in Woods, Wisconsin, was recently operated on and is currently confined in the Veteran's Hospital there. Sol Guinta appeared at the bowling alleys with his right arm in a sling. Wonder if he got that in one of those card games. Augie Darks takes exception to the title of head screwball, now adorning the cranium of one of his worthy brothers. Consensus of opinion bears him out. Pass him the cuspidor will you, Frank.

We extend our hearty congratulations to those newly weds, Robt. McCarron and Miss Patricia White, who were joined in matrimony on April 19. P. G. K. Roy Bennish's son served at the Nuptial Mass.

On Sunday, April 27, Sam Freda and his lovely bride-to-be will be married at Solemn High Mass at St. Callistus Church. A gala reception will follow at the Lion's Den, 4401 W. North Ave. It is Brother Freda's wish that all his many friends from the council join him in celebrating the greatest day of his life. They will be very graciously admitted even without benefit of invitations. Plan to come, won't you?

SOFTBALL NOTICE

Mgr. John Failla wishes to announce that the first softball practice will be held on Thursday, May 1, at Columbus Park, Austin and Harrison Sts. How- ere is one thing that is not ry and that is the number of books that Nazareth is going this year. Just in case you not have heard or having heard have forgotten the figure is 100. you read it right. Nazareth is o join the century club this year. ns from the west end so far in- that this goal is not an impos- le. Within the last week your e chairman has had returned to him the stubs of five completed books from the Downers Grove contingent alone. These boys do not draw the line at selling a book themselves, they have several books in the hands of non-members who are giving a hand to the good cause. D.G.K. Francis is responsible for three of the aforementioned five, another book was sold by one of the members of St. Joseph Parish, Downers Grove, not a member of the Order. Now men, if one who is not a member of the Order can do a thing like that what about you? Get that book in circulation, don't keep it hidden away in your pocket. You'll never sell it that way.

We have from time to time mentioned subjects in this column that might be classed as strictly council activities or news. We recollect that recently we let loose a blast against speech that could not be classed as clean. This brought forth some comment, and we are glad to say that most of it was favorable.

Being of Irish ancestry your scribe cannot resist the temptation to stick the chin out occasionally and dare the world to take a swing at it. So, here we go again. The subject is the Holy Name Society. Do you belong to it? If not, why not? Every man who is a member of our Order should also be a member of the society. We can't for the life of us imagine why so many of our men shy away from this. Get in the parade you guys. If your name is not on the roster of the society in your parish get busy and see that you are enrolled immediately.

Stopped in at the bowling alleys last Monday and there as big as life was our G.K. Himpler, fully recovered from his recent streptococcus infection. Nice going Joe, stay right side up now. In contrast to this it is our understanding that Bro. Frank White is still ailing, which we regret very much. Frank would enjoy a visit from us very much so if you can squeeze out a few minutes it would be kind of you to call on him.

PIN POINTS

Well the west end maple mashers have reached the end of their long and arduous journey. The season is over. Last Monday night the final league games were bowled, and when the final pin had dropped into the pit the record showed that the Motor Sales had taken two from the Brittans, as did the Triangles to the Western Tires, the Mahrs to the Triangles and the Watkins to the Dieters.

In summarizing the season's activities the Mahrs seemed to have the league by the tail and swinging it around until well past mid-season, and then the Watkins team began to forge ahead and once in the lead would not be denied. They overtook the Mahrs which team once displaced finally landed in a tie for third place with the Triangles. The battle for second and third places was a ding dong one in the later stages of the season as is evidenced by the final standings. Watkins won 56, lost 28; Motor Sales won 48, lost 36; followed closely by the Mahrs who tied with the Triangles each winning 47 and losing 37. Next came the Brittans with 38 won and 46 lost. In the next spot we find the Dieters with 34 won and 50 lost. Next comes the tie for last place, the Western Tires sharing that dubious honor each having won 33 and lost 51.

After the final game the election of officers was held with the following results: Pres. Leo Kriz, Vice-Pres. Jim. Henderson, Treasurer Frank Wrona, Secretary Joe. Miller. The annual sweepstakes open to all council bowlers will be held in Downers Grove, April 28. Let's see the east end represented here so we can see just where the cream of bowling society is. We understand that a dinner will be held in the near future to officially end the season and award the prize money.

St. Philip Neri Will Receive Communion Next Sun. Morning

1-3 Tues. . . . . 7515 Yates Ave.

Sunday, April 27, is the day of St. Philip Neri Council's Annual Communion Sunday. All the men of the council are expected to gather at the entrance of the school hall next to St. Philip Neri Church at 7:15, from where they will march in a body to the Church for 7:30 Mass.

Following the Mass everybody will repair to the Caravel Club where all will be in readiness to serve you as fine a breakfast as you have ever enjoyed. The breakfast will be served by several of the ladies of the Womens' Auxiliary. If you haven't mailed in the card you received this week in the mail you will be doing the committee a big favor by doing so tonight. You still have time.

Chairman John Miner has not announced any definite program for the breakfast but he hopes to have St. Philip Neri's new pastor, Rev. George A. Parker, on hand to give a brief talk and otherwise get acquainted. Please come early. That carnation man, Harry Bitter, will be looking for you.

MAY THIRD

The Spring Dancing Party being held by the Council Athletic Commission is just one week away. Have you made your plans to attend? Music will be furnished by a famous name band (Tom Lennon and His Rhythm Kids)and all is in readiness for an evening of real enjoyment. Make up your party now and don't forget to get your reservations in early. Door donations are only fifty cents per person. All the refreshments you care to have may be had at reasonable prices.

BARBECUE BOOKS

Grand Knight Wm. T. O'Neill is very pleased to report that a number of members of the council are in high gear in the matter of disposing of Barbecue books. Early reports are very encouraging, indicating that the consuming public knows a bargain when they see one. You couldn't be working for a better cause and the returns to you and your council make it doubly worth your while.

Mike Mullins, always one of the best producers, leads the field again with six books already disposed of and more coming up. Right behind Mike and going strong is George Fox, Jr. with five. Joe Lapota, Bill Spinar and George O'Donnell have so far found it easy to sign up three books each. Nice going, Boys.

MAY TWENTY

At the second meeting in May, Neri will hold a First and Second Degree initiation at the clubhouse. Many of you have potential candidates in mind and you are asked to do all in your power to get their applications in by the next meeting that proper action may be taken to assure them being in this class. If you have a candidate lined up, get in touch with Membership Chairman John P. Quigley or the Grand Knight right away.

IT IS REPORTED

D.G.K. Jim O'Connor's little boy, Junior, is at present confined with a case of measles. . . . Mrs. Jim Lynch, who has been ill for some time, was home for the Easter holidays and is said to be doing much better. . . . All members not doing anything tonight (Friday) are asked to drop around to the Caravel Club an aid the boys in lining up tables, etc. for the breakfast Sunday. . . . The State convention convenes May 5 at Aurora. Neri representatives will be Wm. O'Neill, John P. Quigley and R. Patrick Duffy. O'Neill has, wisely arranged to take a week of his vacation at that time. . . . St. Philip Neri's new pastor, Father Parker, is a long time member of Madonna Council. . . . George Ryan, recent transferee, is Executive Secretary of the Boy Scouts in Chicago. George was at the last meeting and made a very interesting talk.

Pinta Sponsoring Big Polish Program Next Thursday Night, May 1

1-3 Thurs. . . . . St. Mary's Church (Riverdale)

Brothers, don't forget Thursday, May 1. This night will make history. After our regular meeting we will hold our first Polish Night celebration and let me tell you, Bro. Anthony Stepenski has gone to a lot of trouble to make this night a huge success.

Let's all make it a point to be there and have a real good time. Not often do you get a chance to see Polish dances and hops played by a real Polish band, or to listen to Polish humor, so don't forget the date.

Every year at about this time our council attends, in a large body, our annual communion exercise, and that time is now close at hand. Our Grand Knight, Stanley Prymas, wishes to make a special apepal to each and every one of the brothers to attend mass on May 4, 8:30 a. m., at St. Mary's Church and to receive Holy Communion in one of the largest bodies ever to attend from Pinta Council. Breakfast will be served by the council in our regular meeting hall immediately following mass.

BUSINESS

At our last regular meeting we were honored by celebrities of our order, namely: Special Agent John Cushing, who spoke on insurance, and State Donor Chairman Robert Du Mais, who spoke on blood donors. He congratulated the brothers who have already given blood.

A special meeting has been called for the officers of our council to meet at G. K. Stanley Prymas' house to discuss new by-laws for adoption and change of meeting night. This meeting is called for Thursday, April 24, at 13828 S. Edbrooke avenue.

Barbecue Chairman Stanley Prymas reports progress in barbecue ticket sales, but hopes each member will really try to sell in earnest.

On Palm Sunday a large delegation attended the exemplification at Blue Island Council. Eight of our members received their third degree. And now may we remind our members that we need many signed applications. Won't you do your part to help us?

THIS AND THAT

At this writing the mother of P. G. K. Al St. Aubin is still confined at St. Francis Hospital in Blue Island, and is somewhat improved due to blood transfusions. One of our brother knights donated his blood to this illustrious mother in her fight to regain her health. The brother knight was John Wukusich. We hope within a very short time that our council members will all be typed in the donors' group now being sponsored by our order. We heard this week that Dr. Theo. Geise was in the hospital, but is now home and coming along in great shape.

A cordial invitation has been extended to our members by Bro. Frank Battista, who will be married Saturday, May 3, at St. Charles Borromeo Church, 2060 W. Roosevelt road, at 10 a. m. Reception at Marquette Hall, 6908 S. Western avenue, Chicago, at 7 p. m. Bring your wife or lady friend. G. K. James Mann reports picnic date is Sunday, Aug. 24. Cy Katity is general chairman of the picnic.

To Bro. Frank Daley, Sr., of Blue Island Council, we extend our sincere sympathy in the recent loss of his beloved wife. May her soul rest in peace. Father Time travels on, so Louis Beaupre celebrated another birthday. Our congratulations, Louis. P. G. K. James Weekes and wife, of Chicago, were guests of D. D. Henry Hilgendorf and wife last week. We have a report that Bro. Paul Powers plans to say "I do" soon.

We have no news of the coming softball league in which our council team will play. The various chairmen of our council cencerned with barbecue, membership, athletics, sick committee, picnic, lecturer, should make up their notes and send them to the scribe. We ask the entire membership to keep in mind Sunday, May 4, our annual Communion Sunday. Members who work nights may go to confession in the morning, as such arrangements will be made. More about this later; in the meantime, let's have your news. Thank you and cheerio.

ST. RITA NINE OPENS SEASON SUNDAY MORN

1-3 Thurs. . . . 6048 S. Fairfield Ave.

"HANK GREENBERG SLATED FOR DRAFT," "DI MAGGOS ALL HITTING OVER .400," "WES FERRELL AND PAUL WANER IN COMEBACK," "BILL LEE SIGNS," "DIETRICH MISSES SECOND NO-HITTER," "NOVIKOFF ?."

The above hedalines can take a back seat come 10 a. m. Sunday, for at that time St. Rita's softball season will be officially opened. And that means something. For in only one of the past four seasons has the St. Rita nine failed to get in the Chicago Knights of Columbus softball finals.

After a week of talking it over with the weatherman, contacting the downtown rules committee, checking up on established stars and casting out feelers to new members, Chairman of Athletics Bruno Fracassi issued his call for recruits this week. From the looks of things, Bruno says, there will be plenty of spots open on the team this year, what with satellites of the "Old Man McGowan" gentry threatening to retire, and then, of course, there's the draft.

Regardless if you want to try out for the team or just get rid of some winter kinks, all members are welcome to report at Gage Park, 55th St. and Western Ave. (the diamond just east of Western on the south side of the boulevard) at 10 a. m. Sunday.

Decision as to whether we are to have one or two teams this year has not yet been reached. It will depend largely on how many members will come out and stay out. Chairman Fracassi and the team manager, who has not yet been selected, will decide the issue. Another important thing to remember, as Ted Lee, our delegate to the league for many years, pointed out at our last meeting, is that spectators are an important item. Get behind the team right from the start and stay there all season.

Don't forget Sunday morning at 10 o'clock.

YEAR IN ADVANCE CLUB

Since we published the list of members in our Year in Advance Club (those who have paid their dues and assessments until the end of the year), several more members have joined up, Financial Secretary Frank Zavrel informs us. They include William Stoeller, R. J. Herrod, J. McGury, Bruno Fracassi, Larry Sibr, S. Koszola, George Foley, A. Fabiyan, Frank Small, E. Cody, Paul Apida, J. Thompson and Bob Condon. Get in touch with Frank right now and join up.

FOURTH DEGREE PARTY

On next Wednesday night our 2034 Club will stage its first social affair since the highly successful cabaret party. The event will be a ladies' night party in our chambers. On the program will be dancing, entertainment and refreshments. Make a date with the missus or girl friend and plan on attending. We can assure you a good time, for the chairman is none other than "the Mike Todd of the south side," Ray Bernoski.

COMMUNION SUNDAY

At the bowling league party last Monday night GK Charlie Nash and Chairman Dr. Joseph Jun called upon the bowlers, "as the backbone of the council," for their support in our annual communion Sunday, May 4, at Nativity Church, 68th St. and Washtenaw Ave.

Chairman Jun urged that all communicants meet at 69th St. and Western Ave. at 7:30 a. m. to form a line of march to the church. For those who will be unable to attend confession Saturday, confessions will be heard before Mass. Breakfast will be served after mass.

Don't forget to wear your council badge.

BARBECUE

The bowling league bought a barbecue book at its last meeting of the season Monday night. Among members who have already turned in books are Thomas Gaynor (the first), Frank Peppard (two books), Frank Zavrel, Pete Martin, William Powers, D. Mahoney, John McNally, G. Walker, J. Bracken, T. W. Doyle, Charlie Nash, C. O'Sullivan, L. Powers and Ted Lee.

Chairman Roy Perell asks us to keep after you fellows to sell your books right away. He's right. You'll find that if you leave your book in the drawer until the last day or so persons who would have bought chances have already been reached by members of other councils.

For those who have sold their books, returns may be made at Martin's Barber Shop at 3303 W. 63rd St., Stoeller's Grocery at 2918 W. 63rd St., or Sullivan's Undertakers at 2438 W. 63rd St.

THINGUMBOBS

Bro. Charles Hoffbauer, a city fireman, was injured when the engine company to which he is attached collided with a passenger automobile on the way to a fire two weeks ago. . . . Nick Hoffman is on a business trip to San Jose, Costa Rica, and sends regards to members. . . . Paul Barnoski has just returned from a vacation in Hot Springs. . . . Joseph Holesha is confined to his home recovering from a recent operation. . . . William Ahearn of 6053 S. Washtenaw has transferred to St. Rita Council from St. Augustine. The applications of John P. (Picus) Quinn of 6104 S. Talman Ave. and John J. Glatz of 6704 S. Artesian Ave. were read at our last meeting. Ask Bro. Ray Bernoski why he proposed Picus. . . . Don't forget our membership campaign. . . . Attendants at our last meeting agreed the program presented by Lecturer Harold Hilbert, with the assistance of Dr. Milas, was one of the best ever put on in our chambers. . . . Dr. Jim Foley was one of the sponsors of a sixty-man medical retreat at Mayslake the week before last.

April 15th is now a matter of past time, but every Quigleyite will record that date as the occasion of one of Quigley council's most colorful events. A large delegation of Quigley members and visiting knights assembled to pay tribute to our district deputy, Patrick E. Noonan, when a class of thirty-nine represented the "PATRICK NOONAN CENTURY CLASS" was admirably conducted through the first steps to knighthood. The exponents of the degree ritual performed to a brilliant manner, and are to be congratulated for the stellar role they played in making the "PATRICK NOONAN CENTURY CLASS" the banner event of a banner year.

That the class extended the committee's fondest expectations, not only for members enrolled but for the colorful spectacle unfolded, is attributed mainly to the fondness and esteem the Quigley membership hold for our immediate superior officer, Patrick E. Noonan. The Quigley spirit was never better, G.K. Leo J. Gawrych, Fin. Sec'y John J. Jankowski and Recorder Walter P. Budny's consistent and tireless efforts contributed largely to the success enjoyed.

"THE PATRICK NOONAN CENTURY CLASS" brought our council within striking distance of the Century mark rating, and our efforts will be aided, because Quigley Council will assemble classes during May and June for other degrees to be held at nearby councils. These classes will be known as the Francis P. Matthews group. The months are being designated by the Supreme Office, as a special period during which each council can make an effective contribution towards strengthening our order. Here is an opportunity for Quigleyites to bring in those candidates that were unable to attend the previous classes. Turn all applications over to the Fin. Sec'y as soon as possible.

BARBECUE

Anthony Krolak, barbecue chairman, reports that to date thirty books have been sold, and money received. These early returns indicate that all previous barbecue records are due to fall.

YOU RECEIVE a ticket to the Barbecue Victory Dinner at the Palmer House if you sell three or more books. For every book sold you will receive a ticket for a drawing, for a beautiful gift. The member selling the greatest number of books receives a pair of Florsheim shoes; second, a Mallory hat; third, two shirts and a tie.

COUNCIL CHATTER

MICHAEL "DOC" ZAGORSKI has been the recipient of many backslaps and handshakes the past week, and has even been heard to remark, "the drinks are on me." Mrs. Michael Zagorski presented her husband with a bouncing baby boy on April 17th at St. Mary's Hospital. Both mother and daughter are progressing nicely and husband has been seen shopping for larger shirts.

THE HOME BOWLING LEAGUE recently completed its most successful season. In a well balanced and hotly contested league, the Jeff's No. 2 club came on with a driving finish to win the championship.

The Majors rolled 3037 at the National Tournament held at Indianapolis. The total has been the third highest bowled to date and places Quigley's bowling elites in third place in the national standings. **Composite scores:**

their Barbecue books, was Brother Jim Slattery. Jim ought to come down and give us some lessons on salesmanship. He has that gentle knack which most of us lack.

From now on there will be many inquiries about how to procure more Barbecue books. Call Chairman C. Carl Caponi at Calumet 6282 between the hours of 8 a. m. and 6 p. m. or get in touch with Co-chairman Charles W. Schroeder, 4041 N. Richmond (telephone Independence 2573 after 7 p. m.).

COMMUNION SUNDAY, MAY 4—Only another week remains before our annual Communion Sunday. As in other years, we will assemble for 8:00 o'clock Mass at the Church of the Immaculate Conception on North Park Avenue, north of Schiller Street, where our Chaplain, Rev. John A. Fleming, is pastor.

After Mass, breakfast will be served in the school hall. There is no charge for this but it is necessary that when you receive your postal card announcement, you return promptly the return postal card so that the caterers may have plenty for all.

CONDOLENCE—Chicago Council extends to Brother Edward H. Kinsella a message of heartfelt sympathy on the death of his dear mother. May her soul rest in peace.

SICK—Brother Serritella is at home but since the doctor permits him to sit up only an hour during the day, it would be advisable to make direct inquiry concerning visits with him.

P. G. K. Edward O'Connor has been permitted to sit up and walk a bit but his activities are confined to his room at the Alexian Brothers Hospital and visitors are still taboo.

Brother John Powers is still a sick boy but is hoping to return to work in June.

HARD LUCK—We have just learned that Brother John Res, who marketed tulip bulbs from the Netherlands, is back in his native country and will probably remain there for the duration of the war.

Washington Finishes First Step on Road to Barbecue Record

1-3 Tues. . . . . 503 W. Main St., Maywood, Illinois.

P.G.K. O'Donnell, Trustee O'Morrow and Chancellor Sanservino report most of the barbecue books are now in the hands of the members. However, they still have a few more to go, and if any of you Brothers haven't received yours yet, contact any one of the above.

It is needless to state just what benefit will be derived from the sale of these books. The Underprivileged Youth of Chicago receive their chances at the proper kind of living, your council benefits, and you, yourself will benefiet. If any of the Brothers wish more than one book, any one of the above Brothers will be glad to hear from you.

COUNCIL ACTIVITIES

RETREAT—Congratulations to P.G.K. Ed. Cogley who was the winner of the Attendance Prize at the last meeting and attended the Mayslake Retreat last week-end as the guest of Washington Council. P.G.K. Jim Froelich was the original winner, but Jim couldn't accept, and the second drawing was held. Among the other Brother Knights of our Council who attended this Retreat, were Grand Knight John Ryan, Rev. Father Muzik, Jos Bosco, John Wyand, Ed O'Morrow, E. Marchand, Charlie Stevens, P.G.K. Lysen. These Brothers all report a very pleasant week-end.

BOYS STATE—Washington Council will again sponsor a boy at the American Legion Boy's State Premier to be held at Springfield, Ill., from June 21 to June 28, inclusive. This is one of the finest movements ever to be inaugerated. All you Brother Knights who have sons, between the ages of 15 and 20, who are interested, please turn in your names either to the Recorder at Maywood 6616, or Grand Knight Ryan, at Maywood 77. These names must be handed in not later than April 29. The application of the boy mist be on file with the American Legion, not later than May 1.

MAY PARTY—Tuesday, May 6, P.G.K. Bill Collins will announce preliminary plans for our Annual May Party and Dance. Bill has been working out these plans with his Committee.

SICK LIST—Bro. Robert McCann is recuperating at the Westlake hospital, and would appreciate visitors. If you Brothers have a few minutes to spare call on Bob and say hello to him. He will appreciate it.

APPLICATIONS — The applications are beginning to come in. Three were read off for the first time at the last meeting. Any of you Brothers who know of a prospect why don't you contact him.

"BLACK FIRE" PICKED FOR BOYS

New York.—"Black Fire," a story of Haiti by Covelle Newcomb (Longmans, Green), is the current selection of the Pro Parvulis book club for boys.

It's dance time, Genoa's Cabaret Party, May 3, at the Southmoor Hotel.

St. Francis Sir Knights Sponsor Party on May 10

2-4 Thurs. . . . 4711 W. Madison St.

Members of St. Francis Xavier Council and all their friends are invited to attend the annual party of the Fran-Fours, Saturday, May 10, at Citro's Hall, Halsted and Taylor streets. Those who have attended these affairs in the past need not be told that a more enjoyable evening could not be spent. For one dollar you can eat and drink to your heart's content. Tickets can be purchased from any fourth degree member and you had better get them early.

COUNCIL ACTIVITIES

MOTHER'S DAY PROGRAM—You still have one more meeting in which to registar your mother, be she dead or alive, for the Mother's Day program, Sunday, May 18, at San Callistus Church. If she is dead she will be remembered during the mass; and if she is still living, she will receive a beautiful gift.

The committee has planned an elaborate and interesting program beginning with the receiving of Holy Communion at the 8 o'clock mass. After that the scene will change to the church hall where breakfast will be served. State Deputy Judge John F. Bolton will deliver the principal address.

MEMBERSHIP—The council is only about 35 members away from the Century Club. We should all try to bring the council this honor for the first time in its history. We have only four meetings between now and June 30 to bring in the applications. Two of the meetings are taken up to read the applications. So get on your horses and gallop in with new members.

BARBECUE—By this time all the members should have received their books and all are urged to get an early start in selling tickets. Chairman Scotty Frusolone is confident that last year's total will be surpassed by a wide margin if each member will sell one or more books. In order to spur the sales, two chances will be given free to the first 18 members to sell their books and for each four books sold, a ticket to the victory dinner will be given.

THIS AND THAT

Bro. Frank Mendecino is celebrating his 50th birthday tomorrow (Saturday) by attending mass and receiving Holy Communion with his family at San Callistus Church. Frank recalls that he was also born on Saturday. Congratulations. . . . Bro. Groce Speciale submitted to a blood transfusion last week at Billings Hospital. The recipient was J. Totocki, a friend of Sir Knight James Varchetto. . . . "Butch" Rutili has taken over the job of directing Bro. Torry Muro's orchestra while Torry is serving his country, and we must say that "Butch" is doing a swell job of it.

Sir Knight Nick Damore's bowling expenses for the year will run a couple of dollars more than they should. Why? Only because he got a ticket for parking in a restricted zone on the last night. . . . Next regular meeting is May 22. Of course, you're planning to attend. There's always something doing and the lecturer, John Caruso, has his surprises ready for you. . . . Again we'd like to remind the insurance members that the April assessments have not been waived by the Supreme Secretary. That means, in plain English, that there will be no free month for this year.

SPORTS NEWS

Tomorrow night (Saturday) the bowlers' banqnet will be held at the Midwest Athletic Club, Hamlin and Madison. Everyone is invited. The price is reasonable and the food will be class A. . . . If you're interested in playing softball, call Joe Consoli at Webster 2398 any week day, and he will tell you when and where to report for practice.

And now for the sweepstakes winners. Dr. R. Nigro and Sal Cirrintano put together series of 453 and 594 to walk off with first prize of eight bucks. Other winners were: Second prize, A. Caruso, 484, and T. Salvo, 528—total 1,012. Third prize, N. Damore, 441, and Curbes, 543—total 984. Fourth prize, D. Laulino, 498, and W. Iacullo, 474—total 972. Fifth prize, N. Masse, 478 and J. Durante, 477—total 955.

Babe Criola won a prize for individual high game, but we don't think that the prize went very far in the poker game.

DOWLING GROUP LEAVES FOR MAYSLAKE TONITE

2-4 Tues. . . . . 3625 S. Hoyne Ave.

Many of our members and their friends will be on their way to the Retreat tonight, Friday, April 25, under the leadership of our Chairman, Recorder Tom Gallagher. The Retreat will be conducted by Father Joseph and Father Oliver. These two priests are very interesting and with the help of the good nuns aim to make your stay very comfortable.

Our council is very fortunate in having a hard working chairman and through his efforts we have the honor of holding the record for the K. of C. for the largest class at Mayslake. Due to the conscription many of our younger members have joined the ranks of our country and therefore it is going to be difficult to hold this past record unless we comé to the aid of our council by enlisting your help to the chairman.

He is making a last minute appeal and you can still attend if you want to just go out to Retreat House at Mayslake, Ill., and Tom will see that you are taken care of. The cost for this Retreat is entirely up to yourself as money is never mentioned and if you want to attend and have no money contact Bro. Gallagher at LAF. 8081 and he will do the rest. If you have no means of transportation meet the class at 43rd and Kedzie Ave. at 6:15 p. m. and if you can take a few with you in your car meet at the same corner and it will be appreciated.

Your Chairman Thos. Gallagher wishes to express his appreciatien and thanks to those that in anyway helped this Retreat and hopes that those that found it impossible to attend this time will make the Retreat in the future.

COUNCIL ACTIVITY

BLOOD DONOR COMMITTEE—Under the chairmanship of P.G.K. Ray Gerber is waiting for some more volunteers and is planning on having a roster of 150 members in our council. If you are willing to add to our honor roll get in touch with Bro. Gerber, Pros. 9065.

BARBECUE—Our chairman for the annual barbecue is that hard working Knight, Harry Lorden. The books are in your hands and if not they will be in the near future. Your Grand Knight solicits your support for this barbecue and hopes to bring our council among the leaders by sale of books. The affair is a grand way to bring Knights from all over together and a fine way to make new friends.

The PATRIOTIC CLUB'S Dollar Party, Saturday, May 24th at Stock Yards Inn. Mart Deiterick is chairman and extends a cordial invitation to all our members. Tickets are being disposed of by members of the Fourth Degree.

THE ANNUAL GOLF Tournament is in the making and we will give you details in the next issue.

Geo. Connelly, Sr. made a start with his golf as he was out shooting last Saturday and he claims he is still good. We have some very good golfers in our council—G. K. Barker, Dr. Laibe, Jno. O'Rourke, G. Connelly, Jr., Jno. Sheehy, Mart Cody, G. Mulholland and many more.

State Representative, William J. Gormley met with a slight accident while on his way to Florida for a short vacation this week. He was one of the passengers on the "South Wind" train that turned over on Thursday, April 10. Bro. Gormley suffered several bruises and sprains and has returned to Chicago to recuperate.

PIN TUMBLERS

The season is finished and we will rest up for the summer but next year it looks as if we will have to get more alleys.

During the season we try to touch in news on all the bowlers but missed on a few. We had plenty of good sportsmanship and good fellowship with such brothers as, Harry Lepenski, Wanatroba, Mark's, Smith, Murphy, Cody, Leo Fortier, G. Love, Tom Jankowski, and our popular Morticians J. Kelly, J. Dunlap, and Jerry Wollschlager and yes they were all good fellows and enjoyed each others company.

The league ran a 75 per cent handicap sweepstakes last Thursday and had plenty of prizes. The league banquet will be held on Saturday, May 3rd, at Mazano's Hall. All the bowlers, sponsors and their wives are invited. The prizes will be awarded at this dinner and a fine time is assured.

K. C. JUNIOR BASEBALL LEAGUE PREPARES FOR BIGGER, BETTER YEAR

The Knights of Columbus Junior Baseball League, the hard-hitting circuit of junior hardball players sponsored by the local council, will soon be ready to open its third season and is awaiting entries from all councils in the Cook county area.

A few weeks ago a letter was sent to the grand knight of every council regarding this activity and it is hoped that at least eight more councils will respond.

If the entries warrant it, sections will be divided into south, north and west, with the winners of each division to play for the championship of the city.

A meeting will be held in the near future for all councils entering teams in order that a schedule may be prepared. For any further information kindly call Henry J. Kohlmann, president of the league, at ABErdeen 5044, or Past President John McGuire at HYDe Park 8665.

From the Supreme Council Parke Brown and his Blood Donor Group received a beautiful scroll which was presented to the Council.

The Kelly Couplers aided by the moral support of Sponsor John Kelly, gave the Brown Plumbers' championship aspirations a temporary setback by trimming them all three games. Inspired bowling by Homer Shaver and Georges Reithal turning the tide for the Kellys.

The Stack Typewriters spiked the Cassidy Tires three times. Capt. Wm. Page, 236-603, and Frank Farrell, 202-556, manning the big guns for the Stacks, who also captured second high series for the season with 2545.

The McMahon Undertakers embarrassed the McEnery Realtors for a twin victory despite the fine stick work of Jack Lee, smiling anchor man of the Realtors.

The John J. Gorman's won a pair of games from the Reliable Credit winning the last game by only ONE pin.

The Gorman's double victory coupled with the triple disaster to the Browns, enabled them to trim the Pennant Gap to just two games. With only three games left to bowl the situation is very tense. May the best team win.

If you are unable to attend the banquet at 8 p. m., Saturday, April 26th, drop around later and help the "Merry Men" make merry. Festivity time: "Dusk till Dawn."

Enter First Reservation for Fourteenth Annual K. of C. Golf Tournament

The Fourteenth Annual Knights of Columbus State Golf Tournament was given its official and opening endorsement early this week when Charles J. O'Brien, perennial early bird in the way of getting in advance reservations for the tournament, staked his claim to thirty places on the green at Olympia Fields where the June 25 affair will again be run.

O'Brien, who heads the O'Brien Products Company here, is one of the large group of Order golf enthusiasts, with the first days of Spring, wouldn't be caught off-guard without at least a couple of reservations for the popular K. of C. outing in their pocket. His party will include the entry of Mr. C. C. Zigler, of Greenfield, Mass., who visits here each June for the single purpose of attending the K. C. tourney.

Within the next few days, Thomas D. Griffin, chairman of the Illinois K. of C. Athletic Commission is expected to call a meeting of the tournament committee in order to complete arrangements regarding entries and the prize list. Blanks for reservations will also be prepared and will be made ready for distribution within the next few weeks.

Softball League Will Pick New Committees at Tonight's Session

By John E. Miner

At tonight's meeting of the K. of C. Softball League the committee for the revision of the constitution and by-laws and for the playing schedule will be appointed. Both of these committees are very important and the delegates are urged to be present so that they may offer their suggestions.

Delegates from Damen, Tonti and Carroll councils were represented at the last meeting. These councils are former members of the league, but were not entered during the 1940 season. The league extends a hearty welcome to these teams and wishes them a successful season.

BARBECUE

Just a reminder, Brothers, that you have now been in possession of your barbecue books for some two or three weeks, and it is the hope of your Council officers and Candy Strehlow, Chairman of the Barbecue Committee, that your books have been already or are just about disposed of.

In the event that you are ready to make returns, it is suggested that you do so immediately at any one of the stations previously published in this column. The chairman is anxious to make a substantial return on the books to the General Committee by not later than May 1st. At any rate, don't delay the disposition of your book too long as the grand drawing to be held at Riverview Park on June 13th will pop up only too suddenly.

ALEXIAN BROTHERS HOSPITAL

On Saturday, April 26th, at the Stevens Hotel, the Alexian Brothers Hospital Foundation will conduct a benefit card party and dance in connection with the Diamond Jubilee celebration of the establishment of Alexian Brothers Hospital in Chicago seventy-five years ago. There will be cards and bunco, which will start at 8:00 o'clock p. m., with a table prize for each table, and a well-known and popular orchestra will administer the music for the dancing which will follow the card playing at about 10:00 p. m. In addition, many very lovely door prizes will be awarded during the course of the evening.

The entire proceeds from this benefit party will be ear-marked in their entirety for the benefit of the Alexian Brothers Hospital, which will dispense same for the ministration of the sick who are unable to provide their own medical requirements at the hospital. Many of our Brothers are connected with the organization, including Al Konitzer, who is vice-president; Teddy Kartheiser, Gus Stevens, George Burggraf and many others. The tickets are one dollar per person, and it is here suggested that those of our members who can avail themselves of the opportunity to attend this card party and dance, will enjoy a very pleasant evening and at the same time contribute to one of the purest and most unadulterated charitable benefits.

We wish to extend our deepest sympathies to Brother Pete Kandel, Past Grand Knight of our Council, and one of its most congenial members and hardest workers, upon the recent death of his father, Mr. Peter Kandel. Mr. Kandel, who was an old Chicago settler, died at the grand age of ninety years. Many of the boys visited Birren's Undertaking Chapel at Wellington and Southport Avenues on, last Friday evening from where he was buried on Saturday to St. Joseph's cemetery.

Our hearty congratulations are extended to Brother Harry Stockwell whose wife gave birth to a baby girl about a week ago. The young lady will be named Louise, and the addition makes it number three for Harry.

Illinois to Receive Communion at Notre Dame Church May 4

1-3 Mon. . . . . 64 E. Lake St.

The annual Communion Sunday for the Order in Illinois, has been designated by our Chaplain, Bishop Griffin, as May 4. In keeping with this splendid tradition, which this writer sincerely believes was first inaugurated by Illinois Council, our membership with their customary devotion, will approach Holy Communion in a body at the eight o'clock Mass, Notre Dame church, of which our beloved Chaplain Father Belanger is pastor.

Mindful of the many blessings and privileges we enjoy, it seems fitting that the occasion be regarded as a medium for individual thanksgiving but also that it be a spiritual offering that peace will come to a troubled and war torn world.

GOLF

With the trees budding, the grass growing greener and the skies bluer, our thoughts turn to our one highly prized annual event—golf. Even were we unmindful of mother nature's welcome unfoldings of her many charms, the pros of the several golf clubs would not permit us to be wholly indifferent to this wonderfully relaxing pastime. Already several of them are singing the praises of their respective courses to which we respond too heartily. One of course will be ultimately chosen by the committee. Be sure the selection will be predicated solely upon its ample accommodations and its ability to render service to our membership. More anon.

AN ENRICHING CLASSIC

With many others, we have consistently sung the praises of our P.G.K. Dr. Fred C. Zapffe whose powers of observation and limitless wealth of charming descriptive has been made manifest upon many occasions in the past. At our meeting last Monday night, it seemed to us his description of the Philippine Islands; his word picture of the natives and the ultimate destiny of the islands was a real masterpiece and in the opinion of the writer transcended any of his many previous splendid offerings.

These are in no sense disparaging comparisons for we are mindful of the many intellectual treats he has favored us with in the past. Cataloguing all of them in this man's mind we have no hesitancy in saying this was the crowning jewel of them all.

One marvels that in the course of his seven weeks' stay, he could so splendidly encompass the many interesting and instructive things he told about the islands. A repetition of this fine talk would be a gracious opening of the door by the doctor, to the stay-aways.

PERSONAL MENTION

It was good to meet P.G.K. John E. Bradley who came to greet his council associates. We are mindful of his fine service to the Council, both in the rank and in the chair.

Mrs. Daniel F. Murphy, wife of our Grand Knight and Miss Dean, daughter of Harry Dean, listened intently to the doctor's fine address. These leaders expressed themselves as fully repaid.

Phil Sharkey, Sr., denies that he is seeking deferrment, on the contrary says he is expecting his questionnaire any day. Hopes refusal to take him in in 1917 will not militate against him now.

Chancellor Uppington is enthusiastic about the week end retreats at Mayslake and well he may be. There is nothing more relaxing and refreshing than an occasional spiritual get together with one's self.

Trustee Joe Fortin was much disturbed by the absence of his colleagues. Confidently expected report would be submitted.

Pete Hughes finds our meetings very pleasant and interestin. Besides being an old time member he finds much pleasure renewing events of mutual interest.

Elmer Martin is looking after our sick members, a task he regards in the line of Christian duty. Soon Elmer will lend his fine engineering talent to the erection of the new north State street bridge.

Put this date on your calendar—Monday, May 5th, next meeting of Illinois Council.

Loyola-H. P. Completes Plans for Mother's Day Communion; St. Clara's

2-4 Thurs. . . . . 7435 Cottage Grove

All arrangements have been completed for our Annual Mother's Day Communion and Breakfast. Once again we have selected St. Clara's Church, 64th and Woodlawn Ave., as the site and arranged for breakfast at the Hayes Hotel immediately after Mass and Communion. All council members are urged to invite their mothers, wives and sweethearts as we open this affair to all the ladies.

Our Barbecue chairman, P. G. K. Charles Lawler, has shown the way for his council by turning in the first complete book. Charlie wants us to break all previous records, so let's swing in behind him and sell, sell, sell.

Our bowlers will hold their farewell party to the 1940-41 season at the Capitol Inn, 77th and Halsted Sts., on next Saturday night, April 26. All league members and their ladies automatically are invited and any other members of the council who wish to attend are cordially invited at a cost of only $2.00 per couple, which includes a great big dinner and all refreshments.

At our first April meeting many members whom we see too infrequently pleasantly surprised us by their attendance. Bro. Martin Keeley traveled from the far North Side to be with us. Bros. Bill Cardwell, Vincent Byrnes, Jim Shaughnessy, and Pat O'Dea all gathered round the festive board after meeting adjournment and renewed old acquaintances. We also welcomed Bros. Charles Mellen and William Percy, who were initiated into the Order on Palm Sunday. Bro. Ray McCann gave us a vivid description of his experiences at Blue Island that set everyone laughing.

Congratulations are in order to Bro. Bernie Rupp, who will take the fatal step with Miss Lillian Ahern on June 7. Welcome to the fold, Bernie.

Chancellor Bentley Baker, after being confined home with illness for three weeks, has just left town for Northern Wisconsin to recuperate further. Better bring the snowshoes, Bent.

Whatever happened to smiling Pat McHugh? Has Bill (133) Leeland stopped talking to himself yet?

All Fourth Degree members who have not yet done so are urged to get in touch with Bernard Thompson concerning membership in the Fourth Degree Lohypa Club.

There is a firefly in Paraguay which flashes a red light at the ends of its body and a green one along the sides. As might be expected, it is known as the railway beetle.

FEEHAN BOWLERS GIVEN TROPHIES AT BANQUET

2-4 Tues. . . . . Hamlin and Madison

Bowling bowed out for the season with the staging of the bowling banquet at Quinn's Inn on Thursday, April 17. The walls of the busy bistre at Cicero and Kammerling bulged with the capacity crowd of hungry bowlers and the roof was raised by their noise and din. After the feast came the awarding of the various prizes and trophies and then the election of officers for the coming year.

The league championship was won by the Illinois Laundry team. In the absence of Bill Yarie, its sponsor, the cup was accepted by Pete Cantalupe, who extended the good wishes and thanks of Mr. Yarie. In addition to Bro. Cantalupe, the team included Vito Yarie, Tony Fasane, Jack Coakley, Frank Engel and J. Trencchi. Each member was presented by retiring President Frank McQuillan with an individually engraved trophy, and each thereupon responded with a few appropriate remarks. Final standings:

	Won	Lost
Illinois Laundry	30	12
Baer Bros. & Prodie	26	16
Harmon Electrics	23	19
Malee's Fighting Irish	23	19
N. Preib Cleaners	22	20
J. J. Collins Sons	22	20
Lemon King Senators	21	21
Judge Hackett's Pioneers	19	23
Quinn's Inn	19	23
Harold Crotty Boosters	18	24
Edw. F. Moore Boosters	17	25
Edw. Kaindl Boosters	12	30

Pat Riley captured the individual championship with a 180 average. He attributed his success to the fact that he finally got away from the Fogarty influence. Joe Collins took second money with 178. Other winners: Frank McQuillan, 177; Jimmy Collins, 174; John Schoemer, 170; George Becker, 170; Dinny Malone, 168; Harry Barrett, 167; Frank Wheeler, 166; Bill Barrett, 165; Pop Edler, 165; Joe Motto, 165. Also ran, Fogarty, 164.

High series went to Pat Riley, 635; Joe Motto, second, 623, and Jimmy Collins, third, 619. High team series was taken by Malee's Fighting Irish, 2,648; Harmon Electrics, second, 2,583, and Judge Hackett's Pioneers, third, 2,582.

Bill Barrett and Pat Riley tied for high game, 244; Frank Engel, third, 243. High team game, 968, went to Harmon Electrics; Hackett Pioneers, second, 958, and Edw. F. Moores, third, 917.

When Frank McQuillan declined to accept renomination to the office of league president for the coming year, Len McSteen was unanimously chosen as his successor. The incumbent secretary, Augie Tamburrino, and treasurer, Bud Schoemer, were unanimously re-elected to these offices.

League Secretary Augie Tamburrino donated a special trophy, which was presented by Harold Crotty to "the holiest bowler in the council," Ed Kelly. It seems that with Ed it's a case of "with every pitch a prayer," since he invariably winds up on his knees.

First prize for high series in the "league of leagues" secretaries' division was captured by the above-mentioned Bro. Tamburrino. Congrats, Gus.

We can't forget all about Indianapolis without mentioning that the trip was missed for the first time in umpteen years by PGK Tom Collins, the continued illness of whose wife prevented his going. And we wondered why Dowling couldn't be kept under control. Let it be noted, too, that Joe Chvesta (the lone Bohemian) remained true to his title by refusing to ride in any but empty (?) elevators.

FIRST GREEN PEAS

of the season are displayed by Frank Tamburrino, who charged over the line with the first barbecue book returns. By the time this gets into print Frank should be working on his fourth or fifth. Claims he's lonesome, though, and would like a little company. Care to join?

CONGRATULATIONS to Bro. Ed McKiernan, who, rumor has it, is due to middle-aisle it very shortly, and to Bros. Angelo Fasane, Joe Clark, Jack Thoner, William Smith and Thos. F. Collins, Jr., who celebrate birthdays this week.

Records show that whenever a low-priced popular article is displayed in a shop window there is a steady relation between sales and the number of people who pass the window.

HUGHES OFF TO NAT'L BOWLING TOURNEY SAT.

1-3 Tues. . . . 4711 W. Madison St.

Toot, toot! That's the train whistle for the Hughes Council West Side Bowling Special, which pulls out of the I. C. depot, 12th and Michigan at 9:15 a. m., Saturday, April 26. You going? If so, be punctual, for P.G.K. Elmer J. O'Brien has voiced a word of warning to the effect that the train will leave on time in order to make its run to Indianapolis according to schedule.

The bowling committee arranged a special parlor car for the ladies. In addition, there will be a refreshment bar car, and five modern coaches. Sandwiches will be served at nominal cost and liquid refreshments mostly free. Accommodations have been procured at the Warren Hotel in Indianapolis, only a block and a half from the railroad station, and the bowling alleys are within easy walking distance of this hostelry. Single rooms, $2.50; double, $4.50. Round trip railroad fare, only $4.65.

The train leaves Indianapolis on Sunday at 7 p. m., arriving in Chicago about 10:40. Incidentally, there will be a diner on the return trip featuring a delicious steak dinner for $1.50. The Special will be set for the return journey at 6 p. m. on Sunday and all those who desire to board the train or patronize the diner can do so any time after that stated.

Hughes Council's star bowlers set high marks when the Majors rolled at Indianapolis recently, but now with the major portion of the Council Bowling luminaries going, the Hoosier capital will be in for a big session.

"ALL NATIONS NIGHT"

After the regular business of the Tuesday, April 15, meeting, the "All Nations Night" program gathered momentum and it was ripsnorting entertainment by the time 10:30 rolled around, continuing until almost the witching midnight hour. Captain John C. Bannon, in charge of the Irish portion, had a diversified fare: Julius Lamassey, Ol' Leather Lungs himself, rendered some appropriate selections, then P.G.K. Elmer J. O'Brien, accompanied and assisted by his son, Bro. Raymond O'Brien, followed with enjoyable ditties. Next came our good friend, John Hickey, past Chancellor of Father Setters, who delivered an interesting and enlightening discourse on Irish history, topping it off with an example of Irish dancing, and John is a rug-cutter of the first water. Music was provided by Bill Mahoney and his concertina, and then Bill sang several songs that had the chamber in an uproar. Our own Organist James A. Ryan was another headliner with excellent selections.

Bro. John F. Korbel, captain of the Bohemian "Nationals," got his portion under way in stirring style with some folk songs in the native tongue. Accordionist Stonehouse accompanied John Korbel, Charles Votava, Sr., and Ed Sokol, but then everybody joined in.

The big double-cross of the night was when Louis Lepore, the Tito Schipa of Hughes, was billed to sing an Italian native folk song, but Lou crossed everybody with a sort of "Yiddish-a-mama" rendition that laid 'em in the aisles. Lecturer Joe Ryan appropriately closed the proceedings by having all in attendance join in a lusty, even if not melodious, rendition of "God Blass America."

COMING LADIES' NIGHT

Just another tip that "A Night at Monte Carlo," to be featured at Hughes Council's next Ladies' night on Tuesday, May 20, will be one of the best of the series of outstandingly successful Ladies' nites. Make a date with your wife, sister, gal friend, etc.

The members were delighted with the presence of Rev. Joseph Enright, brother of P.G.K. Harold F. Enright, at the last meeting. Father Enright gave an impressive and inspiring talk, and urged 100% support of Catholic Action programs. Bro. Ed Fik was another new face at the last meeting, and it is hoped Ed will make them regularly henceforth.

Sorry to learn that Bro. Earl Guertin has been confined to St. Anthony's hospital, where he underwent an appendectomy. Bro. Bill Marek is out of Edward Hines Memorial hospital again and looked fit at the last meeting. But two other Hughes knights, Dr. H. Ganey and Dr. James J. Walsh, are now in the Hines hospital. Bro. John McNelles of Elmhurst, Illinois, was a visitor at the April 15 meeting.

Hughes Council's representatives in the I.B.A. Bowling Tournament at the Windy City alleys on Friday, May 23, 6 p. m., will be the Toomey Tavern team, made up of Tom Dailey, Erve Lauterbach, Ed Hsutoles, Al Gilbert and Joe Delaney.

COUNCIL BOWLING LEAGUE

With the curtain descending this evening, Friday, April 25, the Lauterbach Coal Company team will be crowned 1940-41 Champions of Hughes Colncil. The Lauterbachs have a four game lead going into the final three games tonight. Last week the McKeown Cartage team took two games from the Lauterbachs, but while the leaders were dropping these the second place Ward Builder Golds also took a double licking from the Douglas Coal squad, with John Korbel, Al Korbel, Nick Mulroe, Joe and Dr. Postilion all mauling the maples vigorously.

The Flaherty Tavern took two of three hard-fought games from Howell Restaurant, Boland ekeing out a win in the first with four consecutive strikes to earn a 7-pin margin. Howlette and LaRocca featured for the Howells. Dick Flaherty won the buck with a net 225 game. The Votava Auto-Fixers went into undisputed possession of third place with two wins over Ald. Richard M. Walsh's 36th Ward Booster. John Bannon had a 245 game for a 624 series. The Ward Blues won the odd from Malone & Clancy, while the Toomey Taverneers took two from the Peter M. Kellys, to deadlock the fight for the cellar.

COUNCIL COMMENTS

Outside Guard Mike Kirby, absent at the last meeting, his first in a long term, missed because of the death of his young grandson, Jim Kirby, aged seven. Sincerest condolences are extended.

Regret to learn of the death of the wife of Bro. E. J. Blaha some time ago. Sincerest condolences are extended. The officers lament the fact that information was not received so that a delegation from Hughes might have paid respects.

G.K. Dr. Louis Postilion and D.G.K. George Daly visited Hines hospital recently and chatted with Bro. Dr. Harry Ganey, who is progressing satisfactorily, but may have to submit to an operation this week. He is in Room G-4. They also visited with Dr. J. J. Walsh, veteran member of Hughes, who despite transfer to other towns and cities, including the Camp Custer cantonment near Battle Creek, Mich., in the service of Uncle Sam, has refused to relinquish his Hughes membership or transfer to another council despite many invitations. Dr. Walsh is recuperating from a major operation and may have to undergo additional surgery. He is in room B-117. Dr. Walsh and Dr. Ganey would both enjoy visits from Hughes members. Dr. Walsh particularly would like to see P.G.K. Robert P. Quinlan and P.G.K. Joseph Morrison, both old and firm friends of his.

Bro. Jack Pender of the Major league bowlers made the headlines with his first-place win in his class with high series for the All-Leagues competition over the ten-week period. Jack garnered in excess of $300. Nice going.

SOFTBALLERS, ATTENTION!! Hughes Council, 1940 Champions of the K. of C. League, are getting the squad together fo rthis season. Any member who wants to play should communicate with Athletic Director Elmo L. Ward, Columbus 3503.

BARBECUE BOOKS have all been distributed. If you did not get yours, check with Chairman George Daly, 625 S. Pulaski Road (Crawford Avenue). Every member is urged to give his best.

Gen. Sherman Counts Recent Cabaret Party Outstanding Success

1-3 Tues. . . . . 4300 W. North Ave.

Our cabaret party of April 18 is now history. It was a social success. The financial side of it will be discussed later and will depend upon the financial returns for tickets which were mailed to the membership.

As your G. K., I at this time publicly want to "present the orchids" to the following:

Bro. Matt. Ellgass, as Chairman of your Program Committee, assisted by Bros. John Ruh, Ed. Anderson and Bernie Janco, as Chairman of the Patrons' page.

For service at the party: Jack Hogan, as Chairman of the Refreshments Department, ably assisted by Ken Buckley, Geo. Heinlein, Neal Daley, Frank Mootz and Jim Marine. Bros. Geo. Kohl, Jr. and Sr., at the cash register.

Eagle-eye Trustees John Barth and Al Loiselle at the "check-in" and "check-out." At the door—our old standbys, Joe Deisenroth, Myrom Boland, John Ruh and Jack Ryan.

And last but not least, your Worthy Lecturer, Bert J. Welker, who was on the job from 7:30 p. m. 'til 3 a. m. Let's present him with "the gardenias."

And a special appreciation to the Shermaknights who contributed to our ad program. And a big thank you to all!

BOWLING—BY BERNIE

The curtain has fallen on the General Sherman intra-council bowling season for 1940-41, but the memory lingers on. Yes, folks, it is all over with but the celebrating, which will be well taken care of at our banquet. Last Thursday evening the straight shooting Tremko Judges assembled at the Lions alleys and were assigned to alleys 3 and 4. At 9:15 that evening they were in 4th place, but at 11:25 they were in undisputed first place and champs. The boys in the know would have given odds something like 250 to 1. In other words, they did not have a Chinaman's chance until it was all over.

Collins Undertakers were in first place by two games. They only had to win one to take first place, but thanks to Ray Groh and his Klinnerts Hoff-Brau, who really went to town and mowed them down. Boyda Dairy was tied for second with Glen Realty, just one game behind Collins. But, what happened? The last place Cirone Barbers made buttermilk out of them three times. Tremko Judges took care of Glen Realty for three. Incidentally, that was six in a row for the Judges over the Realtors.

Now a little something about the five men on the Judges team. Our lineup: No. 1, Jack Ryan, the finest little leadoff man in the business and the only two-time winner in succession in our league. Last year he helped win the cup for Mareks. No. 2, Frank (Two Pants) Grady, not only the best looking and best dressed man in the league but the winner of more half dollars this season than any man in the league. No. 3, Bernard G. Janco, who bounces his ball and is your bowling scribe. No. 4, Frank Leis. The man who never gave up. He got more railroads than anyone but picked up most of them. No. 5, our anchor man and captain, who deserves all the credit a successful leader has coming—Bill Hall. Bill has been a swell captain, no fooling. He never gets angry and always has a word of encouragement for his men. I'll take Bill for my captain any day.

Our silent partner and sixth man on the team, Judge Michael Tremko, our sponsor. He is a judge in the Municipal Court of Chicago and a member of Bishop Ketteler Council

The final standings are:

	W.	L.
Tremko Judges	46	35
Collins Undertakers	45	36
Glen Realty	44	37
Boyda Dairy	44	37
Klinnert Hoff-Braus	41	40
Schmitz Printers	41	40
Roche-Ellgass Morticians	39	42
Cirone Barbers	38	43
Boots Johnston	38	43
Cesar's Tavern	36	45

Phil Sheridan Degree Class Highly Pleasing to Many in Attendance

1-3 Thurs. . . . . 446 N. Parkside

Last meeting Phil Sheridan Council exemplified the First and Second Degrees for a group of very enthusiastic candidates. G. K. Dr. Postilion, P. G. K. John Bannon and company of Hughes Council are indeed to be congratulated on the manner in which the degrees were put on. To them, many thanks.

We are indeed very grateful to G. K. John Loughnane of Englewood Council who traveled all the way from the far south side to assist us in making the second degree the success that it was. It is just such examples of Knighthood as this that gives encouragement to the newly initiated members. John Loughnane, we thank you very much and hope we can reciprocate sometime.

Among the many visitors was G. K. Mele of St. Francis Council, who, with other members of his council is always welcome at Phil Sheridan. Our own faithful district deputy, Jos. O'Neill, was on hand to encourage and advise us on the road of success. His words of praise of our own G. K. Ed. Backner are surely due him, who has made such a wonderful record in the few months in office.

We are expecting to see all the newly initiated members at our next meeting on Thursday, May 1. We are particularly anxious to have a good turnout at this meeting in order to prepare for future activities. Some of these include the annual Communion Sunday, which is May 11, at St. Lucy's Church at 8:00 o'clock Mass; our annual May party to be held on Saturday, May 24th; the formation of a softball team, and now is the time to think about having our own bowling league next year.

Full steam ahead? Why? Don't you know? For the Fourth Annual Kr of Columbus Barbecue to be he Riverview Park, June 18. Most books are distributed, but if any ber has not received his, kindly Gus Flashing who will dispatch or mediatley by special messenger. council will award a prize for the books sold.
